Cynthia McKinney's Credibility Under Attack

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Daryl Bradford Smith's website iamthewitness.com is presently as of this writing linking to two articles which attack Cynthia McKinney's credibility. I again urge someone who knows McKinney to inform her of these facts. These links appear as:

GENUINE OPPOSITION CAMPAIGN UPDATE

which states, among other things,

"Any intelligent reading of the situation will reveal that the Palestinians are, in actuality, worse off than they were before. Because, while the 'alternative' media focused attention on McKinney's standoff with the Israeli navy, the

Israeli government announced the largest seizure of Palestinian land in more than 40 years -- a development of far, far greater consequence to the Palestinian people than whether or not a small consignment of humanitarian aid got into Gaza.

Cynthia, though, made out just fine: although she failed in her mission to Gaza, she has reaped considerable 'street cred,' or popular credibility, within the growing anti-Zionist movement -- without once publicly conceding any of the movement's core grievances. [***] The 'Free Gaza' campaign is theatre."

iamthewitness.com is also presently linking to the following website as of this writing:

GENUINE OPPOSITION: CAMPAIGN UPDATE 2

which states, among other things,

"The Cynthia McKinney-led 'Free Gaza' campaign was meant to direct our resources in support of a side-issue, while the real threats -- Zionist infiltration of national governments and Israeli false-flag terrorism, among others -- go unmentioned.

For us, that just won't fly. Not this time.

As for those accusing us of being Zionist saboteurs intent on distracting attention away from the 'Free Gaza' affair, I say this: . . ."

In Rejoinder to "Judenfrei"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Judenfrei" again opens its attack on me with contradictory claims. On the one hand, "Judenfrei" argues that I have deliberately sabotaged my own book *The Manufacture and Sale of Saint Einstein* with valid arguments that Einstein was a racist and that Jews have always been a racist people; while on the other hand, "Judenfrei" declares that it espouses the views of Eric Hufschmid because they are supposedly legitimate and cares not what anyone thinks of that; and "Judenfrei" declares that Hufschmid could not taint my work by immediately promoting a bogus story on the heels of interviewing me about my book. I, in contradiction to "Judenfrei", am consistent. I tell the full truth about Einstein and am prepared and fully able to defend that truth. Unlike Eric Hufschmid, I have not promoted a hoax. My book on Einstein has been downloaded by hundreds of thousands of readers and received vast attention across the internet. "Judenfrei's" contention that I have somehow made a mistake by presenting a thorough and scholarly account of Einstein's plagiarism and his racism is thereby proven false. In addition, "Judenfrei" discounts the fact that I have published two books and various articles on Einstein's plagiarism, which do not address his racism. Was this also a supposed "trick"?

In respect to the Holocaust, "Judenfrei" has failed to quote where I have stated that the "Holocaust narrative" as defined by "Judenfrei" is true. Instead, "Judenfrei" agrees with what I have said in that "Judenfrei" agrees that European Jewry has been displaced.

Rather than argue with "Judenfrei" over the issue of 9/11 and its importance to exposing the crimes of World Jewry, I welcome the opportunity to discuss the facts regarding the Jewish involvement in 9/11 with someone who has proven themselves knowledgeable and credible on the issue and in general. I in no way seek to cover up the facts regarding the Jewish involvement in 9/11 or the crime in general. I have not addressed it in detail because I have not specialized in this area and do not wish to be associated with the nonsense of Hufschmid, Smith and Jones. I do agree that the facts should be broadly known to all and I agree to facilitate the exposure of these facts by credible means. If "Judenfrei" can facilitate such an opportunity, I would be grateful.

Contrary to "Judenfrei's" contentions, the central issue driving Christian Zionism is Jewish money and the Jewish corruption of Christianity, not the issue of the Khazarian origin of *Ostjuden*. The Khazarian Jews never had any legitimate claims on Palestine, but nor did or do the Berber or Arab Jews, nor did the Babylonian "Israelites" ever exist, nor did the Babylonian Judeans, by their own admissions, have any claim on the lands in which they were, by their own accounts, "strangers". Giving primary or even secondary importance to the Khazarian question is misrepresentation by omission of the Berber, Arab and Babylonian question, which hold no appeal to Christian Zionist who hold the Jewish Torah to be the written word of their Jewish god. However, quoting that god in the form of Jesus, and quoting the Jews on their hatred of

Jesus has been a proven means of shaking Christian support for Jews who would and have subverted Christianity. "Judenfrei" fails to provide any examples where its approach has proven successful, let alone more successful than mine.

"Judenfrei" has understandably misunderstood what occurred between Hufschmid, Smith and me. Smith was booted off of GCN, for, by his accounts, my having raised the issue of Chabad Lubavitch on his show. I suspect it had more to do with his critiques of Alex Jones, but this is unimportant. I suggested to Smith that we start a network including him and Hufschmid, and that the shows we presented be distinct. In this way, should one of us be discredited, the others would not be a part of that specific show. In this way, undiluted points of view could be presented and a broader audience could have been reached. Smith and Hufschmid have misrepresented this fact as if I were trying to drive a wedge between Hufschmid and Smith, when in fact I was trying to create a network to compete with GCN and RBN. Smith wanted to make a certain "Nina" a part of this network and tried to interest me in her, but I found her of no interest. I did indeed first warn Hufschmid that the Sam Danner story was not credible and I then warned Smith that those who aligned themselves with this story would be discredited. "Judenfrei" wonders why someone would be discredited for promoting Sam Danner's story, and for having been interviewed by someone who promoted Sam Danner's story, but "Judenfrei" need only look to the arguments of Hufschmid himself for an answer.

"Judenfrei" fails to understand the natural defenses normal human beings have against the Jews. The stereotypical Jewish phenotype is repulsive to Northern Europeans, who depicted such persons as devils throughout the history of European art. The Christians have always

viewed Jews as guilty of deicide. Europeans have always waged campaigns against the aggressive Jews, and until very recently kept the Jews locked away in Ghettoes. There is no sympathy for the Jew, other than in the mad eyes of deluded Christian Zionists, and Rev. Hagee has brought an end to much of that support. The World hates the Jews and always has, because the Jews have always hated the Goyim. The Zionist[s] at "Judenfrei" parrot the same dogma as the Zionists of old, that Jews can be cured of their mental diseases by segregation and nationhood. Just like their Zionist predecessors, "Judenfrei" advocate the segregation and nationhood of the Jews, which has already proven disastrous in the modern world. The Zionists of old lied to us and claimed that the Jews would be cured of their mental disease should a Jewish State be formed somewhere, anywhere. "Judenfrei" repeats this proven false contention. The Jews of Israel are even sicker and more perverted than their predecessors in Europe, America and Asia. "Judenfrei" promotes disproven Zionist theories, while criticizing me for proposing effective solutions. Other than from Zionist "Judenfrei" I am not aware of any criticism of my proposals. "Judenfrei's" arguments echo Herzl's arguments.

"Judenfrei" claims that my proposals mirror the Jewish doctrine of exterminating the human race. "Judenfrei" does not offer any evidence to support such a false claim. Rather, unlike the Jewish aggressor, I propose we solve the issue of Jewish aggression once and for all times. There is no equivalence between the defense from aggressive attack and that aggressive attack. There is no equivalence between the promotion of noble human cultures and people, and the promotion of subversive and perverse Jewish culture and people.

My questions are not answered in the "Monetary Reform Act" promoted by "Judenfrei", though

"Judenfrei" claims they have been. Nor have I yet asked all of my questions. Does this reform act propose that the debts of the US be paid in full on a full term basis or prorated, or without any interest at all? Will a bond holder redeem his bonds at full value within one year from the passage of the act, or at a prorated rate, or simply recover his initial investment? I still await proof of any kind that Americans will deposit enough money in banks to cover the 100% deposit requirement made by the act for existing loans, let alone enough to cover the needed loan capital to sustain and grow our economy. "Judenfrei" may be oblivious to these flaws and omissions, but I am not.

Simply producing currency does not create growth. It instead creates inflation, there being more dollars chasing the same goods and services. Loan capital is a very different animal from money supply, though there can be not sufficient loan capital without sufficient money supply in one currency or another, and/or fractional reserve banking. This is why I fault the Utopian proposals which "Judenfrei" advocates. There needs to be addressed how loan capital will be provided and directed at growing the middle class and the economy. Gottfried Feder, for but one example, focused on the real economic necessities of building a viable economy, as opposed to Carmack's proposals, which appear only to profit the rich at the expense of the taxpayer. Paying off the debt to the debt holders without recouping what has been deliberately stolen denies the taxpayers loan capital and real assets with which to build and maintain the economy, and thereby comes at their expense. If the government gives Peter trillions of dollars, and leaves Paul with nothing, than Paul has been shortchanged by his government. In addition, Paul is expected to fight, or provide children to fight, to protect Peter and the land and holdings Peter has. This comes at Paul's expense.

I still await straightforward answers to my questions. I intend to show the inflationary pressures of closing out the debt in the course of one year, while demanding 100% backing to loans in bank reserves. I intend to show that this will give the Jews absolute control over the money markets and the supply of loan capital and afford them the opportunity to ruin America as America has never been destroyed in the past.

On the Disingenuous Responses From "Ognir" of the Disinformation Underground

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I requested a show of good faith from Daryl Bradford Smith's parrot, who calls himself "Ognir". Instead, I received disingenuous denials and false accusations from "Ognir":

An Irish Clone of Daryl Bradford Smith

The overaged punk in effect denies that he has been unfair to me, and states, " I'd love him to post a link where I was unfair to him." This "Ognir" evidently does not consider it unfair or indecent of him to openly and immediately condone and applaud a lewd smear made against me

on his unfair thread "Christopher Jon Bjerknes - Zionist Shill?" This "Ognir" evidently does not find it unfair to address the fact that I have complained about his actions and statements, and more importantly those of Daryl Bradford Smith and Muhammad Rafeeq, actions which discredit Cynthia McKinney, among many other detrimental effects; but does not address the substance of my complaints or in any way attempt to refute them, but instead appeals to emotion and declares me "angry" and has even hypocritically and angrily cursed me with vulgarity. Why is not "Ognir" insistent that my complaints be addressed? His silence speaks volumes and is itself unfair.

"Ognir" grossly misrepresents what I have stated, and claims in the thread at the Disinformation Underground An Irish Clone of Daryl Bradford Smith:

"Why is he always bitching about Jews, he seems to HATE ALL OF THEM yet with this clear violation of International law by this shithole of a country he says nothing, nothing about the illegal way that the 21 are being held without access to lawyers"

and:

"You would think that CJB is also pushing the idea that the Jews arrested McKinney because she did a few interviews with us, yet again ignoring the people of Gaza and their urgent needs."

"Ognir" clearly has no regard for the truth, and instead tries to discredit me with falsehoods. I never stated nor did I ever even remotely imply that the Jews arrested Cynthia McKinney

because she did interviews with Daryl Bradford Smith or "Ognir". "Ognir" will not be able to provide a single honest quotation from me to substantiate his falsehoods. "Ognir" also tells untruths when he claimed on 4 July 2009 that I have ignored the illegality of the Israeli attack on the Palestinians or their plight. Contrary to the falsehoods of "Ognir", I wrote on this blog:

Qui veut noyer son chien l'accuse de rage

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Max Nordau stated at the First Zionist Conference in 1897:

"'If you have to drown a dog,' says the proverb, 'you must first declare him to be mad.'"

Jews often accuse their accuser in an effort to avoid the accusation. Note the Israeli spin in the following news reports:

UN expert says Israeli seizure of aid ship a crime

Activists to break Gaza blockade

The Israelis attempt to change the subject of their illegal aggression against

the aid ship carrying Cynthia McKinney, to an attack on the motives of its mission. In order to justify drowning the humanitarian mission, the Jews call it mad.

The Jews claim the motivation of the aid shipment was not humanitarian, but rather public relations, as if those two concerns were mutually exclusive. They are not. It is logically consistent for an aid mission to be both the transport of humanitarian aid and a public relations effort to raise international awareness of the plight of a suffering people, which public relations effort is in itself is an humanitarian effort meant to bring relief to a victimized people.

Israelis often defame the Palestinians and try to blame them for what the Israelis are doing to the Palestinians, and the Israelis often deny the suffering they are willfully inflicting on the Palestinians, which unjustly harms the image of the Palestinians in the court of public opinion. To counter Israeli propaganda by drawing attention to the plight of the Palestinians at the hands of the Israelis is in itself an humanitarian effort meant to bring aid and relief to the suffering Palestinians.

It is the Israelis who have brought this story to the headlines by illegally capturing a prominent American who served in the Congress of the United States. I hope that the public relations campaign to expose the plight of the Palestinians is quite successful, as successful as it is just and necessary. The

Israelis are helping it along!

Note that the Israelis instinctively believe that a public relations campaign must have a sinister purpose. Why is that?

Prior to that, I wrote on 1 July 2009:

As I Predicted, Cynthia McKinney's Name Made Mud Due to Her Associations With Daryl Bradford Smith, and His Clone, "Ognir"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Once again, I really, really, really hate to say I told you so, because Cynthia McKinney deserves better in spite of her lapse in judgement, but as I predicted Cynthia McKinney is being put through the meat grinder for associating with Daryl Bradford Smith and "Ognir":

McKinney Arrested By Israel, Appears on Hate Radio

McKinney on hate radio again

I wonder if and when CNN will pick up on this story. I heard they have

connections with the CIA and sometimes put out stories for them. I know they have covered Smith in the past.

I wonder if the media will pick up on Daryl Bradford Smith & Co.'s Apollo moon landings hoax theories and how the "Zionists" allegedly profitted. Should be very entertaining for those in search of ways to discredit McKinney and change the subject from Israel's illegal attack on her.

I wish you well, courageous and selfless Cynthia. You deserve far better than what fate is doling out to you. I suggest you look into who set you up for this.

"

"Ognir" has a hard time confining himself to the truth. Will "Ognir" retract the falsehoods he has told about my statements, or is he just another Smith? Instead of providing the information I requested from him regarding "Muhammad Rafeeq", "Ognir" whines and complains as he so often does. I made a straightforward and simple request. The fact that "Ognir" desires to avoid these issues, while joining in on rampages against Alex Jones and his wife, demonstrates that "Ognir" is tendencious and not interested in the full truth, including the truth about "Muhammad Rafeeq". Everyone who follows "Ognir" already knows who and what Alex Jones is and represents. Let's find out a bit more about "Muhammad" who made an ass of himself yet again and by way of association and comment also made an ass of "Ognir", who did not object to what was said.

"Ognir" must know that I did not state nor imply that he is to blame for Cynthia McKinney's

arrest. He must also know that I have dubbed that arrest "illegal" and condemned it, as well as the Israel oppression of the Palestinians. So why is "Ognir" spreading falsehoods about what I have said, instead of answering my simple and straightforward questions? Why does not "Ognir" address the real accusations I have made against him and Daryl Bradford Smith, and the intermediary who arranged their interviews with Cynthia McKinney? Why has not "Ognir" addressed the fact that he had an irrationally negative response to one of his interviews with McKinney? Why has not "Ognir" addressed the fact that he, together with Daryl Bradford Smith and "Muhammad Rafeeq" made Cynthia look bad by making themselves look bad by addressing old issues regarding accusations that the Apollo moon landing was a hoax? Why does not "Ognir" tell us the name of the intermediary who arranged these interviews with Cynthia McKinney? Why is the Disinformation Underground pushing this Apollo moon landings nonsense, including "Ognir" himself in his unfair attack on me by quoting a letter from Scott Summers on this issue, and also including the intermediary who calls himself "Lord Lindsey"?

"Ognir" pretends that I have not already refuted his nonsensical claims that Zionism has nothing to do with religion or the Jewish People. Let him respond to what I have already said with new facts and arguments, if he is able. Thus far he has only endorsed lewd smears against me, deceitfully misrepresented what I have clearly stated, and backed away from confronting "Muhammad Rafeeq".

"Ognir" is not for real. He is another Smith, and I predict that he will continue to disappoint you at critical times in our fight against World Jewry.

On the Attempt at a Critique of My Work by the Zionist Website "Judenfrei"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A website which promotes the views of Eric Hufschmid, has attempted to besmirch me and criticize my work. In so doing, the author(s) of the openly personal attack raise a few points worth addressing.

I will start off by demonstrating the Eric Hufschmid style sophistical attacks against me which are meant to raise doubts about me, so that the relevant arguments regarding my work appear to be somehow justified and legitimate, when they are not. On the one hand I am criticized for putting too much into my book *The Manufacture and Sale of Saint Einstein*, while on the other I am accused of putting too little on my webpage about Christian Zionism. This is one of several obvious contradictions in the attack by my critics which demonstrates that they are out to demonize me with whatever petty attacks they can fabricate from whole cloth, rather than engage in a civil and fair discussion meant to arrive at the truth.

The more a view contradicts the common view, the more the proof that is required to refute the common view. Extraordinary claims require extraordinary proof. Demonstrating that Albert Einstein was a racist Jew and that Jews have always generally been a racist people was, in 2006, an extraordinary claim to make in America, and it required extraordinary proof, which I provided. Instead of thanking me for this tremendous and productive effort which cost me much time and funds, I am instead attacked for making this effort by the Zionists at "Judenfrei". Here again, we see that they are not out to be fair or civil, but instead to try make my virtues and the virtues of my work appear to somehow be weaknesses and flaws. Theirs is a common Jewish tactic. Whereas they should be thanking me and praising me, they are instead attacking me–a clear "tell" as to their motivations. "Judenfrei" misrepresents my views when it states, "He maintains the Holocaust narrative as true!" What is that narrative and where did I state that it is true?

Would "Judenfrei" have me discredit myself by denying the fact that Jews were genocided from Europe, in the sense that a people is dislocated, which is one of the definitions of genocide. Where are the prewar populations of Jews in Europe today? Would "Judenfrei" have me discredit myself by denying that there were concentration camps and discriminatory laws against Jews, or that Jews were rounded up against their will?

"Judenfrei" correctly points out that I do not much address 9/11. I do not wish to be associated with clowns like Eric Hufschmid and Daryl Bradford Smith who dominate that arena, nor do I wish to be associated Alex Jones and his crowd, or the dialectic created between these factions of "Truthers". I do believe that the Jews were behind the attack, and have never criticized anyone for making that claim. Again, instead of thanking me for the monumental and

unequalled efforts I have made to expose the crimes of Jewry, Zionist "Judenfrei" searches for reasons to find fault with what I haven't done. If I found a cure for cancer "Judenfrei" would probably claim that I am working against humanity because I didn't cure heart disease. Their attitude reveals their motives.

While attacking me for pointing out how Christian Zionism is a contradiction in terms, again as opposed to thanking me for providing this useful and often copied work, the "Judenfrei" attack proposes that the page is somehow a diversion from other more important issues–more important than proving that Christians cannot be Zionists, issues which are obscure, to say the least, to the average Christian Zionist. Rather than have me quote the Bible which is at hand to the vast the majority of Christian Zionists, and which clearly states that Jesus is of the tribe of Judah through his descent through David making him a Jew by usual definition, rather than make a sound analysis based on readily understood and available concepts and materials, "Judenfrei" claims that I am deceptive because I do not confuse the audience with references to Khazars nor delve into the etymology of the word "Jew". Thanks but no thanks for your unsolicited advice! I prefer to show Christians what their Bible tells them about the Jews, and what the Jews' Talmud and other writings tell the Jews about Christ and Christians. This has a proven record of making Christians look with suspicion upon the Jews, whereas the Khazarian theories and Christian Identity arguments have never proven successful against the Jews.

I have addressed the Khazarian question (and the Berber and Arab origins of modern Jews and Babylonian origins of ancient Jews--where has "judenfrei" ever addressed these? what proof does "Judenfrei" offer that any tribe of Israelite ever existed outside of Jewish mythology meant

to justify the theft of Palestine? why does "Judenfrei" push Jewish religious mythology on the Goyim? where are the mytholgical Israelites in the writings of the Egyptians, or for that matter where are the Jews in the writings of the Greek historians prior to or concurrent with the fabrication of the Torah?) in my books, my lectures and my articles, in contradiction to "Judenfrei's" false contentions to the contrary. I guess while searching for something to attack, "Judenfrei" overlooked those inconvenient facts.

"Judenfrei" claims that I tried to sow the seeds of discord between Eric Hufschmid and Daryl Bradford Smith. What I did do is tell Smith I did not want to be a part of his skunk spraying contests, and that I wanted to take an intellectual approach. I suggested to them that Eric do a show of his own, and that Daryl do a show of his own and let each grow their own audience and start a network. "Judenfrei" fails to point out that Hufschmid was at that time criticizing me for attacking Zionism. It was Hufschmid, not I, who thought that it was a mistake to go full bore against the Zionists. I did tell Hufschmid that his association with Sam Danner would discredit him and I also told Smith that it would be a bad idea to be associated with Danner's story. Of course, instead of being thanked for providing this proven sound advice, I am instead attacked for it. When Hufschmid continued down the path toward discrediting himself (note that his Danner interview came immediately on the heels of his interview with me about my Einstein book and was certainly likely to taint me by association if I let it) I cut off all contact with him. Likewise, as Smith acted out in soap opera fashion instead of taking an intellectual approach to the problem, and took actions of which I did not approve and suggested things to me which made no sense to me, I cut off all contact with him. How wise history is proving me to have been!

"Judenfrei" asserts without proof that my proposed legal measures to defeat Jewry would backfire and never be accepted by Northern Europeans, on the basis that "Judenfrei" instead wants to satisfy its Zionist desire for an ingathering of the Jews in Israel. I have for a very long time, much longer than parrot proposals of some others, advocated that the Palestinians, Lebanese, and virtually all other peoples sue the Jews for their aggression and illegal acts. These measures are finally beginning to be taken and they are very effective, as evinced by the Israelis' response:

Israel worries over intense 'legal war'

"Judenfrei" would instead have us fear the retaliation of the bankers and pay them off, in addition to fulfilling the Zionist dream of gathering all the Jews of the World together in Israel.

"Judenfrei" correctly observes that I am not Zionist and I do not want the Jews to segregate and perpetuate the Jewish people. "Judenfrei" considers this a trick of some kind, and asserts without proof or logical demonstration that Northern Europeans could never be convinced of the efficacy, morality or practicality of my approach to solving the Jewish problem. History contradicts "Judenfrei's" claims. As the Nazis rounded up the Jews, most if not all of the societies welcomed the purges. There was no genuine mass sympathy for the Jews even in America and Great Britain and the Jews had to work overtime to manufacture an artificial appearance of a mere semblance of such sympathy. Informed citizens have never been sympathetic to Jewry.

Human nature is to despise an aggressive enemy. Human beings will embrace my proposals, because my proposals solve the problem, rather than fulfill Jewish messianic prophecy as

"Judenfrei" would have us do. "Judenfrei" accuses with the statement, "Again, Bjerknes slyly espouses the Holocaust lie." There are many Holocaust lies, not one of which have I ever knowingly espoused. It appears that "Judenfrei" is trying to bait me into discrediting myself with general statements. Be specific "Judenfrei". Do you deny that the Nazis changed Jewish demographics in Europe in profound ways? One of the definitions of genocide is remove a people from a place. This took place, unless you can prove otherwise. If you can prove otherwise, offer the proof, but do not speak in vagaries and accusations for which you offer no proof.

"Judenfrei's" arguments on banking and economic matters are a bit more interesting and better thought out, though still fatally riddled with contradictions, misrepresentations, omissions, apologetics and other flaws which defeat them. Numerous unproven assumptions appear in the presentation and there are even more alternative outcomes which are left unacknowledged and unaddressed. What proof is there that paying off debt holders will result in banks being able to maintain 100% reserves and still offer enough credit to prevent deflation and economic collapse? What proof is there that banks will remain solvent under these proposals, or that there will be the profits needed to create such banks, or that citizens and businesses will make such substantial deposits as would be need to grow the economy? On what basis is the claim made that no economic growth will be needed merely because our money will become debt free? While it is true that we will not need to create value to pay interest, this does not imply that will not need to create economic growth. Do we not wish to better our society? Do we not wish to out compete our international competitors? Do we not need to become more self sufficient?

Before redressing the attacks made against me, I ask "Judenfrei" to substantiate the unproven

assumptions made in the proposals offered, and to quote directly where I have made the assertions "Judenfrei" claims I have made. If and when that it is done, I believe I will have an easy time pointing out the necessary consequences and alternative scenarios left out of "Judenfrei's" borrowed utopian proposals that leave the Jews as absolute masters of the money markets and the World economy.

What, if any, is the relationship between "Judenfrei" and the original author of the banking reform proposals which "Judenfrei" advocates? What, if any, is the relationship between "Judenfrei" and Eric Hufschmid? Why do you, "Judenfrei", want to fulfill the Zionists' fondest wish and ingather the Jews to Palestine? Please don't obfuscate the issue with tired lectures about who and what Jews, Israelites and Judahites are and were, other than to let us know whether you are pushing Christian Identity, or British Israel, or some other such Jewish manufactured theories or theory. Just answer the question. Why do you want to help the Zionists to place all Jews alive today in the Nation of Israel? I have responded to your concerns. Kindly respond to mine.

Qui veut noyer son chien l'accuse de rage

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Max Nordau stated at the First Zionist Conference in 1897:

"'If you have to drown a dog,' says the proverb, 'you must first declare him to be mad.'"

Jews often accuse their accuser in an effort to avoid the accusation. Note the Israeli spin in the following news reports:

UN expert says Israeli seizure of aid ship a crime

Activists to break Gaza blockade

The Israelis attempt to change the subject of their illegal aggression against the aid ship carrying Cynthia McKinney, to an attack on the motives of its mission. In order to justify drowning the humanitarian mission, the Jews call it mad.

The Jews claim the motivation of the aid shipment was not humanitarian, but rather public relations, as if those two concerns were mutually exclusive. They are not. It is logically consistent for an aid mission to be both the transport of humanitarian aid and a public relations effort to raise international awareness of the plight of a suffering people, which public relations effort is in itself is an humanitarian effort meant to bring relief to a victimized people.

Israelis often defame the Palestinians and try to blame them for what the Israelis are doing to

the Palestinians, and the Israelis often deny the suffering they are willfully inflicting on the Palestinians, which unjustly harms the image of the Palestinians in the court of public opinion. To counter Israeli propaganda by drawing attention to the plight of the Palestinians at the hands of the Israelis is in itself an humanitarian effort meant to bring aid and relief to the suffering Palestinians.

It is the Israelis who have brought this story to the headlines by illegally capturing a prominent American who served in the Congress of the United States. I hope that the public relations campaign to expose the plight of the Palestinians is quite successful, as successful as it is just and necessary. The Israelis are helping it along!

Note that the Israelis instinctively believe that a public relations campaign must have a sinister purpose. Why is that?

Three Tricks of the Jewish Controlled "Alternative Media" Trade

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The "alternative media" often causes people harm by discrediting people through *agents provocateur* who sucker their victims into associating with them in some way, while, unbeknownst to the victim, they act in an outrageous manner which is bound to discredit everyone who has associated with them. Sometimes smearmongers will bite their victims in the rump and claim that they don't go far enough in condemning the "Zionists". In this way, the victim is smeared in the mainstream media, and loses all support among dissidents and dissenters who would otherwise support them.

Another game played is when the mainstream media condemns someone, and then the "alternative media" claims that person is a "Zionist agent". In this way, the person is condemned by the general public, and loses all support among those who would otherwise support him or her.

A third means to double team a person working against the Jews is for the mainstream media to ignore whistleblowers, while the "alternative media" condemns them for participating in the first place, or not coming forward sooner. Here again, the victim is universally condemned for attempting to rescue humanity from the Jewish attack.

As I Predicted, Cynthia McKinney's Name Made Mud Due to Her Associations With Daryl Bradford Smith, and His Clone, "Ognir"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Once again, I really, really, really hate to say I told you so, because Cynthia McKinney deserves better in spite of her lapse in judgement, but as I predicted Cynthia McKinney is being put through the meat grinder for associating with Daryl Bradford Smith and "Ognir":

McKinney Arrested By Israel, Appears on Hate Radio

McKinney on hate radio again

I wonder if and when CNN will pick up on this story. I heard they have connections with the CIA and sometimes put out stories for them. I know they have covered Smith in the past.

I wonder if the media will pick up on Daryl Bradford Smith & Co.'s Apollo moon landings hoax theories and how the "Zionists" allegedly profitted. Should be very entertaining for those in search of ways to discredit McKinney and change the subject from Israel's illegal attack on her.

I wish you well, courageous and selfless Cynthia. You deserve far better than what fate is doling out to you. I suggest you look into who set you up for this.

The Reasons Why Neturei Karta Do Not Represent the Views of World Jewry

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In spite of spurious claims to the contrary, Neturei Karta Jews are Talmudists. It is the Babylonian Talmud (Tractate *Kethuboth*, Folio 111a) which tells them that they must wait for the arrival of the Jewish messiah before Jews should travel *en masse* to Palestine and Greater Israel. This was the view of Orthodox Jewry until the time of the Holocaust.

Today, and since 1948, the majority of Jews believe that they have fulfilled the religious requirements for genociding the Palestinians, in that the Jews believe that they have atoned for their ancient sins of apostasy through the Holocaust and therefore are entitled to steal the land of Palestine and occupy it, just as Moses and Joshua sought to do.

This is not the first time that Jewry believed it received atonement through mass suffering. The Jews believed that their messiah would soon arrive after the Ukrainian pogroms and then welcomed Shabbatai Zevi as if that messiah.

The descendants of the Shabbataians believe that the messiah *has already arrived* and lives today in the body of the man who has inherited the soul of Zevi and the throne of Judah. The majority of other Jews believe that the Jewish People itself are the messiah and are themselves

divine in their nature, or at least vastly superior in spirit, talent, intellect, etc. to the Goyim and have the inherited right to murder, cheat, rule over, subvert and steal from the Goyim.

Therefore, the views of the Neturei Karta are a tiny minority view among Jewry. The Jews believe, and this belief is manifest in the Star of David on the Jewish flag, that "As Above, So Below". This means to them, that politics on Earth are politics in heaven, and that the battles they wage on the Goyim in the mundane realm are mirrored in wars between the Elohim, Sammael and the Jewish God/Devil in the heavens. There is, therefore, no distinction between politics and religion for the religious Jew.

The secular Jew is the same animal speaking a different jargon with the same objectives and fundamental beliefs. The secular Jew has abandoned the fox tail stigmata and taken up the briefcase, but holds firm to the core purposes of Judaism to segregate Jews, rob and destroy the Goyim, and genocide the native populations of Greater Israel. That is the Jewish People and always has been. The acts of the Zionists mirror, and are based upon, the religious mythology of Moses and Joshua, and the Jews of Israel gleefully acknowledge this. Judaism is an expression of the Jewish People, the Jews came first and created Judaism which produced Zionism as the only viable means of fulfilling Judaism.

There is no Jewish God to come down and create a Jewish messiah. There is no Jewish God to come down and exterminate the hated Goyim. There is no Jewish God to implement usury as a means to rule the World. These are and must be done by the Jewish People, and the Jewish People are, and always have been, accomplishing these objectives, taught to them in Judaism, for themselves without any supernatural intervention, for no such supernatural intervention is

possible. The Jews know that Neturei Karta would have them waiting forever to do what they are doing for themselves today, and the Jews reject Neturei Karta as fools and tools of the Goyim, whom the Jews hate and seek to destroy.

The Jews believe either that the Jewish messiah has arrived in the form of Zevi or Schneerson; or, that the Jewish People are themselves the Jewish messiah; or, that Jewish People created the mythology of Judaism as a product of their self-declared unique and superior nature, and therefore it is the duty of all Jews as a people to forward the objectives of the leaders of World Jewry and of Jewish religious myth (this is why secular Jewish Communism and secular Jewish Zionism both create the messianic Jewish world of one World government centered in Jerusalem ruled by the Jews and created in the ashes of destroyed Goy nations as prophesied throughout Jewish literature from the beginning). Judaism, Communism and Zionism all have the same objectives, the destruction of the Goyim and the elevation of the Jews to the status of gods on Earth. That is the Jewish People whatever mythological gown they don. This has always been so, and shows no signs of changing.

An Irish Clone of Daryl Bradford Smith

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is an Irish clone of Daryl Bradford Smith who pretends to be an informed opponent of "Zionism", but who parrots the same garbage as Daryl Bradford Smith, that Zionism has nothing to do with religion, especially not Judaism, nor Jews as a people. Like Smith, this clown contradicts himself by criticizing the highly religious Christian Zionists, and the highest dogma of Judaism, the Talmud; as well as criticizing the Jewish State of Israel which contains some 1/3 of World Jewry, and which is supported by the vast majority of diaspora Jewry.

I am reminded of the thorough infiltration of Ireland by British Intelligence, such as is documented in this article:

Roy the Rat — driver for Gerry Adams, spy for MI5

The Irish have always been handicapped by agents working for British intelligence. Intelligence operatives often engage in smear campaigns, often involving degenerate images and lies. People who sincerely oppose World Jewry face these attacks.

This Daryl Bradford Smith clone tells us nothing new. Instead, like Smith and Hufschmid, he whines about Alex Jones ad nauseam as if that ceaseless mantra is a solution to the Jewish Question. Smith told me he had never read the Bible and never would. I suspect his clone knows next to nothing about Judaism, as well. So on what basis do these ignoramuses conclude that Judaism has nothing to do Zionism? Have they never heard of Abraham, or Moses, or Joshua? Why do they suppose the Jews want to take Palestine and build a temple on the site of the Dome of the Rock?

This clown wrote to me back in May of 2008 requesting an interview. I looked into the interviews he was doing and concluded that he was a new Smith. I warned you about Ron Paul. I warned you about Smith. I warned you about the Timothy McVeigh Team. I am steering clear of this Irish clone of Smith. He contributes no new research. He is painfully ignorant and uninsightful in the topics he pretends to address. He is a smearmonger and a hypocrite. I ignored him before, and am glad I trusted my insticts.

The clown is again soliciting an interview from me. He likes to draw attention to himself. If he agrees, I will interview him on my terms, and delve into the reasons for his parroted delusions of the nature of the Jewish Problem. But first he must demonstrate a measure of good faith and demand that his friend "Muahmmad Rafeeq" tell us his, this "Muhammad's", birth name and the birth names of his grandparents. I also want him to ask "Muhammad" how he came to know such Cabalistic secrets as the process for transmutating the soul of Shabbatai Zevi into the person of a Rothschild, as "Muhammad" has claimed to know.

As is my nature, I will be fair to this snake, who is so unfair to me. Let him explain himself and attempt to justify his parroted Smith routine. I note that Smith and his fellow clown run off lists of names and events, or babble off the same attacks on Jones, or excuses for World Jewry, as if such a recitation constitutes some sort of insight. Such drivel I will not permit. I want to find out what our Irish friend thinks he knows and show him where he is wrong. Then we will discover if he can stop acting like an overage punk and at least try to conduct himself as a decent man, though I do not hold out much hope for that.

Henry Ford's Peace Ship and Cynthia McKinney's Aid Ship

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In December of 1915, Henry Ford arranged a peace mission to Northern Europe to bring the Jewish manufactured First World War to a close. On that voyage, the Jews Herman Bernstein and Rosika Schwimmer told Ford that the Jews had started the war and only the Jews could bring it to a close. Ford attributed his first knowledge of the Jewish Question to this revelation.

Bernstein betrayed Ford and left the mission. Schwimmer was herself betrayed by Fannie Fern Andrews and Jane Addams. Ford's peace mission was thereby subverted.

After Ford returned, the press libeled him and he won a lawsuit for defamation. The Jewish press ridiculed Ford for being a pacifist and for warning that the US arms build up was a step towards America's entrance into the war.

Ford was set up from the beginning to fail.

One has to wonder what the Jews may have done to subvert Cynthia McKinney's aid ship to the hurting Palestinians in Gaza. One has to wonder what the Jews are doing to soil her reputation.

Is Cynthia McKinney Being Set Up to Be Discredited? Is She Aware of What Is Going on and Does She Approve of It?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Cynthia McKinney has foolishly associated herself with a troop of clowns through an intermediary who is now heavily pushing the conspiracy theory that the moon landings were a hoax. This man sings the praises of Daryl Bradford Smith, Michael Collins Piper and members of Daryl Bradford Smith & Co. Has this man ever informed McKinney of "Ognir's" negative reaction to one of his interviews with her, which this man apparently arranged? Will Daryl Bradford Smith & Co. bite Cynthia in the rump? Lay down with dogs and you'll wake up with fleas. Why are Smith, "Rafeeq", and the intermediary now pushing hard the Eric Hufschmid "shtick" that the moon landings were a hoax? Why are they claiming that old information is breaking news? Will McKinney now be discredited by this, through her association with this clown troop?

I suggest that someone who knows Cynthia McKinney contact her and inform her of what is

going on.

On the Heels of His Cynthia McKinney Interview, Daryl Bradford Smith & Co. Turn Up the Hufschmid "Shtick" on the Moon Landings

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Daryl Bradford Smith & Co. are now promoting old information about the moon shots as if new news. They are going full blast with an Eric Hufschmid style routine about the "Power Hour" and moon landings. I hope McKinney is not affected by this.

She has exhibited terrible judgement working with this crew. It appears that someone going by the moniker "Lord Lindsey" has arranged these interviews.

Smith has also repeatedly interviewed Ralph Nader, who had the effect of a spoiler candidate to elect George Bush. Why would Nader associate with the likes of Smith, who has been featured on CNN? Would not such an association be political suicide? Why haven't Nader and others been associated with Smith in the press as a means to discredit them? I wonder if McKinney will

be tied to Smith at the right time.

A Note on Daryl Bradford Smith's Cheerleaders

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Daryl Bradford Smith and his cheerleaders are trying to immunize Smith from criticism by claiming that anyone who criticizes Smith is "acting like Hufschmid", while ignoring the fact that Smith acted *with* Hufschmid for years, and was in fact much worse than Hufschmid in Smith's rabidly vicious attacks on people. This tells me that the pom pom squad for the Smith shares his hypocrisy and irrationality and is not interested in the truth. This fact is further proven by their refusal to confront Smith on the falsehoods he has stated.

This group also perpetually criticizes Jeff Rense and Alex Jones, but do not feel that they are "acting like Hufschmid" in so doing. I guess immunity from criticism is the limited privilege of the smearmonger Daryl Bradford Smith.

To "act like Hufschmid" is to act like Smith, to attempt to smear people with false accusations and with innuendo, to change the subject from the relevant issues, to carry around a

cheerleading section, instead of fighting your own battles, etc. I do not act like Hufschmid and Smith. I am not an act. They are, and they shared the stage together for years.

Daryl Bradford Smith's Antics Remind Us: "Those Who Forget the Past Are Condemned to Repeat It"--George Santayana

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

While Daryl Bradford Smith whines and cries that he is a poor helpless victim of Eric Hufschmid, which is quite frankly stereotypical Jewish behavior denying his personal responsibility and blaming someone else for his actions, let us not forget how Smith has distracted us at crucial times with his soap opera antics.

Let us also not forget Smith's vicious use of octogenarian Eustace Mullins to attack others. Or Smith's promotion of Christopher Bollyn after having defamed Bollyn to me and others. Or Smith's ridiculous claim that Christopher Bollyn was kidnaped or murdered. Smith tried to interest me in some woman named "Nina", who was of no interest to me. Smith tried to prompt me to initiate a boycott against Israel for publicity purposes, at a time when Smith was revealing that there were laws against participating in certain classes of boycotts against Israel. Smith has

not yet disclosed to his audience much of that which he told me about "Muhammad Rafeeq". Smith did not contradict "Rafeeq" when "Rafeeq" claimed it was he who had discussed the Chabad Lubavitch on GNC immediately prior to Smith's cancellation on that network, when in fact I was the one who discussed Chabad Lubavitch with Smith, and Smith only interviewed "Rafeeq" after Smith's GCN show was cancelled. Smith attacked Ernst Zuendel while the man was completely vulnerable. Smith attacked John Kaminski, but later told us he had old and close ties to Kaminski. Smith attacked Michael Collins Piper in unforgivable ways, but is now promoted by Piper, who also heavily promoted the Sam Danner fiasco despite being advised against it. Smith worked with Bollyn and Hufschmid who promoted the Sam Danner fiasco, which was a terrible distraction at a crucial moment in our struggle against Jewry. I warned Hufschmid immediately after he posted his initial interview with Danner that the story was not credible and would damage all involved. I immediately suggested to Christopher Bollyn on John Stadmiller's radio show that he consider the possibility that he was being "Dan Rather'd". I cut off all ties to these men following their promotion of the Sam Danner story, in spite of their being advised against it.

This is just a very short list of things to consider when remembering the past in an attempt to avoid the future Daryl Bradford Smith. Just wait, history will repeat itself. The Smith cycle of attempting to garner credibility to lend credibility to his distractions, soap operas, uncredible attacks, shows no signs of abating.

I again ask that people who support Daryl Bradford Smith not contact me. The tell that they are not interested in the truth is the fact that they do not demand that Smith and/or "Rafeeq"

answer my questions. Another tell is that they promote the nonsense that creepy Eric Hufschmid had the power to Svengali poor little Smith, but nonetheless Smith is a credible man.

"It would be nice to get the Jews to pay off the national debt, but how can we achieve it?"–Judenfrei

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Judenfrei" inquires of me,

"It would be nice to get the Jews to pay off the national debt, but how can we achieve it?"

First place the *POWER PARTY* in office. The *POWER PARTY* will enact legislation that will declare all of the assets of all of World Jewry to be attachable, garnishable, seizable, etc. as payment of the government debt. No other payment will be offered until all reasonable measures have been taken to recover our wealth which has been stolen by Jewry. The government will assist in the recovery of these stolen assets by confiscating all wealth and

income of American Jews and applying to paying off the debt. The government will also declare war on World Jewry and target the Jewish bankers and their assets as military targets. The government will declare that all the debt held by Jews, Jewish trusts, Jewish fronts, etc. is null and void as the product of a fraud. That in itself will eliminate a large portion of the debt.

The full force of the government will be behind the recovery of this stolen wealth. Holders of government debt will have the means and incentive to recover monies in the courts, and we will enact legislation giving them the means to discover and seize all assets belonging to Jews directly, as well as through trusts, fronts, etc. This will also aid our intelligence gathering operations to end the Jewish war on the human race.

American citizens will receive first payments on the debt, with priority among Americans going first to the least wealthy, then to veterans, then to the youngest members of our society.

Whereas Carmack's proposals which would require 100% bank reserves that would make old Shylock the only means to obtain credit in town, and whereas Carmack's proposals would flood Asia with our currency and give them the incentive to buy our land and businesses and overtake us, not to place that money in failing US banks, as Carmack incorrectly asserts, without any proof of any sort, would happen; whereas Carmack's proposal would destroy our economy, my proposal of attaching the US national debt to the Jews who created it would pit the entire World which holds our debt against the Jews and give the World the incentive to track down and identify Jews so as to recover stolen assets and gain recompense on bonds and bills. I would make the entire World a private investigation force against the Jews. I would make the entire World a means to bankrupt the Jews.

In this way, no new money would be created to pay off the debt until the Jews were stripped of their wealth and their holdings of media and other businesses by means of which they control us and our economies. I would incentivize the destruction of World Jewry with the most powerful incentive known to man, the profit motive.

When closing down a corporation there is a pecking order by which the assets are distributed and from whom they are taken. I would see to it that the Jews receive nothing and the American People are first served.

"Judenfrei" should learn that there is reason why the mob, which does not regulate the money supply, engages in loan sharking. Loan capital is a critical element of survival. Let the Jews ruin the banks with mandated 100% reserves, while offering no State controlled loan capital, and we would all be at the mercy of the international loan sharks known as "Jews". Carmack's proposal would make usury infinitely more profitable in America than it already is, because there would be no banks left to compete with the loan sharks, since the profit motive which reduces interest rates on loans through fractional reserve banking would disappear and with it banks and low interest rate loans. Usury would reign as never before in America and business would disappear.

It Appears That Carmack's Proposal Has Blinded "Judenfrei" to the Flaws and Sophistry Built into Said Proposal

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have been attempting without success to explain to "Judenfrei" that Carmack's proposal falsely claims that by paying off the government debt within one year while concurrently requiring banks to hold 100% reserves for their already outstanding loans and for all new loans issued, that the hyperinflationary effects of introducing such massive amounts of money into circulation would be counteracted by the 100% reserve requirement which would suposedly take that new money out of circulation. "Judenfrei" states, quoting from Carmack's fatally flawed proposal:

"Can Bjerknes not read or is he deliberately wasting our time? An illustrative sample has been mentioned in the footnotes of Carmack's MRA (dated to when the national debt was about $10 trillion). Here it is:

The gross National debt is presently c. $9.9 trillion [Sept. 2008]. The net or Public National Debt portion of that (i.e. net of what the government owes itself) is c. $5.4 trillion, of which the Federal Reserve holds c. $480 billion in the System Open Market Account managed by the NY Fed. There is obviously less urgency in paying off what the government owes itself (i.e., the difference between the gross and the public national debt, owed to different government departments and funds), presently c.

$4.5 trillion. The Act provides that the remaining c. $5.4 trillion public debt should be paid off with U.S. Notes issued by the Treasury Department. The only real objection to this is that, under the present law, such action would be hyperinflationary, which is true. This is why the proposed Act requires the simultaneous increase in the required reserve ratios of banks from 10% to 100%, which both fully solves the inflationary issue and ends private bank creation of money. Commercial bank loans in the US total c. $7 trillion. This represents money created by the banks as loans. Increasing the reserve ratio to 100% would require banks to have a source of deposits equal to the needed increase in reserves which would be c. $7 trillion, in order to avoid calling in loans. Paying off the public national debt would provide c. $5.4 trillion of the needed capital. Commercial banks hold another c. $1 trillion in other US government agency securities, which the Act provides would also be paid with U.S. Notes, thus providing a total of $6.4 trillion and extinguishing national debt to the same amount. The Act provides for the gradual payment of the c. $4.5 trillion intra-governmental debt, which shall be timed to provide the balance of the needed reserves (c. $600 billion), and thereafter to provide the 3% growth of the money supply, until fully retired. The intra-governmental debt thus provides a ready and flexible

avenue for the Treasury to manage the amount of U.S. Notes created to retire the National debt to match capital needed for the reserve ratio increase. Hence there is no technical obstacle to implementation of this section.

What's so difficult to understand?"

Placing money into circulation does not of necessity send that money into bank reserves and neither Carmack nor "Judenfrei" have offered any proof that it would. Instead, the likely result of Carmack's proposal would be that the money would circulate with even greater velocity than before, because the World would recognize that the dollar was being inflated and would be reluctant to save their dollars but would instead toss them out like hot potatoes. Both the increase in the money supply and the velocity of money which would likely result would definitely hyperinflate the currency of necessity.

Instead of increasing bank deposits, Carmack's hyperinflationary proposal would likely decrease them, which in and of itself would cause the already collapsing banking industry to completely fail. On top of that, Carmack would strap the banks with a 100% reserve requirement that would of necessity cause them to fail even if they issued no new loans, but simply tried to meet the requirement for outstanding loans. With no domestic banks to loan money, and with hyperinflation rampant, who would be in a position to regulate the money supply of viable currencies and loan capital in the United States (a distinction which continues to elude "Judenfrei") other than the international Jewish bankers?

Money supply is not loan capital. The government can simply print debt free currency and hand it out to the citizens, but this will not of necessity improve the economy in a sustainable way, but rather would tend to destroy it by introducing hyperinflation.

Loan capital is a different animal from both money supply and production capital, as Gottfried Feder emphasized. Communism failed, in part, because it focused on capital instead of loan capital. Whether or not the Jews control the money supply, if they continue to control the supply and direction of loan capital, they control the economy. We can have an overabundance of money supply, but if it is simply given out willy nilly, without regard to creating employment geared towards domestic production and Autarky, then it simply results in the long term in hyperinflation.

On the other hand, if the money supply is regulated by means of loan capital, then many positive effects can be generated in the economy to benefit the majority of the citizens, rather than the super rich who profit from exporting our industry and who would profit from "Judenfrei's" proposed valuation of government debt. If the government directs loan capital into production, infrastructure, education, and other productive enterprises, instead of giving the rich money with which to send our production to other nations, then our nation will grow strong and produce a sustainable domestic economy with stable prices, full employment and a high standard of living. Carmack's proposal results in none of these effects.

Increasing purchasing power is great if you concurrently increase domestic production and employment at a commensurate rate. Increasing purchasing power to only send that cash to other nations is a certain recipe for national bankruptcy.

More Falsehoods From Daryl Bradford Smith & Co.

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Daryl Bradford Smith, who recently promoted a mockumentary about allegations that the Apollo moon landings were a hoax as if breaking authentic news; Daryl Bradford Smith, who recently tried to convince us that convicted criminal Bernard Madoff is innocent; Daryl Bradford Smith, who recently posted links to articles attacking Cynthia McKinney's credibility; Daryl Bradford Smith is again spreading falsehoods about what I have said and done.

Daryl Bradford Smith falsely claims that I trashed him for putting out the story of Shabbatai Zvi (which I taught him and which I put out before him to a vast audience, his included), that I trashed him for talking about the Young Turk involvement in the Armenian Genocide (which I taught him and put out before him to a vast audience, his included), etc. What I did do is warn that Daryl Bradford Smith would be likely to discredit those who associate with him. Smith brought us the false story that Christopher Bollyn was either murdered or kidnaped. Smith has

been featured on CNN. Smith has viciously attacked many of his former guests without just cause, myself included. My advice that he could potentially discredit the Armenians was and is sound. But that issue, the one I did raise, Smith does not address.

Smith states that I said his name is not Daryl Bradford Smith and that I have other websites making this claim. Smith cannot substantiate this false claim, because I have said no such thing. It is clear that Smith has no real reason to object to what I have said about him, which factual arguments he does not address, so he fabricates reasons to attack me with falsehoods which reveal his thinking, not mine.

"Ognir" of the Disinformation Underground puts his childish language in my mouth. In fact, I mocked *his* juvenile talk, placing it in quotation marks, and pointed out to him that I had already accomplished my goals with him and that he had grossly misrepresented what had transpired. "Ognir" does not name nor address the reasons why I criticized him and his false statements that we face no problem from Jewry other than Zionism and that Zionism has nothing to do with religion. "Ognir" is not interested in substance, but rather in emotion which distracts from substance. I have already proven that he is wrong, and he has not contested a word of what I have stated. "Ognir" does not criticize Smith for linking to articles attacking McKinney. "Ognir" does not take Smith or "Rafeeq" to task for promoting a mockumentary as if breaking news, most especially on the heels of interviews with Cynthia McKinney. Etc. Etc. Etc. In sum, "Ognir" is not for real.

"Ognir" tries to belittle my blog, but my blogposts linking to his site resulted in far more hits on his nothing site than his own threads generate on their own in his own forum. I notice that my

readers are not interested in the collective wisdom caught in the drool bucket which is the Disinformation Underground, and the other postings on that site have received no boost, indicating that my readers were not impressed at all and did not venture outside of that one thread to which I directly linked.

I advise those attacked by the Disinformation Underground, as I have been, that this group prompts its fellows to swamp comments sections in JIDF fashion. This is why they are frustrated that I do not have a comments section on my blog.

"Ognir" complains that I have focused attention on what Daryl Bradford Smith & Co. have recently done on the heels of their interviews with Cynthia McKinney. I can only imagine what would have transpired had I not.

"Ognir" falsely claims that he in some way had "baited" me into revealing that I had visited his website. His claim is nonsense. I made it clear that I had seen his site by the fact that I was aware of how an intermediary, one who has since pushed "Rafeeq's" nonsense about the moon shot very hard, a man calling himself "Lord Lindsey" had arranged "Ognir's" interviews with McKinney–information only to be gleaned from his website. Apparently "Ognir" considers it a mark of shame to have looked at his website, and therefore to have shamed me by smearing me so that I would respond and demonstrate that I was so stupid as to have looked at his website which visit only a fool would make. He considers that smearmongering "bait" to discover whether or not someone has seen his website, since he apparently considers it a shameful act to have visited his website. This is more proof that "Ognir" is a deceptive person by his own self description, in that he claims he sought to bait me with smears, though he should already have

known that I had seen his site by my statements about "Lord Lindsey" on 28 June 2009. I have never accused "Ognir" of being intelligent.

On 28 June 2009, I posted the following blog:

On the Heels of His Cynthia McKinney Interview, Daryl Bradford Smith & Co. Turn Up the Hufschmid "Shtick" on the Moon Landings

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Daryl Bradford Smith & Co. are now promoting old information about the moon shots as if new news. They are going full blast with an Eric Hufschmid style routine about the "Power Hour" and moon landings. I hope McKinney is not affected by this.

She has exhibited terrible judgement working with this crew. It appears that someone going by the moniker "Lord Lindsey" has arranged these interviews.

Smith has also repeatedly interviewed Ralph Nader, who had the effect of a spoiler candidate to elect George Bush. Why would Nader associate with the likes of Smith, who has been featured on CNN? Would not such an association be political suicide? Why haven't Nader and others been associated with Smith in the press as a means to discredit them? I wonder if McKinney will be tied to Smith at the right time."

The audio file from Daryl Bradford Smith & Co. is available here:

http://theinfounderground.com/archives/TFC-TiU.9th.July.09.Daryl.Ognir.Zionist.Systems.mp3

The relevant portion begins about 26 minutes, 48 seconds, into the file.

An Addendum to "An Additional Response to 'Judenfrei'"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In considering why my statements were misunderstood by "Judenfrei", I believe that the word "taxpayer" caused the confusion. I had said,

"Gottfried Feder, for but one example, focused on the real economic necessities of building a viable economy, as opposed to Carmack's proposals, which appear only to profit the rich at the expense of the taxpayer. Paying off the debt to the debt holders without recouping what has been deliberately stolen denies the taxpayers loan capital and real assets with which to build and maintain the economy, and thereby comes at their expense. If the government gives Peter trillions of dollars, and leaves Paul with nothing, than Paul has been shortchanged by his government. In addition, Paul is expected to fight, or provide children to fight, to protect

Peter and the land and holdings Peter has. This comes at Paul's expense."

"Judenfrei" correctly noted that the monies used to make the rich richer would not be derived through taxes, but I did not mean to imply that they would. Rather, I was stating that the use of newly created money to make the rich richer came at the expense of the taxpayers who have been paying into the system all of their lives. "Judenfrei" has agreed that Carmack's proposal does not attempt to recover anything from the Jews generally, or the Jewish financiers specifically.

The national debt (and to a large extent personal debt) exists because of the Jews. Taxpayers have been paying the debt all of their lives. The Jews should not continue to profit from the debt. The taxpayers, and by this I refer to those who are not super rich, should be the first to receive cash. However simply doling out cash without fixing the underlying problems of our economy will only generate inflation and profit our foreign competitors. I do not see Carmack's proposal fixing any of these problems, and therefore it is a program to make the rich richer at the expense of the taxpayer and it leaves the Jews in control of money as masters of the banks, loan capital and international finance.

There are many reasons why the existence and direction of loan capital are so vital to our survival. One of them is that it is largely loan capital which finances growth, keeps business running, finances housing, finances State projects, etc. If the State merely prints money and hands it out without regulating both the supply, through taxes and/or other means, *and the direction*, then there will be powerful inflationary pressures on the value of the currency. Cashing out the debt will not of necessity put all of that money into the banks and out of

circulation, and there will be massive inflation if such a plan is implemented. Even if it did, it would be foolish to allow the bankers to continue to control our destiny through the control of our money.

My proposals, which call for Autarky, regulate both the supply and direction of money generally, and loan capital specifically. If you can read German, I suggest you read Gottfried Feder's works.

We should not be paying off the national debt. The Jews who created the national debt should be paying it off. The value of money is a factor of its supply and acceptence. There is a loss to its value when it is given to the rich and not more evenly and equitably distributed, and that price is paid by the average citizen, even if taxes are eliminated. Even if there were deflation, that cost would still be a factor in the value of the currency and it would be even "stronger", all other things being equal, if monies were not created to give to the rich.

Putting money into sustainable economic growth benefits the People, though giving it to the rich harms and disadvantages the People.

An Additional Response to "Judenfrei"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Judenfrei" proposes that,

"We didn't mention 'deliberate sabotage.' We said it was a bad idea. [A reference to my online Einstein book] Yes, Hufschmid could not taint Bjerknes except in the eyes of the weak of mind: if Eric makes plenty of good arguments and exercises a rare bad judgment then it doesn't undermine his credibility, and no reasonable person would assume that if Danner is a liar then Bjerknes, interviewed by Eric, must be too. Again, we're not contradicting ourselves."

Though "Judenfrei" considers my voluminous text on Einstein and related issues a "bad idea", my book has in fact changed the entire study of Einstein, as well as Zionism and the Holocaust, on a universal, international basis. That "bad idea" has in fact done great good.

Eric Hufschmid does not make "plenty of good arguments" nor does he only rarely exercise "bad judgment". He has in fact thoroughly discredited himself, and constantly whines that everyone ignores him. If I were to associate with Hufschmid after he had discredited himself by promoting an *obvious* hoax, then many reasonable people would tend to reject my work on that basis alone, especially since Hufschmid has so small an audience as for there to be no rational justification for associating with him merely to reach his audience. Jeff Rense promotes many things that I find to be obvious hoaxes, but he reaches a vast audience, so what he is doing has a

positive impact, though it also casts doubt on the legitimate work he does in the minds of many reasonable people. There's the rub. Would it be better for him to risk losing his vast audience and stick only to hard fact, or is it better that he maintain his broad appeal and vast audience and supply them with solid information together with what I consider entertainment. This is not an easy issue for me, I assure you. Hufschmid is thoroughly discredited and to associate with him would only spell disaster with no redeeming gains.

Whether or not someone has an abnormally weak mind, the human mind thinks in terms of images and symbols and associations. This fact, which has powerful beneficial effects, can be exploited as a weakness in all human beings. In fact, Neuro-linguistic programming is generally thought to be most effective on people of above average intelligence. When a person associates with a known hoaxster, that is reasonable evidence that said person cannot be taken seriously. Such evidence can be outweighed by other facts, but it is an uphill climb, for the person has already evinced poor judgement in associating with a known hoaxster.

"Judenfrei" asserts that the Sam Danner incident was a "minor issue". This assertion is made in the context of the Holocaust, and in that sense is legitimate, but not in the sense of the conclusions we should draw about Eric Hufschmid and his colleagues over the years. If memory serves me correctly, this came on the heels of his interview with me, which would have directly impacted upon my credibility if I had let it, as I have already explained. Much more importantly, if memory serves me correctly, this came at the time when Israel had attacked Lebanon and the court of public opinion was against Israel. The Sam Danner hoax served as a terrible distraction at that time when we could have made far greater strides discrediting Israel and exposing their

atrocities committed against the Lebanese. The Sam Danner hoax was an obvious hoax and the fact that Hufschmid, Piper and Bollyn were promoting it had a disastrous effect on the momentum we were gaining in exposing Jewish crimes against the human race. It was, therefore, no minor issue.

"Judenfrei" yet again speaks in contradictions when asserting without proof that I promote the "Holocaust hoax". "Judenfrei" knows, as proven by its own statements, that my view is that the Nazis were working in the interests of the Zionists to terrorize Jews and transplant them to Palestine. That is not the "Holocaust narrative" as defined by "Judenfrei" and does not in any way profit Jewry, but rather brings terrible shame on the Jews, while in part exonerating the Germans. "Judenfrei" knowing my beliefs misconstrues my statements about the death of European Jewry which demise is a fact he has not attempted to refute. The "Holocaust hoax" is the unproven assertion that six million Jews were systematically gassed in Nazi death camps. I have not espoused that view. Rather I have pointed out that the claims made by Jews of selective murder, and the survival of only the fittest Jews, would have a eugenic effect and are congruous with the documented Zionist Jews' statements that they only wanted a relatively small number of Jews to survive the war, and then only those who would be fit to contribute to the Zionist cause. To be clear, I have published two books on Einstein which do not address Einstein's racism, the other being *Anticipations of Einstein in the General Theory of Relativity* which has itself universally and internationally changed the debate regarding Einstein's avowed creation of the general theory of relativity.

"Judenfrei" states, "After World War II, millions of Jews eventually moved to Israel,

voluntarily." This statement disregards the horrors to which Jews were subjected in Europe, horrors which were designed, financed, led and enacted by Jews. Stating these facts does not help Jewry. It discredits the official "Holocaust narative" and reveals the vile nature of World Jewry.

I note that "Judenfrei" claims that Christopher Bollyn has been kidnaped, which is an unproven and frankly preposterous claim.

"Judenfrei" misunderstands what I mean when I say I haven't specialized in 9/11 research. For me to assert myself as an authority on 9/11 would require that I engage in intensive novel research and contact credible persons on the issues involved. I have seen the video to which "Judenfrei" has referred me. To add to that body of work would require novel research and tremendous effort. I may make that effort, but have not done so yet nor do I have any immediate plans to do so. I agree with "Judenfrei" that 9/11 has the potential to awaken the masses, but so do many other things, things in which I have done intensive research including my intensive research into the Jewish origins of the Nazis. I think far more attention should be paid to Barack Obama and his ties to Jewry than is being paid, with a focus on his rise to fame, which I have partly documented from a novel and demonstrably factual basis. It is not my duty to do everything nor should I be criticized for not doing everything. I have done far more than you or anyone else you can name and for you to cast aspersions on my character and my motives for not covering 9/11 is ridiculous on its face.

"Judenfrei" states that, "The central issue driving Christian Zionism isn’t the Khazarian issue, but the belief that Jews are the Israelites to whom the holy land was promised. Jewish money

and Jewish corruption of organized Christianity have gone toward promoting this belief. It's this flawed belief then needs to be demolished." I disagree. The Israelites, in Christian doctrine uncorrupted by Jews, were dispersed for disobedience to the Jewish god. They have no claim to the Holy Land because they violated the covenant made with Abraham, Isaac, Jacob, and Moses. Jewish law has been fulfilled and the Temple destroyed. Christ is a new covenant. Only a remnant among the tribes is to be restored at the second coming of Christ, in Christian dogma, so your points are false and moot to authentic Christians, and only sponsor Christian Zionist beliefs that Israelites (whom they are convinced are modern Jews, but which group never existed) are entitled to steal Palestine from the natives, in that it reinforces the false claim of the fabricated Torah that any people ever have had the right to genocide the indigenous populations of Palestine. No populace has ever had the right to exterminate the native populations of Palestine or steal their land. Introducing the Khazarian issue would only confuse a powerful presentation to Christians that no one has the right to steal the land of Palestine, that Jews were feared and reviled by Christ and Christians, slew Christ, and hate and want to decapitate Christians today. I will not weaken that powerful presentation with obscure issues, parsing words, or introducing new concepts to an uninformed audience. Again, thanks, but no thanks for your advice.

"Judenfrei" ignores my clarifications as to what is meant by Jesus and Mary being of the Tribe of Judah and I do not intend to ride that unmerry-go-round again.

"Judenfrei" must distinguish what "Judenfrei" is willing to do, and what the World community will be willing to do when led by a political party that informs the World about the truth of the

Jewish war on the human race. If the World is willing to form Herzl's World Ghetto, then I think the World will be more than willing and eager to implement more effective and permanent solutions such as those I propose. The impracticality and uncertainty of the solution "Judenfrei" advocates indicate that it is a bait and switch scam meant to fulfill the Zionists' stated desire to use "anti-Semitism" to force Jews to live in Israel. I suspect this is why "Judenfrei" mischaracterizes my stance on the "Holocaust" given that I have exposed the Nazis as working for the same Zionist interests for which "Judenfrei" is obviously working.

There is nothing extreme about defending ones self and the human race from an openly aggressively attack meant to destroy the human race. What would be extreme is to acknowledge this attack and then subvert authentic efforts to counter it by unifying the Jewish People and preserving them for future generations if any there are.

Once again, "Judenfrei" has offered not one scintilla of proof that the banks will have the means to abide by Federal requirements for 100% reserves for the loans which are already outstanding, let alone to write new loans. The American People are deeply in debt, which will soon consume their meager savings, those who have any, that is. American business is failing. Where are the deposits going to come from to create the 100% reserves for the loans which banks must make? Where is the loan capital going to come from, and how are we to direct it so that it does not result in a bubble, nor sail overseas, but instead creates a sustainable economy in America, which at this time does not exist? I still await answers to these questions. Without loan capital directed to investments which create a sustainable economy, we are doomed. Giving the power back to the Jewish controlled banks to regulate loan capital with no intervention from the society or State guarantees that the Jews will remain the masters of the money markets. I think

"Judenfrei" fails to understand how an economy functions and does not represent the views nor level of sophistication of Carmack. Money created out of nothing can find its way straight into the pockets of the wealthy, or can find its way into the pockets of a growing middle class and a rising poor, and into the capitalization of projects which build a sustainable economy. Giving the rich money deprives the general taxpayer of that money and puts him at a greater disadvantage to the rich against whom he must compete. I would have thought that would have been easily understood, and rather than try to argue against what I have not said, I suggest "Judenfrei" ask questions so that I can determine where it is that our communications are failing and try to more effectively explain myself to "Judenfrei". If at that point "Judenfrei" wishes to raise objections, then that would be the appropriate time to do so, but I first ask that what I am saying be understood.

How will your proposal guarantee that the money going to the rich will end up as bank reserves, that those reserves will be anywhere near sufficient to meet our national demands, that 100% reserves will offer a viable profit motive, and that the same old Jewish bankers will not remain in control of this loan capital, and thereby the economy of the World? Do you propose we first export the Jews, or first implement Carmack's proposal? If you maintain the banks as masters of loan capital, you maintain the Jews as masters of the economy. If that point eludes you, I will have to take several steps backwards to explain this matter to you, which might not be an unprofitable exercise.

I am not certain whether "Judenfrei's" assertions regarding the valuation of government debt that Carmack wants to close out within one year represent the proposals of Carmack. I think it

would be better to receive a response from Carmack as I suspect "Judenfrei" does not understand his proposal and does not speak for it in a way that accurately depicts it. So at this juncture, I will severe the discussion on that point so as not to be unjust to Carmack.

Another Disingenuous Response From "Ognir" of the Disinformation Underground

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Ognir" of the Disinformation Underground has again exhibited his bad faith by misrepresenting what I have said, what I have offered, and what has otherwise occurred.

"Ognir" writes:

"Disinfomation Underground, I suppose was the best he could come up with"

"Ognir's" response is childish and trite, typical of his juvenile personality. He depends upon emotion to distract from the fact that I have raised substantive issues with him which he has failed to address, instead acting like the overaged punk that he is.

"Listen I was nice in my first answer, however you can go and shite

I have very little free time on my hands unlike some."

In fact, "Ognir" was deceptive and deceitful in his answer and failed to meet the conditions which I had set to engage him in the discourse which he, not I, sought. "Ognir", as is typical for him, evaded addressing any of the substantive issues I have raised, but instead wasted my time with his hysterical emotional responses which are devoid of substantive meaning.

"He said he'd do an audio and show me where I am/was going wrong and kick my punk ass or some other of his usual [vulgarity deleted]."

I have already shown where he has gone wrong and given him the rope with which to hang himself. "Ognir" demonstrates in his own words that he is a punk unable to address substantive issues in a substantive fashion. Though he is too stupid and too disingenuous to admit it, I have already "kick[ed his] punk ass", and believe me, it was very easy to do. I needed to only accuse him of something and wait for him to make false and misleading statements and avoid the relevant issues, while instead issuing forth smears and falsehoods. Indeed, it was easy to show him up for what he is and for what he is not. I needed only give him the opportunity to prove me right with his own actions and words.

As is his habit, "Ognir" grossly misrepresents what I have said, which is,

An Irish Clone of Daryl Bradford Smith

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is an Irish clone of Daryl Bradford Smith who pretends to be an informed opponent of "Zionism", but who parrots the same garbage as Daryl Bradford Smith, that Zionism has nothing to do with religion, especially not Judaism, nor Jews as a people. Like Smith, this clown contradicts himself by criticizing the highly religious Christian Zionists, and the highest dogma of Judaism, the Talmud; as well as criticizing the Jewish State of Israel which contains some 1/3 of World Jewry, and which is supported by the vast majority of diaspora Jewry.

I am reminded of the thorough infiltration of Ireland by British Intelligence, such as is documented in this article:

Roy the Rat — driver for Gerry Adams, spy for MI5

The Irish have always been handicapped by agents working for British intelligence. Intelligence operatives often engage in smear campaigns, often involving degenerate images and lies. People who sincerely oppose World Jewry face these attacks.

This Daryl Bradford Smith clone tells us nothing new. Instead, like Smith and Hufschmid, he whines about Alex Jones ad nauseam as if that ceaseless mantra is a solution to the Jewish Question. Smith told me he had never read the Bible and never would. I suspect his clone knows next to nothing about Judaism, as well. So on what basis do these ignoramuses conclude that Judaism has nothing to do Zionism? Have they never heard of Abraham, or Moses, or Joshua? Why do they suppose the Jews want to take Palestine and build a temple on the site of the Dome of the Rock?

This clown wrote to me back in May of 2008 requesting an interview. I looked into the interviews he was doing and concluded that he was a new Smith. I warned you about Ron Paul. I warned you about Smith. I warned you about the Timothy McVeigh Team. I am steering clear of this Irish clone of Smith. He contributes no new research. He is painfully ignorant and uninsightful in the topics he pretends to address. He is a smearmonger and a hypocrite. I ignored him before, and am glad I trusted my insticts.

The clown is again soliciting an interview from me. He likes to draw attention to himself. If he agrees, I will interview him on my terms, and delve into the reasons for his parroted delusions of the nature of the Jewish Problem. But first he must demonstrate a measure of good faith and demand that his friend "Muahmmad Rafeeq" tell us his, this "Muhammad's", birth name and the birth names of his grandparents. I also want him to ask "Muhammad" how he came to know such Cabalistic secrets

as the process for transmutating the soul of Shabbatai Zevi into the person of a Rothschild, as "Muhammad" has claimed to know.

As is my nature, I will be fair to this snake, who is so unfair to me. Let him explain himself and attempt to justify his parroted Smith routine. I note that Smith and his fellow clown run off lists of names and events, or babble off the same attacks on Jones, or excuses for World Jewry, as if such a recitation constitutes some sort of insight. Such drivel I will not permit. I want to find out what our Irish friend thinks he knows and show him where he is wrong. Then we will discover if he can stop acting like an overage punk and at least try to conduct himself as a decent man, though I do not hold out much hope for that."

"Ognir" has failed to honor the conditions I have set for obliging his desire to speak to me. He has not only failed to act in good faith, he has presented false and misleading accounts of what I have said and has failed to address my substantive complaints against him and his colleagues. He has instead waved his hands without stating anything of value or substance, and shown that he is a childish clown who cannot act in a serious fashion. "Ognir" knows that he has not met the conditions I have set and therefore has backed down from my offer, but he feels obliged to disingenuously fabricate a false history of events to excuse himself and accuse me with falsehoods, which is very childish behavior on his part. He has also failed to retract his previous false statements, which provides yet another instance of his failure to act in good faith, which was one of my requirements.

"Deal with your Ego ya gobshite"

More meaningless emotional smearmongering from "Ognir", which only serves to prove that I was correct in my assessment of his character.

"Put up or shut up"

I have put up, I put up stage and you acted the childish clown on it, instead of seizing the opportunity to refute anything that I have said. You backed out of my offer, "Ognir". You also violated the conditions which I set for acting in good faith. It is you who desire to speak to me, not I who desire to speak to you. I have already long ago disproved your parroted nonsense from Daryl Bradford Smith. You have proven that you are unable to refute what I have said. You have shown yourself for what you are, a disinformation clown. Is that why you beg me to become silent? Keep dreaming, smearmongering, hand waving, disingenuous "Ognir".

The Old Testament Is Hate Literature and an Incitement to Genocide

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The hypocrisy of Jewish "Hate Laws" once resulted in a call for an investigation into foundational and fundamental Jewish beliefs in Israel, beliefs which originate in the Torah and the major prophet Ezekiel:

Rabbi Batzri to be probed for incitement (21 March 2006)

It was ludicrous for the Jews to investigate themselves for stating that the Arabs are "asses", because this belief comes straight out of the Jewish hate literature known to most as the "Old Testament". *Ezekiel 23:20* states:

"Yet she multiplied her whoredoms, in calling to remembrance the days of

her youth, wherein she had played the harlot in the land of Egypt. For she doted upon their paramours, whose flesh is as the flesh of asses, and whose issue is like the issue of horses." [*Cf. The Babylonian Talmud*, Tractate Berakoth, Folio 58a.]

Ezekiel 34:31 states:

"And ye my flock, the flock of my pasture, are men, and I am your God, saith the Lord GOD." [Which to Jews means that only Jews are human. *Cf. The Babylonian Talmud*, Tractate Baba Mezia, Folios 108b & 114b; Tractate Kerithoth, Folio 6b; and Tractate Yebamoth, Folio 61a]

Back on 2 December 2006, I published a blog article which I had written, *Judaism Sponsors the Racist Jewish Genocide of Arabs and Moslems*, detailing the Jewish racist hatred and characterization of Ishmael as a violent beast:

"

Judaism Sponsors the Racist Jewish Genocide of Arabs and Moslems

Christopher Jon Bjerknes

http://www.jewishracism.com

Moslems believe that they inherited God's covenant (*Genesis* 15:18) from

Abraham through Abraham's firstborn child Ishmael, son of Abraham and Hagar. Jews believe that the Jewish God instead passed the covenant on to Isaac (*Genesis* 17:19-21), who was later born to Abraham and Sarah. Ishmael is the Biblical father of the Arabs, and has more generally come to symbolize Moslems in general. Racist Jews refer to Arabs, and Moslems in general, as "Ishmaelites". The racist Hebrew Bible stigmatizes "Ishmaelites". *Genesis* 16:12 states:

"And [Ishmael] will be a wild man; his hand will be against every man, and every man's hand against him; and he shall dwell in the presence of all his brethren."

Worse still, racist Jews believe that the racist Talmud grants them special license to murder "Ishmaelites". In addition to the virulently anti-Gentile passages found throughout the Hebrew Bible and in the Jewish Talmud and the Cabalistic Jewish Zohar, the Talmudic book of *Sukkah*, folio 52*b*, not only dehumanizes Arabs, and in modern Jews' eyes, the Moslems in general, it makes them the enemies of the Jewish God,

"R. Hana b. Abba stated: It was said at the schoolhouse, There are four things of which the Holy One, blessed be He, repents that He had created them, and they are the following: Exile, the Chaldeans, the Ishmaelites and Evil Inclination. 'The Exile', since it is written, *Now, therefore, what do I here, saith the*

Lord, seeing that My people is taken away for naught etc.;[9] 'the Chaldeans', since it is written, _Behold the land of the Chaldeans —this is the people that was not;_[10] 'the Ishmaelites', since it is written, _The tents of the robbers_[11] _prosper, and they that provoke God are secure since God brought them with His hand;_[12] 'the Evil Inclination', since it is written, [_And I will gather her that is driven away_] _and her that I have afflicted_.[13]"—I. Epstein, Editor, "Sukkah 52_b_", _The Babylonian Talmud_, Volume 12, The Soncino Press, London, (1935), pp. 249-252, at 250.

The racist Jewish _Zohar_, Volume 3, page 282_a_, degrades Jesus Christ, as does the Jewish Talmud. It also degrades the Prophet Mohammed,

"From the side of idolatry Shabbethaj (Saturn) is called Lilith [_Footnote:_ Lilith is a female demon, comp. Is. XXXIV. 14 and Weber, _Altsynagogale palaestinische Theologie_, p. 246.], mixed dung, on account of the filth mixed from all kinds of dirt and worms, into which they throw dead dogs and dead asses, the sons of 'Esau and Ishma'el, and there (read [Hebrew deleted]) Jesus and Mohammed, who are dead dogs, are buried among them. She (Lilith) is the grave of idolatry, where they bury the uncircumcised, (who are) dead dogs, abomination and bad

smell, soiled and fetid, a bad family. She (Lilith) is the ligament [*Footnote:* {Hebrew deleted} is a fibre attached to the lungs] which holds fast the 'mixed multitude' (Ex. xii. 38), which is mixed among Israel, and which holds fast bone and flesh, that is, the sons of 'Esau and Ishma'el, dead bone and unclean flesh torn of beasts in the field, of which it is said (Ex. xxii. 31): 'Ye shall cast it to the dogs.'"—G. Dalman, *Jesus Christ in the Talmud, Midrash, Zohar, and the Liturgy of the Synagogue*, Deighton Bell, Cambridge, (1893), p. 40.

"

The Rabbi is a faithful and knowledgeable Jew, and if that is incitement, then the Jews are a threat to humankind. Had the Rabbi ever been charged, then he would have had an easy time proving that he merely reiterated the ancient and accepted beliefs of all Jews.

I will have more to say on Jewish "Hate Laws", modern, past and even ancient.

Another Brief Note on Hitchcock and Smith

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I should note that I presented more detail on Mao Tse-Tung and Chiang Kai-shek in my blog of 9 January 2007:

Beware of Communist China, January 09, 2007

"

Beware of Communist China

Christopher Jon Bjerknes

http://www.jewishracism.com

The Communist Chinese are agents of the racist Jewish Zionist bankers. The Iranians ought to be very careful in their dealings with this nation.

Zionist agents repeatedly betrayed the People of China in the Twentieth Century. Mao Tse-Tung and Chiang Kai-Shek were on the Jewish Zionist payroll, and both sacrificed the Chinese People to Imperial Japan. Both sought a Communist "revolution" in China. Chiang Kai-Shek was controlled opposition and helped the Japanese to destroy China. Mao Tse-Tung worked with German Jews to ruin the economy of China and leave China weak and vulnerable to Japanese attack and a Communist takeover.

Jewish bankers attempted to form a Jewish State on Chinese soil, with the assistance of their dupes, the Imperial Japanese, and in preparation for a move onto Palestinian soil. Red China was, and will remain, a creation of World Jewry, and it will never ultimately work for the best interests of Moslem nations. It will instead lead them into wars they cannot win with false promises of support, all the time working directly with Israel to destroy Islam.

Use them to whatever extent you can, but never trust them. Do not depend upon their promises. You will find them a fickle and unreliable "friend", not because the Mainland Chinese are bad people, but because their leaders are Zionist puppets—like most American and Arab "leaders". China will soon turn to fight you in the Moslem world. Then they will fight America."

Note that my prediction that China would soon attack Muslims has just recently come true with the Chinese attacks on Muslim Uighurs.

Note that Henry Makow has criticized Andrew Carrington Hitchcock for not naming his sources:

THE SYNAGOGUE OF SATAN

I seem to recall Hitchcock stating that he is a former police officer. Perhaps he can tell us in what capacity he worked for the government.

Note also that Hitchcock is another member of the Hufschmid/Smith mill who promotes the conspiracy theory that the moon landings were a hoax, thereby discrediting what he repeats from me by wedding it to that nonsense. Fortunately, my work stands on its own, and Hitchcock has now attacked me lessening the effect of his drivel on my substantive and properly referenced work, and revealing his motives from the beginning.

Parrots Andrew Carrington Hitchcock and Daryl Bradford Smith Reiterate What I Have Said Before Them, Then Call It "Disinformation"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Andrew Carrington Hitchcock, who often parrots what I have said about the Rothschilds, the Vatican, etc. joined Daryl Bradford Smith to parrot what I have said about the Nazis and Zionists before them in the very work of 2006 which they criticize as if "disinformation", *The Manufacture and Sale of Saint Einstein*. These two parrots claim that my work is "disinformation" because it is infinitely more thorough than their shallow copies of it. Hitchcock parrots almost verbatim my analysis that the Zionists gave up on the Transfer Agreement after it failed and then turned up the heat on the Jews to encourage them to move to Palestine. I said all of what he said on this issue long before him. Smith parrots my declarations on Mao Tse-Tung

and Chiang Kai-shek, made in, among other places, my blog of 6 March 2007:

Mainland China and Taiwan: Reconciling the Divorce, March 06, 2007

They both parrot what I have said about other issues related to the Zionists and the Nazis. Funny how my "disinformation" mysteriously becomes authentic when these two clowns copy it from me and cheapen it with their unreferenced drivel. It is clear that I did the original research and documented it. I preceded them and taught it to them. Instead of being grateful, they copy what I have said without attribution and then declare my work which preceded their copies is "disinformation". Hitchcock pretends that I have not written brief blogs, and given many interviews and lectures detailing that which he parrots, long before he had the audacity to parrot my words. I have literally written the long and the short of the story, before he copied what I have said before him.

Listen for yourselves to Smith and Hitchcock parrot my statements then criticize me for having said what they copied before them, and for having used big words in my writings (sounds quite Hufschmidesque):

TFC guest Andrew Carrington Hitchcock, 15th July 09, part 1

TFC guest Andrew Carrington Hitchcock, 15th July 09, part 1

My book, which Hitchcock parrots while criticizing it as too scholarly, is available for free here:

The Manufacture and Sale of Saint Einstein

If that is too long and has too many big words for you, try this interview I did with Hesham Tillawi:

Hesham Tillawi of currentissues.tv Interviews Christopher Jon Bjerknes, December 14, 2006

Or my article which I wrote and published immediately after David Irving was arrested in 2005:

Free Speech, Free David Irving

If that fails to prove the point, then listen to the interviews I gave to Daryl Bradford Smith on January 13, 27, 31, February 2, and July 18, 22, 25, 28 of 2006, and to the interviews I gave Eric Hufschmid on June 27 and July 1, 2006. You will be amazed by the echoes of my exact words you hear from Smith and Hitchcock!

If that fails to impress you, then listen to my interview of Jim Condit, Jr. on 23 May 2007:

Christopher Jon Bjerknes Interviews Jim Condit, Jr.

May 23, 2007

Full Interview (21.5 MB)

Hour 1 (6.86 MB)

Hour 2 (6.86 MB)

Hour 3 (7.79 MB)

I have not cited all of my blogs and other articles, or interviews, or lectures, in which I said what the parrots have copied from me. The links I have provided are more than sufficient to prove the point.

It is truly amazing how Smith and Hitchcock mirror my work, then criticize me for having said before them what they copy from me. In fact, it is laughable and everyone knows they are parroting my work without providing the citations I provided and without crediting me for my insights.

We Need More Video and Other Media Displaying the Common Humanity of Arabs, Persians and Americans

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The "Anti-Zionist Movement" has become little more than a news service with several websites linking to mostly mainstream articles detailing Israeli and Jewish abuses, and presenting interviews which provide secondhand analyses of these mainstream reports. This serves a very useful purpose, but far more is needed to effectively combat World Jewry, as the Jews wage relentless war on the human race.

The Arabs and Persians need to counteract the negative stereotypes the Jews are creating to smear them and to "justify" the Jewish genocidal war on Muslims. The Jews have been quite effective at demeaning American blacks and other large groups of impoverished citizens, and American blacks and the others, whites included, have done little to counteract the Jewish propaganda. As a result, Americans tolerate the existence of vast swaths of filthy, crime ridden neighborhoods in our inner cities, which shock visitors from the civilized world.

As a result of Jewish propaganda, Muslims are feared and hated by large numbers of Americans, most especially by American Jews. In addition to showing the horrifying Jewish crimes against Muslims, and the after effects of those crimes, we need to restore the humanity of these victims of Jewish aggression in the minds of the World public.

The "Anti-Zionist Movement" needs to grow beyond being a mere news service into a political force. This growth should take place outside the "Patriot Movement" and be a mainstream movement of ordinary Americans, where the real numbers and effective populace resides. These people can be reached through testimonials from Arabs and Persians, which not only demonstrate the vicious attacks of the Jews, but which also show the common humanity of mankind and the injustice of these Jewish attacks against normal men, women and children.

The Muslim community must produce dialogue and improving relations between Sunni and Shia, Arab and Persian, to counteract the Jewish war to pit these groups against one another for the benefit of the genocidal Jews. Venezuela, the Arabs and the Persians combined have the ability to unite and dictate to the Jews their Palestinian policy, and to the Jewish controlled

West its policy towards the remainder of humanity. The American "Anti-Zionist Movement" should be doing more to expose how the Jews are pitting these groups against one another and against the World, and demonstrating that we stand far more to gain from an alliance with Islam, than with an alliance with the treacherous Jews.

Again, this effort should focus on Mainstreet America, not the thoroughly infiltrated and demonstrably ineffective "Patriot Community". We need voices in churches. We need people to stand up and grab the microphone at public events and let their fellow citizens know how the Jews are stealing trillions of our dollars and bringing us into wars we have no need nor desire to fight. We need to start a "buzz" going throughout America and let everyone hear it ringing in their ears. Let the guilty know for whom the bell tolls and that there will be justice for their hundreds of millions of murdered victims. Let Americans know who are the fifth column in our midst and who are potentially our best allies to combat them.

As I Predicted Years Ago, Israel Is Offering the Arabs a Deal So that They Will Allow an Israeli Attack on Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Times of London is reporting that the Israelis are arranging a deal whereby the Arabs will agree to an Israeli attack on Iran in exchange for Israel easing up on their attacks on the Palestinians:

Israeli navy in Suez Canal prepares for potential attack on Iran

This comes as no surprise to me or my regular readers, because I have been predicting just such an arrangement for years, and no one, not even the CIA parrots who regularly try to mirror my analyses and steal my thunder, *no one* supported my efforts to warn the World of the Jews' preparations for their war on Iran and ultimately the World.

Of course, as the Jews worsen the lot of the Palestinians, they need offer less and less in exchange for an attack on Iran. Now, the Jews need only offer to ease up a bit on settlement encroachment into Palestinian territory, to have the Arabs begging to side with them against the Muslim Iranians. Jacob has starved Esau long enough to have Esau willing to give up his birthright in exchange for a bowl of porridge.

The Jewish Gang-Green Revolution in Iran serves as timely warning to Arab leaders of how easily the Jews can foment revolution in Arab nations. Sanctions on Iran warn Arab leaders of how easily the Jews can cut off the constant flow of American dollars into super-rich Arab pockets.

So under the false pretext that Iran poses a threat to Arab power, the Jews have the Arabs chomping at the bit to support an illegal aggressive Israeli attack on their fellow Muslims. I called it years ago, and received absolutely no support from anyone in exposing this crime

against humanity, which promises to draw the human race into World War III.

There is still much that can be done to bring the Jews to heel. We must threaten the Israelis with the facts. The Jews are becoming increasingly alienated in World public opinion. The World now hates the Jews and the Jewish State, in no small part because the Jews illegally and aggressively attacked Lebanon and Gaza. The World will call for the extermination of the Jewish People, should the Jews attack Iran and bring the World into a nuclear World War III. The Jews, especially the Israelis, should know this fact.

The reason the Jews have not yet attacked Iran, they long ago had the approval of traitorous Arab leaders, Freemasons and crypto-Jews all, the reason is that there is not yet the support needed in Israel among the Jews for such an aggressive and needless attack. As I explained before, the Jews need to make the Israeli Jews feel that the US has abandoned them so that they will feel obliged to attack Iran. We must make the Jews of Israel painfully aware that such an attack on Iran is bound to lead to their own deaths in a very real Holocaust which will result as a backlash against all of Jewry for destroying the modern World, as the Jews destroyed the ancient World of Egypt, Greece and Rome; which led to a 2,000 year diaspora.

The Iranians should be publicizing the fact that Muslims are bound by their faith to defend one another, and that the Jewish State is the home of al-Dajjal, that the Jews want Jerusalem so that they can destroy the Dome of the Rock and al-Aqsa Mosque and build a temple to the Devil.

A Jewish attack on Iran will result in the extermination of the Jews almost as a matter of course. The World is weary of the Jewish war on the human race and will not tolerate a Third World

War. The World will not only perish the Jews should they continue to make war and ruin the economies of mankind, the World will first punish the Jews in ways yet unimaginable to those of us who have not had our bodies burned by nuclear blasts nor seen our children shrivel and die in Jewish manufactured famine, as the Jews took over Egypt by manufacturing famine in their ancient stories known as the Torah (*Genesis* 47).

The Jews are pushing the World to an as yet unthinkable revenge on the Jewish People. The Jews had better cease making war on humanity, for the Jewish mass murder of Christian Armenians and Christian Slavs will pale by comparison to the cruelty about to be inflicted on the Jews worldwide should they fail to relent.

"The Jewish Year 6000": An Hungarian Rabbi Told Us the 6000 Year Length and Breadth of the World in 1812, and That Israel Would Be Founded in 1948

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In what can be accurately described as a "smoking gun" document, Hungarian Rabbi Joseph Crooll instructed us on the beliefs of the Jews in the year 1812 AD. He revealed what I have been telling you, that the Jews believe that the story of creation found in *Genesis* that the World was created in six days really means that the World, and humankind, will only last for 6,000 years, and that the seventh millennium will be a sabbath period in which all will rest, a period in which the Jews will completely destroy the Gentile nations (and the Gentiles). The Rabbi further explained that Israel would be founded in 1948 AD (5708 AM) because the name of Adam in fact signifies Adam, David and Messiah, and that the period from Adam to David would equal

the period from David to the arrival of the Messiah. The Rabbi adds his own views to change what were the prophecies of the Jews, but that is of no consequence other than to point out that the Rothschilds sought to hasten things in spite of the beliefs of Judaism. It is the beliefs of Judaism which are of concern to us.

Note that Theodor Herzl was also an Hungarian Jew.

It is important to the survival of the human race that these facts become commonly known. The Jews believe that their creation myth calls upon them to destroy the human race at this very time. The six days of creation are over and it is time for the Jews to destroy us, and they will do it if we do not stop them. The Jews believe that the end of time began on 17 September 2001, which was the beginning of the year 6,000 AL, and shortly followed the Jewish false flag attacks on America on 11 September 2001.

"THE MESSIAH WAS TO BE CONQUEROR .—He will subdue all nations by his coming; and he who will be called the Messiah, and whoever is the true Messiah, will be able to perform and finish every thing; nay, without fighting he will never settle his kingdom; and this we shall here prove. —Ask of me, and I will give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. Psalm ii. 8.

1. To obtain this large inheritance and possession, cannot be done except by fighting, as it is written, Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel. Psalm ii. 9.

2. Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces. Daniel ii. 34.

3. Arise and thresh, O daughter of Zion; for I will make thine horn iron, and I will make thy hoofs of brass, and thou shalt beat in pieces many nations; and I will consecrate their gain unto the Lord, and their substance unto the Lord of the whole earth. Micah iv. 13.

4. That we should be saved from our enemies, and from the hand of all that hate us. Luke i. 71 .

5. The Lord of Hosts shall defend them; and they shall devour and subdue with sling stones; and they shall drink and make a noise as through wine; and they shall be filled like bowls, and as the corners of the altar. Zech. ix. 15.

6. In that day will I make the governors of Judah like an hearth of fire among the wood, and like a torch of fire in a sheaf; and they shall devour all the nations round about, on the right hand and on the left: and Jerusalem shall be inhabited again in her own place, even in Jerusalem. Zech. xii. 6.

Although the king, Messiah, with his people Israel, shall fight all nations, yet the victory will not be theirs, but the Lord's, for so it is written.

1. Then shall the Lord go forth, and fight against the nations, as when he fought in the day of battle. Zech. xiv. 3. The Lord is a man of war. Exodus xv. 3.

2. The Lord shall go forth as a mighty man; he shall stir up jealousy like a man of war; he shall cry, yea, roar, he shall prevail against his enemies. Isaiah xlii. 13.

Perhaps the Gentiles will say, we never shall go and fight against the Messiah; this is not true, for when he shall come, they shall not believe him to be the Messiah, although they will see wonders in heaven and on earth, yet shall they not believe him: and so it is written, The king's of the earth shall set themselves, and the rulers take counsel together against the Lord

and against his anointed. Psalm ii. 2.

The Gentiles are challenged to a battle. **3. Proclaim ye this among the Gentiles; Prepare war, wake up the mighty men, let all the men of war draw near; let them come up. Joel iii. 9.**

The challenge is accepted. **Now also many nations are gathered against thee, that say, Let her be defiled, and let our eye look, &c. Micah iv. 11. And all the nations shall be gathered together against Jerusalem. Zech. xii. 3.**

Jerusalem shall be taken by the Gentiles. **For I will gather all nations against Jerusalem to battle; and the city shall be taken, and the houses rifled, and the women ravished; and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city. Zech. xiv. 2. This will be the last battle in this world; and after this battle shall the kingdom of the Messiah be established, from one end of the world to the other end.**

Thus far it is clearly proved, that the kingdom of the Messiah cannot be established, until he first fight against the Gentiles. This will be his commission to appear like a mighty king, and subdue all, but he will not be a preacher.

A particular observation concerning the law of Moses. **Every man knows that whatever has a beginning has also an end. We know that man was formed of dust, and unto it he must return; the nature of man is changeable**

in all his actions; to-day he is bad, to-morrow he is good; to-day he is good, and to-morrow he is bad; to-day he says Yes, and to-morrow he says No; to-day he says No, and to-morrow he says Yes; to-day he says, I will, but to-morrow, I will not; what he had spoken yesterday, to-day he has already forgotten; what he shall speak to-morrow, he knows not; nay, the very minute before, he knows not what he shall speak. But we know this, that there is only one that has no beginning and no end, and this is God: no man will contradict me when I say, that every word that God intended to speak to man, was known to him from everlasting; he, by his Godly wisdom, prepared to himself a drawing by which he was to build this world; in this drawing were specified, the length and breadth of it; and there was an appointed time for every thing, when to begin and when to end; every nation, that was to appear afterwards, was called by its name; and a great number of particular men were called by their name beforehand, yea, every man that was to be born was known unto him: in this drawing were also described, particular rivers and their names, particular mountains and their names, deserts and their names, cities and their names: in this drawing is also to be found how long this world shall exist; also the good and bad fortune of every nation: this drawing is commonly known by the name of *the law of Moses*. He, by his Godly wisdom, prepared also sub-drawings; but all of them are only the channels of the former: these sub-drawings are commonly known by the name of the *prophets*. In due time, when he thought proper by his Godly

wisdom to create this world, every thing appeared according as it was described in this great drawing.

***Abridgment of the Law and the Prophets.*— We find in this drawing that in six days the world was created. We ask, why just six days, neither more nor less? We also believe that he who created this world in six days, could have done it in one day, in one hour, nay, in one minute: here we must acknowledge, that it was intended to represent something. *One* reason is this, to shew that the number of six is a complete number, which is to denote the four quarters of this world, heaven above, and the earth beneath; these six points include the whole description of the drawing, and the Lord over the whole of this great fabric is only one. This point will be handled more in the following pages. *Secondly*, That each day is to represent a thousand years, that is, that this world shall exist for the space of six thousand years; the seventh day, which is called the sabbath, represented, that after six thousand years, there shall be a sabbatical time for a thousand years.**

***The Creation of man* was the last; his name was called Adam: in the original this name consists only of three letters, viz. [Hebrew characters: *Mem Daleth Aleph*] ADM. In this name is represented the beginning of the world, also the centre, and the end. The letter A denotes Adam, the letter D is David, the M is the Messiah.**

In the year of the creation, 2854, David was born; and so long as it is from

Adam to David, even so long, or near it, will be the time of the coming of the Messiah; but never before. By this account it appears, that the time of the appearance of the Messiah is near at hand; for if we add 2854, then the coming of the Messiah will be in the year of the creation 5708. [NOTE THAT 5708 AM IS 1948 AD, THE YEAR ISRAEL WAS FOUNDED–CJB] This present year we count 5571, and here we find that there are yet 137 years to the time of his coming; but we know that this time will be shortened; and, according to the opinion of one great and eminent Rabbi, there are only 29 years more to the time of his coming, and when we shall begin to count 5600 all things in this world will be settled. [Colored emphasis added.]

"--Rabbi Joseph Crooll, *The Restoration of Israel*, London, (1812/1814), pp. 44-48.

I do not ever recall ever having asked my readers to help me publicize my articles, but in this instance, I ask your help in disseminating these facts, upon which knowledge the survival of the human race depends. The Jews plan to kill off humanity in this century. They view it as their religious duty. The six-pointed Jewish Star of David is itself a reminder to the Jews that they must destroy the World after six thousand years so that it can rest for one thousand years.

The Jews had the power to found the nation of Israel in the specific year 1948 in order to comply with their prophecies. The Jews had the power to attack us on 9/11/2001 within one week of their start date for the end of time, and to provoke Muslims and Christians to kill each other off. The Jews, who control the nuclear

arsenals of the World, have the power to kill us off. We must stop the Jews, or the human race is doomed to die out in the near future.

The Jewish Subversion of American Freedom a Part of the Ancient Jewish War on Humanity Which Will Lead to Our Deaths

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews were originally Babylonians from Ur. They wanted to steal the land of Palestine, which they called "Canaan", from the indigenous peoples, the Phoenicians, whom they called "Canaanites". In order to obtain help in this genocidal endeavor from the powerful Persians, the Jews either subverted the government of Persia, whose king the Jews called "Cyrus", or simply took advantage of an edict issued by the Persian government, to lay claim to the Phoenicians' land.

Ca. 500 BC, the Persians issued a declaration which stated that displaced peoples should be restored to their religious temples (*Ezra* 1:1-6; 3:7; 4:3-5; 5:13-17; 6:1-5, 14. *Isaiah* 44:23-45 note that Isaiah called Cyrus "Messiah", the anointed. II *Chronicles* 36:22-23. Cyrus Cylinder) . The Jews fabricated a history and a religion to match their objective of stealing this land from its native inhabitants, in particular, they crafted a false legend of a mythological Temple of Solomon in "Jerusalem", and a religious mythology of a people they called the "Israelites". In order to win the support of the Persians, the Jews of Babylon claimed to be exiles of the Phoenicians' land and that their god had "promised" them the Phoenicians' land. The Jews of Babylon also claimed to have had a Temple in "Jerusalem" which temple never existed. All of the Old Testament books, the complete Torah included, which date from this period were crafted out of Egyptian and Mesopotamian myths at that time as an effort to justify the inhuman invasion of the Babylonians into Phoenicia.

The ancient Jews used the law as a means of subverting the rights of the indigenous peoples of Palestine, just as today the Jews are using the law to deny us our fundamental rights to freedom of thought and speech.

After invading Phoenicia and calling it "Judah", the Babylonian Jews refused to obey the Roman law which granted residents of the Empire the right to erect temples to the emperor. The Jews destroyed these temples and forbid other religions to be practiced in any area in which Jews lived. Caligula did not tolerate the Jews' intolerance, and placed a statue of himself in the Jews' recently improved temple to their god in Jerusalem, the temple in which Antiochus IV had sacrificed pigs and erected a statue to Zeus (I *Maccabees* 1:20-24, 54-64). [Refer to my book *The*

Manufacture and Sale of Saint Einstein, subchapter 7.4, "The Hypocritical Vilification of Caligula—Ancient Jewish Historians are not Credible"]

The Jews then assassinated Caligula and installed their puppet Claudius, who issued an edict which granted the Jews the right to be intolerant of other religions, including the Roman religion of emperor worship. Yet again, the Jews subverted a foreign nation's laws to grant the Jews privileges and to take away the rights of the citizens of the nation, in this case, the empire.

Fastforwarding to the modern era, the Jews used their puppet Napoleon to gain emancipation in Europe. Immediately, the Jews used this new found freedom to strip others of their rights.

Ludolf Holst published a book which took an honest view of the Jews, *Das Judentum in allen dessen Teilen. Aus einem staatswissenschaftlichen Standpunkt betrachtet*, Mainz, (1821). Holst's honesty offended the German hating Jew Ludwig Boerne. Boerne responded with a negative review of Holst's book and famously stated that he eagerly awaited the day when any statement which offended Jews would bring its author into prison, or the insane asylum.

Ironically, Boerne exercised his right of free speech to call for the suppression of speech which offended him. Boerne's vision was popular among racist Jews, and became a reality in Russia immediately after the Russian Revolution. Sigmund Freud sought to stigmatize any criticism of Jewish racism and tribalism as if it were the manifestation of a mental disorder requiring treatment.

The Jewish controlled and led Bolsheviks made it a capital offense to possess copies of the *Protocols of the Learned Elders of Zion*. Lenin made "anti-Semitism" a capital offense. [*See:* V.

Behind this protective shield, Jews mass murdered educated Gentiles in the millions, and elevated Jews into positions of power and influence. Crypto-Jews in the government changed their names to Russian-sounding names. It was a crime punishable by death to reveal their true Jewish identity.

Therein lies the mortal danger of the Jewish war on our freedom of thought and freedom of speech. The Jews are not merely stripping us of those fundamental rights, they are also taking away our ability to defend ourselves from their genocidal Jewish aggression, that same genocidal aggression which led the Jews to invade ancient Palestine, to mass murder Greeks and apostate Jews in the time of Antiochus IV, to mass murder Romans and destroy the Roman Empire, to mass murder Europeans in the Napoleonic wars and countless other European wars the emancipated Jews provoked, financed and led, to mass murder Armenians and Slavs, to kill off tens of millions of Chinese, Japanese, Koreans and Vietnamese, etc. Our only hope for survival is to speak out against the genocidal Jew!

The Jews are not only denying our fundamental rights to self-defense, freedom of thought and freedom of speech, the Jews are also violating our freedom from double jeopardy by twice punishing those who exercise said rights for an "underlying offense" and an "aggravating offense", both of which are the same act. Not only are the Jews violating our right to freedom from double jeopardy by charging us with two offenses for one act, they are charging us at the State level and at the Federal level placing us twice in jeopardy for the same act by claiming that the State and Federal governments are "separate sovereigns". Several other of our fundamental rights are severed by the Jewish "Hate Laws". As time permits, I will address those as well.

Beware these new Jewish laws. They have ruined once mighty empires and erased the genes of many great peoples from nature.

Ayn Rand's Subversive "Objectivism" Is a Devilish Doctrine Which Embodies the Occult Nature of Jewish Secularism

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ayn Rand said that selfishness is good. Hers was a devilish Jewish occult doctrine, which has often been phrased by Devil worshipers in the following terms:

"Do as thou wilt. That is the whole of the law."

The Jews have always believed in "Jewish Dualism", which holds that both good and evil come from the Jewish god, and therefore it is good to do evil. The Jews base this belief on the Old Testament at *Job* 12 and *Isaiah* 45:7; 59:15-16. The Lurian, Shabbataian and Frankist Cabalah preach that the Jews can obtain redemption through sin, even by doing the opposite of the Torah and by making false conversions to Christianity and Islam. *The Babylonian Talmud*, Tractate Sanhedrin, folio 97a, teaches the Jews that the Jews' Messiah will arrive if they make the World entirely evil. Moses Mendelssohn taught the Jews to embrace the secular aspects of the Enlightenment as part of the Jews' plan to introduce Communism to the Goyim.

Secular Jews do not merely preach against religion, but instead replace moral religion with immoral and self-destructive Devil worshiping occult religion in the guise of secularism. The

Jews substitute selfishness and egotism for spirituality and self-sacrifice. In America, the blacks have been hardest hit by Jewish "secular" dogma, by Jewish occultism.

Ayn Rand copied Dostoevsky's mythical character of the self-centered and ultimately self-destructive *Uebermensch* and made it an ideal for the Goyim to emulate. Rand taught her Goy dupes to become mini Raskolnikovs from *Crime and Punishment* and destroy themselves and their own societies through their egocentricism.

In a society which follows Ayn Rand's occult prescriptions, the Jews who work together as a subversive unit will always overtake and destroy the disunited and selfish Goyim. The rich Jews will face no barriers in law to their subversion of the general society, and will be able to steal all the wealth of the nation through usury, unbridled robber baron Jewish Capitalism, and through monopoly which always arise when the rich are permitted the "freedom" to fleece the poor.

From the Gnostics, to the Cathars, to Ema Goldman, to the Feminists, the Jews have always taught the Goyim to abort their children or to refrain from having children. Often, only the smartest, most compassionate and enlightened Goyim fall victim to this dysgenic Jewish subversion of the Gentiles on a genetic level. The Jews thereby murder off the best of the Goyim by luring them into self-destructive beliefs and lifestyles. Here again, in America the blacks have been hardest hit by this Jewish subversion.

Shun Ayn Rand's "Objectivism" and all who preach it to you. It is Jewish occultism veiled in a shroud of secularism.

"As Above, So Below!" The Jews Are Out to Destroy the Guardian Angels of the Goyim, the Animals and the Plants. . . to Destroy All of Creation

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In previous blogs, I explained that Judaism is political in nature, and that the Jewish war on the human race is also a war on the angels who guard the Goyim:

As Above, So Below: The Jews Will Kill All the Nations (All the Goyim), June 23, 2009

The Reasons Why Neturei Karta Do Not Represent the Views of World Jewry, June 30, 2009

The online version of an important book by John Allen, *Modern Judaism: or, A Brief Account of the Opinions, Traditions, Rites, and Ceremonies of the Jews in Modern Times*, provides some information on the topic of the 70 Elohim, or gods, or princes, or guardian angels of the Goyim in Jewish religious mythology. Note that Google offers a downloadable pdf of the book file in the upper right part of the webpage. See pages 149-172, and in particular 155-165. At pages 159 and 160, the author quotes two Jewish passages which evince what I have been

explaining in my previous blogs:

"There is nothing in the world, not even a small herb, without its governing angel, by whose words and laws it is directed. Wherefore it is forbidden to mix things that are not of the same kind or species. For by so doing, the upper economy, that is, the angels, will be thrown into confusion."

"Every man has his angel who speaks for him and prays for him; as it is said, (Psal. Lxv. 2.) 'O thou that hearest prayer;' that is the prayer of the angel, who is the *Mashal*, or guardian of men. It follows; 'Unto thee shall all flesh come.' *Wherefore* the angels are not allowed to say their hymns above, till the Israelites have said them here below: for all that a man does is imitated by his *Mashal*, who performs it above in the same manner in which it is performed here below."

One of the reasons why the Jews promote miscegenation, especially the miscegenation of whites with non-whites, is that through race mixing they can confuse the gods, the princes, the angels in heaven who guard the Goyim, especially the Northern Europeans, whom the Jews view as their worst competition for supremacy over the human race. By mixing whites with non-whites, the Jews are confusing the gods and destroying god's creation on Earth and in heaven, for god created the angels as well as man.

Obama is a perfect mixed creation for the Jews to set as the prince over the Goyim, for he results also in a confusion of the guardian angels over the Goyim in heaven, affording the Jews an easy

opportunity to attack the Goyim as they no longer have supernatural protection. I must stress that these are not my beliefs, but the beliefs of the Jews.

Another genocidal aspect of Jewish religious mythology and the modern practices of the Jews, is the fact that the Jews are mixing up the genes of plants (genetically modified foods) and animals so as to destroy both the earthly and heavenly manifestations of god's creation. The Jews want there to be "new heavens" and a "new earth" as prophesied in *Isaiah* 65:17 and 66:22, and they are accomplishing this by mixing up the races of man and destroying nature so as to leave god no choice but to create something new, something exclusively Jewish. The Jews also believe that by destroying god's creation on earth, they concomitantly and concurrently destroy god's heavenly creations, "As Above, So Below!"; which is one of the reasons why the Jews try to control the opposition, for by misleading the Goyim they also mislead or eliminate the angels god created to watch over the Goyim.

"The Jewish Year 6000" -- British Israelism / Christian Identity -- 9/11/2001

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Judenfrei" asked that I contribute my abilities to doing research into the Jewish connections to 9/11. I try to contribute something new, which you will not find elsewhere, when I address a topic.

Earlier today, I posted a blog which detailed some of the Talmudic and Cabalistic beliefs which are fundamental to Christian Identity. In the past, I have proven that the Jews believe that the World and humanity are only destined to last 6000 years after which period the World is to experience a Sabbath of 1,000 years of rest. I proved this fact in my video "The Jewish Year 6000" which YouTube pulled and which I reloaded onto Metacafe, which unfornately runs advertising over the videos which appear on its site:

"The Jewish Year 6000"

I have expressed the results of my novel research in the following blogs:

What Will the Reign of the Anti-Christ Look Like? The Seventh Year and Shmita, November 22, 2007

The Entropy of the Modern World Under the Jews, January 14, 2009

The Jewish Year 6000, February 27, 2009

The Jewish Year 6000 as Manifest in the Media, June 03, 2009

Addendum to My Blog: "The Jewish Year 6000 as Manifest in the Media", June 03, 2009

Just as Christian Identity preaches the Talmudic doctrine that Eve slept with Satan and produced a child named Cain as the result of this union, Christian Identity took on the doctrines of British Israelitist David Davidson that his "Great Pyramid Prophecy" predicted that the millennium of the "Sabbath of rest" would commence after the 6000 years of mankind from 4000BC until the Hebrew Feast of Trumpets (Rosh Hashanah) on the 6000th year, which was 17 September 2001. Davidson published his prediction in the 1920's and Christian Identity publicized it as their own belief in the 1930's.

It is no coincidence that British Israelism, Christian Identity and Judaism hold these beliefs in common. As I explained in my book of Spring, 2006,*The Manufacture and Sale of Saint Einstein*, chapter 8, British Israelism and Christian Identity are products of the Jewish desire to use the Goyim to chase the Muslims out of Palestine and seize Jerusalem for the Jews, so that the Jews can build a Temple to the Devil on the site of the Dome of the Rock and Al Aqsa Mosque. The Jews have planned to rule the World from this Temple, for some 2,500 years. The Jews also plan to judge and exterminate the hated Goyim.

For the Jews, as well as the Freemasons, as well as Christian Identity and British Israelism, the true *Anno Lucis* for the Jewish year 6,000 began in September of 2001. It is no coincidence that the Jews conducted a false flag attack America on 11 September 2001, as a means to hasten the end of the World and begin the 1,000 years of Sabbath rest, which the Jews prophesied thousands of years ago would begin as the new age of Aquarius arrived.

Christian Identity and Freemasonry are Jewish subversions of the Gentile World. "As Above, So Below!" The Jews believe that by controlling the Goyim's beliefs in their gods, the Elohim of the Gentiles, they can actually subvert the gods who defend the Goyim from the Jewish angel Michael and the Jewish Devil YHWH, a.k.a. Jehovah, Yahweh, Adonai, or Hashem, depending upon how much courage you have to pronounce the ineffable name of the Jewish Devil. By duping the Goyim to worship the Jews' gods instead of their own, the Jews cut off the Goyim from their Elohim and weaken the Goyim and the Goys' gods in heaven, "As Above, So Below!"

In addition, the head of the Goy gods, Sammael, Satan (as opposed to the Devil, who is the god of the Jews), betrays the Goyim on Yom Kippur (the Day of Attonement) by accepting a sacrificial scapegoat from the Jews who places all of the Jews' sins onto the Goyim, as in the false flag attacks of 11 September 2001, which the Jews committed, but placed their sin of mass murder onto the Gentiles by *scapegoating* Muslims for what the Jews had themselves done. "As Above, So Below!" Both Muslims and Christians believe in the Jews' Devil god, which alienates them from their own "true" gods, the Elohim of the Goyim. The Jews thereby have an even easier time scapegoating Muslims and Christians for their Jewish crimes, because Muslims and Christians do not have any supernatural protection. Add to that the fact that once every year the Goyim's chief god, Sammael, sells the Goyim out for a measly goat and accepts all the sins of the Jews and places them on the Goyim he is supposed to protect.

I have proven with a substantial amount of evidence that the Jews conducted a religious exercise through their false flag attack of 11 September 2001, ushering in the end of time and scapegoating the Goyim for their sins, just as they were taught to do in the Torah, Talmud and

Cabalah. The relevant citations have already been provided in my previous dissertations on the subject, but should the need arise, I can easily repeat them.

The Jewish Mythology that the Moon Landings Were a Hoax

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is a very subtle aspect to the Jewish mythology that the moon landings were a hoax. Operatives working for the Jews to smear everyone in the Anti-Zionist Movement, and to create disunity, a sense of hopelessness, and a failure to look for viable solutions in the Anti-Zionist community; these same operatives who imposter as if "anti-Zionists" are setting forth the lie that the moonshots were of Jewish origin. They thereby not only deny the Gentiles credit for their accomplishments and provoke Gentiles to disbelieve and loathe their own, but they create the (utterly false) general impression for more popular consumption that the Jews somehow have a right to take credit for the moon landings.

Jules Verne, who was not Jewish, wrote *De la terre à la lune; trajet direct en 97 heures*, Bibliothèque d'éducation et de récréation, J. Hetzel, 18, rue Jacob, Paris, (1865); English translation by L. Mercier and E. E. King, *From the Earth to the Moon direct in ninety-seven*

hours and twenty minutes, and a trip round it, Scribner, Armstrong, New York, (1874). The two men chiefly responsible for the rocket technology and the desire and vision that brought men to the moon were German scientists, Arthur Rudolph and Wernher von Braun both of whom have been smeared by the Jews. JFK promoted the project, and he was not Jewish.

The moon landings were a Gentile achievement, not Jewish.

John Allen, "Modern Judaism: or, A Brief Account of the Opinions, Traditions, Rites, and Ceremonies of the Jews in Modern Times"

I discovered an online version of an important book by John Allen, *Modern Judaism: or, A Brief Account of the Opinions, Traditions, Rites, and Ceremonies of the Jews in Modern Times*, Second Revised and Corrected Edition, R. B. Seeley and Sons, London, (1830). Note that Google offers a downloadable pdf of the book file in the upper right part of the webpage. See pages 195, and 242 and forward. The book is sort of a mild version of the works of Buxtorf and Eisenmenger, whose works, though rare, are to be preferred. I will be adding a link to my books page.

The "Christian Identity" Movement Teaches Jewish Talmudic and Cabalistic Beliefs

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Christian Identity is based upon certain beliefs which distinguish it from real Christianity which beliefs originate not in the Torah, not in the complete Old Testament, nor the New Testament, but rather exclusively in the Talmud and Cabalah. As such, these beliefs were probably condemned by Jesus Christ as the traditions of the Scribes and Pharisees.

Christian Identity teaches that Eve had relations with Satan and that their union produced Cain. This belief, which nowhere appears in the Bible, instead comes straight out of the Babylonian Talmud, Tractate Yebamoth, folio 103b, which states that the Serpent infused Eve with lust when they copulated. The Jews were supposedly cleansed of this lust infused into Eve by the Serpent on Mount Sinai, which is also a Talmudic Jewish belief found in Tractate Abodah Zarah, folio 22b, and Tractate Shabbath, folio 145b-146a. Tractate Yebamoth, folio 63, states that Adam had intercourse with all animals and beasts, but only derived satisfaction from Eve.

The Jewish Cabalah in the *Zohar*, Volume 1, page 28b (see items 5 and 12, "5. UNCLEAN" and

"12. CHILDREN OF THE DEVIL", also states that Eve fornicated with Satan. So we discover that Christian Identity is thinly veiled Judaism turned on its head to serve Zionist interests, and not Christianity at all. I have presented links to the Soncino edition of the Talmud, but the translations found in Pranaitis' *The Talmud Unmasked* are more accurate.

The Jewish belief that the union of Eve and Satan produced Cain is specifically stated in the Jewish *Jalkut Chadash*, Folio 3, Column 3, number 12 and Folio 4, column 4, numbers 43 and 52 (*Cf.* J. Eisenmenger, J. A. Eisenmenger, *The Traditions of the Jews, Contained in the Talmud and other Mystical Writings*, Volume 1, J. Robinson, London, (1748), pp. 197-198).

Hufschmid, Smith & "Rafeeq" Are Discrediting the Anti-Zionist Movement

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Mike Rivero of WhatReallyHappened.com has pointed out that there are operatives spreading the myth that the moonshots were a hoax, which only serves to discredit the Anti-Zionist and 9/11 movements. Rivero has posted an image taken with a short focal length lens for the format

dimensions, which causes the shadows to converge changing the perspective from a normal focal length lens. Daryl Bradford Smith posts an attack on Rivero and links to the image, stating,

"Look At The Shadows In The Photo, This Must Be A Photo The Zionist Jew Mike Rivero Worked On. 'Remember There Are No Jews In The Crime Gang, The US Government Never Lies To Its People, And Looking In To These Questions Makes You A Shill!! So Claims Our Zionist Friend Rivero!'"

Rivero has posted a link to an article where antics like those of Daryl Bradford Smith are wedded to legitimate questions regarding other historical events to discredit all such views:

Faked moon landings, creationists, and 9-11 truthers

Daryl Bradford Smith & Co. are poison to the Anti-Zionist Movement.

Smith's attack on Rivero is unfounded and only serves to discredit Smith, and all who support him and his antics, such as promoting an old mockumentary as if breaking authentic news. Those who are genuinely opposed to World Jewry's war on the human race should distance themselves from Daryl Bradford Smith & Co. lest they be bitten by the fleas of the dogs in their bed.

"Never Praise a Goy!"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Israel Shahak wrote in his book *Jewish History, Jewish Religion: The Weight of Three Thousand Years*, that the Jews are taught to never praise a Goy or the accomplishments of Gentiles:

"There is also a series of rules forbidding any expression of praise for Gentiles or for their deeds, except where such praise implies an even greater praise of Jews and things Jewish. This rule is still observed by Orthodox Jews. For example, the writer Agnon, when interviewed on the Israeli radio upon his return from Stockholm, where he received the Nobel Prize for literature, praised the Swedish Academy, but hastened to add: 'I am not forgetting that it is forbidden to praise Gentiles, but here there is a special reason for my praise'—that is, that they awarded the prize to a Jew."—I. Shahak, *Jewish History, Jewish Religion: The Weight of Three Thousand Years*, Pluto Press, London, (1997/2002), p. 93.

Rev. I. B. Pranaitis wrote in his book *The Talmud Unmasked: The Secret Rabbinical Teachings Concerning Christians*, Eugene Nelson Sanctuary, New York, (1939),

"In Abhodah Zarah (20, a, Toseph) it says:

'Do not say anything in praise of them, lest it be said: How good that Goi is!'[*Footnote:* Maimonides (in Hilkhoth Akum X, 5) adds: 'Moreover, you should seek opportunity to mix with them and find out about their evil doings.']

In this way they explain the words of Deuteronomy (VII, 2) . . . and thou shalt show no mercy unto them [Goim], as cited in the Gemarah. Rabbi S. Iarchi explains this Bible passage as follows:

'Do not pay them any compliments; for it is forbidden to say: how good that Goi is.'

In Iore Dea (151,14) it says:

'No one is allowed to praise them or to say how good an Akum is. How much less to praise what they do or to recount anything about them which would redound to their glory. If, however, while praising them you intend to give glory to God, namely, because he has created comely creatures, then it is allowed to do so.'"—English translation of I. B. Pranaitis, *Christianus in Talmude Iudaeorum sive, Rabbinicae doctrinae de Christianis secreta: quae patere fecit*, Officina Typographica Academiae Caesarae Scientiarum, Petropoli, (1892).

I noted in my blog 17 June 2008, that one could spot subversives in the Anti-Zionist Movement by the fact that they denigrate Gentiles and the accomplishments of Gentiles:

Will There Be a False Flag Attack Meant to Destroy the Anti-Zionist Movement and Breach the First Amendment? June 17, 2008

in which I stated, *inter alia*,

"They promote Jewish causes, such as discrediting the achievements of Wernher von Braun and Arthur Rudolph, in the guise of promoting anti-Zionism."

You will note that many, if not all of the clowns who have engaged in smear campaigns against me while trying to steal my thunder by parroting my work without any attribution also loudly promote the nonsense that the moon shots were hoaxes. Many of these same clowns also immediately claimed that von Brunn was working for the Jews, basing their claims on lies and fabrications and ignoring von Brunn's own assertions of his dislike of blacks. They appeared eager to prevent von Brunn from ever serving as a martyr, as they smeared him with falsehoods and fabrications.

When these agents of World Jewry ridicule the accomplishments of Arthur Rudolph and Wernher von Braun by claiming that the moon landings were faked, they are trying to trick you into acting like a Jew who never praises a non-Jew or the accomplishments of non-Jews. The Jews have been attacking the reputations of Rudolph and von Braun with lies for decades, and their agents in the Anti-Zionist Movement are working for the same cause and trying to dupe you into denying the achievements of Northern Europeans, in the name of fighting the Jews.

This is the type of duplicitous, two-faced scum we are up against. This is the type of scum who regularly try to smear me with their lies. Watch them closely. They attack Michael Jackson who criticized the Jews. They attack everyone who has criticized the Jews, including Cynthia McKinney, and they try to trick you into doing the same as if doing so is a good anti-Zionist thing to do.

McKinney should have known better than to associate with these clowns. McKinney once introduced legislation to reinvestigate COINTELPRO to which she effectively recently fell victim by her carelessness. Was the COINTELPRO-style attack on her a mere coincidence since she confronted Israel bringing on the wrath of the Jewish controlled international espionage community, or was it also a bit of ironic revenge for her having stood up against COINTELPRO's efforts to destroy the black community, a message that the Jews and the intelligence services will always infiltrate and outsmart the blacks?

American Blacks' Flirtation with the Jewish Left and Its Disastrous Consequences for America

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Michael Jackson's passing again reminded me of my father's maxim that the ills which befall the blacks will next harm the whites. Jackson is being touted as a great black talent, which is true enough, but he is not one of the greatest, and pales by comparison, if you'll pardon the expression.

The greatest dancers I have ever seen were the Nicholas Brothers:

Jumpin Jive - Cab Calloway and the Nicholas Brothers

If you want to talk about blacks who were multi-talented and influential, then look at Sammy Davis, Jr. (who converted to Judaism) or better yet, Paul Robeson (who brought leftism to Africa):

Sammy Davis Jr. Boogie Woogie

Paul Robeson - Ol' Man River

Like Frederick Douglass who was seduced by the ideas of the Jewish left through his paramour Ottilie Assing, Paul Robeson was a true Renaissance man who was led by the Jews into the self-defeating beliefs that have the black talents promoted today mere sad mockeries of the black talents of Robeson's time. Robeson was led by Jews to the Communists, then smeared by Jews through the NAACP (headed by Jews) and FBI (headed by notorious 33rd degree Freemason J. Edgar Hoover). It is amazing how these immensely talented and brilliant blacks fell victim to

Jewish ideologies which have continued to keep the blacks from reaching their potential and which have weakened the black family and with it the black community.

Beware whites, for what the Jews have done to the blacks they are doing to you as well, though you were never so sharply severed from your cultural and ethnic roots as were the blacks, even the blacks of Africa. The process of degeneration is proceeding more slowly with whites than it did with blacks, for obvious reasons, but the Jews have cleverly coaxed your youth to mimic the worst of the blacks, whose culture the Jews have deliberately undermined.

Whereas the Jews of 20th Century Hollywood demeaned the blacks, the Jews of the 21st Century are demeaning humankind and are specifically targeting whites for destruction. Whereas the Communist Jews of 20th Century America targeted blacks like Robeson, Malcolm X and Martin Luther King, Jr., and through them black America, the Jews of the 21st Century, through their puppet Barack Obama, have dropped Communism on America like an anvil and will pound out the white heritage of America as quickly as they can, just as the Jews all but destroyed the black heritage of America and have led the blacks from such greatness of talent as the jazz age produced, to the crap of rap and worse.

The Pan-Turkic Connection to the Unrest in China

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For years now, I have been warning the World of the re-emergence of the Pan-Turk / Pan-Turanian Movement, which was promulgated by the Hungarian Jewish Rothschild agent Arminius Vambery as a means to chase the Turkish Empire eastward out of Palestine and into Russia, China and India. The Jews, through Disraeli and other agents, were constantly manufacturing wars at the time between Russia and Turkey. Vambery appeared in the East sometime between the Rothschild manufactured Crimean War and the Rothschild manufactured Russo-Turk War, which produced the Treaty of Berlin that ultimately spelled the doom of the Armenians.

The Uighurs are identified by Pan-Turk proponents as members of the community. Erkin Alptekin published *Uygur Turkleri* in 1978, which criticizes the Soviets and the Communist Chinese for their treatment of the Uighurs.

I believe the Pan-Turkic Movement, led by Doenmeh crypto-Jews in Turkey, Azerbaijan, and elsewhere, is behind the recent agitations in China. Just as when the Rothschilds moved on the Armenians' ancient homelands in Baku in the last quarter of the 19th Century by creating Pan-Turkic mythology and inflaming the passions of the Turks; the Jews of today are inflaming Pan-Turkic sentiment to bring the Turks, Russians and Chinese into unnecessary conflict yet again.

The recent energy deals which side step Armenia and Russia are also in part Pan-Turkic agitations originating in World Jewry. The Jews will not rest until they have destroyed Armenia and they have near complete control over Armenian leadership, who recently betrayed the

Armenians in cooperation with the Doenmeh who rule Turkey, and Jewish agent Barack Obama.

World war is coming, and Jewish manufactured Pan-Turkism will play a major rule in fomenting it.

"Judenfrei" as Apologist for the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is little wonder why my webpage demonstrating that Christianity and Zionism are incompatible so alarms the Zionist website "Judenfrei". "Judenfrei" seeks to absolve the Jews of all guilt for the crucifixion of Jesus Christ, much like the ADL and Rabbi Marvin Hier.

"Judenfrei" writes:

"Religious Implication: Did Jews kill Jesus?

We can't talk about Jews during the lifetime of Jesus because of the anachronism, but the Idumeans who would eventually go on to become Middle Eastern Jews conspired with the Romans against the Judahites and had Jesus crucified. But none of the Khazars had adopted Judaism during

this time, weren't present in Judea during the time of Jesus, and their descendents are free of any blame/culpability for Jesus' crucifixion."--Jesus, Jew, Judahite, Judean, Ioudaios: Nomenclature Issues

"Judenfrei", which pretends to be opposed to the Jews, would take from us the accusation of deicide against the Jews, which accusation of the Jews' having murdered Jesus Christ has proven for two thousand years to be the most effective means of driving a wedge between Christians and Jews. Why would "Judenfrei" undermine our efforts in this way? "Judenfrei", like John Hagee, is absolving the Jews of the guilt which has seperated the Jews from the Christians for thousands of years. Why is it that "Judenfrei" would have us draw the same conclusions as Abe Foxman, Rabbi Marvin Hier and John Hagee would have us draw, if from a different sophistical basis? Jesus warned of wolves in sheeps' clothing and told us that we could detect them by their fruits (*Matthew* 7:15-16). "Judenfrei" is iterating a rabid defense of the Jews, as if it were an attack on the Jews, and this defense from "Judenfrei" deprives us of our most effective tool for combating the Jews among Christians.

Perhaps my direct quotations from the Bible condemning the Jews really grind at the Zionists at "Judenfrei", so I will repeat them here in my blog. Anything that disturbs "Judenfrei" so deeply is bound to be an effective tool against World Jewry. I wrote in my article, to which article "Judenfrei" strongly objects:

"

The Christian Bible explicitly forbids Christian Zionism and condemns the

behavior of bellicose and racist Israel.

***Hosea* 8:14 states:**

"For Israel hath forgotten his Maker, and buildeth temples; and Judah hath multiplied fenced cities: but I will send a fire upon his cities, and it shall devour the palaces thereof."

***Matthew* 5:9 states:**

"Blessed *are* the peacemakers: for they shall be called the children of God."

***Matthew* 10:16-18 states:**

"16 Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves. 17 But beware of men: for they will deliver you up to the councils, and they will scourge you in their synagogues; 18 And ye shall be brought before governors and kings for my sake, for a testimony against them and the Gentiles."

***Matthew* 12:30 states:**

"He that is not with me is against me; and he that gathereth not with me scattereth abroad."

***Matthew* 21:43-45 states:**

"43 Therefore say I unto you, The kingdom of God shall be taken from you, and given to a nation bringing forth the fruits thereof. 44 And whosoever shall fall on this stone shall be broken: but on whomsoever it shall fall, it will grind him to powder. 45 And when the chief priests and Pharisees had heard his parables, they perceived that he spake of them."

***Matthew* 23:31-39 states:**

"31 Wherefore ye be witnesses unto yourselves, that ye are the children of them which killed the prophets. 32 Fill ye up then the measure of your fathers. 33 *Ye* serpents, *ye* generation of vipers, how can ye escape the damnation of hell? 34 Wherefore, behold, I send unto you prophets, and wise *men*, and scribes: and *some* of them ye shall kill and crucify; and *some* of them shall ye scourge in your synagogues, and persecute *them* from city to city: 35 That upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom ye slew between the temple and the altar. 36 Verily I say unto you, All these *things* shall come upon this generation. 37 O Jerusalem, Jerusalem, *thou* that killest the prophets, and stonest them which are sent unto

thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under *her* wings, and ye would not! 38 Behold, your house is left unto you desolate. 39 For I say unto you, Ye shall not see me henceforth, till ye shall say, Blessed is he that cometh in the name of the LORD."

***Matthew* 24:34-36 states:**

"34 Verily I say unto you, This generation shall not pass, till all these *things* be fulfilled. 35 Heaven and earth shall pass away, but my words shall not pass away. 36 But of that day and hour knoweth no *man*, no, not the angels of heaven, but my Father only."

***Matthew* 27:25 states:**

"Then answered all the people, and said, His blood *be* on us, and on our children."

***Mark* 8:15 states:**

"And he charged them, saying, Take heed, beware of the leaven of the Pharisees, and *of* the leaven of Herod."

***John* 3:15-18 states:**

"15 That whosoever believeth in him should not perish, but have eternal life. 16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. 17 For God sent not his Son into the world to condemn the world; but that the world through him might be saved. 18 He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God."

***John* 5:15-18 states:**

"15 The man departed, and told the Jews that it was Jesus, which had made him whole. 16 And therefore did the Jews persecute Jesus, and sought to slay him, because he had done these *things* on the sabbath day. 17 But Jesus answered them, My Father worketh hitherto, and I work. 18 Therefore the Jews sought the more to kill him, because he not only had broken the sabbath, but said also that God was his Father, making himself equal with God."

***John* 5:41-47 states:**

"41 I receive not honour from men. 42 But I know you, that ye have not the love of God in you. 43 I am come in my Father's

name, and ye receive me not: if another shall come in his own name, him ye will receive. 44 How can ye believe, which receive honour one of another, and seek not the honour that *cometh* from God only? 45 Do not think that I will accuse you to the Father: there is *one* that accuseth you, *even* Moses, in whom ye trust. 46 For had ye believed Moses, ye would have believed me: for he wrote of me. 47 But if ye believe not his writings, how shall ye believe my words?"

***John* 7:1 states:**

"After these *things* Jesus walked in Galilee: for he would not walk in Jewry, because the Jews sought to kill him."

***John* 7:13 states:**

"Howbeit no *man* spake openly of him for fear of the Jews."

***John* 8:37-40 states:**

"37 I know that ye are Abraham's seed; but ye seek to kill me, because my word hath no place in you. 38 I speak *that* which I have seen with my Father: and ye do *that* which ye have seen with your father. 39 They answered and said unto him, Abraham is our father. Jesus saith unto them, If ye were Abraham's

children, ye would do the works of Abraham. 40 But now ye seek to kill me, a man that hath told you the truth, which I have heard of God: this did not Abraham."

***John* 8:44-45 states,**

"44 Ye are of *your* father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it. 45 And because I tell *you* the truth, ye believe me not."

***John* 10:19-38 states,**

"19 There was a division therefore again among the Jews for these sayings. 20 And many of them said, He hath a devil, and is mad; why hear ye him? 21 Others said, These are not the words of him that hath a devil. Can a devil open the eyes of the blind? 22¶ And it was at Jerusalem *the feast of* the dedication, and it was winter. 23 And Jesus walked in the temple in Solomon's porch. 24 Then came the Jews round about him, and said unto him, How long dost thou make us to doubt? If thou be the Christ, tell us plainly. 25 Jesus answered them, I told you, and ye

believed not: the works that I do in my Father's name, they bear witness of me. 26 But ye believe not, because ye are not of my sheep, as I said unto you. 27 My sheep hear my voice, and I know them, and they follow me: 28 And I give unto them eternal life; and they shall never perish, neither shall any *man* pluck them out of my hand. 29 My Father, which gave *them* me, is greater than all; and no *man* is able to pluck *them* out of my Father's hand. 30 I and *my* Father are one. 31 Then the Jews took up stones again to stone him. 32 Jesus answered them, Many good works have I shewed you from my Father; for which of those works do ye stone me? 33 The Jews answered him, saying, For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God. 34 Jesus answered them, Is it not written in your law, I said, Ye are gods? 35 If he called them gods, unto whom the word of God came, and the scripture cannot be broken; 36 Say ye *of him*, whom the Father hath sanctified, and sent into the world, Thou blasphemest; because I said, I am the Son of God? 37 If I do not the works of my Father, believe me not. 38 But if I do, though ye believe not me, believe the works: that ye may know, and believe, that the Father *is* in me, and I in him."

***John* 19:38 states:**

"And after this Joseph of Arimathaea, being a disciple of Jesus, but secretly for fear of the Jews, besought Pilate that he might take away the body of Jesus: and Pilate gave *him* leave. He came therefore, and took the body of Jesus."

***John* 20:19 states:**

"Then the same day at evening, being the first *day* of the week, when the doors were shut where the disciples were assembled for fear of the Jews, came Jesus and stood in the midst, and saith unto them, Peace *be* unto you."

***Acts* 1:6-7 states:**

"6 When they therefore were come together, they asked of him, saying, Lord, wilt thou at this time restore again the kingdom to Israel? 7 And he said unto them, It is not for you to know *the* times or *the* seasons, which the Father hath put in his own power."

***Romans* 2:28-29 states:**

"28 For he is not a Jew, which is one outwardly; neither *is that* circumcision, which is outward in the flesh: 29 But he *is* a Jew,

which is one inwardly; and circumcision *is that* of the heart, in the spirit, *and* not *in* the letter; whose praise *is* not of men, but of God."

***Galatians* 3:16-29 states:**

"16 Now to Abraham and his seed were the promises made. *He* saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ. 17 And this I say, *that* the covenant, that was confirmed before of God in Christ, the law, which was four hundred and thirty years after, cannot disannul, that *it* should make the promise of none effect. 18 For if the inheritance *be* of the law, *it is* no more of promise: but God gave *it* to Abraham by promise. 19 Wherefore then *serveth* the law? It was added because of transgressions, till the seed should come to whom the promise was made; *and it was* ordained by angels in the hand of a mediator. 20 Now a mediator is not *a mediator* of one, but God is one. 21 *Is* the law then against the promises of God? God forbid: for if there had been a law given which could have given life, verily righteousness should have been by the law. 22 But the scripture hath concluded all under sin, that the promise by faith of Jesus Christ might be given to them that believe. 23 But before faith came, we were kept under the law, shut up unto the faith which should afterwards be revealed. 24 Wherefore the

law was our schoolmaster *to bring us* unto Christ, that we might be justified by faith. 25 But after that faith is come, we are no longer under a schoolmaster. 26 For ye are all the children of God by faith in Christ Jesus. 27 For as many of you as have been baptized into Christ have put on Christ. 28 There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus. 29 And if ye *be* Christ's, then are ye Abraham's seed, and heirs according to the promise."

***Galatians* 4:9-11 states:**

"9 But now, after that ye have known God, or rather are known of God, how turn ye again to the weak and beggarly elements, whereunto ye desire again to be in bondage? 10 Ye observe days, and months, and times, and years. 11 I am afraid of you, lest I have bestowed upon you labour in vain."

***Philippians* 3:2-3 states, in reference to Judaizers,**

"2 Beware of dogs, beware of evil workers, beware of the concision. 3 For we are the circumcision, which worship God in the spirit, and rejoice in Christ Jesus, and have no confidence in the flesh."

For addition warnings against Judaizers, *see:Acts* 15:1-12; 16:3. *Romans* 2:21-29; 6:3-11, 9:6-8; 14:14,20; 16:18. I *Corinthians* 2:2; 3; 7:18-19; 10:18. II *Corinthians* 3:18-4:6; 11:12-12:10. *Galatians* 1:7-8; 2:12, 19; 3:1, 16-29; 4; 5:2-3, 11, 24; 6:11-18. *Colossians* 1:12-13; 2:8, 16, 20.

I *Thessalonians* 2:14-16 states,

"14 For ye, brethren, became followers of the churches of God which in Judaea are in Christ Jesus: for ye also have suffered like *things* of your own countrymen, even as they *have* of the Jews: 15 Who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men: 16 Forbidding us to speak to the Gentiles that they might be saved, to fill up their sins alway: for the wrath is come upon them to the uttermost."

I *John* 2:18, 22 states:

"18 Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time. [***] 22 Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son."

I *John* 4:2-3 states:

"2 Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: 3 And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is *that spirit* of antichrist, whereof ye have heard that it should come; and *even* now already is it in the world."

II *John* 1:7 states:

"7 For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an antichrist."

***Revelation* 2:9 states:**

"I know thy works, and tribulation, and poverty, (but thou art rich) and I *know* the blasphemy of them which say they are Jews, and are not, but *are* the synagogue of Satan."

***Revelation* 3:9 states:**

"Behold, I *will* make *them* of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have

loved thee."

"Judenfrei" Pins Its True Zionist Colors to the Masthead

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A Zionist website (a website which promotes Eric Hufschmid, and which promotes the obvious lie that Christopher Bollyn was kidnaped, and further which engages in smearmongering) has failed to retract its smear campaign against me despite the fact that I have proven that the attack on me was based upon lies, fabrications and falsehoods. "Judenfrei's" unprovoked attack came just as I was exposing what Daryl Bradford Smith and his team were doing to discredit Cynthia McKinney. A coincidence? Have Hufschmid and Smith really parted ways, or are they two sides of a parted sea which work together to drown innocents caught in their wake?

WhatReallyHappened.com has compiled some interesting articles on the unconstitutional FBI COINTELPRO program, which Cynthia McKinney sought to reinvestigate. In Brian Glick's article "COINTELPRO Revisited - Spying & Disruption", Glick writes, *inter alia*:

"The FBI secretly instructed its field offices to propose schemes to "misdirect, discredit, disrupt and otherwise neutralize "specific individuals and groups.

[***]

What They Do: Some informers and infiltrators quietly provide information while keeping a low profile and doing whatever is expected of group members. Others attempt to discredit a target and disrupt its work. They may spread false rumors and make unfounded accusations to provoke or exacerbate tensions and splits. They may urge divisive proposals, sabotage important activities and resources, or operate as "provocateurs" who lead zealous activists into unnecessary danger. In a demonstration or other confrontation with police, such an agent may break discipline and call for actions which would undermine unity and detract from tactical focus.

Infiltration As a Source of Distrust and Paranoia: While individual agents and informers aid the government in a variety of specific ways, the general use of infiltrators serves a very special and powerful strategic function. The fear that a group may be infiltrated often intimidates people from getting more involved. It can give rise to a paranoia which makes it difficult to build the mutual trust which political groups depend on. This use of infiltrators, enhanced by covertly-initiated rumors that exaggerate the extent to which a particular movement or group has been penetrated, is recommended by the

manuals used to teach counter-insurgency in the U.S. and Western Europe.

Covert Manipulation to Make A Legitimate Activist Appear to be an Agent: An actual agent will often point the finger at a genuine, non-collaborating and highly-valued group member, claiming that he or she is the infiltrator. The same effect, known as a "snitch jacket," has been achieved by planting forged documents which appear to be communications between an activist and the FBI, or by releasing for no other apparent reason one of a group of activists who were arrested together. Another method used under COINTELPRO was to arrange for some activists, arrested under one pretext or another, to hear over the police radio a phony broadcast which appeared to set up a secret meeting between the police and someone from their group."--Brian Glick, "COINTELPRO Revisited - Spying & Disruption"

One of the methods a COINTELPRO-style operation employs to create dissensions and otherwise disrupt movements is to provoke them to argue over terms and engage in endless semantical arguments. This is why we are told to call Jews instead "Zionists", "criminals", or etc. thereby rendering our movement obscure, esoteric and ultimately pointless. "Judenfrei" encourages such pointless arguments over semantics and has attacked me for not engaging in them. "Judenfrei" would substitute my article which demonstrates clearly that Zionism and Christianity are mutually exclusive, with the pointless, esoteric, obscurantist and grossly misleading article "Judenfrei" has published:

Jesus, Jew, Judahite, Judean, Ioudaios: Nomenclature Issues

Every Christian Zionist knows that Jesus was a Jew, which word means to them a member of the Tribe of Judah, which meaning is also the standard definition and etymological root of the word "Jew". "Judenfrei" would mislead us to have us engage Christian Zionists with a pile of false history and bogus semantics, which most if not all Christian Zionists would immediately reject as patently false. "Judenfrei" throws this stumbling stone on our path and accuses us of being "agents" when we produce meaningful and effective statements against Christian Zionism.

Contrary to the false arguments of "Judenfrei", the Bible is crystal clear as to the lineage of Jesus Christ. Jesus is identified as a Judahite, and no other, in the opening statement of the New Testament, *Matthew* 1:1, 6:

"1 The book of the generation of Jesus Christ, the son of David, the son of Abraham. 2 Abraham begat Isaac; and Isaac begat Jacob; and Jacob begat Judas and his brethren; 3 And Judas begat Phares and Zara of Thamar; and Phares begat Esrom; and Esrom begat Aram; 4 And Aram begat Aminadab; and Aminadab begat Naasson; and Naasson begat Salmon; 5 And Salmon begat Booz of Rachab; and Booz begat Obed of Ruth; and Obed begat Jesse; 6 And Jesse begat David the king; and David the king begat Solomon of her that had been the wife of Urias; 7 And Solomon begat Roboam; and Roboam begat Abia; and Abia begat Asa; 8 And Asa begat Josaphat; and Josaphat begat Joram; and Joram begat Ozias; 9 And Ozias begat Joatham; and Joatham begat Achaz; and Achaz begat Ezekias; 10 And Ezekias begat Manasses; and Manasses begat Amon; and Amon begat Josias; 11 And Josias

begat Jechonias and his brethren, about the time they were carried away to Babylon: 12 And after they were brought to Babylon, Jechonias begat Salathiel; and Salathiel begat Zorobabel; 13 And Zorobabel begat Abiud; and Abiud begat Eliakim; and Eliakim begat Azor; 14 And Azor begat Sadoc; and Sadoc begat Achim; and Achim begat Eliud; 15 And Eliud begat Eleazar; and Eleazar begat Matthan; and Matthan begat Jacob; 16 And Jacob begat Joseph the husband of Mary, of whom was born Jesus, who is called Christ. [colored emphasis added]"

Jesus is never called a Levite, Reubenite, Benjamite, or etc. Judahites are Israelites, and Jesus came for Israel because such was the prophecy of the messiah, who was to ingather the lost tribes of Israel. References to Israel and Israelites are made to identify Jesus as the redeemer of all Israel because such was the role of the Messiah who was to ingather the tribes. Jesus is again named a Judahite in *Luke* 1:32 (see also 3:23-34):

"He shall be great, and shall be called the Son of the Highest: and the Lord God shall give unto him the throne of his father David:"

and in *Revelation* 5:5:

"And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Juda, the Root of David, hath prevailed to open the book, and to loose the seven seals thereof."

Jesus had to be of the Tribe of Judah as a descendant of David (*Genesis* 29:35, 35:23. II *Samuel*

2). *Psalm* 132:11 states:

"The LORD hath sworn in truth unto David; he will not turn from it; Of the fruit of thy body will I set upon thy throne."

"Judenfrei" erroneously states that,

"Prior to the 4th century A.D., it's anachronistic to talk about Jews or Judaism."

I must ask "Judenfrei", then to what was Jesus referring when he referred to the traditions of the Pharisees (*Matthew* 15:3, 6. *Mark* 7:8-9, 13. *Colossians* 2:8)?

So why would "Judenfrei" have us discredit ourselves by claiming to Christian Zionists that Jesus was not a Jew? Why does "Judenfrei" not state that Jesus is of the Tribe of Judah, and that the word Jew comes from the word Judah? Why does "Judenfrei" want us to argue over semantics?

The Jews have always hated Jesus. It would be to their delight to have Christians not identify Jesus with the Jews or with their Jewish god. **The Jews would also love to have their name removed from all the statements in the New Testament which condemn "the Jews".** The Jews would also delight in the idea that Christians continue to believe that the Israelites have a divine claim to the Palestinians' land. Jews believe they are descended from Israelites and plan an ingathering of all of the tribes. Jews are already welcome so the semantical arguments of "Judenfrei" only increase the number of foreigners the Jews would

have invade the ancestral homelands of the Palestinians and others. The effect of "Judenfrei's" attack is to unite Christian Zionists behind the Jews and expand their claims to all "Israelites"; to disunite those opposed to Christian Zionism by inspiring arguments over semantics which resemble the old arguments over how many angels can dance on the head of a pin; and to render opposition to Christian Zionism obscure, repugnant and pointless, because the Jews have already invaded Palestine. In addition, "Judenfrei" would stigmatize those who present legitimate arguments against Christian Zionism as if "agents" of World Jewry.

We know that "Judenfrei" offers up worn out and disproven arguments from old school Zionism, falsely claiming that segregation will cure the Jews of their mental maladies and is the answer to the Jewish problem; by promoting the Herzlian notion of a "World Ghetto" for the Jews; and by promoting the idea that the unity of the Jews is secular, or at least not of the anti-Christ of Christian New Testament dogma, and does not constitute the fulfilment of Christian prophecies of the emergence of the Jewish, in the Israelitish sense, anti-Christ. "Judenfrei" is a neo-Zionist front trying to foment discord and confusion among those opposed to Jewry, and attempting to attack legitimate work done to oppose World Jewry with "Judenfrei's" bogus and misleading arguments.

Take note of the fact that "Ognir" promotes "Judenfrei". Funny how these people use childish pseudonyms. Reminds one of the crypto-Jews who adopt Muslim names, does it not?

Recent Perspectives on "The Jewish Year 6000"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I found a couple of websites publishing different perspectives on the Jewish Year 6000 and its significance. The following statement is found in an article published by a Jew who believes that Jesus Christ was the first coming of the Jewish messiah:

"According to the Jewish calendar we are beginning the year 5760 which celebrates the beginning of the world from the creation of Adam. According to modern Rabbinical and many Christian scholars, it has been calculated that this date is inaccurate by 240 years. We are actually beginning the Jewish year 6000, perhaps 6001, which corresponds to the year 2000 on the Gregorian calendar. The actual year is difficult to determine because of when the first century began. Bible chronologists are beginning to conclude that the Biblical year 6001 begins this Rosh Hashanah (September 11, 1999). They have determined that the year 6000-6001 is somewhere in the 1994-2006 time because of the uncertainty of when Yeshua was born. Anywhere from 1-4 BCE

The Jewish teachers of Torah believed that just as there are seven days in the creation week so also there are 7000 years between the first day of creation and the last day of redemption. This is derived from the six days of creation equating 6,000 years and a final seven day of 1,000 years, known as the Sabbath Millenium. Maybe this is why Peter's final exhortation about the Lord's coming was (2 Pet 3:8), One day is as a thousand years, and a thousand years is as one day. I believe there is much truth to this reckoning of time and if so, that would mean we are coming to the end of the 6000 year and are about to enter into the 7,000th or we are already into it. Prophetically, that means we are on the verge of the Messiah's soon coming. [Colored emphasis added.]"–"written and / or assembled by Cal Goldberg, Messianic Leader, Beth Shechinah", *The Feasts of the Lord - Rosh Hashanah: The Akeda and the Binding of Isaac*, (2001?), http://www.bethshechinah.com/Articles/01/2001_Pesach_1.html

The *Anno Mundi* interpretation of the Jewish Year 6000 also presents immediate dangers iterated in Cabalah. For example the following quotation from Cabalah states that only Jews will survive our present time:

"240 years before the seventh millennium (i.e., the year 6000 from creation), the lower waters will rise and cover the entire world, and only Eretz Yisroel will remain, which will float on the surface of the water like Noach's Ark; they will approach Gan Aiden, the place from which the four

rivers leave. The people who survive will be completely righteous, and there they will be whitened, purified, and made spiritual." (Yalkut Reuveini, Shichechus Leket, "Eretz Yisroel v'Chutz L'Aretz," 6; in the name of the Rokeach--Gali Razyah)"–Cabalah as quoted by Rabbi Pinchas Winston, "Subject: Perceptions - Acharei Mos - Kedoshim", http://74.125.95.132/search?q=cache:mJQVwq511sUJ:www.parsha.net/Vayikra/AchreiKedoshim59.doc+%22240+years+before+the+seventh+millennium+(i.e.,+the+year+6000+from+creation),+the+lower+waters+will+rise%22&cd=2&hl=en&ct=clnk&gl=us

The following statement relates a purported Cabalistic interpretation of the Jewish year 6000, in the article pursuant to the *Anno Mundi* calender not the *Anno Lucis* calender, with the now much discussed year 2012 *Anno Domini:*

"The Jewish mystics, or Kabbalists, say that according to the Jewish calendar, the world's spiritual evolution can be likened to the seven days of the week. The Jewish calendar, which is based upon the cycles of the moon, currently puts the world at the year 5769. The Kabbalists equate the year 6,000 to the end of the sixth work day of the cosmic week. While the Jewish calendar doesn't end at the year 6,000, the Kabbalists believe that that year marks the time when the world will enter *Shabbat HaGadol*, or the Big Sabbath, when 1,000 years of sacred time and space will begin."--Nina Amir, *How to Prepare for 2012: Become A Giver*, http://www.jewishmag.com/128mag/new_year/new_year.htm

The following article discusses one method of resetting the *Anno Mundi* so that the Jewish Year 6000 took place circa 1999-2000 AD:

http://philologos.org/bpr/files/misc_studies/ms067.htm

I sincerely hope to convince you of the tremendous import of these facts to the continued survival of the human race.

The Jewish Year 6000: The "Duration of the World" and the "Mystical Doctrine" of the Jews Tell Us That the "Sun Is About to Set" on the Human Race

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The following quotations taken directly from the Jewish *Zohar* prove that the Jews believe that they will exterminate the Gentiles after six thousand years from the day Adam was born, and then the Jews will enjoy a Sabbath millennium of one thousand years in a World without Gentiles; that the creation story is in fact the story of the World's six thousand years; and that

the seventh day, the seventh thousandth of years, is the Sabbath "day" during which the Jewish god will rest, because it will be spent in a new world devoid of non-Jews who will have been genocided by the Jews so as to remove impurity from the World. The *Zohar* openly states in the following passages, as well as others not here reproduced, that the Jews are at war with the Gentiles and will exterminate the Gentiles. Note that the Jews' messiah comes only for the sake of the Jews and will murder all non-Jews. Do not make the mistake of believing that the Jews' messiah will be like Jesus. Note that the Jews believe that one thousand years to humans is one day to their god, pursuant to *Psalms* 90:4, which states:

"For a thousand years in thy sight are but as yesterday when it is past, and as a watch in the night."

The Jewish *Zohar* states:

"At every sixty years of the sixth thousand the *He* will mount a stage higher, acquiring greater strength. And after six hundred years of the sixth thousand there will be opened the gates of wisdom above and the fountains of wisdom below, and the world will make preparations on the sixth day of the week, when the sun is about to set. [***] R, Judah said in reply: 'This is what I have learnt from my father concerning the mysteries of the letters of the Divine Name, and of the duration of the world as well as of the days of creation, all of which belongs to the same mystical doctrine. At that time the rainbow will appear in the cloud in radiant colours, like a woman that decks herself out for her husband, in fulfilment of the verse, 'and I will look upon

it, that I may remember the everlasting covenant' (Gen. IX, 16), a passage already explained elsewhere. 'I will see it' with all its bright colours, and I will thus 'remember the everlasting covenant.' Who is the everlasting covenant? It is the community of Israel. The *Vau* will join the *He*, and will resuscitate her from the dust. When the *Vau* shall move to join the *He*, heavenly signs will appear in the world, and the Reubenites will make war against all the world; and so the community of Israel will be raised from the dust, for the Holy One will have dwelt with her in exile years to the number of *Vau* times *Yod*, that is, six times ten, after which she will be raised, and vengeance will be executed on the world, and the lowly will be exalted.' Said R. Jose to him: 'All you say is right, being [117*b*] mystically indicated by the letters, and we need not enter upon any other calculations regarding the end (*qets*). For in the book of the venerable R. Yeba we find the same calculation. The verse, 'Then shall the land satisfy her Sabbaths' (Lev. XXVI, 34) is an allusion to the mystical implication of the *Vau*, as indicated in a subsequent verse, 'And I will remember my covenant with Jacob'[1] (*Ibid*. 42), and it then says, 'and I will remember the land' (*Ibid*.), indicating the community of Israel. The word 'will satisfy' (*tirzeh*) signifies that the Holy One will be favourable to her. As for the 'one day' of which the companions have spoken, it is assuredly all hidden with the Holy One, and it is all found in the mystery of the letters of the Divine Name; for R. Jose here has revealed the end of the exile by means of these letters.' [***] Happy are those who will be left alive at the end of the sixth millennium to enter on the Sabbath."–*The Zohar*, Volume 1,

Vayera, I, folios 117a-117b, and 119a, Soncino, London, (1933), p. 364-365, 371.

These facts, which do not even begin to hint at the full scope of the passages in the *Zohar* which state that the Jews will exterminate the Gentiles, nevertheless prove that the Jews are planning to kill off the Gentiles at this time, so that the sun will set on the present World (an allusion to the beginning of the Sabbath, *see Leviticus* 23:32), and a new millennium will begin in which the Jews alone will survive. The Jews are planning to murder you, your family and every non-Jew on Earth. Their declaration of genocidal war on the human race is nailed to your door. Tear it off, crumple it up and toss it aside at your existential peril.

The *Zohar* merely reiterates what was already stated in the Jews' Old Testament, but since so many are blinded by their faith in that execution writ of the human race, it is helpful to show the Jewish declaration of war on non-Jews iterated in the *Zohar*, which is even more hateful and destructive than the *Protocols of the Learned Elders of Zion* and the authenticity of which is beyond dispute.

"The Jewish Year 6000": Proof from the Zohar that the Jews Are Following the Anno Lucis Calender, NOT the Anno Mundi Calender

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish *Zohar* prophecies that the Jewish messiah will arrive in the year 5666 after the creation of Adam. This serves as proof that the Jews who rule World Jewry observe the *Anno Lucis* calender, and not the *Anno Mundi* calender of common Jews, though the Jews mix these and other dating systems whenever it is convenient for them to do so. Christian Identity and Freemasonry also observe the *Anno Lucis* calender, because they are creations of the Jews.

Arthur Edward Waite summarized the Zoharic literature on the date of the arrival of the messiah in his book *The Secret Doctrine in Israel: A Study of the Zohar and Its Connections*, Occult Research Press, New York, (n.d.), pp. 148-150:

"In the time of the letter *He*[1]—that is, when the *He* shall rise from the earth—God will fulfil that which is mentioned in Isaiah. The reference is to c. lx, at the end of verse 22, and it reads in the Authorised Version: 'I the Lord will hasten it in his time';[2] but the Zohar gives: 'I am the Lord; and it is I who will hasten these marvels when the time thereof shall have come.' When Israel was driven from its abode the letters of the Sacred Name were separated one from another, if it be permissible so to speak; the *He* was separated from the *Vau*; and hence the Psalmist said: 'I am dumb with silence.'[3] When the *Vau* is separated from the *He* the Word is stilled. The day of the letter *He* is the fifth millenary—the period of Israel in exile. When the sixth millenary

comes, the *Vau* shall raise up the He, and Israel shall be lifted also from the dust.[4] After six hundred years of the sixth millenary the Gates of Supreme Wisdom shall open, and the springs of Wisdom shall begin to pour upon this world, which will make ready to enter worthily into the seventh millenary, and this latter will constitute the Sabbath of creation.

Assuming that we have a proper point of departure for calculation, we have in another place[1] the exact year of the Messiah's advent. When sixty years shall have elapsed after the sixth century of the sixth millenary, it is said that heaven shall visit the daughter of Jacob. In the seventieth year the King Messiah shall be revealed in the province of Galilee. The portents will he as follows: (1) The rainbow—which is now tarnished, because it serves only as a memorial that the world will be destroyed no more by a deluge—will shine with very brilliant dyes, like a betrothed lady adorning herself to enter into the presence of her spouse.[2] (2) A star will appear in the East and swallow up seven stars in the North.[3] (3) Presumably after a period, a fixed star will appear in the middle of the firmament and will be visible for seventy days. It will have seventy rays and will be surrounded by seventy other stars.[4] (4) The city of Rome will fall to pieces[5]—an intimation which should be of moment to the hot gospel of certain protestant second-advent preachers, whose vestiges remain among us. (5) A great King will rise up and conquer the world.[6] There will be war against Israel, but the chosen people shall be delivered. According to one account, the seventy celestial chiefs who rule the

seventy nations of the earth will marshal all the legions of the world to make war on the sacred city of Jerusalem, but they will be exterminated by the power of the Holy One.[7] It is written: 'And the house of Jacob shall be a fire, and the house of Joseph a flame and the house of Esau for stubble.' As such stubble, by such fire and flame shall the nations perish. Thereafter the King Messiah will cause Jerusalem to be rebuilt;[2] the Holy one will remember that covenant which He has made with Israel; and in that day will David be also raised up.[3] The Messiah will draw to him the whole world; it shall be so to the end of the century; and then the *Vau* shall be united with the *He*.[4] It will be the period of true bridals; the Messiah will bring about union between the palaces above and below, as also between El and Shaddai.[5]

The present place of Messiah, according to the prevailing opinion, is in the Garden of Eden, but as the testimony is not in full accord must be left open as to whether this is the Eden above or that which is below. Wheresoever it be, there is a most secret place in the hiddenness which is called the Bird's Nest, and therein he abides.[6] In the Paradise there is also a certain place which is called the Palace of the Sick;[7] the Messiah enters therein and calls upon all the diseases, sorrows and troubles of Israel in exile to assail himself, and this comes to pass accordingly. Were it otherwise there is no one who could suffer the penalty due to his misdeeds. Hence it is said: 'Surely he hath borne our griefs, and carried our sorrows.'[8] So long as Israel dwelt in the Holy Land, and sacrifices were offered therein, Israel was

preserved thereby from all maladies and penalties; now it is the Messiah who bears them—as it is affirmed, for flit whole world; but I fear that this can understood only as the world of Israel.[9]"

Pay special attention to Waite's admonishment, "Assuming that we have a proper point of departure for calculation" because this is key to knowing precisely when the Jews plan to exterminate the human race. I have verified Waite's citations in the Soncino edition of the *Zohar*, as follows:

"She therefore lies in the dust all the day of the *He*, that is, the whole of the fifth thousand, which is symbolised [117*a*] by the *Vau*, begins, the *Vau* will resuscitate the *He* at six times ten (an allusion to the sixty souls), which means the *Vau* repeated ten times. The *Vau* will ascend to the *Yod* and redescend to the *He*. The *Vau* will be multiplied into the *He* ten times, making sixty, when it will raise the exiles from the dust. At every sixty years of the sixth thousand the *He* will mount a stage higher, acquiring greater strength. And after six hundred years of the sixth thousand there will be opened the gates of wisdom above and the fountains of wisdom below, and the world will make preparations on the sixth day of the week, when the sun is about to set"--*The Zohar*, Volume 1, Vayera, I, folios 116*b*-117*a*, Soncino, London, (1933), p. 364.

"But the chief reason is because the passage speaks of the exile of Israel, intimating that the redemption of Israel will come about through the mystic

force of the letter *vau*, namely, in the sixth millennium, and, more precisely, after six seconds and a half a time. When the sixtieth year shall have passed over the threshold of the sixth millennium, the God of heaven will visit the daughter of Jacob with a preliminary remembrance (*p'qidah*). Another six and a half years will then elapse, and there will be a full remembrance of her; then another six years, making together seventy-two years and a half. In the year sixty-six the Messiah will appear in the land of Galilee. [***] Happy are those who will be left alive at the end of the sixth millennium to enter on the Sabbath."--*The Zohar*, Volume 1, Vayera, I, folio 119*a*, Soncino, London, (1933), pp. 369-371.

The *Zohar* served as the justification for the original Messiah Son of Joseph, Isaac ben Solomon Luria; and the original Messiah Son of David, Shabbatai Zevi. I say "original", because the Jews, especially pursuant to the Lurian Cabalah--though the belief is much older, believe that Jewish souls are reincarnated and that the souls of the messiahs are reincarnated to serve each successive generation. Shabbatai Zevi declared himself Messiah Son of David in 1666 *Anno Domini*, which corresponds to 5666 *Anno Lucis*, not 5666 *Anno Mundi*, which was 1905-1906 AD. Though the Jews had their Protestant agents declare this date as the arrival of the Messiah for different reasons, it was the *Zohar* which guided Shabbatai Zevi. This is proof that the Cabalistic Jews were working off of the *Anno Lucis* dating of Adam having been born at 4000 BC.

It is interesting that Luria corrupted this to fit his life by shortening the scale 100 years. As

Zoharist prophecy predicted, he followed the sixty years prophecy, moved to Galilee, and etc. I will have to search to find if the there is any belief that Messiah Son of Joseph would follow this model one hundred years before Messiah Son of David, or if Luria explained the dates in some other way. Regardless of this discrepancy, it is clear that Shabbatai Zevi followed the *Anno Lucis* calender and that Shabbataians do as well, placing us in immediate peril of the ultimate destruction of humanity at the hands of the Jews.

The Occult Doctrine "As Above, So Below" in the Zohar

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The *Zohar* iterates the Jewish belief that politics and war on Earth are mirrored in heaven by wars and politics among the Elohim. This is further proof that secular Jewish movements are by design in fact religious exercises for the Jews designed to destroy heaven and Earth so that only the Jews remain. The *Zohar* states in the relevant part:

"Whatsoever is found on earth has its spiritual counterpart on high and is dependent on it. When the inferior part is influenced, that which is set over it in the upper world is also affected, because all are united. [***] That which

is above is in the likeness of that which is below, and the likeness of that which is below is in the sea [regarded as the mirror of the inferior heaven], but all is one. [***] As it is in all things below, so it is above."--Zohar, Cremona Ed., II, 9a; I, 91a; as quoted by A. W. Waite, *The Doctrine and Literature of the Kabalah*, The Theosophical Publishing Society, London, (1902), pp. 206-7.

Lurian Cabalah expressly states, together with the Talmud and *Zohar*, that Eve had sexual intercourse with the Serpent and produced the Goyim who are evil by nature and will have no place in the seventh millennium, which is upon us. In order for the Jews to fulfill their messianic prophecy, they must exterminate the Goyim. The Lurianic Cabalah teaches that the souls of the Jews were all found in Adam and are reincarnated so as to perfect them. They will not achieve perfection until the evil souls of the Goyim are eliminated from the Earth and return to Satan who spawned them (See Waite's *The Doctrine and Literature of the Kabalah*, pages 292-303. I found it easier to download the pdf from the link on the top left just above the window for the book, than to try to read the book online, which was impossible for me at the time I tried).

The Jews plan to kill off all non-Jews in the near future.

I Warned You that the Jews and Their Agents Provacoteur Were Out to Smear Arabs as If "Nazis"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I knew when I saw the CIA agents and kosher Nazi crowd in the "Patriot Movement" promoting the idea that Hitler could not have been a Zionist because Arabs were allegedly Nazis, that they were setting up Arabs to embrace the idea so that the Jews could smear the Arabs as if Nazis. My predictions have come true:

Israel uses Hitler picture to sell its settlement expansion

I warned the Arabs that they were being set up for this, in, among other places, my blogs of January, 2009:

Jewish Apologists Daryl Bradford Smith & "Ognir" Demonstrate

Their Ignorance, Smearmongering and Hypocrisy, While Covering Up for the Jews and Judaism

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Parrot Daryl Bradford Smith has again attacked me with falsehoods, falsely claiming that I do not cover "ancillary stories" that are a part of what he calls the Zionist conspiracy. Smith makes this claim while parroting many of the ancillary stories I taught him, and which I exposed before him to his audience and elsewhere. Smith's clone "Ognir" attacks me by bringing up Judenfrei's smear campaign against me, which I have systematically refuted. As is typical of Jewish apologists and as is typical of smearmongers, "Ognir" recklessly smears without addressing any of the substantive issues raised. He is not out to accomplish anything productive, he is out to destroy with falsehoods and innuendo. He is a classic smearmonger.

Phonies Smith and "Ognir" claim that Judaism has nothing to with Zionism as they admit that they have no understanding as to why the Jews of Israel cut down the Palestinians' trees. The Jews of Israel cut down the Palestinians' trees because their Jewish god, the Devil, has commanded them to do so in the Jewish Torah.

Exodus 34:13, states,

"But ye shall destroy their altars, break their images, and cut down their

groves:"

Deuteronomy 7:5, states,

"But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire."

Deuteronomy 12:3, states,

"And ye shall overthrow their altars, and break their pillars, and burn their groves with fire; and ye shall hew down the graven images of their gods, and destroy the names of them out of that place."

There is little wonder why Smith and clone attack me with lies, but never address the substantive issues I raise. The reason is that I expose the Jewish core of Zionism and the worms cannot bear the light I shine on them. Smith and "Ognir" do not even address, let alone attempt to refute, my arguments that the false flag attacks of 9/11/2001 were a Jewish religious exercise, but instead ask me to repeat the dead horse whipping they have copied from actual researchers who have looked into the Zionist personalities behind the 9/11 attacks. Instead of commending me for exposing facts no ones else has exposed, they attack me for not being a parrot like them. They do not want me exposing the Jewish roots of 9/11 found in the Talmud and Cabalah, or in Freemasonry or Christian Identity. Instead they falsely claim that Judaism has nothing to do with Zionism.

Smith and "Ognir" are apologists for the Jewish enemy and for the enemy's foundational beliefs. They do not want to solve the Jewish problem. Instead they buy time for the Jews to fulfil Jewish messianic prophecies while they provoke their audience to ponder who is a "Zionist agent" among those who are actually fighting back against Jewry. They are clowns who distract you by waving their hands and screaming, while they claim that I have not raised the issues they parrot from me after I have raised them and explained them. They do not tell you the Judaic origins of the issues, however, which is odd given that they parrot my work. Why do they leave these fundamental issues unaddressed and why do they endlessly attempt to attack me for explaining to you why the Jews do what the Jews do? It is because Smith and "Ognir" are covering up for the Jews and for Judaism and only seek to confuse you with their personal attacks that never address substantive issues.

The Jews Have Been Planning to Attack Iran for at Least 700 Years in Order to End the World in Fulfilment of Jewish Messianic Prophecy

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish Cabalistic *Zohar* prophesied that Ishmael, today associated with Islam, would provoke wars. The *Zohar* also prophesied a war between Iran and the West. The comment by "R. Alkalai" on May 7, 2009 at 7:13am, on the *Israeli Insider* article "With America 'Changing Course', How can Israel Survive?", quotes the *Zohar* on these points:

"Zohar I, Va'era 32a

In the future the children of Yishmael will stir great wars in the world. And the children of Edom [the West] will gather against them, and make war with them, one on the sea, and one on the land, and one by Jerusalem; and each one will prevail over the other but the Holy Land will not fall to the hands of Edom.

At the same time, a nation from the end of the world will be awakened against wicked Rome. And it will make war against her for three months, and many nations will gather there, and they will fall by her hand, until all the children of Edom will gather against her from all corners of the earth. And then G-d will awaken Himself against them, as it says, a 'a sacrificial slaughter for the Lord in Batzra', and it says, 'to shake the corners of the Land'.

Zohar III Shalach Lecha 166a

The King of Persia will rule and will conquer many kingdoms. He will rule over the Holy Land for twelve months. He will rule and kill many (including

Moshiach ben Yosef) and afterwards the King (of Persia) will fall and the high holy ones (Israel) will receive the kingship."

The same R.Alkalai, wrote, "Obama=Armilus", on June 16, 2009 at 8:47am, in the comments section of the *Israeli Insider* article "Roesner: Obama is far worse than Neville Chamberlain".

The article *The Ketz HaYamim Timeline: Revelations About the End of Days* by Rabbi Ariel Bar Tzadok, states in part,

"The Zohar has a different reading of events than the traditional midrashic story. According to the Zohar (3, 166A), indeed there will be a great war between Persia (Iran) and the West. According to the 'Matok M'Devash' commentary to this section of Zohar, the Western powers are supposed to fall, not to Persia, but to Mashiah ben Yosef.

Only after the defeat of West by Mashiah ben Yosef does Persia then attack Yisrael. The'King of Persia' is then said to kill Mashiah ben Yosef and to proceed to rule over Eretz Yisrael for a full year, killing countless numbers of Jews at this time.

Only after a full year is Mashiah (ben David) to be revealed with an army of angels. He will come and kill the King of Persia and then establish the messianic kingdom."

Moses de Leon wrote the *Zohar* in the 1290's AD, and the Jewish plan to pit Iran against the

West dates back at least that far. What we are witnessing today on the World stage is merely theater following the script of the Cabalah, acted out by our crypto-Jewish and Jewish manufactured "World leaders". Years ago, I predicted what is happening today based on my knowledge of Jewish messianic prophecy and the Cabalah.

Back on 16 February 2009, I wrote in my blog that Benjamin Netanyahu would play the religious role of the Jews' Messiah ben Joseph:

God Save the Palestinians: An Apartheid Whore Versus Moshiach ben Joseph, February 16, 2009

"Netanyahu promises wars which will not only claim all of Palestine, but all of 'Greater Israel' for the Jews, the region from the Nile to the Euphrates. Netanyahu is popular among American Christian Zionists. Netanyahu is the Jews' 'Moshiach ben Joseph' the Messiah son of Joseph who will wage the war of the Apocalypse and clear away the Goyim, making room for 'Moshiach ben David', Messiah son of David, who will then rule the Jews as their King and establish a dynasty in Jerusalem to rule the World from the 'third' Temple of Solomon."

In my blog of 21 September 2006, I warned that Mahmoud Ahmadinejed would play the role of the Persian King of Jewish end times prophecy:

The Zionist Vampires Have Cost Us Our Honor, September 21, 2006

"But the two-headed snake which has slithered onto our shores, and filled

our thoughts courtesy of the Jewish controlled media, has another fanged fiend, another agent of Jewish leadership, Ahmadinejad. His Iranian fellows tempered his rhetoric, wisely and appropriately, but he slipped in a telling tribute to his Shabbataian-Frankist past. Round about the time crypto-Jewish Communists were infiltrating Iran in their campaign to surround Israel with Communist nations, with Communism which would destroy Islam and any Islamic ability to resist Jewish domination, round about that time in the 1950's, crypto-Jews created a Frankist-style sect among the Shia called "Hojjatieh" or "Hojjatiya". This sect used all the Frankist techniques of worming their way into power by hiding their true beliefs and keeping their genocidal literature secret. They also preached the Frankist Jewish doctrine that the world must deliberately be brought into chaos and evil and heresy must rule the world in order to provoke God to bring the Messiah, named in this sect the twelfth imam to appease Islamic sensibilities, but it is Frankist Jews who are behind it. It was Frankist Jews who bred Ahmadinejad, the Communist Revolutionary, and it was Frankist Jews who placed him in power to bring Iran into its own deliberate destruction. The Jews have had this plan for a very long time, and their green tinged anti-Messiah, Armilus, has an anti-Elijah—the Persian King. It is all told in the Jewish myth of Sefer Zerubbabel. Hence the myth of the green halo surrounding Ahmadinejad to foreshadow Armilus, and Ahmadinejad's scripted role as forerunner of the anti-Messiah and leader of the war on

Israel."

In the following blog, I provided an English translation of the Jewish prophecy of Armillus:

The Hallmarks of Jewish Revolution in Iran and America: The Jews Always Want to Tear Down the Nations, to Rebuild Them in the Jewish Messianic Image, June 25, 2009

In my book of spring, 2006, *The Manufacture and Sale of Saint Einstein*, at pages 85, 218, 242, 465-467, 1094, and 1660, I wrote how Ahmadinejad would help the Jews to destroy Iran,

"Since the First World War failed to convince the Jews to go to Palestine, it could not have been the final most horrific war of prophecy, and the Jewish bankers would see to it that a yet worse world war would take place, and then again test the Jews to see if they would need a third and still worse war to convince them to flee to the 'Promised Land' and stay. Since Israel is today falling apart, and since Jews in America and Russia are again turning toward assimilation, sanity and humanity; there are likely plans in the works for a still worse world war than the Second World War, which racist Zionists believe will finally fulfill Jewish genocidal 'end times' prophecy by means of the nuclear incineration of Gentile nations beginning with the Iranians. [***] Some believe the Saudi Royal family descends from Jews, and if the current President of Iran is not an agent of Israel, he could not be doing a better job of serving the Zionists' perceived self-interests. [***] Pious and compassionate Jews must realize that the racist and genocidal Jewish

Messianic myths guiding the actions of the leading Zionists like Ben-Gurion and Begin remain troubling today, because they predict an apocalyptic war between the "Messiah Son of Joseph" (in a secular view, the State of Israel) and the King of Persia (President of Iran), which, after a nine month period of tribulations for Israel and the death of the Messiah Son of Joseph, will result in the ascendence of the 'Messiah Son of David' (in a secular view, the State of Greater Israel extending from the Nile to the Euphrates), and the subjugation, then extermination, of the Gentile peoples of the Earth. The Lubavitcher Jews have announced that they are prepared to anoint the Messiah and that it will happen soon. They are broadly disseminating propaganda to condition the world to accept this event. [***] Should the Zionists continue in their attempts to carry out their ancient plans we can expect that when Israel gains hegemony over the Middle East, it will seek to exterminate the peoples of European descent. Zionists are clearly attempting to destroy the militaries of those Moslem nations which would react with rage and which would likely attack Israel, when the Cabalistic Jews and their Christian Dispensationalist slaves destroy the Dome of the Rock and the Al Aqsa Mosque and build in their place a Jewish Temple. Should Israel succeed in destroying Iran and Syria, they will likely destroy the Dome of the Rock and the Al Aqsa Mosque, and the Moslem world will be unable to stop them. They will then unleash the priests of Aaron, and reinstitute ritual sacrifices. Greater Israel will emerge and occupy the territory from the Nile to the Euphrates. Zionists will generate anti-

Semitism around the world in order to force 'racial' Jews to emigrate to Israel, who will then populate the greater Israel of the Covenant. Then the Jewish King, perhaps a descendent of the Rothschilds, will emerge and many Jews will likely take up Judaism—the 'Messiah' will be a dynasty passing from father to son, or a supposed incarnation from one man to the next in the Shabbataian style, much like the Dalai Lama, *see:* 2 *Samuel* 7. Perhaps the proposed Jewish King is alive today, hidden from view. The Lubavitchers, under the leadership of the now deceased Rebbe Schneerson, have declared that the Messiah is alive today and will soon be anointed. They are an immensely powerful Cabalistic Jewish sect, which has infiltrated governments around the world. We can expect that Soviet-style oppression will grip the West—one already sees that news organizations restrict the international news Americans see, much as happened in the Soviet Union. China will likely become the new America for the Zionists, and their "Iron Scepter", which Israel will utilize to smash the West, which will have plunged into deep depression and an international police state. Racist Jews, who view themselves as Orientals, will then enslave the rest of humanity, and through laws mandating miscegenation dilute the blood of "Esau". Then they will likely break up Israel into classes, where Ashkanazi Jews reign over Sephardic and Coptic Jews—a process which is already well underway. Those who doubt it are invited to consider what happened to Germany and Russia at the hands of Jewish financiers and to further consider the

precarious economic condition of the United States as a result of the organized efforts of Zionists to undermine the sovereignty of America, its moral and educational strengths, and to export its industries. [***] In the story of 'Esther' (a crypto-Jewish name, her actual name was Hadassah) the Jews manipulated and betrayed the Persian Kings, who had freed the Jews from their captivity and exile among the Babylonians. If the stories can be believed—and they cannot, Cyrus, King of Persia, freed the Jews and restored them to Palestine and helped them to 'rebuild' the Temple. Ahasuerus, King of Persia, (no such king ever existed) married and obeyed Esther, a deceitful crypto-Jewish agent placed in his midst after Ahasuerus' first wife had died, or had been killed. The Jews repaid the generosity of the Persians with deceit and genocide, in their own mythologies, which genocidal mythologies are inculcated into the minds of Jewish youth. We find parallels to this ancient story today. The President of Iran (Persia) may be an agent of the Zionists and a traitor to the Iranian people. Judging by his actions, this modern 'Persian King' wants to lead the Iranians toward their own destruction in order to benefit the Israelis. Like the Turks who followed the crypto-Jewish Young Turks, who mass murdered Armenians; like the Russians who followed crypto-Jewish Bolsheviks, who mass murdered Russians, Jews and countless others; like the Germans who followed crypto-Jewish Nazis, who mass murdered Germans, Jews and countless others; Americans, Iranians, British, etc. are today led by Zionist Jews and crypto-Jews, who are bringing about their destruction. [***] Today, there are plans

in the ready to attack Iran with nuclear weapons in order to secure Israel's hegemony in the Middle East. [***] The current President of Iran is serving Israel's interests by making anti-Israeli statements which serve as a spurious pretext for war. The Israelis have placed crypto-Jews and Jewish agents in power throughout the Middle East and have organized anti-Israeli terrorist organizations so as to provide Israel with pretexts to attack and dehumanize Moslems. [***] The Zionists repay the ancient gift (in Jewish myths) of the Persian King Cyrus of the freedom of the Jews from the captivity of Babylon, as well as King Cyrus' restoration of the Jews to Judea and the rebuilding Jerusalem and the Temple, as well as the gift of Persian King Ahasuerus, who assisted Queen Esther and Mordecai to mass murder 'the enemies of the Jews'—modern Jews repay these ancient gifts by perpetually destroying Iran and corrupting its leadership to the detriment of the Iranian People."

Since making these statements, many Israeli leaders and Jewish commentators have openly stated that they are glad to have Ahmadinejad in power because he forwards their plans to wage war on Iran.

In my blog of 15 January 2009, I predicted that Obama's rhetoric on Iran would be mild compared to that of Hillary Clinton who would champion the Jewish cause of vilifying Iran, so as to keep Obama above the fray and forward the Jews' plan to make him into a messiah figure:

The World Will Turn on America in 2009: Beware Hillary Clinton, January 15, 2009

"The Jews will attempt to portray Barack Obama as if a messiah, as I predicted would happen, long ago. And as I predicted back on 13 October 2008, the Jews will have Obama borrow from the taxpayer to give the taxpayer cash with which to consume: [***] Clinton will petition the US Congress, which is dominated by her fellow Democrats, the American People, and the World for war against Iran. She will run around the World declaring that Iran plans to destroy America and that America must defend itself from Iran. Hillary Clinton will attempt to keep Obama's image strong as she takes the lead to bring America into war for the Jews."

See also my blog of 23 January 2009:

Beware Hillary Clinton, Part 2, January 23, 2009

The press is now issuing reports that Clinton and Netanyahu are building up to an attack on Iran, just as I predicted years ago:

Israel on Iran: Anything it takes to stop nukes

Clinton: Iran pursuit of nuclear weapons 'futile'

"The Jewish Year 6000" According to Julius Hillel Greenstone in His Book "The Messiah Idea in Jewish History"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have come across an important book which is available for free online, and which discusses the "Jewish Year 6000" (note that the book can be downloaded as a pdf file through a link in the upper right of the webpage):

Julius Hillel Greenstone, The Messiah Idea in Jewish History, The Jewish Publication Society of America, Philadelphia, (1906).

At page 104, Greenstone states:

"There was an old belief that the world would exist for six thousand years, and become waste during the seventh thousand, the thousands

corresponding in number to the days of creation. The first two thousand years were considered as waste (Tohu), *i. e.* without a revelation; the second two thousand as law (Torah), *i. e.* with a revelation, and the third two thousand as the days during which the Messiah may be expected (Yemoth ha-Mashiah). [*Sanhedrin* 97ª.]"--Julius Hillel Greenstone, The Messiah Idea in Jewish History, The Jewish Publication Society of America, Philadelphia, (1906), p. 104.

The Jews plan to lay the Earth to waste at this very time.

At page 94, Greenstone states that the Jews believed the current "end times" era would be one in which the youth were severed from their heritage and families, and the World would become corrupt and would endure the "birthpangs of the Messiah", as modern Jews and Zionists describe their wars on humanity:

"Like the early prophets and the later apocalyptic writers, the Rabbis also taught that the Messianic period will be preceded by many tribulations, called 'Messianic woes,' [the so-called "birthpangs of the Messiah" or *hevlei Mashiah* spoken of in modern times by Henry Kissinger and Condoleezza Rice, as I discussed in my blog of 8 September 2006.–CJB] not only for Israel, but for all the nations of the earth as well. These trials preliminary to the advent of the Messianic era will be of all kinds, social and political both. According to these teachings, there will be an increase in drunkenness and immorality. Youths will no longer respect their parents, the pious, and the

aged. All family ties will be loosed, and poverty will be the portion of many. 'Wait for him,' says Rabbi Johanan, 'when you see the generations growing smaller, and many troubles coining upon Israel.' Judge and officers of the law will have no authority, denunciators will multiply, anarchy will reign supreme. Even among the sages themselves there will be constant strife. The law will no longer be studied. Those that fear sin will be despised, and the house of public convention will become a house of harlots."--Julius Hillel Greenstone, The Messiah Idea in Jewish History, The Jewish Publication Society of America, Philadelphia, (1906), p. 94.

It is no coincidence that Jews created these prophecies and believe in them, and that Jews are deliberately causing these things to occur today, especially in Communist nations like the New America. The fact is the Jews are fulfilling their messianic prophecies by deliberate action, actions which are deliberately destroying us in order to make room for an all-Jewish, and only Jewish, World. The Jews are intentionally fulfilling their religion, which calls for the extermination of the Goyim at this time, and the ruin of the Earth.

At pages 96-97, and 112-113, Greenstone writes:

"The Talmudic conception of the person of the Messiah is, on the whole, of a man, a scion of the Davidic dynasty, Divine only in the greatness of his natural gifts, through whom the heathen nations shall be destroyed and Israel become the world-power. [***] The magnificent pictures of the future kingdom, the glorious position of Israel, the vengeance the Messiah would

wreak upon all of Israel's enemies, and the vision of the restored Jerusalem and the rebuilt Temple, were a constant consolation to the oppressed and downtrodden Israelites. They fondled the hope with intense affection, the mother sang it to her babe, the father on all occasions related it to his household, the teacher impressed it upon the minds and hearts of his pupils--all were invigorated by the assurance to suffer and hope, to withstand the onslaughts of the enemy, and remain faithful to their religion. The feeling of the ancient Jew toward his persecutor was not so much one of hatred and revenge as of sneering pity. Even while on the rack, undergoing the most excruciating pains at the hands of the executioner, we can imagine the pious Jew of old thinking to himself: 'I suffer now, but what is this suffering when compared with the bliss and glory that await me in the future? I may die from the wounds inflicted upon me, but I shall live again when the Messiah comes and restores the kingdom of Judah to its ancient glory. All these inquisitors, judges, and executioners will then stand at my door begging for admittance. All the nations of the earth will then be my servants, anxious to be the subjects of the King Messiah. They do not see it now, but I see and believe and hope, and hence can die in peace.' " --Julius Hillel Greenstone, The Messiah Idea in Jewish History, The Jewish Publication Society of America, Philadelphia, (1906), pp. 112-113.

Despite Greenstone's depiction of the thoughts of the common Jew, the Jews do not plan to leave any Gentiles alive in the Seventh Millennium. The Talmud states:

"Our Rabbis learnt: No proselytes will be accepted in the days of the Messiah. In the same manner no proselytes were accepted in the days of David nor in the days of Solomon. Said R. Eleazar: What Scriptural [support is there for this view]? — Behold he shall be a proselyte who is converted for my own sake,' he who lives with you shall be settled among you, he only who 'lives with you' in your poverty shall be settled among you; but no other."–

The Babylonian Talmud, Tractate Yebamoth, folio 24b, Soncino, London.

and:

"R. Jose says, In time to come idol-worshippers will come and offer themselves as proselytes. But will such be accepted? Has it not been taught that in the days of the Messiah proselytes will not be received; likewise were none received in the days of David or of Solomon? — Well, they will be self-made proselytes, and will place phylacteries on their foreheads and on their arms, fringes in their garments, and a Mezuzah on their doorposts, but when the battle of Gog-Magog will come about they will be asked, 'For what purpose have you come?' and they will reply: 'Against God and His Messiah' as it is said, Why are the nations in an uproar, and why do the peoples mutter in vain, etc. Then each of the proselytes will throw aside his religious token and get away, as it is said, Let us break their bands asunder, and the Holy One, blessed be He, will sit and laugh, as it is said: He that sitteth in heaven laugheth."–*The Babylonian Talmud*, Tractate 'Abodah Zarah, folio 3b,

Soncino, London.

The Talmud did not arise in a vacuum. The Jewish Old Testament declares that no Gentiles will survive in the "end times". *Jeremiah* 30:11 states:

"For I am with thee, saith the LORD, to save thee: though I make a full end of all nations whither I have scattered thee, yet will I not make a full end of thee: but I will correct thee in measure, and will not leave thee altogether unpunished."

Is the Illinois Senate Seat Formerly Held by Barack Obama a "Banker's Seat"?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Henry Morgenthau III wrote in his book *Mostly Morgenthaus: A Family History*,

"On the one hand, he held that he had earned recognition as a full-fledged American. On the other, he believed that he represented a rightful Jewish communal demand for recognition in a pluralistic, democratic society. Furthermore, he expected the Jews to support him as their candidate for honors. Like other German Jews who had succeeded in the United States, he relied on the support of his Jewish peers. There was indeed an active underground network crisscrossing political and regional lines which made concerted demands in behalf of Jewish special interests. [***] Early in 1912, before the Democratic Convention, with the odds heavily stacked against Wilson, Morgenthau made good on his pledge to contribute five thousand dollars a month for four months. That support placed him securely in the ranks of major contributors. It was the kind of grand gesture that attracted attention. But Morgenthau was not only self-interested. He was a truly generous man. As early as 1903, Felix Adler, founder of the Society for Ethical Culture, acknowledged his gift of five thousand dollars to the building fund, expressing the hope that the cause of the society, 'which appealed to you so strongly in the idealistic period of youth, may never entirely lose your sympathy and your support.' A year later Morgenthau had contributed five thousand dollars to Rabbi Stephen S. Wise's Free Synagogue. He then made this sum an annual subvention. Indeed he appears to have contributed five thousand dollars to all those causes that were important to him. At this time Morgenthau was very much influenced

by his good friend Wise, a man of noble and determined convictions. Justine Wise Polier, the rabbi's late daughter, once recalled a moment when 'Mrs. Morgenthau was very cross complaining that Wise had 'gotten Henry to waste five thousand dollars on Woodrow Wilson.'' [***] The day after Wilson was elected president, Morgenthau was among a select group of his supporters who sat down for an early lunch in Princeton, at the Wilson home on Cleveland Lane. Morgenthau expected to be rewarded along with other veterans of the campaign, like McAdoo, who became secretary of the treasury, and Josephus Daniels, the North Carolina journalist, who became secretary of the navy. He wanted a policymaking job concerned with finance or commerce, preferably a cabinet rank. Not only had he paid his dues, as he saw it, but he had the personal qualifications. He had completed his basic training in the law, succeeded in business, and served the public interest in New York. There was also that matter of Jewish representation. While he resented being categorized as a Jew, he also demanded what he considered appropriate recognition of 'our People.' In this respect, he saw himself as the Democratic equivalent of Oscar Straus. On that premise he believed he should be made secretary of commerce or perhaps the Treasury. After the election he listened anxiously to the gossip being bruited about among his peers and in the press about impending presidential appointments. It was well known that Louis D. Brandeis was favored for the Jewish cabinet post: attorney general or secretary of commerce. But when Wilson learned that there was bitter opposition to Brandeis from business interests, who had

gotten through to the Massachusetts congressional delegation (Brandeis's home state), he decided not to risk Senate confirmation. [***] Having decided to turn down the president's offer, Morgenthau called on Wilson to discuss it. 'The two posts that demand the greatest intellectual equipment in our representatives are Turkey and China,' the president told him. 'If that is the situation I should much prefer China, although it is only a ministership,' Morgenthau replied. He argued that

the Jews of this country have become very sensitive (and I think properly so) over the impression which has been created by successive Jewish appointments to Turkey, that that is the only diplomatic post to which a Jew can aspire. All the Jews that I have consulted about your offer have advised and urged me to decline it. Oscar Straus has been criticized by some of his co-religionists for accepting a second and even a third appointment to Constantinople. I don't mind criticism, but I share the feeling of other Jews that it is unwise to confirm that this is the only field for them in diplomatic service.

The president's reply 'was aggressive in manner and almost angry in tone' and quite insensitive to Morgenthau's position. He stated that

in the first place, Constantinople is the point at which the interest of American Jews in the welfare of the Jews of Palestine is focused, and it is

almost indispensable that I have a Jew at that post. On the other hand, our interests in China are expressed largely in the form of missionary activities, and it seems quite necessary that our minister there should be a Christian, and preferably a man of the evangelical type.

[***]

Wise harbored no doubts that the U.S. diplomatic mission should be maintained as a Jewish outpost. Wilson thought of it as an opportunity—Wise as a necessity—for a Jewish ambassador to serve the interests of his people. The Wise persuasion took effect speedily. Following their rendezvous in Lyons, Morgenthau wrote to Wise, who was by then in England, that he would be willing to reconsider the president's original offer when he returned to the United States in September, if it was still open. That was not soon enough for Wise, who seized upon the letter as a signal to take matters into his own hands."--H. Morgenthau III, *Mostly Morgenthaus: A Family History*, Ticknor & Fields, New York, (1991), pp. 98-99, 101-103, 107.

We learn from this that the American Ambassadorship to the Turkish Empire was considered a "Jewish outpost" meant to serve Zionist interests in Palestine, not the interests of the United States or Turkey. Brandeis, Wise, and Wilson were each fanatical Zionists.

The Illinois US Senate seat appears destined to become a "banker's seat". It was once occupied by the prominent banker, and son of a prominent banker, Peter Gosselin Fitzgerald, who retired from the seat only to have it filled by Barack Obama, our President, who has since stolen

trillions of dollars from the US taxpayer and handed it over to bankers. Obama's road to the Senate and White House was paved with bankers, including Jack Ryan and Blair Hull, as well as Goldman Sachs, and many others.

After enormous pressure has been placed on Roland Burris by the media and others, Barack Obama's friend Alexi Giannoulias, who is a prominent banker, and the son of a prominent banker, will likely take this Senate seat.

As Treasurer of Illinois, Alexi Giannoulias had a preference for Israeli bonds over US bonds:

Is the Supposedly "Defensive" Samson Option Really the Deliberate Implementation of Aggressive and Genocidal Jewish Messianic Prophecy?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There will soon be enormous masses of human beings dying as a result of Jewish manufactured

famine, disease and war. The Jews have prepared many Christians for this, their engineered eventuality, by foisting upon them a Jewish version of Christian eschatology which misidentifies Russia and the Muslim nations as Gog and Magog destined to fight the end times battle against Israel only to themselves perish; and which falsely promises these Christians that they will be whisked away from the Earth as the catastrophe strikes the infidels.

The Jews are preparing the Israelis for the mass casualties soon to befall humanity, by making them feel isolated and hated. Jewish leaders want the Jews of Israel to feel that the World is against them and planning to annihilate them, so as to justify a Jewish attack on the World and to win the support of common Israeli Jews for such an attack on the human race.

Back on 9 September 2006, I wrote in my blog that it appeared that Jewish leaders were setting up Israel for an apocalyptic war in order to artificially fulfill Jewish messianic prophecy, and that this war is being designed to kill off two thirds of Jews, and the entire rest of humanity:

Is Israel Deliberately Sowing the Seeds of Its Own Destruction? September 09, 2006

Jewish end times prophecy calls for the destruction of two-thirds of Jewry and of all of the nations, all of the Goyim. The Jewish prophets state in the Old Testament:

Isaiah 48:9-11:

"9 For my name's sake will I defer mine anger, and for my praise will I refrain for thee, that I cut thee not off. 10 Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction. 11 For mine

own sake, even for mine own sake, will I do it: for how should my name be polluted? and I will not give my glory unto another."

Ezekiel 5:11-14:

"11 Wherefore, as I live, saith the Lord GOD; Surely, because thou hast defiled my sanctuary with all thy detestable things, and with all thine abominations, therefore will I also diminish thee; neither shall mine eye spare, neither will I have any pity. 12 A third part of thee shall die with the pestilence, and with famine shall they be consumed in the midst of thee: and a third part shall fall by the sword round about thee and I will scatter a third part into all the winds, and I will draw out a sword after them. 13 Thus shall mine anger be accomplished, and I will cause my fury to rest upon them, and I will be comforted: and they shall know that I the LORD have spoken it in my zeal, when I have accomplished my fury in them. 14 Moreover I will make thee waste, and a reproach among the nations that are round about thee, in the sight of all that pass by."

Zechariah 13:8-9:

"7 Awake, O sword, against my shepherd, and against the man that is my fellow, saith the LORD of hosts: smite the shepherd, and the sheep shall be scattered: and I will turn mine hand upon the little ones. 8 And it shall come to pass, that in all the land, saith the LORD, two parts therein shall be cut off

and die; but the third shall be left therein. 9 And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It is my people: and they shall say, The LORD is my God."

For the Jews, these are words to live and die by. I predicted years ago that the Jews were planning to bring a massive attack on Israel, and for Israel to bring a massive attack on the World. Such is the Jewish plan iterated in *Ezekiel* chapters 36-40. The Torah itself teaches the Jews that their messiah will destroy the Goyim in a cosmic battle:

Numbers 24:17-20:

"17 I shall see him, but not now: I shall behold him, but not nigh: there shall come a Star out of Jacob, and a Sceptre shall rise out of Israel, and shall smite the corners of Moab, and destroy all the children of Sheth. 18 And Edom shall be a possession, Seir also shall be a possession for his enemies; and Israel shall do valiantly. 19 Out of Jacob shall come he that shall have dominion, and shall destroy him that remaineth of the city. 20 And when he looked on Amalek, he took up his parable, and said, Amalek was the first of the nations; but his latter end shall be that he perish for ever."

The Jewish Cabalistic *Zohar* teaches the Jews to destroy all of the Goyim as the star of Jacob rises, and to wipe out two-thirds of Jews, leaving only the "righteous Jews" left alive. According to the *Zohar*, as according to the Torah (see, for example, *Deuteronomy* 28-32), the Jews must

suffer for redemption. According to many Jews, the Jewish People are the suffering Messiah son of Joseph (*Isaiah* 53), and will become the triumphant Messiah son of David (*Psalms* 132:11). This may be why the Jews claimed that the suffering Messiah son of Joseph waited at the gates of Rome with the poor and the lepers (*Babylonian Talmud*, Tractate Sanhedrin, folio 98a) and placed a Jewish Ghetto there, where the Jews were humiliated annually. Many Jewish works stated that the suffering Messiah waited in Rome, the symbol of the Roman Catholic Church and of Edom, whom the Jews seek to exterminate. The Talmud teaches in the Tractate Sanhedrin folios 97-99 that the Jews must make the World entirely evil or entirely good before the messiah will arrive, and that all nations must cease to have influence over Israel before the messiah will come–hence the orchestrated alienation of Israel today.

Modern Jews have called for massive Jewish suffering. David Ben-Gurion repeatedly stated that it was good that large numbers of Jews would perish in Europe in order to found the prophesied Jewish State in Palestine. Israel Zangwill stated that it did not matter if masses of Jews died in one part of the World in the pursuit of the Zionist objective, because there would be other populations of Jews left to restock the Tribe.

The most dangerous Jews are the fanatical adherents of the Cabalah. The *Zohar* declares that Jews must suffer, and that most must die, in order for the messianic age to begin. Cabalah speaks in terms that conjure up images of nuclear bombs for moderns, as did the Prophets of the Old Testament (see, for example, *Zechariah* 14:12). The Jews and their Christian Zionist fifth column interpret these passage as referring to nuclear war. The *Zohar* states:

"R. Simeon lifted up his hands and wept. 'Alas,' he said, 'for him who will

live at that time! When the Holy One comes to visit the 'Hind' (Israel), he will examine who it is that remains loyal to her at that time, and then woe to him who shall not be found worthy, and of whom it shall be said, I looked and there was none to help (Isa. LXIII, 23). Many sufferings shall then befall Israel. [***] Concerning that time it is proclaimed: I will refine them as silver is refined, and will try them as gold is tried (Zech. XIII, 9). Then shall pangs and travail overtake Israel, and all nations and their kings shall furiously rage together and take counsel against her. Thereupon a pillar of fire will be suspended from heaven to earth for forty days, visible to all nations. Then the Messiah will arise from the Garden of Eden, from that place which is called The Bird's Nest. He will arise in the land of Galilee, and on that day the whole world shall be shaken and all the children of men shall seek refuge in caves and rocky places. Concerning that time it is written: And they shall go into the holes of the rocks and into caves of the earth, for fear of the Lord and for the glory of his majesty, when he ariseth to shake terribly the earth (Isa. II, 19). The glory of his majesty refers to the Messiah when he shall reveal himself in the land of Galilee; for in this part of the Holy Land the desolation first began, and therefore he will manifest himself there first, and from there begin to war against the whole world. After forty days [The duration of the flood. Galilee is where the exile began. Note that Jesus was from Galilee.–CJB], during which the pillar shall have stood between heaven and earth before the eyes of the whole world, and the Messiah shall have

manifested himself, a star shall come forth from the East variegated in hue and shining brilliantly, and seven other stars shall surround it, and make war on it from all sides, three times a day for seventy days, before the eyes of the whole world. The one star shall fight against the seven with rays of fire flashing on every side, and it shall smite them until they are extinguished, evening after evening. But in the day they will appear again and fight before the eyes of the whole world, seventy days long. After the seventy days the one star shall vanish. [The Jews believe that there are seventy gods who watch over the seventy Goy nations.–CJB] Also the Messiah shall be hidden for twelve months in the pillar of fire, which shall return again, although it shall not be visible. After the twelve months the Messiah will be carried up to heaven in that pillar of fire and receive there power and dominion and the royal crown. When he descends, the pillar of fire will again be visible to the eyes of the world, and the Messiah will reveal himself, and mighty nations will gather round him, and he shall declare war against all the world. At that time the Holy One shall show forth his power before all the nations of the earth, and the Messiah shall be manifested throughout the whole universe, and all the kings will unite to fight against him, and even in Israel there will be found some wicked ones who shall join them in the fight against the Messiah. Then there will be darkness over all the world, and for fifteen days shall it continue, and many in Israel shall perish in that darkness. Concerning this darkness it is written: Behold, darkness covers the earth and gross darkness the peoples (Isa. LX, 2).' [***] Then out of the midst of

thunder and lightening shall a voice be heard, causing the earth to quake and many hosts and principalities to perish. On the same day when that voice is heard throughout the world, a flame of fire shall appear burning in Great Rome (Constantinople); [8*b*] it will consume many turrets and towers, and many are the great and mighty who shall perish then. All shall gather against her to destroy her, and no one will have hope to escape. From that day on, for twelve months, all the kings (of the world) will take counsel together and make many decrees to destroy Israel; and they shall prosper against him, as has been said. Blessed is he who shall live in that time, and blessed is he who shall not live in that time! And the whole world then will be in confusion. At the end of the twelve months the sceptre of Judah, namely the Messiah, will arise, appearing from Paradise, and all the righteous will surround him and gird him with weapons of war on which are inscribed the letters of the Holy Name (Tetragrammaton). Then a voice will burst forth from the branches of the trees of Paradise: Arise, O ye saints from above, and stand ye before the Messiah! For the time has come for the Hind to be united with her Spouse, and he must avenge her on the world and raise her from the dust. And all the saints from above will arise and gird the Messiah with weapons of war, Abraham at his right, Isaac at his left, Jacob in front of him, while Moses, the faithful shephard of all these saints, shall dance at the head of them in Paradise. [***] These angels shall give him a robe of deep red [Rothschild?--CJB] in order that he may commence his work of revenge. [***] On that day the whole earth will be shaken from one

end [9*a*] to the other, and thus the whole world will know that the Messiah has revealed himself in the land of Galilee. And all who are diligent in the study of the Torah–and there shall be few such in the world–will gather round him. His army will gain strength through the merit of the little infants at school, symbolized by the word *ephroah*–young bird (cf. Deut. XXII, 6). And if such will not be found at that time it will be through the merit of the sucklings, the eggs (*Ibid.*), those that are weaned from the milk, and drawn from the beasts (Isa. XXII, 9), for whose sake the Shekinah dwells in the midst of Israel in exile, as indeed there will be few sages at that time. [colored emphasis added]" *The Zohar*, Volume 3, Shemoth, folio 7b-9b, Soncino, London, (1933), pp. 20-21, 23-25.

The *Zohar* admonishes the Jews that only a percentage of them will be afforded the protection of the Messiah, and that the Messiah comes only for the Jews and will destroy all non-Jews, that Shekinah only resides in Jews and in the Holy Land (see Volume 1, Tol'doth, folio 141a). Elsewhere in the *Zohar*, Jews are told that they must suffer and face trials, because they are the righteous:

"But with the righteous God is strict, as He knows that they will turn aside neither to the right nor to the left, and therefore He puts them to the test; not for His sake, since He knows the firmness of their faith, but so as to glorify them the more. It was for this purpose that God–as we read–proved (*nissah*) Abraham (Gen. XXII, 1), or, as we may also translate, He raised his

banner aloft throughout the world [for the term *nissah* (he proved) implies the lifting of an ensign, as it is written: Lift up an ensign (*nes*) over the peoples (Is. LXII, 10). The text continues: The Lord trieth the righteous (Ps. XI, 5). For what reason? Said R. Simeon: 'Because when God finds delight in the righteous, He brings upon them sufferings, as it is written: Yet it pleased the Lord to crush him by disease (Is. LIII, 10), as explained elsewhere. God finds delight in the soul but not the body, as the soul resembles the supernal soul, whereas the body is not worthy to be allied to the supernal essences, although the image of the body is part of the supernal symbolism. [140*b*] Observe that when God takes delight in the soul of a man, He afflicts the body in order that the soul may gain full freedom. For so long as the soul is together with the body it cannot exercise its full powers, but only when the body is broken and crushed. Again, He trieth the righteous, so as to make them firm like a tried stone, the costly corner-stone mentioned by the prophet (Is. XXVIII, 16)."–*The Zohar*, Volume 2, Tol'doth, I, folios 140a-140b, Soncino, London, (1933), pp. 47-48.

Jewish prophecies compel the Jews to bring the World against Israel, and then to destroy the World from Israel. We are left to wonder what weapons the Jews have at their disposal to attack us. It is better that we counter-attack Israel, which has been warring on us for at least 2,500 years, on our terms, than to wait for Israel to deliberately start a nuclear World War Three. We can shut down Israel economically in a very short time, and such pressures will create deep divisions in the nation itself that will consume it from within. We should advise the Jews of

Israel that their leaders are out to cause them as yet unimaginable suffering, and that their leaders designed and implemented the European Holocaust of the last century to set up Jewry for the coming far worse Holocaust of the 21st Century. Let them think about that as they drool dreaming of the taste of Persian blood.

The Hungarian Jew Arminius Vambery, who began the "Pan-Turkic" movement that led to the First World War and which is agitating for a Third World War, wrote an autobiography in 1884, which is available online for free:

The Doenmeh and Pan-Turkism: Operation Gladio, Ergenekon and the "Eurasian" Incursions into China

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

More than two years ago on 28 April 2007, I revealed the Doenmeh plot to overthrow the Turkish Government:

The Doenmeh Crypto-Jews Threaten Coup to Defend Their Grip on Turkey, April 28, 2007

After my article appeared, the Turkish government learned of the plot and has since instigated prosecutions against the conspirators. Refer to my blog of 10 February 2009:

The Modern Doenmeh in Turkey, February 10, 2009

I also discussed the Jews involved in the conspiracy with the late Armenian journalist George Apelian:

18 May 2008 Interview with Bedros Hajian and George Apelian, May 18, 2008

see also my blog:

I Wrote of This One and One Half Years Ago, But the "Alternative Media" Did Not Report the Story, December 14, 2008

More recently, I revealed that the agitations in China were caused by the Doenmeh led Pan-Turks:

The Pan-Turkic Connection to the Unrest in China, July 19, 2009

Some attribute the Ergenekon and the Turkish Military's "Counter-Guerrilla" factions to "Operation Gladio", for example, Wikipedia states:

"According to Italian magistrate Felice Casson, the Turkish stay-behind forces are two-pronged: the military "Counter-Guerrilla", and the civilian "Ergenekon".[Kilic, Ecevit (2008-04-28). "Italyan Gladiosu'nu çözen savci: En etkili Gladio sizde" (in Turkish). *Sabah*. http://arsiv.sabah.com.tr/2008/04/28/haber,B9DE249697B646F0939528BF8FA2BE4C.html. Retrieved on 2008-11-15. "Türkiye'nin ise 'Özel Harp Dairesi', halk arasindaki adiyla 'kontrgerilla.' Yapinin iki unsuru vardi; askeri görevliler ve siviller. Sivillerden olusan yapinin adi ise 'Ergenekon'. 1990'li yillarin basinda bati ülkeleri, Gladio'nun faaliyetlerine son verdi. Sorumlulari yargilandi. Türkiye hariç."]"

The Ergenekon are in fact Jews and Doenmeh crypto-Jews, as are the leaders of the Turkish

Military, a military which has deposed several political leaders who have favored Islamic interests over Jewish interests.

Though this "Eurasian" movement of the Ergenekon appears new to some, it is in fact the old Jewish subversion known as the "Pan-Turk" movement, which was begun by the Hungarian Jewish subversive Arminius Vambery, who worked for the Rothschilds to draw the Turks out of Palestine and into conflict with Russia, China and India, this at the time the Rothschilds had heavy commercial interests in those nations and at the time the Jews successfully brought the Russians and Turks into conflict after conflict, while destroying the finances of both empires to leave them weak and dependent on the Jewish bankers who destroyed both empires in the First World War.

The Jews are again out to bring Russia and Turkey into conflict, and to pit the Chinese against the Russians and Turks, and to use the Chinese to slaughter the Gentiles, as the Chinese did under the Bolsheviks.

There is nothing new about the subversive programs of the Egenekon, because there is nothing new about its leadership. They are the same old Jews and crypto-Jews who have been bringing Turks into war after war for centuries.

According to the Jewish Cabalah, Talmud and Torah, Gentiles Are the Slaves of the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Like the Torah and Talmud, the Jewish Cabalah declares that Gentiles are the slaves of the Jews.

The *Zohar* states (the Jews refer to Gentiles as "Esau" and refer to themselves as "Jacob"/"Israel"):

"[S]eeing that Esau, who was of the side of the serpent, had not yet appeared in the world. But Jacob, being the master of the household, had to counter the serpent, and to give him no chance to tarnish the Sanctuary of Jacob. Hence Jacob had need of such shifts more than any other person. Israel, therefore, was chosen as the portion of the heritage of the Holy One, blessed be He, as it is written:For the portion of the Lord is his people, Jacob the lot of his inheritance (Deut. XXXII, 9).

[***]

AND JACOB SO POTTAGE; AND ESAU COME IN FROM THE FIELD, AND HE WAS FAINT. R. Eleazer said, 'According to the received explanation, the pottage of lentils was a sign of mourning for the death of Abraham. But if so,

we should have expected Isaac to have prepared it. The deeper explanation, therefore, is that Jacob cooked [139*b*] that pottage in virtue of his clear discernment of the side to which Esau adhered. Lentils form a red pottage which is cooling to hot blood. Hence Jacob purposely chose such a dish as a means of weakening the strength and power of Esau, and the effect was that Esau sold himself to Jacob as a slave and sold him his birthright. At that moment Jacob divined that for the sake of one he-goat that his descendants would bring as a sacrifice to Esau's grade, the latter would consent to be a slave to them and desist from attacking them.' R. Judah said: 'Of a like manner were Jacob's dealings with Laban, who was a magician, as it says: I have observed the signs, and the Lord hath blessed me for thy sake (Gen. XXX, 27); and notwithstanding that Jacob is designated a simple man, this means only that he was so in his dealings with anyone who deserved to be treated gently; but where cunning and severity were necessary, he could use these also. For he was of a two-fold character, and to him could be applied the words: With the merciful thou dost show thyselt merciful. . . . And with the crooked thou dost show thyself subtle (Ps. XVIII, 26-27), just as required.' [colored emphasis added]"--*The Zohar*, Volume 2, Tol'doth, I, folios 138b-139b, Soncino, London, (1933), pp. 45-46.

Note that the *Zohar* states that a single goat cost the Gentiles their freedom. I believe this may be the origin of the scapegoat ritual found in the Torah at *Leviticus* 16. The chief god/angel of the Goyim, the serpent, Sammael, sells out the Goyim to the Jews every year for a mere

sacrificial goat. Sammael places all of the sins of Israel onto the Gentiles and intercedes on behalf of the Jews with the Jews' Devil god and against the Goyim he is supposed to protect. I have written about this in my blog article of 23 June 2009:

As Above, So Below: The Jews Will Kill All the Nations (All the Goyim), June 23, 2009

The racist Jewish *Zohar* condemns "Esau"--all Gentiles--to be the perpetual slaves of the Jews--"Jacob"/"Israel". The *Zohar* did not arise in vacuum, but rather merely reiterates what was already stated in the Jewish Torah, the books of the Prophets in the Old Testament, and in the Talmud, which state that the Gentiles are the slaves of the Jews, slaves who will also serve as soldiers for the Jews to kill off other Gentiles:

Genesis 9:25-27:

"And he said, Cursed be Canaan; a servant of servants shall he be unto his brethren. And he said, Blessed be the LORD God of Shem; and Canaan shall be his servant. God shall enlarge Japheth, and he shall dwell in the tents of Shem; and Canaan shall be his servant."

Based upon this Torah passage, the Jews believe that their Devil god has condemned Negroes to eternal slavery. *Cf. The Babylonian Talmud*, Tractate Sanhedrin, Folios 70a and 108b.

Genesis 25:23; 27:38-41:

"25:23 And the LORD said unto her, Two nations are in thy womb, and two

manner of people shall be separated from thy bowels; and the one people shall be stronger than the other people; and the elder shall serve the younger. [***] 27:38 And Esau said unto his father, Hast thou but one blessing, my father? bless me, even me also, O my father. And Esau lifted up his voice, and wept. 27:39 And Isaac his father answered and said unto him, Behold, thy dwelling shall be the fatness of the earth, and of the dew of heaven from above; 27:40 And by thy sword shalt thou live, and shalt serve thy brother; and it shall come to pass when thou shalt have the dominion, that thou shalt break his yoke from off thy neck. 27:41 And Esau hated Jacob because of the blessing wherewith his father blessed him: and Esau said in his heart, The days of mourning for my father are at hand; then will I slay my brother Jacob."

Leviticus 25:44-46:

"Both thy bondmen, and thy bondmaids, which thou shalt have, shall be of the heathen that are round about you; of them shall ye buy bondmen and bondmaids. Moreover of the children of the strangers that do sojourn among you, of them shall ye buy, and of their families that are with you, which they begat in your land: and they shall be your possession. And ye shall take them as an inheritance for your children after you, to inherit them for a possession; they shall be your bondmen for ever: but over your brethren the children of Israel, ye shall not rule one over another with rigour."

Numbers 31:15, 17-18:

"And Moses said unto them, Have ye saved all the women alive? [] Now therefore kill every male among the little ones, and kill every woman that hath known man by lying with him. But all the women children, that have not known a man by lying with him, keep alive for yourselves."

Deuteronomy 6:10-11:

"And it shall be, when the LORD thy God shall have brought thee into the land which he sware unto thy fathers, to Abraham, to Isaac, and to Jacob, to give thee great and goodly cities, which thou buildedst not, And houses full of all good things, which thou filledst not, and wells digged, which thou diggedst not, vineyards and olive trees, which thou plantedst not; when thou shalt have eaten and be full;"

Deuteronomy 20:13-14:

"And when the LORD thy God hath delivered it into thine hands, thou shalt smite every male thereof with the edge of the sword: But the women, and the little ones, and the cattle, and all that is in the city, even all the spoil thereof, shalt thou take unto thyself; and thou shalt eat the spoil of thine enemies, which the LORD thy God hath given thee."

Psalm 2:7-9:

"I will declare the decree: the LORD hath said unto me, Thou art my Son; this day have I begotten thee. Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel."

Psalm 18:40-45:

"Thou hast delivered me from the strivings of the people; and thou hast made me the head of the heathen: a people whom I have not known shall serve me. As soon as they hear of me, they shall obey me: the strangers shall submit themselves unto me. The strangers shall fade away, and be afraid out of their close places."

Psalm 72:8-11:

"He shall have dominion also from sea to sea, and from the river unto the ends of the earth. They that dwell in the wilderness shall bow before him; and his enemies shall lick the dust. The kings of Tarshish and of the isles shall bring presents: the kings of Sheba and Seba shall offer gifts. Yea, all kings shall fall down before him: all nations shall serve him."

Psalm 110:1-7:

"The LORD said unto my Lord, Sit thou at my right hand, until I make thine enemies thy footstool. The LORD shall send the rod of thy strength out of Zion: rule thou in the midst of thine enemies. Thy people shall be willing in the day of thy power, in the beauties of holiness from the womb of the morning: thou hast the dew of thy youth. The LORD hath sworn, and will not repent, Thou art a priest for ever after the order of Melchizedek. The Lord at thy right hand shall strike through kings in the day of his wrath. He shall judge among the heathen, he shall fill the places with the dead bodies; he shall wound the heads over many countries. He shall drink of the brook in the way: therefore shall he lift up the head."

Isaiah 60:10-12:

"And the sons of strangers shall build up thy walls, and their kings shall minister unto thee: for in my wrath I smote thee, but in my favour have I had mercy on thee. Therefore thy gates shall be open continually; they shall not be shut day nor night; that men may bring unto thee the forces of the Gentiles, and that their kings may be brought. For the nation and kingdom that will not serve thee shall perish; yea, those nations shall be utterly wasted."

Isaiah 61:5-6:

"And strangers shall stand and feed your flocks, and the sons of the alien

shall be your plowmen and your vinedressers. But ye shall be named the Priests of the LORD: men shall call you the Ministers of our God: ye shall eat the riches of the Gentiles, and in their glory shall ye boast yourselves."

Zechariah 8:23:

"Thus saith the LORD of hosts; In those days it shall come to pass, that ten men shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a Jew, saying, We will go with you: for we have heard that God is with you."

Based upon this Old Testament passage, Jews believe they are each entitled to 2,800 Gentile slaves. *Cf. The Babylonian Talmud*, Tractate Shabbath, Folio 32b:

"Resh Lakish said: He who is observant of fringes will be privileged to be served by two thousand eight hundred slaves, for it is said, *Thus saith the Lord of hosts: In those days it shall come to pass, that ten men shall take hold, out of all the languages of the nations, shall even take hold of the skirt of him that is a Jew, saying, We will go with you,* etc."--I. Epstein, Shabbath 32b, *The Babylonian Talmud*, Volume 7, The Soncino Press, London, (1938), p. 149.

Genocidal Jewish Segregationist Racism in the Cabalah, Talmud, and Torah

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish *Zohar* declares that the Jews are a holy people and that the world exists solely for their sake (note that Jacob is Israel, the father of the Jews):

"AND SARAH SAW THE SON OF HAGAR THE EGYPTIAN, WHOM SHE HAD BORN UNTO ABRAHAM, MAKING SPORT. R. Hiya said: 'After recording the birth of Isaac, the Scripture never mentions Ishmael by name so long as he was still in the house of Abraham: dross cannot be mentioned in the presence of gold. Hence Ishmael is referred to here as the son of Hagar the Egyptian, as it was not fitting that his name should be mentioned in the presences of Isaac.' Said R. Isaac: 'The words and Sarah saw imply that she looked at him disdainfully, as being the son not of Abraham but of Hagar the Egyptian, and, furthermore, only Sarah regarded him so, but not Abraham, as we read that THE THING WAS VERY GRIEVOUS IN ABRAHAM'S SIGHT ON ACCOUNT OF HIS SON–not the son of Hagar, but his son.' R. Simeon said: 'The Scripture really speaks in praise of Sarah. For what she saw was that he was indulging in idolatrous practices. Hence she said: Surely, this

not the son of Abraham, who follows in the footsteps of Abraham, but the son of Hagar the Egyptian, who is reverting to the type of his mother. Hence: AND SHE SAID UNTO ABRAHAM: CAST OUT THIS BONDWOMAN AND HER SON; FOR THE SON OF THIS BONDWOMAN SHALL NOT BE HEIR WITH MY SON, EVEN WITH ISAAC.' The truth, therefore, is that she observed him worshipping idols, and performing the practices which his mother had taught him. Hence the words of Sarah, For the son of this bondwoman shall not be heir, as much as to say: I know that he will never enter the fold of the true faith and that he will have no portion with my son either in this world or in the world to come. Therefore God supported her, since He wished to keep the holy seed carefully separated, for that was the end for which He created the world, as Israel was already in His thought before the creation of the world. It was therefore that Abraham appeared in the world, so that the world could be sustained for his sake. Abraham and Isaac together upheld the world, yet they were not firmly established until Jacob came into the world. When Jacob appeared, both Abraham and Isaac became firmly established and the whole world with them. From Jacob the holy people gradually emerged into the world, and so the whole of existence became duly established according to the holy pattern. Hence God said, In all that Sarah saith unto thee, hearken unto her voice; for in Isaac shall seed be called to thee, i.e. in Isaac and not in Ishmael."--*The Zohar*, Volume 1, Vayera, I, folio 118b, Soncino, London, (1933), pp. 367-368.

The exact same racist statements appear in the Talmud, and in the Torah, which states in Exodus 22:31:

"You shall be holy men to Me, therefore you shall not eat any flesh torn to pieces in the field; you shall throw it to the dogs."

Leviticus 11:44:

"For I am the LORD your God: ye shall therefore sanctify yourselves, and ye shall be holy; for I am holy: neither shall ye defile yourselves with any manner of creeping thing that creepeth upon the earth."

Leviticus 19:2:

"Speak unto all the congregation of the children of Israel, and say unto them, Ye shall be holy: for I the LORD your God am holy."

Leviticus 20:7:

"Sanctify yourselves therefore, and be ye holy: for I am the LORD your God."

Leviticus 20:26:

"And ye shall be holy unto me: for I the LORD am holy, and have severed you from other people, that ye should be mine."

Deuteronomy 4:20:

"But the LORD hath taken you, and brought you forth out of the iron furnace, even out of Egypt, to be unto him a people of inheritance, as ye are this day."

Deuteronomy 7:6:

"For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

Deuteronomy 14:2:

"For thou art an holy people unto the LORD thy God, and the LORD hath chosen thee to be a peculiar people unto himself, above all the nations that are upon the earth."

Deuteronomy 14:21:

"Ye shall not eat of any thing that dieth of itself: thou shalt give it unto the stranger that is in thy gates, that he may eat it; or thou mayest sell it unto an alien: for thou art an holy people unto the LORD thy God. Thou shalt not seethe a kid in his mother's milk."

Deuteronomy 26:18-19:

"And the LORD hath avouched thee this day to be his peculiar people, as he hath promised thee, and that thou shouldest keep all his commandments; And to make thee high above all nations which he hath made, in praise, and in name, and in honour; and that thou mayest be an holy people unto the LORD thy God, as he hath spoken."

Deuteronomy 28:1, 9-10, 13:

"And it shall come to pass, if thou shalt hearken diligently unto the voice of the LORD thy God, to observe and to do all his commandments which I command thee this day, that the LORD thy God will set thee on high above all nations of the earth: The LORD shall establish thee an holy people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of the LORD thy God, and walk in his ways. And all people of the earth shall see that thou art called by the name of the LORD; and they shall be afraid of thee. And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them:"

The hate filled Old Testament then proceeds from the racism of the Torah, as follows:

I Chronicles 16:13:

"O ye seed of Israel his servant, ye children of Jacob, his chosen ones."

Ezra 9:2-3:

"Now when these things were done, the princes came to me, saying, The people of Israel, and the priests, and the Levites, have not separated themselves from the people of the lands, doing according to their abominations, even of the Canaanites, the Hittites, the Perizzites, the Jebusites, the Ammonites, the Moabites, the Egyptians, and the Amorites. For they have taken of their daughters for themselves, and for their sons: so that the holy seed have mingled themselves with the people of those lands: yea, the hand of the princes and rulers hath been chief in this trespass. And when I heard this thing, I rent my garment and my mantle, and plucked off the hair of my head and of my beard, and sat down astonied."

Ezra 10:11:

"Now therefore make confession unto the LORD God of your fathers, and do his pleasure: and separate yourselves from the people of the land, and from the strange wives."

Nehemiah 9:2:

"And the seed of Israel separated themselves from all strangers, and stood and confessed their sins, and the iniquities of their fathers."

Nehemiah 13:3:

"Now it came to pass, when they had heard the law, that they separated from Israel all the mixed multitude."

Psalm 33:12:

"Blessed is the nation whose God is the LORD; and the people whom he hath chosen for his own inheritance."

Psalm 89:3:

"I have made a covenant with my chosen, I have sworn unto David my servant,"

Psalm 105:6:

"O ye seed of Abraham his servant, ye children of Jacob his chosen."

Psalm 132:13:

"For the LORD hath chosen Zion; he hath desired it for his habitation."

Psalm 135:4:

"For the LORD hath chosen Jacob unto himself, and Israel for his peculiar treasure."

Isaiah 41:8:

"But thou, Israel, art my servant, Jacob whom I have chosen, the seed of Abraham my friend."

Isaiah 43:20:

"The beast of the field shall honour me, the dragons and the owls: because I give waters in the wilderness, and rivers in the desert, to give drink to my people, my chosen."

Isaiah 44:1:

"Yet now hear, O Jacob my servant; and Israel, whom I have chosen:"

Isaiah 62:12:

"And they shall call them, The holy people, The redeemed of the LORD: and thou shalt be called, Sought out, A city not forsaken."

Ezekiel 16:26

"Thou hast also committed fornication with the Egyptians thy neighbours, great of flesh; and hast increased thy whoredoms, to provoke me to anger."

Ezekiel 23:20:

"Yet she multiplied her whoredoms, in calling to remembrance the days of her youth, wherein she had played the harlot in the land of Egypt. For she doted upon their paramours, whose flesh is as the flesh of asses, and whose issue is like the issue of horses."

Ezekiel 34:31:

"And ye my flock, the flock of my pasture, are men, and I am your God, saith the Lord GOD."

Ezekiel 36:36-38:

"Then the heathen that are left round about you shall know that I the LORD build the ruined places, and plant that that was desolate: I the LORD have spoken it, and I will do it. Thus saith the Lord GOD; I will yet for this be inquired of by the house of Israel, to do it for them; I will increase them with men like a flock. As the holy flock, as the flock of Jerusalem in her solemn feasts; so shall the waste cities be filled with flocks of men: and they shall know that I am the LORD."

The Cabalistic hatred of Ishmael is also simply a repetition of the Torah, which states in Genesis 16:12:

"And [Ishmael] will be a wild man; his hand will be against every man, and every man's hand against him; and he shall dwell in the presence of all his

brethren."

The Babylonian Talmud states that the Jewish god regrets having created the Ishmaelites:

"R. Hana b. Abba stated: It was said at the schoolhouse, There are four things of which the Holy One, blessed be He, repents that He had created them, and they are the following: Exile, the Chaldeans, the Ishmaelites and Evil Inclination. 'The Exile', since it is written, *Now, therefore, what do I here, saith the Lord, seeing that My people is taken away for naught* etc.;[9] 'the Chaldeans', since it is written, *Behold the land of the Chaldeans—this is the people that was not;*[10] 'the Ishmaelites', since it is written, *The tents of the robbers*[11] *prosper, and they that provoke God are secure since God brought them with His hand;*[12] 'the Evil Inclination', since it is written, [*And I will gather her that is driven away*] *and her that I have afflicted.*[13]"—I. Epstein, Editor, "Sukkah 52*b*", *The Babylonian Talmud*, Volume 12, The Soncino Press, London, (1935), pp. 249-252, at 250.

The *Zohar* has led the Jews to stir up wars with Muslims whom the Jews claim are the Ishmaelites. The Jews are especially eager to war with the Iranians in a war which fulfill the prophecies of the *Zohar* and other Cabalistic works, as I explained in my blog of 27 July 2009:

The Jews Have Been Planning to Attack Iran for at Least 700 Years in Order to End the World in Fulfilment of Jewish Messianic Prophecy, July 27, 2009

and in my blog of 19 August 2006:

Sefer Zerubbabel, August 19, 2006

However, this prophecy/instruction to the Jews, was first iterated in the Old Testament in Ezekiel 38:1-5:

"1 And the word of the LORD came unto me, saying, 2 Son of man, set thy face against Gog, the land of Magog, the chief prince of Meshech and Tubal, and prophesy against him, 3 And say, Thus saith the Lord GOD; Behold I am against thee, O Gog, the chief prince of Meshech and Tubal: 4 And I will turn thee back, and put hooks into thy jaws, and I will bring thee forth, and all thine army, horses and horsemen, all of them clothed with all sorts of armour, even a great company with bucklers and shields, all of them handling swords: 5 Persia, Ethiopia, and Libya with them; all of them with shield and helmet:"

The Cabalah and Talmud did not arise in a vacuum. Of the Torah, Talmud and Cabalah, the Talmud is the least murderous and racist. The Torah is openly genocidal, as is the Cabalah which is based upon the Torah and which frequently cites the Torah.

Recent Perspectives on "The Jewish Year 6000"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I found a couple of websites publishing different perspectives on the Jewish Year 6000 and its significance. The following statement is found in an article published by a Jew who believes that Jesus Christ was the first coming of the Jewish messiah:

"According to the Jewish calendar we are beginning the year 5760 which celebrates the beginning of the world from the creation of Adam. According

to modern Rabbinical and many Christian scholars, it has been calculated that this date is inaccurate by 240 years. We are actually beginning the Jewish year 6000, perhaps 6001, which corresponds to the year 2000 on the Gregorian calendar. The actual year is difficult to determine because of when the first century began. Bible chronologists are beginning to conclude that the Biblical year 6001 begins this Rosh Hashanah (September 11, 1999). They have determined that the year 6000-6001 is somewhere in the 1994-2006 time because of the uncertainty of when Yeshua was born. Anywhere from 1-4 BCE

The Jewish teachers of Torah believed that just as there are seven days in the creation week so also there are 7000 years between the first day of creation and the last day of redemption. This is derived from the six days of creation equating 6,000 years and a final seven day of 1,000 years, known as the Sabbath Millenium. Maybe this is why Peter's final exhortation about the Lord's coming was (2 Pet 3:8), One day is as a thousand years, and a thousand years is as one day. I believe there is much truth to this reckoning of time and if so, that would mean we are coming to the end of the 6000 year and are about to enter into the 7,000th or we are already into it. Prophetically, that means we are on the verge of the Messiah's soon coming. [Colored emphasis added.]"–"written and / or assembled by Cal Goldberg, Messianic Leader, Beth Shechinah", *The Feasts of the Lord - Rosh Hashanah: The Akeda and the Binding of Isaac*, (2001?), http://www.bethshechinah.com/

Articles/01/2001_Pesach_1.html

The *Anno Mundi* interpretation of the Jewish Year 6000 also presents immediate dangers iterated in Cabalah. For example the following quotation from Cabalah states that only Jews will survive our present time:

"240 years before the seventh millennium (i.e., the year 6000 from creation), the lower waters will rise and cover the entire world, and only Eretz Yisroel will remain, which will float on the surface of the water like Noach's Ark; they will approach Gan Aiden, the place from which the four rivers leave. The people who survive will be completely righteous, and there they will be whitened, purified, and made spiritual." (Yalkut Reuveini, Shichechus Leket, "Eretz Yisroel v'Chutz L'Aretz," 6; in the name of the Rokeach--Gali Razyah)"–Cabalah as quoted by Rabbi Pinchas Winston, "Subject: Perceptions - Acharei Mos - Kedoshim", http://74.125.95.132/search?q=cache:mJQVwq511sUJ:www.parsha.net/Vayikra/AchreiKedoshim59.doc+%22240+years+before+the+seventh+millennium+(i.e.,+the+year+6000+from+creation),+the+lower+waters+will+rise%22&cd=2&hl=en&ct=clnk&gl=us

The following statement relates a purported Cabalistic interpretation of the Jewish year 6000, in the article pursuant to the *Anno Mundi* calender not the *Anno Lucis* calender, with the now much discussed year 2012 *Anno Domini:*

"The Jewish mystics, or Kabbalists, say that according to the Jewish

calendar, the world's spiritual evolution can be likened to the seven days of the week. The Jewish calendar, which is based upon the cycles of the moon, currently puts the world at the year 5769. The Kabbalists equate the year 6,000 to the end of the sixth work day of the cosmic week. While the Jewish calendar doesn't end at the year 6,000, the Kabbalists believe that that year marks the time when the world will enter *Shabbat HaGadol*, or the Big Sabbath, when 1,000 years of sacred time and space will begin."--Nina Amir, *How to Prepare for 2012: Become A Giver*, http://www.jewishmag.com/128mag/new_year/new_year.htm

The following article discusses one method of resetting the *Anno Mundi* so that the Jewish Year 6000 took place circa 1999-2000 AD:

http://philologos.org/bpr/files/misc_studies/ms067.htm

I sincerely hope to convince you of the tremendous import of these facts to the continued survival of the human race.

The Jewish Year 6000: The "Duration of the World" and the "Mystical Doctrine" of the Jews Tell Us That the "Sun Is About to Set" on the Human Race

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The following quotations taken directly from the Jewish *Zohar* prove that the Jews believe that they will exterminate the Gentiles after six thousand years from the day Adam was born, and then the Jews will enjoy a Sabbath millennium of one thousand years in a World without Gentiles; that the creation story is in fact the story of the World's six thousand years; and that the seventh day, the seventh thousandth of years, is the Sabbath "day" during which the Jewish god will rest, because it will be spent in a new world devoid of non-Jews who will have been genocided by the Jews so as to remove impurity from the World. The *Zohar* openly states in the following passages, as well as others not here reproduced, that the Jews are at war with the Gentiles and will exterminate the Gentiles. Note that the Jews' messiah comes only for the sake of the Jews and will murder all non-Jews. Do not make the mistake of believing that the Jews' messiah will be like Jesus. Note that the Jews believe that one thousand years to humans is one day to their god, pursuant to *Psalms* 90:4, which states:

"For a thousand years in thy sight are but as yesterday when it is past, and as a watch in the night."

The Jewish *Zohar* states:

"At every sixty years of the sixth thousand the *He* will mount a stage higher, acquiring greater strength. And after six hundred years of the sixth

thousand there will be opened the gates of wisdom above and the fountains of wisdom below, and the world will make preparations on the sixth day of the week, when the sun is about to set. [***] R, Judah said in reply: 'This is what I have learnt from my father concerning the mysteries of the letters of the Divine Name, and of the duration of the world as well as of the days of creation, all of which belongs to the same mystical doctrine. At that time the rainbow will appear in the cloud in radiant colours, like a woman that decks herself out for her husband, in fulfilment of the verse, 'and I will look upon it, that I may remember the everlasting covenant' (Gen. IX, 16), a passage already explained elsewhere. 'I will see it' with all its bright colours, and I will thus 'remember the everlasting covenant.' Who is the everlasting covenant? It is the community of Israel. The *Vau* will join the *He*, and will resuscitate her from the dust. When the *Vau* shall move to join the *He*, heavenly signs will appear in the world, and the Reubenites will make war against all the world; and so the community of Israel will be raised from the dust, for the Holy One will have dwelt with her in exile years to the number of *Vau* times *Yod*, that is, six times ten, after which she will be raised, and vengeance will be executed on the world, and the lowly will be exalted.' Said R. Jose to him: 'All you say is right, being [117*b*] mystically indicated by the letters, and we need not enter upon any other calculations regarding the end (*qets*). For in the book of the venerable R. Yeba we find the same calculation. The verse, 'Then shall the land satisfy her Sabbaths' (Lev. XXVI, 34) is an allusion to the mystical implication of the *Vau*, as indicated in a subsequent

verse, 'And I will remember my covenant with Jacob'[1] (*Ibid*. 42), and it then says, 'and I will remember the land' (*Ibid*.), indicating the community of Israel. The word 'will satisfy' (*tirzeh*) signifies that the Holy One will be favourable to her. As for the 'one day' of which the companions have spoken, it is assuredly all hidden with the Holy One, and it is all found in the mystery of the letters of the Divine Name; for R. Jose here has revealed the end of the exile by means of these letters.' [***] Happy are those who will be left alive at the end of the sixth millennium to enter on the Sabbath."–*The Zohar*, Volume 1, Vayera, I, folios 117a-117b, and 119a, Soncino, London, (1933), p. 364-365, 371.

These facts, which do not even begin to hint at the full scope of the passages in the *Zohar* which state that the Jews will exterminate the Gentiles, nevertheless prove that the Jews are planning to kill off the Gentiles at this time, so that the sun will set on the present World (an allusion to the beginning of the Sabbath, *see Leviticus* 23:32), and a new millennium will begin in which the Jews alone will survive. The Jews are planning to murder you, your family and every non-Jew on Earth. Their declaration of genocidal war on the human race is nailed to your door. Tear it off, crumple it up and toss it aside at your existential peril.

The *Zohar* merely reiterates what was already stated in the Jews' Old Testament, but since so many are blinded by their faith in that execution writ of the human race, it is helpful to show the Jewish declaration of war on non-Jews iterated in the *Zohar*, which is even more hateful and destructive than the *Protocols of the Learned Elders of Zion* and the authenticity of which is beyond dispute.

"The Jewish Year 6000": Proof from the Zohar that the Jews Are Following the Anno Lucis Calender, NOT the Anno Mundi Calender

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish *Zohar* prophecies that the Jewish messiah will arrive in the year 5666 after the creation of Adam. This serves as proof that the Jews who rule World Jewry observe the *Anno Lucis* calender, and not the *Anno Mundi* calender of common Jews, though the Jews mix these and other dating systems whenever it is convenient for them to do so. Christian Identity and Freemasonry also observe the *Anno Lucis* calender, because they are creations of the Jews.

Arthur Edward Waite summarized the Zoharic literature on the date of the arrival of the messiah in his book *The Secret Doctrine in Israel: A Study of the Zohar and Its Connections*, Occult Research Press, New York, (n.d.), pp. 148-150:

"In the time of the letter *He*[1]—that is, when the *He* shall rise from the earth—God will fulfil that which is mentioned in Isaiah. The reference is to c. lx, at the end of verse 22, and it reads in the Authorised Version: 'I the Lord will hasten it in his time';[2] but the Zohar gives: 'I am the Lord; and it is I who will

hasten these marvels when the time thereof shall have come.' When Israel was driven from its abode the letters of the Sacred Name were separated one from another, if it be permissible so to speak; the *He* was separated from the *Vau*; and hence the Psalmist said: 'I am dumb with silence.'[3] When the *Vau* is separated from the *He* the Word is stilled. The day of the letter *He* is the fifth millenary—the period of Israel in exile. When the sixth millenary comes, the *Vau* shall raise up the He, and Israel shall be lifted also from the dust.[4] After six hundred years of the sixth millenary the Gates of Supreme Wisdom shall open, and the springs of Wisdom shall begin to pour upon this world, which will make ready to enter worthily into the seventh millenary, and this latter will constitute the Sabbath of creation.

Assuming that we have a proper point of departure for calculation, we have in another place[1] the exact year of the Messiah's advent. When sixty years shall have elapsed after the sixth century of the sixth millenary, it is said that heaven shall visit the daughter of Jacob. In the seventieth year the King Messiah shall be revealed in the province of Galilee. The portents will he as follows: (1) The rainbow—which is now tarnished, because it serves only as a memorial that the world will be destroyed no more by a deluge—will shine with very brilliant dyes, like a betrothed lady adorning herself to enter into the presence of her spouse.[2] (2) A star will appear in the East and swallow up seven stars in the North.[3] (3) Presumably after a period, a fixed star will appear in the middle of the firmament and will be visible for seventy days. It

will have seventy rays and will be surrounded by seventy other stars.[4] (4) The city of Rome will fall to pieces[5]—an intimation which should be of moment to the hot gospel of certain protestant second-advent preachers, whose vestiges remain among us. (5) A great King will rise up and conquer the world.[6] There will be war against Israel, but the chosen people shall be delivered. According to one account, the seventy celestial chiefs who rule the seventy nations of the earth will marshal all the legions of the world to make war on the sacred city of Jerusalem, but they will be exterminated by the power of the Holy One.[7] It is written: 'And the house of Jacob shall be a fire, and the house of Joseph a flame and the house of Esau for stubble.' As such stubble, by such fire and flame shall the nations perish. Thereafter the King Messiah will cause Jerusalem to be rebuilt;[2] the Holy one will remember that covenant which He has made with Israel; and in that day will David be also raised up.[3] The Messiah will draw to him the whole world; it shall be so to the end of the century; and then the *Vau* shall be united with the *He*.[4] It will be the period of true bridals; the Messiah will bring about union between the palaces above and below, as also between El and Shaddai.[5]

The present place of Messiah, according to the prevailing opinion, is in the Garden of Eden, but as the testimony is not in full accord must be left open as to whether this is the Eden above or that which is below. Wheresoever it be, there is a most secret place in the hiddenness which is called the Bird's Nest, and therein he abides.[6] In the Paradise there is also a certain place

which is called the Palace of the Sick;[7] the Messiah enters therein and calls upon all the diseases, sorrows and troubles of Israel in exile to assail himself, and this comes to pass accordingly. Were it otherwise there is no one who could suffer the penalty due to his misdeeds. Hence it is said: 'Surely he hath borne our griefs, and carried our sorrows.'[8] So long as Israel dwelt in the Holy Land, and sacrifices were offered therein, Israel was preserved thereby from all maladies and penalties; now it is the Messiah who bears them—as it is affirmed, for flit whole world; but I fear that this can understood only as the world of Israel.[9]"

Pay special attention to Waite's admonishment, "Assuming that we have a proper point of departure for calculation" because this is key to knowing precisely when the Jews plan to exterminate the human race. I have verified Waite's citations in the Soncino edition of the *Zohar*, as follows:

"She therefore lies in the dust all the day of the *He*, that is, the whole of the fifth thousand, which is symbolised [117*a*] by the *Vau*, begins, the *Vau* will resuscitate the *He* at six times ten (an allusion to the sixty souls), which means the *Vau* repeated ten times. The *Vau* will ascend to the *Yod* and redescend to the *He*. The *Vau* will be multiplied into the *He* ten times, making sixty, when it will raise the exiles from the dust. At every sixty years of the sixth thousand the *He* will mount a stage higher, acquiring greater strength. And after six hundred years of the sixth thousand there will be

opened the gates of wisdom above and the fountains of wisdom below, and the world will make preparations on the sixth day of the week, when the sun is about to set"--*The Zohar*, Volume 1, Vayera, I, folios 116*b*-117*a*, Soncino, London, (1933), p. 364.

"But the chief reason is because the passage speaks of the exile of Israel, intimating that the redemption of Israel will come about through the mystic force of the letter *vau*, namely, in the sixth millennium, and, more precisely, after six seconds and a half a time. When the sixtieth year shall have passed over the threshold of the sixth millennium, the God of heaven will visit the daughter of Jacob with a preliminary remembrance (*p'qidah*). Another six and a half years will then elapse, and there will be a full remembrance of her; then another six years, making together seventy-two years and a half. In the year sixty-six the Messiah will appear in the land of Galilee. [***] Happy are those who will be left alive at the end of the sixth millennium to enter on the Sabbath."--*The Zohar*, Volume 1, Vayera, I, folio 119*a*, Soncino, London, (1933), pp. 369-371.

The *Zohar* served as the justification for the original Messiah Son of Joseph, Isaac ben Solomon Luria; and the original Messiah Son of David, Shabbatai Zevi. I say "original", because the Jews, especially pursuant to the Lurian Cabalah--though the belief is much older, believe that Jewish souls are reincarnated and that the souls of the messiahs are reincarnated to serve each successive generation. Shabbatai Zevi declared himself Messiah Son of David in 1666 *Anno Domini*, which corresponds to 5666 *Anno Lucis*, not 5666 *Anno Mundi*, which was 1905-1906

AD. Though the Jews had their Protestant agents declare this date as the arrival of the Messiah for different reasons, it was the *Zohar* which guided Shabbatai Zevi. This is proof that the Cabalistic Jews were working off of the *Anno Lucis* dating of Adam having been born at 4000 BC.

It is interesting that Luria corrupted this to fit his life by shortening the scale 100 years. As Zoharist prophecy predicted, he followed the sixty years prophecy, moved to Galilee, and etc. I will have to search to find if the there is any belief that Messiah Son of Joseph would follow this model one hundred years before Messiah Son of David, or if Luria explained the dates in some other way. Regardless of this discrepancy, it is clear that Shabbatai Zevi followed the *Anno Lucis* calender and that Shabbataians do as well, placing us in immediate peril of the ultimate destruction of humanity at the hands of the Jews.

The Occult Doctrine "As Above, So Below" in the Zohar

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The *Zohar* iterates the Jewish belief that politics and war on Earth are mirrored in heaven by wars and politics among the Elohim. This is further proof that secular Jewish movements are by design in fact religious exercises for the Jews designed to destroy heaven and Earth so that only the Jews remain. The *Zohar* states in the relevant part:

"Whatsoever is found on earth has its spiritual counterpart on high and is dependent on it. When the inferior part is influenced, that which is set over it in the upper world is also affected, because all are united. [***] That which is above is in the likeness of that which is below, and the likeness of that which is below is in the sea [regarded as the mirror of the inferior heaven], but all is one. [***] As it is in all things below, so it is above."--Zohar, Cremona Ed., II, 9a; I, 91a; as quoted by A. W. Waite, *The Doctrine and Literature of the Kabalah*, The Theosophical Publishing Society, London, (1902), pp. 206-7.

Lurian Cabalah expressly states, together with the Talmud and *Zohar*, that Eve had sexual intercourse with the Serpent and produced the Goyim who are evil by nature and will have no place in the seventh millennium, which is upon us. In order for the Jews to fulfill their messianic prophecy, they must exterminate the Goyim. The Lurianic Cabalah teaches that the souls of the Jews were all found in Adam and are reincarnated so as to perfect them. They will not achieve perfection until the evil souls of the Goyim are eliminated from the Earth and return to Satan who spawned them (See Waite's *The Doctrine and Literature of the Kabalah*, pages 292-303. I found it easier to download the pdf from the link on the top left just above the window for the book, than to try to read the book online, which was impossible for me at the time I tried).

"As Above, So Below!" The Jews Are Out to Destroy the Guardian

Angels of the Goyim, the Animals and the Plants. . . to Destroy All of Creation

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In previous blogs, I explained that Judaism is political in nature, and that the Jewish war on the human race is also a war on the angels who guard the Goyim:

As Above, So Below: The Jews Will Kill All the Nations (All the Goyim), June 23, 2009

The Reasons Why Neturei Karta Do Not Represent the Views of World Jewry, June 30, 2009

The online version of an important book by John Allen, *Modern Judaism: or, A Brief Account of the Opinions, Traditions, Rites, and Ceremonies of the Jews in Modern Times*, provides some information on the topic of the 70 Elohim, or gods, or princes, or guardian angels of the Goyim in Jewish religious mythology. Note that Google offers a downloadable pdf of the book file in the upper right part of the webpage. See pages 149-172, and in particular 155-165. At pages 159 and 160, the author quotes two Jewish passages which evince what I have been explaining in my previous blogs:

"There is nothing in the world, not even a small herb, without its governing angel, by whose words and laws it is directed. Wherefore it is forbidden to

mix things that are not of the same kind or species. For by so doing, the upper economy, that is, the angels, will be thrown into confusion."

"Every man has his angel who speaks for him and prays for him; as it is said, (Psal. Lxv. 2.) 'O thou that hearest prayer;' that is the prayer of the angel, who is the *Mashal,* or guardian of men. It follows; 'Unto thee shall all flesh come.' *Wherefore* the angels are not allowed to say their hymns above, till the Israelites have said them here below: for all that a man does is imitated by his *Mashal,* who performs it above in the same manner in which it is performed here below."

One of the reasons why the Jews promote miscegenation, especially the miscegenation of whites with non-whites, is that through race mixing they can confuse the gods, the princes, the angels in heaven who guard the Goyim, especially the Northern Europeans, whom the Jews view as their worst competition for supremacy over the human race. By mixing whites with non-whites, the Jews are confusing the gods and destroying god's creation on Earth and in heaven, for god created the angels as well as man.

Obama is a perfect mixed creation for the Jews to set as the prince over the Goyim, for he results also in a confusion of the guardian angels over the Goyim in heaven, affording the Jews an easy opportunity to attack the Goyim as they no longer have supernatural protection. I must stress that these are not my beliefs, but the beliefs of the Jews.

Another genocidal aspect of Jewish religious mythology and the modern practices of the Jews, is

the fact that the Jews are mixing up the genes of plants (genetically modified foods) and animals so as to destroy both the earthly and heavenly manifestations of god's creation. The Jews want there to be "new heavens" and a "new earth" as prophesied in *Isaiah* 65:17 and 66:22, and they are accomplishing this by mixing up the races of man and destroying nature so as to leave god no choice but to create something new, something exclusively Jewish. The Jews also believe that by destroying god's creation on earth, they concomitantly and concurrently destroy god's heavenly creations, "As Above, So Below!"; which is one of the reasons why the Jews try to control the opposition, for by misleading the Goyim they also mislead or eliminate the angels god created to watch over the Goyim.

"The Jewish Year 6000" -- British Israelism / Christian Identity -- 9/11/2001

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Judenfrei" asked that I contribute my abilities to doing research into the Jewish connections to 9/11. I try to contribute something new, which you will not find elsewhere, when I address a topic.

Earlier today, I posted a blog which detailed some of the Talmudic and Cabalistic beliefs which are fundamental to Christian Identity. In the past, I have proven that the Jews believe that the World and humanity are only destined to last 6000 years after which period the World is to experience a Sabbath of 1,000 years of rest. I proved this fact in my video "The Jewish Year 6000" which YouTube pulled and which I reloaded onto Metacafe, which unfornately runs advertising over the videos which appear on its site:

"The Jewish Year 6000"

I have expressed the results of my novel research in the following blogs:

What Will the Reign of the Anti-Christ Look Like? The Seventh Year and Shmita, November 22, 2007

The Entropy of the Modern World Under the Jews, January 14, 2009

The Jewish Year 6000, February 27, 2009

The Jewish Year 6000 as Manifest in the Media, June 03, 2009

Addendum to My Blog: "The Jewish Year 6000 as Manifest in the Media", June 03, 2009

Just as Christian Identity preaches the Talmudic doctrine that Eve slept with Satan and produced a child named Cain as the result of this union, Christian Identity took on the doctrines of British Israelitist David Davidson that his "Great Pyramid Prophecy" predicted that the millennium of the "Sabbath of rest" would commence after the 6000 years of mankind from

4000BC until the Hebrew Feast of Trumpets (Rosh Hashanah) on the 6000th year, which was 17 September 2001. Davidson published his prediction in the 1920's and Christian Identity publicized it as their own belief in the 1930's.

It is no coincidence that British Israelism, Christian Identity and Judaism hold these beliefs in common. As I explained in my book of Spring, 2006,*The Manufacture and Sale of Saint Einstein*, chapter 8, British Israelism and Christian Identity are products of the Jewish desire to use the Goyim to chase the Muslims out of Palestine and seize Jerusalem for the Jews, so that the Jews can build a Temple to the Devil on the site of the Dome of the Rock and Al Aqsa Mosque. The Jews have planned to rule the World from this Temple, for some 2,500 years. The Jews also plan to judge and exterminate the hated Goyim.

For the Jews, as well as the Freemasons, as well as Christian Identity and British Israelism, the true *Anno Lucis* for the Jewish year 6,000 began in September of 2001. It is no coincidence that the Jews conducted a false flag attack America on 11 September 2001, as a means to hasten the end of the World and begin the 1,000 years of Sabbath rest, which the Jews prophesied thousands of years ago would begin as the new age of Aquarius arrived.

Christian Identity and Freemasonry are Jewish subversions of the Gentile World. "As Above, So Below!" The Jews believe that by controlling the Goyim's beliefs in their gods, the Elohim of the Gentiles, they can actually subvert the gods who defend the Goyim from the Jewish angel Michael and the Jewish Devil YHWH, a.k.a. Jehovah, Yahweh, Adonai, or Hashem, depending upon how much courage you have to pronounce the ineffable name of the Jewish Devil. By duping the Goyim to worship the Jews' gods instead of their own, the Jews cut off the Goyim

from their Elohim and weaken the Goyim and the Goys' gods in heaven, "As Above, So Below!"

In addition, the head of the Goy gods, Sammael, Satan (as opposed to the Devil, who is the god of the Jews), betrays the Goyim on Yom Kippur (the Day of Attonement) by accepting a sacrificial scapegoat from the Jews who places all of the Jews' sins onto the Goyim, as in the false flag attacks of 11 September 2001, which the Jews committed, but placed their sin of mass murder onto the Gentiles by *scapegoating* Muslims for what the Jews had themselves done. "As Above, So Below!" Both Muslims and Christians believe in the Jews' Devil god, which alienates them from their own "true" gods, the Elohim of the Goyim. The Jews thereby have an even easier time scapegoating Muslims and Christians for their Jewish crimes, because Muslims and Christians do not have any supernatural protection. Add to that the fact that once every year the Goyim's chief god, Sammael, sells the Goyim out for a measly goat and accepts all the sins of the Jews and places them on the Goyim he is supposed to protect.

I have proven with a substantial amount of evidence that the Jews conducted a religious exercise through their false flag attack of 11 September 2001, ushering in the end of time and scapegoating the Goyim for their sins, just as they were taught to do in the Torah, Talmud and Cabalah. The relevant citations have already been provided in my previous dissertations on the subject, but should the need arise, I can easily repeat them.

The "Christian Identity" Movement Teaches Jewish Talmudic and Cabalistic Beliefs

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Christian Identity is based upon certain beliefs which distinguish it from real Christianity which beliefs originate not in the Torah, not in the complete Old Testament, nor the New Testament, but rather exclusively in the Talmud and Cabalah. As such, these beliefs were probably condemned by Jesus Christ as the traditions of the Scribes and Pharisees.

Christian Identity teaches that Eve had relations with Satan and that their union produced Cain. This belief, which nowhere appears in the Bible, instead comes straight out of the Babylonian Talmud, Tractate Yebamoth, folio 103b, which states that the Serpent infused Eve with lust when they copulated. The Jews were supposedly cleansed of this lust infused into Eve by the Serpent on Mount Sinai, which is also a Talmudic Jewish belief found in Tractate Abodah Zarah, folio 22b, and Tractate Shabbath, folio 145b-146a. Tractate Yebamoth, folio 63, states that Adam had intercourse with all animals and beasts, but only derived satisfaction from Eve.

The Jewish Cabalah in the *Zohar*, Volume 1, page 28b (see items 5 and 12, "5. UNCLEAN" and "12. CHILDREN OF THE DEVIL", also states that Eve fornicated with Satan. So we discover that Christian Identity is thinly veiled Judaism turned on its head to serve Zionist interests, and not Christianity at all. I have presented links to the Soncino edition of the Talmud, but the translations found in Pranaitis' *The Talmud Unmasked* are more accurate.

The Jewish belief that the union of Eve and Satan produced Cain is specifically stated in the

Jewish *Jalkut Chadash*, Folio 3, Column 3, number 12 and Folio 4, column 4, numbers 43 and 52 (*Cf.* J. Eisenmenger, J. A. Eisenmenger, *The Traditions of the Jews, Contained in the Talmud and other Mystical Writings*, Volume 1, J. Robinson, London, (1748), pp. 197-198).

Addendum to My Blog: "The Jewish Year 6000 as Manifest in the Media"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In my blog "The Jewish Year 6000 as Manifest in the Media" I referred to the ABC production, which can be viewed here:

Earth 2100

I would like to call attention to some of the persons involved in that production, including John Podesta, who, like Rahm Emanuel, was White House Chief of Staff and who heads the Center for American Progress, and who was co-chairman of the Obama-Biden Transition Project. The annotated transcript of "Earth 2100" states,

"THOMAS HOMER DIXON

And until we have a crisis of some kind, I don't think we're going to be motivated to wake up and say, "Okay, now we have to change."

JOHN PODESTA

President, Center for American Progress

Sometimes it takes a big shock to get people, you know, out of the inertia that's built into the system."

I am reminded that Zbigniew Brzezinski wrote in his book *The Grand Chessboard: American Primacy and Its Geostrategic Imperatives*, Basic Books, New York, (1997), pp. 24-25,

"The attitude of the American public toward the external projection of American power has been much more ambivalent. The public supported America's engagement in World War II largely because of the shock effect of the Japanese attack on Pearl Harbor."

Project for the New American Century published a report entitled *Rebuilding America's Defenses: Strategy, Forces and Resources For a New Century*, Project for the New American Century, Washington, D.C., (September, 2000); which states on page 51,

"Further, the process of transformation, even if it brings revolutionary change, is likely to be a long one, absent some catastrophic and catalyzing event—like a new Pearl Harbor."

Another famous personality appearing in "Earth 2100" is Robert James Woolsey Jr. former Director of Central Intelligence and head of the Central Intelligence Agency. We also find "Former CIA Scenario Designer" Stanley Feder, Thomas Friedman a prominent Jewish supporter of Israel, Alan Weisman author of *The World Without Us*, Jared Diamond author of *Collapse*, Elizabeth Economy

Director for Asia Studies, Council on Foreign Relations, Peter Gleick President, Pacific Institute, and numerous other representatives of think tanks and policy formation institutes. These individuals and their contributions to "Earth 2100" can be found in the annotated transcripts here:

The Jewish Year 6000 as Manifest in the Media

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

I have witnessed an alarming trend in the media to push the idea that human beings have outlived their welcome on planet Earth, and that the Earth will benefit from a long period of

rest, much like the Sabbath millennium described in the Talmud. The *History Channel* has produced the following series:

Life After People

and *ABC* just aired:

Earth 2100

I ask you to please watch my video *The Jewish Year 6000* and consider its import in light of these mainstream productions:

The Jewish Year 6000

"The Jews Killed Jesus" and "The Jewish Year 6000" Again Online

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Obviously unable to counter the facts I have presented with any sort of counter-argument, yet unwilling to ever allow the truth to be told, the Jews censored my YouTube account and with it the following two videos:

The Jews Killed Jesus

The Jews Killed Jesus

The Jewish Year 6000

The Jewish Year 6000

If the Jews are a noble people, why do they censor the truth?

I will be posting higher quality renditions of my videos, which will be much clearer files, in the near future. I plan to make a DVD image of *Protocols of the Old Testament* when I have produced an hour's worth of video or more.

What Will the Reign of the Anti-Christ Look Like? The Seventh Year and Shmita

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The books of the Frankists have been carefully collected and hidden away. That fact alone tells us that World Jewry's plans are dangerous and a peril to the human race. We find evidence as to what it is they have planned for us in their Jewish "End Times" in the books of the prophets in the Hebrew Bible, in the Talmud, Zohar and Lurian Cabalah, in the Jewish apocryphal apocalyptic works which predate John of Patmos' revelation, and in the legendary works *Avkat Rokhel*, the *Sefer Zerubbabel*, *The Wars of King Messiah* and the writings of Rabbi Simon Ben Yohai.

These works predict—read instruct—that the Jews will exterminate the Goyim, that the climate will change towards marked global warming, that disease and famine will spread as never before, that Jews will persecute Christians and destroy Christianity, that the Jews will rule a One World Government, that Jewry will take "Greater Israel", etc. Modern technology provides Jewry with the means to artificially fulfill all of these predictions/instructions.

Dates are very important in Judaism. Note that the Jewish calendar is approaching the year 6,000. This is significant and does not bode well for the human race if we allow World Jewry to determine our fate. Judaism teaches that the Earth must rest for a thousand years, the seventh thousand after the 6,000 thousand years expire, after the three two thousand year cycles have passed, as they soon will.

The Hebrew Bible sets forth the law of *Shmita*, which states that the land must rest in the seventh year, the Sabbath, and that in the seventh year the debts of Jews must be forgiven. Recall that God rested on the seventh day.

For Jewry, this means that before the seventh year of the Jewish calendar, Gentiles must be exterminated and the Earth must be made desolate by war and climate change. Jews believe that the Jewish People will then endure a thousand year resting period, which at the end will seem to have been a single day (*Psalm* 90:4). During this thousand years, the Earth and nature will restore themselves and the Jews will purify their divine blood, thereby restoring order to the World and creating a "New Earth" populated only with righteous Jews (*Isaiah* 11:4; 42:1; 65; 66. *Jeremiah* 33:15-16). Jews believe that Satan impregnated Eve in the Garden of Eden and that Gentiles are the product of this union, are therefore inherently evil, and must be killed off.

This Jewish plan is set forth in, among other places, the Talmud in *Sanhedrin* 97. Note that the Jews fulfilled their religious myths by putting Hitler/Haman into power to persecute the Jews and artificially fulfill their messianic prophecies. *Sanhedrin 97b* states,

"R. Joshua said to him, if they do not repent, will they not be redeemed! But the Holy One, blessed be He, will set up a king over them, whose decrees shall be as cruel as Haman's, whereby Israel shall engage in repentance, and he will thus bring them back to the right path."

Given that the leaders of World Jewry were willing to do that to their own, we have no reason to expect that they will hesitate to exterminate the remainder of the human race. We must face this enemy whose reason for existence is to exterminate us.

Worldwide famine can today be artificially created by economic means and by deliberately destroying food, as World Jewry did when they deliberately genocided the Ukrainians. Jews are at this time manufacturing genetically targeted biological weapons meant to kill off the Goyim while preserving the Jews. The Jewish bankers have exploited the Third World and destroyed the forests and natural processes of the Earth resulting in climate change. Genetic analysis now affords Jewry a means to arbitrarily define that which is Jewish in the human family and surrogate mothers could easily provide the Jews with a means to multiply their ranks exponentially in the near future.

If you doubt these things, I suggest you ask yourselves why Jewry has wasted so many resources to steal Palestine and continually agitates for World War III? Why is Jewry continually degrading cultures, mass murdering intellectuals, destroying nations, destroying the environment, and destroying non-Jewish religions? What does this nihilistic destruction accomplish, if not the artificial fulfillment of Jewish messianic prophecy?

If Jewry succeed in their plans, it will not be a human race which awakens after the thousand year rest.

Orchestrated Gentile Suicide: The Judaic Heresy of "Christian Dispensationalism"

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

The messiah of the Jews has to accomplish several tasks. He must destroy the Gentile nations and spread monotheism. He must "restore" the Jews to Palestine, "rebuild" the Temple of Solomon and rule the entire World from Jerusalem. In so doing, the Jewish messiah will have restored order to Earth and completed the Jewish god's work and made way for the Sabbath millennium, the seventh millennium after the birth of Adam, during which period the Earth will rest, and which period will know no Gentile life.

The Jews believe that the story of the six days of creation and the seventh day of rest iterated in the Torah in *Genesis* is in fact the entire history of mankind, from the birth of the first man, Adam, to the death of the last man prior to the Sabbath millennium, the seventh millennium

after the birth of Adam, which will know no Gentile life. The Jews believe that they as a nation, as a people, are the messiah and that they have all but completed the tasks assigned to the messiah, to the Jewish people.

Since the Jews were dispersed in the 1st Century A.D., they have spread out to every Gentile nation and subverted them. They have brought about the World Wars of Armageddon, the third soon to come. They have "restored" the Jews to Palestine, and have instituted World government ruled by the Jews. They have yet to win the third war of Armageddon and they have yet to "rebuild" the temple. They have also failed to gather in all of the Jews of the World to Palestine.

Theodor Herzl explicitly stated that the Zionists would use "anti-Semitism" as a means to force Jews to move to Palestine against their will. Though Herzl pretended that his Zionist movement was secular, so as to prevent Christians and Muslims from recognizing the rise of Anti-Christ / al Dajjal in the form of Zionism, Herzl, and the Jewish leaders above him, were instead deliberately and artificially fulfilling Jewish messianic prophecy under a deceptive veil of secularism. In particular, the Jews, soon after Herzl's death, created the First World War as the first battle of Armageddon, in which Russia and Islam artificially became Gog and Magog of the Old Testament prophecy of *Ezekiel* in Chapters 36-39 and the Austro-Hungarian, German, Russian and Turkish Empires were destroyed, thereby bringing to a close Goy monarchy, thereby ending the "times of the Gentiles".

The Jews require three phases of the war of Armageddon, which takes the form of World Wars I, II and III. The end result of this war on humanity will be the ingathering of the expelled Jews in

Palestine, the extermination of the Gentiles, and the construction of a temple of Solomon in which the Jews will worship the Devil. *Ezekiel* 39:25-29 states:

"25 Therefore thus saith the Lord GOD; Now will I bring again the captivity of Jacob, and have mercy upon the whole house of Israel, and will be jealous for my holy name; 26 After that they have borne their shame, and all their trespasses whereby they have trespassed against me, when they dwelt safely in their land, and none made them afraid. 27 When I have brought them again from the people, and gathered them out of their enemies' lands, and am sanctified in them in the sight of many nations; 28 Then shall they know that I am the LORD their God, which cause them to be led into captivity among the heathen: but I have gathered them unto their own land, and have left none of them any more there. 29 Neither will I hide my face any more from them: for I have poured out my spirit upon the house of Israel, saith the Lord GOD."

The only way for the Jews to bring these events about is to force Jews to go to Palestine through use of a controlled opposition of phoney "anti-Zionists" who insist that all Jews move to Palestine; which controlled opposition to Jewry will also help the Jews to kill off the Gentiles, so the Jews can live in Palestine without any Goyim left in the World to make "them afraid".

As was the case in the First and Second World Wars, the Jews are pitting Muslims against Christians, and Continental Europe against Russia. As I documented in my books *The*

Manufacture and Sale of Saint Einstein, Chapter 8, pages 1742-1761, and *The Jewish Genocide of Armenian Christians*, pages 69-87, the Jews have been subverting Christianity and Islam for several centuries in order to pit them against themselves and against one another. The Jews created Protestantism and made it anti-Papacy, anti-Russian and anti-Islamic. The Jews manufactured anti-Christian movements in Islam and genocided the Armenian, Greek and Assyrian Christians under the control of the Jewish "Young Turks" at the time of the First World War.

The two major Jewish movements of this period were Communism and Zionism, which fulfilled the two objectives of Jewish messianic prophecy: enslave and genocide the Gentiles, and make the Jews the sole sovereigns of the human race. The Jews could not accomplish these things by their actions, for they are too few in number.

Leading up to the First World War, the Jews created a subversive heresy designed to undermine Christianity and turn it into a suicide cult, much like the early Gnostic heresy created by Jews to prevent Christians from reproducing. This new heresy, "Christian Dispensationalism" eventually resulted in the Rothschilds' Scofield Reference Bible published during the First World War. The Scofield Bible makes reference to seven "dispensations", which mirror the Jewish belief of the Talmud, which states in the Tractate Sanhedrin, folio 97a, quoting from the Soncino, London, English edition:

"R. Kattina said: Six thousand years shall the world exist, and one [thousand, the seventh], it shall be desolate, as it is written, And the Lord alone shall be exalted in that day. Abaye said: it will be desolate two

[thousand], as it is said, After two days will he revive us: in the third day, he will raise us up, and we shall live in his sight.

It has been taught in accordance with R. Kattina: Just as the seventh year is one year of release in seven, so is the world: one thousand years out of seven shall be fallow, as it is written, And the Lord alone shall be exalted in that day,' and it is further said, A Psalm and song for the Sabbath day, meaning the day that is altogether Sabbath--and it is also said, For a thousand years in thy sight are but as yesterday when it is past.

The Tanna debe Eliyyahu teaches: The world is to exist six thousand years. In the first two thousand there was desolation; two thousand years the Torah flourished; and the next two thousand years is the Messianic era,"

As I have proven elsewhere, the Jews believe that the first six thousand years of creation are the six "days" of creation of *Genesis*, and that now that six thousand years have passed since Adam's birth, since mankind was created, it is time for the Jewish god to rest and for the human race to die out so that the Earth will experience a "Sabbath Millennium" in which only Jews will survive. These six days plus the Sabbath are repackaged for Christians in Dispensationalism as seven "dispensations": *Innocency, Conscience, Human Government, Promise, Law, Grace, Kingdom*.

Of these seven "dispensations", four mirror the Talmudic periods, which include the 2,000 year period from the birth Adam to the Covenant of Abraham (*Innocency*), the 2,000 year period

under the law from the Covenant of Abraham to the arrival of messiah (*Law*), the 2,000 year period of the reign of the messiah (*Grace*), and the Sabbath Millennium (*Kingdom*).

According to Scofield, *Innocency* begins in *Genesis* 1:28:

"And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth."

That is when the clock starts on the 6,000 year life span of the human race, according to the Jews and their duped Christians. Already in the first book of the Torah, the human race is condemned to a six thousand year lifespan. For the Jews, the first "dispensation" begins at *Genesis* 2:7, which starts the clock and begins the first 2,000 year period:

"7 And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul."

The second "dispensation" occurs at *Genesis* 2:17; 3:3-7:

"2:17 But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die. [***] 33] But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. 4 And the serpent said unto the woman, Ye shall not surely die: 5 For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods,

knowing good and evil. 6 And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat. 7 And the eyes of them both were opened, and they knew that they were naked; and they sewed fig leaves together, and made themselves aprons."

Man became like the gods, the *Elohim*, when man entered under the law, when man became aware. This caused the Jewish god to curse the leader of the *Elohim*, Samael, the Serpent, who had led man to imbibe in the law. "As Above, So Below!" In cursing Samael, the Jewish god condemned man to death, for the Jewish god created Adam out of dust and cursed him to return to dust, in *Genesis* 3:14, 19, 22-24:

"14 And the LORD God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: [***] 19 In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: for dust thou art, and unto dust shalt thou return. [***] 22 And the LORD God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever: 23 Therefore the LORD God sent him forth from the garden of Eden, to till the ground from whence he was taken. 24 So he drove out the man; and he placed at the east of the

garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life."

This begins the third 2,000 year period, the period of the expulsion from the garden, the Diaspora in which the Jews spread out over the World in order to destroy the Gentiles through subversion, only to reconstitute themselves in Palestine at the close of the Age. The Jews escaped their god's death curse when Moses accepted the Pentateuch and Oral Law at Sinai, which the Goyim refused. The Jewish god thus chose the Jews as his own again, while leaving the rest of the human race to be ruled by a treacherous Samael. The Goyim remain under the curse of death, though the Jews have been chosen to be their god's people to rest with their god in the Sabbath Millennium, and it is the duty of the Jews to exterminate the Goyim, lest their god exterminate the Jews and bless the Goyim in their stead. As things stand, the Jews believe that Samael rules the Goyim and places the sins of the Jews on the Goyim in exchange for a sacrifical goat given him once a year, the "scapegoat" which unburdens the Jews of their sins and affixes them to the cursed Gentiles.

Since the first six thousand years of creation are complete it is time for the Jewish god to rest, for the Gentiles to die out, and for the Jews to share the Sabbath Millennium with their god, as found in *Genesis* 2:2-4:

"2 And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made. 3 And God blessed the seventh day, and sanctified it: because that in it he had rested from all his work which God created and made. 4 These are the generations

of the heavens and of the earth when they were created, in the day that the LORD God made the earth and the heavens,"

The Jews' prophet Isaiah stated that the Jewish god would then create "new heaven" and a "new earth" for the "elect" and only for the "elect", the "chosen", the Jews (*Isaiah* 65:9, 17; 66:22). Christians fall into the trap of believing that this group of the "elect" means them, given that *Hebrews* 1:10-11, II *Peter* 3:13 and *Revelation* 21:22 call for the destruction of this our beloved Earth. Christians believe that they will enter a heavenly kingdom and join with Jesus in this otherwordly kingdom.

The Jews took advantage of this Christian mythology to provoke the Christians to seek their own worldly extermination, so as to begin the Sabbath Millennium. The Jews taught Christians that this seventh "dispensation", the *Kingdom*, could and would only begin when the Christians helped the Jews to destroy all Gentile government, thereby ending the reign of Gentiles and the "times of the Gentiles" (*Luke* 21:24).

The Jews have the Christians believing that Christ will not return until the Gentiles kill themselves off, restore the Jews to Palestine, build a Temple of Solomon in Jerusalem, institute a Jewish World government ruled by the Jewish king from Jerusalem, exterminate the Muslims, exterminate the Russians, etc. The Jews have the Christians believing that their god wants the Jews to have a kingdom to rule the Earth, but the Goyim are the lucky ones because they get to die and go to heaven to be with Jesus. The only path thereby for the Christians to enter the kingdom of glory is for the Goyim to exterminate themselves.

By way of deception the greatly outnumbered Jews wage war, or so says the Zohar and the Mossad. There is no more pathetically successful deception than "Christian Dispensationalism" which calls upon the Goyim to help the Jews kill off the human race in the name of Christian "love".

You have to wonder what makes tens of millions of Christians so pathetically stupid, so viciously evil and so dementedly deluded that they want to kill themselves and all other Gentiles off so as to create a Jewish paradise on Earth. The answer: the Jews.

"The Jewish Year 6000": Christian Dispensationalism Is Based Upon the Talmudic Doctrine of the Sabbath Millennium Found in Sanhedrin 97a

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Dispensationalism" is the product of Judaizing forces originating in the Rothschild family, forces which sought to pervert Christianity so as to turn it against itself, against Islam, and make it the sword and slave of Jewry. While much of this has been documented by others, I have a novel insight into the origins into of the fundamental beliefs asserted in Dispensationalism.

The Babylonian Talmud in the Tractate Sanhedrin, folio 97a, states that the World will exist for three two-thousand-year periods, the first starting with Adam's birth, followed by the Law and Abraham, followed by the age of the Messiah. These three periods totaling 6000 years end with the death of the Gentiles and the beginning of a Sabbath period for the Jews in which they, together with a devastated Earth, rest. The Talmud states, quoting from the Soncino, London, English edition:

"R. Kattina said: Six thousand years shall the world exist, and one

[thousand, the seventh], it shall be desolate, as it is written, And the Lord alone shall be exalted in that day. Abaye said: it will be desolate two [thousand], as it is said, After two days will he revive us: in the third day, he will raise us up, and we shall live in his sight.

It has been taught in accordance with R. Kattina: Just as the seventh year is one year of release in seven, so is the world: one thousand years out of seven shall be fallow, as it is written, And the Lord alone shall be exalted in that day,' and it is further said, A Psalm and song for the Sabbath day, meaning the day that is altogether Sabbath--and it is also said, For a thousand years in thy sight are but as yesterday when it is past.

The Tanna debe Eliyyahu teaches: The world is to exist six thousand years. In the first two thousand there was desolation; two thousand years the Torah flourished; and the next two thousand years is the Messianic era,"

The Judaizing subversives who crafted Dispensationalism saw in the New Testament their old Talmudic beliefs, and a means to dupe Christians into rejoicing in, insisting upon, and assisting to bring about their own final demise. The New Testament contains three passages attributed to St. Paul which reference the word "dispensation", and which the Jews misconstrued as if similar to the dispensations of two-thousand year periods found in the later Talmud, which dispensations are based on the story of six days of creation and a seventh day of rest. These NT passages are as follows: I Corinthians 9:17:

"For if I do this thing willingly, I have a reward: but if against my will, a dispensation of the gospel is committed unto me."

Ephesians 1:10:

"That in the dispensation of the fulness of times he might gather together in one all things in Christ, both which are in heaven, and which are on earth; even in him:"

Ephesians 3:2:

"If ye have heard of the dispensation of the grace of God which is given me to youward:"

The Dispensationalists caused Christians to want to destroy their own power in favor of the Jews, by misinterpreting the gospel of Luke 21:24:

"And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled."

The Dispensationalists taught Christians that rather than the accepted Christian doctrine that God would create a heavenly kingdom to replace the Gentile kingdoms, this passage meant that God through his Jewish Messiah would create a Jewish kingdom to rule the Earth from Jerusalem and that Jews remained the Chosen of God and that their covenant was still valid. These Dispensationalist Judaizers taught Christians to tear open their own throats, relish the

destruction of their Gentile monarchies, and help the Jews to kill off Catholics and Muslims so that no one would be left to oppose the Jewish takeover of Palestine and with it the World.

Read for yourself the suicidal venom the Jews injected into the blood of Christians in the 1800's. Read how the Jews taught Protestant Christians to pine away for their own ruin, to long to kill Catholics and Muslims, and to celebrate the rise of the Jewish Messiah who will slay them all:

"In connection with the first appearance of the week--on the opening page of Scripture in the narrative of the creation,--we find an exposition of its profound meaning, the moral object and end of God in its selection. It is the period that leads up to, and terminates in, the *rest of God.* We read, 'On the seventh day God ended his work which He had made, and He rested on the seventh day from all his work which He had made. And God blessed the seventh day and sanctified it, *because* that in it He had rested from all his work, which God created and made.' The same reason is assigned for the enjoined observance of the Sabbath, in the law given at Sinai: 'Six days shalt thou labour and do all thy work; but the seventh day is the sabbath of the Lord thy God, in it thou shalt not do any work. . . . for in six days the Lord made heaven and earth, the sea and all that in them is, and rested the seventh day, wherefore the Lord blessed the seventh day and hallowed it.'

The rest of God, and of man his creature, with God, in the enjoyment of the results of the work of God,--results which God Himself sees to be very good,--this the end attained, at the close of the week; this is the sabbath. This was

the creation sabbath, soon, alas! marred by sin; this shall be the redemption sabbath, when the second great work of God, the new creation in Christ Jesus, is complete. No sooner had sin destroyed the sabbath rest of creation, than the great Creator, in his invincible goodness, began to work again. 'My Father worketh hitherto, and I work,' said Christ; and such is still the case, for redemption is not yet complete, and the rest of God, and of man with God, is still future.

[***]

We must therefore briefly review *the evidence of the nearness of the end of the age* which is afforded by chronologic prophecy, and confirmed by non-chronologic predictions, and we must show, that while there is irresistible evidence to prove that the end is *near*, there are positively no data to enable us to fix on any exact year, as the probably predestined time of the consummation. According to the testimony of the sure word of prophecy, the end is *near*, but none can say how near, or determine its actual epoch.

First, then, in proof that it is *near*, let the measures ot the three dispensations be remembered, and the wide and almost universal range of the law of completion in weeks. 'Seven times' and seven times *only* are appointed as the period of Jewish degradation and dispersion. He who predicted the four hundred years affliction of the seed of Abraham at the beginning of their history, and who when those four hundred years were

fulfilled, delivered Israel from Egypt, and judged the nation which had held them in bondage, predicted later on, that for a great week of 2520 years, Gentiles should rule over and afflict the Jewish people, and that at the end of that time Gentile monarchy should be destroyed, and the kingdom restored again to Israel, in the person of their Messiah. Independent Jewish monarchy fell as we know in the Babylonish captivity, since which event the tribes of Israel have existed only in bondage or dispersion. In about forty-five years from the present time (1879 A.D.) the great week of the Times of the Gentiles will have run out, even measured from its latest possible commencing date, the final conquest of Jehoiachin by Nebuchadnezzar, B.C. 598. The great image of Gentile monarchy has but a few years longer to exist; the period of Gentile supremacy is all but ended; the great but hidden dispensational prophecy of the 'seven times' clearly teaches that we are *near* the end of the age.

[***]

And thirdly, the prediction relative to the cleansing of the sanctuary does the same. The Holy Land, the Holy City, and the site of the Temple or Sanctuary of God at Jerusalem, are to be finally 'cleansed' 2300 years from some starting point which is not exactly defined, but which appears from the prophecy to be closely connected with the restoration of Judah from Babylon; that is, Jerusalem is, after that period, to cease to be trodden down of the Gentiles, the times of the Gentiles having been fulfilled. Dated from

the earliest possible starting point, the commission given by Artaxerxes to Ezra, B.C. 457, this period expired as we have seen in l844, which was a marked epoch in the fall of that Mohammedan power which has long defiled the sanctuary and trodden down Jerusalem. But dated 145 years later, from the era of the Seleucidae, this period measured in *lunar* years expires, *seventy five years later*, in A.D. 1919. We have noted various indications in the condition of Palestine and of Israel, and in the political events of our own day which seem to indicate that the cleansing or the sanctuary and the restoration of Israel are not distant. When these shall take place, when the Moslems, now driven out of Bulgaria, shall be driven also out of Syria, when the nations of Europe, actuated it may be merely by mutual distrust and political jealousy, or it may be by higher motives, shall conspire to reinstate the Jews in the land of their forefathers, *then* the last warning bell will have rung; then the last of the unfulfilled predictions of Scripture as to events prior to the great crisis, will have received its accomplishment, then the second advent of Israel's rejected Messiah to reign in conjunction with his risen and glorified saints as King over all the earth, will be *close* at hand, then the mystery of God will be all but finished, and the manifestation of Christ immediate.* How long a time may be required to bring about this restoration of Israel--who shall say? Never within the last 1800 years has it seemed so likely as now, for never since it first arose, has Moslem power lain so low as it does at the present moment THE DESTRUCTION OF THE POWER AND INDEPENDENCE OF THE OTTOMAN EMPIRE, LIKE THE

ANNIHILATION OF THE TEMPORAL DOMINION OF THE PAPACY, SHOULD BE AS A TRUMET-BLAST TO CHRISTENDOM, PROCLAIMING THAT THE DAY OF CHRIST IS AT HAND.

[***]

It is true Israel must first be restored to Palestine; it is true the gospel must probably first be preached more widely even than it now is; it is true that 'Babylon' must first fall more completely, as far as we can judge; and it is true that these things take time. But when we consider the progress that has been made *in all these directions* during the last thirty or forty years--the elevation in the condition of the land and people of Israel, the removal of Jewish disabilities, the formation of the Universal Israelite Alliance, the exploration and survey of Palatine, the decay of the Turkish power; the increase of missions, the opening up of China, Japan, and interior Africa, the revival of evangelical truth and effort in the Protestant Church, and the consequent increase of missionary effort; the separations of Church and State and the disendowments of national Churches which have taken place; the spread of infidelity in Christendom, and the increase of open ungodliness; the overthrow of despotisms, and the establishment of democratic forms of government in their place,--we feel that supposing we are still thirty or forty yen distant from the end of the age, all that is predicted may easily come to pass in the interval. Events in our day move

rapidly, as if they too were impelled by steam, so that THE APPARENT RATE OF PROGRESS, AND THE APPARENT DISTANCE COINCIDE WELL."--H. Grattan Guinness, *The Approaching End of the Age Viewed in the Light of History, Prophecy, and Science*, Second Edition, Hodder and Stoughton, London, (1879), pp. 272-273, 471-474, 485-486.

Note that in 1878 Guinness knew that the Jews would instigate the First World War, when it would end, and what would result. That was not due to any prophetic ability, or clarity of dates found in Scripture, but rather was due to the fact that he was a spokesman for the Jews to Judaize Protestant Christianity. The dates of 1844 and 1919 appear several times in Guinness' book. 1844 was the year that the Jews exploited the Damascus Affair and the murder of Father Thomas to win themselves sympathy and power around the globe and as a cause to unite the Jews behind Zionism. 1919 was the year of the Treaty of Versailles.

Another Judaizer of Christianity, Charles Taze Russell determined in 1876 that the reign of the Gentile governments would end in 1914, which is the year World War I began, and that the Jews would then take over the world. Russell supposedly made his prediction based on Scripture, and his followers spread his Judaizing message far and wide. In an article, "Gentile Times: When Do They End?", *The Bible Examiner*, Volume 21, Number1, Whole Number 313, (October, 1876), pp. 27-28; Charles Taze Russell wrote in 1876:

"'Jerusalem shall be trodden down of the Gentiles until the times of the Gentiles are fulfilled.'--Luke 21:24.

Doubtless our Lord intended to communicate to His disciples some

knowledge, and possibly it was addressed more to the disciples in our day, than to the early church.

Let us then search what times the prophecy, which was in Christ, did signify. Of course, if it be one of the secret things of God, we cannot find out; but if a secret, why should Jesus mention it? If, on the contrary, it is revealed it *belongs* to us. Shall we guess and suppose? No: let us go to God's treasure-house; let us search the Scriptures for the key.

Jesus does not *foretell* its treading under foot of the Gentiles, as Rome had her foot upon them at that time. He does tell us, however, how long it will continue so, even the disciples thought 'that it was he which should have DELIVERED Israel.'

We believe that God has given the key. We believe He doeth nothing but he revealeth it unto His servants. Do we not find part of the key in Lev. 26:28, 33 'I, even I will chastise you seven times for your sins: . . . and I will bring your land into desolation . . . and will scatter you among the heathen.' Israel did not hearken unto the Lord, but disobeyed him, and this prophecy is now being fulfilled, and has been since the days of Zedekiah, when God said, 'Remove the diadem, take off the crown, . . . I will overturn, overturn, overturn it, . . . until He comes whose right it is, and I will give it unto Him.' Comparing these Scriptures, we learn, that God has scattered Israel for a period of seven times, or until 'he comes whose right' the Government is,

and puts an end to Gentile rule or government. This gives us a clue at least, as to how long until the Jews are delivered. Further, Nebuchadnezzar, king of Babylon, the head of gold, is recognized by God as the representative of the beast, or Gentile Governments. 'A king of kings and wheresoever the children of men dwell, the beasts of the field, and the fowls of the air, hath God given into his hand.' Dan. 2:38. God had taken the crown off Zedekiah and declared the Image, of which Nebuchadnezzar is the head, ruler of the world until the kingdom of God takes its place (smiting it on its feet); and, as this is the same time at which Israel is to be delivered, (for 'Jerusalem shall be trodden down of the Gentiles until the times of the Gentiles are fulfilled'), we here get our second clue, viz.: these two events, noted of the Scriptures of truth--'Times of Gentiles,' and 'Treading of Jerusalem,' are parallel periods, commencing at the same time and ending at the same time; and, as in the case of Israel, their degradation was to be for seven times, so with the dominion of the Image; it lasts seven times; for, when in his pride the 'Head of Gold' ignored 'The God of heaven,' the glory of that kingdom (which God gave him, as a representative of the Image,) departed, and it took on its beastly character, which lasts seven times. Dan 4:23--and, (prefigured by the personal degradation for seven years, of Nebuchadnazzar, the representative) until the time comes when they shall acknowledge, and 'give honor to the Most High, whose Kingdom is an everlasting Kingdom.' Dan 4:34: for all the ends of the earth shall remember and turn unto the Lord when He is the Governor among the nations.

Our next question naturally, is, How long are seven times? Does God in his word, furnish us any clue from which to determine the length of that period? Yes, in Revelations we learn that three and one-half times, 42 months, and 1260 prophetic days, literal years, are the same (it has for years been so accepted by the church,) and it was so fulfilled: if three and one-half times are 1260 years, seven times would be twice as much, i.e., 2520 years. At the commencement of our Christian era, 606 years of this time had passed, (70 years captivity, and 536 from Cyrus to Christ) which deducted from 2520, would show that the seven times will end in A.D. 1914; when Jerusalem shall be delivered forever, and the Jew say of the Deliverer, 'Lo, this is our God, we have waited for Him and He will save us.' When Gentile Governments shall have been dashed to pieces; when God shall have poured out of his fury upon the nation, and they acknowledge, him King of Kings and Lord of Lords.

But, some one will say, 'If the Lord intended that we should know, He would have told us plainly and distinctly how long.' But, no, brethren, He never does so. The Bible is to be a *light* to God's children;--to the world, foolishness. Many of its writings are solely for *our* edification upon whom the ends of the world are come. As well say that God should have put the gold on top instead of in the bowels of the earth it would be too common; it would lose much of its value. So with truth; but, 'to you it is given to know

the mysteries of the kingdom.

We will ask, but not now answer, another question: If the Gentile Times end in 1914, (and there are many other and clearer evidences pointing to the same time) and we are told that it shall be with fury poured out; at time of trouble such as never was before, nor ever shall be; a day of wrath, etc., how long before does the church escape? as Jesus says, 'watch, that *ye* may be accounted worthy to *escape* those things coming upon the world.'

Brethren, the taking by Christ of His Bride, is evidently, one of the first acts in the Judgment; for judgment must begin at the house of God.

***W. Philadelphia.* "**

Before the First World War, the Gentile Empires ruled most of the Earth. The Jews destroyed them in the war, and then began the Jewish Empires in America and the Soviet Union. The Second World War ruined the Imperial Japanese and the last vestiges of non-Jewish monarchy in the World. The monarchs of the World today are mostly, if not entirely, crypto-Jews. This was not done to fulfill the Christian doctrine of Luke, but rather the Jewish doctrine of David, Psalm 2:1-12:

"Why do the heathen rage, and the people imagine a vain thing? 2 The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, 3 Let us break their bands asunder, and cast away their cords from us. 4 He that sitteth in the heavens shall laugh: the Lord shall have them in derision. 5 Then shall he speak unto them

in his wrath, and vex them in his sore displeasure. 6 Yet have I set my king upon my holy hill of Zion. 7 I will declare the decree: the LORD hath said unto me, Thou art my Son; this day have I begotten thee. 8 Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. 9 Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel. 10 Be wise now therefore, O ye kings: be instructed, ye judges of the earth. 11 Serve the LORD with fear, and rejoice with trembling. 12 Kiss the Son, lest he be angry, and ye perish from the way, when his wrath is kindled but a little. Blessed are all they that put their trust in him."

Psalm 18:40-50:

"40 Thou hast also given me the necks of mine enemies; that I might destroy them that hate me. 41 They cried, but there was none to save them: even unto the LORD, but he answered them not. 42 Then did I beat them small as the dust before the wind: I did cast them out as the dirt in the streets. 43 Thou hast delivered me from the strivings of the people; and thou hast made me the head of the heathen: a people whom I have not known shall serve me. 44 As soon as they hear of me, they shall obey me: the strangers shall submit themselves unto me. 45 The strangers shall fade away, and be afraid out of their close places. 46 The LORD liveth; and blessed be my rock; and let the God of my salvation be exalted. 47 It is God that avengeth me, and subdueth

the people under me. 48 He delivereth me from mine enemies: yea, thou liftest me up above those that rise up against me: thou hast delivered me from the violent man. 49 Therefore will I give thanks unto thee, O LORD, among the heathen, and sing praises unto thy name. 50 Great deliverance giveth he to his king; and sheweth mercy to his anointed, to David, and to his seed for evermore."

Psalm 72:8-11:

"8 He shall have dominion also from sea to sea, and from the river unto the ends of the earth. 9 They that dwell in the wilderness shall bow before him; and his enemies shall lick the dust. 10 The kings of Tarshish and of the isles shall bring presents: the kings of Sheba and Seba shall offer gifts. 11 Yea, all kings shall fall down before him: all nations shall serve him."

Psalm 110:

"The LORD said unto my Lord, Sit thou at my right hand, until I make thine enemies thy footstool. 2 The LORD shall send the rod of thy strength out of Zion: rule thou in the midst of thine enemies. 3 Thy people shall be willing in the day of thy power, in the beauties of holiness from the womb of the morning: thou hast the dew of thy youth. 4 The LORD hath sworn, and will not repent, Thou art a priest for ever after the order of Melchizedek. 5 The Lord at thy right hand shall strike through kings in the day of his wrath. 6 He

shall judge among the heathen, he shall fill the places with the dead bodies; he shall wound the heads over many countries. 7 He shall drink of the brook in the way: therefore shall he lift up the head."

It was the plan of Isaiah 40:23:

"That bringeth the princes to nothing; he maketh the judges of the earth as vanity."

Isaiah 49:7:

"Thus saith HaShem, the Redeemer of Israel, his Holy One, to him who is despised of men, to him who is abhorred of nations, to a servant of rulers: kings shall see and arise, princes, and they shall prostrate themselves; because of HaShem that is faithful, even the Holy One of Israel, who hath chosen thee. [Masoretic Text Version of the Jewish Publication Society]"

Isaiah 49:23:

"And kings shall be thy nursing fathers, and their queens thy nursing mothers: they shall bow down to thee with their face toward the earth, and lick up the dust of thy feet; and thou shalt know that I am the LORD: for they shall not be ashamed that wait for me."

Isaiah 60:12:

"For the nation and kingdom that will not serve thee shall perish; yea, those nations shall be utterly wasted."

But as bad as were the Judaizers of the 19th Century, and as horrific as were the wars of the 20th Century which the Judaizers conspired to bring about; the Judaizers of the 20th Century were worse and more bold in their injection of Talmudic and Cabalistic dogma into Christianity. British Israelitists David Davidson and Herbert Aldersmith wrote in 1924 that the World would come to an end in September of 2001, and then the Sabbath Millennium would begin:

"Both systems–Hebrew and Pyramid–relate to a period of six millenaries. [*Footnote in the original:* Preceding the 'Sabbath of rest for the people of God,' the seventh millenary (Heb. iv, 1-11, and 2 Pet. iii, 8).] Both systems emphasize that the central date of this period forms a definite epoch central to all the chronological periods of God's creation as relating to the application of His Law to mankind. In both cases, again, the dates are the same in relation to modern chronology.

The Pyramid, as shown on Plate LXII, Fig. A, represents an initial sacred cycle of 2520 years ending at 6000 A.K.=2001¾ A.D. [***] Another matter established by modern prophecy exposition is that the period of 7 times is defined as having stages of chronological beginnings and corresponding stages of chronological endings. Thus Guinness ('Approaching End of the Age') state:--

'The majestic movements of Providence and of history demand time; empires do not rise and fall in a day; and the omniscient God takes note of the comparatively insignificant *beginning* of a mighty movement as of its climax. . . . Hence the propriety of indicating various dates of rise and fall' (p. 372).

Now, if seven times be the appointed duration of the Times of the Gentiles, we may expect to find, after an interval of 2520 years from this *Jewish captivity era*, a corresponding time of the end, a period of similar decline and fall, overthrow and decadence, of the last form or forms of *Gentile ruling power*, ushering in the close of the dispensation, the restoration of Israel, and the kingdom of the Messiah the Son of David' (p. 354).

"--D. Davidson, H. Aldersmith, 'The great pyramid, its divine message : an original co-ordination of historical documents and archaeological evidences, (1924), pp. 364-365. See also page 385.

The Judaizers cited the New Testament works as if they supported their apocalyptic Talmudic and Cabalistic doctrines, Hebrews 4:1-11:

"Let us therefore fear, lest, a promise being left us of entering into his rest, any of you should seem to come short of it. 2 For unto us was the gospel preached, as well as unto them: but the word preached did not profit them, not being mixed with faith in them that heard it. 3 For we which have

believed do enter into rest, as he said, As I have sworn in my wrath, if they shall enter into my rest: although the works were finished from the foundation of the world. 4 For he spake in a certain place of the seventh day on this wise, And God did rest the seventh day from all his works. 5 And in this place again, If they shall enter into my rest. 6 Seeing therefore it remaineth that some must enter therein, and they to whom it was first preached entered not in because of unbelief: 7 Again, he limiteth a certain day, saying in David, To day, after so long a time; as it is said, To day if ye will hear his voice, harden not your hearts. 8 For if Jesus had given them rest, then would he not afterward have spoken of another day. 9 There remaineth therefore a rest to the people of God. 10 For he that is entered into his rest, he also hath ceased from his own works, as God did from his. 11 Let us labour therefore to enter into that rest, lest any man fall after the same example of unbelief."

and II Peter 3:8:

"But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day."

These words were cited to lure Christians into believing that it was God's will that the World end in 2001 so that the Earth could enter Sabbath rest for 1,000 years. These Judaizers demanded that Christians help the Jews to steal Palestine, while pretending to oppose the Jews, on the false premise that God had willed it to be so and so it must be.

Christians who have been so Judaized are helping the Jews to bring about the destruction of all human life. We must awaken them to the fact that the Jews created these false dogmas, which first appeared not in the New Testament, but in the subsequent Talmud and Cabalah of the Jews, which iterate those doctrines Christ condemned as the traditions of the Pharisees.

The Jewish Year 6000 in British Israelism and Christian Identity. . . and Freemasonry

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It is no coincidence that Jewish created "British Israelism" and "Christianity Identity", and Jewish Cabalists teach that the end of time began on 17 September 2001. It is also no coincidence that the Jews conducted a false flag attack on America on 11 September 2001 to hasten their plans for the destruction of humanity beginning on the Jewish Year 6000, which begins their planned Sabbath millennium for the Earth:

http://www.jordanmaxwell.com/articles/british-israel/british-israel-2.htm

It is also no coincidence that the Jewish controlled Freemasons use the same *Anno Lucis* calender, the very name of which stinks of Cabalah.

Smoking Gun Evidence of Jewish Wars Against Russia

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

On 5 June 1916, on page 6, in an article entitled, "Jacob Schiff Quits Jewish Movements", the *New York Times* quoted Rothschild agent and Jewish banker Jacob Schiff's own statement that he had blocked Russia's access to the money markets during several of Russia's wars, wars which the Jews had caused,

"I, who have for twenty-five years singlehanded struggled against the invasion of the Russian Government into American money markets, and to this day stave them off."

There was nothing new about the Jewish campaign to destroy Russia with war and by blocking Russia's access to loan capital. Major Osman Bey wrote in his book *The Conquest of the World by the Jews: An Historical and Ethnical Essay*, St. Louis Book & News Company, St. Louis,

(1878), p. 55:

"Yet the Jews hate the Russians because so far they have not succeeded in obtaining such a powerful influence in their country, as it has been shown that they possess in England; and therefore the following cablegram, received in the United States, March 29, 1878, from abroad, will explain itself. Here it is:

'Russia's pecuniary troubles increase every day. It is said, that all the Hebrew bankers in London and on the continent have agreed not only to refuse to lend Russia any money, but to prevent the success of any loan she may put on the market. *England, on the contrary, can command practically endless supplies of the sinews of war!*'"

For more on Schiff and the Rothschilds' campaign to destroy Russia, a murderous campaign that claimed tens of millions of innocent Gentile lives, see my blog of 29 January 2008:

The Genocidal Jewish Supremacist Jacob H. SCHIFF, January 29, 2008

These families, and the Jewish People who were led by them and who profited from their criminal actions, exist today. Why have the Russians, the Ukrainians and Poles never sought reparations from the Jews for these crimes against humanity? Why do we Americans not seek damages from the bankers who are today stealing trillions of our dollars?

For Ostriches Who Still Deny that Bankers and Jews Are Behind Communism, Wipe the Sand from Your Eyes and Take a Look at Barack Obama

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have documented Barack Obama's ties to the bankers in two videos:

Obama and the Bankers: Part 2

http://www.liveleak.com/view?i=286_1240244547

The following is a transcript of the second video:

Exodus 12:35-36 (CEV)

"The Israelites had already done what Moses had told them to do. They had gone to their Egyptian neighbors and asked for gold and silver and for clothes. The LORD had made the Egyptians friendly toward the people of Israel, and they gave them whatever they asked for. In this way they carried away the wealth of the Egyptians when they left Egypt."

A Brief Recap

of

Part One

of

"Obama and the Bankers"

Peter Gosselin Fitzgerald is the Senator who preceded Obama. Fitzgerald is a banker and a banker's son. Though a quite popular Senator, Fitzgerald did not run for reelection, which made room for Barack Obama.

Blair Hull was the founder and CEO of Hull Group, which sold to Goldman Sachs for over 500 million dollars. Hull was the frontrunner in the Democratic Primary against Obama to fill Fitzgerald's seat. A Chicago Tribune report related to Hull's divorce proceedings destroyed Hull's campaign. The ensuing scandal resulted in an easy victory for Obama in the Democratic Primary for the US Senate. Influential Jewish power broker David Axelrod was the chief strategist for Barack Obama's campaigns. Axelrod is a former Chicago Tribune employee. He is believed by some to have leaked the Hull story, though Axelrod denies it.

Jack Ryan won the Republican Primary to fill Fitzgerald's seat. Ryan is an investment banker and former partner at Goldman Sachs. Ryan dropped out of the race because the Chicago Tribune sought to unseal Ryan's divorce proceedings and make them public. The ensuing scandal ensured Obama an easy victory in the general election for the US Senate.

The Republican Party chose Alan Keyes to replace Ryan against Obama in the general election for US Senate. Keyes is an old friend of Jewish neo-Conservative William Kristol. Keyes embarrassed himself in the race ensuring an easy victory for Obama.

Jewish neo-Conservative William Kristol supported Christian Zionist Sarah Palin to be McCain's running mate in the presidential election against Obama. Palin badly embarrassed herself in the race against Obama ensuring an easy victory for Obama. Note that Palin lost the race for McCain when she embarrassed herself in an interview with Katie Couric, whose mother was a Jew. Palin was lampooned on Saturday Night Live, which was headed by Lorne Michaels (born Lorne David Lipowitz) and Seth Adam Myers, both Jews.

Goldman Sachs, a very old Jewish firm, was the leading contributor to Obama's presidential campaign. Obama was also heavily supported by numerous other banking institutions and by Wall Street.

Obama has since stolen trillions of taxpayer dollars and given them to the Jews.

Deuteronomy 15:6 (KJV)

". . . thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee."

Deuteronomy 23:19-20 (KJV)

"Thou shalt not lend upon usury to thy brother; usury of money, usury of victuals, usury of any thing that is lent upon usury: Unto a stranger thou

mayest lend upon usury; but unto thy brother thou shalt not lend upon usury: that the LORD thy God may bless thee in all that thou settest thine hand to in the land whither thou goest to possess it."

Deuteronomy 28:12-13 (KJV)

". . . thou shalt lend unto many nations, and thou shalt not borrow. And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath;"

Deuteronomy 7:6 (KJV)

"For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

Jews, Bankers

and/or

Financiers

in and around

the Obama government

Rahm Emanuel, Jew

Chief of Staff for Obama. Investment banker. Son of former Irgun (a Jewish terrorist organization) member. Volunteered for service for the Israeli Defense Forces. Close friend of David Axelrod.

David Axelrod, Jew

Senior Advisor to the President. Chief political advisor in Obama's campaigns. Once worked for The Chicago Tribune. Close friend of Rahm Emanuel.

Stephen Friedman, Jew

Chairman of the United States President's Foreign Intelligence Advisory Board. Former Chairman of Goldman Sachs.

Robert Rubin, Jew

Economic Advisor to Obama. Once Co-Chairman and CoSenior Partner of Goldman Sachs. Worked for Citigroup, a top contributor to Obama's campaign. Former US Secretary of the Treasury.

Henry Paulson

Secretary of the Treasury when Obama took office. Former CEO of Goldman Sachs. Supported by Obama.

Neel Kashkari

Interim Assistant Secretary of the Treasury for Financial Stability in the United States Department of the Treasury. Former Vice President at Goldman Sachs.

Warren Buffet

Strong supporter and friend of Obama. CEO of Berkshire Hathaway which invested in Goldman Sachs. At one time held the dubious title of "Richest Man in the World".

Paul Volcker, Jew

Chairman of the Economic Recovery Advisory Board, which includes the Jews Penny Pritzker and Martin Feldstein. Former Chairman of the Federal Reserve. Worked for Chase Manhattan Bank. Worked for J. Rothschild, Wolfensohn & Co., which was headed by the Jew James D. Wolfensohn, who was to become President of the World Bank.

Timothy Geithner, Jew

US Secretary of the Treasury. Former President of the Federal Reserve Bank of New York. Worked for Kissinger and Associates. Protégé of the Jews Larry Summers and Robert Rubin.

I neglected to add Mark Patterson to the video:

Since making these videos, the Obama government has increased its share of Jews and bankers.

When we look to the Jewish takeover of Russia in 1917, we should examine the first acts the Jews and/or bankers took to ruin Russia and steal its wealth, in order to establish a pattern of behavior which the Jews and/or bankers are repeating in America. It is important to recall the Red Terror in order to know our fate if we fail to counter the Jewish offensive against us.

In the 19th Century, the Jews repeatedly brought Russia into war with Turkey, while depriving it of loan capital. Major Osman Bey wrote in his book *The Conquest of the World by the Jews: An Historical and Ethnical Essay*, St. Louis Book & News Company, St. Louis, (1878), p. 55:

"Yet the Jews hate the Russians because so far they have not succeeded in obtaining such a powerful influence in their country, as it has been shown that they possess in England; and therefore the following cablegram,

received in the United States, March 29, 1878, from abroad, will explain itself. Here it is:

'Russia's pecuniary troubles increase every day. It is said, that all the Hebrew bankers in London and on the continent have agreed not only to refuse to lend Russia any money, but to prevent the success of any loan she may put on the market. *England, on the contrary, can command practically endless supplies of the sinews of war!*'"

The Rothschilds, through Disraeli and others, brought Russia and Turkey into conflict. The Jews then brought Russia into conflict with Japan, and again financed Japan while cutting off Russia's access to the money markets. I documented this fact in my blog of 29 January 2008:

The Genocidal Jewish Supremacist Jacob H. SCHIFF, January 29, 2008

The Jews then brought Russia into war with Germany by forming and fomenting Pan-German and Pan-Russian mythologies. Yet again, the Jews cut off Russia from loan capital and brought the economy of Russia into ruins through strikes and other sabotage, and by ruining Russia's reputation by means of the Jewish controlled press and politicians. The Jews turned the Russian People against the Czar who was trying to save them from the Jews, by blaming the Czar for the economic and war woes the Jews were in fact deliberately causing the Russians. The banker backed Jewish revolutionaries baited the Russians with promises of land and debt forgiveness, then turned the Russians into slaves to work the land and denied the Russians any credit. The Jews then stole the gold and other wealth of Russia and sent it back to the Jewish bankers. The

Jews killed off the Russian intelligentsia, then filled all positions of power and influence in Russian society with Jews, claiming that there were no Russian capable of filling these positions, but failing to mention that the Jews had mass murdered Russia's best Gentiles in the tens of millions. The Jews made it illegal to criticize Jews.

The Jews have Bolshevized America in a very similar way. They have bankrupted us with endless wars for Jewish causes. They have deliberately led Gentiles away from the professions and higher education, in effect destroying the Gentile intelligentsia. They Jews have deliberately destroyed America's manufacturing base and our general economy. They have groomed and installed their puppet, Barack Obama, who has since stolen the wealth of America and given it to the bankers. Obama has filled the government with Jews, the government which was already top heavy with Jews from previous Jewish owned administrations. The Jewish controlled government is enacting Jewish laws making it illegal to criticize Jews as an aggravating offense.

The Jews control both Capitalism and Communism and use both to steal the wealth of the Gentiles, destroy their nations and lead them into debt slavery and then absolute slavery.

I sincerely wish more attention were paid to Obama's ties to the bankers than to his birth records and other issues. The issues of Obama's theft of taxpayer money to line the pockets of the bankers who put him in office shines a spotlight of scrutiny directly on the sworn enemies of the human race.

Judaism's Shape-Shifting Reptilians and Extra-Terrestrial Fornicators

Judaism teaches that beings not of this Earth have sexual relations with human beings. Beginning with the Torah, the Jews believe that Eve had sexual relations with Samael, the serpent, usually referred to as "Satan", a being not of this Earth, but rather an angel or god. The product of this union was Cain, who slew Abel. The Torah, at *Genesis* 3:14-15, states:

"14 And the LORD God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: 15 And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel."

The Jews take this to mean that the Serpent seduced Eve and she bore Cain. The Babylonian Talmud, Tractate Yebamoth, folio 103b, states:

"For R. Johanan stated: When the serpent copulated with Eve, he infused her with lust. The lust of the Israelites who stood at Mount Sinai, came to an

end, the lust of the idolaters who did not stand at Mount Sinai did not come to an end."

The Babylonian Talmud, Tractate Abodah Zarah, folio 22b, states:

"Heathens prefer the cattle of Israelites to their own wives, for R. Johanan said: When the serpent came unto Eve he infused filthy lust into her. If that be so [the same should apply] also to Israel! — When Israel stood at Sinai that lust was eliminated, but the lust of idolaters, who did not stand at Sinai, did not cease."

The Babylonian Talmud, Tractate Shabbath, folio 145b-146a, states:

"Why are idolaters lustful? Because they did not stand at Mount Sinai. For when the serpent came upon Eve he injected a lust into her: [as for] the Israelites who stood at Mount Sinai, their lustfulness departed; the idolaters, who did not stand at Mount Sinai, their lustfulness did not depart."

The Jewish Cabalah in the *Zohar*, Volume 1, page 28b (see items 5 and 12, "5. UNCLEAN" and "12. CHILDREN OF THE DEVIL", also states that Eve fornicated with Satan:

"Now the serpent was more subtle than any beast of the field, etc. (Genes. III, 1.) 'More subtle' that is towards evil; 'than all beasts' that is, the idolatrous people of the earth. For they are the children of the ancient serpent which seduced Eve."

The *Zohar*, I, 28b-29a, states:

"At that time the mixed multitude shall pass away from the world [***] The mixed multitude are the impurity which the serpent injected into Eve. From this impurity came forth Cain, who killed Abel. [***] for they are the seed of Amalek, of whom it is said, 'thou shalt blot out the memory of Amalek' [***] Various impurities are mingled in the composition of Israel, like animals among men. One kind is from the side of the serpent; another from the side of the Gentiles, who are compared to the beasts of the field; another from the mazikin (goblins), for the souls [29a] of the wicked are literally the mazikin (goblins) of the world; and there is an impurity from the side of the demons and evil spirits; and there is none so cursed among them as Amalek, who is the evil serpent, the 'strange god'. He is the cause of all unchastity and murder, and his twin-soul is the poison of idolatry, the two together being called Samael (lit. poison-god). There is more than one Samael, and they are not all equal, but this side of the serpent is accursed above all of them."--H. Sperling and M. Simon, *The Zohar*, Volume 1, The Soncino Press, New York, (1933), pp. 108-110.

The *Zohar* I, 47a, states:

"SAID Rabbi Abba: 'Nephesh hahaya' (living soul) truly denote the souls of Israel. They are the children of the Holy One and holy in his sight, but the

souls of the heathen and idolatrous nations whence come they?'

Said Rabbi Eleazar: 'They emanate from the left side of the sephirotic tree of life, which is the side of impurity, and therefore they defile all that come into contact with them. It is written, 'Let the earth bring forth the living creature after his kind, and creeping thing and beast of the earth after his kind' (Gen. 1-24). Wherefore does the word 'lemina' (after his kind) occur twice? It is to confirm what has lust been stated, that the souls of Israel are pure and holy, but the souls of the heathen being impure and unholy are symbolized by the creeping thing and beast of the earth, and therefore, like the foresaken in circumcision, are cut off."--N. De Manhar, *Zohar: Bereshith—Genesis: An Expository Translation from Hebrew*, Third Revised Edition, Wizards Bookshelf, San Diego, (1995), p. 203.

The Jewish belief that the union of Eve and Satan produced Cain is specifically stated in the Jewish *Jalkut Chadash,* Folio 3, Column 3, number 12 and Folio 4, column 4, numbers 43 and 52 (*Cf.* J. Eisenmenger, J. A. Eisenmenger, *The Traditions of the Jews, Contained in the Talmud and other Mystical Writings*, Volume 1, J. Robinson, London, (1748), pp. 197-198).

The Jews believe that they were cleansed of Satan's blood, the "impurity", when Moses received the Law at Sinai, which was supposedly offered to the Gentiles, who supposedly rejected it. The Jews use this mythology as a basis for their belief that they are obliged to exterminate the Gentiles, the Satanic children of Cain/Esau/Amalek/Haman. Since the Jews have always wanted to exterminate the human race, they created this mythology as a justification and in this

myth called the Gentiles Satanic. As the Jews say, "If you want to drown a dog, first claim it is rabid/mad."

The Jews also believe that Cain's descendants met up with the "two chiefs" who became shape-shifting serpents that sleep with the descendants of Cain, which is to say with the Goyim, whom the Jews are planning to exterminate. The *Zohar* states:

"When Cain was banished from the face of the earth, he descended into that land and there propagated his kind. That earth consists of two sections, one enveloped in light, the other in darkness, and there are two chiefs, one ruling over the light, the other over the darkness. These two chiefs were at perpetual war with each other, until the time of Cain's arrival, when they joined together and made peace; and therefore they are now one body with two heads. These two chiefs were named *Afrira* and *Kastimon*. They, moreover, bear the likeness of holy angels, having six wings. One of them had the face of an ox and the other that of an eagle. But when they became united they assumed the image of man. In time of darkness they change into the form of a two-headed serpent, and crawl like a serpent, and swoop into the abyss, and bathe in the great sea. When they reach the abode of 'Uzza and 'Azael they stir them up and rouse them. These then leap into the dark mountains, thinking that their day of judgement has come before the Holy One, blessed be His Name. The two chiefs then swim about in the great sea, and when night comes they fly off to Na'amah, the mother of the demons

(*shedim*), by whom the first saints were seduced; but when they think to approach her she leaps away six thousand parasangs, and assumes all shapes and forms in the midst of the sons of men, so that the sons of men may be led astray after her. These two chiefs then fly about through the world, and return to their abode, where they arouse the sensual desires in the descendants of Cain to bear children."–*The Zohar*, Volume 1, Prologue, I, folio 9b, Soncino, London, (1933), pp. 39-40.

Compare this Cabalistic story to that of Edward Bulwer-Lytton in *The Coming Race*.

Returning to the Torah, it states that angels came down to Earth and slept with human beings.

Genesis 6:1-5 states:

"1 And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, 2 That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. 3 And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years. 4 There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown. 5 And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually."

The Torah continues in *Numbers* 13:28, 32-33, which states:

"28 Nevertheless the people be strong that dwell in the land, and the cities are walled, and very great: and moreover we saw the children of Anak there. [***] 32 And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to search it, is a land that eateth up the inhabitants thereof; and all the people that we saw in it are men of a great stature. 33 And there we saw the giants, the sons of Anak, which come of the giants: and we were in our own sight as grasshoppers, and so we were in their sight."

The ancient Jewish book of I *Enoch* also tells such stories.

I have to laugh when the alphabet Jewish organizations call those who speak of mythological shape-shifting reptiles and beings from outside the Earth having sexual relations with human beings, "anti-Semitic", because these beliefs find their origins in Judaism, and the Jews believe these very things and believe that the Gentiles must be exterminated because they are the products of such unions. It is alright for the Jews to condemn the Gentiles to death based upon these, their hateful, racist and genocidal Jewish mythologies, but the Gentiles dare not ever utter such things themselves.

Time to Clean House: The Coming Midterm Elections

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

On 2 November 2010, we have the opportunity to seize control of the Congress. The midterm elections also provide us with an opportunity to take over the majority of the States in the gubernatorial elections.

Time is running out to take advantage of these opportunities. The Jews are distracting us by drawing all of our attention to Barack Obama. As I stated in my blog of 8 June 2009, we should not lose sight of the Congress:

With Obama Constantly in the Spotlight, It Is Important Not to Lose Sight of the Treachery of the Congress, June 08, 2009

"We have a tendency to use most of our resources exposing the criminal treachery of the President, while largely ignoring the treachery of the Congress, especially on the level of individual members. This is a mistake for several reasons.

The Congress will have the power to declare war on Iran and oblige the President to fight that war. The Congress will also assume the power to delegate that authority to the President and short circuit the Constitution and thereby deny the rights of the American People to representation. Members of the Congress are more frequently elected in the election cycle and therefore it is easier to change the complexion of Congress as a whole and send signals to Congress than to the President, thereby making the Congress more easily influenced than the Presidency. Congress has the power of impeachment and can hamstring or remove the President with this power. Congress is more easily and effectively reached and more effective to lobby than the Presidency. Individual members of Congress are easier to defeat in elections with pooled resources than is a Presidential candidate. Etc. Etc. Etc.

It will be the Congress that will hold hearings on the banks. It was the Congress that enabled the President to steal trillions of dollars from the American taxpayer and hand it over to the Jews. It was the Congress that together with the President helped the Jews to destroy the American automobile industry. It is the Congress that has passed legislation meant to

strip of us of our fundamental rights, which the Jewish controlled President will eagerly sign.

We are foolish to neglect the crimes of the Congress and to miss the opportunity to seize control of the State by criticizing and replacing the current Congress. We are more likely to elect at least one person to Congress than to win the White House, and one voice in the Congress can stir the American People to action.

There ought to be at least one sophisticated web site that records the votes, speeches and actions of the individual members of Congress as they relate to the Jews and the fifth column of traitors who sponsor Jewish crimes against America and the World. The Jews never neglect to focus on the Congress, and neither should we. We can put tremendous pressure on these politicians by focusing attention directly at them both individually and collectively and we can replace them in the election cycle."

Beware, the *Gustav Siegfried Eins* (GS1) COINTELPRO-style operation is in full swing to prevent any grassroots resistance to the Jews from forming at this time when we need to focus on taking political control over our nation. The coming elections afford us the opportunity to do so. If the same effort expended on the CIA/British Intelligence soap operas flaring up across the internet were instead devoted to real and productive issues that shape our destiny, we could win several elections and enter our voice into the public discourse.

Life forms which do not attend to their own survival, perish, forever.

The Jewish Plan to Pit Christians and Muslims Against One Another in Order to Leave the Jews Standing in Jerusalem: The Four Empires at Perpetual War

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

According to their own accounts, the Jews destroyed four great empires of the ancient world, by pitting them one against the other, and each against itself. The Jews have repeated this process over and over again and plan to continue to pit these and all other empires against each other, and to cause internal conflicts in each, until the Gentiles exterminate themselves and only Jews are left alive on Earth.

In 1812, Rabbi Crooll revealed in plain terms the Jewish plans to pit Europe against Islam, which became the First World War, then the Second World War, and which is about to become the Third World War. Note that Crooll expressly states that the wars the Jews deliberately cause the Gentiles to fight amongst themselves will continue until the Gentiles are completely consumed by one another at the instigation of the Jews. Note that I have been predicting that

pan-Turkism / pan-Turanianism is being used to spark the Third World War and this was stated as a Jewish plan by Crooll in 1812. The "Battle of Armageddon" will have at least three phases, and in 1812, a full century before the First World War, Crooll specified that, "this battle must be considered as the battle of the whole world". Crooll wrote,

"It pleased God to shew to Nebuchadnezzar in a dream what should come to pass until the coming of the Messiah, and that there should be four empires until that time. The first of these four was the head of fine gold; this was *Nebuchadnezzar, or Babylon*. The second was the breast and arms of silver; this was to be *Persia and Media*. The third was *Greece, or* his belly and thighs of brass; this was *Alexander the Great*. The fourth was the iron legs; which represented the *Romans*. This last was to be divided in process of time, that is, his feet, part of iron and part of clay.

[***]

***The four Empires were shewn to Abraham*. And he said to Abraham, Take an heifer, of three years old, and a she-goat of three years old, and a ram of three years old, and a turtle-dove, and a young pigeon: and he divided them in the midst, but the bird divided he not. And when the sun was going down, a deep sleep fell upon Abraham; and lo, an horror of great darkness fell upon him. Gen. xv. 9. 12. In the shape of an heifer, Abraham saw *Babylon*: in the shape of a she-, he saw *Persia and Media*: in the shape of a ram, he saw *Alexander the Great*: in the shape of a turtle he saw the *Romans*: in the**

shape of a bird, he saw his family of *Israel*.

When Abraham observed the miserable state of his family, their long captivity, their great sufferings under the power of these four Empires, he thought to himself, how is it possible for them to bear so long a captivity? But when he saw that it must be so, he took them and cut each of them into two pieces, and laid one piece against the other. The farther to relieve, in some measure, his family, he divided them, that is, he weakened their strength and power, by setting each piece against the other: that these four empires should be always one against the other, and they never should be quiet, but always fighting the one against the other; by so doing the Gentiles will fight one against the other, they now and then will forget Israel, and sometimes they will have no time to meditate against them; this will, in some degree, save them from utter destruction. But did Abraham despair of his family to remain in that miserable state for ever? no, by no means, for Abraham was comforted by his God by a great promise. The Lord said to Abraham, I have given thee a token already, that as well as I have cast down before thee four kings, even so will I do to thy seed in due time, and as well as these four Empires now fell before thee, even their seed that shall be the four Empires in the latter days shall also fall by thy son Shiloh. Thus far we have found notified in the great drawing, which was ordained and established before the world was created.

[***]

Just a little before the restoration of Israel, some of the *European* powers will declare war against *Turkey;* they will prosper, and take *Constantinople;* the Turks will fly to Egypt; the Europeans will follow them even into Egypt; there all the Turks will assemble to give battle; the contest will be dreadful, the Europeans will gain the victory; but those that will be slain on both sides will be innumerable. From thence the Europeans will march into the Holy Land, which they will also take without opposition. The great success of the Europeans in *Africa* and *Asia*, will make a great noise in all parts of Asia. The nations in the east of Asia, will assemble like one man, as well as the nations in the north; and both armies will appoint *Gog* to be the head and leader of them all. They will all be of the *Mahometan* religion, and one motive of their coming will be to relieve their brethren the Turks; the second motive, the fear of the European powers, lest they should subdue all Asia; their march is described in Ezekiel xxxviii. The march of Gog and his army will spread abroad, and the report of it will come to the ears of Europeans. Of this march the prophet Daniel also took notice, as it is written: But tidings out of the east and out of the north shall trouble him; that is meant the head of the Europeans: therefore he shall go forth with great fury to destroy, and utterly to make away many, that is, he shall go forth to fight Gog and his army. And he shall plant the tabernacles of his palaces between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him. Dan xi. 44, 45. Further, we remark, that in the above sixteen

verses it is mentioned, that some of those nations shall be circumcised, and some uncircumcised, and those nations of circumcision we know are all Mahometans. And this battle must be considered as the battle of the whole world, i. e. of the end of the four empires."--Rabbi Joseph Crooll, *The Restoration of Israel*, London, (1812/1814), pp. 19, 55-56, 92.

Legend has it that Sultan Abdul Hamid II dreamt that Christians would take over the Turkish Empire and with it Islam, and that this was what initially led to the Holocaust of Armenian, Greek and Assyrian Christians in 1894. I suspect that the Jews were whispering in the Sultan's ear that the Christian missionaries were spies and that Europe would take over his Empire. The Jews did this in order to provoke the Sultan against Christians, and Christians against the Sultan in retaliation, just as Daniel had interpreted Nebuchadnezzar's dream. Indeed, there were many crypto-Jewish "Christian Missionaries" working for the Jews through Britain and other nations trying to provoke the world war the Jews had planned centuries ago (see, for example: *The Zohar*, Volume 3, Shemoth, 8a-8b, Soncino, London, (1933), p. 23; and long before that, *Ezekiel*, chapters 36-39).

The "Four Empires" have come to mean different things for different Jews at different periods in the Jews' perpetual war on humanity. Rome has become Christianity, which was also made of iron and clay, split by the Jews into numerous Protestant sects which serve Jewish interests. Greece became Western Civilization, then the Byzantine Empire, which then, through Jewish intrigues, became the Ottoman Empire. Today, the Jews have attacked Babylon, Iraq, by pitting Europe (including America) against Islam, and will soon attack Persia and Media, Iran and

Turkey.

For the convenience of the reader, I am including here *Daniel*, Chapter 2:

"1 And in the second year of the reign of Nebuchadnezzar Nebuchadnezzar dreamed dreams, wherewith his spirit was troubled, and his sleep brake from him.

2 Then the king commanded to call the magicians, and the astrologers, and the sorcerers, and the Chaldeans, for to shew the king his dreams. So they came and stood before the king.

3 And the king said unto them, I have dreamed a dream, and my spirit was troubled to know the dream.

4 Then spake the Chaldeans to the king in Syriack, O king, live for ever: tell thy servants the dream, and we will shew the interpretation.

5 The king answered and said to the Chaldeans, The thing is gone from me: if ye will not make known unto me the dream, with the interpretation thereof, ye shall be cut in pieces, and your houses shall be made a dunghill.

6 But if ye shew the dream, and the interpretation thereof, ye shall receive of me gifts and rewards and great honour: therefore shew me the dream, and the interpretation thereof.

7 They answered again and said, Let the king tell his servants the dream, and

we will shew the interpretation of it.

8 The king answered and said, I know of certainty that ye would gain the time, because ye see the thing is gone from me.

9 But if ye will not make known unto me the dream, there is but one decree for you: for ye have prepared lying and corrupt words to speak before me, till the time be changed: therefore tell me the dream, and I shall know that ye can shew me the interpretation thereof.

10 The Chaldeans answered before the king, and said, There is not a man upon the earth that can shew the king's matter: therefore there is no king, lord, nor ruler, that asked such things at any magician, or astrologer, or Chaldean.

11 And it is a rare thing that the king requireth, and there is none other that can shew it before the king, except the gods, whose dwelling is not with flesh.

12 For this cause the king was angry and very furious, and commanded to destroy all the wise men of Babylon.

13 And the decree went forth that the wise men should be slain; and they sought Daniel and his fellows to be slain.

14 Then Daniel answered with counsel and wisdom to Arioch the captain of the king's guard, which was gone forth to slay the wise men of Babylon:

15 He answered and said to Arioch the king's captain, Why is the decree so

hasty from the king? Then Arioch made the thing known to Daniel.

16 Then Daniel went in, and desired of the king that he would give him time, and that he would shew the king the interpretation.

17 Then Daniel went to his house, and made the thing known to Hananiah, Mishael, and Azariah, his companions:

18 That they would desire mercies of the God of heaven concerning this secret; that Daniel and his fellows should not perish with the rest of the wise men of Babylon.

19 Then was the secret revealed unto Daniel in a night vision. Then Daniel blessed the God of heaven.

20 Daniel answered and said, Blessed be the name of God for ever and ever: for wisdom and might are his:

21 And he changeth the times and the seasons: he removeth kings, and setteth up kings: he giveth wisdom unto the wise, and knowledge to them that know understanding:

22 He revealeth the deep and secret things: he knoweth what is in the darkness, and the light dwelleth with him.

23 I thank thee, and praise thee, O thou God of my fathers, who hast given me wisdom and might, and hast made known unto me now what we desired

of thee: for thou hast now made known unto us the king's matter.

24 Therefore Daniel went in unto Arioch, whom the king had ordained to destroy the wise men of Babylon: he went and said thus unto him; Destroy not the wise men of Babylon: bring me in before the king, and I will shew unto the king the interpretation.

25 Then Arioch brought in Daniel before the king in haste and said thus unto him, I have found a man of the captives of Judah, that will make known unto the king the interpretation.

26 The king answered and said to Daniel, whose name was Belteshazzar, Art thou able to make known unto me the dream which I have seen, and the interpretation thereof?

27 Daniel answered in the presence of the king, and said, The secret which the king hath demanded cannot the wise men, the astrologers, the magicians, the soothsayers, shew unto the king;

28 But there is a God in heaven that revealeth secrets, and maketh known to the king Nebuchadnezzar what shall be in the latter days. Thy dream, and the visions of thy head upon thy bed, are these;

29 As for thee, O king, thy thoughts came into thy mind upon thy bed, what should come to pass hereafter: and he that revealeth secrets maketh known to thee what shall come to pass.

30 But as for me, this secret is not revealed to me for any wisdom that I have more than any living, but for their sakes that shall make known the interpretation to the king, and that thou mightest know the thoughts of thy heart.

31 Thou, O king, sawest, and behold a great image. This great image, whose brightness was excellent, stood before thee; and the form thereof was terrible.

32 This image's head was of fine gold, his breast and his arms of silver, his belly and his thighs of brass,

33 His legs of iron, his feet part of iron and part of clay.

34 Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces.

35 Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshingfloors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth.

36 This is the dream; and we will tell the interpretation thereof before the king.

37 Thou, O king, art a king of kings: for the God of heaven hath given thee a

kingdom, power, and strength, and glory.

38 And wheresoever the children of men dwell, the beasts of the field and the fowls of the heaven hath he given into thine hand, and hath made thee ruler over them all. Thou art this head of gold.

39 And after thee shall arise another kingdom inferior to thee, and another third kingdom of brass, which shall bear rule over all the earth.

40 And the fourth kingdom shall be strong as iron: forasmuch as iron breaketh in pieces and subdueth all things: and as iron that breaketh all these, shall it break in pieces and bruise.

41 And whereas thou sawest the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay.

42 And as the toes of the feet were part of iron, and part of clay, so the kingdom shall be partly strong, and partly broken.

43 And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.

44 And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it

shall stand for ever.

45 Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream is certain, and the interpretation thereof sure.

46 Then the king Nebuchadnezzar fell upon his face, and worshipped Daniel, and commanded that they should offer an oblation and sweet odours unto him.

47 The king answered unto Daniel, and said, Of a truth it is, that your God is a God of gods, and a Lord of kings, and a revealer of secrets, seeing thou couldest reveal this secret.

48 Then the king made Daniel a great man, and gave him many great gifts, and made him ruler over the whole province of Babylon, and chief of the governors over all the wise men of Babylon.

49 Then Daniel requested of the king, and he set Shadrach, Meshach, and Abed-nego, over the affairs of the province of Babylon: but Daniel sat in the gate of the king."

I also include *Daniel*, Chapter 7, which states the "Four Empires" in fabalistic terms as four animals:

"1 In the first year of Belshazzar king of Babylon Daniel had a dream and visions of his head upon his bed: then he wrote the dream, and told the sum of the matters.

2 Daniel spake and said, I saw in my vision by night, and, behold, the four winds of the heaven strove upon the great sea.

3 And four great beasts came up from the sea, diverse one from another.

4 The first was like a lion, and had eagle's wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it.

5 And behold another beast, a second, like to a bear, and it raised up itself on one side, and it had three ribs in the mouth of it between the teeth of it: and they said thus unto it, Arise, devour much flesh.

6 After this I beheld, and lo another, like a leopard, which had upon the back of it four wings of a fowl; the beast had also four heads; and dominion was given to it.

7 After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns.

8 I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.

9 I beheld till the thrones were cast down, and the Ancient of days did sit, whose garment was white as snow, and the hair of his head like the pure wool: his throne was like the fiery flame, and his wheels as burning fire.

10 A fiery stream issued and came forth from before him: thousand thousands ministered unto him, and ten thousand times ten thousand stood before him: the judgment was set, and the books were opened.

11 I beheld then because of the voice of the great words which the horn spake: I beheld even till the beast was slain, and his body destroyed, and given to the burning flame.

12 As concerning the rest of the beasts, they had their dominion taken away: yet their lives were prolonged for a season and time.

13 I saw in the night visions, and, behold, one like the Son of man came with the clouds of heaven, and came to the Ancient of days, and they brought him near before him.

14 And there was given him dominion, and glory, and a kingdom, that all people, nations, and languages, should serve him: his dominion is an everlasting dominion, which shall not pass away, and his kingdom that

which shall not be destroyed.

15 I Daniel was grieved in my spirit in the midst of my body, and the visions of my head troubled me.

16 I came near unto one of them that stood by, and asked him the truth of all this. So he told me, and made me know the interpretation of the things.

17 These great beasts, which are four, are four kings, which shall arise out of the earth.

18 But the saints of the most High shall take the kingdom, and possess the kingdom for ever, even for ever and ever.

19 Then I would know the truth of the fourth beast, which was diverse from all the others, exceeding dreadful, whose teeth were of iron, and his nails of brass; which devoured, brake in pieces, and stamped the residue with his feet;

20 And of the ten horns that were in his head, and of the other which came up, and before whom three fell; even of that horn that had eyes, and a mouth that spake very great things, whose look was more stout than his fellows.

21 I beheld, and the same horn made war with the saints, and prevailed against them;

22 Until the Ancient of days came, and judgment was given to the saints of

the most High; and the time came that the saints possessed the kingdom.

23 Thus he said, The fourth beast shall be the fourth kingdom upon earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces.

24 And the ten horns out of this kingdom are ten kings that shall arise: and another shall rise after them; and he shall be diverse from the first, and he shall subdue three kings.

25 And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time.

26 But the judgment shall sit, and they shall take away his dominion, to consume and to destroy it unto the end.

27 And the kingdom and dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the saints of the most High, whose kingdom is an everlasting kingdom, and all dominions shall serve and obey him.

28 Hitherto is the end of the matter. As for me Daniel, my cogitations much troubled me, and my countenance changed in me: but I kept the matter in my heart."

The "New World Order" Is the Jewish Sabbath Millennium

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Rabbi Joseph Crooll wrote in 1812, in his book *The Restoration of Israel*, London, (1812/1814), that the Jews would rule the coming "New World". At pages 10-11, and 99, Rabbi Crooll tells us that this "New World" is the "Jewish Utopia" of Jewish messianic prophecy, in which age the Jews will have destroyed the "seventy" nations of the Goyim and sent all non-Jews to Hell:

"Thus man became a fallen creature, and will continue so for six thousand years, according to the days of the creation of the world, but no longer. This is the second period, or properly the middle world, and its proper title, the wicked and ungodly world.

From all that is here advanced may clearly be seen that the Messiah is not yet come; for the world must exist in a corrupt state six thousand years, and the question is, of what use would his coming be? But when this number shall be at an end, or nearly at an end, then will be the time of his coming; and then will commence the third period, or properly, the NEW world,

which will be called the world of the Messiah.

THE NEW WORLD--will commence by the first appearance of the Messiah; the world will be restored to its former glory, a *new heaven and a new earth* will appear, the former will pass away, mankind will recover their primitive glory, and will be above the angels; Satan and his band will be destroyed. The seventh day of the creation was the Sabbath, and that day only received a blessing, and was set apart for ever to be observed as a holy day; which was a type of Sabbath, i. e. the world of the Messiah, which also will be called the blessed world. [***] This will be called the New World, or the world of the Messiah."

At pages 21-23 and 88-89, Rabbi Crooll informs us that the Messiah comes only for the Jews and will be at war with the Goyim. At pages 89-91, Rabbi Crooll instructs us that the fate of the Goyim, the seventy nations, in the "New World" is to be murdered and cast into Hell by the Messiah and the Jews. Crooll states that the "New World" is the "new earth" and "new heavens" prophesied by the Jews' Isaiah, in *Isaiah* 65:17; 66:22.

The Much dreaded "New World Order" is in fact the artificial fulfilment of ancient Jewish messianic prophecy, as I explained in, among many other places, my blog of 8 December 2008:

The Universal Enslavement of the Non-Jew, Part 4: The Genocidal Jewish Prophets, December 08, 2008

Lest one mistakenly conclude that Crooll's terminology is unique to him, consider the fact that the Jewish author of *The Jewish Utopia* which was published in 1932, Rabbi Michael Higger used the same term for the Sabbath Millennium of the Jews, having titled the ninth chapter of his book which describes this messianic period as "A New World".

On the Prevailing Myth in the "Patriot Community" that Woodrow Wilson and Franklin Delano Roosevelt Were the First to Speak of American "Democracy"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Many in the so-called "Patriot Movement" suffer under the misapprehension that Woodrow Wilson and Franklin Delano Roosevelt were the first to speak of America as being a "Democracy". In fact, Thomas Jefferson and Andrew Jackson, both polar opposites of Wilson and Roosevelt, defined America as a democracy and created the "Democratic Party" in the early 1800's.

The fact that "Democracy" was a common term for American government much prior to Wilson

is proven by the book of 1868 by Ransom Hooker Gillet, *Democracy in the United States: What it Has Done, What it Is Doing, and What it Will Do*, D. Appleton and Company, New York, (1868).

Though Wilson and Roosevelt were agents of the Jewish bankers, Jefferson and Jackson opposed the Jews, and the Jews' agents at the time, including Alexander Hamilton. The Jews took over the Democratic Party, which Jefferson and Jackson had founded, through the Rothschild's agent, the Jew "August Belmont", who had changed his name from the Jewish-sounding August Schoenberg, to the more *gentil* and Gentile sounding french translation of same, "Belmont". Belmont bought out the Democratic Party in order to lead it to defeat. He took it over in order to subvert it.

In the 1870's, Major Osman Bey wrote in his book *The Conquest of the World by the Jews: An Historical and Ethnical Essay*, St. Louis Book & News Company, St. Louis, (1878), p. 58,,

"As a proof of this latter assertion, we need only recall the fact that a Jew by the name of August Belmont (an agent of Rothschild and represented to be an illegitimate offspring of his Dynasty) has for a number of years been the chairman of the National Committee of a political party, and by his shrewd management has always succeeded in leading that party to defeat. It is susceptible of proof that the financial policy of the *opposing* party was the one under which his business was most prosperous. Why then should he desire a change?"

On 10 October 1864 on page 2, *The Chicago Tribune* reported,

"ENCOURAGEMENT--NOT FOR THE

'ROTHSCHILDS'

The fact that the Chairman of the National Democratic Committee is the agent of the Rothschilds gives the Copperheads an immense advantage in receiving an unlimited amount of funds from the money kings of the old rotten despotisms of Europe in order to secure the election of McClellan and the destruction of the Government. That Copperhead Democracy and European despotism are working for the same end, there cannot be a particle of doubt. The hand of Belmont is most directly seen in the second plank of the Copperhead platform, and in fact it is demonstrable from the language of it, that it was all made in the interest of Jeff. Davis and his alies, the aristocrats and despots of Europe. Shrewd, far-seeing men on the other side of the Atlantic understand this matter perfectly. One of our citizens who has been making an extensive tour in Europe, writes to the Treasurer of the Union State Central Committee as follows:

'Enclosed is an order on ---------, for three hundred dollars, to aid the Union party in publishing and disseminating that proper information in order to secure the re-election of Abraham Lincoln to the office of President of the United States, and to aid in the election of the nominees of that party in the State of Illinois. * * * I have written to --------- to pay this order for me, and to

respond to any calls of years to the extent of two hundred dollars more if you think it will be wanted. I feel that the future interests of our beloved country depend much on the re-election of Mr. Lincoln and the success of the Union party, and though absent, I wish to do what I can to secure that result. I hope to be home in time to vote for the Union candidates, both State and National, in November.'

Our shrewd patriotic citizen takes a wise and enlarged view of his duties, and of his interests as well; for if the Copperhead party succeed in the election, his ample fortune would not be worth the cost of a month's sojourn in Europe or elsewhere. The destruction of the Government--the sure result of a Copperhead triumph--would destroy all values, and all personal and public safety for the next generation."

On 16 October 1864 on page 2, *The Chicago Tribune* reported,

"BELMONT'S CONFEDERATE BONDS.

The Chicago rebel organ is annoyed by the publication of the fact that a controlling share in the stock of the Copperheads machine has been bought up by Auguste Belmont, the American member of the Rothschilds family and firm, well known everywhere to be controlling owners not only in the British debt and the London *Times*, which together control the British aristocracy and oppress the Irish people, but also of the Maximillian debt, (which fact accounts for the striking out of the Monroe doctrine from the Chicago

Platform,) and finally of the rebel debt, (which accounts for Belmont spending two millions dollars to nominate a war man on a peace platform.) These facts are a little inconvenient to the Copperheads. They were never intended by them for publication. They are decidedly embarrassing. It is perhaps somewhat flattering to our national pride to know that the Rothschilds, who hold up every despotism in Europe, have concluded that it would be cheaper to buy up one of our political parties, and in that way secure the dissolution of the Union, than to have their agents in England and France interfere and fight us. But Irishmen and Germans have a something, which for brevity we will all a 'crop,' and this fact sticks in their crop, that the oppressors of Ireland and Germany, the money kings of Europe, not daring to carry out their first pet project of breaking down this Government by the armed intervention, of England and France, for the rebels, which would shake the bourse, lower the rates of consols and take away the ducats of the Rothschilds, have adopted the cheaper and easier mode of accomplishing the same object, by buying up the Copperhead leaders and running the Democratic machine. The Rothschilds want ducats, but to make their ducats they want votes. Votes for the Peace party will send stocks up and so the Rothschilds make their ducats. Votes for McClellan send the Union stock, which the money kings have no share, down, and so the Rothschilds make their ducats. Votes for the dissolution of the Union relatively strengthen England and France and send consols up--and so the

Rothschilds make their ducats. The Union dissolved and Maximillian will not be overthrown, nor will England have to pay for her rebel privateering, nor will Ireland, backed by our Government, rebel and be free, nor will British America unite with us, by all which the Rothschilds and Belmont, chairman of the Democratic party, make ducats. The Rothschilds will fish with a silver hook for votes which net them so good a profit, but even the silver hook must be baited, and the Chicago *Times* is authorized to adjust the bait. It is 'authorized to say that Belmont owns no Confederate stock, and that he knows that the Rothschilds do not.' Now, we are authorized to say that all Europe have known for months and years that they do. We know that a banker may, by the scratch of his pen, own nothing but Confederate stock one minute and nothing but five-twenties the next. We happen to have heard of some Copperhead bankers who own little besides five-twenties on the day the Assessors calls. But the financial community know in what stocks financiers are interested, in spite of anything true or false which rebel papers may be 'authorized to state.' Let Belmont state over his own signature, if he can that he and Rothschilds have not, directly or indirectly, in their own name, or in that of others, operated in Confederate stocks during this rebellion. Until he can face the music in that style it matters little what tune any of the Copperhead penny whistles may be authorized to blow, as they are very seldom authorized to state anything that is true."

The Jews also subverted the Republican Party soon after they murdered Abraham Lincoln. The

Rothschild's Republican Hiram Ulysses Grant, *general*ly known as "U. S. Grant", won the election. As President of the United States Grant exchanged America's gold reserves for Lincoln's Greenback dollars, thereby taking away the People's right to produce their own currency through their government without the intercession and profiteering of the Jewish bankers. This had a disastrous impact on the economy of the United States and ultimately the World, just as the Rothschilds, who put Grant into power, had intended. It also guaranteed the Rothschilds that the debts they unnecessarily and deliberately had caused the United States would be paid to them in gold, which through manipulation eventually had an artificially high value.

Grant, at the behest of the Rothschilds, then passed the Coinage Act of 1873, which put America on a Gold Standard, under which the U. S. demonetized silver. This increased the value of gold, further contracted the American money supply, and deflated American currency, all of which benefitted the Rothschilds while destroying the American and World economies, just as the Rothschilds had intended. The Rothschilds, through their puppet President "U. S." Grant, thereby deliberately manufactured the "Panic of 1873", a severe depression in America and the stock market crash in Vienna.

Despite the sophistical and sophomoric protestations of the Jewish controlled "Patriot Movement", our greatest presidents viewed America as a democracy, and it was only by way of subversion that the Jews' agents Wilson and Roosevelt coopted the term, changed its meaning in practice, and destroyed the vision of Jefferson and Jackson. The problem we face is not democracy, but the subversion of democracy by Jews and their agents, including their agents in

the "Patriot Movement" who would have us despise and turn against that which has made us great, our democratic principles.

Recruiting Talent

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A new team in the Major Leagues won't get very far if it fails to recruit top players, managers and coaches. Fortunately for the *POWER PARTY*, the Jews recycle the same type of mediocre hacks in the political parties they have bought, that they employ in their media.

The Jews do not want innovative, creative and willful politicians. The Jews instead seek out obedient, meanspirited, comparatively stupid egomaniacs with piles of bones in their closets.

We are introducing a new franchise and we need to attract crowds to our arena. Just as many of the World's finest poets, painters, musicians and writers are rejected by the Jews and remain unknown to us, the best politicians are bound to be those whom the Jews have rejected, which makes them available to us if we can recruit them. We need to find these people who have too

much integrity to work for the Jews, are too creative to work for the Jews, and who bow to noone, for our party.

We must start scouting for this talent. Just one big name will attract many more.

As the Jews scream and whine that we are persecuting them, we need only point out that the Jews gut children and steal their organs. As the Jews scream "hater!" we need only point out that the Jews consider the rest of the human race to be sub-human. We are loyal to America and to the truth, so we will always have home field advantage over the disloyal and traitorous Jews. The crowd will be with us.

Americans need to overcome the mental barriers the Jews have instilled in them. The Jews' war on the human race includes a powerful psychological component. The Jews have convinced us to surrender our fate to them.

The American People, once the real competition begins, will be honest referees and the Jews' will no longer be able to cheat if we enter the sport of politics. It is easy for the Jews to control elections now, because thus far they have controlled all of the candidates, and therefore all of the debate. A new and honest voice will expose the Jews' trickery and cheating. Since the Jews do not, and cannot, play by the rules, they will be expelled from the competition in a very short time.

The only way for the Jewish minority to control the Gentile majority is through the power of the State. Restore the power of the State to the Gentile majority, and the majority will quash the Jewish enemy which is deliberately ruining our nation. The Jews were only able to mass murder

the Russians, the Armenians, the Chinese, the Cambodians, etc. because the Jews owned the State. We must take that power away from them and then reduce the power of the State, so that the majority cannot be encumbered and destroyed by the State.

To gain this power, we need to field the best players in the political game. We need to tap our natural talent and to draw out our human will to survive and our human dignity. We need rallies and uniforms. Nothing will so quickly destroy the fear of criticizing the Jew as millions of us marching in uniforms through the streets of our major cities. Imagine holidays where hundreds of millions of Americans place signs in their yards, where t-shirts, display flags, etc. with our message. No one will fear to fight the Jews once this process is begun. Instead they will fear ostracization and expulsion should they apologize for, or collude with the Jews against American interests.

"Critical Mass" My . . . ! What We Need Are Election Candidates

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There is a common refrain in the "Patriot Movement" that all we can do to save ourselves from Jewish aggression is "spread information" and hope to reach a "critical mass" of informed

people at which point a "revolution" will supposedly spontaneously erupt and set us free. The "critical mass" needed for real change in America already existed in the majority of the electorate in 2008, but we failed to field a candidate for president. Instead, the Jews' nobody from nowhere, Barack Hussein Obama, won the election on the meaningless slogan "change" that resonated with disgusted and desperate Americans, whom we left no option for real change due to our failure to provide an alternative candidate.

We do not need a "revolution" to seize control of America. We need candidates for political office who share our views and who are unafraid to speak the truth and exercise power in an effective way. The votes are out there, but we must offer the public leaders who can attract them and capitalize on the majority opinion that the present leadership and their political parties are corrupt.

For example, the insipid Ron Paul attracted millions of dollars and millions of man hours, despite the fact that he was a very weak candidate, a phony candidate who did not represent the views of the majority of his often fanatical supporters. Think of what a candidate who sincerely represented the views of most Americans could achieve, if only he or she would run.

Americans are already informed enough to vote *POWER PARTY*. The trillions of dollars the Jews have stolen, the endless wars the Jews create, the flow of jobs overseas and flagrant attack on our currency, the increasingly expensive and deteriorating health care system, the pillaged retirement accounts, all of these things and still more horrors are painfully familiar to most Americans. They do not need more information. Rather they need representation in government

who will fight for their interests against the Jews who are out to destroy America.

Americans are already ready to vote for other loyal Americans, loyal Americans who want America to succeed, Americans who want the next generation of Americans to have a better life than we had, Americans who want Americans to be stronger, better educated and more moral than any generation we have yet produced, Americans who want finally to close the gates to the temple of Janus in celebration of lasting peace. The voters are there, but the candidates are not.

Instead of accumulating explosive force which will only ultimately pit us against ourselves, we should be accumulating candidates who represent us and our interests. We should be in the political debate, not as whiners but as leaders. We should be presenting new ideas and solutions. We should take control over our own destiny, not perpetually cry about how impotent we allegedly are, and how allegedly omnipotent are the Jews.

The midterm elections will soon be upon us. Let us not sit out yet another election and watch helplessly as the Jews murder more of our children and make it increasingly difficult for us to ever recover from their ancient attack. It is time for American baby boomers to at last grow up and show some responsibility for and towards our great homeland.

Do You Want Bibi Netanyahu to Run the Congress?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

If we fail to advance the *POWER PARTY*, or something very much like it, then the Jews will scapegoat Obama for all the crimes the Jews have committed against America since their candidate Obama took office. The Jews will then rally the Christian Zionists in the Republican Party and disenchanted Reagan Democrats and use them to control the midterm elections to fill the Congress and the governorships with radically pro-Israel, anti-Muslim candidates.

If we succeed in advancing candidates who adopt the platform of the *POWER PARTY*, or something very much like it, then we can rid America of Jewish influence, bankrupt Israel, recapture the goodwill of the World, eliminate our debts and grow our economy. In order to be successful, we must disassociate ourselves from the government infiltrated "Patriot Movement" and appeal to mainstream Americans, who are today looking for an alternative to the obviously failed and corrupt Republican and Democratic parties.

The American People want jobs, health care, quality education, clean and healthy air, water and food, and less income disparity. We can reach the majority of Americans with these core issues. But we need candidates and organization, which is why we must avoid the "Patriot Community" and its spokesmen. Most all members of this group are discredited or have done or said things which can be used to discredit them in the future.

We need clean candidates who can speak to the issues in a dignified, professional and effective

manner. With such candidates, we will have an easy time competing against the democrats and republicans, who insist upon candidates that are unimaginative and obedient sociopaths.

Netanyahu has positioned himself as the opposition to Obama. This affords the Jews total control over the American political process, given that they also control Obama.

However, since Bush is a sour memory for most Americans, and Obama is a proven liar and failure, we can offer the American People an authentic alternative to both failed and deceitful platforms. We can prove to the American People how the Jews have corrupted our nation, and what must be done to remedy the situation.

Since we failed to provide an alternative to Bush in 2004, Americans are still in Iraq and Afghanistan, and the World hates America. Since we Americans failed to protect our own interests in 2004 and 2008, the Jewish bankers have thrown us into unpayable debts and stolen our wealth and our future. If we Americans fail to secure our interests now, the Jews will take our lives in their planned World War Three. They are at this very moment poisoning our food and exposing our soldiers to Uranium, which affects all of our future generations as the genes of these soldiers are passed along to children who will bear the children of the future.

The Jews will not be hard to defeat. They have committed so many, and such heinous crimes, that we need only expose them in the public debate and the only means we have to do that at present is to run candidates who are willing and able to address the ages old Jewish problem and what must be done to solve it and save ourselves from the open enemy of the human race.

Without genuine candidates to speak to our real problems, the Jews will be in a position to claim that Obama is an "anti-Israeli" politician and that such a policy is bringing us to ruin. The Republicans will push this claim, and the Democrats will dare not contravene it. However, with an authentic candidate running, we can inform the American People of the fact that Obama is a Frankenstein monster created by the Jews to ruin America, and that the Republicans are cut from the same cadaverous Jewish cloth.

The Jews have harvested the organs of American politics and sold us two zombie parties that only serve to feed on our health and pull us down into Hell. Americans will not be so gullible and the sales techniques of the Jews will not be effective if there is a strong and legitimate voice to contradict the Jewish lies. Or, you can do nothing and wait for Netanyahu to do a tour of America promoting candidates for the midterm elections, whom the Americans will believe are antidotes to Obama's "anti-Israel" policies, "which have ruined America". We will again be sold Jewish "CHANGE!" and dragged further into our graves.

An Addendum to "The International Jewish Power Structure"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In isolating and understanding the "how" of Jewish international power, we need to recognize the fact that the government and leading institutions of American power are not American, but are Jewish. A significant portion of the Jewish hierarchy in the World is the hierarchy of America.

From the American President on down to the local paper, the hierarchy of American power is theirs, not ours. When describing the Jewish enemy, we see its presence in the leaders of American power. These persons and posts are the middle management positions of *The International Jewish Power Structure*, and so it goes for most, if not all, nations.

In addition to this overt exercise of power, the Jews employ an even more vast hierarchy, which

is composed of the majority of the Jewish People. They follow orders, are loyal only to each other, and collectively bring on the destruction of the human race.

The Global Anti-Semitism Review Act of 2004 Is Unconstitutional

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Global Anti-Semitism Review Act of 2004 is unconstitutional in that it violates the Establishment Clause of the First Amendment to the United States Constitution, which states,

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."

The expressed purpose and effect of *The Global Anti-Semitism Review Act of 2004* is to intimidate would be critics of the Jews and Judaism, and thereby chill any and all critical discussion of the Jewish faith and the Jewish fifth column that is subverting our nation, thereby destroying through the power and resources of the State, "Anti-Semitism", which is defined as

criticism of the Jews and/or Judaism.

The Global Anti-Semitism Review Act of 2004 recognizes a religion, Judaism, and creates, without a substantial basis, a protected class of persons based upon their belief in that religion, as well as a persecuted class of persons who criticize that faith as part of their free exercise of religious rights and who criticize Jews as a matter of self defense and the defense of the nation; which act therefore violates the Establishment Clause of the First Amendment, and the free exercise of religion and speech, as well as the Fourteenth Amendment.

The Jews are and have always been chiefly a religious community whose beliefs originate in the Torah. *The Global Anti-Semitism Review Act of 2004* embraces this definition of "Jew" and "Judaism". By seeking to intimidate critics of Judaism and its adherents, the government has thrown a net over the heads of such critics stigmitizing them as hated "anti-Semites" and placing them on lists. The process of intimidation is compounded by the historical fact, known to critics of the Jews, that when the Jews have subverted governments the Jews have often persecuted their critics with prison and death sentences, as has occurred in the Soviet Union and elsewhere. The fact that the State is officially taking notice of such actions and words, and is condemning them with the intent of controlling them, sends a powerful signal to the citizenry that it should not engage in such activities and that there are now, and will be in the future, negative repercussions for anyone who dares to flaunt the intent of the act and engage in such discouraged criticism of the Jews and/or of Judaism.

For example, the *Report on Global Anti-Semitism*, January 5, 2005, states, *inter alia*:

"In recent years, incidents have been more targeted in nature with perpetrators appearing to have the specific intent to attack Jews and Judaism. [***] For the purposes of this report, anti-Semitism is considered to be hatred toward Jews--individually and as a group--that can be attributed to the Jewish religion and/or ethnicity. An important issue is the distinction between legitimate criticism of policies and practices of the State of Israel, and commentary that assumes an anti-Semitic character. The demonization of Israel, or vilification of Israeli leaders, sometimes through comparisons with Nazi leaders, and through the use of Nazi symbols to caricature them, indicates an anti-Semitic bias rather than a valid criticism of policy concerning a controversial issue."

The government has thereby created an established and uniquely protected religion, Judaism, dissent against which the government discourages with intimidation, stigmata, and its own governmental criticism. By recognizing and creating a protected class of religion and the religious, the government thereby inhibits the free exercise of the religious views of critics of Jews and Judaism, by discouraging their religious views which are the critic's free exercise of his or her religious views. The free exercise of religious views often takes the form of criticism. There have been but a few critics of the Jews so harsh in their criticism of the Jews as Jesus Christ.

The Nation of Israel is the expression of a religious objective of Jewry. The government of the United States is barred from stigmatizing and otherwise intimidating its citizens in order to

discourage them from exercising their rights to criticize the Jews' religious and political expressions. Beyond this, the government is barred from preventing its citizens from defending the nation from foreign and domestic attack. The Jews have a religious duty to engage in war on the United States, and their religiously founded State has been engaged in war upon America from its inception, and the Jews have engaged in a war on America from the beginnings of the Revolution, when the Rothschilds financed the British to hire on the Hessians as mercinaries against the Americans, and the Rothschilds wielded their influence to bring this attack on us about.

The government is engaging in misprison of treason and is engaging in its own acts of treason, and of aiding and abetting an enemy, by deliberately attacking those who defend America from our enemies foreign and domestic, that enemy being the Jews; and by seeking to suppress through intimidation and other means any criticism of the doctrines of the Jews which serve as the basis of the Jewish attack upon America, Americans, and the rest of non-Jewish humanity; and by seeking suppress criticism of the enemy nation of Israel and by seeking to suppress knowledge of the attack Israel is waging upon the United States.

Beyond this, the government is involved in recognizing, establishing and prohibiting disbelief in the Jewish religion and its most recent addition, the official dogma of the Holocaust, the foundation of which is metaphysical and religious, not scientific or historical. By mandating a religious dogma based upon suppositon, not verifiable and testable alleged facts, and by discouraging and proscribing disbelief or the contest of those untestable and metaphysical religious beliefs, the government has established Judaism and its Holocaust dogma as the State religion and has outlawed disbelief and/or criticism of that religion. Not only that, the State has

created an agency tasked with intimidating and documenting critics of its official religion, Judaism.

We also find that Judaism is the official religion of the United States, in that the government has openly declared it so by means of official resolution:

House Joint **Resolution** 104 recognizing and endorsing the Jewish Noahide Laws, which call for the beheading of Christians, Muslims, Buddhists, Hindus, etc.

In unconstiutionally adopting the Noahide Laws as its official State religion, the government has unconstitutionally proscribed Christianity, Hinduism and all other forms of "idolatry".

Wars of Conquest Versus Wars of Ruin and Extermination

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have America engaged in wars of ruination, rather than wars of conquest. The Jews do not want us to conquer Iraq and Afghanistan so as to free them and make them successful nations or successful colonies.

Quite the contrary, the Jews want us to utterly ruin Iraq, Afghanistan and the United States. The Jews do not want us to attack Iran, nor will they attack Iran, in order to conquer Iran in the sense of freeing it and building it up, if for no other purpose than our own. Rather, the Jews want to attack Iran in order to destroy Iran finally and for all time.

The Jews do not want Iraq, Afghanistan or Iran to ever recover from their Jewish attack, which included the Jewish controlled Soviet Union's attack on Afghanistan. Instead, the Jews want to spread the chaos they have deliberately created. The Jews want the entire Middle East and the World to enter into unrecoverable chaos.

The Jewish war on the human race is not one of conquest, but rather one of extermination. They are not conquering the Palestinians, Iraqis, Afghanistanis or the Americans, for that they have already done. They are instead killing us off.

The International Jewish Power Structure: The Jews Are United Against Humanity, and They Are Organized as a Subversive Army

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Esther 3:8,

"And Haman said unto king Ahasuerus, There is a certain people scattered abroad and dispersed among the people in all the provinces of thy kingdom; and their laws are diverse from all people; neither keep they the king's laws: therefore it is not for the king's profit to suffer them."

Genesis 27:29,

"Let people serve thee, and nations bow down to thee: be lord over thy brethren, and let thy mother's sons bow down to thee: cursed be every one that curseth thee, and blessed be he that blesseth thee."

Many, myself included, have wondered how the tiny minority of Jews in the World are able to subvert the nations. While reading the following article, "*CAHILLA UNMASKED*, by Col. Edwin Marshall Hadley, 1934", at pages 42-51 of the newspaper *CONTACT* (with its symbol that reminds me of a pyramid, an eye of horus, the star of David, etc.) and reading over the extensive lists of Jews in the American and German governments, and while recalling the long lists of Jews in the Bolshevik governments of the Soviet Union, Hungary, etc, and while contemplating the lengthy list of Jews in the Clinton, Bush and Obama governments, I was again asking myself what organization produced these orchestrated subversions of Gentile States:

Cahilla Unmasked

In my blog, I presented evidence of what the Jews had done to subvert the professions and educational systems:

The Jewish Problem, Part 1: The Jews in Education, December 27, 2008

All of this explains what the Jews have done. In other blogs, articles, interviews and book, I have shown why the Jews do what they have done. The question of "how" lingers and cuts to the core of the "Zionist" versus "the Jews" question.

Maj.-Gen. Count Cherep-Spiridovich wrote in his book *The Secret World Government, Or, "The Hidden Hand": the Unrevealed in History: 100 Historical "Mysteries" Explained*, The Anti-Bolshevist Publishing Association, New York, (1926), p. 60:

"Many seemingly intelligent Gentiles are lulling their minds to sleep by such platitudes as 'there are many good Jews,' so, lest we harm one of them, let the tribe destroy us."

"The Jews" are a tribe, a people, a nation and a military and espionage force. They are a fifth column in every nation which admits them and/or their influence. This Jewish nation is universal on the Earth, not the Nation of Israel in the sense of the "Jewish State" in Palestine. That tiny country is a subset of Jewry. It is also a recent phenomenon. The Jews have been a tribe for at least 2,500 years and it has always been their expressed goal and their practice to infiltrate and destroy every other nation on Earth.

There was already a Jewish nation with an organized leadership, a spy system and an army in place in 1921, but it was simply a subset of Jewry that eventually became the government of the Nation of Israel, as the following quotation from prefatory comments to an article in *The*

World's Work by Henry Morgenthau proves,

"The situation which provoked the controversy at Cleveland arose from the arrival in this country of Dr. Chaim Weizmann from London to share in its deliberations. Dr. Weizmann is the head of the world organization of Zionists. This world organization has a highly centralized form of government. This consists of an international committee, including representatives from all countries that have a local organization. But the real control is vested in what is known as the 'Inner Actions Council.' This is a compact body of only seven men; and it is dominated by the Jews of Europe."--"Zionism a Surrender, Not a Solution", *The World's Work*, Volume 42, Number 3, (July, 1921), pp. i-viii, at i.

Note that Chaim Weizmann was President of the World Zionist Organization, and then became the first President of the State of Israel. This is no coincidence. The government of the State was in place before the territory of Palestine was officially stolen and overrun through Jewish terrorism and the work of the not-so "hidden hand" of the Jewish People worldwide. But the Nation of Israel is not the nation of the Jewish People, only one part of it. The Jews often establish governments years before placing them in office.

The international government and army of the Jews has existed in an unbroken chain for at least 2,500 years. The diaspora of 70-125 A.D. came about after the Jews had already dispersed themselves to all known nations in order to conquer them. The Jews' international government already existed before the Jews' temple was destroyed. It was the government of Claudius.

Before that it was the government of Pharaoh under Joseph in the Jewish myths (*Genesis* 47). Today it is the government of the United States under Rahm Emanuel, the government of France under Sarkozy, that of Russia under the Rabbis behind Putin, that of Iran under the Rabbis of the theocracy. Often in history we see a Jew at the top, or standing behind the leader of the nation, whispering orders into the leader's ear.

The Jews rule by ruling. They have for a very, very, very long time. The Jewish People are, and have always been, an organized army, disloyal to every nation but their own. They are always at the ready to staff and undermine every nation's government, educational system, finance system, medical and other professions, etc.

We are not under attack from mere Zionists and Sayanim, but rather from the fifth column that is and has always been the Jewish People. There is nothing new, recent or post-Zionist about the Jewish destruction of our nation. It is the organic nature and function of the Jewish parasite to latch onto a host nation and suck it dry, then abandon the corpse and seek out another host. The how of it all is simple. The Jews are a declared enemy and they are organized as a people to destroy all others and have engaged in doing so for at least some 2,500 years.

We Americans had better organize ourselves as a people to meet the aggressive Jewish attack and defeat it. We have midterm elections coming up which afford us the opportunity to accuse the Jews and take our government from them. There is nothing but cowardice, incompetence, and misplaced altruism that prevents us from doing so. We need only fight back to win. It is only by not engaging in the competition that we have lost. A long psychological war has led to this

sad state, but that does not prevent us from overcoming it. Aware of what has happened, there is no excuse for us not to act.

The Jewish People are an aggressive and highly organized enemy. Their organization is so pervasive amongst them that it invades their individual psyche and unites them against all others. But it also sits in offices and synagogues, speaks on telephones and sends emails, adopts alphabet pompous titles and intimidates and corrupts our entire nation. I have been led to the conclusion that it is the majority of Jews, with their neurotic hatreds, insecurities and ambitions, who constitute the army and the organization of the Jewish People. Their goals are all the same, advance the perceived self interests of the Jews, which is always to eliminate the competition, hate the Goyim, and subvert the best interests of the nation host. The organization of the Jews is their mental state as individuals and their very tangible interconnections to each other and deliberate infiltration and subversion of all others.

However, there is something substantially more to the workings of *The International Jewish Power Structure* than simply the perverse Jewish mentality which binds Jews to each other if only in their hatred of non-Jews. The Jews have, and have always had, a military style government in place around the World, more than a mere maffia, more than loose connections and clubs, rather the Jews have in place and have always had in place a tightly disciplined hierarchical government by means of which they today effectively rule the World. We should focus highly attuned attention on the exact form of the Jews' hierarchy and the interconnections of the Jews in America and abroad who have taken over the majority of positions of authority. They are obviously organized into a rigid chain of command and they obey orders.

Above all else, we must recognize the fact that the Jewish People are a declared and aggressive enemy of the human race. Their sole reason for existence as an organized nation is to rule us so that they can ultimately exterminate us.

We must defeat *The International Jewish Power Structure* or be consumed by it.

The Jewish Year 6000 and the Cabalistic Sefirot: A Rabbinical Exposition With Precise Citations

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The following article contains a rabbinical exposition on the Jewish Year 6000 with a review of the authoritative Jewish literature on the subject across the centuries:

Talking About The End-Of-Days, Part Three: Why 6000 Years

Apparently from the same author:

Moshiach and the World Today by Rabbi Pinchas Winston: SIX DAYS -- SIX THOUSAND

YEARS

A Google search for:

6000 "sanhedrin 97a"

produces many more results from rabbinical sources.

The *Protocols of the Learned Elders of Zion* do not begin to capture the horrors of the Jewish Year 6000 as stated in the Talmud and Cabalah, as well as noted and authoritative historical glosses on those works. I do not know what else I will have to do to provoke others into helping me to expose the ancient Jewish plan to end the World at the Jewish Year 6000, which year rang at 17 September 2001, but I will continue providing verifiable documentation of its existence, for our continued existence depends upon our ability to thwart this ancient Jewish plan. Ignore these facts at the peril of the human race.

The Nature of the Conflict Clearly Spelled Out in the Old Testament: Winner Takes All, Go to HELL, Goyim!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There are two sections of the Old Testament in which the Jews quite openly state that their plan is to send all Gentiles to Hell in the "Sabbath Millennium". In *Psalm* 9:17, the Jewish King David, father of the Jewish messiah, states:

"The wicked shall be turned into hell, and all the nations that forget God."

The Jewish prophet Ezekiel took the pleasure to write out the specifics of the nations', or "Goyim's", descent into Hell at the hands of the Jews:

"17 It came to pass also in the twelfth year, in the fifteenth day of the month, that the word of the LORD came unto me, saying,

18 Son of man, wail for the multitude of Egypt, and cast them down, even her, and the daughters of the famous nations, unto the nether parts of the earth, with them that go down into the pit.

19 Whom dost thou pass in beauty? go down, and be thou laid with the uncircumcised.

20 They shall fall in the midst of them that are slain by the sword: she is delivered to the sword: draw her and all her multitudes.

21 The strong among the mighty shall speak to him out of the midst of hell with them that help him: they are gone down, they lie uncircumcised, slain by the sword.

22 Asshur is there and all her company: his graves are about him: all of them slain, fallen by the sword:

23 Whose graves are set in the sides of the pit, and her company is round about her grave: all of them slain, fallen by the sword, which caused terror in the land of the living.

24 There is Elam and all her multitude round about her grave, all of them slain, fallen by the sword, which are gone down uncircumcised into the nether parts of the earth, which caused their terror in the land of the living; yet have they borne their shame with them that go down to the pit.

25 They have set her a bed in the midst of the slain with all her multitude: her graves are round about him: all of them uncircumcised, slain by the sword: though their terror was caused in the land of the living, yet have they borne their shame with them that go down to the pit: he is put in the midst of them that be slain.

26 There is Meshech, Tubal, and all her multitude: her graves are round about him: all of them uncircumcised, slain by the sword, though they caused their terror in the land of the living.

27 And they shall not lie with the mighty that are fallen of the uncircumcised, which are gone down to hell with their weapons of war: and they have laid their swords under their heads, but their iniquities shall be upon their bones, though they were the terror of the mighty in the land of

the living.

28 Yea, thou shalt be broken in the midst of the uncircumcised, and shalt lie with them that are slain with the sword.

29 There is Edom, her kings, and all her princes, which with their might are laid by them that were slain by the sword: they shall lie with the uncircumcised, and with them that go down to the pit.

30 There be the princes of the north, all of them, and all the Zidonians, which are gone down with the slain; with their terror they are ashamed of their might; and they lie uncircumcised with them that be slain by the sword, and bear their shame with them that go down to the pit.

31 Pharaoh shall see them, and shall be comforted over all his multitude, even Pharaoh and all his army slain by the sword, saith the Lord GOD.

32 For I have caused my terror in the land of the living: and he shall be laid in the midst of the uncircumcised with them that are slain with the sword, even Pharaoh and all his multitude, saith the Lord GOD."

The Babylonian Talmud is clear that non-Jews will be exterminated in the "end times"; in that it forbids proselytes at that time, meaning that the Goyim must then be exterminated. The Babylonian Talmud, Tractate Abodah Zarah, folio 3b, Soncino, London, (1935), states that the Jewish god will laugh for the first time in a long time when the Goyim seek sanctuary from the Jewish extermination campaign on the human race:

"Said R. Isaac: 'Only on that day is there laughter for the Holy One, blessed be He!' Some connected that comment of R. Isaac with the following teaching: R. Jose says, In time to come idol-worshippers will come and offer themselves as proselytes. But will such be accepted? Has it not been taught that in the days of the Messiah proselytes will not be received; likewise were none received in the days of David or of Solomon? — Well, they will be self-made proselytes, and will place phylacteries on their foreheads and on their arms, fringes in their garments, and a Mezuzah on their doorposts, but when the battle of Gog-Magog will come about they will be asked, 'For what purpose have you come?' and they will reply: 'Against God and His Messiah' as it is said, Why are the nations in an uproar, and why do the peoples mutter in vain, etc. Then each of the proselytes will throw aside his religious token and get away, as it is said, Let us break their bands asunder, and the Holy One, blessed be He, will sit and laugh, as it is said: He that sitteth in heaven laugheth."

The Babylonian Talmud, Tractate Yebamoth, folio 24b, Soncino, London, (1935), states:

"Our Rabbis learnt: No proselytes will be accepted in the days of the Messiah. In the same manner no proselytes were accepted in the days of David nor in the days of Solomon. Said R. Eleazar: What Scriptural [support is there for this view]? — Behold he shall be a proselyte who is converted for my own sake,' he who lives with you shall be settled among you, he only who

'lives with you' in your poverty shall be settled among you; but no other."

The Jews are engaged in a "winner takes all" struggle against the human race and plan to kill off even those who are willing to submit to their authority and to their religion. If we fail to defeat them, the Jews will deliberately and literally take our lives, or as the Jews phrase it, they will send us to Hell on the edge of a sword. Amazingly, I have not yet succeeded to convince the human race to even begin to fight back against our mortal and ancient enemy, the Jews.

The coming midterm elections offer us a chance to check the Jews. We need candidates.

An Open Attempt to Incorporate the Talmudic "Jewish Year 6000" into Christianity

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A British-Israelism website has published at least two articles which contend that Christianity may hold to the Talmudic notion of the Jewish Year 6000. In the following article the author contends that Jesus may have been an Hillelite Pharisee, and that Jesus perhaps referred to the Talmudic belief in the Jewish Year 6000:

Was Jesus a Hillelite Pharisee?

Under the heading "Did Jesus Obey The Talmud?" the article states:

"When Jesus said 'The LAW and the prophets were UNTIL John; since then the good news of the KINGDOM of GOD is preached' (Luke 16:16), he may have been paraphrasing Sanhedrin 97a which says: 'The world is 6000 years. Two thousand are confusion, two thousand TORAH, two thousand days of the MESSIAH.'"

In a later "lesson":

Mankind's 6000-Year Chronology?

the author states:

"Just as God physically created the earth in six literal days, and rested on the seventh day, so also he is creating spiritual character in man for 6000 years before the Millenium when man will have a chance to rest. [***] A week is therefore 7000 years. Let's prove whether or not mankind is 6000 years old using Bible chronology: [***] Yes, mankind is almost 6000 years old and in need of a rest."

"The Jews" By Hilaire Belloc

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Google books has a free, full version of an historically important book:

The Jews By Hilaire Belloc

I will be updating my books page, but until then, I provide my readers with the above link.

Belloc's book stirred quite a controversy. It addressed the disloyalty of the Jews and the effects of Zionism, which would complicate inherent Jewish disloyalty. I do not find Belloc overly insightful. I find him unduly biased and apologetic in favor of Jewry. The Jews are clearly the aggressor, the genocidal winner-takes-all aggressor in the Jewish problem. Nevertheless, Belloc's book became a lightening rod for controversy and sparked the discussion of the Jewish question in the highest circles of power and was very influential in that discussion. Belloc continued to write on the subject into the 1930's in *G. K.'s Weekly* and he published biographies of the Jewish puppets Oliver Cromwell and Napoleon Bonaparte.

Another important book is Houston Stewart Chamberlain's *Die Grundlagen des neunzehnten Jahrhunderts*, F. A. Bruckmann, München, (1899); and/or the English translation by J. Lees, *Foundations of the Nineteenth Century*, in two volumes, and I am still looking for volume 1:

Christianity: The Stumbling Stone the Jews Placed on the Path of the Romans

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Though the Jews of today try desperately to convince us that Jewish and Christian values are not only consonant, but are the same, the Jews' covenant is very different from the Gentiles'. Old "Testament" means Old "Covenant" and New "Testament" means New "Covenant".

The old covenant teaches the Jews to dominate others, hate and kill the enemy, love and honor their families, accumulate wealth and put criminals to death. The new covenant teaches the Goyim to be meek and last in line, love their enemies, hate their families, shun wealth and obey men.

The Torah teaches the Jews to honor and love their families upon pain of death. *Exodus* 21:15, 17:

"15 And he that smiteth his father, or his mother, shall be surely put to death. [***] 17 And he that curseth his father, or his mother, shall surely be put to death."

Christians are taught to abandon their families and their traditions and become slaves of a new cult. *Matthew* 10:35-39:

"35 For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law. 36 And a man's foes shall be they of his own household. 37 He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of me. 38 And he that taketh not his cross, and followeth after me, is not worthy of me. 39 He that findeth his life shall lose it: and he that loseth his life for my sake shall find it."

The Jews are taught to mete out punishment to criminals and thereby defend society from them. *Exodus* 21:23-35:

"23 And if any mischief follow, then thou shalt give life for life, 24 Eye for eye, tooth for tooth, hand for hand, foot for foot, 25 Burning for burning, wound for wound, stripe for stripe."

Christians are taught to be willing victims of criminals. *Matthew* 5:38-39:

"38 Ye have heard that it hath been said, An eye for an eye, and a tooth for a tooth: 39 But I say unto you, That ye resist not evil: but whosoever shall smite thee on thy right cheek, turn to him the other also."

Jews are taught to seek compensation for damages. *Exodus* 22:1:

"If a man shall steal an ox, or a sheep, and kill it, or sell it; he shall restore five oxen for an ox, and four sheep for a sheep."

Christians are taught to give over everything they have to those who abuse them. *Matthew* 5:40:

"And if any man will sue thee at the law, and take away thy coat, let him have thy cloke also."

Jews are taught to love other Jews and to kill all the Goyim. *Leviticus* 19:18:

"Thou shalt not avenge, nor bear any grudge against the children of thy people, but thou shalt love thy neighbour as thyself: I am the LORD."

Christians are taught to let their enemies destroy them. *Matthew* 5:43-45:

"43 Ye have heard that it hath been said, Thou shalt love thy neighbour, and hate thine enemy. 44 But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you; 45 That ye may be the children of

your Father which is in heaven: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust."

Whereas the Christian church, like the temples of the Gentile ancients, offered sanctuary, the Jews sent criminals from the alter of their god straight to death. *Exodus* 21-14:

"But if a man come presumptuously upon his neighbour, to slay him with guile; thou shalt take him from mine altar, that he may die."

The Jews are taught to accumulate wealth and enjoy riches. *Leviticus* 26:3-13 (see also: *Deuteronomy* 11:13-16; Deuteronomy 25:15):

"3 If ye walk in my statutes, and keep my commandments, and do them;

4 Then I will give you rain in due season, and the land shall yield her increase, and the trees of the field shall yield their fruit.

5 And your threshing shall reach unto the vintage, and the vintage shall reach unto the sowing time: and ye shall eat your bread to the full, and dwell in your land safely.

6 And I will give peace in the land, and ye shall lie down, and none shall make you afraid: and I will rid evil beasts out of the land, neither shall the sword go through your land.

7 And ye shall chase your enemies, and they shall fall before you by the sword.

8 And five of you shall chase an hundred, and an hundred of you shall put ten thousand to flight: and your enemies shall fall before you by the sword.

9 For I will have respect unto you, and make you fruitful, and multiply you, and establish my covenant with you.

10 And ye shall eat old store, and bring forth the old because of the new.

11 And I will set my tabernacle among you: and my soul shall not abhor you.

12 And I will walk among you, and will be your God, and ye shall be my people.

13 I am the LORD your God, which brought you forth out of the land of Egypt, that ye should not be their bondmen; and I have broken the bands of your yoke, and made you go upright."

And the Jews are taught to be first, not last. *Deuteronomy* 28:13:

"13 And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them:"

and, *Proverbs* 22:4:

"By humility and the fear of the LORD are riches, and honour, and life."

Christians are taught to shun wealth, be meek and be content to be last. *Matthew* 19:23-24 (see also: *Mark* 10:25. *Luke* 18:25):

"23 Then said Jesus unto his disciples, Verily I say unto you, That a rich man shall hardly enter into the kingdom of heaven. 24 And again I say unto you, It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God."

and, *Matthew* 20:16 (see also: *Mark* 10:31):

"So the last shall be first, and the first last: for many be called, but few chosen."

The Torah teaches the Jews that they are servants only of their god, and do not bow down to any man. *Leviticus* 25:55

"For unto me the children of Israel are servants; they are my servants whom I brought forth out of the land of Egypt: I am the LORD your God."

The New Testament teaches the Goyim to obey men. *Matthew* 22:21:

"They say unto him, Caesar's. Then saith he unto them, Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's."

and, *Romans* 13:1-7:

"1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God.

2 Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation.

3 For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same:

4 For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil.

5 Wherefore ye must needs be subject, not only for wrath, but also for conscience sake.

6 For for this cause pay ye tribute also: for they are God's ministers, attending continually upon this very thing.

7 Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honour to whom honour."

Beyond this, the Torah teaches the Jews to be fruitful and multiply. The early Christians tried to avoid impregnating their women and aborted their children who were viewed as the

abomination of capturing spirit in the material world. This Jewish subversion continued through the Cathars and beyond to this day, where Jews dominate the abortion industry.

The Judaization of Europe set the World back thousands of years, for thousands of years. We have yet to recover from the subversion, and there is precious little time left in which to save ourselves. The Jews are darkness and their advice is the dawn of night into the darkest of ages, the extermination of the human race.

How the Jews Have Employed Torah Doctrines to Destroy the Goyim

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The hoarse battlecry of the Jewish revolutionary sounds, "Liberty, Equality, Fraternity!" Most believe that these are modern invocations, meant to lead mankind into a new and enlightened age.

The Jews claim that Moses first revealed these glorious notions to the Jews. But the Jews do not intend to share these noble attributes with the Goyim, but rather invoke their names as bait leading into a deadly trap that produces the contrary conditions of slavery and the loss of

identity for the non-Jew.

The Jews attribute the first human experiments with "Liberty" and "Equality" to Mosaic law, which compels the Jews to enslave one another for no more than six years, to forgive all debts on the year of release, and to restore all Jews to their ancestral lands in the year of the Jubilee, thereby making all Jews equals. In addition, Mosaic law states that Jews are servants only to their god, but to no man.

When Joshua stole the land of Palestine, he divvied it up among the racial tribes of Israel, and each tribe subdivided the land among its families for all Israelitish posterity (*Joshua* 13). In this way, the Jews meant to avoid wealth disparity and promote equality and liberty. A family had its land and would keep it forever, if need be having it restored at the times of the Jubilee.

The Jews use this knowledge as a weapon with which to lure the Gentiles into a trap. The Jews urge to the Goyim to clamor for "Liberty" and "Equality", but subvert the non-Jew's ability to obtain either by defining "Freedom" as the ability to exchange money for real property. Though the Jews are forbidden to practice usury against fellow Jews, the Torah insists that they destroy the Goyim with usury. In this way, the Jews trick the Goyim into demanding the "Freedom" to exchange their ancestral lands for money and debts, which monies the Jews then deliberately devalue, leaving the Goyim with nothing but debts which are never forgiven. In the name of "Freedom", the Jews produce Gentile slavery.

The Jews then coach the Goyim to clamor for "Equality", which they define as the ability to divide up the lands of the nation and distribute them equally among the citizens. But the Jews

hold that their god owns all of the lands, and so once the Goyim have mass murdered their landed gentry for the benefit of the Jews, the Jews claim that the "State", which is they themselves, owns the land. And so the non-Jew has "his" parcel of land on which to toil for the benefit of the State, for the benefit of the Jew who reaps the profits of all of the Goy's labor on the land on which the Goy is allowed to slave. The Jew also taxes away the wealth of the Goyim and increases the debts of Goy nations, in the name of producing wealth "Equality". In the name of "Equality", the Jew makes the Goy a landless serf.

The Torah teaches the Jew to love other Jews as the Jew loves himself. The Israelites divided the land so as to prevent internecine conflict and promote fraternity of the distinct tribes both internally and among each other.

However, the Jew invokes the term "Fraternity" to rob the Gentile of his identity, his nation, and his unique bloodline. Whereas the Jew presevered his tribal blood being distinct from the other tribes, and whereas the Jew promoted fraternity amongst the Jews as the mythical Israelite tribes and also as a nation composed of those tribes, each with its distinct bloodlines; the Jew undermines the fraternal bloodlines of Gentiles, their national and individual identities and their brotherhood amongst their own kind and good relations to those of other nations. Where there are no distinctions, fraternity is either self adulation, or redundancy. A nation of like blooded people, or people of the same culture, can have fraternity for its members, and fraternity for other nations, for it can admire its unique self, and respect others. But where there are no others, there is no fraternity, because there is no distinction to be found and fraternity becomes a redundancy for the existence of the common whole.

The Jews desperately seek to mix the races and the nations so that there can be no division of the land into tribal territories. The Jews desperately seek to turn over the rearing of children to the State and to the media, so that there will be no families to accrue and hold wealth and real property for all posterity. Instead all will become assets of the Jewish controlled super-State, which the Jewish merchant sells to the Goyim as if loving universal "Fraternity". In the name of "Fraternity", the Jew robs the Goy of his identity, his nation and his posterity, thereby depriving him of any and all fraternity.

Both Jewish Capitalism and Jewish Communism accomplish these Jewish objectives, and both use Jewish religious maxims as bait. The Jews misled the Russians to believe that by destroying their own Russian nation, by stealing the land and distributing it amongst their Russian families, and by forgiving the Russian peasants their debts, the Russian people would obtain "Liberty, Equality, Fraternity!" Instead, the Russian became a slave on State owned land, a slave without credit with which to build anything. The Russian lost his personal, national and religious identity and all his fraternal bonds to his ancestors, contemporaries and descendants.

Jewish Capitalism is doing the same to us in America. The Jews now want us to clamor for secession in the name of "Fraternity", so that we lose most all of our land in the name of gaining a smaller nation like us, and we lose our fellow citizens as defenders of the land on which we live and as providers of revenue and goods for the entire vast and bountiful nation we enjoy today. The Jews now want us to clamor for debt forgiveness so that our money becomes worthless and they can take over all our real property leaving us without anything of value and without credit. The Jews now want us to clamor for "Freedom" so as to spark a chaotic revolution after which

they will impose a dictatorship in the name of restoring "Order". The Jews now want us to clamor for "Equality" so that they can devalue and tax to death our real wealth and convert everything we once had to State ownership, which is to say, Jewish ownership.

In the name of Mosaic law as iterated in *Exodus* chapter 20, and especially the *Mishpatim* chapters 21 , 22 , 23 and 24; and in *Leviticus* 25 ; the Jews steal all that we have including our genetic heritage, our culture, our nations and children, forever and ever. As the Jews state in the Babylonian Talmud, Tractate Sanhedrin, folio 59, the law of Moses is their inheritance and those Goyim who study it deserve death, therefore they teach it to us in order to kill us off:

"R. Johanan said: A heathen who studies the Torah deserves death, for it is written, Moses commanded us a law for an inheritance; it is our inheritance, not theirs."

Bear these facts in mind the next time you observe the Jews doing "outlandish" things to our beloved nation, and also ponder the word "outlandish", as in from another land, as in Jewish and the foreign elements the Jews inject into our world in order to destroy us, to take away our liberty, to deprive us of equality, and to destroy our fraternity. What the Jews are doing to us is *outlandish*, it is the infinitely alien and inhuman Jewish spirit.

Those Poor Jews?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The wealthiest persons in the World are Jews, and their names do not appear in mainstream publications which purport to list the wealthiest men and women in our World. Those poor, oppressed Jews are often also the wealthiest residents on average of the host nations in which they reside, often by a wide margin, as was the case in Weimar Germany.

The Talmud teaches the Jews to conceal their wealth, lest the Gentiles become envious (In addition to the Talmudic glosses, see also: Rabbi Ephraim Lunshitz , *Kli Yakar*). The Babylonian Talmud, Tractate Sanhedrin, folio 29b, quotes the common Jewish expression,

"A man is wont to disclaim abundance [of wealth]."

The Babylonian Talmud, Tractate Ta'anith, folio 10b, provides the Judaic Oral Law exegesis of the Torah at *Genesis* 42:1,

"If he forgot that the day was a fast-day, and ate and drank, he should not at least make it apparent to others, and should also not participate in any pleasures on that day, as it is written [Gen. xlii. 1]: 'Why do ye look at one another?' which signifies, that Jacob said to his sons: Why do ye make it appear that ye are satisfied when the other races of Esau and Ishmael around you are starving?"

The Jews have also sought to avoid taxes by concealing their wealth. The Jews view themselves as a separate nation and lend at interest to the Goyim. Jews feel no obligation to contribute to the nations they instead exploit. Jews have always worked as tax collectors, which not only allowed them to bleed the Goyim, it enabled them to avoid taxes. Mayer Amschel Rothschild was noted for dodging the tax man, and the Jews of America produced a film to demonstrate their habits, which was incorporated into the Nazi propaganda film *Der ewige Jude* at 21 minutes into the following video rendition:

The Eternal Jew

The Rothschilds were the messiah dynasty of the Jews, their kings. By ginning up wars between nations and financing all sides of the conflicts they artificially created, by converting all production value to speculation and then manipulating the markets, by corrupting governments to finance private civil works projects through the issuance of interest bearing bonds, and

through countless other subversions and genocides, the Rothschilds, the king of the Jews, came to own a majority of the World's wealth. *The New York (Daily) Times* reported on 27 October 1855, on page 4, that the Rothschilds were worth more than one billion dollars, which was more than the whole worth of New York City:

"The ROTHSCHILDs, according to their own estimate, possess $700,000,000 in personal property, exclusive of real estate, seignories, mines, &c., which amount to at least half as much more, making the enormous sum of over $1,000,000,000, or an amount much higher than the entire valuation of New-York City."

The New York Times reported on 10 December 1868, on page 4, that upon his recent death, Baron (James?) Rothschild had left an estate worth $400,000,000 dollars:

"Concentration of Wealth.

Baron ROTHSCHILD is reported to have died worth four hundred millions of dollars, and greatly regretted by the poor of the neighborhood where he lived.

The first fact is an overwhelming proof of the tendencies of modern civilization toward *concentration;* for if we mistake not, this enormous fortune is the growth of but three generations. This tendency to concentration is evident in the alarming growth of our great cities both in this country and in Europe. London increased in the decade from 1851 to

1861 some half a million souls, (440,000)—equal to a city like Philadelphia. The great increase of *our* cities is not accounted for by the increase of the whole country, but is caused by the same tendencies which are at work in the Old World.

Not only is this tendency evident in these great cities, but it is found in all departments of manufacture and trade. To-day and with us it is strikingly apparent in such bazaars as STEWART's and CLAFLIN's. Already under these two roofs, which cover one to two acres each, are gathered all that pertains to the dress of men and women, all fabrics for household uses and many other articles. Thus a retail dealer may here select a complete stock, may have it packed and shipped without wetting the soles of his shoes.

There is no reason why this class of merchants shall not or do not undersell all smaller ones. They buy larger quantities, they control mills, they do their business with one set of experienced men, *and they can undersell others even if they do not.*

Now all mankind will buy where they can buy cheapest, and there is no reason to doubt but that such establishments as these, in another generation of thirty years, will swallow up all the smaller ones. It is inevitable. And why not? Because the great end and aim of life is not to buy cheap and sell dear, but is to so organize society that it shall perfect the bodily and spiritual welfare of the race, and insure comfort and happiness to men. Will this vast

aggregation of business and wealth in few hands secure this? It is evident that it will not, unless along with the rights of wealth go the duties of wealth.

We hear a rumor that some of our great capitalists propose to erect, near their wonderful establishments, perfect and complete houses for their clerks and workmen, supplied with every convenience, to be furnished at the *smallest cost*. There will be reading rooms, rooms for games and for exercise, a good public table, a coöperative laundry, bath-houses, &c.

We venture to hope that this is true, and that our millionaires propose to use their money as well as to get it, and thus to mark the civilization of the New World by a beneficent use of wealth, and not by its vulgar display."

The New York Times reported on 18 August 1874, on page 2, that upon his death, Baron Anselm De Rothschild left an estate worth more than one billion francs:

"*A ROTHSCHILD.*

Baron Anselm De Rothschild, who died recently at his country seat at Dobling, near Vienna, was a man of extreme simplicity of character, in spite of his immense wealth. By his express desire, recorded in his will, his funeral was celebrated without any pomp. A hearse drawn by two horses, followed only be a few servants, conveyed the body to the North-eastern station, whence it was taken to the domain in which the family vault is situated. The fortune of the Baron is estimated at more than a thousand millions of francs."

The Rothschilds made so much money from spreading war around the world, that by 1875 their wealth had eclipsed that of most nations, amounting to almost 3.5 billion American dollars, as *The Chicago Tribune* reported on 27 December 1875, on page 8,and recall that those were 1875 dollars:

"The Rothschilds.

New York Sun.

The combined capital of the Rothschilds is stated by Emile Burnouf, the well-known publicist, to have attained in the present year to the almost incalculable sum of seventeen billions of francs, or $3,400,000,000. The significance of these stupendous figures may be rudely conceived by comparison, but there is nothing in the history of private wealth with which they can be compared. The capital of the Barings, the estates of Lord Dudley, the Marquis of Bute, and the head of the family of Grosvenor, belong relatively to a humble category, to which the City of New York has contributed the fortunes of Astor, Vanderbilt, and Stewart. The financial resources attributed to the Rothschilds can best be measured by contrasting them with the funded debts of the richest countries on the globe. The capital of this house, as estimated by M. Burnouf, is about equal to the whole funded debt of Great Britain, or that of France, and considerably exceeds the National debt of the United States. A single century, or the possible span of

one man's life, has sufficed for the accumulation of this fortune, and the rise of its authors from a shabby rookery in Frankfort to the financial domination of Europe. At the period of Rothschild's first decisive triumph on the London Exchange--the day after Waterloo, just sixty years ago--John Jacob Astor was already a rich man. The great fortune which the latter bequeathed is not believed to exceed $50,000,000, while the inheritance of his Hebrew contemporary has been swollen to more than sixty times that sum. Although its territories are not to be found on any map, and the names of its representatives are set off with no princely dignities, nevertheless the House of Rothschild must be reckoned among the foremost war-sustaining and world-compelling powers of the earth."

The Old Testament teaches the Jews to pool their wealth and use it to ruin other nations.

Proverbs 1:13-14 states:

"13 We shall find all precious substance, we shall fill our houses with spoil:

14 Cast in thy lot among us; let us all have one purse:"

The Jews are successful in their subversion of other nations because there is a complex and highly organized hierarchy to the International Jewish Power Structure. The apex of the pyramid is the Jewish king and this is why the Jews love the symbolism of the pyramid. The Jews concentrate wealth at the top in the hands of the Jewish king, which enables the Jews to overwhelm all competitors and squeeze them out of the competition. It also renders the Jews loansharks to entire nations and empires, thereby controlling their destinies, and enabling the

Jews to manufacture and finance wars. The Jews also have been successful at using their concentrated wealth to buy up the media and have it serve their interests as if from different non-Jewish perspectives, creating the illusion of a lack of bias while ensuring a common Jewish cause is always served and becomes the popular opinion.

Even in nations which appear to have multiple party systems, the Jews often monopolize all parties and effectively convert the systems into totalitarian systems ruled by Jews and agents of the Jews.

In order to establish a government willing to defend the United States from the Jewish war on our nation, we must establish and elect an authentically anti-Jewish political party, the *POWER PARTY*. Totalitarianism can only prosper through a cowardly lack of competition.

To defeat this Jewish subversion of our nation, we must officially declare, through the State, war on the wealthiest Jews in the World, those Jews who are waging war on us and who constitute the aristocracy of World Jewry. We must go after them with our military might and destroy them if they refuse to unconditionally surrender to us. This is one of the planks of the *POWER PARTY* platform. We must also eliminate the presence of the International Jewish Power Structure in America, another of the planks of the *POWER PARTY* platform.

Documented History of the Jewish Attack on Catholicism and the

Rights of Catholics

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The rise in Jewish influence through the Rothschild family at the expense of the Roman Catholic Church was so apparent in the 1870's, that some felt a need to defend themselves against a general vilification of Jews based on the Rothschilds' corruption of international politics. *The Chicago (Daily) Tribune* reported on 28 June 1874, on page 2,

"Disraeli and the Jews.

London Correspondence of the Cincinnati Commercial.

Every now and then there are little intimations of the bitterness with which the Jews regard the desertion of their ancient religion and fraternity by Disraeli. All the glory which his genius and eminence reflect upon them ethnologically is lost again by his condemnation of them religiously, by his example,--that is, allowing himself to be spoken of at May anniversaries as a 'converted Jew.' Disraeli is so plainly a Jew in physiognomy that his look has unconsciously reminded the public again and again of the debt they owe to the intellectual distinction of the race. A very clever Jewish writer of London,--Mr. Levy,--recently wrote a very remarkable article showing to

what a large extent European nations are at present under the influence of Jews (as Castelar, Gambetta, the Rothschilds, etc.), and contrasted the fact with the decay of Roman Catholic power over the politics of Europe--the implication being that the historic position of the two, Jews and Romanists, might one of these days be reversed. The clever writer of the article might have given it more point by reference to certain facts in the career of the late Sir David Salomons, who, above all others of his race who have lived in England, deserves to be remembered as the true representative of his people. Through his influence Parliament altered the declaration, 'On the faith of a true Christian,' which he refused to make, thereby annulling his election to the office of Alderman twice. He then obtained very civic distinction, and in 1855-'56 became Lord Mayor of London. His first work after being raised to this distinction was to secure two things which relieved the Roman Catholics of special grievances. He put down the before boisterous and general observance of Guy Fawkes Day, which was always the occasion of insults to the Catholics, and he caused so much of the inscription on the monument near Billingsgate, which attributed the great fire of London to the Catholics, to be erased. Pope wrote of that column, which--

Towering to the skies,

Like a tall bully lifts its head and lies.

But that it no longer slanders the Catholics is due to the determination of a Jew. Baron Lionel de Rothschild was the first Jew elected to the House of Commons, but he had omitted the declaration, 'On the true faith of a Christian,' and withdrew. In 1851, Sir David Salomons was elected to Parliament by the borough of Greenwich. He also refused the declaration, and was requested to withdraw. He did so, but not until he had made a wise and temperate speech to the House which made it feel ashamed of the disabilities imposed on Jews. The late Lord Westbury took the matter up, and after a time the 'Jewish Disabilities bill' was passed. From that time Sir David, who, meanwhile, was created a Baronet of the United Kingdom, sat in Parliament, where he was considered the highest authority on finance, a subject on which he wrote several valuable books. He was one of the founders of the London and Westminster Bank, and was its Chairman until the day of his death. It is a notable circumstance that the Catholic organs of London should have attacked the Jews generally because of the loan the Rothschilds are said to have made to the Italian Government, saying that they were as ready to crucify Christ, when the first acts of the first Jews who got into power in London were the abolition of the two things which most annoyed them. When he was before the people for election as Sheriff, they were curious to know whether some of his views might not impair his official work. Some one asked him what he would do in case a reprieve for a criminal came on Friday night--riding being then prohibited to Jews--and he promptly responded, 'I would order my carriage and go at once.' Some

propositions have been made lately that the large and increasing body of Theists should graft themselves on to the ancient Jewish stem; but there is in England no society of Jews who have dispensed with the old formulas and usages--paschal, sabbatarian, etc.,--which would, of course, render such amalgamation impossible. However, amenities have been passing between the Theists and the Jews, and not a few of the latter are now found attending the religious services of Mr. Voysey and other rationalists."

It should be noted that the seemingly altruistic actions of David Salomon towards Catholics had an ulterior motive. Jews were traditionally staunchly anti-Catholic, but they saw an opportunity to benefit themselves by the emancipation of Catholics. This freedom for Catholics in England would set the precedent for religious tolerance for Jews in England--which is ironic given that it was Cabalist Jews who created Protestantism, Puritanism, and Theism as a means to destroy Catholicism and convert it into Judaism. *The North American Review* wrote in 1845,

"Strange to say, in England the Jews still suffer under grievous civil disabilities. In 1290, Edward the First banished all in his kingdom, and seized on their property. The exclusion was so rigid and complete, that no traces of them in that country occur again till the period of the Commonwealth. Cromwell made an unsuccessful movement in their behalf; and in his time they began to return in small numbers. In the reigns of Charles the Second and James the Second, some privileges were granted them; which, however, were withdrawn after the Revolution of 1688. In

1753, a bill was passed in parliament, not without virulent opposition, permitting Jews, who had been residents of Great Britain or Ireland three years, to be naturalized; but so odious did the law prove to the nation at large, that the ministry who had encouraged the enactment shrunk from its support, and it was repealed at the very next session. From the pulpit generally, by the mercantile corporations, and by a bigoted populace, it was vehemently opposed. Dean Tucker, who, almost alone among the clergy, wrote decidedly in favor of the naturalization of the Jews, was very roughly treated, and, by the people of Bristol, burnt in effigy in full canonicals, with his obnoxious writings. In May, 1830, on the back of the Roman Catholic emancipation act, another effort was made in parliament to emancipate the Jews; but it was opposed by the ministry, and failed. In short, the decree of Edward the First has never been formally abrogated; and though several acts of parliament have recognized, and thus legalized, their presence in the kingdom, England, with all her boasting of Roman Catholic and negro emancipation, still treats native-born Jews as foreigners, admitting them to few privileges but those of alien residents and traders. To a single inch of the soil they cannot obtain a title."--"The Modern Jews", *The North American Review*, Volume 60, Number 127, (April, 1845), pp. 329-368, at 346.

Alas, the Catholics had to wait their turn in line to enter the British Parliament behind the Catholic hating Jews, because of the Catholic hating Jews. The above article "Disraeli and the Jews" gave the false impression that the Jews helped the Catholics gain full emancipation.

Though the Jews sought to ride the backs of the Catholics when Catholic initiatives forwarded Jewish interests, they also denied the Catholics rights when able to do so, even to their own detriment, as proven by the following article in *The New York (Daily) Times* of 13 June 1854, on page 4,

"The Jews in Parliament

Lord JOHN RUSSELL displays consistency in connection with the Jewish Disabilities bill very unusual in so fickle and procrastinating a Minister. On May the 25th, the second reading of the bill was moved, when a singular and unexpected debate took place. The great champion of Israeliteism in England, the eulogist of it in the House of Commons, the glorifier of it in his novels, the steadfast, eloquent defender of the Hebrew race--Mr. D'ISRAELI--voted against the bill which contemplated the admission of Jews to a seat in the British Senate. The reasons which induced this singular opposition of his own opinions, were stated by him at length, in a speech distinguished by his usual earnestness and happy sarcasm. The bill framed by Lord JOHN RUSSELL was intended to remove certain obnoxious clauses from the Parliamentary oath, and substitute other forms, which should be unobjectionable to Hebrew or Roman Catholic. The words, 'on the faith of a Christian,' were to be abolished for the Jews, while the anti-Jacobite and anti-Papal clauses were to be cancelled in favor of the Roman Catholics. This was, no doubt, looked on by Lord JOHN RUSSELL as a skillful combination, by which his bill would secure a double support. The Irish members, from

association or actual interest, would vote for a bill abolishing an oath by which every Roman Catholic entering the House was required to declare himself no traitor, while those members who on other occasions passed the previous Jewish bills through the Lower House, only in order to have them assassinated in the House of Lords, would doubtless sweep this through with an overwhelming majority. Lord JOHN, however, miscalculated. His double blossomed liberality was nipped in the bud, and the bill was rejected by a small majority. This is curious and significant. Heretofore the House of Commons has passed the Jew bills triumphantly, while the Upper House butchered them one after another with dogged determination. The moment, however, that license to the Jews was coupled with license to the Roman Catholics, that instant the Lower House was alarmed, and not daring to trust the insidious bill even to the tender mercies of the Peers, strangled it in its infancy on the spot.

It was a singular sight to see the leader of the despised Hebrew race, disdainfully rejecting constitutional rights for his party, because the same hand held out the same gifts to the Roman Catholics. Mr. D'ISRAELI displayed, however, considerable astuteness in this opposition. It is his policy to disconnect the Jewish question from all possible odium, whether religious or political. At some future, and more favorable period, he calculates that the untiring animosity of the House of Lords will be exhausted, and Baron ROTHSCHILD, and Mr. SOLOMONS will be legally

elected members of the House. To mix up the Jewish interests, therefore, with those of the Roman Catholics, and let the bill appear before the Lords with this duplicated offensiveness, would be to sustain another defeat, and strengthen still more the enmity entertained against the original bill, Mr. D'ISRAELI, therefore, used his influence to have the bill crushed before it could go before the Lords, and so bides his time until he can present the claims of the Jews at a more favorable opportunity, and unclogged by the weight of an obnoxious addition.

That the Jew will eventually conquer opposition, and enter the British Parliament, no one can have a shadow of a doubt who looks at all closely into his claims and the course of events in England. There is nothing in the Jewish character to alarm the supporters of the Established Church. The Hebrew makes no proselytes, for the Jewish faith is as much a matter of race and blood as it is of religion. It is physical as well as moral, and like the Poet, the Jew must be born, not made. There is little fear then of the Jews using political influence to subvert the established religion, and as to the disbelief in Christianity, they are surely as well qualified to hold a place in the English Senate as Lord BOLINGBROKE was, who made no concealment of his Atheism. They represent large commercial and political interests. They sway the destinies of many nations, and the issue of more than one great European question is dependent on their word. The basis of this power to be sure is a monetary one, but English gold is represented in the Commons by

Mr. BARING; why not Jewish capital by Baron ROTHSCHILD?

That the House of Commons holds these opinions is evident by the alacrity with which they passed every Jew bill up to the last; but they seem to hesitate about extending the favor to the Roman Catholics. The Jew is virtually obliged to recant his faith, if he wishes to enter the House at present, which is of course a complete barrier, while the Roman Catholic is merely forced to forswear any designed or secret allegiance to the House of STUART, and promise to keep his fingers out of the pie of the Established Church.

After the anti-papal feeling exhibited by the House of Commons on this question, it is probable that the Jewish Disabilities bill will take another shape when it next appears before the Senate. Meantime, Mr. D'ISRAELI and his sister will write novels in which it is proved that the world owes everything, from the mariner's compass up to the steam engine, to the Hebrew race. Baron ROTHSCHILD will be again elected, perhaps, and again martyred for his faith, until that incapable congregation of old women in the House of Lords think fit to admit a little of the liberal light of the nineteenth century into their chamber, darkened with worm-eaten prejudices. [Colored emphasis added.]"

Note that the Jews saw themselves as Jews, not as British, and did what they believed was "good for the Jews" and would never consider doing what was good for humanity other than as a

means of somehow profiting the Jews. Note that the Jews saw themselves as international lords over Europe, not as loyal citizens of any given nation in Europe. The Rothschild family, who held government posts in several different and often hostile nations, were loyal to none but themselves and the Jews whom they ruled.

Wealthy Jews prevented the emancipation of the Jews of England, though as Jews so often do, they scapegoated Christians for their heinous actions. The famous American Zionist Jew, Mordecai Manuel Noah, noted in 1818, that it was wealthy Jews who had opposed the emancipation of English Jews,

"Great Britain,(7) by an act of parliament, passed in the year 1753, granted to the Jews the rights of citizens; the clamours of the people, and, indeed, the discontent of a large portion of the Jews themselves, caused this honourable law to be revoked; and from the organization of the government, there exists no hope at present of its revival. [***](7) *Great Britain*. The act of Parliament alluded to produced a considerable clamour among the wealthy Jews, who were fearful that giving rights to a vast body of their nation who were ignorant of their value, would have a tendency to create a stronger current of prejudice against the nation. This objection, joined to the indignation of an ignorant populace, induced its repeal. The Jews in England have almost forgot the cruelties formerly practised towards their nation during several reigns; particularly the third Henry, and John; however, these things had better be forgotten, and are compensated by the liberality of the present

times."--M. M. Noah, *Discourse Delivered at the Consecration of the Synagogue of [K. K. She`erit Yisra'el] in the City of New-York on Friday, the 10th of Nisan, 5578, Corresponding with the 17th of April, 1818*, Printed by C.S. Van Winkle, New-York, (1818), pp. 13, 38.

During the Holocaust, it was the Jews, not the Gentiles, who kept the Jews of Continental Europe from migrating to England and America, and they offered up the same excuse that the presence of the Eastern Jew would lead to "anti-Semitism" in England and America.

Again, I must emphasize the fact that this documented Jewish attack on Catholics and on Catholicism was hardly the first or last such attack. The Rothschilds ran the Papacy into bankruptcy and took over the Vatican through its debts. The Jews pitted the Muslims against the Catholics and created the various reformation movements to pit fellow Christians against Catholics. The Jews created the *Kulturkampf* to pit Protestants against Catholics, and used it as an opportunity to smear Catholics and the Catholic clergy in the Jewish controlled press. Etc. Etc. Etc. Vatican II was a Jewish orchestrated subversion. Today, the Jews are scapegoating the Catholics for Jewish crimes past and present.

The Dearborn Independent on the International Jewish Power Structure

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As I noted in previous articles, the Jews were already dispersed among the nations prior to the destruction of the Temple in 70 A.D. In fact, the intellectual and commercial center of Jewry was in Alexandria, not Jerusalem, when the Jews wrote the Septuagint beginning in the 3rd Century B.C. The Jews had then an international government which siphoned off the gold, silver and jewels of other nations and transported them to the Temple.

The *Dearborn Independent* published an article which detailed the then contemporary workings of the International Jewish Power Structure in New York, which article is preserved in *The International Jew: The World's Foremost Problem*, volume 2, on page 137 according to the printed pagination of the book, and page 146 of the pdf file:

Rule of the Jewish Kehilla Grips New York

Further information appears in "*CAHILLA UNMASKED*, by Col. Edwin Marshall Hadley, 1934", at pages 42-51 of the newspaper *CONTACT*:

Cahilla Unmasked

There is much more to the International Jewish Power Structure than Zionists, Israelis and Sayanim. Though my grandfather was at least half Jewish, he died before I was born. I have never had a close Jewish friend, if for no other reason than the fact that there were not many

Jews around me during my life. I have never had a Jewish girlfriend, or a Jewish confidant. To the best of my recollection the closest I came to a Jewish friend was my father's friend when I was a young child. Beyond that, I have only had Jewish acquaintances and those have been few, but among them, I have noticed that they surround themselves with a grossly disproportionate number of Jews. Their conversations often center around the fact that they are Jewish, and how different they believe themselves to be compared to the Goyim.

The Jews do not merely view themselves as a different nation, not merely as a different race, but as alien beings at war with the Goyim. As such, they feel justified in showing absolutely no compassion towards the enemy. They steal and murder without remorse and with a distinct pleasure. They deceive believing their cunning and the Goyim's gullibility and trust to be signs of their divine and superior nature, for do not the gods rule over the Goyim and are not the Jews gods among beasts?

The Jews are united to an extent I did not before comprehend. They view the Goyim as farm animals, the nations as vast ranches, and governments as plantation estates by means of which they control their animals and arrange for harvests and slaughters. The many Jewish organizations are not like Goy quilting clubs. They are instead branches of the International Jewish Power Structure. Our educational systems are indoctrination centers to keep us at war with one another, subverted, subservient and headed for destruction. Our governments are the Jews', not ours. If you want to identify Jewish rule, look for rule anywhere and trace out its ultimate source, there you are likely to find a Jew or an agent of the Jews, and a Jewish political philosophy.

The IRS does not serve the American People. It is instead a revenue pump for the Jews and for Jewish wars. The same was true of the ancient Jewish tax collectors who sucked up the wealth of Rome. It is no coincidence that the Jew Jesus' and the Jew Saul/Paul's (the Jews changed names even then) advice was to give to the tax collector what was "his", because the tax collectors were Jews, and those funds found their way to the Jews and paid the salaries of the Jews. Jew lawyers milk the tax system both inside and outside the IRS. Jew accountants earn their livings from the system, etc. etc. etc. The ever growing bureaucracy is a parasitic system of Jewish rule and Goy obedience.

The structure of our society is built around the Jewish Kehilla and serves their interest in controlling and exploiting their animal herd. You are taught to value and defend the very things which destroy you and enrich the Jews. Your religion is Jewish. Your Christian names are most often Jewish. You are taught that the values of your nations are Jewish. Even your pornography and organized crime and your frivolous entertainments are Jewish. The Jews not only rule over you, they teach you how and what to think, prod you when you venture off their course to the slaughterhouse, and pit your family and friends against you should you point out that they are in control. Should you fall ill, you will likely find your doctor is Jewish and can easily kill you should the Kehilla order it. The International Jewish Power Structure can dry up your pasture and see to it that you are fired from your job. Merely pointing out its existence can land you in jail around the globe.

Slaves at least have the dignity of knowing that they are slaves and who is their master. Goyim are less than slaves. They are animals and the Jews put out their eyes at birth. And how is sight

restored, by faith in the Jewish god that calls for the extermination of the Goyim and the end of the World (*Mark* 10:47-52)? Not only do the Jews blind you, but they then hand you a rubber stick for a cane and mock you when you stumble and fall over the many stones they have quietly placed on your path.

The Jews are turning our young men into young women and our young women into whores and lesbians. The Jews are taking away even your power to be human and are doing so in the name of "freedom" and "tolerance". You are constantly encouraged to let others define your nature for you. You are told what to buy and what to do. Most often you are told to obey. Your options are restricted to the various branches of the secret Jewish government, the Jewish ranchers and shepherds, yes your Jewish god is a shepherd and you to him a stupid sheep.

What do you do to oppose the secret Jewish government, the International Jewish Power Structure? You follow your local Jewish revolutionary's advice and tear down everything that makes your ranch function, you burn the grass, poison the well and topple the barn. Then you look around for your Jewish shepherd to fleece you and lead you into the slaughterhouse.

The Jews want you to "revolt". They tell you how, give you money to do it, and supply your leaders. Then they exploit the crisis they have created as an opportunity to kill you off.

That "Great" French Revolution was a Jewish plot to kill off two-thirds of the French and destroy the power of the Catholic Church. The Jews crowned their puppet as the new Jewish god for the Goyim, the chief sheepdog to bite the heels of the Goyim as the Jews chopped off their heads in fulfilment of the Noahide Laws. At pages 46-52 of the book, pages 63-69 of the pdf file, Nesta Webster recorded many testimonials that the "Revolution" was instead a genocide

campaign to cream off the top 2/3's of the sheep and that the rulers of the "revolution" were either Jews or agents of the Jews, those rabid Goy and crypto-Jewish sheepdogs:

World Revolution: The Plot Against Civilization By Nesta Helen Webster

The "French" Terror was nothing compared to the Jewish butchery of the Goyim that took place in the "Red" ("red" as in Rothschild, "red" as in "Adam", "red" as in Esau, Edom and Judas, "red" as in the cloak of the Jewish messiah) Terror. And yet, the Goyim are being herded towards another Jewish "revolution". The Jews have their documentaries prepared to teach the Goyim their new opinions about heinous "Capitalism" and how it has exploited them. The Jews have prepared their grand inquisitors to investigate the banking system and lead the Goyim into the next Jewish laid trap. The Jews have their anti-Jewish controlled opposition to teach the Goyim the preferred method of hating the Jews, which will lead to the extinction of the Goyim, not the Jew.

All this has been planned for thousands of years. All this is being carried out by the International Jewish Power Structure which paints the walls of your barns with Plato's shadow world, a plasma screen of shadows cast by Jewish puppets and sheepdogs on Jewish strings and Jewish leashes, all of which fills your minds with their thoughts, and your dreams with their nightmares. It is a nightmare you cannot escape. Instead you fall deeper into sleep, one more layer down into the abyss to a lower hell the Jews have carved out in your imagination, a cave with a stage upon which their puppets and sheepdogs perform and you remain chained and seated applauding the next play they have cast for your entertainment until the curtain closes on

the human race.

The Jews have total control because they control the opposition movements. Communism, Zionism, the Democrats, the Republicans, the Libertarians, the Greens, are all branches of the Jewish military and they are all waging war on you. You do not raise an army to fight them, because they have not taught you how and never will. Instead, they will seek to join whatever force you start, so that they can spill some of their venom onto your tongue, define your thoughts for you, and stink up the atmosphere with infighting and arguments. The Goyim had better evolve quickly to gain an immunity to Jewish parasitism, or perish.

Ron Paul and Michael Moore are sheepdogs. Barack Obama is a sheepdog. Have you ever noticed that the best sheepdogs look like sheep, supposedly to fool the wolves, but instead are wolves in sheep's clothing. Remember, it is not the wolves who fleece the sheep, nor do the wolves own the slaughterhouses. Your shepherds are your enemies, too.

The power of the herd exists in its obedience to a consensus mindset. In chaos, they are easily killed as individuals. Misdirected, they are easily led off a cliff or into a slaughterhouse. United with horns facing outwards, they can fend off wolves and lions and other herds.

The answer to Capitalist abuse is not Communist abuse. A practical and effective answer to the Jewish problem, whichever branch of the Jewish military is attacking us, be it Jewish Capitalism or Jewish Communism, must include the removal of hostile Jewish influence and the construction of a culture of self preservation. Even the most meek organism preserves itself. Are we less able to craft for ourselves a survival prone mentality than is a shapeless amoeba?

Our world has become a Jewish labyrinth with a Jewish Minotaur, in the form of secretly Jewish advice and secretly Jewish leaders, a hooked nose Minotaur who chases us from one dead end to the next, but never will it show us the way out to freedom. I have prepared a map of the maze, beginning with the Torah and following the course of mankind under Jewish rule throughout the wicked windings and terrible turns of the increasingly bloody centuries leading to the Jewish apocalypse in the main hall of Armageddon, the feasting hall of the Jewish vampires that stands prepared to receive us today. But we cannot escape this maze of images and ideals by changing channels from one Jewish program to the next. We cannot escape by waking from one Jewish nightmare to a worse Jewish nightmare.

Instead we must dream awake in the light with the map of the maze before us on the wall. We must pin the enemy to the board, track its movements, unveil its many masks and uniforms, and understand its intentions. Only then can we expose and escape the maze of Jewish illusion, the International Jewish Power Structure whose Jews stand as torch bearing beacons on the walls of the maze illuminating the Jewish fortress and pointing the way towards Hell.

The Jews, the entire Jewish People, are the enemy. They rule by guiding us as our sheepdogs, directing us with nips at our heels when we step out of line, and beckoning barks and whelps towards doom through a barbed wire maze, but the wire is wound of illusion and only cuts and keeps those who fear it, and fail to understood that it is made of the vanishing vapor of Jewish lies. Look at the map of history, not the walls of Jewish illusion, and you will find your way out.

Study history and you will see the Jews and how they are misdirecting you. Study society and you will see that it is theirs, not yours. It serves them, not you. Instead you are a tender cooked

chicken torn in the teeth of the Jewish dog that sits over you, watching you and barking at you to keep quiet and stay still.

On Bogus and Subversive Jewish Apologetics Referring to the "Synagogue of Satan" and the Khazarian Origins of the Ashkenazim

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jewish apologists often tout the Torah as if it were a beautiful and humane religious work, when it clearly is not, instead placing full blame on the Talmud as if the first source of the known horrors of Judaism; and they often attempt to convince us that modern Jews are descendants of the Khazars, and therefore not the Jews of the Bible, specifically not the Jews who murdered Jesus Christ and are therefore not to blame for Christ's murder. Both of these lies originate in Karaite Jewish sources, who attempted to subvert the Czars of Russia and trick them into believing that there were good Jews they could trust, the Jews of the Crimea.

Relying upon well known passages in the Old Testament, which state that only the Jewish god makes Jewish law, and that no one is entitled to add to that law or subtract from it, the Karaites

rejected the Rabbinical claims that the Talmud and Maimonides could add to and subtract from Jewish law. This is similar to the position of the ancient Sadducees who, like Jesus Christ, combated the "Scribes and Pharisees" whose traditions adding to and subtracting from the law became the Talmud based upon the mythology of the "Oral Law of Moses".

The Torah states in *Deuteronomy* 4:1-2 that the Jewish god forbids additions to, or subtractions from the law:

"1 Now therefore hearken, O Israel, unto the statutes and unto the judgments, which I teach you, for to do them, that ye may live, and go in and possess the land which the LORD God of your fathers giveth you. 2 Ye shall not add unto the word which I command you, neither shall ye diminish ought from it, that ye may keep the commandments of the LORD your God which I command you."

Maimonides was at first rejected for such attempts to broaden the law. Joshua stated that all that Moses had known had been written down and could be read, thereby excluding the possibility of the authenticity of the "Oral Law" which forms the basis of the Talmud and much of the Cabalah. *Joshua* 8:34-35:

"34 And afterward he read all the words of the law, the blessings and cursings, according to all that is written in the book of the law. 35 There was not a word of all that Moses commanded, which Joshua read not before all the congregation of Israel, with the women, and the little ones, and the

strangers that were conversant among them."

Far from being a trustworthy Jew, notorius forger and fabricator, the Karaite Jew Avraham Firkovich traveled the World collecting and fabricating Jewish writings and artifacts, which he used to convince the Czar that Karaite Jews were the good Jews and could be trusted because they rejected the Talmud and because they descended from Khazarians and were not descended from the Jews who murdered Jesus Christ, and therefore were not cursed to wear Christ's blood (*Matthew* 27:25). Modern agents of the Jews, posing as if "anti-Semites" repeat Avraham Firkovich's dogma both to excuse the Ashkenazim for deicide, and to confuse and render pointless opposition to World Jewry, and further to apologize for the ancient Jews in order to keep Christians on the Jewish hook.

The Czars paid with their lives for allowing these Jews to influence Russian life. We today suffer from the arguments over semantics which Firkovich's spiritual descendants deliberately introduce in order to subvert the organization and empowerment of those who would defend themselves from Jewry. It is beyond dispute that their dogma comes from the subversive and deceitful Jewish liar Avraham Firkovich.

Firkovich also railed against the Talmud so as to excuse the horrific Old Testament and so as to ingratiate himself to the Gentiles. Shabbataian successor Jacob Frank had done exactly the same thing to the Roman Catholic Church, causing his fellow Jews much grief, but ultimately and in a short time infiltrating and subverting both the Catholic Church and Polish aristocracy thereby breaking apart and destroying the once great Polish Empire. The Slavs paid dearly for believing in Jews who promoted a "True Torah" system and complained about the Talmud.

The same Jewish apologists who seek to confuse the issue of the Jewish attack on humanity by provoking us to debate semantics also falsely claim that Jesus Christ (John of Patmos, see: *Revelation* 1:9) was referring to Khazarian Jews when he stated in *Revelation* 2:9:

"I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

and *Revelation* 3:9:

"Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee."

The Khazarian Kingdom did not yet exist when John of Patmos wrote down those words. Therefore, the phrase "synagogue of Satan" could not possibly have referred to the Khazarian conversion to Judaism promoted by the Karaite Jew Avraham Firkovich as if an excuse to trust his faction of Jewry.

Though the possibility that John of Patmos was referring to Khazarian Jews can be absolutely excluded, his true intentions are a matter upon which much disagreement can logically and legitimately take place. There were many divisions in Judaism in Christ's time, including the struggles between the Sadducees and the Pharisees, and even among Hillel and Shammai Pharisees which spilled over into the Talmud. There were also the Essenes and others. Christ

opposed the Sadducees who opposed his "blasphemous" proclamations. Christ also opposed the Pharisees who sought to add to, and subtract from the law with their traditions that became the Talmud, which, as shown above, was a violation of the Torah and precluded by the accounts of Joshua. Therefore, it is likely that John of Patmos was referring to either the Scribes and Pharisees, whom Jesus condemned and against whose modification of the law he spoke, in among other places, *Matthew* 5:17-20:

"17 Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil. 18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled. 19 Whosoever therefore shall break one of these least commandments, and shall teach men so, he shall be called the least in the kingdom of heaven: but whosoever shall do and teach them, the same shall be called great in the kingdom of heaven. 20 For I say unto you, That except your righteousness shall exceed the righteousness of the scribes and Pharisees, ye shall in no case enter into the kingdom of heaven."

Or, John of Patmos was referring to the Sadducees who condemned Jesus to death, or perhaps both power centers.

The Jewish apologists of today, who seek to infiltrate and subvert anti-Jewish movements, spread the same lies as their predecessors and are leading you down the path not to the garden, but to the graveyard where the Poles and Russian lie buried in those same lies and heaps of dung. The Torah is even worse than the Talmud. The Jews of old acted exactly like the Jews of

today. The Ashkenazim are the spiritual descendants of the terrible Judeans, which makes them infinitely worse than the genetic descendants of the Judeans who are dispersed around the World and most of whom know nothing of their partial Jewish descent.

Shlomo's Ark

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In (largely plagiarized) Jewish mythology, the hateful Jewish god destroyed the World with a deluge that lasted for forty days. The Jewish god did this to cleanse the World, but failed to do so, in that the seed of the Serpent lingered in the human race in the descendants of Noah, and was only cleansed from the Jews when Moses accepted the law on Sinai. The Jewish god promises to never ruin the World again with a flood, but also pledged to destroy the Earth and the heavens and leave only the "elect", the righteous Jews, eternally alive.

In order to replenish the Earth, the Jewish god had Noah build an ark and gather two of every type of animal. Since we know that the Jews are today attempting to destroy the World, we can

assume that they have built some form of "ark", and have plans for how they will create a new earth after they have destroyed the old one and exterminated the Goyim.

The Jews planned genetically modified plants as a food source long ago in the Talmud (Shabbath 30b, Kethuboth 111b). The Jews believe women will give birth without pain (think of the Jewish inspired overuse of Caesarean section and epidurals, which often cause numerous unnecessary problems), and will simultaneously conceive and bear children (Isaiah 66:7, Shabbath 30b and related Talmudic passages). The Jews also planned for a tall, beautiful and healthy Jewish race to emerge in the "new earth" (Isaiah 61:9. Ezekiel 37. Berakoth 43b).

What will the Jews use as genetic stock for this new race? I suspect they plan to populate the earth with a single male and his bloodline, that of their king. I believe the Jews plan to murder or sterilize every other family, Jews included. I base this speculation on the fact that Jewish religious myth holds that creation begins with a single man, Adam whose blood contained every human being, and was followed by a single line in Noah after the flood. Therefore, I suspect that the Jews believe that the new earth must begin with a single perfect man, their messiah.

The Jews have promoted genetically modified foods, research into artificial births, etc. I suspect they are experimenting and exploiting the genius of the Gentiles in preparation to fulfill their prophetic myths. I suspect they plan to kill off all human beings save the bloodline of their king. Jews who are helping World Jewry to destroy the human race should keep in mind the Talmudic opinion that only 2 of every 600,000 Jews will be left alive in the end times (Sanhedrin 111a). It probably does not mean you, if you are a Jew.

Jews Controlling the Christian Opposition to the Jewish Anti-Christ

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have known for a very long time that Christians would oppose a Jewish takeover of Palestine as the prophesied manifestation of the Anti-Christ. For 2,500 years, the Jews have been planning a war of extermination against the World, in which they will attack and exterminate "Gog and Magog".

Jews Francisco Ribera and Emmanuel Lacunza, and agent of the Jews, John Nelson Darby, crafted the mythology of the "Rapture" in order to control Christians. The Jews established this mythology in order to have Christians help the Jews to steal Palestine, on the sophistical basis that this artificial and calculated human act would hasten the divine arrival of the second coming of Christ. Classical Christian theology held that the Christians are supposed to oppose the Jewish takeover of Palestine, and instead use Rome, Jerusalem and Constantinople as the seats of power of the Christian faith.

The Jews also created the mythology of the Rapture so that Christians would be passive, or aggressively help the Jews, during the planned Jewish attack on "Gog and Magog". The Jews

taught the Christians to believe that they would be spared any misery if only the Christians would help the Jews to provoke a conflict which would destroy the Earth. Whereas Christ taught Christians that peacemakers are blessed, the Jews taught Christians to become warmongers in hopes that world war would hasten the end of the World and the second coming of Christ.

Knowing that Christians tend to be selfish (Christians selfishly celebrate the murder of Christ because they believe that it brought them redemption and eternal life, and morbidly worship the cross as a symbol of another's suffering as if a sacrifice for their salvation and forgiveness of their sins--ask yourselves how many Christians would suffer on the cross to spare Christ his suffering?) the Jews taught the Christians to selfishly provoke the mass murder of the human race, so that Christians could wait out the horrors and then live with Jesus in a new world under new heavens. The Jews taught the Christians to be genocidal warmakers and worldwreckers, to bring pain, misery and death to their fellow man and to the human race as a whole, in hopes that they themselves would be spared the misery they had deliberately created and would thereby get to meet Jesus.

Through the power of Jewish advertising and Jewish subversion, the Jews have managed to win tens of millions of Christian converts to their Jewish plan to exterminate humanity in our lifetimes, which they would have become our exterminationtimes. As Hayim Nahman Bialik stated on 11 May 1933, Christianity is itself an ongoing Jewish subversion of the Gentiles,

"The argument is that Judaism, by penetrating among the Gentiles (in its Christian guise or otherwise), has gradually undermined the remnants of paganism. Such penetration has not been without deliberate Jewish

conniving in the shape of assistance bestowed in a thousand ways, devices and disguises. It has been effected in great measure by crypto-Jews (secret Jews), who have permeated Christianity and spoken through the mouth of Christianity. By these devices, through Jewish will and through the power of their Jewish blood (I, too, like Hitler, believe in blood and the power of blood); and owing to an instinct for 'requital,' they have gradually induced Christianity to shed what was left in it of pagan elements; and it is they who, in principle (even though they are called by great Gentile names), are the creators of the Renaissance, of Liberalism, of Democracy, or Socialism, and of Communism. All this achievement [***] has come about chiefly through unknown and anonymous Jews, Jews in secret, either crypto-Jews who mingled among the Gentiles and nurtured great thinkers from among them; or, through the influence of Jews, who, in the great crises of liberty and freedom, have stood behind the scenes; or through Jewish teachers who headed the Protestant movements."--H. N. Bialik, in an address to the Hebrew University, Jerusalem, 11 May 1933, as quoted in R. E. Edmondson, *I Testify Against the Jews*, Third Edition, Sons of Liberty, Metairie, Louisiana, (1985), pp. 151-152.

Having created both the Jesuits and the Protestant movements, the Jews have subverted the power of the Roman Catholic Church, and pitted Christians against themselves, provoking Gentiles to kill each other and insult and degrade each other in their Jewish churches.

The Racist Double Standard of Jewish Apologists

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There are many apologists for the Jews who falsely claim that Zionism has nothing to do with Judaism and is strictly political. This group of Jewish apologists assert that Goy Christian Zionists are glassy-eyed lunatics who sincerely believe their Jewish religious mythologies, but that the Jews are too smart and sophisticated to believe such obvious nonsense as the Jewish faith.

As but one example of the religious fanaticism of the common Jew, consider the fact that the Jews have inbred for thousands of years in hopes that their messiah would some day arrive and kill off the Gentiles. Another good example of the bizarre and morbid nature of Jewish religious fanaticism exists in the Jewish belief that when the "end times" arrive, the Jews will be resurrected and their skeletons will arise in Jerusalem to enter into everlasting life. This is why Jews are so touchy about their cemeteries and do not want the bones of their ancestors disturbed, other than to rebury them in Jerusalem.

The Jews fear that when the end times arrive, Jews buried around the World will have to crawl through the earth to Jerusalem so that they can arise there to eternal life. The Jewish belief in

subterranean Zombies rolling through the earth is stated in the Babylonian Talmud, Tractate Kethuboth, folio 111a-b; and in the Yerushalmi Kilayim 9, 3. These beliefs originate in the Old Testament prophecy of the dry bones found in *Ezekiel*, chapter 37, and also in the Torah itself, in *Genesis* 50:25.

When word spread of the appearance of the Jewish messiah in the Seventeenth Century, the Jews shipped their ancestors' bones to Jaffa harbor by the boatload. In more recent times, elderly Jews constituted a large proportion of the Jews who migrated to Palestine in the late Nineteenth and early Twentieth centuries. In the days before jet aircraft, it was difficult to transport bodies for burial within the narrow time frame in which Jews must be buried.

The Jews do not have some genetic barrier which precludes religious fanaticism nor are they of a genetic makeup which prevents them from believing absurd and asinine religious beliefs. On the contrary, the Jews have demonstrated for thousands of years that they are morbid, mentally troubled fanatics who seek to end the World and exterminate the human race, this despite the incessant lies of their many apologists down through those same thousands of years.

Australia's "Racist harassment and incitement to racial hatred" Laws Establish an Authoritarian and Anti-Democratic Government

Christopher Jon Bjerknes

Australia's "Racist harassment and incitement to racial hatred" laws invite the State to become the arbiter of what a citizen may, or may not, claim is in the public interest. This is having, and will continue to have, disastrous consequences for the citizens of Australia.

By providing the absolute defense of acting in the public interest, the State is establishing its own authority to dictate to the public what it may, or may not, consider to be in the public interest; because it is the State which decides whom to prosecute and for what alleged offenses, and it is the State which has granted itself the authority to determine for the public what it may, or may not, discuss as being in the public interest. The State has also created its own authority to quash dissent against the State's mandated views by harassing citizens with prosecutions and

subjecting citizens to the State's determinations of what the citizen may, or may not, express in public. Even if a defendant is successful in his her defense against a prosecution under these laws, the State merely by means of bringing charges against an individual has caused the individual harm and has intimidated others from following in the defendant's footsteps for fear of inviting a similar attack by the State.

The existence of these laws serves as a deterrent to open and uninhibited public discourse and affords the State, not the public, the means to suppress any and all dissent against those groups whom the State would arbitrarily and with its bias shield from criticism and thereby privilege and protect. History affords us many examples of the dangers of these Australian laws. For example, the Roman Catholic Church once held both clerical and profane powers and used those powers to mandate views and censor public discourse. The Nazis immediately enacted such authoritarian and totalitarian laws under the titles of *Ermächtigungsgesetz* and *Gleichschaltung* by means of which the State exercised complete control over the public debate. The Bolsheviks practiced Lenin's "Democratic centralism" as a means to suppress dissent not only over the public, but also among State officials. These authoritarian laws have contributed to the mass murder of tens of millions of human beings by the State, and have shackled the citizenry and inhibited its means of self defense and means to safeguard the public interest from the arbitrary and biased interests of the State.

The Australian government has invited itself to become the judge of what a citizen may, or may not, think and say as being in his or her own interest and in the public interest. The mere existence of this law overreaches the constitutional authority of any democracy and makes the

otherwise free citizen instead a subject of the authoritarian and totalitarian control of the State.

Australia's "Racist harassment and incitement to racial hatred" Laws Violate Several Fundamental Human Rights and Due Process of Law

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Australia's "Racist harassment and incitement to racial hatred" law is so vague as to fail to notify a citizen of what conduct is proscribed by law. The Australian statute proscribes conduct intended to create animosity towards any "racial group" and vaguely defines "racial group" as follows:

"***racial group*** means any group of persons defined by reference to race, colour or ethnic or national origins"

No set of unambiguous definitions inform the public as to what are the "races", "colours", "ethnic origins" or "national origins" intended by this law. Since the citizen has no standard by

which to judge his or her conduct, no proscribed conduct in this law is sufficiently defined as to enable the citizen to know which conduct is criminalized. In addition, the police and courts may arbitrarily define that which is left undefined by the statute, inevitably and necessarily resulting in discriminatory and abusive selective enforcement of the law.

Australia's "Racist harassment and incitement to racial hatred" law criminalizes normal conduct. It is human nature to vilify villains. Nothing prevents any group of human beings from being villainous, and therefore no group of human beings may be made immune by law to vilification. Human beings have always engaged in criticism of ethnicities, races, colors, and nationalities, and doing so is normal human conduct throughout all of recorded history. The entirely selective and arbitrary *ex post facto* determination of which human groups constitute "races", "colours", "ethnic origins" or "national origins" by the police and prosecuting officials and the courts taking place in Australia has, and is intended to have, a chilling effect on the healthy and entirely normal conduct of political, religious and public discourse. Such a chilling effect on free speech and public discourse is detrimental to the public good, and is abusive of individual rights.

Australia's "Racist harassment and incitement to racial hatred" law violates the right of self defense. When a group of persons holds to a belief system, and/or engages in conduct, which harms, degrades and/or discriminates against any individual or other group, all members of society have not only the right, but also the duty to protect themselves from said villainous group. One means of self defense is to vilify the villainous group. The law not only violates an individual's right of self defense, it works against the public's general best interests by muzzling watchdogs and granting immunity to villains.

Australia's "Racist harassment and incitement to racial hatred" law violates all citizens' fundamental rights to equal protection under the law, for where a "racial group" by its creed, its conduct, and/or its self description commits "Racist harassment and incitement to racial hatred" towards others, this group is granted immunity for its offensive conduct, while those who would criticize it for its offensive conduct are barred from doing so by law. In this manner a privileged class and a subservient class are arbitrarily and for the first time established by law and only by law, which is illegal. The criminal is immune to criticism and the watchdog is muzzled and imprisoned for sounding an alarm. While the law establishes several absolute defenses, those defenses depend on subjective mental states and arbitrary definitions left undefined by law, which unlikely sanctuary under the law encourages those who would otherwise speak out in defense of themselves and the nation to remain silent or leave their fate uncertain and in the hands of the State to arbitrarily determine and with bias that cannot be exposed or criticized for fear of additional prosecutions.

The violations of freedom of speech and political freedom will be addressed in additional articles as time permits.

An Important Book on the Jewish Question

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A pdf facsimile of the improved and enlarged second edition of Jakob Ecker's *Der ‚Judenspiegel' im Lichte der Wahrheit: Eine wissenschaftliche Untersuchung* is available for free on the internet. Though the book is an apology for the Jews, it reveals a great many truths which expose Jewish hatred of the human being and it cites and translates (to German) primary Jewish sources.

Eric Hufschmid and Daryl Bradford Smith Still at It

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Eric Hufschmid, who openly worked with Daryl Bradford Smith for years, has presented a recording of an alleged conversation he had with Daryl Bradford Smith "in August of 2009". A transcript of this dramatic conversation appears on Hufschmid's website here and one need only search the webpage for the keyword "Daryl" to locate the relevant passages:

http://www.erichufschmid.net/Hufschmid-2009Nov21-transcipt-Part-2.html

The audio recording of the purported conversation appears on Hufschmid's website here:

http://www.erichufschmid.net/Hufschmid-2009Nov21.html

Has Smith addressed the statements presented in his voice in which he purportedly states that

the brothers of his good friend are "Mossad"? Why would Smith, who has called Hufschmid a Zionist Jew, call Hufschmid in August of 2009?

Noel Ryan, aka "Ognir", has been confronted with the issue, but as of this writing has not substantively responded:

http://theinfounderground.com/forum/viewtopic.php?f=35&t=8891&sid=ff878061e50e68c91339b13abaf96078

Though I requested that "Ognir" ask "Muhammad Rafeeq" for his birth name and the birth names of his, "Muhammad Rafeeq's", grandparents, and though Noel Ryan has had ample opportunity to do so, I have not yet received a response to my inquiry of Ryan and "Rafeeq" as to those names. Nor have I heard "Muhammad Rafeeq" tell us whether or not he has any Jewish blood, or whether or not any of his relatives have been or are involved in the banking industry.

David Pidcock has referred to "Muhammad Rafeeq" as "Rupert", and it is known that his, "Muhammad Rafeeq's" first name is Paul, a fact not denied by "Muhammad Rafeeq" to my knowledge, and recorded in his nonsensical and thoroughly discredited apology for convicted criminal Bernard Madoff, and which has been confirmed by a friend of "Muhammad Rafeeq's". Daryl Bradford Smith and "Ognir" pretend that there is no basis for my enquiries, but it is Smith who first told me that "Muhammad Rafeeq" is a Jew from a banking family, and "Ognir" need only pose the question directly to "Muhammad Rafeeq", or is it "Mohammad Rafiq"? Or is it some other name containing "Paul" and "Rupert"?

Since "Muhammad Rafeeq", Daryl Bradford Smith and Noel Ryan have not responded to my requests for "Muhammad Rafeeq's" birth name, a very simple and straightforward request requiring less time to answer than to dodge, I pose the question also to David Pidcock.

I have recently received an e-mail pointing out to me an article entitled "Forum to examine future of interest free finance United Arab Emirates: Monday, April 01 - 2002". This article names "PAUL RUPERT DeBEER. Monetary and Ethical Investment Specialist." as a speaker at the forum and states "Chairing the sessions will be David M. Pidcock". Dear Mr. Pidcock, kind sir and honest Muslim, would you please tell us who this "Paul Rupert DeBeer" is, what he had written or accomplished which recommended him to the forum which you chaired, and what was "Muhammad Rafeeq's" birth name?

Has "Muhammad Rafeeq" ever retracted his nonsensical and thoroughly discredited article in which he claimed that Madoff is innocent?

It is interesting that Daryl Bradford Smith has told Eric Hufschmid and me that he, Smith, is good friends with prominent Jews in the gold and jewelry business. It is further interesting, as my correspondent has pointed out to me, that Smith had a radio program which broadcast from South Africa, the center of much of the diamond and gold trades. Smith also had programs on RBN and GCN, both of which are involved in the gold trade.

Why has none of this piqued the interest of Noel Ryan, our would be anti-Zionist champion? Why does so dignified and well connected a man as David Pidcock lend his support to Daryl Bradford Smith, a man who makes a point of loudly claiming that the moon landings were a

hoax?

On Jews, Venison, Pigeon Meat and Metempsychosis: It Just Keeps Getting Weirder

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

One of my original tutors on the Jewish Question was a German man, who believed in Metempsychosis (reincarnation) and advocated a careful diet without most meats. I thought he was simply following in the footsteps of Schopenhauer, Wagner and Nietzsche, who were in turn influenced by the Hindus. But then I conducted my own studies into the Cabalah and its affinity to cults I suspected were of gnostic Jewish origin, such as the Christians, Cathars and Shabbataians. The Lurian Cabalah lays particular emphasis on the doctrine of Metempsychosis.

Another common theme I found in many of these groups and persons was the strong emphasis on the notion that the Talmud and oral tradition of the Rabbis were false and that the Torah had to be reinterpreted, even to the point of doing the exact opposite of the standard interpretation of the text. I believe I have found a missing link in this chain from the gnostics to the Cathars and Shabbataians in one Anan Ben David. In researching this Jew, I find many striking parallels

between his life, or at least the standard story of his life and his beliefs and cult, with that of the much later Shabbatai Zevi and the cult he originated. Both Zevi and Ben David were placed on trial. Both then adopted aspects of Islam and were spared. Both called for the reinterpretation of the Torah, the Shabbataians calling for their followers to do the exact opposite of the standard Rabbinical interpretation of the Torah and the rejection of the majority of the Talmud as spurious. The Frankists who were born of the Shabbataians made it a practice to whip up anti-Jewish sentiments by quoting the Talmud and legitimizing accusations of blood libel against fellow Jews.

The weird gets weirder and I have come to suspect that the Germans I have met and those who preceeded them were the (spiritual? biological?) descendants of the cult of Anan Ben David, and not followers of the Hindus. I suspect Theosophy under Blavatsky merely used Hinduism as a guise for this particular strain of viral Judaism. And so the story takes an even odder turn.

One of the famous Germans/Austrians who fit the mold is no less a famous "anti-Semite" than Adolf Hitler. His reputed vegetarianism and the love of Wagner and others who advocated a belief in Cabalistic Metempsychosis, raised my suspicions. But there is more. Hitler did eat meat, in fact he loved pigeon, one of the very few meats which Anan Ben David stated could be eaten while the Jews remained in exile, which should be properly interpreted to mean until such time as the Temple is rebuilt and proper animal sacrifices resumed. The other meat in which Hitler indulged himself was wild game. Venison and turtle dove were the only other two meats which could be eaten. I had once thought that Hitler might have used his famous alleged vegetarianism as a cover to maintain a kosher diet, as I suspected of many other vegetarians

who practice a belief in Metempsychosis, state that the Torah has been misunderstood and that the Talmud has led Jews astray from the true meaning of the Torah. And indeed, I still believe they feign vegetarianism on moral or health reasons to cover up their Judaism, but I now suspect that many or all of these persons, some of them quite famous historical figures, were followers of the cult of Anan Ben David.

I am betting that the chain in no way ends with Ben David, and that he was copying a much older cryptic form of Judaism which winds it way back to Ur and back again and again to Mesopotamia and what is today Turkey. It is truly amazing how often the Jews follow a set pattern and repeat it again and again. I am now pursuing the theory that Zevi was deliberately copying the life of Anan Ben David, or at least taking his example as a method of preserving himself and developing his cult. Christianity certainly contains elements of this belief system which predate Ben David. The "resurrection" of Jesus Christ, Christ's "second coming", being "born again" and the doctrine of a second eternal life in a "new heaven" and "new earth" are all forms of the mythology of Metempsychosis. Semi-vegetarianism apparently only became an issue after the destruction of the Temple which occurred after Christ had died, but already in his lifetime, Christ instructs his followers to eat his flesh and drink his blood in order to become God. The Jews believe that if you consume an animal's blood, you transform into the soul of that animal, and so since Christ believed he was God, to eat Jesus would make you God by virtue of the Jewish dietary laws. And what animal did Christ symbolize in the form of the Holy Ghost, the dove. Christ reinterpreted, and more than once reversed, the Torah, and condemned the traditions of the scribes and pharisees, as would Ben David and Jacob Frank.

For years now I have looked with great suspicion upon those who seek to ingratiate themselves

to me, then reveal to me that they are vegetarians and ask me what I think of reincarnation (Metempsychosis). As odd as it must appear, I have encountered more than a few such persons, and often discover that they have close ties to the Jewish community.

Joking Top Ten Guesses of What "Muhammad Rafiq's" Birth Name Might Be

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In light of the laughable presentation of Daryl Bradford Smith and David "Musa" Pidcock, in which Pidcock claimed that "Muhammad Rafeeq" once actually called himself "Rupert the Bear", I thought I would add a touch of humor to my blog with a joking top ten list of humorous guesses as to what "Muhammad Rafeeq's" birth name might be.

Number 10: Paul Rupert Lev Bronstein

Number 9: Paul Rupert Goldi-Lox-n-Bagels

Number 8: Paul Rupert Ivannabeagoyovich

Number 7: Paul Rupert Bugsy Siegelbunny

Number 6: Paul Rupert Setters Smith

Number 5: Paul Rupert Trepur Luap

Number 4: Paul Rupert Barry Soetoro

Number 3: Paul Rupert Madeleine Albright

Number 2: Paul Rupert Baron de Rothschild

Number 1: Nothing funny about that. . .

The Unbelievable Fairy Tale of "Rupert the Bear" AKA "Muhammad Rafeeq" AKA "Paul Rupert DeBeer". . . Who Truly Is???

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Muhammad Rafeeq", Daryl Bradford Smith, "Ognir" and David Pidcock missed another opportunity to tell us "Muhammad Rafiq's" birth name. Smith has posted interviews he recently

conducted with these other men. The interview he conducted with David Pidcock is quite revealing in what these men refuse to reveal, and what they supposedly do. Refer to the following audio starting at 44 minutes, 44 seconds into it:

http://www.iamthewitness.com/audio/David.Pidcock/TFC.SMITH.PIDCOCKNEWYEARSDAY.01-01-2010.mp3

Quoting from this interview we have:

Smith:

"Well, David, in light of that statement, you know you, and uh, have known my friend and collaborator, I work with him regularly, 'Muhammad Rafeeq', for several decades now."

Pidcock:

"I've known him for a long time. Yes."

Smith:

"And he has come under fire by critics saying that he is a member of the diamond merchant family De Beers and that I because I used to do a show in South Africa, that makes, the South African connection to my radio show makes me connected to De Beers and. . . . You know we've got these crazy conspiracy nonsense out there, but um they the. . ."

If Smith is referring to me, then Smith is fabricating a straw man argument to knock down. I never said that "Muhammad Rafeeq" is a member of "the diamond merchant family De Beers". Rather, I repeated what Daryl Bradford Smith told me, that "Muhammad Rafeeq" is not the man's original name, that "Rafeeq" is a Jewish *banker*, and that "Rafeeq" studied cabalah as a practitioner and comes from a *family of other Jewish bankers*. Smith's straw man argument aside, everything so far stated is perfectly consistent with these facts. I stated that "Rafeeq" was a banker before "Rafeeq" revealed that fact on Smith's show. How did I know it, if Smith did not tell it to me? How did I know that "Rafeeq" claimed to have had a split with his Jewish banking colleagues, if Smith had not told this to me?

Why does Smith raise straw men of his manufacture rather than tell his audience what he told me years ago?

The interview continued. . .

Pidcock:

"Do you want me to. . . can I say. . . am I allowed to say. . . what the real story is?"

Why would Pidcock ask for permission to speak the truth about the man's name?

Smith:

"Well, yes, except that I don't know if 'Muhammad' wants his original family

name out though."

Permission denied.

Pidcock:

"No, but I would say that he, 'Muhammad', was working in the City of London. He is a very, very clever analyst, uh, brilliant with computers and math, etc. He came to the conclusion that, uh, as uh, Hugh Kingsmill described the City of London and its denizens as 'excrement living on increment.' So that he felt that he had to get out. Now, he had certain information. So he basically changed his name to make everybody think that he'd just. . . uh, ah, he'd just flipped. And he changed his name by (depold?) to Rupert the Bear, OK?"

If Pidcock demands honesty, why did he tolerate the pseudonym for "Rafeeq" and if Pidcock demands truth, why doesn' Pidcock tell us "Muhammad's" birth name and the names of his parents and grandparents, which Pidcock appears to know? Where is the truth Mr. Pidcock? Was it honest to create pseudonyms and pretend to madness?

David Pidcock states in the interview and elsewhere that he is the great, great grandchild of opium manufacturers and opium shippers and persons involved in the East India Company long before his birth. Were these not ultimately Rothschild enterprises? What was the information "Rafeeq" had which he believed compelled him to pretend that he had gone mad, according to

Pidcock, though "Rafeeq" has not stated that this fairy tale is correct? Has not "Rafeeq" called upon intelligence agents to have courage and reveal what they know on "The French Connection"? Has he revealed what he knows? Why not start with his birth name?

Smith:

"Yes, because, because in a prosecution it's kinda hard to be serious about prosecuting Rupert the Bear."

Pidcock:

"Right, right. So the there were the three bears. There was mother bear, father bear and Rupert the Bear. And uh so, he. . . I said, well we couldn't, uh, we had. . . we went to give talks in various places. I said well we can't announce you as Rupert the Bear, because we'll all look stupid, and even though I like Rupert and uh the Chinese gentleman that was his mentor in the express, uh, but uh so, um, as you think of it I'll send something quickly. I said well we'll call you Rupert DeBeer, and so it came out of 'the Bear' but it turned into 'DeBeer' for the sake of, um, ah, just having something which sounds credible. Then we were due to do a program in the Middle East, which was cancelled, uh and uh, then, of course, he would have to reveal his identity, using his passport to get visas. So, it was complicated, and so these first name on his passport was used as Paul Rupert DeBeer, not, rather than Rupert the Bear. So it has nothing to do with South Africa. It's everything to do with fantasy."

Smith:

"Well, uh, you know, the idea, um. . . See, what I've always said to people is, is look at the body of the work. If you have a, if you take issue with my conclusions or the work I've put out there, challenge me."

I did challenge Smith and "Rafeeq" on their nonsensical apologies for Bernard Madoff, and their response was to smear me with falsehoods, avoid the issues I raised, and pretend that I had no basis whatsoever to claim that "Muhammad Rafeeq" was not the man's birth name. Was it honest of Smith and "Rafeeq" to smear me with falsehoods, when I asked a perfectly legitimate question of them, based on Smith's own assertions, and when was it was obvious on its face that "Rafiq's" apology for Madoff was complete nonsense? Where was the truth and an honest and open response when I posed these questions, and issued a fair criticism of their body of work? Why did Smith and "Rafeeq" pretend that I had ulterior motives, when they knew quite well that I did not? Was their behavior honest?

Pidcock:

"Challenge. . . Right! Give us the evidence. I'm quite prepared to change anything that I, uh, so long as the evidence supports it."

I do challenge your stories, Mr. Pidcock. I ask you why you did not tell the truth about "Rafeeq's" name, by your own accounts, and ask if you believe such behavior is sanctioned by Islam? I ask you for "Muhammad Rafeeq's" birth name and those of his parents and

grandparents? I ask you if "Muhammad Rafeeq" has any Jewish blood and if he studied cabalah as a practitioner? I also ask you to explain why, in your opinion, did your old friend "Muhammad Rafeeq" try to savage me with falsehoods when I posed these questions to him directly, why did he try to make it appear as if there were no basis for my inquiries, and if his behavior is consistent with the requirements of Islam?

Note that Daryl Bradford Smith has failed to name the names of the alleged Mossad agents whose sister was supposedly his patron and who is his close friend. What business is this family engaged in, Mr. Smith, and what are their names? Why did you tell me that you are good friends with prominent Jews in the gold and jewelry trades, importers from Italy, was this not your story? Name names, Smith. Name the alleged Mossad agents. Name "Rafeeq's" birth name. Stop pretending that there is no basis for my legitimate and entirely fair inquiries.

The Lawyer Who Defends Brendon O'Connell Will Likely Become Famous

Brendon O'Connell's case is bound to make the lawyer who defends him famous. I can only

imagine that the television media will regularly interview the lawyer who represents O'Connell.

The Prosecution of Brendon O'Connell Must End

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

There should be pretrial motions to the dismiss the indictment against Brendon O'Connell on the grounds that the Statute under which the prosecution is brought, and is proceeding, is illegal, void and unenforceable; in that it violates Brendon O'Connell's fundamental constitutional and human rights of free speech, equal protection of the laws, self defense and freedom to engage in normal conduct intended for the public good.

There should be a pretrial motion to dismiss the complaint against Brendon O'Connell on the grounds that it fails to allege that an offense has been committed; in that the complaining allegation has no substance because it depends upon the false assertion that the Jews are a race so as to spuriously allege one of the elements of the offense. Therefore the complaint fails to allege a required element of the offense in fact, and is devoid of any sensible allegation that an offense has occurred, leaving the defendant without any means of preparing a defense to a

charge which fails to allege that a crime has occurred.

The prosecution must end at the earliest possible date so as to terminate the illegal harassment and persecution of Brendon O'Connell. In the public interest, the prosecution must end at the earliest possible date so as to lift the chilling cloud it is having on public discourse.

Any denial of such motions should be immediately and directly appealable to the highest court, in that there is a strong and compelling public interest in the free and open public discussion of an enemy attack upon the nation, and the illegal prosecution of Brendon O'Connell is having, and is intended to have, a chilling effect on that discussion.

Why Has Not Daryl Bradford Smith Named the Names of the Alleged Mossad Agents He Knows?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Daryl Bradford Smith has repeatedly called for the formation of public lists of Zionists. Why has he not started such a list himself and named the Mossad agents he has allegedly identified? Why

would Daryl Bradford Smith refuse to cooperate with an investigation into these alleged Mossad agents? Why would Daryl Bradford Smith telephone Eric Hufschmid in August of 2009, whom he has accused of Svengali'ing him, and whom he has called a Zionist Jew? How could Smith arrive at the conclusion that his dear and close friend, a Jewess who served as his patron by his accounts, has nothing to do with the Zionist network when he believes that her brothers are Mossad? Was it not incumbent upon Smith to disclose the fact that he believes her brothers are Mossad when seeking to shield her, and was it not, and is it not, incumbent upon Smith to publicly identify Mossad agents and name names?

"Ognir" made a cop out when I asked him to ask "Muhammad Rafeeq" for his birth name with the pathetic excuse that he lacked "Rafiq's" email address. Noel Ryan then spoke directly to "Rafeeq" on several occasion but did not ask for his birth name. Now that I have begun to hone in on "Muhammad Rafeeq's" birth name, "Ognir" claims that he will finally ask for it from "Rafiq" or is it "Paul" something or other, which "Ognir" now concedes is correct, though he previously attempted to vilify me for raising the issue. Funny how names change with Daryl Bradford Smith & Co. "Ognir" is itself an inversion of "Ringo".

Daryl Bradford Smith pretended that I had no reason to question whether or not "Muhammad Rafeeq" was ever known by any other name, or whether or not he had Jewish blood, studied Cabalah as a practitioner and had Jewish bankers in his family, but it was Smith who first told me of these things, and Smith is only now revealing to "Ognir" that "Muhammad Rafeeq" has had other names, if "Ognir's" accounts are true.

"Muhammad Rafeeq" also pretended that I had no right to inquire of other names he has had.

Why did "Rafiq" not immediately tell us any and all other names he has had?

Why did these characters try to vilify me for asking these questions and for pointing out that "Rafeeq's" article falsely claiming that Bernard Madoff is innocent was and is bunk on its face, and why did they pretend that I was in some way challenging "Rafeeq" to draw attention away from his transparently bogus conclusions, when "Rafeeq" knew that I had posed those same questions to him long before he had written his garbage article apologizing for confessed criminal Bernard Madoff? Why has not "Rafiq" since apologized to me and thanked me for pointing out that his article was nonsense on its face, which fact can no longer be denied even by a sophist so talented and practiced as he.

Will Smith now tell his audience everything he told me years ago about "Muhammad Rafeeq", or will Smith continue to try to vilify me with falsehoods for exposing the truth he doesn't want known?

The Charges Against Brendon O'Connell Are Themselves Violations of the Statute Under Which They Are Made

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

When the State asserts without proof that the Jews are a race and not a religion, the assertion itself proves that the State and the Jews are racist; in that they seek to prevent and bar by law and common understanding the admission of any Gentile into the class of person identified as the "Jews", or the "chosen people", or as members of the Jewish religion. These facts place the prosecution on the twin horns of a dilemma, because the charges themselves prove the correctness of O'Connell's alleged statements and should the State abandon its racist position and admit that the Jews are not a race, then there is no possibility of an offense of "racial vilification" of Jews ever having occurred.

Therefore, O'Connell is of necessity innocent and it is the prosecution and its Jewish supporters who are guilty of "racial vilification" of both Gentiles and Jews. Anyone, including but not limited to the Jews, the prosecution or any judge who determines that the Jews are a race and not a religion echoes the racist beliefs and racist laws of the Nazi regime. The racially discriminatory determination that the Jews are a race and not a religion prevents Gentiles from becoming Jews and a member of the "chosen people" and is therefore an act of racist discrimination against Gentiles which bars them from the free exercise of their religious right to become religious Jews. This also violates the equal protection clause, in that it arbitrarily creates two classes of persons based upon presumed and false racial distinctions, one class of which enjoys the right to practice the Jewish faith and one of which is barred by the State from entering that faith and people. Said racist determination also subjects any, including former Gentiles, to the determination that their entrance into a religious belief system has rendered them racially distinct from other human beings, a determination which is false and

discriminatory in that it, among other things, denies their human right to their heritage and artificially and arbitrarily categorizes such persons as different from other human beings on a genetic level when such distinction does NOT exist in scientific or actual fact, but rather is made as part of a racist and discriminatory policy to separate and segregate Jews and non-Jews.

O'Connell is innocent, but those who accuse him are themselves guilty of the very offense they level at O'Connell by virtue of their accusations which dub the Jews a race.

Forum Needed to Discuss the Legal Issues Involved in O'Connell's Case and a Site Needed to Raise a Defense Fund for Him

Christopher Jon Bjerknes

One good idea is enough to free Brendon O'Connell. We need a moderated discussion board so that we can Tom Sawyer lawyers and anyone of good will to contribute ideas and information which will help to win O'Connell's case. He also needs funds to defend himself from the immense powers of the State to steal away his freedom

Such a forum will serve other functions, in that it will spark interest in the case and serve to rehearse and subject to public trial the issues of concern. The forum must be moderated to

prevent a muddying of the waters.

The Charges Against O'Connell Must Be Dismissed Immediately, Because They Fail to Allege an Offense

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A statement that the Jews are racist cannot be a reference to race, because racism is not a racial characteristic, but rather a trait of a belief system. Therefore, any statement that the Jews are racist must of necessity have been referring to beliefs and not racial traits. An element of the offense of "racial vilification" must be that a race has been vilified, and it is the State, not O'Connell, which is arbitrarily and with malicious intent falsely designating the Jews as if a race in order to silence O'Connell's accurate depiction of the Jewish religion. In America, the normal procedure would be for the defendant to file a pretrial motion to dismiss for the failure of the indictment to allege an offense.

The defendant would also file motions to dismiss due to the unconstitutional vagueness of the Statute which fails to notify the defendant of what conduct is proscribed by law; a pretrial motion to dismiss due to discriminatory violations of the equal protection clause of the

constitution; a pretrial motion to dismiss for constitutional violations of the defendant's fundamental rights to free speech; a pretrial motion to dismiss for constitutional violations of the defendant's right to engage in normal human conduct; pretrial motions to dismiss for prosecutorial misconduct; pretrial motions to dismiss for violations of the defendant's due process rights to preserve evidence; a pretrial motion for a bill of particulars; pretrial motions to suppress any evidence obtained illegally; a pretrial demand for a speedy trial if such is applicable in the jurisdiction of the court; a pretrial motion for discovery of exculpatory evidence and all other matter which the prosecution will or may wish to present at trial; etc. etc. etc.

At trial, the defendant must raise the absolute defenses provided by Statute as well as those secured as his fundamental rights to free speech, political freedom, self defense, defense of country, freedom of religious beliefs and expression, etc. etc. etc. All this must be done to not only win the case in the pretrial or trial phase, but also to preserve the right to raise the same issues in any potential appeal.

If it is an issue of first impression, if this is the first time the courts will address the question, then O'Connell stands a good chance of being able to appeal to the highest courts any violations of his rights or misconduct by the courts and/or prosecution. Have the courts established the elements of "racial vilification"? If not, then O'Connell has not received sufficient notice of what conduct is proscribed by law. If so, then the indictment against O'Connell must claim each element of the offense, which it cannot do, because the allegation necessitates that O'Connell referred to beliefs, not racial traits. Therefore, the prosecution must end at the earliest possible

date so as to prevent further harm to the defendant by the unlawful prosecution currently being pursued by the State.

The Brendon O'Connell Case Concerns Us All

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Having watched the following statement by Fredrick Toeben, I would like to make a few observations and comments:

Playing the Race Card in Australia during May-June 2009 - Part I

Though there are certainly weighty historically important questions which will be judged in the

case of Brendon O'Connell, his first concern should be to preserve his liberty and win his case. Any defendant should be raising legal issues in his defense and not simply hope to win because he is morally and factually correct. If convicted, a defendant may have waived those rights he did not assert prior to and during trial, and the appeals courts may refuse to consider any issues raised for the first time in post-conviction process. It is important, therefore, for any defendant to vigorously defend himself at the pretrail and trial stage of the prosecution, and throughout the process and assert all of his rights, and not get caught up in the drama and emotion which may blind him to the legal issues which can free him and which can help preserve all of our fundamental rights as human beings against the encroachments of the State.

If the information Toeben presents is correct, then the law which the State seeks to enforce against Brendon O'Connell is fatally defective on its face.

If the determination of whether or not the Jews constitute a race is made after the alleged act of vilifying the Jews occurs, then such a determination, however made, and whether made by a judge or a jury, or some other form of hearing, is made *ex post facto* and therefore is unenforceable against a defendant who had no prior notice of what conduct is proscribed by law.

The very act of conducting a hearing to determine whether or not Jews are a race demonstrates that the Statute failed to provide sufficient notice to the public of what conduct is proscribed by law, and therefore the Statute is unenforceable and must be struck down.

Since the Statute provides no legal definition of whether or not Jews are a race, the question is an issue of fact, not law, and therefore a defendant so charged ought to be entitled to have the

issue of fact determined by a jury, if that is his choice, and not a judge or other non-jury form of hearing. I know nothing about Australian law. It might be that a defendant will have waived his right to have the issue determined by the jury at trial if he fails to assert that right pretrial and instead agrees to have the issue determined by a judge without objecting and taking exception to the violation of his fundamental due process rights. I do not know if the Australian courts honor a defendant's fundamental right to have issues of fact determined by a jury of his peers, as opposed to by a judge who in America is only entitled to determine issues of the law if that is the defendant's choice. This is a very important point to consider and one which the appeals courts may refuse to consider if it is not raised at the pretrial stage.

(1) There is a substantial argument to be made that there are no distinct human races, and therefore any accusation of racial vilification does not, and cannot state an offense and can therefore be dismissed pretrial. (2) This argument can be made in addition to the argument that the Jews are so genetically diverse that they cannot constitute any homogenous and unique biological category, much less constitute a specific race. (3) Beyond this is the argument that the Jews are followers of the Jewish religion, not an homogenous and unique racial biological category. A Jew may become a non-Jew by changing his religion without changing his genes. A non-Jew may become a Jew by conversion and belief. Though such a convert may believe that he is racially superior based on his incorporation through his beliefs into the "chosen people", science provides no evidence that his genes have changed, much less blended with those of a mythological homogenous and unique Jewish genotype which nowhere exists. These are three separate issues and should be heard separately at different hearings or by a jury.

Once again, since the law has not made any such definitions, these are questions of fact best left to the determination of a jury which is more likely to be sympathetic to the defendant's position than the State's by virtue of the fact that a judge is a member of the State. Any defendant should consider whether or not it is in his best interests to raise issues of: fact versus law, jury versus judge; and raise objections and take exceptions should the courts deny his right to have these issues of fact determined by a jury of his peers.

I once again caution O'Connell to use his head, not his heart, to defend his liberty, and his backside, and not martyr himself out of emotion and knowledge that he is in the right. He needs proper legal counsel who defend all of his rights and he needs to assert those rights and make proper and effective legal arguments as well as historical, religious and political arguments. The press, the public and the courts will take a strong interest in well stated legal arguments.

The Precedent the Racist Australian Government Seeks to Set in the Brendon O'Connell Case Will Likely Harm Australia's Aborigines

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

If the racist Australian Government succeeds in its prosecution of Brendon O'Connell, in which the State argues that an accusation of racism is itself a racist act, then Australia's Aborigines may face similar prosecutions if every they accuse the racist Australian Government of racism, or should they ever accuse "whites", "Europeans", "Christians", "Jews", or anyone else of racism.

The Australian Government claims it is a crime to make an accusation of racism against a State-protected group. The Australian Government has served no notice on the public of which groups it will shield from criticism. Australians live under the constant threat of government harassment and selective prosecution if ever they should dare to accuse a racist group of racism.

The Racist Australian Government's War on Fundamental Human Rights

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Government of Australia has always been a racist institution from its inception up to the present day and shows no signs of relenting in its attacks on the Australia's native sons. As a wing of the British Crown, the Australian Government is oppressing critics of racism and denying them their fundamental human rights in the name of defeating racism. The hypocrisy and villainy of the Government of Australia knows no bounds.

The Racial Discrimination Act of 1975 prevents the Australian Government from selectively enforcing the laws or denying its citizens equal protection under those laws. However, the Australian Government is violating the rights of its citizens to equal protection under the laws and is violating the The Racial Discrimination Act of 1975 by granting racists immunity from public criticism while seeking to imprison those who accuse racists of racism. The Australian Government has turned The Racial Discrimination Act of 1975 on its head and irrationally asserted that an accusation of racism is itself a racist act, thereby deliberately discouraging the community from combating racism by preventing the public from leveling the charge of racism

at State-protected groups.

The Racial Discrimination Act of 1975 was enacted pursuant to the *International Convention on the Elimination of all Forms of Racial Discrimination* and is purportedly a call to Australia's citizenry to combat racism. However, when Australia's citizens report racism, they are themselves arrested and charged with racism under successive legislation, as in the case of Brendon O'Connell. The Government has, erroneously and with malice, arbitrarily and without prior notice, defined accusations of racism as if racist acts.

The intended effect of the Government's action are to promote racism and shield racists from exposure, while imprisoning authentic critics of racism, contrary to the stated aims of the Statutes. In addition, the Statutes demand that Australians' rights to equal protection under the law be respected, while in practice, the Australian Government is harassing those who make accusations of racism, while shielding racists from criticism and stifling the public discourse about racists' racism:

"9 Racial discrimination to be unlawful

(1) It is unlawful for a person to do any act involving a distinction, exclusion, restriction or preference based on race, colour, descent or national or ethnic origin which has the purpose or effect of nullifying or impairing the recognition, enjoyment or exercise, on an equal footing, of any human right or fundamental freedom in the political, economic, social,

cultural or any other field of public life.

(1A) Where:

(a) a person requires another person to comply with a term, condition or requirement which is not reasonable having regard to the circumstances of the case; and

(b) the other person does not or cannot comply with the term, condition or requirement; and Prohibition of racial discrimination Part II Section 10 Racial Discrimination Act 1975

(c) the requirement to comply has the purpose or effect of nullifying or impairing the recognition, enjoyment or exercise, on an equal footing, by persons of the same race, colour, descent or national or ethnic origin as the other person, of any human right or fundamental freedom in the political, economic, social, cultural or any other field of public life;

the act of requiring such compliance is to be treated, for the purposes of this Part, as an act involving a

distinction based on, or an act done by reason of, the other person's race, colour, descent or national or ethnic origin.

(2) A reference in this section to a human right or fundamental freedom in the political, economic, social, cultural or any other field of public life includes any right of a kind referred to in Article 5 of the Convention.

(3) This section does not apply in respect of the employment, or an application for the employment, of a person on a ship or aircraft (not being an Australian ship or aircraft) if that person was engaged, or applied, for that employment outside Australia.

(4) The succeeding provisions of this Part do not limit the generality of this section.

10 Rights to equality before the law

(1) If, by reason of, or of a provision of, a law of the Commonwealth or of a State or Territory, persons of a particular race, colour or national or ethnic origin do not enjoy a right that is enjoyed by persons of another race, colour or national or ethnic origin, or enjoy a right to a more limited extent than persons of another race, colour or national or ethnic origin, then, notwithstanding anything in that law, persons of

the first-mentioned race, colour or national or ethnic origin shall, by force of this section, enjoy that right to the same extent as persons of that other race, colour or national or ethnic origin.

(2) A reference in subsection(1) to a right includes a reference to a right of a kind referred to in Article 5 of the Convention."

The prosecution of Brendon O'Connell, which irrationally and falsely defines an accusation by the public of racism, as if itself a racist act, violates the both the letter and the spirit of The Racial Discrimination Act of 1975 and must therefore end.

Daryl Bradford Smith's Bogus Apologetics for Confessed and Convicted Criminal Bernard Madoff Continue

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Instead of explaining why he called Eric Hufschmid on the telephone as recently as August of 2009 asking for his help, though Smith/Setters claims that Hufschmid is a Zionist Jew--instead of telling us the names of the alleged Mossad agents whose sister was his patron--Daryl Bradford Smith/Setters continues to try to exonerate Jewish financier and fraudster Bernard Madoff, which action has the effect of lessening the blow to the reputation of the Jews of having

produced the worst convicted thief in human history. Smith/Setters grossly misrepresents the facts and falsely claimed at this late date that the first accusations against Madoff were made by him when he confessed to his sons. Smith/Setters' claim is demonstrably bogus.

It is well known that several investigations of Madoff's activities took place and several accusations against him were made dating back at least to 1999. It is only government corruption and/or ineptitude which kept the Madoff scheme afloat and no serious commentator would contend today that Madoff is innocent.

Smith/Setters claims that his motivation for attempting to exonerate Madoff has always been to spare the American taxpayer of liability for Madoff's debts. If this were true, then why did not Smith/Setters call for the repeal of the laws which render the taxpayer liable for Madoff's debts, instead of making excuses for the worst convicted thief in human history, who just so happens to be a Jewish financier? Is Smith/Setters interested in cushioning the blow to the Jews, or sparing the taxpayer?

Smith/Setters has stated that he intends to interview Kay Griggs. Perhaps he can ask her about her Jewish roots and explore her family's old connections to Freemasonry. See my blog article:

Australia's "Racist Hatred Act" Reductio ad Absurdum

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

(1). Assume that the Jews state that, "We Jews are racists because we are the 'chosen people' and God made us better than everyone else so that we would rule over the other races [*Cf. Deuteronomy* 7:6]." Could the Jews be prosecuted for the racial vilification of Jews for having called Jews racists? Since it is within the realm of possibility for the Jews to declare that Jews are racist such a situation could arise, leading to a contradiction in the law and its enforcement which demonstrates the unenforceability of the Act against Brendon O'Connell.

If the government is capable of prosecuting the Jews for asserting that Jews are racist, then the government is capable of accusing Jews of racism and in such a situation would itself violate the law by enforcing it, because the government would be alleging that the Jews are racist while concurrently prosecuting the Jews for alleging that the Jews are racist. If the government would exempt Jews from the law but prosecute non-Jews for making the same claim as exempt Jews, then the government is illegally selectively enforcing the law and is denying non-Jews equal protection of the law from Jews and from the racist government.

(2). The Australian government is arbitrarily and without proof defining racism as a if it is a racial trait, while at the same time tacitly denying that Jews could be racist by virtue of their

race and therefore asserting that Jews are a superior race to other races which are racist, while concurrently tacitly accusing every member of Brendon O'Connell's race of being racist; for if racism is a racial trait and not the characteristic of a belief system, then the government itself is condemning each race of any person the government accuses of racism, because such persons are by government definition members of a race and racism is by government definition a contemptible racial trait. Therefore, the government is itself guilty of the crime of the vilification of Brendon O'Connell's race by virtue of the act of accusing him and his race of racial vilification while defining the act of accusing a government defined "race" of racism as if racism itself.

The Statute is an illogical absurdity, and therefore unenforceable.

Does David "Musa" Pidcock Follow the Koran or the Talmud in His Reasoning?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

David "Musa" Pidcock has likened a proven liar to the family of the Messiah, and declared that legitimate critics of that liar are under the influence of the anti-Christ. Not only is his world-

view fanatically religious, it represents the attitudes of the Talmud rather than Islam.

What is satanic or sadistic about asking a man his name? Who other than a crypto-Jew would view the asking of a man's birth name to be the actions of the anti-Messiah, that Jewish Messiah who will supposedly kill off the Goyim? I cannot imagine that the Koran raises objections to questioning a Jewish banker straight out of the "City of London" about his ridiculous apology for Bernard Madoff, or his frantic assertions that an old mockumentary declaring that the moonlandings were a hoax is a new authentic revelation proving that the moonlandings were a hoax--Pidcock's messiah is terribly fallible. Why would David "Musa" Pidcock go so far as to call such actions "sadistic" and part of the forces of anti-Christ, if indeed that is what Pidcock would have us believe?

Why would David "Musa" Pidcock want to sentence Europeans to death by stigmatizing them as if "Gog and Magog" and concurrently state that the Endtimes are upon us? How is David "Musa" Pidcock any different in a positive way from the Christian Zionists who would sentence Muslims and Russians to death by declaring that they are "Gog and Magog" while concurrently claiming that the Endtimes are upon us? Do not both provocations produce the same end result, an apocalyptic war between Muslims and Christians?

How does David "Musa" Pidcock differ from the likes of an Armin Vambery in a positive way and why do Muslim leaders lend him their ears? I do not know, and eagerly await "Musa's" explanation.

David "Musa" Pidcock's Views on Iran, Gaza and the Endtimes

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In an interview with Daryl Bradford Smith/Setters, David "Musa" Pidcock laid the blame for the economic hardships Iranians and Gazans face squarely on the shoulders of their leadership, without also concurrently blaming the Israelis, World Jewry and the International Community for the sanctions they have placed on the Iranians and Gazan Palestinians. David "Musa" Pidcock also criticized Donald Rumsfeld and George Bush for employing Bible prophecy in their decision making, but not because such a practice is insane, but rather because Pidcock would prefer that they adopt his version of Muslim prophecy, which coincidentally coincides with the horrific and genocidal Endtimes the Jews are trying to artificially impose upon us. Pidcock wants us to believe that Europeans are "Gog and Magog" and that now is the time for the arrival of the Messiah and the Battle of Armageddon.

I do not see how Pidcock's pushing his religious apocalyptic views on World leaders differs in a positive way from Donald Rumsfeld and George Bush's views and practices. Perhaps Pidcock can explain what appears *prima fascie* as two sides of the same coin both pushing the same

mutually destructive agenda on Christians and Muslims. Perhaps "Musa" can also tell us the names of any non-convert founders of his Islamic party in Britain and what, if any, connections his ancestors had to the Rothschild banking family.

I agree with "Musa" that Iranian and Gazan leaders share in the blame with the Jews for the woes of the Iranian and Palestinian Peoples, but we sharply differ on the role the Jews have played in the suffering of these Peoples. I think the Lion of Judah's share of the blame is more accurately placed on Jewry, than on subverted leaders. If Iran were to adopt a 0% interest rate on loans when inflation is much higher than that, they would be giving away money and fueling inflation while losing money on the loans. Either the government would have to make the loans, or the economy would collapse because no private party or bank would lose money by making such loans. When inflation is 34% it is not usurious to charge 35% interest on a loan. If the sanctions and other economic pressures were lifted against Iran, then inflation would be likely to fall and Pidcock should be calling for the lifting of sanctions and other economic pressures when addressing interest rates in Iran or Gaza.

The Three Stooges, "Rupert the Bear 'Rafiq'", "Ognir" and Daryl Bradford Smith/Setters

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

"Ognir's" Torah scroll is all rolled up in a bunch and the stammering, babbling Irishman living in Switzerland is again begging me to grant him an interview, though he already knows that I have no desire to speak to him, a fact I made clear before he publicly aligned himself with "Rupert the Bear 'Rafiq'" and Daryl Bradford Smith/Setters. I did once offer to interview "Ognir"/"Ringo"/Noel Ryan in consideration for his disclosing the original birth names of "Rupert the Bear 'Rafiq'" as well as the names of his parents and grandparents. How can we have faith in any name "Rupert the Bear 'Rafiq'" offers us if we cannot independently verify it?

I should note that "Ognir"/"Ringo"/Noel Ryan has consistently run damage control for his Jewish banking friend who is straight out of the "City of London", the center of international Jewish bankers. He is also a "go-to guy" for damage control for Daryl Bradford Smith/Setters.

"Ognir"/"Ringo"/Noel Ryan rejected my offer to interview him with the pathetic cop out that he did not know the email address of "Rupert the Bear 'Rafiq'". Now that I have forced the three stooges to publicly reveal the fact that "Muhammad Rafeeq" is not the man's original birth name, "Ognir"/"Ringo"/Noel Ryan is again trying to run damage control for his cartoon character friend and is again begging to talk to me. My original offer has been rejected, is withdrawn, and I will not make it again.

Here is my new offer. I will agree to interview "Ognir"/"Ringo"/Noel Ryan, Daryl Bradford Smith/Setters and "Rupert the Bear 'Rafiq'" (that's right the three stooges all together against poor little old me, three against one) if they all three come to Chicago at once and agree to have

the interview videotaped in its entirety with their faces appearing in the interview and grant full rights to the interview and the full rights to broadcast it to me. I also demand that "Rupert the Bear 'Rafiq'" himself first tell us all names he has used in his entire lifetime, including his original birth name and provide copies of his original birth certificate and passport, as well as telling us his parents' and grandparents' names and agrees to cooperate in the process of verifying the information. This is a reasonable request given that David "Musa" Pidcock has claimed that "Rupert the Bear 'Rafiq'" has used pseudonyms on a regular basis and Daryl Bradford Smith/Setters believes "Rupert the Bear 'Rafiq'" does not want his original birth name made public. I also demand that "Ognir"/"Ringo"/Noel Ryan first tell us his, Ryan's, parents' and grandparents' full original birth names. I also demand that Daryl Bradford Smith/Setters first tell us his parents' and grandparents' full original birth names and the names of the alleged Mossad agents whose sister was his alleged patron, as well as her full original birth name and any married name she has, or has had, and if any of these persons or their relatives is engaged in the gold and/or jewelry trades. I further demand that Daryl Bradford Smith/Setters tell us the names of all of the Jews in the gold and/or jewelry trades whom he knows and disclose any assistance, including sums of money or gold, he has ever received from them.

There you have it, "Ringo". Since you are so desperate to talk to me, those are my terms which must be met in full within one week from 3 January 2010, at the conclusion of which time the offer will be withdrawn. If you lack funds perhaps British Intelligence might offer to pay your way, or maybe the CIA and/or Mossad would take an interest and fund you, or maybe "Rafeeq's" friends in the "City of London" could pay your way, I wouldn't know.

The False Opinions of Dr. Steven Leonard Jacobs Versus the Demonstrable Facts: The Jewish Belief that Christians Are Idolaters the Jews Must Murder

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In a hateful attack against me and my work, Dr. Steven Leonard Jacobs took issue with my factual assessment of Jewish beliefs regarding Christians, and the Jewish mandate to murder all Christians. Jacobs writes,

"Without evidence, he argues that there were six reasons why the Jews of Turkey were 'motivated' to murder Assyrians [*sic*]: [***] 2. The Hebrew Bible, Jewish Talmud and Jewish Cabalistic writings instruct Jews to murder Christians and to impose the 'Noahide Laws' in the 'End Times,' which laws forbid Christianity on pain of death, because Jews consider

Jesus to be an idol, and the Noahide Laws forbid idol worship.[xxiv] [***]

[xxiv] Jews do not consider Jesus an idol, but, historically, a false or failed messianic pretender. The laws themselves, according to Talmudic tradition, were given by God to Noah to re-establish human communities after the Great Flood. They included prohibitions against idolatry, murder, theft, blasphemy, dietary restrictions (specifically eating flesh taken from a living animal), and the establishment of a judicial system."

Jacobs' assertion that I provided no evidence for my claims is false. In my book *The Jewish Genocide of Armenian Christians*, at page 39, the following text appears and it provides exact references to the Jewish Old Testament and the Jewish Babylonian Talmud which prove my assertions,

"The Jewish Talmud, in the book of *Sanhedrin* folios 56*a*-60*b*, sets forth seven laws which it insists non-Jews must follow on pain of death (*see also: Sanhedrin* 20*b*; 88*b*; 97*a*-99*b*; 105*a*). These are called the 'Noahide Laws'. Rabbinical scholars fabricated these laws, in part, as a response to Christianity. Jewish leaders have already introduced these laws into the laws of the United States of America. [House Joint Resolution 104-102-14 enacted 20 March 1991.] Christians, Hindus, Moslems, Buddhists, etc. who refuse to abandon their religious beliefs and become slaves of the Jews will all be killed. Anyone who questions Judaism will be killed. Anyone who disobeys the commands of the Jews will be killed. Jewish leaders are

attempting to persuade Gentiles to adopt the 'Noahide Laws'. These laws forbid Gentiles to worship idols. Jews view Christianity, Islam, Hinduism, Buddhism, and all other religions as forbidden religions (*Zechariah* 14:9)."

Hypocritically, Jacobs does not provide any sources for his empty assertions, let alone any sources which would tend to refute my fully substantiated claims, which are essentially three: 1. The Jews believe that idolaters must be killed. 2. The Jews believe that Christians are idolaters. 3. The Jews openly plan to murder all Christians.

As was stated in my book, the Jews believe that all people must obey their seven Jewish Noahide Laws, one of which forbids idol worship, a fact which Jacobs has already conceded. As I stated in my book, and contrary to Jacobs' false claim that I provided no evidence, these laws, the Jewish belief that Christians are in violation of these laws, and the Jewish call to murder all Christians due to their alleged idol worship, are found in The Babylonian Talmud, Tractate *Sanhedrin*, folios 20*b*, 56*a*-60*b*, 88*b*, 97*a*-99*b*, and 105*a*. In note 6 of my book, I also cited I. B. Pranaitis' book, as follows:

Pranaitis), *Christianus in Talmude Judaeorum sive rabbinicae doctrinae de christianis secreta, Academia caesarea scientiarum*, Petropoli, (1892); English: *The Talmud Unmasked: The Secret Rabbinical Teachings Concerning Christians*, Sanctuary, E. This note, which also contains numerous other sources not reproduced here, appears at the conclusion of the following text:

"The New Testament makes numerous charges of the Jewish persecution of Christians and the murder of Jesus and of Christians (*Matthew* 10:16-18; 21:43-45; 23:31-39; 27:25. *John* 7:1, 13; 8:37-40, 44-45; 10:19-38; 19:38; 20:19. *Acts* 1:6-7; 12; 23:12-35. *Philippians* 3:2-3. I *Thessalonians* 2:14-16). Jewish religious literature, including the Talmud and numerous Cabalistic works, calls for the extermination of all Christians.[6]"

At pages 9-14, I documented through quotations of authoritative sources, numerous instances of Jewish genocidal murder of Eastern Christians.

Returning to Pranaitis, whom I cited in my book, I will next quote his survey of Jewish literature proving that Jews view Christians as if idol worshipers whom the Jews must execute:

"Article III. -- Christians Are to Be Avoided -- Because They Are Idolaters

1. Lest a Jew be the occasion of sin to the idolatrous Christians, according to the precept in *Levit.* XIX, 14: *Do not put a stumbling-block before the blind*--he must avoid all contact with them on the days when they worship their gods. In *Abhodah Zarah* (2a) it says:

'For three days before their idolatrous festivals it is not permitted to buy or sell them anything. It is also forbidden to give or take any help from them, to change any money with them, to pay them back any debts or allow them to pay back debts.'

In the *Abhodah Zarah*, 78c (the *Perusch* of Maimonides, *fol.* 8) it says:

'All the festivals of the followers of Jesus are forbidden, and we must conduct ourselves towards them as we would towards idolators. The first day of the week is their principal feast, and it is therefore forbidden to do any business whatsoever with those who believe in Jesus on their Sabbath. We must observe the same rules on their Sabbath as we do on the feastdays of idolators, as the Talmud teaches.'

2. A JEW MUST NOT USE ANYTHING WHICH PERTAINS TO THE WORSHIP OF CHRISTIANS

In *Iore Dea* (139, 1) it says:

'It is forbidden to have anything to do with idols and everything that is used in their form of worship, whether they are made by the *Akum* or by Jews.'

3. IT IS FORBIDDEN TO SELL TO CHRISTIANS ANYTHING CONNECTED WITH THEIR IDOLATROUS WORSHIP

The *Abhodah Zarah* (14b, *Toseph*) says:

'It is always forbidden to sell incense to an idolatrous priest, for it is evident that when he asks for it he wants it for no other purpose but to offer it before his idol. Anyone, therefore, who would sell it to him sins against the precept which forbids us to place a stumbling-block before the blind. It is also forbidden to sell candles to gentiles for their Feat of Candles. Candles however may be sold to them on other days. Neither is it permitted to sell a chalice to a gentile which a Jew has bought after a Goi has broken it and thrown it away. It may only be sold again to a gentile after it has been completely made over. For after it has been broken just once it can be used still to hold the wine which is offered in honor of their idol.' Then follows the prohibition as to the selling of books to Christian priests, as we have seen above. Even the work of binding such books is

forbidden to a Jew. In Iore Dea (139, 15) it says:

'It is forbidden to bind the books of the *Akum*, with the exception of law books. It may be done, however, if refusal to do so should cause enmity, but only after every effort has been made to refuse such work.'

Likewise in *Iore Dea* (151, 1, *Hagah*):

'It is not permitted to sell water to an *Akum* if it is known that it will be made into Baptismal water.'

Mention is also made of many other things which it is forbidden to sell to Christians, such as: cloth from which priestly vestments and banners may be made; paper and ink which may be used for writing books pertaining to their divine worship. It is forbidden to sell, or even to rent, houses to Christians which will be used by them as a place of worship. Nowadays, however, Jews trade with Christians, especially on Christian feast days, and also sell them houses knowing full well that certain Sacraments will be administered therein, such as Baptism, Holy Communion and Extreme Unction. The Talmud can give no reason for this, and in the *Abhodah Zarah* (2a, *Toseph*) it says:

'It is difficult to say by what right Jews nowadays trade with the Goim on their (evil) feast days. For although many of them

commit all kinds of licentious acts and perversions on their feast days in honor of saints which they do not look upon as gods, yet every week they celebrate the Day of the Nazarene [Sunday] which has always been forbidden to us.'

Bartenora, however, in his commentary on *Abhodah Zarah* (I, 2, fol. 7b) it says:

'Since, while we are in captivity, we cannot live without trading with them, and we depend upon them for our food and we must fear them, it is only forbidden to trade with them on their feast days.[8] Furthermore, it is permitted nowadays to trade with them on the actual day of their feasts, because the Rabbis are convinced that they do not worship their idols just because they trade with us. And what is forbidden in this book must be taken as applying directly to idolatry.'

Rabbi Tam,[9] however, contends that the *Mischnah* only forbids the selling of things to idolaters which will be used by them in the worship of idols, since they rejoice and worship their idols because they obtain the things necessary for that worship. He explains it thus (in *Abhodah Zarah*, 2a, *Toseph*):

'No one should wonder at this custom of ours. For, although we look upon them as idolaters, they can only offer up what they

buy for money. Hence, our gain and their joy is not the reason for this prohibition, for they have enough money for these things, even if we did not trade with them.'"

Pranaitis continues:

"Article II. - Christians are to be Killed

Lastly, the Talmud commands that Christians are to be killed without mercy. In the *Abhodah Zarah* (26*b*) it says:

'Heretics, traitors and apostates are to be thrown into a well and not rescued.'

And in *Choschen Hammischpat* (388, 10) it says:

'A spy is to be killed, even in our days, wherever he is found. He may be killed even before he confesses. And even if he admits that he only intended to do harm to somebody, and if the harm which he intended is not very great, it is sufficient to have him condemned to death. He must be warned, however, not to confess to this. But if he impudently says 'No, I will confess it!'

then he must be killed, and the sooner the better. If there is no time to warn him, it is not necessary to do so. There are some who say that a traitor is to be put to death only when it is impossible to get rid of him by mutilating him, that is, by cutting out his tongue or his eyes, but if this can be done he must not be killed, since he is not any worse than others who persecute us.'

And in *Choschen Hamm*. again (388, 15) it says:

'If it can be proved that someone has betrayed Israel three times, or has given the money of Israelites to the *Akum*, a way must be found after prudent consideration to wipe him off the face of the earth.'

Even a Christian who is found studying the Law of Israel merits death. In *Sanhedrin* (59a) it says:

'Rabbi Jochanan says: A *Goi* who pries into the Law is guilty of death.'

II. Baptized Jews are to be Put to Death

In *Hilkhoth Akum* (X, 2) it says:

'These things [supra] are intended for idolaters. But Israelites

also, who lapse from their religion and become epicureans, are to be killed, and we must persecute them to the end. For they afflict Israel and turn the people from God.'

And in *Iore Dea* (158, 2 *Hagah*) it says:

'Renegades who turn to the pleasures of the *Akum*, and who become contaminated with them by worshipping stars and planets as they do, are to be killed.'

Likewise in *Choschen Hamm*. (425, 5) it says:

'Jews who become epicureans, who take to the worship of stars and planets and sin maliciously; also those who eat the flesh of wounded animals, or who dress in vain clothes, deserve the name of epicureans; likewise those who deny the Torah and the Prophets of Israel--the law is that all those should be killed; and those who have the power of life and death should have them killed; and if this cannot be done, they should be led to their death by deceptive methods.'

Rabbi Maimonides, in *Hilkhoth Teschubhah* (III, 8) gives the list of those who are considered as denying the Law:

'There are three classes of people who deny the Law of the

Torah: (1) Those who say that the Torah was not given by God, at least one verse or one word of it, and who say that it was all the work of Moses; (2) Those who reject the explanation of the Torah, namely, the Oral Law of the *Mischnah*, and do not recognize the authority of the Doctors of the Law, like the followers of *Tsadok* (Sadducees) and *Baithos*; (3) Those who say that God changed the Law for another New Law, and that the Torah no longer has any value, although they do not deny that it was given by God, as the Christians and the Turks believe. All of these deny the Law of the Torah.'

III. Christians are to be Killed because They are Tyrants

In *Zohar* (I, 25a) it says:

'The People of the Earth are idolaters, and it has been written about them: Let them be wiped off the face of the earth. Destroy the memory of the Amalekites. They are with us still in this Fourth Captivity, namely, the Princes [of Rome] . . . who are really Amalakites.'

1. THESE PRINCES ARE TO BE KILLED FIRST

For if they are allowed to live, the hope of the liberation of the Jews is in vain, and their prayers for release from this Fourth Captivity are of no avail.

In *Zohar* (I, 219B) it says:

'It is certain that our captivity will last until the princes of the gentiles who worship idols are destroyed.'

And again in *Zohar* (II, 19a) it says:

'Rabbi Jehuda said: Come and see how it is; how the princes have assumed power over Israel and the Israelites make no outcry. But their rejoicing is heard when the prince falls. It is written that: the King of the Egyptians died and soon the children of Israel were released from captivity; they cried out and their voice ascended to God.'

2. THE PRINCEDOM WHOSE CHIEF CITY IS ROME IS THE ONE TO BE HATED MOST OF ALL BY THE JEWS

They call it the Kingdom of Esau, and of the Edomites, the Kingdom of Pride, the Wicked Kingdom, Impious Rome. The Turkish Empire is called the Kingdom of the Ismaelites which they do not wish to destroy. The Kingdom of Rome, however, must be exterminated, because when corrupt Rome is destroyed, salvation and freedom will come to God's Chosen People.[5]

Rabbi David Kimchi writes as follows in *Obadiam:*

'What the Prophets foretold about the destruction of Edom in

the last days was intended for Rome, as Isaiah explains (ch. 34, 1): *Come near, ye nations, to hear* . . . For when Rome is destroyed, Israel shall be redeemed.'

Rabbi Abraham also, in his book *Tseror Hammor*, section *Schoftim*, says the same:

'Immediately after Rome is destroyed we shall be redeemed.'

IV. Lastly, all Christians, including the Best of Them, are to be Killed

In *Abhodah Zarah* (26b, *Tosephoth*) it says:'Even the best of the Goim should be killed'

The *Schulchan Arukh*, after the words of *Iore Dea* (158, 1) that those of the *Akum* who do no harm to Jews are not to be killed, namely those who do not wage war against Israel, thus explains the word *Milchamah* - war:

'But in time of war the *Akum* are to be killed, for it is written: 'The good among the *Akum* deserve to be killed, etc.''

V. A JEW WHO KILLS A CHRISTIAN COMMITS NO SIN, BUT OFFERS AN ACCEPTABLE SACRIFICE TO GOD

In *Sepher Or Israel* (177b) it says:

'Take the life of the Kliphoth and kill them, and you will please God the same as one who offers incense to Him.'

And in Ialkut Simoni (245c. n. 772) it says:

'Everyone who sheds the blood of the impious is as acceptable to God as he who offers a sacrifice to God.'

VI. AFTER THE DESTRUCTION OF THE TEMPLE AT JERUSALEM, THE ONLY SACRIFICE NECESSARY IS THE EXTERMINATION OF CHRISTIANS

In *Zohar* (III, 227b) the *Good Pastor* says:

'The only sacrifice required is that we remove the unclean from amongst us.'

***Zohar* (II, 43a), explaining the precept of Moses about the redemption of the first born of an ass by offering a lamb, says:**

'The ass means the non-Jew, who is to be redeemed by the offering of a lamb, which is the dispersed sheep of Israel. But if he refuses to be redeemed, then break his skull....They should be taken out of the book of the living, for it is said about them: He who sins against me, I shall take out of the book of life.'

VII. THOSE WHO KILL CHRISTIANS SHALL HAVE A HIGH PLACE IN HEAVEN

In *Zohar* (I, 28b, and 39a) it says:

'In the palaces of the fourth heaven are those who lamented over Sion and Jerusalem, and all those who destroyed idolatrous nations...and those who killed off people who worship idols are clothed in purple garments so that they may be recognized and honored.'

VIII. JEWS MUST NEVER CEASE TO EXTERMINATE THE GOIM; THEY MUST NEVER LEAVE THEM IN PEACE AND NEVER SUBMIT TO THEM

In *Hilhoth Akum* (X, 1) it says:

'Do not eat with idolaters, nor permit them to worship their idols; for it is written: Make no covenant with them, nor show mercy unto them (Deuter. ch. 7, 2). Either turn away from their idols or kill them.'

***Ibidem* (X, 7):**

'In places where Jews are strong, no idolater must be allowed to remain...'

IX. ALL JEWS ARE OBLIGED TO UNITE TOGETHER TO DESTROY TRAITORS AMONG THEM

In *Choschen Hamm*. (338, 16) it says:

'All the inhabitants of a city are obliged to contribute to the expense of killing a traitor, even those who have to pay other taxes.'

X. NO FESTIVAL, NO MATTER HOW SOLEMN, MUST PREVENT THE BEHEADING OF A CHRISTIAN

In *Pesachim* (49b) it says:

'Rabbi Eliezer said: It is permitted to cut off the head of an 'idiot' [one of the people of the Earth] on the feast of the Atonement when it falls on the Sabbath.[6] His disciples said to him: Rabbi, you should rather say *to sacrifice*. But he replied: By no means, for it is necessary to pray while sacrificing, and there is no need of prayers when you behead someone.'

XI. THE ONE OBJECT OF ALL THE ACTIONS AND PRAYERS OF THE JEWS SHOULD BE TO DESTROY THE CHRISTIAN RELIGION

Thus the Jews picture their Messiah and Liberator whom they expect, as a persecutor who will inflict great calamities upon non-Jews. The Talmud lists three great evils which will come upon the world when the Messiah comes. In *Schabbath* (118a) it says:

'Whoever eats three meals on the Sabbath shall be saved from the three evils: from the punishments of the Messiah, from the pain of hell and from the war of Magog; for it is written: *Behold, I shall send you Elias the Prophet before the coming of the 'Day' of the Lord, etc.*'

XII. IN THEIR PRAYERS THE JEWS SIGH FOR THE COMING OF THE REVENGEFUL MESSIAH, ESPECIALLY ON THE EVE OF THE PASSOVER:

'Pour out thy anger upon nations that know thee not, and upon the kingdoms which do not invoke thy name; Pour out thy indignation upon them, and let thy wrathful anger take hold of them; Persecute and destroy them in anger from under the heavens of the Lord.'[7]

They also pray as follows:

'How long will thy strength remain captive and thy beauty lie under the hand of the oppressor? O God! Show forth thy strength and thy zeal against our enemies; break their strength and let them be confounded...'

And again:

'Cut off the hope of the unjust; let all heretics perish at once; root out, break up and destroy the Proud Kingdom; hasten to make all peoples subject in our days.'

At that very same time, on Good Friday, that 'Prince of the Proud Empire' of Rome, the Pope, prays, and orders everyone in the world to pray for all 'heretics' and those who are 'lost,' as follows:

'Let us pray for the perfidious Jews: that the Lord our God may

take away the veil from their hearts, that they may acknowledge Jesus Christ our Lord.

'Omnipotent and Eternal God, who does not even exclude Jewish perfidy from thy mercy: hear our prayers which we offer for the blindness of that people, that, having recognized the light of thy truth, which is Christ, they may come out of their darkness, Through Jesus Christ our Lord . . .'"

As for Jacobs' depiction of the Jews' view of Jesus Christ, it is false by its failure to disclose the Jewish beliefs that Jesus was himself an idolater and a magician, that Jesus is boiling in excrement in Hell, that Jesus is the son of a whore, that the Jews murdered Jesus several times, etc. These facts were recently iterated in Peter Schafer's book *Jesus in the Talmud*, which was published by Princeton University Press. Before Schafer's book appeared, I documented these facts and demonstrated the Jews' intentions to exterminate Christians and eliminate all other religions through violence in my book *The Jewish Genocide of Armenian Christians* at, among other places, pages 35-49. If he has read my book, Jacobs could not have missed my long and thoroughly documented exposition. You can read some of the Talmud quotes in my article on Christian Zionism, where you will also find direct quotations from the New Testament accounts that the Jews murdered Jesus Christ and sought to slay his followers, here:

http://www.jewishracism.com/Christian_Zionism.htm

Jacobs grossly misrepresented the contents of my book by falsely claiming that I did not offer evidence in support of my statements. Jacobs hypocritically failed to provide references for his empty and false assertions. Jacobs misrepresented by omission Jewish views of Jesus Christ. Jacobs misrepresented by omission the Jewish desire to exterminate Christians.

Denial Is the Eighth Stage of Genocide: Dr. Steven Leonard Jacobs' Fatally Flawed Apology for the Jewish Genocide of Armenian

Christians

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Unable to refute the facts and reasoned arguments presented in my book *The Jewish Genocide of Armenian Christians*, but nevertheless determined to attack me and my work, Dr. Steven Leonard Jacobs has set about to defame me with falsehoods and innuendo and has found an outlet for his hateful venom in *The Armenian Weekly*; which published Jacobs' invective and error ridden attack without ever having spoken to me, and apparently did so without checking Jacobs' claims against the facts. Evidently, no form of name calling is too base, too childish, nor inappropriate, in Jacobs' mind.

Jacobs' carelessness as a scholar, or more correctly, as a smearmonger, is evident even in the title of his *ad hominem* attack, where he misspells my name as if "Bjerkness" [*sic*], a practice he continues throughout his article. Jacobs then adds insult to injury and shamelessly and childishly attacks my Norwegian heritage by stating that he deliberately mispronounces my name to insult me and my heritage,

"One such site—www.jewishracism.com— is that run by Christopher Jon Bjerkness [*sic* should be "Bjerknes"] (b. 1967) [*sic* should be "1965"] ('B'yerk-ness,' though I personally prefer to pronounce it with a 'j')"

Such is the nature of Jacobs' personal attack: childish, riddled with obvious errors of fact, and obnoxious.

Not content merely to insult my Norwegian name, Jacobs feels obliged to attack my Jewish heritage, as well, when Jacobs writes,

"Bjerkness, [*sic*] who claims pride in his Norwegian and Jewish heritage attempts to legitimate himself somewhat in the eyes of his readers by arguing that he has a 'Jewish connection' because his maternal grandfather, a famous Norwegian [*sic*] musician, was Jewish. Having such a relative, however, does not do so either in the eyes of the organized Jewish community or among the network of haters."

Note Jacobs' phrase "organized Jewish community". So, such a thing does exist!

Jacobs again erred when he incorrectly stated,

"Additionally, again without attribution, [Bjerknes] references, for example, 'well-intentioned people' (pg. 14), 'many people' [*sic*] (ibid.), 'many persons' (pg. 15). He also employs such rhetorical devices 'it is a well-known fact that' (pg. 16), 'it appears unquestionable that' (pg. 17) without any source citation whatsoever. "

It is clear in my book that my statement "well intentioned people", on page 14 of my book, refers to the *London Times* articles found below it in my book. Likewise, it is clear in my book that my

statement "many persons" on page 15 refers to the *London Times* articles which appear directly below the reference. Jacobs' many errors are gross and obvious. Yet, he cannot legitimately point to a single error in my long treatise.

The statements "it is a well-known fact that", on page 16 of my book, and, "it appears unquestionable that", on page 17 of my book, which Jacobs falsely attributes to me, were not made by me; but rather, as is crystal clear from the text, are quotations from the Vienna Correspondent of the *London Times*. Jacobs makes an ass of himself with his many blatant errors and horrendous misrepresentations. Will Jacobs and *The Armenian Weekly* retract Jacobs' falsehoods, and in as prominent a fashion as they are made? I doubt it. The truth does not appear to be a priority for them.

Jacobs' failures as a scholar and as a human being are also evident in his lengthy citations from the thoroughly discredited smearmonger Eric Hufschmid's dishonest personal attacks against me. Jacobs dubs Hufschmid a "hater" and "conspiracist", and then eventually agrees with him.

The body of Jacobs' article contains approximately 4,500 words, of which almost 900 words are quotations from Eric Hufschmid and Henry Makow, neither of whom represents my views, nor speaks for me. Jacobs offers up his, Jacobs', conspiracy theories, which he states agree with those of Eric Hufschmid, whom Jacobs calls a "hater" and "conspiracist", when Jacobs states,

"For someone interested in the preposterousness of his claims, one can only assume that his intent is to inform his readers of his vast erudition and his intellectual and analytical prowess, especially those far less informed.

Perhaps his fellow conspiracist Eric Hufschmid is correct after all, 'I suspect that he is exposing Einstein and the Armenian genocide only to lure you over to his site and put himself into the position of 'Einstein expert' and 'Armenian genocide expert.'' And other than Henry Makow's reference to his Norwegian [*sic*] Jewish maternal grandfather, it is almost impossible to fine [*sic*] solid biographic data about him other than his Chicago (unlisted) residence. He appears in neither the databases of the Anti-Defamation League nor the American Jewish Committee. Who is he and why does he do what he does remain open-ended questions. Additionally, his website has no counter of 'hits,' nor do either of his two downloadable PDF books. Thus, we have no way of knowing how many may have read all or part of these texts. Nor do we know in what circles he travels."

So we see that it is Jacobs, not I, who has a common understanding and purpose with "hater" and "conspiracist" Eric Hufschmid. But Jacobs' blatant hypocrisy and gross distortions of fact do not end with his love of, and reliance upon, the deceitful smearmongering of Eric Hufschmid, nor do his errors of fact end with his misstatements of the spelling of my name, the date of my birth, the national origins of my maternal grandfather, or the statements found in my book which Jacobs falsely attributes to me in order to criticize them and me.

Jacobs falsely claims that John Wilkes Booth was not Jewish, when Jacobs writes,

"However, Bjerkness' true goal in this lengthy third chapter is to show his readers the overwhelming power of the Rothschild banking family, their

'desire to divide America up between Britain and France' (pg. 241), their employment of a 'Jewish actor (not true!) named John Wilkes Booth' to assassinate President Abraham Lincoln (14 April 1865) because of Lincoln's opposition to their plans (pg. 242), their ownership of both 'the Pope and Rome' (pg. 257), and other such calumnies."

Jacobs hypocritically fails to cite any source for his false claim that Booth was not Jewish, while elsewhere falsely claiming that I have failed to provide evidence in support of my contentions when I have in fact provided voluminous proof of *The Jewish Genocide of Armenian Christians*. In point of fact, John Wilkes Booth was a Jewish actor. As but one source of countless to be had, I will quote a contemporary biographical account of the man found in *The Life, Crime and Capture of John Wilkes Booth* by George Alfred Townsend, at page 21, where John Wilkes Booth's father is described,

"The elder Booth in every land was a sojourner, as all his fathers were. Of Hebrew descent, and by a line of actors, he united in himself that strong Jewish physiognomy which, in its nobler phases, makes all that is dark and beautiful, and the combined vagrancy of all men of genius and all men of stage."

Jacobs falsely claims that I do not cite Jewish interpretations of the Hebrew Bible, when citing the Old Testament itself. Jacobs writes,

"Throughout this volume, there are many places where Bjerkness [*sic*] piles

on passages from both the Hebrew Bible and New Testament as supposed supportive evidence for his claims. In doing so, however, he shows nothing of their historical contexts, nor how such material was understood either historically or contemporarily by their religious communities."

Contrary to Jacobs' misrepresentations, I do cite the Talmud and several other Jewish commentaries on the Old Testament. Taking as but one example of the failure of Jacobs' scholarship on this point, he falsely claims that I have provided no evidence to support my contention that Jews viewed the Armenians as Amalekites at the time of the Armenian Genocide and that the Jews are compelled by the Jewish God to exterminate the Amalekites. Jacobs writes,

"Without evidence, [Bjerknes] argues that there were six reasons why the Jews of Turkey were 'motivated' to murder Assyrians:

1. Jews consider the Armenians to be the Amalekites of the Hebrew Bible, and in Jewish mythology, the Jewish God (sic) commands the Jews to utterly exterminate the Amalekites down to the last man, woman and child."

In fact, and contrary to Jacobs' falsehoods, in my book and elsewhere, I have cited numerous Jewish commentaries on the racist Jewish Old Testament doctrine that the Jews are duty bound to commit genocide against the Amalekites, and the fact that contemporary Jews, as well as their predecessors, believed that the Armenians were the Amalekites. For example, I quote the

following Jewish sources in my book *The Jewish Genocide of Armenian Christians*, from pages 169-179, as well as discussing such Jewish rites as the holiday of *Purim*:

"In its article entitled 'ARMENIA', *The Encyclopedia Judaica*, Volume 3, The Macmillan Company, Jerusalem, (1971), cols. 472-476, at 473; states,

'Armenia is also sometimes called Amalek in some sources, and Jews often referred to Armenians as Amalekites. This is the Byzantine term for the Armenians.'

In its article entitled 'ARMENIA', by Isaak Markon, *The Universal Jewish Encyclopedia*, Volume 1, The Universal Jewish Encyclopedia, Inc., New York, (1939), pp. 482-483, at 483; states:

'Since the Armenians are considered descendants of the Amalekites, they are called among the Jews of the Orient also Timheh ('Thou shalt blot out,' Deut. 25:19, referring to the Amalekites).'"

and,

"The Jewish Talmud, in the book of *Sanhedrin*, folio 20*b*, states,

'It has been taught: R. Jose[12] said: Three commandments were given to Israel when they entered the land; [i] to appoint a king;

[ii] to cut off the seed of Amalek; [iii] and to build themselves the chosen house [i.e. the Temple] and I do not know which of them has priority. But, when it is said: *The hand upon the throne of the Lord, the Lord will have war with Amalek from generation to generation,*[13] we must infer that they had first to set up a king, for *'throne'* implies a king, as it is written, *Then Solomon sat on the throne of the Lord as king.*[14] Yet I still do not know which [of the other two] comes first, the building of the chosen Temple or the cutting off of the seed of Amalek. Hence, when it is written, *And when He giveth you rest from all your enemies round about etc.*, and then [Scripture proceeds], *Then it shall come to pass that the place which the Lord your God shall choose,*[15] it is to be inferred that the extermination of Amalek is first. And so it is written of David, *And it came to pass when the king dwelt in his house, and the Lord had given him rest from his enemies round about,* and the passage continues; *that the king said unto Nathan the Prophet: See now, I dwell in a house of cedars etc.*'[I. Epstein, Editor, Sanhedrin 20*b*, *The Babylonian Talmud*, Volume 27, The Soncino Press, London, (1935), pp. 107-111, at 109.]

The Jewish Cabalistic book the *Zohar*, Volume I, 25*a*-25*b*, states that peoples other than the Jews will be exterminated when the Jews form a state in

Palestine,

'But as '*tohu* and *bohu*' gave place to light, so when God reveals Himself they will be wiped off the earth. But withal redemption will not be complete until Amalek will be exterminated, for against Amalek the oath was taken that 'the Lord will have war against Amalek from generation to generation' (Ex. xvii, 16).'[H. Sperling and M. Simon, *The Zohar*, Volume 1, The Soncino Press, New York, (1933), p. 100.]

The Jewish *Zohar*, Volume I, 28*b*-29*a*, states,

'At that time the mixed multitude shall pass away from the world [***] The mixed multitude are the impurity which the serpent injected into Eve. From this impurity came forth Cain, who killed Abel. [***] for they are the seed of Amalek, of whom it is said, 'thou shalt blot out the memory of Amalek' [***] Various impurities are mingled in the composition of Israel, like animals among men. One kind is from the side of the serpent; another from the side of the Gentiles, who are compared to the beasts of the field; another from the *mazikin* (goblins), for the souls [29*a*] of the wicked are literally the *mazikin* (goblins) of the world; and there is an impurity from the side of the demons and evil spirits; and there is none so cursed among them as Amalek, who

is the evil serpent, the 'strange god'. He is the cause of all unchastity and murder, and his twin-soul is the poison of idolatry, the two together being called Samael (lit. poison-god). There is more than one Samael, and they are not all equal, but this side of the serpent is accursed above all of them.'[H. Sperling and M. Simon, *The Zohar*, Volume 1, The Soncino Press, New York, (1933), pp. 108-110.]

Rabbi Shlomo Yitzhaki's (Rashi's) *Commentary on the Pentateuch*, Exodus 17:14-16, states,

'*14. Write this (for) a memorial* that Amalek came to battle against Israel prior to all the (other) nations. *And rehearse (it) in the ears of Joshua* who will bring into the land, that he should command Israel to recompense him (Amalek) for his deed. Here it was hinted to Moses that Joshua would bring in Israel to the land. *For I will utterly blot out* Therefore I admonish you thus, for I desire to blot them out. *15. And he called the name of it* (I. e.,) of the altar. Adonai-nissi (lit., the Lord is my banner (or miracle). The Holy One Blessed Be He wrought for us here a 'miracle'. It is not that the altar was called 'Lord' but (that) he who mentioned the name of the altar would recall the miracle which the Omnipresent wrought: 'The Lord He is our miracle.'

16. *And he said* (I. e.,) Moses, *The hand upon the throne of the Lord* The hand of the Holy One Blessed Be He was raised to swear by His throne that there would be for Him war and hatred against Amalek forever. And why is (it written) (throne) and not stated [***]? Is then the (Divine) Name also divided in half (i. e.: [***] instead of the full name)? The Holy One Blessed Be He swore that His name will not be whole (i. e., [***] instead of the full name) nor His throne whole (i. e. [***]) instead of [***] until there will be blotted out the name of Amalek utterly. And when his (Amalek's) name will be blotted out (then) will the (Divine) Name be whole, and it is stated (Ps. 9.7): 'O thou enemy, the waste places are come to an end forever' this refers to Amalek, regarding whom it is written Amos 1.11): 'And his anger he kept forever,' 'And the cities which thou didst uproot Their very memorial is perished' (Ps., *ibid*. 7). What does (Scripture) state after this? 'But the Lord is enthroned forever' (verse 8)—behold the (Divine) Name is whole (expressed in full); 'He hath established His throne for judgment' (*ibid*.)—behold his throne is whole [***].'[A. Ben Isaiah, et al., *The Pentateuch and Rashi's Commentary: A Linear Translation into English*, S. S. & R. Publishing Company, Brooklyn, New York, (1949), pp. 187-188.]

Jewish historian Louis Ginzberg stated in his *The Legend of the Jews*,

'Although Amalek had now received the merited punishment from the hands of Joshua, still his enterprise against Israel had not been entirely unavailing. The miraculous exodus of Israel out of Egypt, and especially the cleaving of the sea, had created such alarm among the heathens, that none among them had dared to approach Israel. But this fear vanished as soon as Amalek attempted to compete in battle with Israel. Although he was terribly beaten, still the fear of the inaccessibility of Israel was gone. It was with Amalek as with that foolhardy wight who plunged into a scalding-hot tub. He scalded himself terribly, yet the tub became a little cooled through his plunge into it. Hence God was not content with the punishment Amalek received in the time of Moses, but swore by His throne and by His right hand that He would never forget Amalek's misdeeds, that in this world as well as in the time of the Messiah He would visit punishment upon him, and would completely exterminate him in the future world. So long as the seed of Amalek exists, the face of God is, as it were, covered, and will only then come to view, when the seed of Amalek shall have been entirely exterminated.

God had at first left the war against Amalek in the hands of His people, therefore He bade Joshua, the future leader of the people, never to forget the war against Amalek; and if Moses had listened intently, he would have perceived from this command of God that Joshua was destined to lead the people into the promised land. But later, when Amalek took part in the destruction of Jerusalem, God Himself took up the war against Amalek,

saying, 'By My throne I vow not to leave a single descendant of Amalek under the heavens, yea, no one shall even be able to say that this sheep or that wether belonged to an Amalekite.'

God bade Moses impress upon the Jews to repulse no heathen should he desire conversion, but never to accept an Amalekite as a proselyte. It was in consideration of this word of God that David slew the Amalekite, who announced to him the death of Saul and Jonathan; for he saw in him only a heathen, although he appeared in the guise of a Jew.

Part of the blame for the destruction of Amalek falls upon his father, Eliphaz. He used to say to Amalek: 'My son, dost thou indeed know who will possess this world and the future world?' Amalek paid no attention to this allusion to the future fortune of Israel, and his father urged it no more strongly upon him, although it would have been his duty to instruct his son clearly and fully. He should have said to him: 'My son, Israel will possess this world as well as the future world; dig wells then for their use and build roads for them, so that thou mayest be judged worthy to share in the future world.' But as Amalek had not been sufficiently instructed by his father, in his wantonness he undertook to destroy the whole world. God, who tries the reins and the heart, said to him: 'O thou fool, I created thee after all the seventy nations, but for thy sins thou shalt be the first to descend into hell.'

To glorify the victory over Amalek, Moses built an altar, which God called

'My Miracle,' for the miracle God wrought against Amalek in the war of Israel was, as it were, a miracle for God. For so long as the Israelites dwell in sorrow, God feels with them, and a joy for Israel is a joy for God, hence, too, the miraculous victory over Israel's foe was a victory for God.'[L. Ginzberg, *The Legend of the Jews*, Volume 3, The Jewish Publication Society of America, Philadelphia, (1911/1954), pp. 61-63.]

The Judaic religious doctrine of the genocide of the seed of Amalek is alive today. Yehoshafat Harkabi wrote in his book *Israel's Fateful Hour*,

'Some nationalistic religious extremists frequently identify the Arabs with Amalek, whom the Jews are commanded to annihilate totally (Deuteronomy 25:17-19). As children, we were taught that this was a relic of a bygone and primitive era, a commandment that had lapsed because Sennacherib the Assyrian king had mixed up all the nations so it was no longer possible to know who comes of the seed of Amalek. Yet some rabbis insist on injecting a contemporary significance into the commandment to blot out Amalek.'[Y. Harkabi, *Israel's Fateful Hour*, Harper & Row, New York, (1988), p. 149.]"

and,

"The Jewish hatred of the Armenian 'Amalekites' during the period of the Jewish genocide of Armenian Christians is well documented. Jews in general turned a blind eye to the slaughter of Armenians, which was conducted under the leadership of *Dönmeh* Jews, as the Hebrew language

newspaper *Hatzvi* noted on 16 May 1909, while mocking Jewish prejudice,

'A slight grimace on their lips, a short heartfelt sigh, and nothing more. The Armenians are not Jews, and according to folk tradition the Armenians are nothing more than Amaleks! Amaleks? We would give them help? To whom? To Amaleks? Heaven forbid!'[Quoted in English translation in Y. Auron, *Zionism and the Armenian Genocide: The Banality of Indifference*, Transaction Publishers, London, (2002), p. 126.]

In his book *Reckless Rites: Purim and the Legacy of Jewish Violence*, Elliott Horowitz wrote of the Jewish stigmatization of the Armenians as if 'Amalekites',

'In the nineteenth century the term 'Amalekite' was almost always used negatively with regard to Armenians, possibly as a result of the economic competition that often prevailed between them and the Jews, both of whom were known for their sly business practices. [***] In 1839, as mentioned in the introduction, the British missionary Joseph Wolff found it 'remarkable that the Armenians, who are detested by the Jews as the supposed descendants of the *Amalekites*, are the only Christian church who have interested themselves for the protection and conversion of the Jews.' Three years later, as also

mentioned there, the Scottish missionaries Bonar and McCheyne suggested that 'the peculiar hatred which the Jews bear to the Armenians may arise from a charge often brought against them, namely that Haman was an Armenian, and that the Armenians are the *Amalekites* of the Bible.'[58] Late in the nineteenth century Joseph Judah Chorny reported hearing from the Jews of Georgia, among whom he had traveled, of their ancestral tradition that the Armenians were descendants of the Amalekites, and another Jewish traveler reported a bizarre practice in eastern Galicia, whereby the Armenians who did business with the local Jews would mourn Haman's death every Purim, and light candles in his memory.[59] If there was any truth to the latter report, it is likely that Armenians were paid to do so by the local Jews, as a form of Purim entertainment, just as elsewhere in Eastern Europe Jews would often hire Christians to play the role of Haman in their Purimshpiel. During the final decade of the nineteenth century the Latvian-born scholar and polemicist Ephraim Deinard published a (privately printed) pamphlet against the use on the holiday of Sukkot of *etrogim* (citrons) from Greece, especially those grown on the island of Corfu, where, in 1891, a blood libel had caused most of the seven thousand local Jews to flee for their lives. The *etrogim* of Corfu

had been a controversial subject throughout the nineteenth century, primarily because of problematic rabbinic supervision, and the controversy had been rekindled in 1875 after dealers raised their prices. Deinard's pamphlet, which carried the provocative title *Milhama la-Shem be-'Amalek* (God's War with Amalek), was perhaps the most rabid contribution to the renewed debate. Among the reasons he gave for boycotting the *etrogim* of Greece was that its denizens were descendants of Amalek.[60] His strange confidence in making this assertion would seem to have drawn on the tradition maintained for centuries that the Armenians (including members of their large Diaspora) were Amalekites. Both the Armenians and the Greeks were minorities within the world of Christendom with a prominence nonetheless in the holy city of Jerusalem. The venerable tradition of regarding the former as Amalekites evidently allowed Deinard to extend the category to the latter as well.'[E. Horowitz, *Reckless Rites: Purim and the Legacy of Jewish Violence (Jews, Christians, and Muslims from the Ancient to the Modern World)*, Princeton University Press, (2006), pp. 124-125, see also 10-11, 122-123.]"

After providing these extensive post-Biblical sources on the Jewish belief that Armenians are Amalekites, I then provided several quotations from crypto-Jewish "Young Turks" demanding

the annihilation of the Armenians, which mirror the Biblical commandment on the Jews to exterminate the Amalekites. Jacobs' misrepresentation of my book is grossly inaccurate. One need only read the first page of my book to encounter the many and varied sources I quote as proof of my arguments, not one of which has Jacobs refuted in any way other than by smear and innuendo.

Jacobs again errs and demonstrates the weakness of his scholarship when he falsely claims that the *Protocols of the Learned Elders of Zion* are a purported account of conversations of Rabbis in a graveyard. Jacobs confuses the *Protocols* with Hermann Goedsche's book *Biarritz* of 1868, which contained a chapter, "The Jewish Cemetery in Prague and the Council of Representatives of the Twelve Tribes of Israel". Jacobs incorrectly writes,

"This has been very much in evidence since the beginning of the 19th century with the publication of the notorious Russian forgery *The Protocols of the Learned Elders of Zion,* a totally spurious and fraudulent document supposedly telling the story of a secret midnight cemetery meeting of a group of rabbis at which their leader spells out their plans in twenty-four 'protocols' for world take-over."

Jacobs seeks to attack me for pointing out the indisputable facts that, as I wrote in my book,

"*In conformity with the Jewish plans revealed in* The Protocols of the Learned Elders of Zion *in 1905, Jewish leaders met in Masonic lodges in Salonika, Italy, Paris and Vienna, and plotted a coup d'état against the*

Sultan of Turkey Abdul Hamid II. Jews and crypto-Jewish Dönmeh of the Committee for Union and Progress took over complete control of the Turkish Empire in 1909. They had several goals. Their primary objective was to establish a segregated 'Jewish State' in Palestine. They also sought to instigate World War I, to slaughter entire Christian populations, and to destroy the Turkish Empire and supplant Islamic religion and culture with a soulless and cultureless society engineered by Jewish positivists in Vienna, Paris, Italy and Salonika."

Jacobs has not shown a single error of fact or logic in my statements, though he has himself grossly erred.

Contrary to Jacobs' false claims, I made clear in my book *The Jewish Genocide of Armenian Christians*, on page 227, that my arguments regarding Hitler's Zionism are presented in detail in my book *The Manufacture and Sale of Saint Einstein*, when I wrote,

"When the Jews discovered that emancipation led to assimilation, they imprisoned Napoleon. Napoleon served as the Messianic model for another Zionist dictator, the next pseudo-Messiah to attempt to 'restore the Jews to Palestine', Adolf Hitler. This is explained in detail in my book *The Manufacture and Sale of Saint Einstein*."

Jacobs falsely claimed that,

"Early on, he makes the following claim (without any supportive evidence)

which appears throughout the text:

Jewish leaders then placed Adolf Hitler in power in the hopes that he would chase the Jews of Europe into Palestine. (pg. 20) [xxiii]"

In addition to my book on Einstein, those interested in the subject of Hitler's Zionism are encouraged to listen to my interview of Jim Condit, Jr.:

"The Final Solution to Adolf Hitler"

Jacobs' absurd and utterly false claims that my book does not provide any evidence that the Jews are responsible for the Armenian Genocide is best refuted by a reading of my book *The Jewish Genocide of Armenian Christians*.

To refute every error and falsehood in Jacobs' article would be a tiresome and unproductive

chore, so many and so obvious are his blunders. What I have said will suffice for now. Let us see if he retracts his nonsense and apologizes for it. While he is at it, he should apologize to the Armenian dead for the crimes the Jews perpetrated against them.

The Land Down Under Has Things Upside Down

Christopher Jon Bjerknes

Imagine if you accused a thief of stealing, then the State tried to suppress your accusation by charging you with thievery of the thief's reputation, while letting the thief go free to continue his stealing. It would be obvious that the Government is a criminal organization, which protects thieves, and which discourages, obstructs and suppresses the rights of honest citizens who are fighting crime. It would be obvious that the Government encouraged thievery and discouraged honesty and the rule of law. It would be obvious that the State obstructs justice and persecutes those who seek it.

The Australian Government has charged an innocent man with racism because that innocent man accused a guilty group of being racist. Instead of pursuing that innocent man's accusations of racism, as the State is compelled to do by law, the State instead charged the innocent man with racism for making an accusation of racism, and the courts have muzzled him. It is therefore obvious that the Australian Government is a criminal organization, which protects racists, and which discourages, obstructs and suppresses the rights of honest citizens who are fighting racism. It is obvious that the Australian Government encourages racism and discourages honesty and the rule of law. It is obvious that the Australian Government obstructs justice and persecutes those who seek it.

In Defense of the Truth and the Right to Speak It: O'Connell Is Innocent: Jews Are Racists. Part 1

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The racist Australian government is harassing an innocent man, Brendon O'Connell, merely because he allegedly stated that Jews are racists. Jews are, in fact, racists and it is not a crime to iterate this eternal truth.

I will soon be releasing a new book which I am presently writing, *The Protocols of the Old Testament*. I will publish some of the text from that work here on my blog as proof that the alleged statements of Brendon O'Connell are demonstrably true and that it is in the public interest for these facts to be widely and openly discussed, disseminated and known.

The Hebrew Bible, the Old Testament, is saturated with racism and expresses the genocidal

Jewish plan to exterminate all non-Jews.

In the Old Testament, the racist and genocidal Jews call themselves the "holy seed" (*Ezra* 9:2. *Isaiah* 6:13; 44:2-3; 59:20-21.) and the "elect" of their god (*Isaiah* 42:1; 45:4) who will survive the apocalypse, after which the Jews will have exterminated all non-Jews (In the Old Testament, *see*: *Deuteronomy* 32:43; 33:29. *Psalms* 2:1-2, 8-9;18:40-50; 72:1-20; 75:3, 10; 79:6-7; 82:6-8; 83:9-10; 110:6; 137:8-9 *Isaiah* 11:4; 17:12-13; 33:12; 34:2; 41:11-12; 42:1; 49:26; 60:16; 65; 66. *Jeremiah* 2:3; 10:10-11, 25; 30:11; 33:15-16; 46:28. *Ezekiel* 25:14. *Amos* 9:8-10. *Obadiah* 1:18. *Micah* 4:12-13; 5:8. *Zephaniah* 3:8. *Zechariah* 2:8-9; 12:2. In the Babylonian Talmud it states that non-Jews and proselytes will have no place in the future world, *see*: Tractate *Abodah Zarah,* folio 3*b*. Tractate *Yebamoth,* folio 24*b*. Tractate *Sanhedrin,* folio 105*a*). The hateful Jews plan on sending all non-Jews to Hell forever (*Psalms* 9:17. Ezekiel 32:17-32).

The Old Testament, which claims that Jews and their seed are divine, calls Gentiles unclean animals, subhuman and filthy beasts, whom the Jews must exterminate.

Leviticus 20:25-26:

"Ye shall therefore put difference between clean beasts and unclean, and between unclean fowls and clean: and ye shall not make your souls abominable by beast, or by fowl, or by any manner of living thing that creepeth on the ground, which I have separated from you as unclean. And ye shall be holy unto me: for I the LORD am holy, and have severed you from *other* people, that ye should be mine."

Leviticus 22:25:

"Neither from a stranger's hand shall ye offer the bread of your God of any of these; because their corruption is in them, *and* blemishes *be* in them: they shall not be accepted for you."

Ezra 9:2-3:

"Now when these things were done, the princes came to me, saying, The people of Israel, and the priests, and the Levites, have not separated themselves from the people of the lands, doing according to their abominations, even of the Canaanites, the Hittites, the Perizzites, the Jebusites, the Ammonites, the Moabites, the Egyptians, and the Amorites. For they have taken of their daughters for themselves, and for their sons: so that the holy seed have mingled themselves with the people of *those* lands: yea, the hand of the princes and rulers hath been chief in this trespass. And when I heard this thing, I rent my garment and my mantle, and plucked off the hair of my head and of my beard, and sat down astonied."

Ezra 10:11:

"Now therefore make confession unto the LORD God of your fathers, and do his pleasure: and separate yourselves from the people of the land, and from the strange wives."

Nehemiah 9:2:

"And the seed of Israel separated themselves from all strangers, and stood and confessed their sins, and the iniquities of their fathers."

Nehemiah 13:3:

"Now it came to pass, when they had heard the law, that they separated from Israel all the mixed multitude."

Isaiah 6:13:

"But yet in it shall be a tenth, and it shall return, and shall be eaten: as a teil tree, and as an oak, whose substance is in them, when they cast their leaves: so the holy seed shall be the substance thereof."

Isaiah 42:1:

"Behold my servant, whom I uphold; mine elect, in whom my soul delighteth; I have put my spirit upon him: he shall bring forth judgment to the Gentiles."

Isaiah 44:2-3:

"Thus saith the LORD that made thee, and formed thee from the womb, which will help thee; Fear not, O Jacob, my servant; and thou, Jesurun,

whom I have chosen. For I will pour water upon him that is thirsty, and floods upon the dry ground: I will pour my spirit upon thy seed, and my blessing upon thine offspring:"

Isaiah 45:3-4:

"And I will give thee the treasures of darkness, and hidden riches of secret places, that thou mayest know that I, the LORD, which call thee by thy name, am the God of Israel. For Jacob my servant's sake, and Israel mine elect, I have even called thee by thy name: I have surnamed thee, though thou hast not known me."

Isaiah 59:20-21:

"And the Redeemer shall come to Zion, and unto them that turn from transgression in Jacob, saith the LORD. As for me, this is my covenant with them, saith the LORD; My spirit that is upon thee, and my words which I have put in thy mouth, shall not depart out of thy mouth, nor out of the mouth of thy seed, nor out of the mouth of thy seed's seed, saith the LORD, from henceforth and for ever."

Isaiah 65:9:

"And I will bring forth a seed out of Jacob, and out of Judah an inheritor of my mountains: and mine elect shall inherit it, and my servants shall dwell

there."

Isaiah 65:17:

"For, behold, I create new heavens and a new earth: and the former shall not be remembered, nor come into mind."

Isaiah 65:22:

"They shall not build, and another inhabit; they shall not plant, and another eat: for as the days of a tree *are* the days of my people, and mine elect shall long enjoy the work of their hands."

Isaiah 66:22:

"For as the new heavens and the new earth, which I will make, shall remain before me, saith the LORD, so shall your seed and your name remain."

Ezekiel 16:26:

"Thou hast also committed fornication with the Egyptians thy neighbours, great of flesh; and hast increased thy whoredoms, to provoke me to anger."

Ezekiel 23:20:

"Yet she multiplied her whoredoms, in calling to remembrance the days of

her youth, wherein she had played the harlot in the land of Egypt. For she doted upon their paramours, whose flesh *is as* the flesh of asses, and whose issue *is like* the issue of horses."

Ezekiel 34:31:

"And ye my flock, the flock of my pasture, are men, *and* I *am* your God, saith the Lord GOD."

Ezekiel 36:36-38:

"Then the heathen that are left round about you shall know that I the LORD build the ruined *places, and* plant that that was desolate: I the LORD have spoken *it*, and I will do *it*. Thus saith the Lord GOD; I will yet *for* this be inquired of by the house of Israel, to do *it* for them; I will increase them with men like a flock. As the holy flock, as the flock of Jerusalem in her solemn feasts; so shall the waste cities be filled with flocks of men: and they shall know that I *am* the LORD."

The Jewish, as opposed to Christian and Muslim, interpretations of these Old Testament passages are found in the Talmud and Cabalah. The Talmud states:

"'If he sells to a heathen' -- because a heathen is certainly not subject to [the exhortation], *'And thou shalt do that which is right and good in the sight of the Lord.'* "--I. Epstein, Editor, H. Freedman, Translator and Annotator, *The Babylonian Talmud,* Seder Nezikin, Tractate Baba Mezia, folio 108*b*, The Soncino Press,

London, (1935), pp. 619-622, at 619.

"For it has been taught: R. Simeon b. Yohai said: The graves of Gentiles do not defile, for it is written, *And ye my flock, the flock of my pastures,* are men;[6] only ye are designated *'men'*.[7] "--I. Epstein, Editor, H. Freedman, Translator and Annotator, *The Babylonian Talmud*, Seder Nezikin, Tractate Baba Mezia, folio 114*b*, The Soncino Press, London, (1935), pp. 651-653, at 651.

"Raba stated: With reference to the Rabbinical statement that [legally] an Egyptian has no father,[10] it must not be imagined that this is due to [the Egyptians'] excessive indulgence in carnal gratification, owing to which it is not known [who the father was], but that if this were known[1] it is to be taken into consideration;[2] but [the fact is] that even if this is known it is not taken into consideration. For, surely, in respect of twin brothers, who originated in one drop that divided itself into two, it was nevertheless stated in the final clause,[3] that they 'neither participate in *halizah* nor perform levirate marriage'.[4] Thus it may be inferred that the All Merciful declared their children to be legally fatherless,[5] for [so indeed it is also] written, *Whose flesh is as the flesh of asses, and whose issue is like the issue of horses.*[6]"--I. Epstein, Editor, I. W. Slotki, Translator and Annotator, *The Babylonian Talmud*, Seder Nashim, Tractate Yebamoth, Volume 2, folio 98*a*, The Soncino Press, London, (1936), pp. 670-673, at 670-671.

"It was taught: And so did R. Simeon b. Yohai state [61*a*] that the graves of idolaters do not impart levitical uncleanness by an *ohel*,[15] for it is said, *And ye My sheep the sheep of My pasture, are men;*[1] you are called *men*[2] but the idolaters are not called *men*.[2]"--I. Epstein, Editor, I. W. Slotki, Translator and Annotator, *The Babylonian Talmud*, Seder Nashim, Tractate Yebamoth, Volume 1, folios 60*b*-61*a*, The Soncino Press, London, (1936), pp. 401-408, at 40-405.

"AND WHATEVER [WOMAN] WHO CANNOT CONTRACT KIDDUSHIN etc. How do we know [it of] a Canaanitish bondmaid?[13] -- Said R. Huna, Scripture saith, *Abide ye here with* ['im] *the ass*[14] -- it is a people ['*am*] like unto an ass.[15] We have thus found that *kiddushin* with her is invalid: [68*b*] how do we know that the issue takes her status? -- Because Scripture saith, *the wife and her children shall be her master's*.[1] How do we know [it of a freeborn] Gentile woman? -- Scripture saith, *neither shalt thou make marriages with them*.[2] How do we know that her issue bears her status? -- R. Johanan said on the authority of R. Simeon b. Yohai, Because Scripture saith, *For he will turn away thy son from following me:*[3] thy son by[4] an Israelite woman is called thy son, but thy son by a heathen is not called thy son.[5]"--I. Epstein, Editor, H. Freedman Translator and Annotator, *The Babylonian Talmud*, Seder Dashim, Tractate Kiddushin, folio 68*a*, The Soncino Press, London, (1936), pp. 342-345, at 344-345.

"OR USES OF ANOINTING. Our Rabbis have taught: He who pours the oil of anointing over cattle or vessels is not guilty; if over heathens or the dead, he

is not guilty. The law relating to cattle and vessels is right, for it is written: *Upon the flesh of man* [adam] *shall it not be poured;*[6] and cattle and vessels are not man. Also with regard to the dead, [it is plausible] that he is exempt, since after death one is called a corpse and not man. But why is one exempt in the case of heathens; are they not in the category of *adam?* -- No, it is written: *And ye my sheep, the sheep of my pasture, are* adam [*man*]:[7] Ye are called *adam* but heathens are not called *adam*."--I. Epstein, Editor, I. Porusch, Translator and Annotator, *The Babylonian Talmud*, Seder Kodashim, Tractate Keritoth, folio 6*b*, The Soncino Press, London, (1948), pp. 43-47, at 45.

"R. Hamnuna further said: If one sees a crowd of Israelites, he should say: Blessed is He who discerneth secrets.[5] If he sees a crowd of heathens, he should say: *Your mother shall be ashamed,* etc.[6] [***] Our Rabbis taught: On seeing the Sages of Israel one should say: Blessed be He who hath imparted of His wisdom to them that fear Him. On seeing the Sages of other nations, one says, Blessed be He who hath imparted of His wisdom to His creatures. On seeing kings of Israel, one says: Blessed be He who hath imparted of His glory to them that fear Him. On seeing non-Jewish kings, one says: Blessed be He who hath imparted of His glory to His creatures. R. Johanan said: A man should always exert himself and run to meet an Israelitish king; and not only a king of Israel but also a king of any other nation, so that if he is deemed worthy,[1] he will be able to distinguish between the kings of Israel and the kings of other nations. [***] R. Shila administered lashes to a man

who had intercourse with an Egyptian[5] [footnote 5 in the Soncino Edition states: "Var. lec. Gentile." *Varia lectio* is Latin for: "a variant reading", indicating that Jews do not only consider Egyptians, but all non-Jews to be subhuman animals.--CJB] woman. The man went and informed against him to the Government, saying: There is a man among the Jews who passes judgment without the permission of the Government. An official was sent to [summon] him. When he came he was asked: Why did you flog that man? He replied: Because he had intercourse with a she-ass. They said to him: Have you witnesses? He replied: I have. Elijah thereupon came in the form of a man and gave evidence. They said to him: If that is the case he ought to be put to death! He replied: Since we have been exiled from our land, we have no authority to put to death; do you do with him what you please. While they were considering his case, R. Shila exclaimed, *Thine, Oh Lord, is the greatness and the power*.[1] What are you saying? they asked him. He replied: What I am saying is this: Blessed is the All-Merciful who has made the earthly royalty on the model of the heavenly, and has invested you with dominion, and made you lovers of justice. They said to him: Are you so solicitous for the honour of the Government? They handed him a staff[2] and said to him: You may act as judge. When he went out that man said to him: Does the All-Merciful perform miracles for liars? He replied: Wretch! Are they not called asses? For it is written: *Whose flesh is as the flesh of asses*.[3] He noticed that the man was about to inform them that he had called them

asses. He said: This man is a persecutor, and the Torah has said: If a man comes to kill you, rise early and kill him first.[4] So he struck him with the staff and killed him. [***] Our Rabbis taught: On seeing the houses of Israel, when inhabited one says: Blessed be He who sets the boundary of the widow;[4] when uninhabited, Blessed be the judge of truth. On seeing the houses of heathens, when inhabited, *one says: The Lord will pluck up the house of the proud;*[5] when uninhabited he says: *O Lord, thou God, to whom vengeance belongeth, thou God, to whom vengeance belongeth, shine forth.*[3] [***] Our Rabbis taught: On seeing Israelitish graves, one should say: Blessed is He who fashioned you in judgments who fed you in judgment and maintained you in judgment, and in judgment gathered you in, and who will one day raise you up again in judgment. Mar, the son of Rabina, concluded thus in the name of R. Nahman: And who knows the number of all of you; and He will one day revive you and establish you. Blessed is He who revives the dead.[4] On seeing the graves of heathens one says: *Your mother shall be sore ashamed*, etc. [***] R. Joshua b. Levi said: On seeing pock-marked persons one says: Blessed be He who makes strange creatures. An objection was raised: If one sees a negro, a very red or very white person, a hunchback, a dwarf or a dropsical person, he says: Blessed be He who makes strange creatures. "--I. Epstein, Editor, M. Simon, Translator and Annotator, *The Babylonian Talmud*, Seder Zeraim, Tractate Berakoth, folios 58*a-b*, The Soncino Press, London, (1948), pp. 359-366.

Jakob Ecker's *Der ‚Judenspiegel' im Lichte der Wahrheit: Eine wissenschaftliche Untersuchung,* Bonifacius-Druckerei, Paderborn, (1884), p. 120; states that the Jewish Tosapoth (additions to the Talmud) declare that the seed of Gentiles is to be regarded as cattle seed, and that copulating with Gentiles is like having sexual relations with beasts:

"*Tosaphoth* zu Talmud *Kethuboth 3*, b:

„Sein (des AKUM) Same wird angesehen wie Viehsame."

***Tosaphoth* zu Talmud *Sanhedrin 74*, b:**

„*Concubitus AKUM* ist wie *concubitus bestiae*.'"

See Ecker's book at pages 18-24 for proof that the term "Akum" refers to non-Jews.

The next major Jewish commentary on the Old Testament after the Talmud is the Cabalah, specifically, the Zohar, which states, *inter alia*:

"AND SARAH SAW THE SON OF HAGAR THE EGYPTIAN, WHOM SHE HAD BORN UNTO ABRAHAM, MAKING SPORT. R. Hiya said: 'After recording the birth of Isaac, the Scripture never mentions Ishmael by name so long as he was still in the house of Abraham: dross cannot be mentioned in the presence of gold. Hence Ishmael is referred to here as the son of Hagar the Egyptian, as it was not fitting that his name should be mentioned in the presences of Isaac.' Said R. Isaac: 'The words and Sarah saw imply that she looked at him disdainfully, as being the son not of Abraham but of Hagar the

Egyptian, and, furthermore, only Sarah regarded him so, but not Abraham, as we read that THE THING WAS VERY GRIEVOUS IN ABRAHAM'S SIGHT ON ACCOUNT OF HIS SON-not the son of Hagar, but his son.' R. Simeon said: 'The Scripture really speaks in praise of Sarah. For what she saw was that he was indulging in idolatrous practices. Hence she said: Surely, this not the son of Abraham, who follows in the footsteps of Abraham, but the son of Hagar the Egyptian, who is reverting to the type of his mother. Hence: AND SHE SAID UNTO ABRAHAM: CAST OUT THIS BONDWOMAN AND HER SON; FOR THE SON OF THIS BONDWOMAN SHALL NOT BE HEIR WITH MY SON, EVEN WITH ISAAC.' The truth, therefore, is that she observed him worshipping idols, and performing the practices which his mother had taught him. Hence the words of Sarah, For the son of this bondwoman shall not be heir, as much as to say: I know that he will never enter the fold of the true faith and that he will have no portion with my son either in this world or in the world to come. Therefore God supported her, since He wished to keep the holy seed carefully separated, for that was the end for which He created the world, as Israel was already in His thought before the creation of the world. It was therefore that Abraham appeared in the world, so that the world could be sustained for his sake. Abraham and Isaac together upheld the world, yet they were not firmly established until Jacob came into the world. When Jacob appeared, both Abraham and Isaac became firmly established and the whole world with them. From Jacob the holy people gradually emerged into the world, and so the whole of existence

became duly established according to the holy pattern. Hence God said, In all that Sarah saith unto thee, hearken unto her voice; for in Isaac shall seed be called to thee, i.e. in Isaac and not in Ishmael. [colored emphasis added--CJB]"--*The Zohar*, Volume 1, Vayera, I, folio 118*b*, Soncino, London, (1933), pp. 367-368.

Additional proof that the Jews view non-Jews as if subhuman was gathered by Johann Andreas Eisenmenger, who wrote in his *The Traditions of the Jews, Contained in the Talmud and other Mystical Writings*, Volume 1, J. Robinson, London, (1748), pp. 254-255:

"In the Great *Jalkut Rubeni*, in the *Parasha Bereshith*, [*Footnote:* Fol. 10. Col. 1.] we have the following Passage, 'The Skin and the Flesh is the Coat of a Man. The Spirit within is the Man. But the Idolaters (*meaning all the Nations but the Jewish*) are not call'd Men, because their Souls have their Origin from the Unclean Spirit. But the Souls of the *Israelites* are derived from the Holy Spirit.' And a little farther on in the same Treatise, it is said, [*Footnote:* Fol. 10. Col. 2.] 'An *Israelite* is called a Man, because his Soul cometh from the Supreme Man. But an Idolater, whose Soul cometh from the Unclean Spirit, is call'd a Swine. If so, then is an Idolater the Body and Soul of a Swine.' In another Part of the said Treatise, entitled *Shaar olam hattobu* [*Footnote: Fol.* 23. *Col.* 4.], there is a Passage running thus: 'The Wicked are stiled the Dead in their Life-Time, because they have not a Holy Soul from the Foundation, which is called *Him that liveth for ever*. But they

have the Soul from *Kelifa* (i. e. the Shell) by which is meant the Devil) who is call'd Death, and the Shadow of Death: And through the Sparklings of the same they live.'"

Likewise, I. B. Pranaitis wrote in his book *The Talmud Unmasked: The Secret Rabbinical Teachings Concerning Christians*, Eugene Nelson Sanctuary, New York, (1939), pp. 49-51:

"7. NOT LIKE MEN, BUT BEASTS

In *Kerithuth* (6b p. 78) it says:

'The teaching of the Rabbis is: He who pours oil over a *Goi,* and over dead bodies is freed from punishment. This is true for an animal because it is not a man.[48] But how can it be said that by pouring oil over a *Goi* one is freed from punishment, since a *Goi* is also a man? But this is not true, for it is written: *Ye are my flock, the flock of my pasture are men (Ezechiel, XXXIV, 31).* You are thus called men, but the Goim are not called men.'

In the Tract *Makkoth* (7b) he is said to be guilty of killing 'except when, if intending to kill an animal he kills a man by mistake, or intending to kill a *Goi,* he kills an Israelite.'

In *Orach Chaiim* (225, 10) it says:

'He who sees beautiful creatures, even though it be an *Akum* or

an animal, let him say 'Blessed art thou Our Lord God, King of the Universe, who has placed such things on the earth!"

8. THEY DIFFER ONLY IN FORM FROM BEASTS

In *Midrasch Talpioth* (fol. 225d) it says:

'God created them in the form of men for the glory of Israel. But *Akum* were created for the sole end of ministering unto them [the Jews] day and night. Nor can they ever be relieved from this service. It is becoming to the son of a king [an Israelite] that animals in their natural form, and animals in the form of human beings should minister unto him.'

We can quote here also what is said in *Orach Chaiim*, 57, 6a:

'If pigs are to be pitied when they suffer from disease, because their intestines are similar to ours, how much more should the *Akum* be pitied when thus affected.'[49]

9. ANIMALS

In Zohar, II, (64b) it says:

'...People who worship idols, and who are called cow and ass, as it is written: I have a cow and an ass...'

Rabbi Bechai, in his book *Kad Hakkemach*, ch. I, beginning with the word *Geulah* -- redemption -- referring to *Psalm* 80, v.13:

***The boar out of the wood doth waste it*, says:**

'The letter *ain* is dropped [suspended] the same as these worshippers are followers of him who was suspended.'

Buxtorf (*Lex.*) says:

'By *wild pig* the author here means the Christians who eat pork and, like pigs, have destroyed the vineyard of Israel, the City of Jerusalem, and who believe in the 'suspended' Christ. Else the letter *ain* is dropped in this word because they, as worshippers of Christ who was hanged, are also dropped.'

Rabbi Edels, in commenting on *Kethuboth* (110b) says:

'The Psalmist compares the *Akum* to the unclean beast in the woods.'

10. WORSE THAN ANIMALS

Rabbi Schelomo Iarchi (Raschi), famous Jewish commentator, explaining the law of Moses (*Deuter.* XIV, 21) forbidding the eating of meat of wounded animals, but which must be given to the 'stranger in thy gates,' or which,

according to *Exodus* (XXII, 30) is to be thrown to the dogs, has this to say:

'. . . for he is like a dog. Are we to take to word 'dog' here literally? By no means. For the text in speaking of dead bodies says, *Or thou mayest sell it to an alien*. This applies much more to the meat of wounded animals, for which it is permitted to accept payment. Why therefore does the Scripture say it may be thrown to 'dogs?' In order to teach you that a dog is to be more respected than the *Nokhri.'*

11. THEY PROPAGATE LIKE BEASTS

In the *Sanhedrin* (74b) *Tosephoth*, it says:

'The sexual intercourse of a *Goi* is like that of a beast.'

And in *Kethuboth* (3b) it says:

'The seed of a *Goi* is worth the same as that of a beast.'

Hence it is to be inferred that Christian marriage is not true marriage.

In *Kidduschim* (68a), it says:

'. . . How do we know this? Rabbi Huna says: You can read: Remain here with the ass, that is, with a people like an ass. Hence it appears that they are not capable of contracting

marriage.'

And in *Eben Haezer* (44, 8):

'If a Jew enters into marriage with an *Akum* (Christian), or with his servant, the marriage is null. For they are not capable of entering into matrimony. Likewise if an *Akum* or a servant enter into matrimony with a Jew, the marriage is null.'

In *Zohar* (II, 64b) it says:

'Rabbi Abba says: If only idolaters alone had sexual intercourse, the world would not continue to exist. Hence we are taught that a Jew should not give way to those infamous robbers. For if these propagate in greater numbers, it will be impossible for us to continue to exist because of them. For they give birth to sucklings the same as dogs.'"

We find the racist Jews Isaac Luria, Nachman of Bratslav and Shneur Zalman degrading Gentiles as if sub-human. Shneur Zalman believed that:

"Gentile souls are of a completely different and inferior order. They are totally evil, with no redeeming qualities whatsoever. Consequently, references to gentiles in Rabbi Shneur Zalman's teachings are invariably invidious. . . . Their material abundance derives from supernal refuse.

Indeed, they themselves derive from refuse, which is why they are more numerous than the Jews, as the pieces of chaff outnumber the kernels. . . . All Jews were innately good, all gentiles innately evil. Jews were the pinnacle of creation and served the Creator, gentiles its nadir and worshiped the heavenly hosts."-- *From:* A. Nadler, "Last Exit to Brooklyn: The Lubavitcher's Powerful and Preposterous Messianism", *The New Republic*, (4 May 1992), pp. 27-35, at 33. Nadler appears to quote from: R. A. Foxbrunner, *Habad: The Hasidism of R. Shneur Zalman of Lyady*, University of Alabama Press, Tuscaloosa, Alabama, (1992).

Rabbi Abraham Isaac Kook wrote in the Twentieth Century that:

"the difference between the Israelite soul. . . and the souls of all non-Jews, no matter what their level, is bigger and deeper than the difference between the human soul and the animal soul."--Y. Sheleg, "A dark reminder of the Dark Ages", *Haaretz.com*, (28 June 2005).

In an alternative translation:

"The difference between a Jewish soul and souls of non-Jews--all of them in all different levels--is greater and deeper than the difference between a human soul and the souls of cattle."--A. C. Brownfeld's review of I. Shahak and N. Mezvinsky's book *Jewish Fundamentalism in Israel*, Pluto Press, London, (1999); in *The Washington Report on Middle East Affairs*, Volume 19, Number 2, (March, 2000), pp. 105-106, at 105.

The Jewish Encyclopedia wrote in its article "Gentile":

"According to Hananiah b. Akabia the word (Ex. xxi. 14) may perhaps exclude the Gentile; but the shedding of the blood of non-Israelites, while not cognizable by human courts, will be punished by the heavenly tribunal (Mek., Mishpatim, 80b). [***] Another reason for discrimination [against Gentiles] was the vile and vicious character of the Gentiles: 'I will provoke them to anger with a foolish nation' (= 'vile,' 'contemptible'; Deut. xxxii. 21). The Talmud says that the passage refers to the Gentiles of Barbary and Mauretania, who walked nude in the streets (Yeb. 63b), and to similar Gentiles, 'whose flesh is as the flesh of asses and whose issue is like the issue of horses' (Ezek. xxiii. 20); who can not claim a father (Yeb. 98a). The Gentiles were so strongly suspected of unnatural crimes that it was necessary to prohibit the stabling of a cow in their stalls ('Ab. Zarah ii. 1). Assaults on women were most frequent, especially at invasions and after sieges (Ket. 3b), the Rabbis declaring that in case of rape by a Gentile the issue should not be allowed to affect a Jewish woman's relation to her husband. 'The Torah outlawed the issue of a Gentile as that of a beast' (Mik. viii. 4, referring to Ezek. *l. c.*)."--"Gentile", *The Jewish Encyclopedia*, Funk and Wagnalls Company, New York, (1903), pp. 615-626, at 618 and 621.

Albert Einstein's Jewish friend Georg Friedrich Nicolai (Lewinstein) stated in 1917:

"Apart from this strange story of Cain, however, murder is forbidden in the Bible, and very sternly forbidden. But--it is only the murder of Jews. As is natural, considering the period from which it dates, the Bible is absolutely national, in character. Only the Jew is really considered as a human being; cattle and strangers might be slain without the slayer himself being slain. In this case there was a ransom. Accordingly, war was of course allowed also, and the Jews were no more illogical than the Moslem who kills the outlander. Of late years the Jews and the Old Testament have often been reproached for their contempt for those who were not Jews; and in practice even Christ acted in precisely the same way."--G. Nicolai, *Die Biologie des Krieges, Betrachtungen eines deutschen Naturforschers*, O. Füssli, Zürich, (1917); English translation: *The Biology of War*, Century Co., New York, (1918), p. 531.

In an article "Begin and the 'Beasts'", *New Statesman*, Volume 103, Number 2674, (25 June 1982), page 12, Amnon Kapeliuk wrote of Menachem Begin, the Prime Minister of Israel:

"The war in Lebanon cannot be interpreted, even by its most devoted proponents in Israel, as a war of survival. For this reason, the government has gone to extraordinary lengths to dehumanise the Palestinians. Begin described them in a speech in the Knesset as 'beasts walking on two legs'. Palestinians have often been called 'bugs' while their refugee camps in Lebanon are referred to as 'tourist camps'. In order to rationalise the bombing of civilian populations, Begin emotively declared: 'If Hitler was

sitting in a house with 20 other people, would it be correct to blow up the house?'"--*See also:* J. Kuttab, "West Bank Arabs Foresee Expulsion", *The New York Times*, (1 August 1983), p. A15.

This is merely part one, detailing and documenting the racist and genocidal Jewish belief that non-Jews are not human and must be exterminated. I intend to add several more parts covering Jewish beliefs, including the racist and genocidal Jewish beliefs that non-Jews are descended from the Devil, and that non-Jews are the slaves of the Jews.

O'Connell is innocent. If we do not defend his fundamental human right to speak the truth, we are also guilty of his persecution through the cowardly complicity of our silence.

The Armenian Weekly's Apologetics for the ADL

Christopher Jon Bjerknes

The Armenian Weekly attacks me with falsehoods for telling the truth about *The Jewish Genocide of Armenian Christians*:

An Open Letter to Dr. Steven Leonard Jacobs and Khatchig Mouradian of "The Armenian Weekly" Demanding a Retraction, January 17, 2010

The False Opinions of Dr. Steven Leonard Jacobs Versus the Demonstrable Facts: The Jewish Belief that Christians Are Idolaters the Jews Must Murder, January 15, 2010

Denial Is the Eighth Stage of Genocide: Dr. Steven Leonard Jacobs' Fatally Flawed Apology for the Jewish Genocide of Armenian Christians, January 13, 2010

The news is reporting that the ADL maintains its opposition to the Armenian Genocide Resolution:

Jewish lobby against "Armenian genocide" resolutions

Jewish Lobby is against so called genocide resolutions

No change in ADL position regarding Armenian issue

Instead of blasting the ADL for using its powerful influence to oppose the Armenian Genocide Resolution, *The Armenian Weekly* changes the subject to Israeli-Turkish relations in an apology for the ADL:

ADL Concerned about Anti-Jewish Climate in Turkey, Maintains Position on Genocide

Why is *The Armenian Weekly* more interested in protecting Jewish interests, than Armenian interests?

Dr. Steven Leonard Jacobs published a personal attack against me in *The Armenian Weekly* and grossly misrepresented my work, including my book *The Jewish Genocide of Armenian Christians*. *The Armenian Weekly* has thus far failed to retract Dr. Steven Leonard Jacobs' numerous falsehoods. In what appears to be an ongoing smear campaign, Khatchig Mouradian, editor of *The Armenian Weekly*, earlier sought to defame me rather than address the facts presented in my work, as I recorded in my blog article:

Kissing Kosher Ham: Smearmonger Khatchig Mouradian's Conspiracy Theory that the Facts

and,

I will here demonstrate the enormous number of direct errors, and errors by omission of relevant facts, in Jacobs' article which compel him to make a retraction, beginning with the title:

"Jacobs: The Outrageous Claim of Christopher Jon Bjerkness: The Jewish Genocide of Armenian Christians"

My name is spelled "Bjerknes", not "Bjerkness". Jacobs misspelled my name throughout his error ridden article. Jacobs' carelessness as a scholar is evident in even in his title, and it is consistent.

In the first line of his abstract, Jacobs writes:

"According to Swiss-born Canadian conspiracy theorist Henry Makow, author of the antisemitic text *Illuminati: The Cult that Hijacked the World*

(BookSurge Publishing, 2008), [. . .]"

In fact, Henry Makow is a proud Jew, descended from Jews who perished during and as a result of the Holocaust, as Makow, himself, writes:

"I am a non-observant, non-self-hating Canadian Jew who believes in God and Christ's gospel of love. My grandparents all died in the holocaust; my parents narrowly survived by passing as non-Jews. I lived in Israel in 1972-3 but left because Israelis seemed as materialistic as Canadians. Israel also struck me as a country that devoured its own people.

Nevertheless I remained a Zionist until recently when I discovered its hidden imperialist character. Still, I support Israel's existence within the 1967 boundaries, with restitution to the Palestinians. I believe most Israelis and Jews have been hoodwinked as I was."

In the second line of his abstract, Jacobs insults me and attacks my heritage by implying that I have lied about the fact that my maternal grandfather, Nathan Sirkin, was at least half Jewish. Jacobs, who never determined who my grandparents were, as a proper scholar would, instead wrote the insulting and accusatory words:

"Bjerkness[*sic*], who claims 'Jewish descent' (?),"

In the third line of his abstract, Jacobs again errs when he writes:

"[Bjerknes] is the author of *Albert Einstein: The Incorrigible Plagiarist*

(XTX, 2002, 2,826 pages!), "

In fact, my book *Albert Einstein: The Incorrigible Plagiarist* is 407 pages. Is it my book *The Manufacture and Sale of Saint Einstein* that is 2,825 pages long.

In the second line of his introduction, Jacobs writes:

"[. . .] *The Protocols of the Learned Elders of Zion*, a totally spurious and fraudulent document supposedly telling the story of a secret midnight cemetery meeting of a group of rabbis at which their leader spells out their plans in twenty-four 'protocols' for world take-over."

The *Protocols* do not purport to be a meeting of rabbis in a cemetery. Jacobs confuses the *Protocols* with Hermann Goedsche's book *Biarritz* of 1868, which contained a chapter, "The Jewish Cemetery in Prague and the Council of Representatives of the Twelve Tribes of Israel".

Jacobs continues in his errors regarding the *Protocols*, when he next writes:

"And while the Protocols have been successfully refuted in 1917 in Great Britain, 1934 in Switzerland, and 1993 in Russia, it continues to maintain a life of its own up to and including the present-day on websites and in print. (In 1927, in the United States for example, automobile magnate Henry Ford serialized them in his newspaper The Dearborn Independent and later republished them in a four-volume text entitled The International Jew and still available at these same sites.)"

In his notation to this statement, Jacobs lists himself as a co-author to an article on the *Protocols*. He should have read them, and if he had, he would have known that there is no mention of rabbis meeting in a graveyard. I am unaware of any refutation of the *Protocols* in Great Britain in 1917. The first mention I find of the *Protocols* in Great Britain was in March of 1920, as recorded in the *London Times* on 8 May 1920, in an article entitled, "The Jewish Peril", which is reproduced in full in my book *The Manufacture and Sale of Saint Einstein* at pages 794-797, in which article it states, *inter alia*:

"In spite of the urgency of impartial and exhaustive criticism, the pamphlet has been allowed, so far, to pass almost unchallenged."

The *Times* article then appears to lend credence to the *Protocols* and it was only in successive articles that an attempt was made to refute them, though all such attempts have failed and are mutually contradictory in their assertions. History, above all else, has proved the authenticity of the Jewish and Freemasonic plans outlined in the *Protocols*.

Jacobs errs by omission when he claims that the *Protocols* were refuted as if a "forgery" in Switzerland in 1934. Though a corrupt Swiss court made such a decision in 1935, note that the Jewish press reported the decision before it was made, the appellate court then reversed the decision in its entirety on 1 November 1937 [*See:* L. Fry, *Waters Flowing Eastward: The War Against the Kingship of Christ*, Ninth Edition, TBR Books, Washington, D.C., (2000), pp. 107, 263-267. H. de Vries de Heekelingen, *Les Protocols des Sages de Sion constituent-ils un faux*, Lausanne, (1938)]. Jacobs next refers to the 1993 ruling of a Russian court as if the courts are to be our arbiters of history, which is an absurd posture for a proper scholar to assume.

Contrary to Jacobs' false claims, Henry Ford did not serialize the *Protocols* in *The Dearborn Independent* at any time, much less in 1927, at which time Ford was forced by an assassination attempt to end his exposure of World Jewry. *The Dearborn Independent* began to expose World Jewry in 1920, and it was these articles which appeared in 1920-1922 as *The International Jew: The World's Foremost Problem*.

Jacobs states that he deliberately errs when pronouncing my name, which prompts the question as to how much, if any, of his failed scholarship may instead be deliberate lying, when Jacobs writes:

"Christopher Jon Bjerkness [*sic* Bjerknes] (b. 1967 [*sic* 1965]) ('B'yerk-ness,' though I personally prefer to pronounce it with a 'j')"

Rather than providing his own assessment, as a proper scholar would, Jacobs then quotes Henry Makow and known hoaxster and smearmonger Eric Hufschmid at great length in Jacobs' unscholarly *ad hominem* attack against me. The first line of Jacobs' assessment of my book erroneously states:

"As noted previously, *The Jewish Genocide of the Armenian Christian* is a massive 574-page PDF document available for downloading and printing from Bjerkness'[*sic*] website http://www.jewishracism.com/, along with his even more massive *Albert Einstein: The Incorrigible Plagiarist* (2,826 [*sic* 407] pages!)."

My book *Albert Einstein: The Incorrigible Plagiarist* is not available for free download and is not 2,826 pages long.

In a failed mission to find any flaws in my work, Jacobs fabricates reasons to criticize the *style*, though not even the substance, of my book, when Jacobs writes:

"Additionally, again without attribution, he references, for example, 'well-[*sic*]intentioned people' (pg. 14), 'many people'[*sic*] (ibid.), 'many persons' (pg. 15). He also employs such rhetorical devices 'it is a well-known fact that' (pg. 16), 'it appears unquestionable that' (pg. 17) without any source citation whatsoever."

As is perfectly clear in the text of my book, I did not state "many people" on page 15, and my references to "well intentioned people" and "many persons" on pages 14 and 15 are references to articles and letters to the editor published in the *London Times*, which I not only cite, but which I reproduced in full in the book. Jacobs fabricated a false excuse to criticize my book and wrongfully attributed the statements "It is a well-known fact that" and "It appears unquestionable that" to me, which were in fact made by the Vienna Correspondent to the *Times* of London, not me. The fact that I did not make these statements, which Jacobs has falsely attributed to me, is quite clear in my book.

Jacobs next misrepresents the contents of my book when he states:

"Early on, he makes the following claim (without any supportive evidence)

which appears throughout the text:

Jewish leaders then placed Adolf Hitler in power in the hopes that he would chase the Jews of Europe into Palestine. (pg. 20)"

In fact, I stated on page 227 that the evidence in support of my claims is found in my book *The Manufacture and Sale of Saint Einstein*, when I wrote:

"When the Jews discovered that emancipation led to assimilation, they imprisoned Napoleon. Napoleon served as the Messianic model for another Zionist dictator, the next pseudo-Messiah to attempt to 'restore the Jews to Palestine', Adolf Hitler. This is explained in detail in my book *The Manufacture and Sale of Saint Einstein*."

Jacobs hypocritically makes the following assertion without any supportive evidence:

"But they [the Jews whom Jacobs' concedes participated in the Armenian Genocide] were a decided minority and unrepresentative of the overall Turkish Jewish community, despite Bjerkness'[*sic*] claims."

In his very next line, Jacobs then grossly misrepresents the contents of my book to falsely accuse me of what he has just done in the preceding line of his *ad hominem* attack:

" Without evidence, he argues that there were six reasons why the Jews of Turkey were 'motivated' to murder Assyrians [*sic*]:"

The evidence in my book is overwhelming, abundant and compelling, and Jacobs fails throughout his personal attack to address any of it, let alone refute it, as a proper scholar would at least attempt to do. He instead falsely wishes it away, with his fallacy of *Petitio Principii* of pretending that there can be no evidence because he falsely presumes that there can be no evidence, in spite of the fact that I have presented overwhelming, abundant and compelling proof of my claims, when Jacobs childishly and disingenuously writes:

"(Needless to say, Bjerkness [*sic*] supplies no supporting evidence for any of these claims because there is no supporting evidence to be had!)"

Having made his irrational, false and disingenuous claim, Jacobs next repeats it to proclaim victory with his inane and patently false declaration:

"[. . .]using as its point of departure the fraudulent claim of the supposed Jewish genocide of Armenian Christians without any documentation to back up his outrageous claims."

The documentation is found throughout my book and Jacobs cannot wish it away with falsehoods.

Jacobs falsely claims that I provided no documentation in support of the factual claim that Talaat Bey and Ataturk were crypto-Jews. Jacobs shamelessly writes:

"Bjerkness [*sic*] again reminds his readers—without documentation—that both Talaat Bey, the primary architect of the Armenian Genocide, and Kemal

Atatürk were both 'crypto-Jews' (pg. 226)."

On page 52 of my book, I quote a letter to the editor of the *London Times*, which states that Talaat was a Dönmeh:

"Gaster's views concerning Freemasonry in Turkey do not coincide with those held by many Moslems. I need only mention Colonel Sadik Bey and the Committee insurgents, and Sheikh Rashid Ridha. Heaven forbid that I should express an opinion as to which is right. I will merely remark that, according to information which I have received from genuine Freemasons, the majority of the lodges founded under the auspices of the Grand Orient of Turkey since the revolution were, at the outset, avatars of the Committee of Union and Progress, that they have not yet been recognized by British Freemasonry, and that the first 'Supreme Council' of the G. O. of Turkey appointed in 1909, contained three Jews (Carasso, Cohen, and Faraggi) and three Dönmés (Djavid Bey, S. Kibar, and Osman Talaat)."

Henry Wickham Steed provided an eyewitness account that the CUP was largely Jewish, and stated in his book *Through Thirty Years: 1892-1922: A Personal Narrative*, Volume One, Doubleday, Page & Company, Garden City, New York, (1924), p. 277, as quoted in my book on pages 218-219:

"TALAAT

In this task he failed. King Ferdinand, the chief culprit, outlived him and

was destined to lead his country into yet greater disaster. Meanwhile the Turks, among whom the influence of the—largely Jewish—Committee of Union and Progress was still powerful, were accentuating the 'national' policy which had provoked the first Balkan War and were dreaming at once pan-Islamic and 'New Turanian' dreams. Many of the Young Turkish leaders I knew already. Talaat, Minister of the Interior and afterwards Grand Vizir, I had met in Paris in 1909. Others had visited me in Vienna. Upon Talaat I called soon after reaching Constantinople. He received me with almost affectionate cordiality and began at once a magniloquent dissertation upon high politics."

Contrary to Jacobs' false and misleading claims, I also quoted from Marcelle Tinayre's article in *L'Illustration* in December of 1923, which was translated into English and published as "Saloniki", *The Living Age*, Volume 320, Number 4156, (1 March 1924), pp. 417-421; as follows from page 223 of my book:

"The deunmehs of to-day, affiliated with Free Masonry, instructed in Occidental universities, often professing total atheism, have given leaders to the Young Turk revolution. Talaat Bey, Djavid Bey, and many other members of the Committee of Union and Progress were deunmehs from Saloniki. "

At page 224 of my book, I provided still further proof of the fact that Talaat was a Jew, by quoting Inspector-General of the Turkish Forces in Armenia and Military Governor of Egyptian

Sinai during the First World War, Rafael De Nogales, from his book *Four Years Beneath the Crescent*, Charles Scribner's Sons, New York, (1926):

"That was the renegade Hebrew (*donme*) of Salonika, Talaat, the principal organizer of the massacres and deportations, who, fishing in muddy waters, succeeded in raising himself from the humble rank of postal clerk to that of Grand Vizier of the Empire."

Contrary to Jacobs' patently false claim that I provided no proof of the fact that Ataturk was a Jew, on page 65 of my book, I quoted two sources as follows:

"According to an article by Hillel Halkin entitled, 'When Kemal Ataturk Recited Shema Yisrael: 'It's My Secret Prayer, Too,' He Confessed', which appeared in the *Forward* of New York, on 28 January 1994, Mustafa Kemal 'Atatürk' stated that he was not only Jewish, but that he was a descendant of the false Jewish messiah Shabbatai Zevi. Mustafa Kemal 'Atatürk' is quoted as having said,

'I'm a descendant of Sabbetai Zevi—not indeed a Jew any more, but an ardent admirer of this prophet of yours. My opinion is that every Jew in this country would do well to join his camp.'

Gershom Scholem wrote in his book Kabbalah, that Djavid Bey was descended from the false Jewish messiah Baruchyah Russo,

'Their liturgies were written in a very small format so that they could easily be hidden. All the sects concealed their internal affairs from Jews and Turks so successfully that for a long time knowledge of them was based only on rumor and upon reports of outsiders. Doenmeh manuscripts revealing details of their Shabbatean ideas were brought to light and examined only after several of the Doenmeh families decided to assimilate completely into Turkish society and transmitted their documents to friends among the Jews of Salonika and Izmir. As long as the Doenmeh were concentrated in Salonika, the sect's institutional framework remained intact, although several Doenmeh members were active in the Young Turks' movement which originated in that city. The first administration that came to power after the Young Turk revolution (1909) included three ministers of Doenmeh origin, including the minister of finance, Djavid Bey, who was a descendant of the Baruchiah Russo family and served as one of the leaders of his sect. One assertion that was commonly made by many Jews of Salonika (denied however, by the Turkish government) was that Kemal Atatürk was of Doenmeh origin. This view was eagerly embraced by many of Atatürk's religious opponents in Anatolia.'"

On page 213, I quoted from an article"Sabbatean Messianism as Proto-Secularism: Examples in

Modern Turkey and Zionism" by Prof. M. Avrum Ehrlich, found in the book, M. Tütüncü, Editor, *Turkish-Jewish Encounters: Studies on Turkish-Jewish Relations Through the Ages = Türk-Yahudi Bulusmalari: Tarihte Türk-Yahudi Iliskileri Arastirmalari*, SOTA, Haarlem, (2001), pp. 273-306:

"Rumours were always extant that key activists in the revolution were of Dönme stock; even Atatürk was alleged by some to have Dönme ancestry[37]. It was via the Masonic lodges that the Dönme, the Jews, Bektashi and secularists who were less accepted in mainstream society were able to meet on an equal footing, many of them becoming major instruments of the revolution."

On page 226 of my book, I quoted from the article "The Sort of Man Mustafa Kemal Is", *The Literary Digest*, Volume 75, Number 2, Whole Number 1695, (14 October 1922), pp. 50, 52-53, at 50:

"A SPANISH JEW BY ANCESTRY, an orthodox Moslem by birth and breeding, trained in a German war college, a patriot, a student of the campaigns of the world's great generals, including Napoleon, Grant and Lee —these are said to be a few outstanding characteristics in the personality of the new 'Man on Horseback' who has appeared in the Near East. He is a real dictator, the correspondents testify, a man of the type which is at once the hope and fear of nations torn to pieces by unsuccessful wars. Unity and power have come back to Turkey largely through the will of Mustafa Kemal

Pasha. No one has yet, it appears, referred to him as the 'Napoleon of the Near East,' but some enterprising journalist will probably do it sooner or later; for Kemal's way of rising into power, his methods at once autocratic and carefully considered, even his military tactics, are said to resemble those of Napoleon."

Contrary to Jacobs' falsehoods, on page 217 of my book, I quoted Joachim Prinz's book *The Secret Jews*, Random House, New York, (1973), p. 122, which stated that Ataturk was a Jew:

"The revolt of the Young Turks in 1908 against the authoritarian regime of Sultan Abdul Hamid began among the intellectuals of Salonika. It was from there that the demand for a constitutional regime originated. Among the leaders of the revolution which resulted in a more modern government in Turkey were Djavid Bey and Mustafa Kemal. Both were ardent doenmehs. Djavid Bey became minister of finance; Mustafa Kemal became the leader of the new regime and he adopted the name of Atatürk. His opponents tried to use his doenmeh background to unseat him, but without success. Too many of the Young Turks in the newly formed revolutionary Cabinet prayed to Allah, but had as their real prophet Shabtai Zvi, the Messiah of Smyrna"

So much for Jacobs' oft repeated and highly deceitful claims that I provided no evidence in support of my claims.

In addition to other erroneous claims, Jacobs states when addressing my writings on the

Rothschild family:

"[. . .]their employment of a 'Jewish actor (not true!) named John Wilkes Booth' to assassinate President Abraham Lincoln (14 April 1865) because of Lincoln's opposition to their plans (pg. 242), [. . .]"

Jacobs hypocritically fails to cite any source for his false claim that Booth was not Jewish, while elsewhere falsely claiming that I have failed to provide evidence in support of my contentions when I have in fact provided voluminous proof of *The Jewish Genocide of Armenian Christians*. In point of fact, John Wilkes Booth was a Jewish actor. As but one source of countless to be had, I will quote a contemporary biographical account of the man found in *The Life, Crime and Capture of John Wilkes Booth* by George Alfred Townsend, at page 21, where John Wilkes Booth's father is described,

"The elder Booth in every land was a sojourner, as all his fathers were. Of Hebrew descent, and by a line of actors, he united in himself that strong Jewish physiognomy which, in its nobler phases, makes all that is dark and beautiful, and the combined vagrancy of all men of genius and all men of stage."

Jacobs yet again misrepresents my book, which provides an immense amount of documentation proving Rothschild power, when Jacobs disingenuously writes:

"The only proof that Bjernkness [*sic*] can muster to support his notion of

Rothschild power is the fact that the British Balfour Declaration of 2 November 1917 was in the form of a letter from the Foreign Secretary Arthur James Balfour (1848-1930) to Baron Walter Rothschild (1868-1937), a leader of the Jewish community of Great Britain, declaring His Majesty's Government's 'declaration of sympathy with Jewish Zionist aspirations' towards 'the establishment in Palestine of a national home for the Jewish people.' (Balfour also noted his appreciation in the letter that its contents be shared with the Zionist Federation.)"

I will perhaps address the many errors in Jacobs' notations at a later date.

If Jacobs and *The Armenian Weekly* fail to retract their many published false statements after receiving notice that they are false, then the ongoing publication of these known falsehoods will be an act of deliberate deception of the public.

To demonstrate the dangers of Jacobs' misrepresentations of the facts, I will quote from the *London Times*, "THE ARMENIAN MASSACRES: EXTERMINATING A RACE: A RECORD OF HORRORS", which was published on 8 October 1915, on page 5:

"The attempts of the American Ambassador to procure some alleviation of the lot of Armenians have thus far proved unsuccessful. Mr Morganthau, in the opinion of good observers, wasted too much diplomatic energy on behalf of the Zionists of Palestine, who were in no danger of massacre, to have any force to spare. Talaat and Bedri simply own that persecuting Armenians amuses them and turn a deaf ear to American pleadings. German and

Austro-Hungarian residents in Turkey at first approved of the punishment of Armenian 'traitors', but the methods of the Turkish extremists have sickened even Prussian stomachs. True the Jewish Baron von Oppenheim, now in Syria, has been preaching massacre, and the German Consular officials al Aleppo and Alexandretta have followed suit, perhaps with the idea of planting German colonists in the void left by the disappearance of the Armenians when the war is over."

Note that Morgenthau, who it is often claimed was a Jewish hero of the Armenian Genocide, was in fact a Zionist opportunist who helped to perpetuate the massacres, as were those "Germans" who are often scapegoated for the Jewish crime, those "Germans" who were in fact International Jews.

The Absurdity of the Charges Against Brendon O'Connell

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I can easily demonstrate the absurdity and illegality of the charges against Brendon O'Connell with a simple analogy.

Assume that a person X is charged with plotting to commit "battery" against another person Y, because X was recorded saying to a third person Z,

"Let's give Y a battery for the flashlight he took from me."

Assume that the government then charged X with conspiring to beat Y, in retaliation for the fact that Y took X's flashlight, and the prosecution then asked the court to determine that the definition of "battery" is the statutory definition,

"To beat violently and with intent to cause pain and harm."

Imagine then that the prosecuting officials rejected the fact that "battery" can also mean,

"An electrical device to store charge."

And that the government charged X even though the plain meaning of X's statement depends upon the definition that "battery" mean "an electrical device to store charge" and X always maintained that is what he meant by the word "battery".

Can you imagine what would happen to X if the court ruled that "battery" cannot be a term used to describe an electrical device for storing charge, and barred X from employing that definition at trial, limiting all parties and the jury to defining "battery" as if exclusively, "to beat violently and with intent to cause pain and harm"? Such would be plain error, and a gross abuse of X's due process rights to raise a legitimate defense and argue his case.

Proof that the Australian Government Is Mirroring Nazi Racism, Which in Turn Has Its Roots in Judaism

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Proof that the Australian Government is mirroring Nazi racism, and that the Jews are racists as a religious group, comes from the Nuremberg trials, where Julius Streicher affirmed that the Nuremberg Laws of 1935 were patterned after racist religious Jewish Law which is the basis of Nazism,

"Yes, I believe I had a part in it insofar as for years I have written that any further mixture of German blood with Jewish blood must be avoided. I have written such articles again and again; and in my articles I have repeatedly emphasized the fact that the Jews should serve as an example to every race, for they created a racial law for themselves—the law of Moses, which says, 'If you come into a foreign land you shall not take unto yourself foreign women.' And that, Gentlemen, is of tremendous importance in judging the Nuremberg Laws. These laws of the Jews were taken as a model for these laws. When, after centuries, the Jewish lawgiver Ezra discovered that notwithstanding many Jews had married non-Jewish women, these marriages were dissolved. That was the beginning of Jewry which, because it introduced these racial laws, has survived throughout the centuries, while all other races and civilizations have perished."--*Trial of the Major War Criminals Before the International Military Tribunal*, Nuremberg, 14 November 1945 — 1 October 1946, Volume 12, Secretariat of the Tribunal, Nuremberg, Germany, p. 315.

Dr. Marx asked Julius Streicher,

"Were you of the opinion that the 1935 legislation represented the final solution of the Jewish question by the State?"--*Trial of the Major War Criminals Before the International Military Tribunal*, Nuremberg, 14 November 1945 — 1 October 1946, Volume 12, Secretariat of the Tribunal, Nuremberg, Germany, p. 316.

Streicher responded that Zionism was the final solution of the Jewish question,

"With reservations, yes. I was convinced that if the Party program was carried out, the Jewish question would be solved. The Jews became German citizens in 1848. Their rights as citizens were taken from them by these laws. Sexual intercourse was prohibited. For me, this represented the solution of the Jewish problem in Germany. But I believed that another international solution would still be found, and that some day discussions would take place between the various states with regard to the demands made by Zionism. These demands aimed at a Jewish state."--*Trial of the Major War Criminals Before the International Military Tribunal*, Nuremberg, 14 November 1945 — 1 October 1946, Volume 12, Secretariat of the Tribunal, Nuremberg, Germany, p. 316.

The Racist Australian Government's Selective and Arbitrary Definition of "Jew" in the Brendon O'Connell Case to Match the Statute Without Prior Notice

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Even if the courts in Australia arbitrarily and in plain error rule that the term "Jew" can be applied to a "race" and/or an "ethnicity"; the courts must also rule that the term "Jew" can be applied to a religious community, a group of persons which anyone can enter by way of conversion to the faith without changing one's genetics or ethnic status. This places the burden of establishing the defendant's mental state on the prosecution, and one of the elements of the alleged "offense" must be that the government prove that the defendant believed and meant to say that "Jews" are a race or ethnicity, as opposed to a religious group.

It is important that the court not only determine whether or not "Jews" can be categorized as a race or an ethnicity, but more importantly whether or not the term "Jews" can accurately be applied to a religious group. This applies not only to the trial, but also to the indictment itself, which, to be sufficient to claim an offense, must allege that the defendant meant to state that "Jews" are a race or ethnicity, an allegation which must first be made in the indictment, then proven at trial, which it cannot be.

If the indictment fails to allege that the defendant believed the "Jews" to be a race or ethnicity, and that the defendant used the term "Jew" to intentionally categorize and vilify a race or ethnicity, then the indictment does not allege an offense and must be dismissed. Should the court ever hold hearings to determine whether or not "Jews" can be accurately categorized as if a race or ethnicity, without concurrently holding hearings to determine whether or not "Jews" can be accurately categorized as a religious group, then the court will have violated the defendant's due process rights to argue his defense and to not be prosecuted under an indictment which fails to allege that a crime has been committed.

If the government is allowed to prosecute the defendant without alleging an offense and all of its elements, if the government is allowed to indict the defendant without alleging that the defendant believed that the "Jews" are a race or ethnicity, then the government will not have to prove what was not alleged, and an innocent man will face the loss of his liberty for a charge that fails to allege that a crime has been committed.

On the Racist Australian Government's Attempts to Define the "Jews" as If a "Race" or "Ethnicity"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

On 25 July 1963, on page 8, the *Times* of London quoted Israeli Supreme Court Justice Haim Cohn's statement that,

"It is one of the bitterest ironies of fate that the same biological or racist approach which was propagated by the Nazis and characterized the infamous Nuremberg laws should, because of an allegedly sacrosanct Jewish tradition, become the basis for the official determination or rejection of Jewishness in the state of Israel." [See also: J. Badi, *Fundamental Laws of the State of Israel*, Twayne Publishers, New York, (1961), p. 156.]

The racist Australian Government is claiming that "Jews" are a "race" under a statutory definition which incorporates "ethnicities" as if "races". Inevitably, Brendon O'Connell will be asked to explain why he believes that "Jews" are a religious community and not a "race" or "ethnicity" when there are so-called "secular Jews".

Brendon O'Connell is an "O'Connell" by virtue of his birth, but that does not mean that the O'Connells are so homogenous and unique as to constitute a "race" or an "ethnicity". The Australian O'Connells may call themselves "Irish", but they cannot vote in Ireland and probably bear the characteristics of Australians, not the Irish. If we were to trace back O'Connell's ancestors, we would discover that many were not called "O'Connell" and if we were to go back far enough in time we would discover that beyond a certain point in the past none were called "O'Connell". The first "O'Connell" did not change either genetically or ethnically when he or she adopted the name "O'Connell". The O'Connell women who married and took on different names

did not change genetically or ethnically when they converted from "O'Connells" to some other name.

"Secular Jews" do not share the prominent ethnicity of any given sect of ultra-orthodox Jews. The only reason they call themselves "Jews" is that if we trace their ancestry back far enough we will discover that their ancestors were members of the Jewish faith. If we go back far enough, we will discover that the ancestors of their "Jewish" ancestors were not "Jews". The first "Jew" in their line did not change genetically or ethnically from his or her brother, or sister, or cousin who did not adopt Judaism.

The so-called "secular Jew" is merely continuing the mythologically-based religious racial prejudice of his religious ancestors and is therefore religiously Jewish, not genetically nor ethnically Jewish; or is merely acknowledging, without intending any prejudice, that some of his ancestors believed in Judaism. That makes the "secular Jew" a religious racist, or a non-Jew with Jewish ancestors, not a member of an unique and homogenous Jewish "race" nor an unique or homogenous Jewish "ethnicity". The nomenclature of "secular Jew" is therefore misleading to some. If O'Connell has a daughter and she marries an O'Toole, her descendants named O'Toole may claim to be O'Connells even though they are not. They may carry on some of the same blood as persons who called themselves O'Connells, but that does not render them a distinct race nor ethnicity.

The American Ashkenazi "secular Jew" is of a different ethnicity and race than the Yemeni Mizrahi "secular Jew" and the only common link between them is that both had ancestors who were religiously Jewish. That religious link does not bind them ethnically nor does it unite them

genetically, but it has produced their racist religious prejudice that they are "Jews".

There were many persons in Germany under the NSDAP whose ancestors believed in Judaism and who were surprised and shocked to discover that the German Government had classed them as if a member of the "Jewish race". These persons had assimilated and had not adopted the racist mythology that they were a member of an unique and homogenous "race" or "ethnicity" of "Jews".

The racist Australian Government mirrors the racism of the NSDAP by artificially and with malicious and illegal intent creating a class of person it claims are members of the "Jewish race" and/or "Jewish ethnicity". The NSDAP had made the same artificial distinctions with regard to "Jews" and "Germans" and used this mythology as a basis to invade Czechoslovakia, Austria, Poland, etc. and discriminate against "non-Germans" even in foreign lands. The Jews of Israel use these same artificial and mythological claims to illegally discriminate against all non-Jews.

The negative impact of the racism of the Australian Government is already being felt both in its harassment of its own citizens who are defending the nation from foreign aggression, with illegal prosecutions of those citizens, and in the illegal privileges the Government is granting sworn enemies of the State.

Jewish Vampirism and the "Sweet Savour" of Goy Organs

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In my blog articles, I have explained that Jesus offered the sacraments of drinking his blood and eating his flesh as a means for his followers to consume the Jewish god and thereby become the Jewish god and obtain immortality. A reader of my blog suggested that Jews in turn drink Christian blood to obtain this sacrament by proxy. I know of no better explanation for "blood libel".

Jews are forbidden to consume blood because they believe the soul of the animal transfers to those who drink its blood, which beliefs explain why Jesus offered up his blood as the means to salvation. Soon after the Jews murdered Jesus, the Temple was destroyed, thereby bringing to an end the Jewish ritual sacrifice of most animals, as described and prescribed in the Old Testament, in the *Book of Leviticus*, chapters 1-7, where we learn that the Jews drip the blood of their sacrificed animals on the alter of their Jewish god, and that they preserve the organs of the animals as an offering to the Jewish god, one of "sweet savour" to be burned. Note that the Jews are reluctant to burn money.

Though the Jews are not permitted to perform most animal sacrifices, because the Temple was destroyed and because the Kohanim, the priests supposedly descended from Moses' brother

Aaron, are now gone; the Jews do encourage the sacrifice of Goy animals to their Jewish god, a fact which Pranaitis documented:

"V. A JEW WHO KILLS A CHRISTIAN COMMITS NO SIN, BUT OFFERS AN ACCEPTABLE SACRIFICE TO GOD

In *Sepher Or Israel* (177b) it says:

'Take the life of the Kliphoth and kill them, and you will please God the same as one who offers incense to Him.'

And in Ialkut Simoni (245c. n. 772) it says:

'Everyone who sheds the blood of the impious is as acceptable to God as he who offers a sacrifice to God.'

VI. AFTER THE DESTRUCTION OF THE TEMPLE AT JERUSALEM, THE ONLY SACRIFICE NECESSARY IS THE EXTERMINATION OF CHRISTIANS

In *Zohar* (III, 227b) the *Good Pastor* says:

'The only sacrifice required is that we remove the unclean from amongst us.'

***Zohar* (II, 43a), explaining the precept of Moses about the redemption of the first born of an ass by offering a lamb, says:**

'The ass means the non-Jew, who is to be redeemed by the offering of a lamb, which is the dispersed sheep of Israel. But if he refuses to be redeemed, then break his skull....They should be taken out of the book of the living, for it is said about them: He who sins against me, I shall take out of the book of life.'"--I. B. Pranaitis, *The Talmud Unmasked: The Secret Rabbinical Teachings Concerning Christians*, Sanctuary, E. N., New York, (1939), pp. 82-83.

As far as I know, the Jewish rites to be performed in the sacrifice of Goyim are not openly known. The Kohanim are now gone, and Rabbis and Rebbes have largely taken their place, though strictly speaking Rabbis are not entitled to do the work of the Kohanim. I suspect that the Rabbis would feel a special privilege to claim the Lord's share of the harvest of sacrificed Goy animals, the internal organs, the blood, the fat. Goyim are unclean animals, so there would be no gain in burning up these valuable vitals. I suspect the Rabbis would instead opt to sell the Goy meat on the open market to non-Jews, as they are instructed to do with nonkosher meat in *Deuteronomy* 14:21:

"Ye shall not eat of any thing that dieth of itself: thou shalt give it unto the stranger that is in thy gates, that he may eat it; or thou mayest sell it unto an alien: for thou art an holy people unto the LORD thy God. Thou shalt not seethe a kid in his mother's milk."

After all, isn't that what the Rabbis are doing?

Heads Up, Armenians! The Mirror and Smear Operation at "The French Connection"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Two of the tell tale hallmarks of a Cointell-Pro style intelligence operation is that the operatives mirror the work of authentic researchers, such as myself, then smear the persons they parrot while subtly, and sometimes not so subtly, corrupting the authentic message. Daryl Bradford Smith/Setters & Co. are now promoting the proven falsehoods of Dr. Steven Leonard Jacobs without mention of my refutations of those false claims. At the same time, they are mirroring many of the things I have said before them, and are mirroring and expanding upon the books page I created on my website before they created theirs.

As a current example of countless examples to be had, almost one year ago, on 19 March 2009, I wrote the following text in my blog article:

The World's Worst Were and Are Jews, March 19, 2009

"We know that when specific traits are selected for in animals, such as 'tameness', other unexpected traits appear, such as variegation of pelts and barking behavior in foxes, which makes them similar to dogs. I suspect that the Jewish religion places a breeding pressure on Jews and encourages inbreeding that has affected them in many ways, most of them negative. These forces work together to drive the Jews away from normal human behavior towards dishonest, murderous, selfish, clannish, racist and hateful behavior."

At about 57 minutes into the following interview, Smith/Setters parrots these same insights, which is, to say the least, an amazing "coincidence":

http://iamthewitness.com/audio/Ognir/TFC-TiU.SMITH.OGNIR.18-01-2010.mp3

I would also like to give the Armenian Community another heads up about Daryl Bradford Smith/Setters & Co. At about 1 hour and 5 minutes into the interview, "Ognir", aka "Ringo", aka Noel Ryan states (I've tried to clean up his stammering and babbling a bit, so forgive me if this is not exact to the last "Uh. . . Uh"),

"You mentioned a couple of things, there Daryl. That it reminds me. I know a couple of Armenians and they're exactly like Jews. Uh, businessmen, as far as I've met a couple of them. And I have to wonder if the Jews tried to get rid of them in 1915. . . 1916. If you've followed the Armenians from my limited study of the topic that these people have always been under the radar, as well, followed the Jews around in many, many places where the Jews got

kicked out of. . . I mean I think it's up to. . . if you go to Biblebelievers.co.au in Australia, they have a list of. . . since 2,050 BC of all the places. Kicked out of Switzerland in 1368, you know different places in France, the UK 1290. Never been actually allowed back in, but there still doing business up to today, you know, 2010. That they actually tried to get rid of the Armenians and that there's no other criminal network around."

"Ognir", aka "Ringo", aka Noel Ryan is demeaning the Armenian dead by blaming them for their deaths for allegedly engaging in the same criminal conduct as Jews, and Noel effectively called the Armenian community a criminal organization.

In their latest interview with Cynthia McKinney, Smith/Setters &Co. embarrassed themselves and McKinney in the disgusting post-interview discussion they had. Other matters which discredit Smith is that he is now claiming that he was the first person to put Ben Freedman's Willard Hotel speech on the internet at about 1 hour, 3 minutes and 30 seconds into the following file:

http://iamthewitness.com/audio/Ognir/TFC.TiU.SMITH.OGNIR.26-01-2010.mp3

Both the full version of the Freedman speech, and the redacted version of the speech were widely disseminated on the web for years before Smith/Setters reposted these old files on his site without an attribution to those who sent him these files. Smith/Setters--after telling us for years about the good Jews of his neighborhood, and of his patron Jewess who fed him when he was down and out and whose brothers are Mossad agents according to Smith/Setters--Daryl

now claims that there were never any Jews in his life, at about 32 minutes and 15 seconds into the recording.

I note in this context that Smith/Setters told me that John Kaminski is a Jew, but he failed to then also mention the fact that Kaminski was his childhood friend. Smith/Setters waged a long and vicious smear campaign against Kaminski, but I do not ever recall Smith/Setters, or Kaminski, for that matter, ever mentioning the fact that their families were friends going back to Smith/Setters' childhood, until fairly recently. Kaminski is now not Jewish according Smith/Setters. What happened between then and now which rendered him so? Why did Smith/Setters claim that Kaminski is a Jew, and why did not Smith/Setters, or Kaminski, ever discuss their very old friendship while Smith/Setters was attacking Kaminski?

Smith/Setters again contradicts himself when he states that he never had any Jews in his life, while concurrently claiming that Eric Hufschmid is a Jew. Hufschmid was a very big part of Daryl's life for years and Smith/Setters called Eric as recently as August of 2009 asking for his help. Smith/Setters told me that his friend and collaborator "Rupert the Bear 'Muhammad Rafeeq'" is a Jewish banker, which again contradicts Daryl's bogus claim that there were never any Jews in his life. Beyond all of this, Daryl Bradford Smith/Setters told me that he had numerous close Jewish friends while at school at NYU and while living in New York, New York, and that he still has tight Jewish friends in the gold and jewelry business, specializing in imports from Italy.

Smith/Setters often asks us to contemplate the value of "his" work, but I do not see anything of value originating from Daryl. He tends to mirror and smear the work of others, most often

without crediting his sources. He seems to think parroting the work of others constitutes "research", because he concurrently smears his sources without crediting their work.

Esther ("that which is hidden" aka Ishtar), Judith ("Jewess") and the Mirror and Smear Crew

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have been ensnaring the Goyim with the charms of their treacherous women for thousands of years. The Jews have devoted entire books of their religious mythology to telling tales of how they send beautiful women among the Gentiles in order to subvert their nations.

Ishtar was a Babylonian goddess, a prostitute who smote her lovers after enticing them with sex, the ultimate blackwidow. The Jews corrupted her legend with their mythology of the crypto-Jewess Hadassah who used the pseudonym "Esther" ("that which is hidden"). In the story, "Esther"/Ishtar seduced the mythological King Ahasuerus and wormed her way into power by marrying him. She then committed genocide against the mythological "Amalekites" by claiming that they were out to destroy the Jews. The Jews celebrate this legendary genocide every year on their favorite holiday, the gruesome festival of *Purim*, thereby ingraining the story and the

practice in the psyche of every Jew. Chabad.org publishes the entire text of the *Book of Esther*, together with Rashi's commentary, here:

http://www.chabad.org/library/bible_cdo/aid/16474/showrashi/true

The Jews also tell a mythological story of the crypto-Jewess "Judith". So ubiqutous is the practice of subverting the Goyim with attractive Jewish women, that the Jews name their treacherous heroine literally "Jewess", the proper translation of "Judith". In its article, "Judith, book of", *The Catholic Encyclopedia* states, among other things,

"Nabuchodonosor, King of Nineveh, sends his general Holofernes to subdue the Jews. The latter besieges them in Bethulia, a city on the southern verge of the Plain of Esdrelon. Achior, the Ammonite, who speaks in defense of the Jews, is maltreated by him and sent into the besieged city to await his punishment when Holofernes shall have taken it. Famine undermines the courage of the besieged and they contemplate surrender, but Judith, a widow, upbraids them and says that she will deliver the city. She goes into the camp of the Assyrians and captivates Holofernes by her beauty, and finally takes advantage of the general's intoxication to cut off his head. She returns inviolate to the city with his head as a trophy, and a sally on the part of the Jews results in the rout of the Assyrians. The book closes with a hymn to the Almighty by Judith to celebrate her victory."

Cristofano Allori painted a telling portrait of his vision of the "Jewess":

http://en.wikipedia.org/wiki/File:Cristofano_Allori_002.jpg

I seem to recall that Daryl Bradford Smith/Setters was once pushing a young blond Jewish woman, what was her name? It seems history is repeating itself all over again over at Daryl Bradford Smith & Co.

In an amazing "coincidence", the mirror and smear crew parroted my insights on foxes and breeding pressures on Jews:

The World's Worst Were and Are Jews, March 19, 2009

They are again pushing foxes of a more kosher variety.

In another amazing "coincidence", they also parrot what I wrote about Ezra Pound, on a tip from a reader of this blog who noticed similarities between Pound's work and my *POWER PARTY* platform:

Ezra Pound, Eustace Mullins and the Byzantine Empire, December 25, 2008

While at the same time promoting kosher foxes.

Has Daryl Bradford Smith/Setters met my challenges to him and his friend "Musa"? Has Daryl Bradford Smith/Setters publicly discussed his Mossad buddies and told us their names (by the way, Daryl also told me *years ago and stone cold sober* that the alleged Mossad agents were brothers of his patron Jewess)? Has Daryl Bradford Smith/Setters told us the real name of his friend "Rupert the Bear 'Mohammad Rafiq'"? Why is Daryl Bradford Smith/Setters so camera

shy? And what of his friend "Ognir"? Or is it "Ringo"? Or is it Noel Ryan? Are there any unobscured photographs on the web of Daryl Bradford Smith/Setters, or Noel Ryan, or what's his real name "Rafeeq"? If so, where? If not, why not?

The Jews Are Obviously Feeling the Heat: Oh How We Miss Hrant Dink and George Apelian!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In part of an ongoing campaign to defame anyone who tells the truth about *The Jewish Genocide of Armenian Christians*, *The Armenian Weekly* again demonstrated its Jewish agenda by publishing the following article by Jewish apologist Rifat Bali:

A Recent Anti-Semitic Theme: The Sabbatean Role in the Armenian Genocide

Bali errs when he asserts that I am arguing that only Shabbataian Dönmeh Jews were the primary planners, orchestrators, financiers and leaders of *The Jewish Genocide of Armenian Christians*. Bali further errs when he claims that the Turks, or for that matter the Kurds, are

supposedly meant to be exonerated by the fact that the Jews designed, paid for and led the massacres in which the Turks and Kurds heavily participated, and by means of which the Turks and Kurds profited in the short term.

Just as America has to atone for the crimes we have committed at the instigation of Jewry, so too must the Turks and Kurds atone for their gross sins against the Armenians.

Emmanuel Carasso, Vladimir Jabotinsky, Israel Lazarevich Gelfand (Alexander Parvus), the Rothschild clan, the Sassoons, etc. were not Dönmeh, though they were Jews prominently behind the CUP. Far more such Jews are named in my book. As proven by the *London Times* articles which are reproduced in my book *The Jewish Genocide of Armenian Christians*, World Jewry was aware of the actions of the Jews in the Ottoman Empire to destroy Christian civilization in the Middle East and to genocide Armenian, Greek and Assyrian Christians. World Jewry's response, then as today, was to scapegoat Muslims for their Jewish crimes, and deny what the Jews were and are doing. World Jewry's response, then as now, was to defame those who told the demonstrated truth, by deceitfully calling them "antisemites!" Herein lies the danger of the horrific, smearmongering and deceptive Jewish apologetics coming from Khatchig Mouradian and *The Armenian Weekly*.

Armenia is still under genocidal attack from World Jewry. The Jews are playing both sides of the conflict against one another, just as they did during the Armenian Genocide. It is Jews who lead the campaign to deny the Armenian Genocide and it is Jews who lead the campaign to scapegoat the Turks for their Jewish crimes. In both instances, the Jews are careful to cover up their leadership role in the genocide, while yet again pitting Muslims against Christians and

Christians against Muslims.

The Jews are decimating and demoralizing the Armenian Nation. The Jewish campaign to exterminate the Armenian "Amalekites" has not yet succeeded and will continue until the Jews are stopped, or until they succeed.

Had the Jews, and humanity in general, heeded the warnings issued in the *London Times* in 1911, the Armenian Genocide of 1915, the Balkan Wars and the First World War would not have taken place. Had the Jews not screamed "antisemite!" at those telling the truth in 1911, and again in 1919, tens of millions of lives could have been saved.

Today, the Jews have nuclear and biological weapons at their disposal which are capable of exterminating the human race. The Jews view it as their religious duty to kill off humanity. Smearmongering Jews and their sycophants will not stop us from warning the world of the Jewish peril. Perhaps we can avert the Third World War the Jews are manufacturing at this very moment. Perhaps we can bring Christians and Muslims together by demonstrating their common enemy, an enemy who is yet again provoking Muslims and Christians to destroy one another for the benefit of the Jews.

We have lost Hrant Dink to an assassin working for the Dönmeh. We have lost George Apelian. George told me that Hrant Dink knew that the Jews were behind the Armenian Genocide. The Jews murdered Hrant Dink to eliminate any possibility that he would expose them to a vast audience and to end his campaign to reconcile Armenians and Turks.

Rifat Bali's smears are mixed with important quotations he fails to refute. One such quotation gives Hrant Dink's own voice to what George told me:

"Question: There was an article by Mehmet Kamis in yesterday's Zaman. Ibrahim Karagül also published an article in Yeni Safak. There is such a theory [stating that] a group known today as the Sabbateans was to a large extent in control of the leadership of the Committee of Union and Progress. Another analysis has claimed that there was Jewish capital behind the [actions of] the German Army. What do you say [to these claims]?

Answer: It is not a new thesis. I also wrote on this matter a few times. You can also add to that the Baghdad Railway project. I could mention some things from Armenian sources or about the way that Armenians see the[ir] history, but there might be persons who will interpret our conversation as a kind of antisemitism. Let me say right here and now that that would be unfair. If you look to the account generally accepted by the Armenians you will indeed see that behind the Committee of Union and Progress there was German military power, and along side German military power there was the Jewish capital of Germany. This is a topic yet to be researched. If there are any documents or information [on this subject] it will [eventually] come out. In the end the German archives will be the most important testimony, and the Germans themselves have begun to question their own history. In the future we will have a much clearer view [of what happened]. I do not want to go too far into this Sabbateanism thing because, yes, in fact, there

are views that claim that among the Committee of Union and Progress leaders that you listed there were indeed certain leaders, such as Dr. Nâzim, who were Dönmes.

I don't wish to say that the Jews were the enemies of the Armenians. It's true, such things can exist, [but] it doesn't make any difference. Let me state that here. An Armenian could also have been a member of the Committee of Union and Progress (...) You know that there was the problem [of competition over influence] in the Palace between the Jews and the Armenians during the Ottoman period. The question of who would economically dominate the Palace was a crucial matter. Sometimes, it was the Jews who would dominate, at other times, the Sultan would grow angry at the Armenians and would decree that from that moment on Armenians would be prohibited from participating in tenders [for contracts]. It is a fact that such a competition existed between the Armenians and the Jews over who would dominate commerce.

The economists will discover [the truth about this matter]. Anyway, it is not my task to find out how this competition has or has not affected what happened [in 1915]. But, when speaking openly, the Armenians do say such things as that 'it was in fact the Jews that had a hand behind what happened to us'.[43] [Note 43 states, **"Aydogan Vatandas, Asala Operasyonlari Aslinda Ne Oldu?, (Istanbul: Alfa Yayinlari), 2005, pp. 110-111."] "**

As the Jews, and their sycophantic opportunists, try to defame those of us telling the truth, remember that Hrant Dink paid with his life for telling this truth. Do not let his death to have been in vain. Do not let the Jews lie to you and deceive you into believing that the exposure of the Jewish involvement in the Armenian Genocide exonerates the Turks and Kurds. On the contrary, these facts offer further proof of the genocide and give the Armenians a cause of action to sue Jewry and Israel, as well as Turkey and the Kurds, for reparations and other damages.

Watch out, Armenians! The last time the Jews and their sycophants so loudly protested the exposure of Jewish crimes against Armenians, the Jews soon thereafter slaughtered another 1.5 million Armenians. Read my book and you will see the hauntingly familiar Jewish denials which shrilly echo to this day.

Though Judaism Is Not Necessarily Zionism, Zionism Is Judaism

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Stating that, "Catholicism is Christianity," is not the same thing as stating that "Christianity is Catholicism." Catholicism is a Christian belief system, but there are Christians who are not Catholics. Zionism is a Judaic belief system, but there are Jews who are not Zionists. However, the fact that there are Jews who are not Zionists does not mean that Zionism is not Judaism; just as the fact that there are Christians who are not Catholics does not mean that Catholicism is not Christianity.

The Judaism of the Old Testament is devoid of spirituality or any advanced Metaphysics. Instead, it posits a creator god who is just like the stereotypical Jew, selfish (*Genesis* 3:5, 22), jealous (*Exodus* 34:14), supremacist (*Zechariah* 14:9), desiring all the gold, silver and jewels of

the whole World (*Joshua* 6:19. *Proverbs* 1:13-14. *Ezekiel* 28:13. *Joel* 3:5. *Haggai* 2:7-8. *Zechariah* 14:14), and wanting to rule the World from Jerusalem and impose Jewish law on every human being (*Exodus* 34:11-17. *Psalm* 2; 72. *Isaiah* 2:1-4; 9:6-7; 11:4, 9-10; 42:1; 61:6. *Jeremiah* 3:17. *Joel* 3:16-17. *Micah* 4:2-3. *Zechariah* 8:20-23; 14:9).

Just as Jews are jealous of others and seek to exterminate them, the Jewish god is jealous of other gods and seeks to exterminate them. Just as the Jews seek to horde all the gold, silver and jewels of the World and bring them to Jerusalem, so too does the Jewish god. Just as the Jews seek to rule the World from Jerusalem, so too does the Jewish god. "As above, so below," or, "On Earth as it is in Heaven," says the Jew.

The point is, Judaism is ultimately mundane and political, and the Jewish god is a reflection of the Jewish person. Judaism is a plan for World conquest and a call to the Jew to be racist, segregated and to steal the land of Palestine/Canaan from the native inhabitants.

The fact that there is no distinction between Zionism and Judaism can be easily proven in a simple example, one of a large number of such examples. Consider the fact that the Zionists want to make Jerusalem the capital of Israel and to drive out all non-Jews from Jerusalem.

It is important to note that the Jews were never the native population of Jerusalem, but were instead always genocidal, racist and segregationist invaders. The Jews have only been majority residents of Jerusalem for relatively short periods of time in their history, and never natives. The same is true of the Jewish god, who sought to drive out and exterminate the native peoples and their gods and make Jerusalem an exclusively Jewish city. The Zionists are in the process of making this Judaic quest a reality, not because politics demands that the Jews be absolutely

segregated and that no non-Jews ever again be allowed into Jerusalem, but rather because Judaism demands these things of the Jews, in the Old Testament.

Isaiah 52:1, states:

"Awake, awake; put on thy strength, O Zion; put on thy beautiful garments, O Jerusalem, the holy city: for henceforth there shall no more come into thee the uncircumcised and the unclean."

Joel 3:16-17, states:

"16 The LORD also shall roar out of Zion, and utter his voice from Jerusalem; and the heavens and the earth shall shake: but the LORD will be the hope of his people, and the strength of the children of Israel. 17 So shall ye know that I am the LORD your God dwelling in Zion, my holy mountain: then shall Jerusalem be holy, and there shall no strangers pass through her any more."

Zionism and Judaism are indistinguishable, but this does not mean that Judaism must be interpreted as the Zionists interpret it, or that every aspect of Judaism is Zionist. It does, however, mean that Zionism is Judaism. And what is it that prominent Zionists say?

Yehoshafat Harkabi noted that Rabbi Meir Kahane wrote in modern times,

"The Arabs of Israel are a desecration of God's name. Their non-acceptance

of Jewish sovereignty over the Land of Israel is a rejection of the sovereignty of the God of Israel and of his kingdom. Removing them from the land is therefore more than a political matter. It is a religious matter, a religious obligation to wipe out the desecration of God's name. Instead of worrying about the reactions of the Gentiles if we act, we should tremble at the thought of God's wrath if we do not act. Tragedy will befall us if we do not remove the Arabs from the land, since redemption can come at once in its full glory if we do, as God commands us. . . . Let us remove the Arabs from Israel and hasten the Redemption (*Thorns in Your Eyes*, pp. 244-245)."--English translation in: Y. Harkabi, *Israel's Fateful Hour*, Harper & Row, New York, (1988), p. 148. Harkabi cites: M. Kahane, *Thorns in Your Eyes*, New York, Jerusalem, (1980?), pp. 244-245.

Yehoshafat Harkabi noted that Maimonides wrote long ago,

"An affirmative precept is enjoined for the destruction of idolatry and its worshippers, and everything made for its sake. . . . In the Land of Israel, it is a duty actively to chase out idolatry until we have exterminated it from the whole of our country. Outside of the holy land, however, we are not so commanded; but only that whenever we acquire any territory by conquest, we should destroy all the idolatry found there (*Hilkhot Avodah Zara*, ch. 7:1)."--Y. Harkabi, *Israel's Fateful Hour*, Harper & Row, New York, (1988), p. 156.

and,

"It is forbidden to show them mercy, as it was said, 'nor show mercy unto them' (Deut. 7:2). Hence, if one sees one of them who worships idols perishing or drowning, one is not to save him. . . . Hence you learn that it is forbidden to heal idolators even for a fee. But if one is afraid of them or apprehends that refusal might cause ill will, medical treatment may be given for a fee but not gratuitously. . . . The foregoing rules apply to the time when the people of Israel live exiled among the nations, or when the Gentiles' power is predominant. But when Israel is predominant over the nations of the world, we are forbidden to permit a gentile who is an idolator to dwell among us. He must not enter our land, even as a temporary resident; or even as a traveler, journeying with merchandise from place to place, until he has undertaken to keep the seven precepts which the Noachides were commanded to observe (*Hilkhot Avodah Zara,* ch. 10:8)."--Y. Harkabi, *Israel's Fateful Hour*, Harper & Row, New York, (1988), p. 157.

The Jews have been saying, "Next year in Jerusalem" (*Leshana Habaa Birushalayim*) far longer than the term "Zionist" has been in existence. The Jews have wanted to exterminate the natives of Palestine and make it an absolutely segregated "Jewish State" from the beginning. The Jews want to take Jerusalem and make it an entirely segregated Jewish city, not because Zionism arose in the Nineteenth Century, but rather because the conquest and segregation of Jerusalem means for the Jews that they will then rule the entire Earth, judge and then exterminate the Goyim, which is the ultimate goal of Judaism, and was from the beginning. Christian Zionists

know this and support it based on *Luke* 21:24, which states:

"And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled."

Christian Zionists are traitors to their own nations, traitors who want to destroy all Gentile countries and make the Jews and the Jewish god masters of the World. This is not a new plan. It is clearly stated in the Old Testament, as I have proven, and those Jews who disapprove of the Zionists' interpretation nevertheless embrace the racism, segregationism and desire for World conquest of the Jewish Old Testament and its god, who is just like them.

The Brendon O'Connell Case: Sentenced to Death for Chewing Gum?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In order for an indictment to be a legal accusation based upon probable cause and made in good

faith, it must at a minimum allege that an offense has occurred, specify the alleged offense with sufficient clarity to enable the defendant to prepare and assert a defense, and establish each and every element of the alleged offense. Consider the following quotation of jury instructions which names the four elements of first degree murder:

"Murder in the first degree is the wilful, deliberate, malicious and premeditated killing of a human being. Malice, wilfulness, premeditation and deliberation, these four things, must co-exist before a defendant can be convicted of murder in the first degree. And the burden is upon the State of Alabama in this case to convince you gentlemen of the jury beyond a reasonable doubt, and to a moral certainty, that these four elements did co-exist before the defendant can be convicted of murder in the first degree, the highest degree of unlawful homicide."--Ala. Code, tit. 14, §§ 314-20 (1958 recomp.) (repealed): http://www.law.ua.edu/colquitt/crimmain/crimmisc/jurymur.htm

An indictment alleging murder in the first degree must, at a minimum, allege that a human being has been killed, that the accused caused the death, and that the accused did so with malice, wilfulness, premeditation and deliberation. An allegation which fails to allege each and every one of these elements, fails to allege the crime of murder in the first degree.

Not only must the government allege each and every element of the offense being alleged, the government must also prove each and every element beyond a reasonable doubt to the satisfaction of the jury in order for the jury to find the defendant guilty of the accusation. However, where no elements are alleged, the jury will not be asked to determine if the elements

which were not alleged in fact occurred. Therein lies the danger of an insubstantial accusation. A person can be convicted and sentenced based upon conduct that is entirely legal.

Assume that the government issued an indictment which stated,

"Person X commited murder in the first degree in violation of Statute 10001 of the Looneyland Criminal Code; in that he chewed bubble gum."

The government could issue such an indictment despite the fact that it is obviously fatally defective on its face due to its failure to allege that a crime has been committed. Nevertheless, if defendant X failed to object to the indictment and demand that it be dismissed on the grounds that it failed to allege an offense and all of the elements of the offense, the defendant could be tried, and the government would need only prove what it had alleged, that the defendant chewed bubble gum, in order for the defendant to be found guilty and sentenced to death. An innocent man who fails to defend himself from an illegal charge that fails to state that a crime has been committed can conceivably be executed if the government simply proves what it has alleged.

There are, of course, remedies and rights to prevent such an occurrence. The defendant has the right to have the indictment dismissed before trial. The defendant has the right to demand specific jury instructions which require the jury to find as fact that all of the elements of the offense in fact occurred. The defendant has the right to claim innocence at trial that despite the fact that the allegation is factually correct, it fails to allege that a crime has occurred. After the trial, if convicted, the defendant has the right to move to quash the conviction on the basis that

no crime was proven. Then, the defendant has the right to appeal.

However, how many *Pro Se* defendants know these rights and requirements under the law and know how to exercise them? Very, very, few, I suspect. So it is possible that a man could be sentenced to death for chewing bubble gum.

An indictment for "racial vilification" must allege all of the elements of the alleged offense and in so doing: specify the exact language of the alleged "vilification" and explain how it constitutes "vilification" and how it constitutes the "vilification" of a "racial" trait; allege that the accused believed the "vilification" to be false statements; allege that the defendant did not intend to forward the public interest by making the alleged "vilification"; allege that the defendant believed the group allegedly "vilified" is a "race" as defined by the statute; demonstrate that the group allegedly "vilified" is a racial group under the letter of the law; allege that the law provided the defendant with notice that the "vilified" group is a "race"; allege that the defendant intended to "vilify" what the defendant believed to be a "race"; allege that the defendant had no legal right to make the statements he is accused of having made; allege that the alleged "vilification" in fact plainly vilified the "race", was heard in public and was meant to be heard in public; allege that the "vilification" was unambiguous and could only be interpreted by a reasonable man as the "vilification" of a "race"; etc. etc. etc.

Of course, no such lawful indictment could be had alleging that a person, believing his statements to be true and in the public interest, made a valid and accurate critique of religious beliefs; because such conduct violates no laws, is not an offense and does not constitute a crime. Any such fatally flawed indictment must be dismissed at the earliest possible date so as to end

the illegal harassment of the wrongfully accused; and, where the court refuses to dismiss such a fatally defective indictment, and society suffers the suppression of public debate on a matter of public interest as a result, the denial of the motion to dismiss ought to be appealable directly and immediately to the highest court as a matter of substantial, pressing and urgent public interest.

Another Crypto Caught

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I am appealing to anyone with the skills, desire and time needed to perform the task to start a website on crypto-Jews naming crypto-Jews by both their birth names and their pseudonyms, such as this terrible trio :

Solomon Katz A. K. A. Constantin Dobrogeanu-Gherea

Krastyo Georgiev Stanchev A. K. A. Christian Georgievich Rakovsky

Lev Davidovich Bronstein A K. A. Leon Trotsky

Other notables include the many Bolshevik and "Young Turk" crypto-Jews, as well as genocidal lunatics like Madeleine Korbel Albright. The list of these fiends together with a statement of

their crimes will be both alarming and revealing. The list of Hollywood Jews will be extensive.

A subsection of Shabbos Goys would be a good addition and should include the known connections of these traitors to their Jewish sponsors. As I stated in my book *The Manufacture and Sale of Saint Einstein*, and in several blog posts and interviews, including:

Mainland China and Taiwan: Reconciling the Divorce, March 06, 2007

Beware of Communist China, January 09, 2007

*See also:*THE JEWISH ROTTING OF CHINA by Arnold Leese, *Gothic Ripples*, No. 49, dated 28th February, 1949.

. . .the Jews used Shabbos Goyim in China and Imperial Japan to destroy both nations and to start a Jewish nation in the heart of Mainland China under the "Fugu Plan". Jacob Schiff financed Imperial Japan against Russia causing Russia to fail and fall to the crypto-Jewish Bolsheviks, whom he also financed. Mao Tse Tung served German Jews, and Chiang Kai Shek was a Freemason working for the Jews, as was Sun Yet Sen.

On the Free Exercise of a Defendant's Rights Without Any Fear of Retaliation By the State

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In America, a defendant charged with a crime is free to exercise his rights without any fear that the State will retaliate against him by filing additional and/or more serious charges against him. Should the defendant exercise a right, such as filing a motion to dismiss, and the State then subsequently files additional and/or more serious charges against the defendant, then the State will be guilty of illegal "vindictive prosecution" and all the charges must be dismissed due to the violation of the defendant's due process right to exercise all of his rights without fear of retaliation by the State.

This is a fundamental principle of law, for when the exercise of one's rights carries with it the threat of retaliation, then there are no rights, only invitations to disaster.

On the Jurisdiction of the Trial Court Over Evidence to Be Used at Trial

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In America, the trial court has the jurisdiction to order subpoenas and other orders necessary to the defense so that the defendant can acquire and/or secure the integrity and preservation of evidence he intends to use in his defense at trial. Any denial of its jurisdiction over such matters by the court so as to deny the defendant his rights to obtain and/or secure evidence in his favor is a violation of the defendant's due process rights which prevents him from obtaining a fair trial and which obstructs justice and which contributes to the obstruction of justice, such that it is grounds for the dismissal of the indictment against the defendant.

The Brendon O'Connell Case: Untangling the Web

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Brendon O'Connell case involves two separate issues, one of which must be determined by the Judge, and one of which comes solely under the discretion of the Jury.

Pursuant to a pretrial motion to dismiss the indictment on the grounds that it fails to allege an offense, the Judge must determine whether or not the LAW states that the Jews are a race, and only a race, with sufficient clarity to inform the public, and provide the public with legal notice, that the LAW considers the Jews to be race and only a race.

The question of whether or not the Jews are IN FACT a race, and can only be considered a race, and cannot be considered a religious group, and whether or not Brendon O'Connell intended the term "Jews" to mean a race, or instead a religious group, are questions of FACT which must be, and which can only be determined by the Jury.

There is an all important distinction between determining whether or not the LAW states that Jews are a race, and only a race, for the purposes of the determining the sufficiency of the indictment pursuant to a pretrial motion to dismiss; and the entirely separate question of determining whether or not the Jews are IN FACT a race and/or can be considered a religious group for the purposes of determining O'Connell's guilt or innocence at trial.

The court has the authority to determine if the charges are legally sufficient to proceed, which will involve the question of whether or not the LAW states that Jews are a race. However, the

questions of whether or not the Jews can be considered a race, and whether or not the Jews can be considered a religious group, are also questions of FACT for the Jury to decide when considering guilt or innocence based upon the FACTS of the case.

The Judge only has the lawful authority to determine whether or not the LAW states that Jews are a race and only a race with sufficient clarity to provide the public with notice that it is illegal to criticize the Jews. The Judge does not have the lawful authority to determine whether or not the Jews are IN FACT a race.

The Jury has sole jurisdiction over questions of FACT, such that whatever the Judge rules regarding the LAW in relation to a pretrial motion to dismiss the indictment for its failure to allege an offense, the Jury must still determine, and has the sole discretion to determine, whether or not Jews are IN FACT a race, and whether or not the term "Jews" can instead, exclusively or also refer to a religious group, and whether or not O'Connell intended to refer to a race or a religious group when making the alleged statements.

The Judge is only lawfully authorized to determine whether or not the LAW unequivocally states that Jews are a race and if the LAW states that the term can only be applied to a race. The question of FACT remains; and the LAW, if it states that the Jews are a race and only a race, is in error IN FACT and the Jury is entitled to rule on that issue, though I do not believe that the LAW anywhere states that the Jews are a race and only a race. Nor does the LAW anywhere define "race" with sufficient precision to unambiguously inform the public that the LAW states that Jews are a race and only a race.

Taking "9/11 Truth" to the Next Level

Christopher Jon Bjerknes

There have been numerous viral videos which have exposed the fact that the attacks of 11 September 2001 were false flag operations. Some have exposed the fact that the real flag behind the attacks has a Star of David and the rivers Nile and Euphrates upon it.

That said, there is yet to be a documentary exposing the real nature of the attack in the full context of Jewish messianic prophecy. No one has yet revealed, in the medium of video, the actual meaning of the events of 9/11 to those who instigated them.

I have proven that the Jews believe human history is composed of three two thousand year periods, to be followed by a third 1,000 year age in which only Jews will be left alive. I have proven that the Jews believe that the end times arrived in September of 2001.

A documentary which explained these facts and their terrible significance to humanity would reveal the true danger the Jew poses to the human race. The Jews did not simply intend to draw Americans into fighting wars against Middle Eastern nations, so that Israel would emerge as the hegemonist superpower in the region, by instigating the false flag attacks of 9/11 and blaming them on "Arab hijackers".

The true nature of the attack, to those who perpetrated it, was instead a deliberate slaughter of Gentiles meant to begin the final period of human history, the Jewish Messianic Age, at the inception of which millennium, the Jews must exterminate all non-Jews, leaving the Jews as the only power left on earth, and hence initiating a period of peace, given that the Jews will have killed off their enemies, the human race. Since the Jews are comparatively few in number, but disproportionately large in influence, they must deceive the non-Jews into killing one another off. The hidden meaning of 9/11, to those who orchestrated it, was to begin the final World War in which the Goyim will exterminate one another and leave only the undead Jews alive to live in peace amongst their own unkind.

Not only are these facts easily proven, I have already proven them. What is needed is a proven videographer to assist me in putting together a documentary that will inform the public of the hidden agenda behind 9/11--no less than the elimination of the human race for the benefit of the Jews as part of their 2,500 year old plan for World conquest.

Psalms as American Foreign Policy

Christopher Jon Bjerknes

Former President George W. Bush famously stated on Sunday, 16 September 2001,

"My administration has a job to do and we're going to do it. We will rid the world of the evil-doers."

The full significance of Bush's statement is terrifying beyond his obvious incitement to genocide against Muslims. To understand what Bush was saying, most importantly, what Bush was saying to the Jews who put him in power, we must make reference to the Old Testament *Psalms* of David, in particular the 37th *Psalm*. Jews refer to themselves as if the "righteous". "Righteous" Gentiles are Goyim who submit to the Noahide Laws and agree to be the slaves of the Jews. Assimilated Jews and all Goyim who do not submit to the Jewish Noahide Laws and slave and soldier for the Jews, are the "wicked", whom the Jews openly plan to exterminate.

Note that the Jewish phrase "cut off" recalls the Jewish covenant of circumcision, whereby the genocidal Jewish god promises the Jews that they alone will inherit the Earth if they worship him and no other gods. "Cutting off" the Goyim, exterminating all non-Jews, is a Jewish act of purification and part of the contract the Jews have made with their genocidal god to "restore order" to the Earth and make it "godly". The Jewish god's "light" resides only in Jews, and when

the Jews declare that they are the light unto the nations, they are openly pledging to exterminate the human race, though the Jews lie to non-Jews, and pretend that this phrase merely means that the Jews are duty bound to spread their "moral" code to humanity.

Psalm 37 states:

"Fret not thyself because of evildoers, neither be thou envious against the workers of iniquity.

2 For they shall soon be cut down like the grass, and wither as the green herb.

3 Trust in the LORD, and do good; so shalt thou dwell in the land, and verily thou shalt be fed.

4 Delight thyself also in the LORD; and he shall give thee the desires of thine heart.

5 Commit thy way unto the LORD; trust also in him; and he shall bring it to pass.

6 And he shall bring forth thy righteousness as the light, and thy judgment as the noonday.

7 Rest in the LORD, and wait patiently for him: fret not thyself because of him who prospereth in his way, because of the man who bringeth wicked devices to pass.

8 Cease from anger, and forsake wrath: fret not thyself in any wise to do evil.

9 For evildoers shall be cut off: but those that wait upon the LORD, they shall inherit the earth.

10 For yet a little while, and the wicked shall not be: yea, thou shalt diligently consider his place, and it shall not be.

11 But the meek shall inherit the earth; and shall delight themselves in the abundance of peace.

12 The wicked plotteth against the just, and gnasheth upon him with his teeth.

13 The Lord shall laugh at him: for he seeth that his day is coming.

14 The wicked have drawn out the sword, and have bent their bow, to cast down the poor and needy, and to slay such as be of upright conversation.

15 Their sword shall enter into their own heart, and their bows shall be broken.

16 A little that a righteous man hath is better than the riches of many wicked.

17 For the arms of the wicked shall be broken: but the LORD upholdeth the righteous.

18 The LORD knoweth the days of the upright: and their inheritance shall be

for ever.

19 They shall not be ashamed in the evil time: and in the days of famine they shall be satisfied.

20 But the wicked shall perish, and the enemies of the LORD shall be as the fat of lambs: they shall consume; into smoke shall they consume away.

21 The wicked borroweth, and payeth not again: but the righteous sheweth mercy, and giveth.

22 For such as be blessed of him shall inherit the earth; and they that be cursed of him shall be cut off.

23 The steps of a good man are ordered by the LORD: and he delighteth in his way.

24 Though he fall, he shall not be utterly cast down: for the LORD upholdeth him with his hand.

25 I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging bread.

26 He is ever merciful, and lendeth; and his seed is blessed.

27 Depart from evil, and do good; and dwell for evermore.

28 For the LORD loveth judgment, and forsaketh not his saints; they are preserved for ever: but the seed of the wicked shall be cut off.

29 The righteous shall inherit the land, and dwell therein for ever.

30 The mouth of the righteous speaketh wisdom, and his tongue talketh of judgment.

31 The law of his God is in his heart; none of his steps shall slide.

32 The wicked watcheth the righteous, and seeketh to slay him.

33 The LORD will not leave him in his hand, nor condemn him when he is judged.

34 Wait on the LORD, and keep his way, and he shall exalt thee to inherit the land: when the wicked are cut off, thou shalt see it.

35 I have seen the wicked in great power, and spreading himself like a green bay tree.

36 Yet he passed away, and, lo, he was not: yea, I sought him, but he could not be found.

37 Mark the perfect man, and behold the upright: for the end of that man is peace.

38 But the transgressors shall be destroyed together: the end of the wicked shall be cut off.

39 But the salvation of the righteous is of the LORD: he is their strength in

the time of trouble.

40 And the LORD shall help them and deliver them: he shall deliver them from the wicked, and save them, because they trust in him."

If you doubt that the Jews plan to exterminate non-Jews who do not abide their Jewish Noahide Laws and slave for the Jews, consult Michael Higger's book, *The Jewish Utopia*, The Lord Baltimore Press, Baltimore, (1932), p. 19 (note the symbolism of the "tall towers" in the context of 9/11 as the "wicked" and their destruction so as to allow in the "light" of the Messianic Age which the Jews believe is now upon us):

"The wicked, on the other hand, like tall towers, are obstructing the light from coming into the world. The unrighteous are the real enemies of God, and they will disappear before the appearance of the real light, the emblem of the ideal life on earth.[80] [*Endnote*: "Midr. Tehillim, ch. 111, sec. 1, ed. B."] In the present era, the upright are humiliated. But in the millennium, the unrighteous will disappear as the grass that withers; while the righteous will walk with strength and pride.[81] [*Endnote*: Midr. Tehillim, ch. 1, sec. 20, ed. B.]"

As I have proven in previous blogs, the neo-Cons believe that the Jewish Year 6000 has commenced and that we are now undergoing the "birthpangs" of the Jewish Messianic Age:

"The Jewish Year 6000" According to Julius Hillel Greenstone in His Book "The Messiah Idea in Jewish History", August 08, 2009

The plain meaning of Bush's cryptic statement is that the Jewish false flag attack on America of 11 September 2001 commenced the Jewish Year 6000, which heralds the extermination of the "evildoers", who are none other than all non-Jews. The Noachides, who are insignificant in number, will also be killed, because the Cabalah is clear that the light shines only upon the Jews.

In 2005, I publicly warned that the Jews are planning a nuclear attack on Iran. I also warned that this attack on Iran is meant to trigger a nuclear attack on humanity.

The Jews are artificially fulfilling their messianic prophecies and their ultimate goal is to kill you, to cut you off like a discarded foreskin in order to fulfill their contract with their perverse and genocidal god.

Old Before Our Time

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

The Jews have always held us back. They don't steal from us merely to enrich themselves, but also to prevent us from reaching our potential or ever posing a threat to them.

Consider the history of America or Russia. Both nations contain vast territories which encompass numerous resources both natural and in terms of human talent. Yet, these, our much loved nations forever struggle to reach their potential to provide every citizen with a decent, healthy and happy place in which to live and rear and raise children. But why is this so? Have we surrendered even the right to ask what has happened, the right to look back at our path and wonder how we have arrived at where we now stand?

The raw materials and manpower exist to build a home for each American, his to own outright

and to pass on to his offspring. The manpower is here for us to build all that we need and more, to feed each of us beyond our capacity to consume, and to educate our people to their limits to learn. But instead of simply doing what must be done for our mutual benefit, we yell at each other as we watch our cities and infrastructure crumble, and taxes increase to pay unpayable bills which only finance unpayable debts, debts to the Jews.

Who is to blame for this tragedy which darkens, embattles and embitters the otherwise rich lives of our People and which threatens to destroy our nation?

Many of our people know who is to blame, though few dare say it. Cowardice is evidently as common as wisdom in modern America. The Jews hold us back. The reins of power are firmly snared in their fanged teeth. The Jews fill our universities only to fill our governments and factories with Jews and dogmatic and uncreative slaves who seek only to survive by sucking on the rotten tap that lags behind the Jews. The Jews deliberately prevent America and Russia from putting their people and other resources to work to produce all that is needed. Instead, the Jewish usurers increase our debts and our inability to pay them, so that the Jews can steal all that we have and all that we can ever produce. Instead of teaching our children the principles of engineering, or the value of our national unity and the need for strong families; the Jews teach our children Spanish, to be cruel and violent to one another as if doing so is funny, and to hate their heritage.

Yes, the Jews have made America an old, broken man, feeble and unable to plant the fields, or harvest the crops, left us staring in blurry eyed confusion at our arthritic and useless hands. But despair not. The Jews have not yet salted the fields. We can still plant and the harvest that will

fill every belly is only one season away, but only if we stop listening to the ill advice of the Jews to hate ourselves and love the Jewish enemy and to irrationally hate all those whom they pit against us, and to forever see ourselves as weak and hopeless blame-filled dying dogs.

We do not have to forgive or tolerate the Jews and their relentless attack on our very lives. We do not have to follow their ill advice to ruin each other and our nation as if that were the only means to undo the ruin the Jews are deliberately bringing upon us.

We have the manpower, and we have the children and natural resources to fulfill our dreams as a People. We as a People lack only the will, the will to survive, the will to fight the true enemy and the will to come together against a common enemy who endlessly fights against all humanity. We have become an old miserable man mumbling in a decrepit church, thanking a Jewish god who hates us, for all the manifold misery the Jews have deliberately brought upon us. It is a recipe only for death written in a witch's book we read out of slavish obedience, not human dignity, when all about us is all that we need, begging us to live and take life from what is already ours.

Tell the Jewish usurer that you are not a slave. Prove that you will fight for your life and did not build a nation only to have the Jews bend its strong iron gates into prickly bayonets pointing back at you in an ever smaller circle closing in on your racing fearful heart and the tender throats of your children, who turn their loving eyes to you looking for you to save them from the genocidal Jews as you cower and whine and wait. For once in your cowardly and otherwise meaningless life, stand firm and fight back.

The enemy is the Jew. To placate this absolute enemy is absolute death. To hide from speaking his name is to declare him god over you with a coward's silent tongue, which you yourself have torn out and slipped in the dry dirt.

The enemy of man is not the mythological Devil or faceless evil. It has long been the Jew.

The Jew killed ancient Egypt. The Jew killed glorious Greece. The Jew killed rugged Rome. The Jew killed progress and freedom for more than a thousand years of yearning in Europe. The Jew killed old Russia and slew new Germany. Now the Jew is killing you, young America, by turning you old and decrepit.

In the name of all that is decent and human, do not let happen this final time, this final death, for there will be none left once you are gone, America, and the happy echoes of your childrens' songs fade on the moldy bloodstained basement walls of Jewish inhumanity, the crypt of the Jew, songs bouncing unheard off the callous and vampirish outstretched mousy bat wings of Jewish ears, their bloody vessels, black strings in their cobweb ears, black like roadmaps of hell, straining to be full of your blood, catching the backlit sun as they close upon day to drink it away and descend upon your neck with a last crunching bite.

Just as the Poles fell into Jewish holes at Katyn, your childrens' blood will pour down into the dark sewers of Jewish throats, a feast for Jewish rats and Jewish worms; and just as the Armenians dried into shrunken corpses in the Syrian desert chased there by Jewish bats, you will embrace your failure to defend yourself in a tortured clutch the withered flesh that once was yours wrapped around itself like a ripped flower torn from its roots, you will grab frantically in a

last shrunken and horrific cry at the dust to which you have returned covered with Jewish spit; and just as the Russians and Chinese sprayed their own brothers' dung-filled brains across basement Jewish walls covered with meaningless Jewish slogans, the gruesome graffiti of the mad and stupid, the dead eyes shot out from empty skulls never to be human again, the purple jelly of tens of millions of bright brains that once impossibly formed from a billion human struggles into the sparkling life of smiling dreamers who dreamt of freedom and of love, of a home filled with laughing grandchildren who carried their dreams in glittering brains, now again a dripping garbled gook of coagulated death licked from the vampirish fingers of genocidal eternal Jews, the sulfur stinking guns in their fetid rat paws now pointing at you sighted along the smug eye of a hate filled Jew.

The rabid rat of the eternal Jew does not dream of life or of love, it knows no light, but instead occupies its sick brain by rubbing its trembling clawed neurotic hands across its drool-soaked whiskers like a psychotic fiddler on the tomb, and then winds his slimy tongue on the shrill tune to taste the remnants of the weary blood of a hundred millions' dead and in its dry pool of ancient gathered hatred, swims alone in a welcome memory of the swirling dust of inhuman horror, feels with its clawed fingers the sharp splinters of its own Jewish hewn coffin buried before the sun of the second day of its death in the night which it embraces with a sick sore covered mouth offering rotten a kiss as a *fleur du mal* to its ancient black oiled lover its lonely dreams of death given voice in perverse squeals and freakish fantasies rattled in its rat throat, as it busily feeds upon your dead flesh to end forever the sunlight and love that lives in your human dreams.

Hear him in the sewers screaming to the night. The Jew waits for you, waits to pass all that is good through his wormy Jewish gut, a diseased rat that sharpens his chisler teeth on your death and feeds on your rot, who coyly pleads with all the Goyim to humbly bow for a Jewish bullet in the back of the head.

Amazing it is to consider, the tens of millions who already answered the rats' call to enter the gate of the grave. Frightening, the billions who seek it out in the modern darkness the Jews drape over us all. It is not a Greek's Siren singing and cooing to lure in the happy and lustful. Instead, the modern Jew is the euthanasiast, who first brings unbearable pain, and then offers up the Jewish cure of death, rubbing salt on the stringy dead meat to keep it in the Jewish cellar as winter fodder for the ever hungry rats.

If only I could hold a mirror up to time and show you the weeping face of the future looking back at you who were so afraid, her bloody hands on her hollow cheeks, crying out to you to save yourself and with you all that will be. . . instead of speaking to you in riddles and rhymes which would baffle even babbling Cassandra as she runs madly through the streets tripping over the feet of the blind.

All I can offer is that you look backwards to see your future. Look at the dead Russians whom the Jews murdered in the tens of millions. Look at the shattered skulls of Palestinian babies and see yourself and your children wading through the madness of waiting tomorrow. Then welcome yourself to the Jewish Utopia if you are too afraid to fight it back.

"Every Revolution Is Betrayed": The Jewish Ron Paul "Revolution" Is Instead a Jewish Counter-Revolution Against America and Its Foundational Values

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The great American Revolution was an European revolt against the Jews, which ironically had to take place across the pond from Jewish occupied Europe. Yes, the Jew Haym Solomon provided funds for the revolt, but he did so only for the purposes of spilling Goy blood in the Americas, as the Jews had done in Europe for centuries, and for the purposes of making the Jews wealthy in their shady dealings whereby the bamboozled British and Hessian Germans shed Goy blood, their own inclusive, to the ultimate gain of the genocidal Jews.

See the three articles from *The Dearborn Independent*, "The Jewish Associates of Benedict Arnold", "Benedict Arnold and Jewish Aid in Shady Deal", and "Arnold and His Jewish Aids at West Point" reprinted in *The International Jew: The World's Foremost Problem*, Volume 4, The Dearborn Independent, Dearborn, Michigan, (May, 1922), pp. 67-108.

The Jews are planning their final counter-revolution, with Ron Paul, Sarah Palin and their ilk, at its head. In the name of the Boston Tea Party, the Jews are planning to finally strip us of the liberties so hard won in the revolution which freed us somewhat from Jewish slavery. The Jews

incite violence in order to pit the People against its government, and the government against the People and our liberties.

The American Revolution was not fought to prevent British taxation, which taxation was deliberately engineered to favor the Rothschild interests in the East India Tea Company, but was instead a defensive act instigated as a result of the Jews' attack on Colonial Scrip, as Ezra Pound proved:

"The cardinal fact of the American Revolution of 1776 was the suppression, in 1750, of the paper-money issue in Pennsylvania and other colonies, but history as taught in the U.S.A. speaks of more picturesque matters, such as the Boston Tea Party. [***] What constitutes a sound basis of credit was already known and affirmed at the beginning of the seventeenth century by the founders of the Monte dei Paschi of Siena. It was, and is, the abundance, or the productive capacity, of nature taken together with the responsibility of the whole people. [***] My ignorance, and yours, and that of the surrounding public is not to-day a natural phenomenon. Above and beyond natural ignorance, an artificial ignorance is diffused, artificially created by the usurocratic press, by several kinds of organizations striving to preserve their monopolies and privileges. The basic fact of the history of the U.S.A. is the suppression (aforementioned) of the colonial paper-money, fifty-six years after the foundation of the (private) Bank 'of England' (so-called). [***] In a certain sense Brooks Adams had written it, but not in 'popular' form.

The kernel of his exposition is contained in the following paragraph.

Perhaps no financier has ever lived abler than Samuel Loyd. Certainly he understood as few men, even of later generations, have understood, the mighty engine of the single standard. He comprehended that, with expanding trade, an inelastic currency must rise in value; he saw that, with sufficient resources at command, his class might be able to establish such a rise, almost at pleasure; certainly that they could manipulate it when it came, by taking advantage of foreign exchange. He perceived moreover that, once established, a contraction of the currency might be forced to an extreme, and that when money rose beyond price, as in 1825, debtors would have to surrender their property on such terms as creditors might dictate.[2]

This is the kernel. The modern revelation of the usurocratic mechanism remained at this point until Arthur Kitson gave his evidence before the Macmillan Committee, when he traced the curve showing the relationships between debt and credit after the Napoleonic wars, after the American Civil War, and their bearing on the post-Versailles period. (Notice to-day the American propaganda in favour of a 'return to gold'.) Aristotle mentions the olive-press monopoly practiced by Thales just to prove that a philosopher could easily outwit other people if he had nothing better to do, or if he did not find the exercise of his cerebral facilities more interesting. The

monopoly of money, or the restriction of its circulation, is merely a variation of this simple form of monopoly. That is all. The stupid fall into the trap. Wars are provoked in succession, deliberately, by the great usurers, in order to create debts, to create scarcity, so that they can extort the interest on these debts, so that they can raise the price of money (i.e., the price of the various monetary units controlled by, or in the possession of, the same usurocrats), altering the prices of the various monetary units when it suits them, raising and lowering the prices of the various foodstuffs when it suits them, completely indifferent to the human victim, to the accumulated treasures of civilization, to the cultural heritage. In Two Continents Every revolution is betrayed."--Ezra Pound, "America, Roosevelt and the causes of the present war"

"Every revolution is betrayed", indeed! And the American Revolution is today betrayed by agents of the Jews who want to put us under the yoke of the gold standard, contract our money supply, and divide us against ourselves.

Rev. Ted Pike has recently proven that the modern would-be revolutionaries are Jews in patriots' clothing, sewing the seeds of government repression of our fundamental rights. These Jews are not revolutionaries, but instead counter-revolutionaries who seek to destroy the American Revolution, and with it human freedom; by providing the Jews with a false pretext to banish freedom from the face of the Earth.

We do not need another Tea Party. We need to fight back against the Jewish war on the human race and toss the money changers out of the temple of human freedom, take from them any influence over our nation, our destiny and over the human race.

The Jews exploit our freedoms to do us harm, and then decry freedom itself as if the cause of the woes they deliberately cause us by betraying our good faith towards them. The Jews kidnap our children and then demand our freedom as ransom, then claim that our love of family is to blame for their ability to manipulate us into surrendering our freedom so as to recover our children from them. But it is our love of our family, including our national family, which renders us in opposition to Jewish World rule, and so it is our love of ourselves which the Jews must destroy in order to more easily consume us, or better yet for them, to have us consume ourselves. Do not let the Jews deceive you into believing that the remedy for their extortion is to give in to the extortionists and abandon all that gives life meaning. The cure to the Jewish disease is to remove the pathogen and celebrate health, family and nation. We can and will act in good faith towards one another, once we remove the enemy from our midsts.

The recent wave of "Tea Parties" are Jewish orgies in which they piss on the American Revolution, seeking yet again to shackle us to gold which does not exist and sink us in the bottemless bay of our Jewish manufactured discontent with a jagged hole the Jews reamed deeply in our deep bottomed bow[el].

The "Jewish" President Obama Broke His Vow to the Armenians Yet Again: The Agenda Behind the Staged Drama of International Politics

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Yet again, the Jews' man in power, Barack Obama, broke his campaign promise to recognize the Armenian Genocide. Yet again, World leaders cooperated to provide cover for the Jews' desire to cover up their holocaust of the Armenian People.

Just recently, the Armenian President suspended the peace process taking place with Turkey so as to create an entirely artificial "crisis" in Armenian-Turkish relations which had no real effect other than to provide the Jews with an excuse to blame the Armenians for the fact that the Jews are attacking the dignity and interests of the Armenians, yet again. Now the Jewish press can falsely claim that Obama had to hold his tongue in the interests of international relations and

was so good to the Armenians that he refused to use the term "genocide" so as to keep the Armenian-Turkish friendship alive and well.

Armenian, Turkish and American leaders all played their parts in this sham series of events. In the real World, Turkey benefits greatly from Armenia and Armenians, and Armenia is caught between a Turkish hardplace and a Russian rock. The Jews want to inflame hatreds between Russians and Turks and do all that is possible to destroy Armenia and Armenians, who would profit from good relations in the region, as would the Turks and Russians. Armenians are pitted against Turks by the Jewish manufactured pan-Turkic nonsense that they are supposed Turkic brothers of the Azeris, who through the machinations of the Jews ended up controlling Armenian lands and large Armenian populations. Azerbaijan is in the tight grasp of the Jews both through the Jewish control of the Azeri press and the Jewish control of Azeri politicians.

I suggest that the Armenians stop giving the Jewish puppet Barack Obama so much power over their fate, and ask themselves a few simple questions: "What would we do now if Obama had called the Armenian Genocide, 'genocide'? What prevents us from doing the same thing just because Obama is a career liar?"

You already have Obama on the record stating that the genocide was a genocide, and that he would acknowledge the fact if elected. You need nothing more to do what you desire to do. Instead of allowing the Jews to perpetually humiliate you and destroy your morale, why don't you just do what you were planning to do if Obama had, instead of lying, kept his word?

If you (mistakenly) believe you need Obama's permission to take your case to the international

courts, then take your case to court anyway and subpoena Obama's lying buttocks for his testimony under oath. But please do not let the Jews continue to humiliate you year after year after year. By allowing the Jews' puppets to regulate your actions, you are only enabling your own cowardice and failure to act. The Jews are providing you with an excuse to do nothing and you are using this excuse to neglect your duty.

Delayed justice is denied justice and you are letting the Jews stall you when you could instead take action today. Of course, when the case goes to trial it will come out that the "Young Turks" were Jews. You would be wise to seek damages from the Jews, as well as the Turks and the Kurds, from the outset. You will then discover what good friends are those Jews who were so good to you as to order their puppet Obama to spit on you yet again.

Armenian Genocide Denial Is the Official Policy of the Jewish State

International Jewry lead the campaign to deny the Armenian Genocide, because the Jews led the genocide. The Jewish State denies the Armenian Genocide as a matter of State policy. See:

Heads Up Armenians!

Like Daryl Bradford Smith/Setters & Co., Eric Hufschmid and their comrades, Vladimir Zhirinovsky is a career clown who is only taking up your cause in order to discredit it. See:

Zhirinovsky to address Armenian Genocide memorial rally

Though he long denied the fact, Zhirinovsky finally admitted that his father was a Jew named Volf Isaakovich Eidelshtein, and Vlad's birthname was Vladimir Volfovich Eidelstein. Zhirinovsky often appears as a spoiler candidate and as a staged bogey man to encourage Jews to move to Palestine, er uh, Israel.

No Alliance With the Jews Ever Succeeds: The Carrot and the Stick Are Costumes Disguising the Same Diseased Shaft

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Having the studied the history of the Jewish war on the human race, I have observed that every alliance with the Jews has ultimately benefitted the Jews to the detriment of their would-be allies. The Germans prior to World War One were very good to the Jews, who were planning to conquer and divide Germany, then make it nothing but an impotent part of a unified Jewish European continent.

The Jews succeeded in destroying Germany. The Jews also ruined their allies the Brits, as well as their friends, the Turks, and the revolutionary Armenians, etc. etc. etc.

Observe some present day Armenians to learn how the Jews manipulate Gentiles with the same prod garbed in the orange dress of a carrot, and the splintery cloak of a stick. Some Armenian opportunists view the power of the Jews as greater than that of the Turks, and so welcome an alliance with the Jews to attack present day Turks for the crimes Jews, Turks and Kurds committed against their Armenian ancestors. They are obviously not interested in justice, or in the long term future of Armenia and Armenians, but instead see a chance to profit with the Jews from the tragedy of their People's past. Precisely the same thing happened during the Armenian Holocaust. And what was the result?

Nothing can be gained in the long term by fearing the Jews, or by allying with the Jews. In either event, the Jews plan to destroy everyone, and do so incrementally. The Jews often have a firmer grip on the fate of their would-be allies, than they do on their open enemies, and the Jews often

inflict the worst harm on those who help them, as in the case of the British, the Spanish, the Turks, the Russians, the Germans, the Arabs, the Armenians, etc. and now upon America.

Jews like to give their enemies gifts (in the Jewish mind, everyone is their enemy), knowing that gifts tend to confuse stupid people. In every instance, the people which invites in the Jewish Trojan horse rides it to disaster.

While it is wise to understand the power of the Jews, it is suicide to fear it. It is better to snap the stick which the Jews would strike across your cheek and let the carrot nowhere near your mouth. Both are poisoned. Both will bring either you or your descendants ruin and death.

How Do We Overcome Criminal Cowardice While Defending America from Jewry?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Subchapter X, Section 899, Article 99 of the United States Uniform Code of Military Justice makes cowardice before an enemy a criminal offense punishable by death. In my many years combating the Jews, I have spoken to many wise, intelligent and well-informed individuals and

groups, who have thanked me for my efforts, while trying to persuade me to act on their behalf, because they were too chicken to speak up publicly for themselves.

I have always found such cowardice distasteful and one of the worst obstacles we face to our ultimate success. The Jews capitalize on this cowardice, which is why they are so fond of the term "anti-Semite". However, this Jewish smear is like a torch in the hands of a midget waved in the face of an angry bear. Once touched by the flame, the bear no longer fears it, and grows absolutely determined to destroy the little monkey that tried to sting it with ethereal fire that has no lasting substance.

The enemy thrives on bluff, which only has power over selfish cowards. Unfortunately, there are many of these spineless fraidy-cats here in the supposed land of the free, home of the brave. Those who have nothing to lose, and are therefore more prone to speak out publicly, are either too old to be good fighters, or too dysfunctional to be persuasive to the average American. The rich, famous and otherwise successful tend to be deserters, or traitors in the homeland defense against the aggressive Jew.

The Jew declared a war of extermination on us all some 2,500 years ago, and no one of us is a civilian in the eyes of the Jew. We are each of us soldiers in this war which the Jew has declared on us individually and collectively. We can stand and fight, run and hide, or work for the enemy, but not a single one of us has the right to ask others to fight this battle for him. Even children must get in their heads who this enemy is, what genocidal danger the enemy poses, and what must be done to defeat it. The Jew has declared total war on the human race and the entire human race must join in the battle to save itself from the hostile Jew.

Along with naming the elements of the offense, and other relevant declarations, the Uniform Code of Military Justice defines the capital offense of cowardice as follows:

"Any member of the armed forces who before or in the presence of the enemy—

(1) runs away;

(2) shamefully abandons, surrenders, or delivers up any command, unit, place, or military property which it is his duty to defend;

(3) through disobedience, neglect, or intentional misconduct endangers the safety of any such command, unit, place, or military property;

(4) casts away his arms or ammunition;

(5) is guilty of cowardly conduct;

(6) quits his place of duty to plunder or pillage;

(7) causes false alarms in any command, unit, or place under control of the armed forces;

(8) willfully fails to do his utmost to encounter, engage, capture, or destroy any enemy troops, combatants, vessels, aircraft, or

any other thing, which it is his duty so to encounter, engage, capture, or destroy; or

(9) does not afford all practicable relief and assistance to any troops, combatants, vessels, or aircraft of the armed forces belonging to the United States or their allies when engaged in battle; shall be punished by death or such other punishment as a court-martial may direct."

Obviously, our politicians are guilty of all of these crimes, which would stand a soldier in front of a firing squad. But so too are our celebrities, our academia, our press, etc. I know this from personal experience having spoken directly to very famous and influential individuals who ask me to do for them what they should be doing for themselves and for the good of the whole human race. These men and women know exactly what the problem is and how to solve it, but cower in fear of being called "anti-Semitic" when given the opportunity to fight back. Imagine if our soldiers tried to excuse themselves from doing their duty because they were afraid of being called "anti-the-Enemy".

Perhaps the only thing uglier and less human than the eternal Jew who froths at the mouth in his bloodlust to extinguish the light of human life, is the coward who is afraid of the Jew, the coward who will sacrifice himself, his family, his nation, the future of all humanity, out of fear of being labeled a "hater" by a hate-filled racist Jew. But how to overcome this obstacle?

Fear is often the product of insecurity. There is safety in numbers and hence the greater the

number of individuals who come together as a fighting unit, the less likely it is that the individuals who comprise this whole will be afraid. Fear is also the product of the expectation of negative future events, hence cowards seek anonymity as if a curtain of protection, but then they live in fear of exposure and once exposed, their statements lack credibility due to their refusal to make them in the light of day in the first instance.

It is difficult to overcome the problem that cowards are too afraid to stand with others until a majority is reached which cannot be reached due to their cowardice. One way to combat this problem is with propaganda that stigmatizes those who aid and abet the enemy, or who hide from the fight. The powerful must be confronted and we must demand they state their position on key issues, then shame those who side with the enemy, while providing positive reinforcement to those who tell the truth. The Jew has been defeated many times in history through this approach, and only recovers its power when it is able to suppress such public debate.

We would benefit greatly if famous persons would speak out against the enemy. When they do so anonymously or in private, the benefits of their fame are lost. We must find successful people to help in the war, because unsuccessful people only drag us down and consume our resources rather than add to them. We need mass but not dead weight. We need sandbags, not quicksand.

We need to start calling the rich and famous criminal "cowards" and "traitors" until they join in the fight against the Jews who are attacking us. Those with the skills and talents needed to do so must do more in the propaganda war to show that our elite are failing us and juxtapose images of our children with those others the Jews have destroyed throughout history, and with the rich

and famous who are not only doing nothing to fight back against the Jews, but are in bed with this eternal mortal enemy, both figuratively and literally. The propaganda has to become more sophisticated than stars of David and Israeli flags plastered over politicians' heads. It has to touch the hearts of common Americans in their devalued, cheaply built homes. We must show not only that the powerful are agents of the enemy, but also what the enemy has done to hurt us, and what the enemy plans to do to us in the near future to exterminate us, and we must make this demonstration personal.

Will the cowards wake one day to honor their duty to humanity? If they do not, we will have fight that much harder and take infinitely greater risks ourselves than are necessary for anyone to take if we would stand together to fight.

Politicians are known for refusing to answer questions. Let us offer Americans politicians and other famous persons who not only answer questions honestly, but ask them of the cowards and demand answers, and who not only challenge others, but who call for and take action to win the war. The Jews are only winning because we have no famous and respected voices telling the full truth, though I know for a fact that there are many such persons who have the knowledge, belief and opportunity to do so if only they would place their sense of duty above their selfishness and fear.

We demand that 18 year old men and women act with courage on pain of death, yet those who enforce these demands are themselves cowering scum. We must learn how to persuade them to change their gutless ways and make it rewarding for them to do so.

Educate Your Children About the Dangers of Drug Abuse

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have long been the primary purveyors of the addictive drugs alcohol and tobacco. They used to poison the Slavs they so hate by having their puppets in Slav government mandate laws which required the Slavs to buy vodka from the Jews and drink it whenever passing a Jewish tavern or liquor store.

In the name of "freedom", the Jews are probably planning to grossly increase the problem of drug abuse in America. It is telling that Ron Paul wants to implement plans to spread drugs throughout our communities.

The Jews tend to promote the combination of mind altering drugs and occultism so as to absolutely destroy the moral foundations and mental health of our nation. In the name of

"freedom of expression" expect that the Jews will grossly increase their use of commercial media and their advertising skills to promote drug abuse and occultism as America slides into another Jewish manufactured depression.

Ism's and Ishes: "Don't Blame the Jews for What They Do!"???

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

We all know that the real ism behind Communism is Judaism, but Jews like the extended Rothschild clan pretended that the Communist Jews they put in power in Russia were not Jews, but instead were atheists diametrically opposed to Judaism. Strange thing was, these "atheists" protected synagogues and rabbis, while mass murdering and humiliating Christian clergy and turning Christian churches into ashes, or pig barns. Marx was a devout student of the Talmud, and Judaism holds that Jews are the Jewish god on Earth, such that the Jewish people are taught to worship themselves, as above so below. Just as the Jewish god rules the lesser Goy gods in the heavens, so the Jews rule the Goyim on Earth. Just as the Jewish god and his puppet Sammael scapegoat the Goyim for Jewish crimes against humanity, so the Jews scapegoat the Goyim and blame "atheism" for their Jewish crimes against humanity.

But Jewish "atheism" is but a disguise for Judaism. It is a process of destruction of the Goyim and empowerment of the Jew, which is Judaism in its purest form. It is the dismissal of Gentile life, not the dismissal of Gentile gods, per se. The Jews do not seek to destroy all religion, only to deprive the Goyim of their supernatural protection while increasing the might of their Jewish god, and the Jews call this process, "atheism".

The Jews, through clown troops like Daryl Bradford Smith & Co., as well as through Talmudic Jews like Neturei Karta, also deny that Zionism is Judaism and ridiculously claim that Zionism is diametrically opposed to Judaism. A rather odd claim given that the objectives of Zionism mirror those of Judaism and are the fulfillment of Jewish prophecy, are fulfilled by Jews, and benefit only Jews to the detriment of all others. The underlying message being, "Don't blame the Jews for what they do!"

We are now facing a Jewish onslaught in America calling itself "Libertarianism". Yet again, the Jews hide their face by claiming to be "anti-Communists", changing their names, calling their Jewish economics instead, "Austrian", and demanding that we not blame the Jews for what the Jews are doing. The goals of "Libertarianism" are the same old Jewish goals of opening the door to ruinous unregulated usury, gold coins minted in the Jewish Temple, the destruction of Goy culture through the promotion of selfishness, disunity, mutual hatred, and counter-revolution against the American Revolution which will divide us against ourselves. The Jews swarm around this hive and constructed its nest inviting us in to sample their golden honey, so that they can sting us to death. But "Libertarianism" is but another disguise for Judaism masquerading as a primarily secular movement, in that it corrodes the Goyim while providing the Jews the

opportunity for absolute rule.

It is easy to recognize these Jewish pseudo-political movements as Judaism. They always seek to render the Jews as a nation blameless, deny that Judaism seeks World conquest, and offer up self destructive "solutions" to the Goyim for the problems the Jews are deliberately causing, without punishing the Jews for their actions. "Libertarianism", and its Jewish grandmother "Objectivism", are engineered to produce chaos followed by iron fisted Jewish rule, as were Communism and Zionism. They are pure Judaism, and we should recognize the JewISH in the Ism's.

Revisiting Two Prominent Gold Bug Lies

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jews like to promote two lies in order to dupe us into demanding a gold standard, or some combination of metals as currency. One, the Jews falsely claim that gold is immune to inflation. Two, the Jews falsely claim that gold prevents fractional reserve banking.

It is easy to inflate gold currency. The coinage can be debased, such that one dollar represents a lesser amount of gold than it did the day before. Another method of inflating gold currency is fractional reserve banking, whereby the Jews pretend that they have gold in reserve which they do not have, thereby increasing the money supply and lessening the value of the currency as compared to what it would otherwise have been. Yet another method is to effectively naked short currencies, especially on the international market, effectively increasing the money supply so as to drive down the value of money as opposed to the value of goods and services. These are but a few of the many ways to inflate a gold currency. The Jews can also deflate its value by holding gold and/or cutting back on credit, among seemingly countless other methods.

All of which leads us to debunk the second Jewish myth, that the gold standard prevents fractional reserve banking. Fractional reserve banking flourishes under a gold standard for the very reason that gold is a hard commodity which it is cumbersome and risky to transport. To ease transactions and increase security, people tend to store gold in secure environments offering the Jews the opportunity to pretend they hold gold which they do not. Nothing better serves the purposes of fractional reserve banking, than a gold standard.

As an important aside, credit is far more expensive to an economy where neither interest free, or low interest credit is available through government or other mechanisms to provide it, or where fractional reserve banking is banned. Cut off government, or other intervention in the credit markets, while banning fractional reserve banking, and old Shylock will suck all the wealth out of your nation within a matter of months. As my challenge to my Jewish detractors, let's see if some crypto-Jewish Libertarian can explain why.

Soft Peddling Jewish Supremacism: Is America Now Russia 1905. . . or 1917?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish subversive Ayn Rand was a part of "The Trust" and an agent of the Rothschilds. She pretended to be anti-Communist so as to infiltrate and control any authentic opposition to the Communists (read "Jews") and turn it pro-Communist (read "pro-Jew") by means of deception and subversion. Her influence is felt strongly in the Jewish "Libertarian Party" which is as great a threat to our liberty as were the Jews of 1905 and 1917 Russia, who promised the Russians freedom and prosperity if they helped the Jews murder the ruling class.

Knowing that ruse would not work in America the Jews created what is called "Cultural Marxism" to soft peddle Jewish supremacism to America and Libertarianism is of this same class of deception.

The "Tea Party" movement would be useful to us if we could find a celebrity to speak for us and coopt this movement for our *POWER PARTY*. As things stand, the Jews have their representatives Ron Paul, Jon Voight and Sarah Palin, among others, seeking to dominate and

define this movement. Recall that Ron Paul wants to put us on a gold standard so that his Jewish banker sponsors can sell us electronic gold credits for gold that does not exist and reinvigorate and reinvent their old fractional reserve banking scam with modern technology, and privately control the money supply of each region of the globe. Jon Voight is as pro-Israel as John Hagee and Sarah Palin put the Jewish bankers' puppet Barack Obama in the White House.

The Von Mises and Libertarian agenda is clear. Make it as easy as possible for the Jews to rule by the advantage of their wealth. Destroy the culture with absolute selfishness, drug abuse and neglect. Divvy up America into mutually hostile nations. Loan the Goyim gold which does not exist at interest and contract the money supply so that all wealth flows into the hands of the Jews.

The non-Jewish elements of the "Tea Party" crowd and the Libertarians could be ours, especially if we can find a famous spokesman, or woman. As things stand, they are repackaged Bolsheviks, who will call for strikes, shut down industry, and destroy America in the name of saving it, just as the Jews did to Russia, all according to the plan spelled out by the Jewish subversive Ayn Rand, who was born Alisa Zinov'yevna Rosenbaum--funny how many Jewish communists change their names.

Why America, Not Russia?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have often wondered why the Jews bothered to commit pogroms against their own, and grossly exaggerate their scale in the international press, so as to provide a pretext to move millions of Jews from Russia to America in preparation for their ultimate move to Palestine. Would it not have been easier to leave the Jews in Russia? What does Russia lack that America has in abundance?

The Jewish campaign to vilify Russia as if "Gog and Magog" dates back hundreds of years. At least as long ago as the 1500's, the Jews tried to claim that Roman Catholics were the anti-Christ and divide the Church against itself, as well as pitting it against the Russians and the Turks, both of whom the Jews also called "anti-Christ". In Russia, Jewish propaganda stigmatized Turks and Roman Catholics as if "anti-Christ". It appears at first blush that this was just the Jewish way of manufacturing a World War which would free up Palestine and kill off millions upon millions of Gentiles, while netting the Jews a nice profit.

But of late, I am beginning to suspect that the Jews might really believe that Russia is "Gog and Magog" and have tried to divide the armies of their ultimate enemies against one another, by pitting the Russians against the Muslims and against the West, as well as using the Chinese and Japanese to kill Russians. Of course, when the Jews manufactured their ancient prophecies, the

Russ did not yet exist, nor did Christianity or Islam. Those Jews faced Phoenicians, Egypt, Persia, Greece, and were probably closely tied to the Babylonians, if not Babylonians proper themselves.

It appears to me that the Jews would have had an easier time fulfilling their plans had they left their people in Russia and built it up to suit their needs. Instead, they constantly seek to move them out and destroy Russia. So why did they move them there in the first place, and why did they then move them to America? The Jews have now begun to devour us worse than they did during the Wilson and Roosevelt administrations, and there is something fundamental in the religious beliefs of the Jews at play here. Another Exodus is coming, and I am not convinced that it will be to Palestine.

The Cabalah, not the Old Testament, holds the key. The secret doctrines of Shabbattai Zevi, Baruchyah Russo and Jacob Frank, as well as the Lurian Cabalah contain hidden plans which have been revealed again and again in history in the empires the Jews construct and the wars the Jews manufacture. The Jews have repeatedly reconstructed the same empires so as to knock them down again and dissolve them, only to gin up the same wars and empires, only to knock them down again.

These wars are not the product of natural enmity nor inevitable competitive struggles. They are entirely artificial and follow unnatural patterns where nations work against their own interests. But I do not find that they are necessarily conducted in ways which provide the greatest immediate gain for the Jews, but are instead constructed so as to artificially "fulfill" Jewish prophecy as the Jews have amended it to comply with their view of modern demographics.

The Jews are as bitter towards the Russians as they are toward the Egyptians, the very soil burns their cloven feet. But it is rich and vast soil, so why salt it in favor of America? It is a question in need of better answers than I can now offer.

A Sweet Deal for the Jews, All Others Lose

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A deal was recently struck between a traitorous Ukrainian government, the Russian government, and the Jews. The Jews promised the Russians that they could deliver the Ukrainians. The Jews promised the corrupt leaders of the Ukraine kick backs from an extension of the lease to the Russian navy to maintain a Black Sea fleet in the Crimea.

Win, win? Hardly so, for to clinch the deal, the Ukrainian traitors had to promise the Jews that they would themselves deny the Jewish genocide of Ukrainian Christians, and so they did. The Russians had to promise the Jews to help keep their puppets in power in the Ukraine, to oppose Turkey, and to let the Jews reap the profits of the enterprise, and so they will.

The Ukrainians lose their sovereignty and ties to Western Europe. The Russians are being set up

for the next Russo-Turkish War and another battle between the pan-Slavia of Serbia, Ukraine and Russia against pan-Turkey which extends into China. The Russians and Ukrainians lose.

The Jews win. They will reap profits from the Russian fleet. They will maintain a firm grip on the Ukraine. They will generate another World War. They will harm the Ukraine, Russia and Turkey, and they will secure their ally, the traitorous leadership of Georgia, who will depend on the Jews for support in the conflict the Jews manufactured between Georgia and Russia, and Turkey and Armenia, and Turkey and Russia, etc. etc. etc. all in Jewish hopes of again turning the Black Sea red with Goy blood, and as part of the Jewish campaign to scapegoat others for the Jewish genocides of Gentile peoples.

Armenians and Turks Are Fools to Give the Jews So Much Power

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

We have all watched as the Jews pretend to jump start the "peace process" with the Arabs everytime the Jews wish to improve their image after brutally attacking the helpless Arabs. We all know that the Jews have no intentions whatsoever of ending their war on the Arabs, and that the Jews thrive on this war and the Nation of Israel could not exist without it and only exists to

carry it forward.

The Jewish assault on the dignity of Armenians and Turks takes a similar form. The Jews order their puppets among the Turks and Armenians to pretend to move toward normal relations, then the Jews order them to scuttle the process at opportune moments. It is all theater.

The Armenians foolishly think they have friends among the Israelis who enter motions in the Israeli Knesset for commissions to study the Armenian Genocide so as to pass a resolution condemning it. The Jews are not working for your interests but are instead creating leverage for themselves so that the Turks and Armenians compete to more tenderly lick Jewish boots and court the favor of the Jews who destroyed the Turkish Empire and genocided 1.5 million Armenians.

Instead of the Turks sucking up to the Jews so that the Jews do not admit the genocide, and instead of the Armenians tonguing dark and sour Jewish holes and rubbing their noses on the Jewish cheeks that seek to exterminate the Armenians, and further instead of destroying one another and inviting Russia into another disaster for all concerned; the Turks and Armenians should unite against their common enemy, the Jew, and the Turks should pass a resolution condemning the Armenian Genocide and acknowledging that Jews created it so as to ruin Turkey; and the Armenians should pass a resolution condemning the Jews' role in the Armenian Genocide and the Jewish efforts to deny the genocide and to pit Armenians and Turks against one another so that they again destroy one another. If only there were one honest and powerful man among the Turks and one among the Armenians, such a thing could be accomplished and then the real beginning of life for Armenia and Turkey as friends and neighbors could begin.

It will be so easy to defang the Jews. Simply point out that the "Young Turks" were Jews, and that it is the Jews who seek to cover up the genocide they caused and who continue to use it for profit to pit Muslim against Christian, Christian against Muslim, and to watch as the Turks and Armenians struggle to stretch their tongues to the absolute limits to plunge them to the bottom of the deepest, darkest sewers of Jewry.

Armenians and Turks, will you never grow weary of sucking up to the Jews who are out to destroy you?

ADL Pressure Succeeds in the Ukraine

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As was the case with Jewish puppet Barack Obama, who effectively denied *The Jewish Genocide of Armenian Christians*, World leaders again deny genocide under Jewish pressure. Yoav Shamir's documentary *Defamation* reveals that the ADL pressured the Ukrainians to obey Jewish demands regarding the Holodomor, during which the Jews mass murdered some 11

million Ukrainian Christians. The Jew Lazar Kaganovich led the Jewish genocide of Ukrainian Christians, which was in large part a Jewish act of revenge against the Ukrainians for the Chmielnicki pogroms of 1648-1656.

The Jews were especially keen to degrade the genetic stock of the Ukrainians by wiping out their intellectual class. The Jews perhaps also caused the Chernobyl disaster to attack the genetics of the Ukrainians. The Jews kidnap Ukrainian woman to this day and use them as sex slaves on a massive scale.

Dr. David Duke Might Run for President of the United States of America

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

David Duke is considering a bid for President:

Will Dr. David Duke Run for U.S. President? By John Darty

In the above referenced article, John Darty writes,

"If the Democrats can elect Barack Obama to the President of the United States, the Republicans now have the man who, without doubt, offers the clearest answer to Obama."

It was indeed once an unexpected outcome. A black Communist winning a Presidential

campaign, who would have thought such a thing was possible, much less winning on the empty slogan "Change!" However, Obama not only essentially ran unopposed, McCain/Palin essentially threw the election, and Obama had the full support of the Jewish controlled media and the Jewish bankers.

Had Obama faced authentic opposition and/or lacked Jewish media and banker support, he would not have won. Having won and immediately rewarded his Jewish backers with a multi-trillion theft from the American taxpayer, Obama does indeed carry a dark tarnish which can be exploited by an aggressive candidate who seizes the opportunity to not only discredit Obama for his duplicity, but who takes the offensive and runs a campaign against the corrupt media and bankers who escorted Obama into the White House.

In order to win, Duke would need and is seeking a counter balance to the media and money power that installed Obama in the White House. He will face spoiler candidates and has to choose between burning bridges with persons such as Pat Buchanan and Ron Paul, and running an authentic opposition to the forces for whom those men work. Politics is a dirty business, or more gently trying to pursuade their fans that he, Duke, will better serve their best interests.

If nothing else, it is essential for there to be a voice in the arena that exposes how Obama won, the price America has paid for supporting him, and the fact that the same powers which put him in power control the "opposition" candidates who threw the election in order to install Obama.

I would like to see other candidates who will go on the offensive against corrupt and corrosive Jewish power. I would like to hear a loud chorus defending America from the Jews. One famous

voice is a start. Do not let it fizzle and let other famous and influential persons also start speaking up and taking risks. We have infinitely more to lose by remaining silent and afraid, then by aggressively fighting back.

I am not a segregationist and bear no animosity towards blacks, but I am a realist and I observe here in the Chicago area that it is perhaps one of the most segregated areas in the World, so for me the issue is not one of segregation, which already exists, but unfettered and deliberately destructive immigration and the deliberate Jewish attack on White Europeans which is engineered to erase them from the human family. I have witnessed the negative impact of this immigration and would like to see it redirected to productive ends, or halted.

While I do not support Duke's bid for Presidency, I do support the exposure of the Jews, and he may well do much more than he has already done to further that goal, and he may well spark a movement much greater than himself.

White Nationalist Support of Libertarian Candidates, a Case of Unrequited Love?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It is well known that the Jewish gold cartel behind the Libertarian Party hatched a plot to seduce White Nationalists into uniting with Libertarians to support gold bug candidates who would place America on some form of a gold standard currency. Some White Nationalists have foolishly looked to Ayn Rand and Ludwig von Mises for their political and economic philosophies, unaware or unconcerned that those Jewish subversives were working for the Jewish bankers as controlled opposition to the bankers.

Though White Nationalists have supported Jewish controlled gold bug candidates like Ron Paul both financially and with their votes, I know of no instance where Libertarians have led campaign funding drives or organized canvassing efforts for White Nationalist candidates. Perhaps someone can inform if such a thing has ever happened, or is in the works.

Ayn Rand's subversive doctrine that "selfishness is good" appeals and is intended to appeal most strongly to psychopaths. The Jewish subversion of the White Nationalist movement also has deliberately targeted psychopaths so as to guarantee the failure of the movement. I suspect that these psychopaths among White Nationalists and Libertarians are more of a liability than an asset, and that it would be wise to purge them from the ranks should we ever succeed in coopting these two forces.

I raise this point to illustrate how exploitive are the Jews behind the Libertarians. They want to open up America to foreign Jewish exploitation and internationalized economic power, such that the American People have absolutely no say over their destiny. Government is not the only means of exercising power, and the Jews prefer to exercise their economic power over their

governmental power because it is more profitable, works more quickly and is a more efficient means to subvert and destroy a nation.

The Jews exploit psychopaths and those with a conflict of interests to subvert political movements which are otherwise authentically opposed to Jewish power and Jewish influence. The Jews have encouraged White Nationalists and Libertarians to invest in gold, thereby creating a conflict of interest between which economic and monetary policies best serve American national interests, and which policies potentially offer those investors the greatest hopes of windfall profits. I suggest that we demand that those offering up political opinions disclose their connections to the banks, and to the gold cartel, either as investors, or players, in the banking and/or gold industry.

The major "Patriot" radio outlets are mouthpieces for the gold cartel and have spawned subversives with ties to both gold and the banks. They openly peddle gold but never discuss their own conflict of interest when they push us to support gold bug candidates.

One of the many "tells" that these Jews are out to exploit and ultimately destroy the White Nationalists is the fact that they court the White Nationalists' support, fill their heads with Jewish cow dung, but never provide their support for White Nationalists. The Jews will do the same to America if they succeed in seducing Americans to clamor for a gold standard and open up our resources to absolutely unregulated exploitation.

No alliance with the Jews ever succeeds. The Jews always and only do what is best for the Jews, and they believe that the absolute destruction of Gentiles is best for the Jews.

The Jews have long viewed White Europeans as the greatest threat to their plans for World domination. The Jews would never throw their support behind any effort they thought would authentically undermine their interests in World conquest.

The Cooperation of Nations with Common Goals Versus Jewish Internationalism

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews manufactured the World Wars (and many lesser wars before and after them) in part to make humanity so fearful of war that they will surrender their national sovereignty to Jewish run international organizations. Since the Jews intend to destroy all nations and exterminate the human race, submitting to Jewish power is a suicidal action.

Internationalism forces citizens to surrender their rights and power to foreign elements and face a united foreign threat against them. For example, when a traitorous American government agrees to join an international organization and submit the American People to the whims of the organization's decisions, whereby the will of the American People is ignored in favor of foreign

and often hostile peoples (the Jews), the sovereignty of the nation which lies in the People is lost. The international body, which does not answer to any citizens, and which is controlled by Jewry, imposes its will with the force of many nations as an act of war on any nation which asserts its national rights, without expressing the will of the citizens (either directly or through their elected representatives) of those nations it then pits against the nation the international organization chooses to attack.

Internationalism creates a totalitarian dictatorship which the Jews control. The objective of internationalism is to make the Jews the exclusive rulers of all the World so that they can enslave humanity and exterminate the human race.

The *POWER PARTY* will not submit to internationalism. The Party will engage in foreign diplomacy with nations that share a common cause with our nation.

The Party will not surrender the rights or objectives of the American citizen to any foreign or international interest and will obey the will of the People of the United States of America. The Party will seek the cooperation of other nations without attacking their national sovereignty, for our mutual benefit. Should America find it necessary to go to war, we will do so as a matter of our national interests, not as an act of submission to foreign or international interests.

With *POWER PARTY* leadership, America will always and only serve the interests of the American citizen.

Are Communists Opposed to World Jewry? Are Zionists Opposed to World Jewry? Are Libertarians Opposed to Jewry? Or, Are the Jews Opposed to Humanity?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

When the Jews put Lenin and Trotsky in power to implement the Jewish agenda to destroy the human race, the extended Rothschild Jewish banking clan in England published a statement famously claiming that Bolshevism is diametrically opposed to Judaism, the Jews running the Bolshevist show were not Jews, but instead were atheists opposed to Judaism, and that World Jewry was blameless for the crimes of these Jews. Of course, the same Jews who penned these lies were the Jews who financed Lenin and Trotsky. I note that the Rothschilds long falsely claimed to have been opposed to slavery in America, though proof recently appeared that they financed it as well as the Jewish war on the Slavs.

The truth of the matter is that the Jews are diametrically opposed to the human race, and Bolshevism upholds the purpose and principles of Judaism. Judaism calls for the destruction of all nations and a Jewish run World government, and so does Communism, which was engineered and implemented by Jews. Communism, like Judaism, demands that the Goyim

surrender all personal property and religion to the Jews and submit to the Noahide Laws.

Communism is the fulfillment of Judaism and both are diametrically opposed to humanity, not one another. The Jew claims that he is a divine being and the non-Jew is less than an animal. The Jew exists as a double standard and therefore the Jewish mistreatment of the Goyim is not opposed to Judaism, but rather is Judaism in practice.

Judaism is not a proselytizing religion, but rather demands the destruction of all other religions and the enslavement, not conversion, of non-Jews. Communism destroys the religion of non-Jews and enslaves them to the Jews. The Jewish People are not blameless for this double standard, but rather exist to create, enforce and increase it.

Likewise, the Jews falsely claim that Zionism is diametrically opposed to Judaism and therefore Jews are blameless for Zionism, because the founding fathers of Zionism were supposedly atheists, and therefore were not Jewish though they were Jews and served Jewish interests. The founding fathers of Zionism were Abraham, Moses and Joshua, and more recently Shabbatai Zevi and the Rothschilds, all devoutly religious.

Zionism fulfills the Jewish goals of stealing the land of Palestine and Greater Israel, separating the Jews from non-Jews, and destroying all other nations such that the Jews emerge absolute rulers over the entire Earth. Though Zionism is absolutely nationalist, it opposes the nationalism of the Goyim and seeks to internationalize, that is, Judaize the non-Jewish nations. It is an absolute double standard which deifies the Jews and destroys the non-Jews. Zionism is Judaism.

The "Libertarians" try to convince me that "Libertarianism" is diametrically opposed to Judaism and World Jewry because its founding fathers and mothers were atheistical Jews, and therefore not Jewish, though they served Jewish interests and can be linked to the same Jewish bankers who created, enforced and increased Communism and Zionism as the process of empowering the Jews and destroying the Gentiles. The "Libertarians" pretend to oppose Communism, and whereas the Communists used the buzz words "Liberty, Equality and Fraternity", the Libertarians clamor for exploitation, polarization and disunity. Of course, both systems are Judaism. The Communists internationalize through the power of the State which is a puppet of the Jews and thereby make the State the enemy of the People and an organ of Jewish power. The Libertarians internationalize by destroying the power of the State to protect the citizen from the Jews and open up the borders to foreign exploitation of the press, natural resources, economy and banking; while actively undermining the national unity of the country under its attack, such that the Jews can use their economic leverage to draw out all of the wealth of a nation and oppose the People to itself and its own best interests. Both Libertarianism and Communism render the Jews absolute rulers and leave the People without a government to protect them from the Jews and from Jewish internationalism, and both systems enable the Jews to steal all the personal property of the Goyim.

The Communists are not diametrically opposed to World Jewry, they are Jews who are diametrically opposed to humanity. The Zionists are not diametrically opposed to World Jewry, they are Jews who are diametrically opposed to humanity. The Libertarians are not diametrically opposed to World Jewry, they are Jews who are diametrically opposed to humanity. Each group fulfills Judaism by weakening the non-Jew, taking from him his national

unity and purpose, while concurrently empowering the Jew, increasing Jewish unity and strengthening the Jewish nation by making it more exclusive, segregated and powerful so as to better serve the interests of its Jewish citizens to the detriment of humanity.

The "Jealous" Jewish God and the Jews' Hatred of the Diversity of Humankind

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ancient Rome has disappeared and with it the blond haired Romans, and their gods. The golden haired Greeks are gone, and with them, their gods, once renamed by the blond haired Romans, to be their Roman gods, and protectors.

The Jewish god is a jealous god. It seeks to rule and then exterminate all other gods, and with the gods, the human beings those gods protect. The Jews sought first to destroy the temples of the gods of human beings, then exterminate the human beings themselves. There is something to this, which is perhaps better explained by a religious person, rather than an amateur mystic

like me.

I have no religious upbringing. But recently, I visited the Field Museum of Natural History, which I often frequented as a child, having once been featured in the Museum's newsletter as a child. I was reminded by the many exhibits of old cultures, what a prominent role religion and mysticism played in all ancient cultures, and how the Jews destroyed most human cultures and religion, having replaced most of them with comparatively banal and uninspired Judaism.

There is something very important to this, something which others than myself should focus on, having in them something passed along from thousand of years ago, which I lack. The Jews have "cut off" this link to my human roots, having sought to substitute a plastic idol which, like a plastic child's doll, would replace in me something more alive, those gods who danced with my ancestors around ancient fires, and raised courage in the man who faced evil without self-pity and thrust a spear into its neck and chewed on its still beating heart to take from it its supernal power and place it in their own bloodstream.

Instead, I was taught to degrade and doubt the internal power which made me better, more moral and stronger than the weak and stupid around me, the internal power which is the human being, the proud, the loving, the dignified who will fight for his dignity and that of all others, and who listens, which is the key, listens without doubt to the human being that is us all.

This personal power which makes us so strong, is what the Jew so wants to kill as the Jew kills the gods. For the gods are servants, myths which make the man strong, so strong that the Jew must not win, because the people, the children who arise from our individual struggle to find the best of love and human walking gods, the angels who arise from our love of one another, they

are us and us better than us, our children whom the Jews must kill. The children are our gods, our immortality, our hope, and why we wake, and why we fight, and why we love and work and build. They are the *Elohim*, the Goyim and the Goy gods, the Jews are killing. They, they our children, need us to be strong and to fight and to win, for if we lose we die and with us, those angels who came from us to give us life everlasting, wither and die.

Love them, our children, by conquering the slimiest pedophile, the most horrifying monster, the most deadly disease, the Jew. Love them, our children, by taking from this World the Jew who seeks to seduce and murder them.

The gods, the crowns on the priests' heads, the dances and songs, the love of gold and silk and feathered robes and showey headdresses, are nothing compared to the soft hair of my child. The love in me for that which is me and yet better than me, so hated by the Jew, so loved by me, how can you cower and not stand to save all that is us, and save for our children, their future, our future through them?

The Jew is death and the love of death, the poison poured on your food, the poison that kills your gods, the poison that turns your blood into twelve fingered mutated monsters that mock and destroy life, that is the Jew, the Jew leaching into the soil with uranium and plutonium poison, that Jew that cuts down the trees and changes the corn into a mutant jealous Jewish god that demands tribute and kills all that is real and human, by twisting its living soul into the worship of death.

The Jews say that Moses did not know the Jewish god until *Exodus* chapter 6, verse 3, but

before them the Israelites had each tribe its own god, each tribe its own children. But the Jews killed all of these, leaving only Judah, the Jews and with Judah Jehovah the death wish to kill all, that is their Jewish god, the death of all children, all tomorrows, all unique tribes, all better days and yet unseen ways. The Jew named it Jehovah, the death of us all, every culture, every religion, every person.

And tomorrow is almost dead. The Jews are strong, now. The checkmate is near. The Jew killed the Egyptians and their gods. If those gods were beautiful, let others sing their songs, I was raised without gods and have a hoarse voice for such praises. The Romans and Greeks are dead in Jewish hewn tombs, like the magnificent Russ and Germans, and with them their magnificent gods.

That somber god that is mine is freedom and a mouth unafraid to speak what the brain that guides it speaks. I am an American from birth. My gods of love and pride and freedom give me strength of speech and the love to not be afraid to fight for what I believe. To fight for my children whose tender throat has a Jewish knife forever at its soft vessels.

Please join me. My children need more than me to be their legacy to ancient gods who delivered their blood still beating in warm hearts from cold and compassionless forests. I was born without gods, but in me there is the mystic who hears the voice of love and of tomorrows and does not want to die in the Jews' rough hewn and moldy coffin. There is the voice of life that tells me to step here and not in the pit the Jews have dug for us all. I cannot know your gods, but I can love your humanity and welcome you to the eternal garden where I take life.

Join me and live. There is much and we need only give one another this life, unconfused by Jewish lies.

I walked, alone as my child watched the theater of a puppet show. I walked alone in the old familiar halls of the Field Museum of Natural History; and I, a mystic raised without religion, prayed for a natural future for the human race. My daughter emerged from the dark theater of a puppet show on new uncertain feet, searching me out. I was ancient and so morbid, caught in the old world of old religions hanging on dusty manikans, unchanged even from my long ago youth. She walked fresh from a new thought, seeking me out, sweet in fresh clothes and new thoughts, and old this old museum of my youth was smaller than tiny she, smaller than in my youth; and I recalled that I was already in the multiplying tissues of her magnificent brain waiting for her to reawaken it, that innocent ancient it that prayed to live, she is all, and I, without her, nothing, as bronze and dead as the statues of the old museum of my old youth that would capture the once alive, a gangrenous green patina mocking myself in a frozen image of myself, but she lived anew and her life is a search for me and my human dreams which the Jews would end.

I sat and ate with the Armenians, once or twice, Armenians whom the Jews sought to erase from their Jewish god's book of life. Food, it does not truly become us, though in it we taste the Earth that sustains our life. We are more than its electric dust, and I tasted this as I gazed into ancient Armenian eyes which wondered if they could trust me, if they could trust anything, anymore, after so much. Dust becomes beautiful when it lives with us, but alone it is as dry as the dead light of stars that perished a billion years ago and yet lit us only today. We are more than dust

and the Armenians knew this before the Jews stole their history to make it their own.

There is much to the struggle of the Armenians to live, and the Jews to murder them, every last one of them, much that is important for us all to know. The Armenians dreamed up that god the Jews would take from them. But look in Armenian eyes to know the difference. I have researched until the dry and mildewy dust of libraries chocked my throat to know why the Jews want them dead, every one of them, those Armenians, and why the Armenians flirt with this death, the Jew, and so court death. And in these silent archives of the dead, which tell us so much we must know, I see the warm and tender eyes of the Armenians in otherwise Jewish faces, and I see the haunted and hateful eyes of the Jews in otherwise Armenian faces, and the struggle of the jealous Jewish god, and the lost Armenian god, is told in this tale of tender eyes and hateful haunted Jewish eyes that cut off Armenian heads and spit on Armenian graves.

I am somewhere else from these ancient religious beings. I am human, alive now, and I am American. I love freedom and I love life, and care not for gods that live in death. I care not for Jews who live to murder, or for martyrs who live to die. I search for fighters who fight to live.

Join me and live. All those ancients whose moldy clothes hang on chipped manikins in the Field Museum of Natural History do not any longer inspire dreams of life in me, but rather fill me with sorrow in their death. Their death is no longer a religion for me. I want to live and for my children to live. Join me and let us live, now and forever, as long as it lasts.

Winning the "Christian" Zionist Vote for the POWER PARTY in 2012

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

When Mel Gibson released his film *The Passion of the Christ* in 2004, the Jews came out strongly against it and him, declaring that they feared it would incite Christians against Jews. . . by accurately portraying the Gospels. Unfortunately, Gibson's film failed to alert Christians to the dangers of their mortal enemies, the Jews.

In order to tear the vampire fangs out of the Jewish smear of "anti-Semitism", I propose we make another film, *The Jewish Passion of the Christ*. Just as Gibson took his script from the New Testament, we will take ours from the Jewish Talmud, which states, referring to Christ as "Balaam",

"Balaam also the son of Beor, the soothsayer, [did the children of Israel

slay with the sword].[3] A soothsayer? But he was a prophet! — R. Johanan said: At first he was a prophet, but subsequently a soothsayer.[4] R. Papa observed: This is what men say, 'She who was the descendant of princes and governors, played the harlot with carpenters.'[5] _Did the children of Israel slay with the sword among them that were slain by them_.[6] Rab said: They subjected him to four deaths, stoning, burning, decapitation and strangulation.[7]"—I. Epstein, Sanhedrin 106*a-b*, "Sanhedrin II", *The Babylonian Talmud*, Volume 28, The Soncino Press, London, (1935), pp. 721-729, at 725.

Jesus ridiculed the scribes and Pharisees (*Matthew* 22; 23. *Mark* 7; 12:38-40. *Luke* 11. *John* 8). That was just one of the reasons why the Jews killed Jesus in the New Testament story (*see also: John* 5:15-18), and that is one of the reasons why the Jewish Talmud says that Jesus is boiling in excrement in hell. The Jewish Talmud, in tractate *Erubin* 21*b*, states (see also: *Sanhedrin* 88*b*),

"[A]s to the laws of the Scribes, whoever transgresses any of the enactments of the Scribes incurs the penalty of death. [***] This[8] teaches that he who scoffs at the words of the Sages will be condemned to boiling excrements. [***] [F]or [neglecting] the words of the Rabbis[3] one deserves death[.]"—I. Epstein, Erubin 21*b*, "Erubin", *The Babylonian Talmud*, Volume 9, The Soncino Press, London, (1938), pp. 148-151, at 149-150.

The Jewish Talmud tells Jews in *Gittin* 57*a* that Jesus is boiling in hell in hot excrement and semen, which is his curse for questioning Jewish authority,

"He then went and raised Balaam by incantations. He asked him: Who is in repute in the other world? He replied: Israel. What then, he said, about joining them? He replied: *Thou shalt not seek their peace nor their prosperity all thy days for ever.*[*Footnote:* Deut. XXIII, 7.] He then asked: What is your punishment? He replied: With boiling hot semen.[*Footnote:* Because he enticed Israel to go astray after the daughters of Moab. V. Sanh. 106*a*.] He then went and raised by incantations the sinners of Israel. [*Footnote:* {MS.M. Jesus}.] He asked them: Who is in repute in the other world? They replied: Israel. What about joining them? They replied: Seek their welfare, seek not their harm. Whoever touches them touches the apple of his eye. He said: What is your punishment? They replied: With boiling hot excrement, since a Master has said: Whoever mocks at the words of the Sages is punished with boiling hot excrement. Observe the difference between the sinners of Israel and the prophets of the other nations who worship idols."—I. Epstein, Gittin 57*a*, "Gittin", *The Babylonian Talmud*, Volume 21, The Soncino Press, London, (1936), pp. 261-265, at 261.

Our film will graphically depict the Jewish story of Christ's trial and execution at the hands of the Jews, as told by themselves. In the opening and closing credits we will name the rabbis, scribes and pharisees who wrote and told the stories.

We can pass out dvd's of the movie to churchgoers at noted "Christian" Zionist churches and set up big screen tv's showing the movie and ask the parishioners for their responses. Capturing this

on video should make for good publicity and make it easy to ridicule deluded and hypocritical "Christian" Zionists, which will make it very uncool to be a friend of Israel. We can mate this footage to old footage of the Jews attacking Gibson and his film, and we can film these same characters and ask for their response to our film, an authentic account of *The Jewish Passion of the Christ*, and demonstrate their delusions and hypocrisy.

One More POWER PARTY Ad Idea

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A typical phoney pompous evangelical preacher is shown bragging to his flock from the pulpit what a good of friend of Israel he is, and how the Jews gave him a jet airplane, and how he visits the holy land every year courtesy of the Jews who made him famous. Behind the preacher is a giant screen showing scenes of Jews flogging Christ and a Jew saying, "His blood be on us, and on our children." (*Matthew* 27:25)

The camera then pans to the audience, which is a collection of men, women and children in sheep costumes stupidly waving Israeli flags and cheering as the Jews beat Christ and he cries

out in pain. We know what is happening because we could hear the same cheering when the camera was focused on the preacher and showed the Jews beating Christ.

The scene then returns to the pulpit where a small boy wearing a *POWER PARTY* shirt pulls back the curtain on the front of the podium to reveal a Jew speaking into a microphone in the form of a star of David, and working the controls of the preacher, whom we discover is an automaton. The audience takes off the sheep costumes and walks out in disgust. Then we see the same men and women in voting booths casting ballots for *POWER PARTY* candidates.

Yet Another Ad Idea for the POWER PARTY

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

An ultra-orthodox Jewish Israeli soldier with shaved head and sidelocks is standing on a street corner bobbing his head up and down with his hands tucked over the top of his M16 which is slung around his neck. An elderly Palestinian woman hobbles by with her head down and the Jewish soldier brutishly shoves her and curses at her.

The woman hauls off and kicks the Jew in the groin with a heavy black boot, lifting him in the

air and then laying him out. The woman stands upright and in the same motion pulls the scarf off of her head and strips off her dress revealing the fact that "she" is instead a grinning male American soldier whose shirt reads "*POWER PARTY*"

The soldier puts his boot on the Jew, cuts off the American supplied M16 and says, "This is ours, parasite!"

Another Ad Idea for the POWER PARTY

His back facing us, a blacksmith breaks the shackles off of a midget Uncle Sam with a hammer and chisel. The midget has an Israeli flag taped over his mouth, which the blacksmith tears off and throws into the fire, where it erupts into flame like a magnesium flare.

Next, the blacksmith pounds the shattered chains and cuffs into a glowing red branding iron, which an invigorated giant Uncle Sam takes in a powerful fist and forcefully plunges into a physical map of the United States. We discover from the blackened smoking imprint that the

brand reads "*POWER PARTY*".

The blacksmith then turns around, wipes his brow and smiles and we see that he is our candidate for President of the United States of America.

The Armenian Genocide and the Jewish Middlemen

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Every year, on or about April 24th, the Jews play a little game with the Armenians and the Turks. Knowing the power of the Jews (the Jews destroyed the Turkish Empire and genocided at least 1.5 million Armenians), the Armenians and Turks run to lick Jewish boots in hopes of manipulating whatever Jewish puppet occupies the White House to either recognize or effectively deny the Armenian Genocide; which campaign of extermination was led, financed, organized, designed and perpetrated by the Jews and only served Jewish interests.

The American President always fails to recognize the genocide, which keeps the game going for years to come. And every successive year, the Armenians and Turks line up to suck up to the

Jews. It is a classic example of the Jew as middleman shafting both sides and taking all the profits for himself.

If the Armenians ceased to grovel, and the Turks stopped begging, the Jews would lose tremendous political capital in the Middle East and in America. Armenians can depend upon the fact that as long as they continue to lie at the Jews' feet with nose pointed upwards, the American President will not recognize the Armenian Genocide, for that would end the Jewish game and the Jewish gain, which the Jews annually harvest from both the Turks and the Armenians. The Turks can depend upon the fact that the Jews will continue to hang this sword of Damocles over their heads for as long as the Turks continue to tongue Jewish sewers in search of table scraps.

Consider the sweet position the Jews have manufactured for themselves. The Armenians kiss up to them knowing the Jews instigated the genocide. The Turks beg for favors knowing the Jews ruined their empire. The Office of the US Presidency serves as scapegoat for the Jewish crime of denial. The Jews pit the Turks against the Armenians and the Muslim world, and the Armenians against the Turks and Azeris, while the Jews get everything they want from the Turks, Armenians, Kurds and Azeris. Why would the Jews ever let this racket go?

Every year, the Turks give up their sovereignty and beg from the Jews and agree behind closed doors to forward Israeli policy. Every year, the Armenians suck up to the Jews and praise the Jews for their supposed help during the genocide the Jews created, while the Jews concurrently lead all international efforts to deny the genocide. Every year a few prominent Jews pretend to support genocide recognition just to keep the game alive.

The Armenians lose everything. The Turks lose everything. The Jews take all and the Armenians and Turks sing their praises, to boot, those boots the Turks and Armenians compete against one another to lick clean from the Armenian and Turkish blood which covers them.

This is what happens to every person, nation or religion that looks to the Jews for help to solve their problems. The Jews view any cry for help as an incentive to keep the problem alive, for the problem itself serves as a basis for Jewish power and Jewish profits. If you run to the Jews for help, expect them to do everything they can to force the problems you face to endure and worsen forever so that you will keep turning to the Jews and giving the Jews gains in vain hopes of obtaining their help, which enables them to control your fate for the worse and to steal your funds and receive your authentic help to solve their problems.

This is one of the two major reasons why you see Jews, and essentially only Jews, on both sides of the Armenian Genocide recognition debate. The Jews want the Armenians and Turks to bend over to the Jews and hand them everything they have. The other reason is that the Jews want to pit the Armenians and Turks, Christians and Muslims, against each other, leaving the Jews with hegemony in the Middle East, and throughout the World. The Jews who campaign for the Armenians only do so to bring Turkish and Muslim wrath against Armenians and Christians. The Jews who campaign for the Turks only do so to bring Armenian and Christian wrath against the Turks and Muslims.

That is the Jew as middleman and that is why the American President never recognizes the partial truth and would never begin to admit the full truth of *The Jewish Genocide of Armenian Christians*.

Spreading the Load So the Cart Does Not Topple Over

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Illegal immigration affects different States in different ways, and to different degrees. The Federal Government has been lax in defending the national borders and it is primarily the States which suffer from this neglect, some much more than others.

Certain States pay a high price for illegal immigration, including prison costs, education costs, and medical care costs. In an attempt to force the Nation as a whole to address this problem, and in order to streamline and create ubiquitous standards for the processing of illegals, and non-citizens generally, perhaps we should enact Federal Laws which grant the Feds jurisdiction and responsibility for the crimes of non-citizens, for their education if any, and for their medical care.

Non-citizens would still be subject to State and local laws, such that they would gain no advantage to be above the laws of any given jurisdiction, but at the discretion of the local law enforcement, a non-citizen charged with drug offenses, murder or rape could be turned over to

the Feds for processing, prosecution and incarceration. The Federal Government could establish a death penalty for illegals for rape and murder, which, in the case of non-citizens, would become Federal crimes. In cases where contagious disease is discovered, illegals could be quarantined (if not deported) with far more restrictive measures than are employed against American citizens, or legal aliens.

This national problem would then force all citizens to pay a price for the failure of the Nation to solve it. A firm and unforgiving Federal standard, without sanctuary States, would discourage illegal immigration. The high costs of maintaining a welfare state for illegals would encourage all Americans to demand secure borders and the expulsion of illegals (however, this, too, should be done in a rational way that favors our national interests by allowing for limited amnesty in cases which forward our national goals).

At the same time, we should promote economic development in those nations from which the illegals flow. And we should fill the labor void at home with American labor and advanced technology, and create a rational policy for legal immigration that serves our national interests and maintains our national complexion.

Publicity Idea

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A good way to generate publicity and at the same time make an important point would be to place a flag pole with an Israeli flag on it in front of a background of the Capital Building, then lower it. Next raise the American flag and another flag, either one which reads "LOYALTY" or a *POWER PARTY* flag. Then, burn the Israeli flag draped over a bronze coffin with the corpse of an American serviceman cast into its lid, while reading from the Declaration of Independence, or some other important and well known statement from American history like the Gettysburg Address.

A POWER PARTY Campaign Ad Idea

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have an idea for a *POWER PARTY* campaign ad. It would be a cartoon of a giant, regal, powerful and proud bald eagle circling over America. The eagle would spot an Israeli flag flying over the White House and swoop down and tear it to shreds with a look of disgust and

contempt. The eagle would chase the rabbis and the banker lobbyists from the Capital Building like Christ chasing the money changers from the Temple. Then the eagle would rest on the Washington Monument and take flight to survey the rest of America.

Seeing American jobs taken by foreigners, the eagle would clutch them in its talons and return them to their native lands, prodding them with its beak to rejoin their fellow countrymen. Then the eagle would circle the globe and withdraw American military from their battles against innocent peoples, then place them around Israel and the borders of our nation.

The eagle would read Jewish written headlines attacking it in newspapers and on television, and chase the Jews out of the press, then bring in normal Americans to take their place and who then sing the praises of the guardian angel eagle. The eagle would peel the faces off of prominent crypto-Jews and reveal their family names.

The eagle would chase the Jews out of the Federal Reserve and toss them into prison, then drop bags of money with a dollar sign and the word "JOBS!" stenciled on them over fields that would sprout into ripe crops, and bags of money over automobile and aircraft factories that would turn into cars and airplanes, drop sacks of cash into homeless families' hands that would turn into houses and meals on the dinner table. Finally, the eagle would carry our candidate to the White House and return contented to the mountains to nest in peace, satisfied that America had been returned to the Americans.

The closing image would be the face of our candidate gazing upward with a soft smile on his lips, and the eagle's head in subdued light over his shoulder looking down with approval on our

candidate, with the eagle as America's guardian angel, and the slogan, "*POWER PARTY* It's your future AMERICA!"

What Will Wolf Blitzer Say If Duke Runs and Wins?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I wonder if Wolf Blitzer will have the chutzpah to preface David Duke's name in Blitzer's broadcasts with "former KKK leader and President of the United States David Duke" should Duke run for and win the presidency. What about the Sergeant at Arms at the State of the Union Address presumably under a Jewish controlled Speaker of the House, would he annually announce "Former KKK member and the President of the United States"?

I have seen Clinton and Obama don yarmulkas. If Duke has a tongue in cheek sense of humor he could pull out a cone hat and some knotted rope to ease the tension at Jewish dominated press club meetings.

All joking aside, when (I think he will) Duke runs it will serve as a testing grounds for something

new, which I will call "quiet canvassing". We have secret ballots in America, and that anonymous moment is the only place a person's vote counts. Some may feel very uncomfortable openly supporting Duke, for fear of retaliation. I wonder though, if the media attack on Duke will backfire on the Jews, and people will abandon "quiet canvassing" in favor of open support in the form of yardsigns, bumper stickers and door to door visits. Ironically, the hoods of the Klan have, in the long term, worked against the interests of those who wore them, hoping for anonymity.

I can't see Duke supporters attaining much success by simply networking behind closed doors. They will have to turn out at rallies in support of Duke so that it does not appear that he has no support. Perhaps a new less confrontational means of maintaining anonymity can be designed for these rallies for those who elect not to show their faces, such as a "Duke hat", while still being provocative enough to get noticed and create a sense of power and common purpose. This could potentially generate publicity, interest and excitement for the campaign, and serve as a source of revenue. It could be done with a touch of humor and bear a statement on a t-shirt something like, "You'd be surprised who is voting for David Duke. Join us! When we win you'll know it was us by the smile on our faces." Or, "Aren't you ashamed you live in a country where Whites have to hide from our pride?"

Duke supporters should push law enforcement, local and federal, to vigorously prosecute anyone who interferes with a citizen's right to support Duke without fear of harassment, vandalism, job loss, or other forms of intimidation and attack. I do not support hate crimes legislation, but I also do not support the selective enforcement of the laws to favor one group

while harming another group.

It is a shame that this segregation baggage has to be carried along with the uphill climb to unseat Jews from power, but who knows, maybe it will spark nationwide interest and exposure of the Jews resulting in an American awakening. I know in the area in which I grew up, the hearts of the majority of people beat with Duke, though mine does not. I also know that most non-Whites I have met think exactly like he does and the double standard for criticism is outrageous.

For years now, I have been explaining how the Jews first groomed Barack Obama and then installed him in the White House. I quoted Abner Mikva's line that Obama is our first Jewish President in the following videos, which detail how the Jews guaranteed the success of Obama's bid to become President:

Obama and the Bankers

Obama and the Bankers: Part 2

http://www.liveleak.com/view?i=286_1240244547

Almost a century before the Jews manufactured the Obama presidency, the Jews groomed Woodrow Wilson and then placed him in the White House pursuant to a plan laid out by his Jewish boss Edward Mandell House. Soon after, the Jews blackmailed Wilson and forced him to place the terribly unpopular shyster lawyer and Frankist Jew Louis Brandeis on the Supreme Court.

Wilson, like Obama, served the Jewish bankers well, giving them the Federal Income tax and the Federal Reserve, as well as American involvement in the Jewish manufactured First World War and the first Zionist Jew Supreme Court Justice. Obama gave the Jews trillions of dollars in a bailout which I predicted would take place long before Obama was elected.

Wilson's nomination of a much hated criminal Jew generated a terrible scandal. Today, we face the prospect that the Court will entertain a grossly disproportionate 1/3 Jewish composition, despite the fact that Jews only constitute a scant 2 odd percent of the overall population of the United States. Note that the seat is an unelected position and is for life. Nothing could be more undemocratic than this Jewish over representation on the Supreme Court, and nothing could be more corrupt than its creation through Jewish installed Presidents to create Jewish manufactured precedents.

Prof. Kevin MacDonald sounded the alarm one year ago:

Elena Kagan: Jewish Ethnic Networking Eases the Path of a Liberal/Leftist to the Supreme Court

When will all our talk and precisely accurate forecasting of these events translate into political action by you to rescue America from the Jewish onslaught? Why do we allow this hostile minority to destroy us? What more do you expect me, MacDonald, and the others who are fighting this fight for you, to do before you do something for yourself? Do you think we have accidently made all these highly accurate predictions, but are somehow mistaken when we inform you that the Jews desire to completely destroy you and tear your name from the book of life? Are you unwilling to take even the most basic steps towards preserving your own life and that of your descendants?

Kagan will go after our fundamental right to free speech whether or not she is appointed to the Supreme Court. The Jews want to silence me. Where will we be if the Jews succeed in silencing

the truth? Is it so difficult for you to support those of us taking enormous risks to bring you this truth? Is it so hard for you to support a political effort to save America from the Jews?

What have the Jews stolen from you just in the past couple of years, 20%plus on the value of your home? Is that not enough to grab your attention? How much do they expect to collect on the national debt they are ever increasing? Look at how long and how much England has paid to the Jewish usurers over the centuries for national debts which were never in their best interests?

But the financial loss is insignificant compared to the damage done to our rights, even our rights to sovereignty which affords us the ability to safeguard our other rights. Obama's Kagan(ovich) hates our right of free speech. Like Jewish (In)justice Ginsburg, Kagan(ovich) will always and only do what is good for the Jews. Look at what the Jews have done to Russia, to know what the Jews expect is good for the Jews.

Kagan(ovich), like Obama, is another protégé of Abner Mikva. Like Obama, Kagan(ovich) comes from the Jewish dominated "Christian" universities of Harvard and the University of Chicago. It is an undemocratic insiders game the Jews are playing at our expense. Is the Jewish media outraged at this rigged insider trading? Hardly so, they rejoice, and yet some Jews have the chutzpah to ask, "How dare you generalize about the Jews?"

Duke Is in Danger of Stalling Out Before Takeoff

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Duke has to turn his followers from spectators, and sideliners, into workers, or the charm of the spectacle will fade and interest will turn to other new glittering events. Duke also has to capitalize on his opportunities to generate publicity.

Duke has name recognition (something the Jewish media is now giving to their boy Rand Paul) and Duke knows this. I think Duke is now focusing his attention on rebranding himself and creating a new image for himself in the minds of mainstream America. That is well and good, but to rebrand his image, Duke first has to garner the spotlight. He lacks the dollars for advertising, but has something more valuable at his disposal, the ability to attract the media.

Duke should consider, for lack of a better term, publicity stunts, but prepare beforehand videos

and other media, so that when the attention comes, he can exploit the opportunity to create a new image for himself in the minds of average Americans, while taking advantage of the changing political climate to reap the rewards of his lifetime of exposure of the Jewish problem. He should not attempt to reinvent himself, but rather be true to his beliefs that the Jews are the main problem America and the World face, and then use this consistent position to change or awaken public opinion to recognize and side with this truth.

The Jews, especially the "Libertarian" Jews, are busy trying to deflate Duke's trial balloon. As much as they are trying to rescue the outlandish Pauls' image among White Nationalists, it appears that these Jews are even more concerned that the Jews not be exposed as the cause of our problems. These Jews are busy spamming White Nationalist bulletin boards with defeatist messages meant to encourage shame and inaction among those who recognize that Jews are the problem and that we must openly address the problem in order to solve it. The Jews are busy trying to convince their enemies to be perpetually afraid to speak the word "Jew" in public, but instead to place their fate in the hands of the Jews in the form of Jewish puppet politicians like the Pauls who will never speak a word against the Jews.

We must of course speak against the Jews. To fear doing so is to defeat ourselves and make the Jews masters of our destiny granting them the ability to destroy us without our even having spoken against them. We speak against the Jews in public so that the public will know the nature of the problem and the solution and will vote for those who will improve America. Our goal is to control public opinion, not hide from the public and hope the Jews' puppets are secretly working for our best interests (what a farce the Jewish Libertarians are trying to force

down on our throats!).

Have you ever witnessed tiger cubs raised with terrier pups, tigers who grow up as cowards afraid to challenge the aggressive, yapping little tyrants? But all it takes for the farce to end, is for the tiger to realize he is mightier than the dog, and the annoying minuscule cur makes a quick lunch for the stronger, larger and fiercer tiger.

White Nationalists, the Libertarians are little Jewish dogs who have taken off their leash and placed it on you. If you want to gain political power, you have to become involved in the political arena in a sophisticated and unafraid manner, while still taking advantage of your ability to exploit publicity. You have to make it popular and patriotic for Americans to climb out of the dark and musty box that the Jews have placed them in as a coffin and assert their power, rather than cowering from it.

Again, the goal is not to hide in sewers like frightened and ashamed rats, but to gloriously and victoriously march in the streets, so that others are unafraid to join in the parade to oust the hostile Jew from power. As long as you are afraid to speak the truth, the truth will remain hidden with you. Shun the Jews' advice to never mention the Jews. A pipedream "stealth" politician who won by hiding his views would lack public support and political support to accomplish anything, anyhow. A tiger who bares his fangs, lets free his claws and pounces on the enemy will win popular support and then it is the Jews who will be ashamed to show their faces in the public arena.

As another example, I have observed, and suspect others have witnessed similar occurrences,

where one child will bully another. At some point, the two actually come to blows, and the bully is soundly beaten, and then all the other children begin to wonder why they were so afraid of a bully who was made only of bluff. White Nationalists, the Jews are bluffing you when they try to convince you that your best option is to hide and wait for a Jewish manufactured revolution to rescue you. If you cannot even stand up and be counted under the best of circumstances, you will fall face down like the Russians into Jewish pits after a Jewish revolution in America.

Can you not lead other Americans who secretly agree with you to be unafraid to speak their minds? What is freedom of the press when the Jew owns all the presses? What is suffrage when the Jews own all the candidates? What is a free market when the Jews own all the goods and loan out all the money? Why do you pretend that it is only government which can oppress you? The Jews oppress you with money, markets, religions, and in a million other ways, and you welcome the oppression by never taking advantage of your freedom to actually free yourselves of the Jews.

Duke might consider rebranding himself by shedding the Hitler comparison and conjuring up images of successful leaders like Jesus, Constantine and/or Edward I and likening himself to them. I suggest he go to Washington and pull off some publicity stunt. I also suggest he give his followers a mission and begin a formal organization in which his people can participate beyond interacting on message boards. I also suggest that he respond forcefully to the defeatists who are trying to silence him.

Notice how the Libertarian Jews organize powerfully behind their Jewish puppet candidates and raise tens of millions of dollars for nothing candidates, but when anyone else tries to organize or

form another party, the Jewish Libertarians put out the defeatist propaganda that it suddenly becomes impossible to use the system for good, and everyone must shut up and wait for a revolution.

Duking It Out With the Pauls

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Contrast Dr. David Duke's stance on Israel:

No War for Israel in Iran - Keep Americans Safe

with that of the Zionist extremist Pauls:

The United States Special Relationship with Israel

Speaking of the Pauls, and the battle to win the hearts and minds of the "Tea Party" crowd, the Pauls are starting to remind me of Barack Obama, who was placed in the Senate only to be shuffled into the White House, by the Jews. Is this to be Rand Paul's future, or is he slated to be

a spoiler candidate? Obama won on the empty slogan "Change" and the Pauls are winning with the same slogan under the more harsh term "revolution".

The crises the Jews are manufacturing today to destroy our economy, our currency and to throw us into civil war and war with Mexico and perhaps all of Latin America and Canada, recall Edward Mandell House's book:

Philip Dru: Administrator: A Story of Tomorrow, 1920-1935

We are on the verge of the deliberate destruction of America, a new monetary system, a new world war and the disintegration of our country, to be followed by the Jewish Cromwell model, whereby the Jews deliberately create chaos so that they can propose dictatorship in order to restore order. The Pauls fit in with the Jews' plans perfectly. They flirt with the idea of secession, a new monetary system, and a non-interventionist Zionist foreign policy which will guarantee a world war.

House's (the Rothschilds') proposals for our fate have only been partially fulfilled and were already a recurring Jewish theme before House wrote his book, dating back to his father and the Rothschild's attack on America known as the American "Civil War". The Pauls are a part of the ongoing counter-revolution against the American Revolution, meant to internationalize the US by opening us up to foreign and internal attack and economic exploitation by international Jews. The Pauls' platform will severely weaken us, if not itself completely destroy us.

Duke openly and unabashedly addresses the Jewish question and his message identifies the

international Jew, the world's foremost problem. The contrast and the choice between the Pauls and Duke could not be clearer. Now, who will the "Libertarians" support with their dollars, their time and their campaigning efforts, the internationalist and foaming-at-the-mouth rabid Zionist Pauls, or the nationalist Duke, who openly discusses the Jewish problem?

Ron Paul and the "Jewish Batman"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

When asked who is his favorite comic book super hero, Ron Paul responded that it is "Baruch Wane" a Jew version of Batman who attempts to rescue the Jewish economics of Ludwig von Mises from the National Socialists. I suspect Ron Paul's vision of himself is closer to being a Jewish "Superman", a mild mannered crypto who hides his true nature and whose sole purpose is to bolster Jewish interests and who does so in disguise, one that has now been revealed for all to see by his son, Rand.

Ayn Rand stole the idea of the psychopathic Uebermensch from Dostoevsky's *Crime and Punishment* and the character Raskolnikov. It is troubling that Rand Paul loves this book and

Ayn Rand's philosophy which glorifies the psychopath and strips from the leader even Raskolnikov's meager conscience. Zionist Max Nordau told us that our leaders would come from the Jews and would be psychopaths, and so we have the Pauls.

Even Ron Paul's fantasy world is dominated by Jews. He would never do anything political unless he thought that it was good for the Jews. His push for a gold standard is an entirely Jewish orchestrated maneuver behind the scenes. Just as the Jews deliberately used "Lenin" and "Stalin" to put Goy faces to Jewish internationalism, they are using the Pauls to put Goy faces on Jewish internationalism, but the mask is now coming off and the "collectivism" of the Jews and the "internationalism" and Zionism of the Jews is as plain on a Paul's face as it was on "Ayn Rand's" face (can't these Communist Jews ever use their birthnames?).

I have observed that "Libertarians" are cut of the same prayer shawl as their cousins, Zionists and Communists. They absolutely love meaningless and transparently hypocritical jargon; are overabundantly arrogant, condescending and didactic while being full of crap; and are ruthless and deceptive fanatics, who hide their true aims behind threadbare platitudes they would spin into whole cloth.

These supposed "anti-collectivists" flock together and speak in their stupid common code, which makes them feel as privileged and members of an in-group as Freemasons. Everything about them has the foul odor of the Communists permeating the air.

I again issue the warning, these Jewish revolutionaries will bring the same disaster to America that the Jews brought to Russia in 1905 and 1917, if they succeed. They work entirely and

exclusively for Jewish interests and reek of Jewry even in their fantasy lives, and speaking of fantasy lives, how is it that the Pauls are forming a political dynasty in America, if not with the not-so-hidden hand of the Jews guiding their fate?

Know What You Are Getting With Radical Zionist Rand Paul

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Rand Paul has a great deal in common with Alan Greenspan. Both are huge fans of the subversive Jew Ayn Rand. Both love the Jews' gold. Both share Ayn Rand's anti-Arab radical Zionism.

Though the Libertarians are busy spreading the disinformation that Rand Paul's radical Zionism is a mere campaign ploy meant to help elect him so that he can then turn on the Jews, Rand Paul's radical Zionism is in fact fully consistent with his admiration for Ayn Rand and her views, and is without a doubt completely sincere. In fact, Rand Paul's position statement could have been written by Rand, Ayn that is, were she alive today.

Idi Amin Dada Was a Controlled Opposition Agent Trained by and Working for the Israelis

I recommend my readers watch the documentary *General Idi Amin Dada* from 1974, which was directed by Barbet Schroeder, and in which Idi Amin himself tells how the Jews groomed him. It is available at netflix.com and can be watched there over the internet. It also appears on YouTube starting at:

http://www.youtube.com/watch?v=sBLSU2DIY80

As I described in my article *The Obama Presidency: Government of the Jews, by the Jews, for the Jews, as America Perishes from the Earth*, Idi AMin was groomed by the highest officials of the Israeli government as a controlled opposition agent intended to help the Israelis bring the Arabs and Africans into war with Israel so that Israel could steal from them "Greater Israel" from the Nile to the Euphrates.

The Obama Presidency: Government of the Jews, by the Jews, for the Jews, as America Perishes from the Earth

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

Abraham Lincoln famously stated at the Gettysburg Address

"[T]hat government of the people, by the people, for the people, shall not perish from the earth."

The Jews installed Obama in the White House as surely as they installed Lenin and Trotsky in power in Russia. Our Jewish puppet President, Barack Obama, has filled the government with Jews, just as Lenin and Trotsky filled the Russian government with Jews. Obama has stolen all our wealth and given it to the Jews, just as Lenin and Trotsky sucked dry the wealth of Russia and transferred it to the Jews.

America is dying, just as Russia died. So what comes next?

Despite the fact that Russia and the Ukraine had the capacity to produce more than enough food to feed their own people, the Jews deliberately destroyed food and mass murdered millions

upon millions of the most productive Russians and Ukrainians resulting in the ultimate deaths of tens of millions of Russians and Ukrainians. The Jews twice sicked the Germans on the Russians and Ukrainians and relentlessly hammered the Poles, slaughtering the best of all these nations.

It is reasonable to expect that the Jews plan to do the same to us, though they will likely take advantage of new technology to kill us. It is not wise to surrender your nation to a people who has openly declared that its foremost purpose is to destroy all nations other than its own. But for the Jews, the idea of "nation" wrecking implies more than taking over the government. The word "Goy" means "nation" and when the Jews speak of destroying the nations, they are talking about obliterating the Goyim, which is to say killing off every non-Jew.

The Jews fancy themselves revolutionaries, but they are instead genocidal killers. Jewish revolution does not just mean the destruction of your government, it means your death. "Counter-revolution" does not merely mean an effort by the Goyim to restore their governments, it means, to the Jew, any effort by the Goyim to preserve their own lives. White pride is "counter-revolutionary" because it promotes the continued existence of white people, whom the Jews want to perish from the Earth. Black power is "revolutionary" to the Jew, not because it frees and builds up the blacks, but rather because the Jews see to it that it is the process of elimination of the whites (and others, like the Arabs) and results in worsening chaos among blacks.

Idi Amin furnishes us with a good example of the Jewish sponsored "revolutionary". He was groomed by Moshe Dayan and Golda Meir to become the leader of pan-Africanism and to

sponsor pan-Arabism such as the Baathists. He pretended to turn on Israel so as to provide Israel with a pretext to attack its neighbors and steal their land.

In her book *Israel's Sacred Terrorism*, Livia Rokach reproduced an excerpt from a 26 May 1955 entry in Moshe Sheratt's personal diary, which recounts his impressions of Moshe Dayan's plans to provoke the Arabs to respond by first attacking them, then stealing their land when they sought to defend themselves,

"The conclusions from Dayan's words are clear: This State has no international obligations, no economic problems, the question of peace is nonexistent. . . . It must calculate its steps narrow-mindedly and live on its sword. It must see the sword as the main, if not the only, instrument with which to keep its morale high and to retain its moral tension. Toward this end it may, no--it must--invent dangers, and to do this it must adopt the method of provocation-and-revenge. . . . And above all--let us hope for a new war with the Arab countries, so that we may finally get rid of our troubles and acquire our space. (Such a slip of the tongue: Ben Gurion himself said that it would be worth while to pay an Arab a million pounds to start a war.) (26 May 1955, 1021)"--L. Rokach, *Israel's Sacred Terrorism*, Third Edition, AAUG Press, Belmont Massachusetts, p. 41."/b>

The danger Dayan invented in Africa was the horse's ass Idi Amin, who trained "paratroopers" to attack Israel, but which "forces" would have had a difficult time taking over a nursing home for the elderly blind. Amin also sought to unite and lead the Arabs to attack Israel, but he only

did so to gather intelligence for Israel and to provoke a war which Israel would surely win and with it steal more land from the Arabs. Amin was a Jewish "revolutionary". He helped the Jews destroy nations and kill off Goyim.

A "counter-revolutionary" would have authentically worked against the Jews by building up the non-Jews and promoting peace and stability.

I predicted most all that Obama is doing to destroy our country, long before it happened, and while others were singing his praises. I proposed a political party to rescue America from Jewish revolution, be it in the guise of Barack Obama's Communism, or Ron Paul's Libertarianism.

We have not only lost trillions which Obama stole and gave to the Jews. We have not only lost jobs and wealth. We have not only lost lives and health fighting Jewish wars. We have also lost all that could now be ours had my suggestions been followed.

Not only would I not have bailed out the bankers, but I would have confiscated their wealth and destroyed them throughout the World with the American military. Not only would my policies not have cost us jobs, they would quickly bring us to full employment. Not only would I have ended wars for the Jews, I would have bettered our relations with other nations and brought their good will and business to our people. Not only would our soldiers not be dying or growing ill in Jewish wars, they would be eating healthy foods and would not be exposed to the toxins the Jews are presently spreading throughout the environment. Do not merely consider the damage the Jews have done, but also consider what positive advances could have been achieved if the enemy did not rule our World, if we truly had government of the people, by the people, for the

people.

Instead, we have an Idi Amin dragging us down as Africa has been dragged down. When Obama pretends to criticize some Israeli policies, he is just being a dutiful puppet serving the Jewish cause the same way Amin served the Jews.

The Rise and Fall of Empires Under Jewish World Rule

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Judaism teaches the Jews to rule the World, destroy all nations other than their own, steal all wealth, and kill off the best Gentiles in preparation for killing off all Gentiles. How do the Jews achieve these ends, and why have they been expelled from so many nations?

In their foundational myths, the Jews suck the wealth out of Egypt and depart to steal the lands of the Canaanites. The Jews lament in their mythology that the Egyptians loved them so much they loaned them their gold and jewels and that the Egyptian ruler would not let the Jews go. The Jews tell a story of how they taught the Egyptian ruler to rob and enslave his own people.

Our time has come, America. Jewish aristocracy are crying out to the US, let my people go! The Jews here have it very good, a little too good, and so must depart with full purses and wet asses.

Throughout history, the Jews have always been relatively few in number. Being extremely aggressive parasites, they need a powerful nation to use as a weapon to destroy other nations. For a really big calamity, they need several powerful nations in conflict with one another so that the Jews can severely cripple the human race they so hate.

At first glance, this might appear to be dilemma, for if the Jews sponsor the rise of an empire, that empire, not the Jews, rules and its people prosper, but the Jews want no one to prosper but themselves and no one to rule other than the Jews.

The Jews long ago figured a way out of this apparent dilemma. The Jews learned to ensure that the empires would collapse from wars and vain consumption, and that their cultures would disappear through the importation of the conquered into the homeland. The entire process of Jewish empire building is one of destruction.

That "great" French Revolution provides us with an example of the death merchants' modus operandi. The initial "revolution" produced mass murder which was intended to eliminate a substantial majority of the French population and the absolute destruction of the best French families with the attendant destruction of French culture and the gross diminution of French genetics.

Though it was bloody, the French Revolution was not anywhere near so bloody as the Jews had planned. Then the Jews placed their puppet messiah Napoleon Bonaparte in power who brought France into several wars, killing off the best of the French yet again and importing foreign culture into France, while exporting French culture and genes abroad so as to bastardize other

cultures and bloodlines. Many wars later, France has now lost much of its sovereignty to Jewish World government in the form of the European Union. Its colonialism has diminished its culture. It is a comparatively weak and uninfluential country.

The Jewish sponsored empire is created to destroy other nations, but also to destroy itself. How much of the destruction of the Egyptian, Greek, Roman, Persian, Catholic, Spanish, Chinese, Indian, Polish, Dutch, English, French, Turkish, Russian, German, Japanese and now American empires was due to natural forces and how much was planned and pursued is perhaps difficult to say, but the Jews were behind each empire and the Jews brought them all down.

In the process of their parasitic consumption of other nations, the Jews build up a nation economically and then lead it into war after war destroying other nations and cultures, then the Jews cut off the tap, consume the roots of the empire as it were, economically, culturally, spiritually and genetically. In the end, not only has the empire destroyed other nations, it has destroyed itself never to reappear again in its original uncorrupted form. Whether we pretend these are natural consequences of empire building, or recognize the design, the Jew was behind them all and all ended in ruin and the blending and grafting of the different branches of the human family into a mongrel slave race, without any unique roots or culture, serving the Jews.

Though it appears at first glance that the Jews are violating their religious tenets when they build up a nation, especially when they build a nation into an empire, history has proven that in every instance the Jews only do so to use the empire to destroy other nations and ultimately itself. Many of the expulsions of the Jews were created by the Jews themselves to "let their

people go" to Palestine and steal the land of the natives. As the Jews suck the last blood out of America, they will want the Jews segregated and expelled. This we ought not to do, for they will raise another empire to place its boot over our heads. At all costs, we should isolate Jews from one another, not concentrate and unite them.

The White Nationalists' plans to segregate and concentrate the Jews are wrongheaded at best and probably originate from the Jews, themselves. Such schemes as Harold Covington's Northwest Republic and David Lane's fantasy of KD Rebel actually would place American Whites at a huge disadvantage, by landlocking or placing European American Whites as far from Europe as possible. They would concentrate future enemies, give them territories and give that enemy every strategic advantage, taking from Whites enormous tracts of land, the important ports of both coasts, and placing them in radiation contaminated zones prone to volcanic action and without energy reserves in inclement regions. Farming and industry are difficult in these areas, and Autarky would be infinitely more difficult to achieve.

The White Nationalists' plans fulfil the Jews' dream of destroying America by making it an empire then imploding the empire and continuing the process of destruction by creating severe threats and disadvantages for Whites in a balkanized America. Latin Americans would flood in as never before, as would Asians.

Is not history filled with wars and who would these forces seek to attack if not White Americans? Imagine the danger of the Chinese having open ports in California and all across the Gulf and Atlantic coastlines? Imagine Latin America invading from the south by the tens of millions per month. What chance would a Northwest Republic, which would consume its meager resources

merely trying to feed and clothe itself, have against such an invasion? Where would winter food come from, in the event of a war? How could trade be conducted when the Whites had little to offer and the Asians could exploit the best of the Americas? It is difficult to imagine a worse predicament for Whites. Is it not easier to exercise political power over the entirety of the nation than to kill ourselves by hiding in the dark corner of our vast nation?

Communism, Capitalism and Productivism -versus- "Pure Nationalism"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Marx advocated the dogmatic principle, "From each according to his ability, to each according to his need." Under this system, people proved more needy than able.

Capitalists make wealth, as opposed to productivity, the best means to acquire more wealth by exploiting the productivity of the poor masses, thereby promoting productivity for its own sake, without ever taking into consideration social and environmental needs, or without entertaining the notion of fairness.

Productivists might introduce fairness into the social scheme by advocating, "To each according to his productivity." But this renders productivity an end, rather than a means.

I am developing a political philosophy which I call "Pure Nationalism", where the economy will reward productivity, but in which economic model the society will have a say in what is and is not produced based upon its value to the society and the long term effects on human life, the environment and the nation. Politics as well as the marketplace will play a role in the use of resources and loan and investment capital. Productivity which is beneficial to society will be the means to wealth, not the usury, monopoly and gambling of laissez faire Capitalism or the slavery and nihilism of Communism. National productivity will produce American wealth and not be subject to foreign exploitation.

Production will be engineered to benefit and serve the human race, not to produce maximum profits regardless of the long term costs or need for that which is produced. There is great need in the country, and much is produced in vain which serves no need. Much is also produced that is destructive to our nation. Labor receives little profit beyond the ability to service its own debts for sustenance. This will change.

Health and genetic improvement will be goals of our society and the economy will serve, rather than attack, the human being. May each generation be healthier than the previous generation. Our most important stored value is our people, their health and our children.

Purposeful Politics: Broadening Our Base While Educating Our People

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I believe that iterating a party platform and campaigning can be productive and beneficial ends in themselves whether or not victory is achieved in elections. For example, the *POWER PARTY* and/or Dr. David Duke can accomplish much by proposing that if elected we will recognize the Jewish genocides of history, including the Armenian Genocide, the Holodomor, the many attacks on Arabs, the victims of Jewish Communism generally, the genocide of the Irish, the genocide of East Indians, etc.

Raising awareness of these Jewish genocides of non-Jews will educate the country as to the danger the Jew poses to the human being. At the same time, it will broaden our political base and inspire various ethnicities to become politically active against Jewish power. It is also an issue that we alone will own.

In this way, money and time spent towards political objectives will not be wasted even if we are not elected. That is what I mean by "purposeful politics", as opposed to say the "pointless politics" of the Ron Paul presidential bid in the last election.

What Is Sovereignty Under Jewish Enemy Rule?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Many have noted that the philosophy of Plato and Socrates mirrors and was perhaps the foundation of, or perhaps even arose from, Judaism. Aristotle, also, came close to the Jewish model, with his love of the law as if potentially a divine and perfect method of rule.

On its face, Judaism would appear to advocate its countless laws as sovereign over all mankind. But Jewish law contains internal contradictions and unresolved issues, so many in fact, that under Jewish law the Jew can justify any action he would take.

I find the views of the Greeks to be naive. The Jews have a basic understanding and basis for their sovereign rule over the Goyim, over the nations. Jewish sovereignty is a mere guiding principle, "Do always and only what is good for the Jews to the extent that it affects Jews individually or collectively." The opinions as to what may or may not be in the Jews' interest are formed based on Jewish law and Jewish authorities, but these laws and opinions are not sovereign and are easily set aside in favor of pragmatic concerns.

This being the case, Americans suffer under a hostile sovereign and enemy force, the Jewish principle that the State and society must always and only do what is good for the Jew. The Jews view as good for themselves the attainment of all wealth, all media, all political influence, and the destruction of Gentile health, Gentile power, and Gentile genetics, ultimately the destruction of all Gentiles.

This Jewish rule manifests itself into action and substance through the control of public opinion and the exercise of political and private power. Jewish sovereignty over Americans is very much a function of the mentality and mindset of Americans, which the Jews carefully regulate and create. It is also the product of disunity among Americans, the effective vacuum of non-consensus being filled by the Jewish sovereign principle of doing what is good for the Jews.

Understanding how the Jews rule and the nature of their sovereignty allows us to break the yoke of their power. Immigration is presently a hot topic. If sovereignty in a democratic republic resides in the masses and is expressed through their representatives, then the goal of the State ought to be to benefit the masses in sustainable ways. In order to do this, the State must have a working definition of the folk whose best interests the State is intended to serve.

This presents the Jews with a method of attack in America. The Jews have actively sought to undermine every image of what it is to be an American, and instead promote the destructive myth that to be an American is to be international and to subvert your interests for those of others, those others being always the Jews or any other group the serving of which destroys America.

Should the *POWER PARTY* take control of the powers of the State, we will need a much better working definition of what it is that is American, and what our immigration policy should be and how we are to judge its merits and design its structure. The first question I ask myself when considering immigration on its most superficial level, is in what other countries, or regions of countries, do I feel most at home? For me, the answer is clearly northern European countries and the regions of other countries which resemble northern European culture. This is obviously in part a product of the region of the United States in which I reside, but I nevertheless suspect that those Americans from Florida would in general feel more at home Toronto, than in New Delhi; and that those Americans from Pheonix would feel more at home in Stockholm than in Cairo, though many now would feel quite at home in Mexico City, which brings me to my point.

The Jews are deliberately changing our demographics to make America anything but American, and to make it impossible to define America as anything other than international. At the close of the Second World War, large numbers of Germany's finest scientists came to America and they contributed greatly to our prestige and sovereignty, without changing our culture or pitting us one against the other or destroying our unity or our unity of purpose. The same cannot be said of the general immigration, legal and illegal, from Latin America and Asia in the post-WWII era. The Asians have arisen as our worst and most exploitive competitors (internally and externally and due to the Jews) and the Latin Americans are a growing Communist threat (internally and externally and due to the Jews).

If we are to import more people, and I do not think we need many more unless there is a rational purpose behind the importation, then a first superficial concern is logically to ask

ourselves, would we feel at home in the place from which this person is coming? Will they feel at home here, or will they tend to try to change America into something else?

There was a time when it served our interests to import large masses of people, but that time has largely passed. We have labor saving devices, and slavery was a tragedy and a mistake for all involved. It was also a genocide on an almost incomprehensible scale. We have native genius beyond all other nations and we should be nurturing it, rather than importing foreign talent.

Dr. David Duke Rends Rand and Rachel: New One Not Needed, for It Resides Between Their Licentious Lips

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

After witnessing Dr. Duke post some articles with commentary favorable to Rand Paul, I had a sinking feeling in my gut when I saw that he had presented a new video statement regarding wretched Rand Paul. I was worried Duke might have run to the enemy's defense and grossly disappointed me by contradicting his decades' long opposition to Jewish power. Shame on me

for doubting Duke, if only momentarily. My concerns were quickly allayed as I watched Dr. Duke's appeal to his fellow politicians to defend America's interests, not Israel and Jewish interests, as Duke tore into the Zionist Paul and the Jewish propagandist Rachel Maddow, two pathetic peas in a putrid and poisonous pod:

I wonder if Dr. Duke would be interested in an interview by me?

We Do Not Need or Want a Revolution: We Need a Defensive War Against the Enemy Usurpation of Our Nation by the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are attempting to provoke us to attack ourselves with a revolution. The Jews often attempt to weaken nations with national strikes, market crashes, wars, etc. in order to render them ripe for revolution. The present talk of revolution originates with the Jews and the Jews intend to destroy us with a revolution, which will in actuality be a Jewish counter-revolution against the American Revolution.

We do not need to destroy our government, our industry, our agriculture or our society. On the

contrary, we need to purge our government, our industry, our agriculture and our society of the enemy Jews who have usurped our country and led us on a path to our ultimate demise.

We do not need a revolution and we do not need to destroy ourselves. We need to fight a war on the enemy that is destroying us.

We should not be talking about waging a war on ourselves with a revolution, rather we should declare a war on the Jews who declared war on us some 2,500 years ago.

We do not need an alternative tax scheme to the Federal Income tax, we can instead largely or completely eliminate it and all other taxes by regulating loan capital and the money supply. We do not need or want a monetary system based on precious metals. Instead we need and should desire a monetary system based on the productive capacity of American labor and American natural resources, which are abundant and highly competitive internationally, but even were they not, could still sustain an Autarkic system in America.

We do not need to merely curb illegal immigration, but we must also correct the abuse of legal immigration to change our national complexion and end the corruption of society to render it disunited and international. We must also improve the education, industry, professional classes, and loan capital structures of our society to render us independent and internationally competitive. Merely chasing out the illegal will accomplish none of these needed measures.

Government will have to play a large role in these reforms and new initiatives, and those who want to weaken our government and ask us to champion the policies of our own demise are

merely latching on to immigration issues and gun rights, so that they can ultimately internationalize us by weakening our government, let our society go to pot, and allow international wealth to rule every facet of our lives for the purposes of exploitation rather than the improvement of the lot of the average American. The gold standard is meant to take away our sovereignty and render us slaves to international bankers who will then control our national money supply and create an international monetary system based on the fraud of gold in reserve, which they do not in fact possess.

We do not need or want revolution in America. We do not need or want to wage war on ourselves.

We need and must declare a war on the enemy who has usurped us, a war on the hostile, aggressive and parasitic enemy Jews.

Israel Wants the World to Know that They Have Nuclear Weapons, But Leave Us Guessing as to Their Viability and Strength

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Mordechai Vanunu has done the Israelis a huge service, if not worked in the service of the Israelis, by informing the World that Israel has a stockpile of nuclear weapons. What good are these weapons if noone knows you have them, i.e. what value do they have to terrorize, intimidate and deter if non-Israelis have no knowledge of them?

It has long been known that the Israelis worked with the South Africans and French to develop nuclear weapons. The recent reports of negotiations between Israel and South Africa for Israel to supply the South Africans with a bomb back in the mid-1970's are coming out now to favor Israel's efforts to pressure Turkey and the Europeans to maintain good relations with Israel as if their best option. They are intended to help Israel by provoking fear in other nations, not to hurt Israel in any meaningful way. See:

The memos and minutes that confirm Israel's nuclear stockpile

These disclosures are meant to help Israel carry a big stick in its empty trousers. The mass media are not calling for inspections of Israeli nukes and nuclear development programs, nor punishment of Israel for violating international law. They are just helping Israel to intimidate others.

However, the disclosures do raise an alarming question, if they are genuine: What were the Israelis and the Jews' banker nation of South Africa planning? Why would South Africa want or need a nuke? Why would the South Africans trust the Israeli assertions that the weapon to be provided worked and was powerful and reliable? The alleged justifications, when weighed

against the risks, make no sense whatsoever:

http://image.guardian.co.uk/sys-files/Guardian/documents/2010/05/23/SA-general-nuclear.pdf

These events occurred at a time when the Jews, including Meir Kahane, were trying to provoke a war against the Soviets in order to chase Jews to Israel. South Africa had absolutely no need nor use for a nuclear weapon, but the Jews who controlled South Africa did. They wanted to provoke a nuclear conflagration between East and West, and a false flag operation would serve that desire.

What would Israel gain by secretly arming South Africa with nuclear weapons? The alleged justifications, when weighed against the risks, make no sense whatsoever. The more exclusive the nuclear club, the more powerful are those armed with the nuclear club. And why did the Jews arm the Red Chinese, going back further, the Soviets, still further, the US? Why do they leave Japan dependent on the US for its defense?

To what extent is Israeli propaganda true? How powerful is their nuclear arsenal and to what extent is it mere bluff?

But rest assured, the Israelis want you to think they have an enormous arsenal of nuclear weapons, and this is why the Jewish controlled media, mainstream and "alternative", "leak" information from time to time, and why Israeli leaders pretend to slip up on opportune occassions to let you know the Jews are heavily armed. None of this is by accident nor coincidence.

That said, we should use the Jews' terror tactics against them, as Dr. David Duke has done:

The Paradox Hidden in Pandora's Box: America, NOT Iran, Is the Primary Target of the Jewish Desire for an American Attack on Iran

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are pushing Americans to wage a war of aggression on Iran. Their war drum is stretched out from overuse, and beats a dull thud, but the Jews nevertheless continue to pound it.

But the curious things is that the Jews are looting the American economy at the very time they should be bolstering it, if they truly sought to build up America as a battering ram with which to knock out the Middle East. Yet the indisputable facts remain, the Jews are stealing trillions of dollars from us and at the same time are attempting to provoke us into war. This must be a coordinated attack on the United States, with the primary goal being to take down America and

with it the World, not to destroy Iran, which is more of a tertiary objective of the Jews.

Consider also the fact that the Jews keep us in Iraq and Afghanistan, though both countries would descend more quickly into chaos were it not for our presence. Yet it is an indisputable fact that the Jews engineered the American attacks on Iraq and Afghanistan, so that we see here too that the primary target for ruin is the USA, and with US the World, not first and foremost the Muslim nations.

It is true that the ongoing and entirely unnecessary and self destructive wars in Iraq and Afghanistan are very profitable, but these profits pale by comparison to the potential oceans of milk and honey the cash cow of the USA could produce if production and prosperity and profits were the goals. Rather than being the incentive for the Jews, the profits of these wars are instead the bait to keep a corrupt American elite in bed with the Jews as the Jews destroy America.

Immigration abuse and the deliberate destruction of the American educational system and the corrosion of the White European professional class in favor of Jewry and immigrants also reduces the profits which otherwise might be had from harvesting America, but as was and is the case with Russia, the Jews prefer profits that also destroy the land and the people and are unsustainable, because the goal of the Jews is to eliminate both countries and their peoples.

Since the Jews have so weakened us economically and spiritually, the Jews will push us to use nuclear weapons on the Iranians as a cost and life saving measure, which is the same rationale which was employed the last time we incinerated human beings with atomic bombs in Japan. However, just as the Jews now lie and deny that they pushed us to attack Iraq, they will lie and

deny that they pushed us to war with Iran and instead will scapegoat us for this primarily Jewish crime (we do share in the blame!).

After America has committed this horrific crime at the behest of the Jews, the Jews will then condemn us as madmen to all other nations around the World and the international community will be encouraged to attack us, but first the Jews will seek to have us languish in shame, showing us images of "our" crime, while the Jews concurrently use their media and political power to vilify us around the World, as they did to the Sultan of the Turkish Empire, the Czar of Russia, and the German Nation. Then the Jews will drive to have all American nuclear weapons surrendered to them either through an international organization under their direct control, or by transferring them to Israel. This assumes that the Jews fail to instigate the nuclear world war they seek.

Our nuclear arsenal (and more generally our military strength) is one of the few things we have left which makes us powerful and sovereign. The Jews want to take it from us, if they can manage to do so.

It is clear that the Jews do not intend for America to survive much longer. They are placing their gold bugs in Congress to be the next Aldriches and a gold standard is the easiest method for them to internationalize America. They are encouraging a wave of immigration to dilute and confuse us. They are pitting us one against the other. The end is near if we do not assert our power.

More so than Iraq, Aghanistan and Iran, the Jews want to destroy us, America. Ponder for a

moment the fact that the Jews led the Soviets to attack Afghanistan right on schedule for their intended destruction of the Soviet Empire. Do you believe it is mere coincidence that they are bringing down the curtain on us in a trillion ways at the same time they have us bogged down in Afghanistan?

Just As I Predicted, the Turks Are Threatened With Attack by the Russians, PKK, Cypriots, Etc. All for Simply Sending Humanitarian Aid to Gaza

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I knew it was coming and it arrived quickly. The Jews, who have led the campaign to deny the Armenian Genocide, are now throwing the issue in the Turks' faces, this despite the fact that the Jews are to blame for the genocide:

Israel Reminds Turkey of Armenian Genocide

Some Armenians, sensing an opportunity for a cheap shot at the Turks, are suddenly in love with the Israelis, though they live among Muslim countries and Armenians are again helping the Jews to cut their Armenian throats:

Gaza, Israel, Turkey, & We

And the threats of Russian, PKK, etc. attacks are pouring in against Turkey, again, for simply sending aid to the suffering Palestinians and getting in the way of Israeli bullets when the Jewish State's military illegally and cowardly attacked a private humanitarian aid ship in international waters:

An Open Letter to Turkey by Dr. Arash Irandoost

But wait a minute, how are the Jews able to set in motion an international attack on Turkey, and cause nations to neglect or reject their treaty obligations with Turkey, and to arm the PKK, and to cause nations to officially recognize the Armenian Genocide? Isn't it just some "anti-Semitic" canard that the Jews wield so much power in the World to cause nations to retaliate against an innocent country which merely seeks some relief which even the Jewish dominated UN has demanded?

Watch Out Turkey and Iran, the Mossad Front Known as the "PKK" Is About to Move Against You!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Beware, Persians, Turks and Arabs, the Jews are agitating the Kurds to strike in Turkey, Syria, Iraq and Iran. Many, many Kurds are crypto-Jews and the PKK is a Mossad front organization.

Turkey can also expect that the Jews will attempt to provoke conflict between Russians and Chinese against Turks and the ridiculous Jewish misadventure of "Pan-Turkey" by attacking Turkic peoples in China, and playing war games in the Crimea and Black Sea.

For 4 Years, I Have Been Warning the Turks that the Jews Would Turn on You in Order to Provoke WWIII

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

On 28 July 2006, I called Daryl Bradford Smith and told him that I would like for him to interview me so that I could expose the central role Turkey played in the Jews' plans to spark WWIII. See my blog of 19 September 2006:

Turks and Kurds September 19, 2006

I repeatedly warned the Turks that the Jews would soon turn on them and were using the PKK and the Kurds, as well as the Greeks, Cypriots and many others to covertly attack Turkey:

It Is Time for Turks and Armenians to Reassess Their Options October 26, 2007

Balkanizing Turkey: Is It Good for the Jews? October 18, 2007

Before the Turkish Government and Turkish press covered the story, I warned that the Jews had plotted a coup d'etat:

The Doenmeh Crypto-Jews Threaten Coup to Defend Their Grip on Turkey April 28, 2007

The Modern Doenmeh in Turkey February 10, 2009

The alternative media largely ignored this aspect of my work, though I was screaming from the rooftops for people to take notice of what I was saying, heed my warnings and take action to prevent the coming disaster. It was by no means obvious four years ago that Turkey and Israel would become enemies and that this enmity threatened to spark WWIII. I alone predicted it. I alone shouted with all my might for the World take notice and prevent the coming calamity.

Israel has been waging war on Turkey for centuries and finally the Turks are awakening to the fact that they are under attack, but look at how obvious the Jews had to make it! Frankly, I am amazed by the stupidity of the World public and their utter inability to foresee coming events even when I thoroughly describe what is coming and how and why.

Turkey Should Send Another Fleet of Humanitarian Aid to the Suffering Palestinians, Accompanied by the Turkish Navy and Air Force

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Turkey should preserve its honor and help the suffering Palestinians by escorting another humanitarian aid convoy to Gaza with the full might of the Turkish military. The Arab governments should join the effort with the full support of their military forces.

We cannot allow governments to do to human beings what the Jews are doing to the Palestinians and what the Jews did to the humanitarians who sought to help their fellow human beings with relief aid.

The Turks have the support of the Persians and the Arab people will be behind them even if their governments continue to side with the Jews against the Palestinians.

Make the announcement, then let the Jews respond. Then flood the World with media showing what the Jews are doing to defenseless human beings. Produce dramatic movies of the now

numerous Jewish attacks on humanitarian vessels. Show how cowardly and cruel the Jews are and helpless yet brave are those the Jews attack. Then show that you are not afraid of them.

Turkey, stop wasting money denying the Armenian Genocide and instead use your influence and funds to demonstrate the facts of history that the "Young Turks" were old Jews. Rest assured the Jews will now try to throw the word "genocide" in your faces in their media and in governments, so you will have to face the issue no matter what. Stop sucking up to your enemy and instead counter-attack. This will not only defuse the Jewish campaign to blackmail and smear you, it will also take away the Jews' political weapon of the Holocaust because the Jews themselves will be shown to be genocidal mass murderers.

Armenians, if you are wise, you should have your government condemn the Jewish attack on the Turks and offer your condolences to the families of the Turks murdered. It is at times like these that great progress can be made toward forwarding your international interests without giving up anything. A statement of support at this time for those who were criminally slain will win you much good will with the Turkish people and you sacrifice nothing in your search for justice for like crimes of the past.

As the Jews Wage War on the Human Race, What Government Fights Back?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews had a long time to plan their strategy and tactics in response to the Freedom Flotilla. The Jews, after long deliberations and undoubtedly after consultations with the highest levels of the American Government, opted to launch an aggressive military attack on a peaceful humanitarian convoy in international waters. This does not come as a surprise, the Jews warned of what they intended to do, and the Jews have thousands of years of cowardly vicious and murderous attacks to back up their threats to attack defenseless civilians.

But the Turkish Government also had a long time to plan its strategy and tactics in the knowledge of the open Jewish threats to attack Turkish citizens. Why did not the Turkish military escort these brave Turkish citizens who were forced to fight with chairs and fists against machine guns to defend their vessel and Turkish honor from Jewish cowardly aggression? There is great honor for the Turkish People and great shame for their government which even now fails to take appropriate action to defend the nation and its people from Jewish attack. This betrayal by their own government will largely be a domestic problem for the Turks.

But the American Government's betrayal of American honor before and after the Jewish attack causes Americans tremendous damage internationally. We are seen around the World as the bully that holds a woman while a pervert rapes her. And we are to blame for the lack of international will to end the inhuman Jewish siege of Gaza which resulted in these latest Jewish crimes, given our cowardice to confront the Jews who are destroying us and the rest of the

human race.

Our government gave the Jews trillions of dollars, weapons of mass destruction and is at this very moment enabling the Jews to escape international retaliation for the Jewish slaughter of humanitarians. Do not let the Jews pass this off as if it were merely an Israeli attack. The Jews of Israel comprise one third of Jewry and the Jews of America another third and that amounts to a two thirds majority of the Jewish people who are actively bringing down the human race. And it is a certainty that the other third are there with the tribe doing what is good for the Jews and rotten for human beings.

Is this to be our fate, struggling with fists and patio furniture against Jews with high tech weaponry, as our governments feign indignation with a mild, please don't do it again, to be followed by a long lament for the poor Jews who were forced into acts of cowardly premeditated murder?

The Jews' "in your face" aggression with the full support of our government hurts us very badly, Americans. The Israelis knew well in advance that they would receive this support from their puppets in Washington, just as they knew well in advance that the American Government, and the Arab governments, would support their genocidal attack on the Palestinians of Gaza.

I have seen a video purporting to be footage of the Jewish military attack on the defenseless civilians which claims that sophisticated military weaponry was employed to repel the Jewish aggression, but I suspect that the explosions shown were instead from Jewish weapons. I would not trust anything the Israeli Government, or its supporters, claim.

We citizens of the World had better take notice of what is transpiring and take control of our governments and prepare to defend ourselves. We have all witnessed the level of depravity of our enemy and the complicity of their puppet governments which reign over us and which may soon rain machine gun fire upon our heads.

The Jews are destroying our reputation, America, and they are turning the World into a depraved and very dangerous place. Governments must not be allowed to act in the fashion of murdering civilians in international waters and sieging native populations in their ancestral homelands.

Take notice Americans of what happened to Turkish citizens when the Turkish Government failed to act in the face of Jewish threats. Harden yourselves and begin fighting back in the political arena so that we can use the power of our State to wage war on the Jews who are already waging war on us. Harden yourselves and have more at hand than patio furniture and kitchen knives if ever you are attacked.

Take notice, humanity, of the fact that the Jews openly plan to kill you off and your present governments are helping them.

Explaining the Seemingly Inexpicible: This Is Why Israel Is Shooting Itself in the Foot

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The recent wars the USA has started in the Middle East are designed to be fruitless and endless endeavors with no beneficial results. The Jews started these wars to ruin America by weakening us as we weaken the Jews' enemies. These wars are designed to destroy America by bogging us down and consuming our resources in unproductive and counterproductive measures which bring the wrath of the World against us, which wars have no favorable outcome, and drag on and on, dragging the USA further and further down into the grave.

It is our curse for blessing the Jews. The Jews are deliberately destroying us.

The Jews hate us above the Arabs, Afghanistanis and Iranians, because we are chiefly descended

from European Christians and our culture is predominantly a European culture. The Jews brought the Muslims against Europe on several occasions in hopes of destroying Christianity and European culture and genetics.

The most recent incarnation of this plan to bring Muslim nations into Europe is the "Barcelona Process" of the Euromediterranean Partnership and the Euro-Mediterranean Parliamentary Assembly.

The European Union, which has been devastating Europe, and which is littered with leaders who are Jewish puppets or Jews, was the dream of Rothschild agent Richard Nikolaus von Coudenhove-Kalergi and Robert Schuman, a darling of the Turks who are today seeking to open up the borders of Arab nations surrounding the Mediterranean and to join the EU and thereby to flood Europe with Muslims and further internationalize the World pursuant to the Jewish model, which the Turks call the "European" model. See the following two articles:

Zeynep Da•ı: Israel paved way for its own alienation

It's the post-Cold War era, not a foreign policy shift, Turkey says

The Israelis are deliberately helping Erdogan to become the messiah of the Arabs, so that Erdogan can internationalize the Arab nations and complete the lower half of the snake eating its way around the Mediterranean to consume Europe and North Africa in the belly of the Jewish World Government. Turkey is the bridge which will serve to shuttle the Muslims into Europe when Turkey becomes an EU member and has succeeded in European Unionizing the Muslim World.

And what will be the capital of this international government, when the USA has eaten itself up in unproductive and unending wars on behalf of Jewry, and Russia has been pinched off? Jerusalem and the new Temple will be the capital of the World at the heart of the Euro-Mediterranean slave superstate the Turks are helping the Jews to build.

At least that is the explanation the Jews are feeding to the Freemasons who dominate the Arab and Muslim world. The Freemasons of the Arab countries can be easily suckered into promoting this dream, which is their *raison d'etre*. The Freemasons are reared to strive for World Government run out of the new Temple in Jerusalem by the Jews. But I suspect this is all bait for something even worse.

I suspect the Jews have in mind the artificial fulfilment of their end times prophecies, which is their *raison d'etre*. The Jews are constructing "Gog and Magog" so that they can destroy all non-Jews down to the last man, woman and child.

Enjoy the *Schadenfreude* of Israel shooting itself in the foot, if you are a fool; but the wise should know that Israel's boot is over your heart and that is where the bullet is headed.

Wise Americans who understand the Jewish problem, I appeal to you to heed my warnings and advice. The Jews have us in unwinnable wars in order to destroy us. We must end these wars and take control of our economy from the Jews. The Jews are also ruining any good will we have left around the World as our politicians lick Jewish boots and violate international law. The Jews are taking us down, not with them, but as their scapegoat sacrificed at the Temple gates.

We will not last much longer if we do not act now.

Do not be so stupid as to pin your hopes on other nations defeating the Jews. We as Americans must do it, and at the same time protect our interests not only from the Jews, but from the emerging powers the Jews are pitting against us, and from the World Government they are ever expanding, in this instance through the charade of their quarrels with the Turks, which are engineered for this very purpose.

Where will we be when Europe is a part of the Muslim world under the control of the Jews and most of the World's energy is in their hands? Where will we be with our ever increasing debts and endless wars as the Jews destroy our currency, Balkanize our country and pit the World against us, scapegoating us for their crimes, as they did to Russia, Germany, the Ottoman Empire, etc.? Where will be when the Jews have thoroughly poisoned our air, water and land, and have destroyed our food supply with mutant plants that will die out and which alter our genes? I'll tell you where, in the graveyard of history.

We must take this opportunity not to help Turkey Muslimize Europe, but rather to make America stronger by taking advantage of the Turks' efforts to make criticism of the Jews a part of international discussions, and by electing politicians who will strengthen America. Have fun relishing the staged showdown between Turkey and Israel, but if you are smart and want to survive, spend more time sponsoring a political party here at home that will take down the Jewish enemy and put an end to the Jews' plans for World Government, which the Turks are at this very moment fulfilling for the benefit of the Jews.

If Turkey Joins the EU and the Arabs Unite Behind the Turks, the Circle Will Be Complete

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

In a blog I just posted, I posed the question in the context of an EU-style union of Turks and Arabs with open borders, "But what are the Jews up to, and why would the Turks want to free up the borders of Arab countries? That aspect strikes me as especially odd."

The answer is obvious and occurred to me immediately upon contemplating the question. The Jews would then have an international government that circled the Mediterranean, and could flood Europe with Arabs and Turks (and Africans of all types), as the Jews have tried to do in the past. Arabs could flow from Morocco to Turkey and all points in between, and then enter Europe through Turkey.

The Jews would also have an endless supply of slave labor in the form of Arabs and Africans, and be able to drive down the wages of Europeans. The wars the Jews would start would provide an endless opportunity for reconstruction profits, as well as war profits, as the Jews have done in Lebanon and Iraq.

Why Are the Jews Setting Up the Turks to Lead the Arabs, at Great Expense to Themselves?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I found an interesting article which may explain part of the motivation why the Jews are setting up Erdogan to lead the Arab world as well as making him a national hero of the Turks. It seems the Jews want to internationalize the region which was once the Turkish Empire. See, for example, the following article from the Turkish press:

EU-like community between Turks, Arabs becoming a reality

The article describes an effort to internationalize loan capital and banking under the pretext of building infrastructure and international cooperation. The monetary implications are obvious. Were I in Arabian shoes, or Turkish boots, I would create a currency to be used for the purchase of energy resources, either backed by nothing, or secured with oil and natural gas. But what are the Jews up to, and why would the Turks want to free up the borders of Arab countries? That aspect strikes me as especially odd.

Turks would obviously want Saudi and other oil money to be invested in Turkey and in the

region, rather than stored in foreign banks and invested in non-regional investments, and this would indeed promote peace, stability and security in the Middle East. But why build it on an EU model, which is thoroughly Jewish? Turkey would have an economic advantage over some Arab countries and be able to profit from the wealth of others. But Turkey faces the ire of Russia, Europe, America and China as an emerging competitor. I wonder when Pan-Turkism will enter the equation and branch out the would-be empire eastward towards India and China after the fashion of the decaying Ottoman Empire?

I can't help but suspect the Jews want to create the Gog and Magog of their religious myths, so that they can pit it against us and wipe out the Muslims, Americans, Russians and Europeans in one fell swoop. Another possibility is that the Jews plan to use Turkey and the Middle East again as a haven for expelled Jews from America who cannot live off the thin fat of Palestine, so as to colonize "Greater Israel".

My intuition tells me, though, that the Jews are after war, and are out to utterly destroy America in the very near future. What could be a very good thing for the region and the World if done properly and with good intentions, may be bait in a vast and growing trap that will ensnare the Muslims and us. A unified Europe, a unified Middle East, unified Americas? I think the prospect is a glass balloon meant to be shattered into a billion shards.

I would feel more comfortable with the proposals if they appeared to honor nationalism while promoting international cooperation, rather than following the Jewish model of globalization, as appears to be the case. I also know that this unity of Muslims for their common benefit will be

used as if a provocation to pit Russians and Americans against Muslims, which if it were done properly and with proper intentions, it need not be.

On its face, this appears to be a another Jewish scheme to globalize a large region of the Earth, but it need not be if done right.

Turks, Learn from the Iranians, Beware Russia and China!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For more than three years, I have been warning the Iranians that the Russians and Chinese would always betray the Iranians at crucial moments for the benefit of the Jews:

Dirty Bombs and Dirty Pool, March 20, 2007

Handing Haman the Rope with which to Hang Himself: Ahmadinejad's Head on a Uranium Platter, March 12, 2007

The Russians and Chinese have yet again betrayed the Iranians, because, as a I wrote before,

there are four paws on the Lion of Judah, the USA, the UK, Russia and China. The Russians and Chinese approved UN sanctions against Iran and it now appears that the Russians may break contracts for delivery of S-300 missiles to Iran:

Russia now says Iran sanctions ban S-300 missiles

Jews created Communist China, and Russia has long been in the Jews' hands. I warned the Turks one year ago that the Chinese and Turks are being set up for a war by the Jewish manufactured myth of "Pan-Turkism":

The Pan-Turkic Connection to the Unrest in China, July 19, 2009

I also have been warning the Turks that they are being set up for another war with Russia, in among many other places the following article:

A Sweet Deal for the Jews, All Others Lose, April 28, 2010

Shakespeare warned us all to beware the smiling man and when Putin smiles and takes your hand and asks for your trust, Turks, you should know his Rabbi is grinning widely, as well. As Octavius said, "And some that smile have in their hearts, I fear, Millions of mischiefs." And as Hamlet said, "O villain, villain, smiling, damned villain! My tables,--meet it is I set it down, That one may smile, and smile, and be a villain[.]"

Turks and Russians should both know that the Jews in America are calling you "Gog and Magog", just as the Jews have been doing for five centuries. If you unite, they will misrepresent

this as if the fulfilment of prophecy. If you war with one another, they will misrepresent this as if the fulfilment of prophecy. Uniting is the better option, but Turks, watch your backs and never depend on any agreement the Russians may make, openly, or in private. When you negotiate with the Russians, know that you are talking to the Jews.

Legalese -v- Bullets and Bombs

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I do not know if Erdogan himself ever really stated that he is considering traveling aboard a Turkish naval vessel bound for Gaza to bring relief aid to the Palestinians, but there are reports that he did. Could be bait, perhaps not, I just do not know.

What is certain is that an Israeli named Uzi Dayan is calling for Israel to declare any such voyage an act of war and to respond by sinking the vessels:

Israeli Gen. threatens to drown Erdogan

If Erdogan is for real, then it would be a very bad idea for him to deliver himself to the reaper on a silver ship. However, I do think that Turkey should send a navy vessel to Gaza, but must do so carefully and thoughtfully in anticipation of the Jews' efforts to use the law against Turkey.

My first impression is that Turkey should by no means go it alone and should be joined by Arabs and Persians, and for that matter, Malaysians, Indonesians, Pakistanis, etc; perhaps even Russians. But this raises technical legal issues which the Turks may or may not consider important. Bullets trump contracts every time, and NATO has already crapped on Turkey and violated its treaty obligations.

What are Turkey's obligations under NATO? Can it join with States like Russia, Iran and Pakistan to deliver aid, or would it be wiser for each nation to maintain complete independence?

Should they come to one another's defense in the event one nation is attacked but not the other?

Though it seems unreasonable to expect that it would happen, it might be wise to have other NATO nations join the fleet, if any such venture arises in fact. Perhaps Albania, Norway and/or Greece could join with Turkey? Does Turkey have the right to sue NATO under its charter or treaties? Can it petition for support in the form of troops and/or military supplies and intelligence?

If Turkey declares its entirely lawful intentions, and Israel threatens Turkey with war should Turkey take those legal actions, can Turkey demand NATO support before proceeding and would it be a breach of security measures for NATO members to publicly discuss Turkey's requests and demands? Would it not be another act of war for Israel to threaten Turkey so as to intimidate Turkey to prevent it from exercising its legal rights? Are not such threats also violations of the Charter of the United Nations?

This situation certainly provides a testing grounds for the rule of international law and for the real purpose for which NATO was formed. Does not NATO exist to secure its member States, or is NATO a weapon of convenience meant to serve the Jews and only the Jews? What of the UN?

What would happen should any aid ever reach Gaza?

Could not Turkey have its military enter Egypt and provide Gazan relief by land? Would Israel attack the Turks on Egyptian soil? If the Turks sincerely want Arab support, would this not be a better means of obtaining it? Again what happens should aid make it to Gaza at the Egyptian

border? Surely the Jews will storm in at that location. Would the Turks have the legal right to defend their cargo in Gaza until it is distributed and changes title to the Palestinians individually and institutionally?

At what point do the Jewish provocations change from attacks on the Palestinians to acts of war on Turkey itself? At what point will Turks declare that the issue is no longer just Palestinian rights, but instead how to respond to the Jews' war on Turkey, a war which has been going on for centuries?

Turkey will need economic support from Arabs. Will it be forthcoming and provide Turkey with an actual gain over its relationship to the Jews? Turkey will need the Arabs to hurt Israel economically. Will the Arabs do so? How can the Turks ensure that an Israeli open attack on the Turkish military would be so costly that the Jews would never attempt it? The cleanest way to defeat the Jews is to convince the Jews that they cannot win and must not try.

Ultimately, international law is a matter of force. No one knows this better than the Turks.

For 4 Years, I Have Been Warning the World that the PKK Is an Israeli Front Organization that Wages War on Turkey on Behalf of Israel

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

When I heard that the Jews had attacked a Turkish vessel in the Freedom Flotilla, I immediately knew that the Israeli front organization the PKK would hit Turkey and Iran. I warned the Turks in the following blog article:

Watch Out Turkey and Iran, the Mossad Front Known as the "PKK" Is About to Move Against You! June 01, 2010

I did not then know that the PKK hit the Turks just after the Israeli assassination squad descended upon the *Mavi Marmara*. The story hit the press shortly after my warning appeared:

'Israel may have ordered Kurdish terror attack' June 6, 2010

Who is the PKK fighting for? June 5, 2010

I have been warning of this for four years, in among other places, the following blog articles dating back to September of 2006:

The "Jewish State" Is Fomenting World War III, September 20, 2006

Turks and Kurds, September 19, 2006

Coup d'Etat, September 29, 2006

The "Jewish State" Is Fomenting World War III: Part 2: More Evidence from the BBC, September 23, 2006

I have known of these facts for four years, the Turkish Government has undoubtedly known of them far longer, so why has not the Turkish Government done anything to prevent and punish the bloody Israeli military attacks committed against Turkey under the guise of the Mossad front known as the "PKK"? Why has not Erdogan publicly condemned what the Turkish press, the Israeli press and other Turkish politicians *now* freely discuss? Why has not the "alternative" press picked up on my warnings and done something to help me prevent this loss of life and march towards WWIII?

Recep Tayyip Erdogan and Vladimir Putin, Friends or Foes?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Back in January of 2009, I advanced the theory that the strife between Shimon Peres and Recep Tayyip Erdogan was a scripted affair meant to win the Arab street for the Turks at the expense of the Syrians and Iranians, and for the benefit of the Jews. See my blog articles:

The Staged Conflict Between Peres and Erdogan: Jews Pit Erdogan Against Ahmadinejad as if Rival "Saviors" of the Palestinians, February 03, 2009

Hosni Mubarak Admits that He Is an Ally of the Israelis and Scapegoats Iran-Friendly Arabs for Illegal Israeli Aggression, February 04, 2009

The Jews Are Arranging an Arab-Turk Alliance to Smash the Kurds, With an Attack on Iran as the Real Goal, February 07, 2009

Erdogan knows well that the "Young Turks" were old Jews, crypto-Jews and Freemasons, and it has always bothered me that he does not come out and say so. Why is Erdogan so aggressive in denying the primarily Jewish crime of the Armenian Genocide, if he is not covertly in bed with the Israelis? It is true that the Doenmeh sought to assassinate him, but this may have been a faction which itself has had problems with the Israelis.

More significantly than this, I am troubled by the fact that Erdogan has not counter-attacked the Israelis for creating, financing, organizing, training and otherwise backing the PKK. The Turks should long ago have attacked Israel for attacking Turkey in this way and should have brought complaints to the UN, but they have not, which indicates that the Turks want Israel and the PKK to continue to do what they are doing, killing innocent Turkish civilians and destabilizing Turkey, Iran, Syria and Iraq. One might argue that the PKK bogey makes the Turkish government's grip on the Turkish People tighter and serves to discredit the Kurdish nationalists, but I do not believe that is the motivation.

The following article by an Armenian points out the transparent absurdity of Israel's number

one ally in the Middle East becoming the champion of the Palestinians, enumerating some of the facts I discussed in relation to this same point back in January of 2009:

Erdogan Deserves Medal As Fake Friend of Palestinians

The truth is that the poor Palestinians have no support in the governments of the Turks, the Arabs or the Persians, but rather the Israelis play games with these governments to control their opposition and control the populations of these nations. With that in mind, we must also understand the fact that the Jews are out to destroy America and Europe, and they require forces with which to do it.

The Jews lobbied and worked with the Turks, Azeris and Georgians to build oil pipelines and railways through these nations, bypassing Armenia and challenging Russia's ability to control the European energy markets. The Jews then set up Russia to come into conflict with Georgia thereby threatening Turkish interests. The Jews then set up Russia to reestablish itself in the Black Sea and dominate the Ukraine, again threatening Turkish interests–note the many wars the Jews have created between Turks and Russians in the past and the price the Armenians, as well as the Turks and Russians, have paid for these wars.

It appears to me that the Jews are setting up America and Europe to face a massive energy crisis which will shatter the economies of these nations. If Russia and Turkey cooperate, then the Arabs and Iranians will fall completely under their influence, as opposed to American influence. Such combined Muslim power, covertly under Jewish control, can wipe away the West and lead the West to counter-attack with nuclear weapons against this "Gog and Magog". If the Turks and

Russians fight, drawing in the Persians and Arabs, it will have exactly the same effect on the West. Always remember that the Jews want to annihilate America and Europe, as well as every other people.

The Jews are also building up the political influence, and military power, of Latin America to use as a weapon with which to destroy the United States. It is no accident that Ahmadinejad is friendly with Venezuela and Turkey is strengthening ties with Brazil. The Jews are building alliances to pit against us so that they can bring down the World. Look to the Jewish playbook, the Old Testament, and it is quite clear that the Jews must destroy us and want a war which brings the World against Israel so that this, their war will ruin planet Earth.

While I believe that Ahmadinejad and Erdogan are serving Jewish interests and care not one whit for Arabs generally, much less the Palestinians specifically, which Jewish interests include destroying the USA, I also believe that the Turkish People and the Iranian People are sincere in their opposition to Israel and Jewish supremacism.

The Jews had ample time to prepare for their attack on the Turks of the Freedom Flotilla and would not have done what they did if they did not know beforehand what the Turkish Government would do. They may also have had operatives, agents provocateur on board the Turkish vessel to provide them with a meager pretext for murder.

The recent oil spill lessens Americans' appetite for domestically produced oil and Europe is at the mercy of Russia and the Middle East for its energy needs. America and Europe are the primary targets of the Jews, who seek desperately to destroy us. The Jews have arranged a

situation which promises to cut off the flow of natural gas and oil to Europe and America by one means or another. They want a Middle Eastern and Russian war not only to destroy Muslims and Russians, but also to destroy us; and the Jews are leaving us without a single ally in the region they cannot quickly pit against us by pitting them against Israel and then us against them. That appears to be the chief strategy, to isolate Europe and America from energy and to instigate unnecessary wars which will consume us, and the plan is working well. The Jews are alienating Turkey from NATO by absurdly making NATO the defender of Israel and enemy of Turkey. In the process, they are alienating Europe and America from the Middle East and creating enemies against us in Latin America.

When we fight for the Jews, we are fighting against ourselves, and the Jews have designed things to function in this manner. They hate us more than they hate the Muslims. Muslims are closer to being monotheists than Christians, and it was the Europeans who destroyed the Temple and burned the records of Levitical births.

Israel's strongest ally in the Middle East is taking over the opposition to Israel for a reason, and it appears on the surface that the reason is that the Jews want it that way. Let Erdogan prove otherwise and state that the "Young Turks" were Jews and Freemasons, not Imperial Turks. Let Erdogan prove otherwise and complain to the UN of the Israeli support of the PKK. Let Erdogan prove otherwise by choking off Israel in every way possible. That is what the Turkish People would want, that is what the Palestinian People would want, and the rest of the Arabs as well as the Persians. Let Erdogan use some of his diplomatic finesse to alert the American People to the dangers of the Jewish subversion of our nation.

Perhaps I am being too cynical. World public opinion is weighing heavily against Israel at the moment, but that could change with a false flag attack or energy crisis. However, we must also take into consideration the fact that those Jews who follow Jewish prophecy want the whole World to attack Israel and believe that their messiah will not come until such time as the entire World turns against the Jews. It is certainly true that Erdogan has spoken harshly against Israel, more harshly than our media reports. And Erdogan has reached out to Brazil, Russia and Iran, but let us hope that this is not in preparation for the destruction of the USA.

All signs indicate that the Jews want us dead. The Jews will need forces to achieve their goal of our destruction, and who better to use against us than those who control the spigot on the West's energy supplies, together with our own subverted governments? And who better to use against the Turks, Arabs, Iranians, Russians and Latin Americans, than us? And, now that the Jews are driving a wedge between Turkey and the West, who will the Europeans and Americans be told is their only ally in the Middle East, if not dirty little Israel?

Perhaps, after all their failed provocations, the Jews have concluded that the Arabs and the Persians lack the will to fight the Israelis, that the Americans do not have the stomach to attack another Muslim nation, and that the Turkish People might just have enough manhood left in them to be drawn into a fight. Why the Jews are so sick as to play this game is incomprehensible to me. The last man standing will be standing on the headstone of the human race.

I again assert that our best option is to appeal to the people of the World to defend themselves from the Jewish war on the human race, and to be highly skeptical of the actions of governments, especially those which have a long history of Jewish subversion, as do the Turks

and Russians. I wish the Turkish People well. Their fate is my fate. It is the fate of the whole human race.

What a Shame, There Will Be No "Reverse Flotillas"

Christopher Jon Bjerknes

Back on June 15th, I encouraged the Jews to send their threatened "reverse flotillas" knowing the only reversal would be that it would backfire on the Jews, participating Kurds and participating Cypriots:

A Land of Kurdled Milk and Kosher Money, June 15, 2010

Seems the Israel Government agreed:

Anti-Turkish occupation flotilla to Cyprus called off

The Answer Starts With "M" and Ends With "ossad", or, Is There Something More?

Christopher Jon Bjerknes

There is a whole cavalcade of men and women out to blame anyone but the Jews for the disaster taking place in Kyrgyzstan. The news is reporting that members of the UN see outside forces behind the violence, which is obviously well orchestrated, not spontaneous:

Kyrgyzstan violence: UN official accuses outside groups of planning attacks

As we have come to expect, the usual Jews in the media, mainstream and "alternative" are

spinning the scapegoats for the Jews on the usual spokes. There are loud cries that the US and UK are to blame. But the real culprits are the Jews.

Consider the timing of these events so soon after the Israeli attack on a Turkish vessel and a slew of PKK attacks on Turkey. Consider the fact that the ethnic groups of Kyrgyzstan and neighboring regions of China are Turkic. Consider who benefits by tying Turkey up in the East and away from Israel. Who other than the Israelis engages in false flag terrorism of the sort taking place in Kyrgyzstan (and Turkey and Iraq)? Who is it other than the Israelis who are dividing Iraq with false flag terrorism which pits Sunnis, Shia and Kurds against one another by blowing up mosques and other activities which are repugnant to Muslims but which delight Jews? And what of the Jewish led PKK, a false flag Israeli attack on Turkey?

But there is possibly something more to the game. Turkey is gaining ground in its bid to join the EU with the shrill cry sounding that Turkey is "moving Eastward" and "shifting axes". Instead of viewing this as a reason to exclude Turkey from the EU for the very same reasons Turkey has not yet been admitted into the Jewish Utopia, the Jewish puppets are now claiming this is a reason to expedite the admission of Turkey into the EU, thereby expanding the Jewish realm of globalization to not only include Turkey, but all the Arab nations, especially those bordering Turkey and the Mediterranean, which Turkey has invited into a visa free zone.

So to what extent are the Turks covertly working with the Israelis to destabilize Kyrgyzstan, if at all? It is possible that Turkey will again appear as the savior and expand throughout central Asia and "Pan-Turkey" wiping out borders and globalizing the entire Mediterranean coast, as well as "Pan-Arabia" and "Pan-Turkey". We cannot discount the possibility that this is a ploy to set up

Turkey as the savior who rescues by globalizing region after region.

And is there a Latin American Union in the works?

It is interesting to note that Iran does not at this time wish to be a part of Turkey's increasingly broad and ambitious globalization efforts. It remains to be seen if Kyrgyzstan will become a visa free State with Turkey and if its citizens will someday soon inhabit the EU en masse crossing the Turkic bridge to Europe that was closed long ago.

It Will Be Interesting to See How This Plays Out

Christopher Jon Bjerknes

http://www.jewishracism.com

This morning, I posted an article suggesting to the Turks that the problems in Kyrgyzstan afforded them the opportunity to float a trial balloon for Turkish and Russian cooperation, which article stated,

"Turks, if you believe there is hope of finding genuine friends among the

Russians, and for that matter the Chinese, then you could perhaps view this contrived dilemma as an opportunity to gauge the Russians and offer up a cooperative diplomatic and aid effort to end the crisis. * I would love to see Turkey and Russia become very friendly nations and promote peace, stability and prosperity throughout the Middle East and the World. This provides a testing grounds for a first attempt at such a joint venture, but be very, very careful, and do not forget the Chinese. Keep it diplomatic and peaceful and watch for the hidden hand of the Mossad stirring up the trouble and expose it to the World public."**

This evening, the AP released an article suggesting that the US could use the Kyrgyzstan situation as:

Analysis: A new venue for US-Russian cooperation

The Turks might view such a pact between America and Russia as a threat to Turkey's influence in the region and as a threat to "Pan-Turkey". Of course, the nature of the proposed cooperation would affect the Turkish perception of the events.

While I would not let the Russians be the arbiter of my fate were I the Turks, I would offer friendship and support to the Russians, and not let the Jews manipulate the situations they create for the purpose of pitting the US and Russia as if allies against Turkey and Turkic Peoples. The Russians joined with the US against Iran, and in that climate, the Jews will hype any US and Russian alliance in "Pan-Turkey" as a threat to Turks.

Expect that the Jews will do all they can to pit Russia against Turkey.

Turks, by gOsh, Do Not Act by Guess and by Golly

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

Kyrgyzstan is in the armpit of the former Soviet Union and borders China and Kazakstan (a nation with a large and influential Russian population). It is also about as far away from Israel as Turks are likely to venture. The Jews are leading you into a trap, much like they have led the USA into the quicksand of Afghanistan.

The Jews want to bog you down in conflicts with the Kurds, which also pull you eastward and consume your resources and hurt you in the eyes of the World public; and in "Pan-Turkey". Note that the Jews are stirring up trouble in Kyrgyzstan immediately after murdering your citizens in international waters. The Jews want you to intervene and pull you away from Israel and into a meat grinder between Russia and its allies and China. They want to suck you into a quagmire that will consume you.

Turks, if you believe there is hope of finding genuine friends among the Russians, and for that

matter the Chinese, then you could perhaps view this contrived dilemma as an opportunity to gauge the Russians and offer up a cooperative diplomatic and aid effort to end the crisis. But beware that the Jews want to lure you into this area and you are taking enormous risks by setting foot in their trap even if you simply want to steal the bait.

I would love to see Turkey and Russia become very friendly nations and promote peace, stability and prosperity throughout the Middle East and the World. This provides a testing grounds for a first attempt at such a joint venture, but be very, very careful, and do not forget the Chinese. Keep it diplomatic and peaceful and watch for the hidden hand of the Mossad stirring up the trouble and expose it to the World public.

Be especially careful with Putin and his teddy bear, MEDVEDev.

Exactly as I Predicted, the Jews Are Employing Pan-Turkism as a Weapon Against the Turkish People, the Chinese, the Russians, the Armenians, Etc.

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In a series of articles, lectures and interviews, I have been warning since 2007 that the Jewish manufactured myth of Pan-Turkism would be used to pit Turks against Armenians, Chinese and the Russians. About one year ago, I revealed the fact that the trouble the Jews stirred up in Red China between Chinese and Uyghur's was a staged crisis meant to pit Chinese against Turks based on the mythology of Pan-Turkism:

The Pan-Turkic Connection to the Unrest in China, July 19, 2009

The Turkish Government has recently affirmed its acceptance of Jewish Pan-Turkism:

Turkish minister denies claims Turkish policy not interested in Central Asia

Like the little trouble in big China, the recent troubles in Kyrgyzstan are also a Jewish manufactured crisis meant to cause trouble between the Turkish People, Russia and China, based upon Pan-Turkism. I predicted that this would occur soon after the Jews attacked the Freedom Flotilla:

Turks, Learn from the Iranians, Beware Russia and China! June 11, 2010

Interesting that none of my precisely accurate predictions have been advanced by the "alternative" media, which certainly pays close attention to what I have to say.

I am very concerned for the well being of the Turkish and Armenian Peoples, who are the most threatened by this Jewish toxic concoction of Pan-Turkism. Armenian leaders are now licking Jewish boots, while the Armenian People are warning them not to suck up to the Jews who are

genocidal enemies far beneath even fair weather friends of the Armenians. I warn the Turks not to attack the Armenian People, either directly, or through the Israeli subverted and controlled Azeris. Azerbaijan is firmly under the control of the Jewish People, not the Turkish, and strife with Armenia serves no Turkish goal, nor does strife with Turkey serve any Armenian goal. Unite and slam the Jews who are out to destroy you both!

Since my model of Jewish behavior enables me to make precisely accurate predictions, I suggest my audience consider the likelihood that I am correct in my assessment of the goals and methods of the Jews, and their assets in foreign governments around the World.

A Land of Kurdled Milk and Kosher Money

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Kurds are unwise to align themselves with the Jews. The Jews will only provide enough support to keep the Kurds in trouble, but never enough for the Kurds to win the homeland the Jews are promising them if they sacrifice millions of Kurdish lives for Jewish causes.

There is talk of Jewish "reverse flotillas" sending supplies to Kurds and Cypriots. Let them do

so, it is not likely to cause anyone harm, other than Israelis--and Kurds and Cypriots, who, if they are foolish enough to play games on the Israeli side, will only expose their complicity in their own demise.

By allying with the Jews, the Kurds are making enemies of the rest of the Islamic world. By allying with the Jews, the Kurds are again inviting wars they will never win and which exist only to weaken the Kurds and the enemies of the Jews.

But let the Kurds fly the Israeli flag in public, while the Palestinians, Turks and Iranians publicly burn it. Then let Israel whine about terrorism as it publicly sponsors terrorism, just as Israel created Hamas.

Why Do the Muslims Neglect the Palestinian Diaspora?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Gazan Palestinians absolutely need help and relief, and I applaud efforts to bring them relief and lift the Israeli siege. But there is another front to this war which the Muslim nations are ignoring, and that is the Palestinian diaspora.

Muslim nations should be pressuring the Israelis for the right of return and shine a spotlight on Jewish racism. At the same time, Muslim nations should invite in Palestinians of the diaspora and give them training and aid and promote their interest in political and journalistic careers. Muslim nations should create an international scholarship program for Palestinians and welcome them into their universities as well as financing their studies in America and Europe.

A healthy and prosperous Palestinian diaspora would be a great boon to the besieged Palestinians of Palestine.

History Repeats Itself in Turkey. . . Again: Why the Jews Created the AKP and Are Making a Hero Out of Erdogan

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Back in the Ottoman Empire, the Jews had their revolutionaries clamor for a constitution and for constitutional reforms to democratize the Empire. The Jews are stirring up trouble with their PKK in part to afford them an opportunity to create a new constitution for Turkey, which will Balkanize the nation, institute "hate crimes" laws, and which will promote the loss of sovereignty in favor of internationalism which will expand the EU through Turkey to all of North Africa, the Middle East, and probably Central Asia.

The Jews want to shift power in Turkey from the Doenmeh which controls the military, to the AKP or a like front organization, which will appeal to the Arabs and the EU. Do not expect the Doenmeh to lose influence. This is all done for appearances' sake.

In order to place Turkey in the EU, the Jews had to create an upheaval and popularize Erdogan and the AKP in the eyes of Europeans. Israel's brutal assault and murder of (Kurdish martyrs? Kurdish Mossad?) Turks provided the means to achieve this objective. Israel's attacks on Turkey through their PKK front organization provide a further means to change Turkey into a nation the Jews can more easily pitch to Europeans as a "Democracy" worthy of Europe.

The Jews will draft (probably have already drafted) a new Turkish constitution, which will use the pretext of Kurdish rights as a basis for securing Jews freedom from criticism through "hate crime" laws, which will Balkanize Turkey and leave it ripe for civil war at any time the Jews choose to implode or weaken the country in the name of multiculturalism, which will weaken Turkey's military strength in the name of combating military tutelage, and which will eliminate Turkey's sovereignty in favor of EU membership together with open borders to all of North Africa, the Middle East and Central Asia.

This gains the Jews the Turks, the destruction of Europe through immigration and economic drain, the loss of all Arab sovereignty, and the opportunity to ship the Palestinians as refugees into a naive and caring Europe. Playing the role of bad cop is a small and temporary price the Jews were willing to pay in order to achieve the internationalization of all this territory. The Jews played a similar game when they put communist puppets in several Arab nations and had the Jews' Soviet Union attempt to internationalize the region and polarize the World between two camps, both of which the Jews controlled.

In order to provoke the Arabs to surrender their sovereignty to the Turks, who then will hand it

over to the Jews, the Jews had to make a hero out of Erdogan, which they have now done.

Thus we see that the AKP and Erdogan are serving Jewish interests by Balkanizing Turkey in the name of democratizing it, and by covering up the role the Jews play with their control of the PKK.

The AKP and Erdogan are serving Jewish interests by prompting the Arab nations to surrender their sovereignty and fate to the Turks, who are controlled by the Jews.

The AKP and Erdogan are serving Jewish interests by negotiating with the Persians to curtail their Uranium enrichment program and by removing Ahmadinejad's and Shia influence from Arab nations.

The AKP and Erdogan are serving Jewish interests by making Turkey an EU friendly country and setting up Europe for a massive invasion of non-Europeans.

The AKP and Erdogan are serving Jewish interests by covering up the Jewish genocide of Armenian Christians and the fact that Ataturk and the Young Turks were corrupt Jews, and by, together with Israel, arming and helping Azerbaijan to war against Armenia.

But I warn you, Turks. I sense a terrible double cross coming. The Jews are manufacturing their mythological "Gog and Magog" out of the fabric of your nation and they will kill every last one of you if given the opportunity. Lay down with these Jewish dogs and you will wake up with fangs in your necks and flies on your corpses.

Note that the Jews created the military tutelage system they will now seek to replace through a new constitution they will draft. Note that the Jews will create a new constitution to "solve" the Kurdish problem they manufactured. Note that the Jews will internationalize Turkey, the Arab world and Central Asia in the name of combating the Jews both inside Turkey and in Israel, which internationalism serves the Jews' desire for World rule.

Not bad for one evening's work murdering Kurds on a Turkish boat in international waters.

It Amazes Me How Israel Shamir Manages to Be So Right About So Much and Still Manages to Be So Wrong in His Final Analyses

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Israel Shamir has recently published an article which echoes many things which I have been saying for years and which agrees with my assessment of more recent events, including the gifts the Jews gave to Russia. Once before, I sharply criticized Mr. Shamir for telling us Ron Paul is our savior, and to his credit, he republished what I had to say. Here is Shamir's more recent statement, which agrees in many ways with what I have said before him:

ISRAEL SHAMIR: ISRAELI RECIPE FOR DEALING WITH THE WORLD: "IF FORCE DOES NOT WORK, USE MORE FORCE"

I like the title aesthetically, but Shamir again is missing the more important points I have elaborated on, while acknowledging, much after me, much of what I have said in the past. I disagree with Shamir's ultimate assessment that Israel and Turkey are really working against each other's interests.

Whereas Shamir deviates from my theories when he claims that the AKP is the product of the EU and is now ironically working against Jewish interests by opposing the military junta in Turkey, I argue that the AKP is a Jewish production meant to finally incorporate Turkey into the EU, that crumbling Jewish Utopia which shows the same decay, moral and vital, that the Jewish Soviet Union exhibited. And what is it that Turkey will bring in its basket to the EU that the Jews so desperately want? All of North Africa, the Middle East and Central Asia.

The AKP does not merely want to join the EU. The AKP seeks to create a borderless rim around the African coast of the Mediterranean, as well throughout the Middle East, and probably through Central Asia, though I have not yet seen them make the latter declaration. If successful, this will result in massive immigration into Europe that will destroy it.

As such, Mr. Shamir's saviors, like Ron Paul, are serving thoroughly Jewish interests, in the case of the AKP, the Jewish interest in World Government and the creation of "Gog and Magog" out of Jewish political theory and Jewish political and military theater. This is hardly the first time the Jews have tried to invade and destroy Europe by means of the Turks.

Note also a pattern among covertly Jewish saviors of the Palestinians, from Idi Amin, to Saddam Hussein, to Ahmadinejad (. . . to Erdogan?). They each help Israel to enter into war with the next would be supposed savior of the Palestinians. Amin fell and Hussein rose. Hussein fell and Ahmadinejad rose. Ahmadinejad is about to fall and Erdogan rises. Will Turkey end up in the same crucible? Let us hope not.

Appeasement and Easement Are the Wrong Ways to Defeat the Jewish War on Turkey

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The AKP has adopted a policy of first addressing the PKK problem so that it is then free to return to the problem of the Israeli attack on Turkey with its full resources. This will be a failed policy.

The PKK is a Mossad front organization. The best means to end the covertly Jewish PKK attacks on Turkey is to make the Jews pay a price for the attacks, not to ease up on the Jews while focusing on one sucker on one tentacle of their reach, the PKK.

If it hurts the Jews when they attack Turkey through the PKK, then there will exist a disincentive for such attacks. But when it helps the Jews to attack Turkey through the PKK, at no cost to the Jews themselves, then there is an incentive for the Jews to escalate the attacks.

The Jewish controlled Turkish military has always worked with the Israelis to sponsor the PKK and keep it alive. This helped keep Turkey in turmoil and sponsored the power of the Jewish controlled Turkish military, which effectively ran the country. Why are these enemy agents still in positions of power in the Turkish military? Why isn't Erdogan publicly exposing all of this, which is known to no one better than to him?

As I discussed in a previous article, there are many ways to defeat the PKK, which also hurt the Jews, and which cost the Turkish government little:

Among the Many Ways to Defeat the Jewish Controlled PKK, June 23, 2010

Each time the PKK attacks, Erdogan should personally go on television and deliver a speech identifying the Jews as the force behind the PKK, and exposing the role the Jewish controlled military played in helping the Mossad to murder Turkish citizens and hurt the Kurds with reprisals. Erdogan should embrace family members of the victims and have them call upon the Israelis to stop murdering Turks. This will hurt the Jews, and the attacks will quickly dry up.

Erdogan should not be biding his time to turn up the heat on Israel, but rather should be keeping the Israeli attacks on Turkey in the news and in the public mind, and be building on the gigantic momentum he has to free Muslims from Jewish influence. Instead, Erdogan is focusing on the PKK and Kyrgyzstan, just as the Jews want him to do.

Erdogan should be forcing the Jews to focus on their internal problems so that they are too busy to attack Turkey, rather than allowing the Jews to force him to focus on Turkey's internal problems to the relief of the Jews. For a man as clever as he obviously is, Erdogan is making several amateurish blunders as the leader of Turkey at a time of open warfare.

The Stupid Boys Town Mentality and the Death of America and Europe

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Father Flanagan promoted the myth that there are no "bad boys", instead laying the blame for corruption and evil on evil environments. Jews are bad to the core of the apple of their Jewist God's eye, and history is the absolute proof.

Martin Luther eventually opposed the Jews, after a long stint of helping them, by stupidly claiming that they were just plain stubborn and would not accept Christianity. But Luther's Christianity was even more Jewish than the Judaization of Catholicism it would replace.

This rotten branch of the human family of the Jews is inherently bad, as history has proven. It draws all the life out of the human tree, sheds fruit which poison the roots of life, and spreads insects and disease to every other branch of the human family. Contrary to the self-destructive pseudo-idealistic myth, it is truly a "bad boy" in the most negative sense.

There is no changing the Jew, as history has proven over and over again, and segregation only strengthens and concentrates the virus. Have compassion for the victims of Jewry, rather than the ever hostile Jewish enemy.

Is "Whiteism" the Antidote to "Jewism"?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Whites have several qualities which render them vulnerable to the Jews, but which can also be used to defeat the Jews and to promote the interests of the human race. Whites tend to be very conformist, surrender readily to authority, are capable of compassionless violence, seek "moral" justifications, can be persuaded to perform self-destructive actions based upon pseudo-rationales, and tend to be blindly religious. As such, the Whites have established an ancient and

verifiable track record of destroying themselves and the human race for the benefit of the Jews, whom the Whites have historically worshiped.

The Jewists are utterly selfish, amoral and are only concerned with self-interest. As such, the Jews have established an ancient and verifiable track record of destroying humanity, focusing upon the Whites, for their own benefit.

Whiteist Whites have proven somewhat resistant to the Jewish parasite, though they have often and predominantly been used to promote Jewist interests, the foremost of which is Jewist segregationism, which coincides with and benefits from, one tiny facet of Whiteist segregationism.

Segregationism must be distinguished from absolute isolationism. The Jewists have always sought to promote the absolute isolationism of individual Whites from one another, but the Whiteists have yet to promote and enforce the absolute isolationism of Jews from one another.

Why, having recognized the Jewist People as an enemy, do Whiteists promote the tribalism of Jewists by insisting upon their segregation, and consequent perpetuation, with each other? If Whiteists truly seek to perpetuate White Europeans, then they must isolate each Jew from every other Jew and prevent the subsequent generations of the enemy Jewists who have pledged themselves to the destruction and extermination of Whites.

Reanimating the Corpse of Humanity

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Biological definitions of "life" which distinguish living organisms from inanimate objects tell us that white Europeans are dead. Advanced living organisms are self-sustaining, procreate, have a will, respond to stimuli, communicate, fight for their survival, defend their young and their societies, solve problems and adapt. White Europeans fail on all counts. The Jews have subverted each of these elements which render us alive.

The recent wave of hope which emerged as a tidal wave when Erdogan criticized Israel reminds us of what it is to actually be alive. We can solve our problems if we acknowledge and face them. We can better our existence and create a peaceful World. We can live and enjoy life. We can secure a future for our children. But we must be alive, in the literal biological sense of the term, to do these things.

It is the nature of a living organism to repel and destroy a parasite. We are not alive if we do not fight back and defeat the Jew. Remaining passive renders us as inanimate as a coffin, as dead as a rock, as lifeless as a ball of wax, as rotten and sour as the bloated corpse of a maggot infested fish washed up on the sand.

But if there is any life left in us, we can reinvigorate humanity and the natural response will be

to eliminate the Jews from the healthy organism, though not through segregation of the tribe which has never worked, but rather through isolation of the individuals.

If we are to live, we must awaken our spirit, that will to control our fate and better our lot, our drive to destroy our enemies, which distinguishes the living from the dead, or worse, the inanimate. The Jews have perniciously persuaded us that it is wrong to be alive, that it is immoral to live. They have killed our spirit of life. To regain the spirit of life, we must remove that which kills it.

Among the Many Ways to Defeat the Jewish Controlled PKK

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For a very long time, the leaders of Turkey covertly sponsored the PKK because it helped the military to rule the country. Turkey is today suffering from this legacy of betrayal in several ways.

The country is weak because the enemies of Turkey view the nation as if its current government, as if Turkey were a political party, and see the vulnerability this creates. The enemies of Turkey

believe that they need not defeat the nation as a whole in order to defeat the nation as a whole, but rather must simply defeat the AKP in order to crush all of Turkey from within itself by creating a vacuum at its core.

The nation of Turkey is today viewed as if it were Erdogan and his party and all that is needed to destroy Turkey is to defeat Erdogan and the AKP. This is a severe weakness for a nation and can only be resolved by the nation defining itself not along party lines, but along nationalistic policy lines.

Turkey's intelligentsia, religious leaders and scholars need to join in the fight to save the nation from its enemies. They need to define what it is to be Turkish so that the nation cannot be so easily defeated by merely attacking a given political party and its leadership.

Turkey's intellectuals also have to join in the fight against the Israeli controlled PKK, by defining the struggle not only for the nation as a whole, but also for all Kurds across international lines. Turkey's intellectuals should issue propaganda that defines the ills of the Kurds as divine punishment for siding with the Jews against Islam.

Turkey's intellectuals should explain to the Kurds that the Jews have used the Kurds for a very long time to fight Jewish battles which only hurt the Kurds and the Islamic world.

Turkish scholars should explain to the Kurds that they promote their own interests when they promote the interests of the nations in which they live and that the best means for them to take advantage of the rising wealth of the Middle East is to reap its rewards as members of the nations in which they live.

Turkish minds should persuade the Kurds that Turkey holds the keys to creating a peaceful and stable region in the areas in which the Kurds live, and to increasing their wealth, and to end the incessant and horrific wars in which the Jews place the Kurds.

Turkish thinkers should convince the Kurds of the futility of the Jewish inspired myth of Kurdistan, because by warring against Turkey, Syria, Iran and Iraq, the Kurds are making enemies of four nations and all of Islam, each of which nations could destroy the Kurds by itself, and against which collectively the Kurds are utterly hopeless; which is why the Jews are prompting the Kurds to destabilize the region, which hurts the Kurds themselves more than anyone else, and which only benefits the Jews.

It Was All Just a Game

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Haaretz has published an interesting article which promotes Erdogan and Obama as the benefactors of the Palestinians and assigns them credit for supposedly "ending" the Jewish siege

of Gaza:

Aluf Benn / Turkey can take credit for ending Israel's blockade of Gaza

As before, the Jews will have Mossad agents launch false flag attacks from Gaza on Israel at any point at which the Jews again wish to turn the screws on the Palestinians. A standard method of torture includes periods of relief which render the periods of pain even worse than they would have been if they were constant. The Jews are torturing the Gazan Palestinians.

The tell that the attack on the Turkish vessel of the Freedom Flotilla was part of a game to make a hero out of Erdogan to the Arabs and the Europeans so that the Jews could expand the EU into North Africa, the Middle East and Central Asia, is that Obama was also "pressuring" the Jews to let up a bit on the Gazans. But beware, Turks and Arabs, there is double double-cross coming.

Not only will the Jews intensify their attacks on the Gazans down the road, just as they did after pulling out of Gaza, the Jews are also setting up the "Gog and Magog" scenario of their religious myths. That story ends badly for old Gog and Magog. If the globalization efforts are successful, expect turmoil in the Middle East, North Africa and Central Asia, which the Jews will artificially manufacture so as to provide a pretext for sending "refugees" into Europe who will bring a final end to white Europeans and Europan culture in but a few generations.

Erdogan is being lifted up as part of the Jews' plans, and the Jews always and only do what is good for the Jews. Expect all this to end badly for the rest of us if we do not protect ourselves,

but instead are duped into blindly supporting what Erdogan does to other nations (including Turkey) simply because we approve of what he did to Israel.

The Jews have baited a trap and only a fool would blindly bite into it. The hysteria surrounding Erdogan is emotional, not rational; and no one other than myself is questioning his broader agenda, which is alarming.

I suspect the Turks have been promised huge quantities of Arab money, a war which will obliterate the Persians forever and EU membership; and the Arabs have been promised a Palestinian nation, EU membership and a war which will obliterate the Persians for all time. Recall the mantra from the Jews that they have no partners for peace with the Arabs and no one with whom to negotiate. Now they have manufactured that partnership with their centuries old friends, the Turks who now lead the Arabs courtesy of the Jews; but the Jews will again double cross those whom they have led to double cross the Arabs and Europeans, wait and see, or better yet help me prevent what is coming.

Tips for Turks and Arabs

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I find it very discouraging that the Turks are employing a Jewish model in their pursuit of otherwise reasonable and productive policies in their international relations. I have always been an advocate of Muslim unity and cooperation to promote peace, stability and prosperity in the Middle East and the World.

However, I have never advocated a Middle Eastern/North African/Central Asian/EU globalization project, which is what the Turks are presently pursuing. Instead, I advocate strong nationalism coupled to international cooperation.

The Turks make several false assumptions to justify their internationalism. For example, the Turks falsely claim that their policy of waving visa requirements for travel has bolstered their tourism industry. I dispute this claim and assert that the Turks are underestimating themselves.

Turks are very hospitable people and Turkey has much to offer the tourist, as the Germans have long known. Turkey's improved relations with Syria and other Arab nations has indeed improved Turkey's tourism industry, but who is to say that the main reason for this improvement is the waiver of visa requirements, and not the more substantial improvements in perception which would likely exist even if the globalization measures had not been implemented?

Internationalism on the EU Jewish model as opposed to aggressive and friendly trade policies on a nationalistic model is doomed to failure for several reasons. Trade done correctly on a

nationalist model exploits the natural advantages of each country for the benefit of its citizens because it only occurs when it promotes national interests and to the extent that it promotes national interests.

Internationalism reduces trade to its lowest common denominator, exploitation for the benefit of the richest elements in the scheme. Internationalism always fails to meet regional economic needs in a substantial and sustainable way and instead makes slaves of all but the richest elements of society.

Internationalism on the Jewish model followed by the Turks will fail because it will drag down Europe with immigration and result in a conflict of interest between Turks and Arabs and their own interests. The Turkish/Jewish model will soon result in a clash between Arab oil and Turkish oil interests; and to this equation must be added Russian, Persian and Shia oil. Whose interests will be served when conspiring to manipulate oil prices and monopolize contracts? Surely these different regions have different and conflicting interests which are better resolved based on nationalistic negotiations rather than internationalist exploitation.

There are much better ways for Turkey to push for peace than internationalism. Internationalism is acceptance of defeat without a fight, rather than a resolution to the Jewish attack.

New Booklet Out: "Ergenekon Is Our Reality"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For more than three years, I have been exposing the crypto_Jewish organization "Ergenekon". A new booklet has appeared produced in part by the "Young Civilians" (as in "Young Turks"?), which responds to and refutes various categories of denials of the existence of the Ergenekon in the international media:

Ergenekon Is Our Reality

Some of my articles and interviews which touch upon the Ergenekon appear as follows:

Erdogan Lies for the Benefit of Israel: Turks, Learn from the US and Germany, June 30, 2010

In the context of the recent meeting between the Israelis and the Turks, Beril Dedeoglu writes in an article entitled *A 'secret meeting' everyone knows about* published in *Today's Zaman*:

"Besides, it was necessary to release some steam before Turkish public opinion becomes fully convinced that there is a connection between the Kurdistan Workers' Party's (PKK) latest actions and Israel's stance toward Turkey."

I must ask why it was beneficial to Turkey's interests to meet secretly with the Israelis before the

Turkish public fully understood the reality that the Israelis are connected to the PKK? Erdogan should be informing the Turkish public and the World public of this fact at every opportunity. He should not cover up the Israeli terrorist war on the Turks, which has claimed tens of thousands of lives.

The surest way to end the bloodshed is to expose the fact that Israel is behind it. Why are Erdogan and the AKP serving Israeli interests rather than Turkish?

We Had Better Take Control Over Our Own Fate Rather than Depending on Erdogan and the AKP to Save Us from the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

After roping in the Arabs and pushing Europe to incorporate Turkey into the EU, the Jews' plans for making Turkey the next America of sanctuary for World Jewry are beginning to unravel. The World is a little too eager to react to the dangers the Jews pose. Turkey is beginning to face a rapidly increasing trade deficit, and the Arabs, as usual, are disorganized and slow to act.

As a result, the Turks and Israelis are openly falling in love again, though their estrangement was little more than play acting. See:

Secret meeting of Israel with Turkey at cabinet level stirs controversy

Turkish MFA confirms Davutoglu's meeting with Israeli Minister Eliezer

US and Turkey agree on action plan to fight PKK

Turkey solidifies ties with European Union, eyes cooperation on terrorism

Note that the Israelis are being primed to vote for the lunatic Avigdor Lieberman and to view Netanyahu as if too moderate. Note that the Turks are being torn to shreds in staged bickering between the Doenmeh Ergenekon faction, the AKP and the PKK, just as I predicted years ago.

Lest anyone think I was too harsh on the Turks, I am far more critical of the Jewish control of America, and reaffirm that we stand a much greater chance of defeating Jewry than any other nation. The Jews proved several things with their attack on the Mavi Marmara.

The World public is ready for a leader to step forward and end the Jewish war on the human race. The World economy can turn around almost over night if we human beings help each other rather than fight each other.

But do not expect Erdogan and the AKP to provide this leadership. They are as bad as Obama and our Jewish corrupted political parties. They are deliberately sabotaging all the momentum

the World public gave them to end Israel. The Jews' plans worked a little too well for the Jews to succeed. We had better do a little planning and great deal of fighting ourselves if we are to survive for another generation of humanity.

Erdogan Lies for the Benefit of Israel: Turks, Learn from the US and Germany

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Turkish Prime Minister Erdogan has lied to the World and claimed that Ergenekon is the power behind the PKK, without mentioning Israel. Erdogan had earlier said that there were evil forces behind the PKK without specifying who those evil forces are. Everyone naturally assumed that Erdogan was referring to Israel, because everyone knows that Israel is the power behind the PKK, having been caught training them. See:

PM specifies Ergenekon as power behind PKK terror

Erdogan is both lying by omission and is directly lying. If Erdogan would have us believe that

Ergenekon timed the PKK attacks to coincide with the Israeli assault on a Turkish vessel, then Erdogan must admit that Ergenekon is an arm of the Israeli government, or shares its Jewish loyalty and common interests with the "Jewish State". As such, Erdogan is lying by omission to cover up Israel's longstanding war on Turkey, and the fact that Ergenekon is a Jewish organization run by Jews and crypto-Jews.

Erdogan is directly lying when he claims that Ergenekon runs the PKK which has arms in several countries and has been observed working with, and receiving training from, Mossad.

I have been warning that Erdogan would betray the country of Turkey, and he has committed this heinous act of betrayal of covering up the murder of Turkish citizens as acts of war by Israel against the Turkish nation, thereby creating the illusion that the problem is a domestic political struggle, instead of an international war in which Israel has murdered tens of thousands of Turks without any reprisals. This also serves to prevent the international community from recognizing that Israel is a State sponsor of terrorism, terrorism that has claimed tens of thousands of innocent lives.

Though Erdogan is portrayed as some kind of hero because of the Israeli assault on a Turkish vessel, Erdogan was not aboard the ship and failed to protect it in spite of Israeli threats to assault it. Erdogan has performed no heroics, but has instead lagged behind Turkish public opinion and has repeatedly tried to soften the blow to Israel, instead of hammering the "Jewish State".

Erdogan and the AKP continue to erode Turkish sovereignty, having recently arranged for visa

free travel with Indonesia, adding to a growing list of nations. The AKP does not intend to stop with visa free travel, but is also seeking borderless travel and trade with many, many nations, and is making its strongest push to date for admission into the EU. See:

Turkey, Indonesia to lift visa requirements

Turks should be wary of these measures and learn from the US, and from Germany, where Turks were encouraged to move during Germany's reconstruction so as provide cheap labor to rebuild the nation and its industry. There was a Wirtschaftswunderzeit for a brief period in Germany, but today Turkish neighborhoods are comparatively dangerous and unprosperous "slums" in Germany, though nowhere near so bad as the slums in America where blacks and Mexicans have been imported as cheap labor only to end up jobless and/or in prison.

Turks your economy may well continue to grow and I wish you well and encourage cooperation between Muslim nations, and have done so for years. But I warn you, do not so on the Jewish capitalist internationalist model.

Expect your wages to fall, slums to emerge in your cities, drugs and prostitution to infest your nation, greater disparity in wealth, healthcare to go to hell, and the loss of your culture, ethnic strife, etc. etc. etc. if you continue down the Jewish path to internationalization. Europeans, expect Turkey to be a temporary stop for hundreds of millions of immigrants, and their problems, if you admit Turkey into the EU in its present form. The rich in Turkey will get richer, but the rest will eventually suffer badly. There are better ways of doing what you plan to do, but do not expect Erdogan and the AKP to propose them.

It is very interesting that Erdogan is scapegoating the Ergenekon, which is also Jewish, for Israel's part in the Jewish war on Turkey. It is also very interesting how the Ergenekon are going free after plotting to murder Erdogan, and this is being used as a pretext by the AKP to rewrite the constitution to make it EU friendly.

Is there strife between the Ergenekon Doenmeh and Israel? Erdogan is clearly working for the Israelis. I wonder if Erdogan is aware that the Ergenekon are as well? He must be. . . and they must be working together.

Our "Jewish" President Wants Turkey in the EU

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For those who doubt that the Turks are working with, and for the Israelis, consider the fact that the Jews' puppet, Barack Obama, is calling on Europeans to admit Turkey into the EU:

Obama sees Turkey turning eastward if snubbed by EU

Why are the Jews rewarding Erdogan and the AKP if Erdogan and the AKP are opposed to the Jews? Why does not Israel cut off ties with Turkey, if Israel feels threatened by the Turks, and bear in mind that the Jews feel threatened by anything they do not absolutely control?

Why does Turkey want to join the failing EU? The US is not a part of the EU, why would Turkey feel compelled to turn away from the West merely because the EU does not agree to admit

Turkey? Why would Turkey voluntarily seek to hamstring itself with EU bureaucracies?

What role does the proposed Nabucco Pipeline play in the reemergence of the Jewish manufactured myth of Pan-Turkism? And what new wars are planned between Russia and Turkey. . . and Azerbaijan and Turkmenistan. . . and Kyrgyzstan. . . and Iraq. . . etc? And what of the se[a]-saw of the Caspian and Black Seas?

Why does not Erdogan state that the Ergenekon is a Jewish institution and that Israel is waging war on Turkey through the PKK? Why are so many Jewish puppets and Jews helping Erdogan, while slamming Ahmadinejad?

Confessions of the Traitor in the White House

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In an extraordinary breach of presidential protocols, Barack Obama granted a lengthy interview with Israeli media to discuss his traitorous relationship to the, as he put it, "Jewish State". In part one of the interview, Obama openly discusses his concern that Israel faces the demographic possibility that it will no longer be a "Jewish State"–in Obama's view a very bad thing--and Obama irrationally states in the same breath that this potential demographic shift implies that Israel will no longer be a "democracy".

How can a "democracy" be incompatible with demographic changes, and how can a "democracy" be a "Jewish State" which is by design undemocratically committed to preventing equal representation to non-Jews? Why are the demographics of Israel, a supposed democracy,

of concern to a mulatto President of the United States, unless he is part Jewish himself and a racist who is opposed to democracy? We are not discussing immigration, but rather the demographic flux of the existing Israeli population through time.

Obama in effect claims that he, as a black American, sides with Israeli Jews because he sympathizes with their struggle to be segregated and to oppress minorities in the "Jewish State". What sense does Obama's stance make for a mulatto American?

After boasting in part 1 that his Chief of Staff is a fanatical Jew, in part 2 of the interview, Obama brags that his top political advisor is a Jew, and openly confesses that, in his opinion, Jews put him in the Senate, a rather odd occurrence in a "democracy" where Jews represent some 2% of the population. And here some were fooled into thinking that blacks put Obama in office.

The traitor declares in part 2 that he believes there is an unbreakable bond between the "Jewish State" and the USA, a clear violation of his oath of office. Will Ron Paul or Dennis Kucinich introduce articles of impeachment to remove the traitor Barack Obama from office?

Traitorous Obama pats himself on the back for providing more "security assistance" to Israel than any previous administration, this while America is engaged in wars on Israel's behalf and is running low on resources. Obama gloats that he has made the Israeli campaign to destroy Iran on the pretext that it is developing nuclear weapons his number one foreign policy concern.

Bear in mind that the Jews intend the wars in Iraq and Afghanistan, as well as the coming attack on Iran, to destroy the United States, as much or more than to destroy those other Goy nations.

We are the Jews' primary target in these deliberately debilitating conflicts, just as the Soviet Union was the Jews' primary target in the war they manufactured between the Soviets and Afghanistan.

In part 3, the closet Jew Barack Obama tells of his travels to Jerusalem and the wailing wall before becoming famous and of the fact that likes to place prayers in the relic to his Jewish god.

In the Name of "Morality", the Jew Who Calls Himself "Muhammad Rafeeq" Is Undermining American and European Interests, and Ultimately Muslim Interests

Christopher Jon Bjerknes

Please take a moment to read the transcript of what Kevin MacDonald has to say about how the Jews dupe Gentile groups into subverting their own interests in the name of "ethics" and "morality", and how the Jews attempt to convince Whites that it is a crime for them to act in their own interests and to prosper.

Have a listen to what Yuri Bezmenov says about how the Jews subvert a nation with leftists and utopian talk, only to use this as a trap which leads to destabilization:

CommieTunes - OBAMA's END GAME REVEALED - Obama Socialist / Communist / Marxist /

Maoist

Then consider how and why Daryl Bradford Smith/Setters is calling for a destabilizing revolution in America, and how and why his Jewish banking partner who calls himself "Muhammad Rafeeq" is trying to convince us to adopt ruinous economic policies, which specifically target America and the US dollar, in the name of "morality", and how and why his supporters are trying to convince us that Americans are terrible people and deserve destruction.

I (Alone) Have Been Warning You About "Muhammad Rafeeq's" Jewish Agenda for Years!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For over four years, I alone have been sounding the alarm that the Jewish orchestrated American war on Islam was designed to destroy America as its primary objective. For over three years, I alone have been warning you that a group of British Jewish bankers are orchestrating the Muslim side of this attack on America, much like the Hagees and Bernankes are orchestrating the American side of the attack.

The Jewish banker who calls himself "Muhammad Rafeeq" has just publicly confirmed what I

said three years ago almost to the day:

"The Collapse of the American Financial System and the Destruction of Islam, July 26, 2007

There is a group of Jews out of England, who have converted to Islam, and who are advising the governments of Islamic countries as to how to destroy the American financial system. They talk a hard anti-Zionist line and are helping the Moslems to destroy the American system, and are concurrently bolstering the economies of some Islamic nations. Other Zionists are concurrently selling these nations arms in preparation for war, and are sucking off the wealth which should be invested in infrastructure, agriculture, education and industry in these nations.

To the Americans, these Jews out of England also preach a harsh anti-Zionist line and pit Americans against the American Government, calling out for revolution, which subversion weakens American society. Eventually, the Americans will attack the Islamic nations which are being taught how to destroy the American financial system as an act of self-defense. America will be destroyed in these aggressive wars, as will the Islamic nations which America destroys. If these Zionists succeed in suckering Americans into destroying their own society, they will then have the opportunity to fully Bolshevize America.

Who benefits from all of this orchestrated destruction? The Zionist bankers

benefit.

What is needed is active and responsible political organization. For example, we need to help Rev. Ted Pike to preserve our fundamental human rights to free speech. We need to participate in the political process in order to safeguard our nation from, among other attacks, the attacks being made against our economy by our seemingly anti-Zionist friends from abroad who ask us to destroy our own government.

What we as Americans need to do is to partner with the Islamic nations to build each other up. This will require cooperation and organization. Look to those who are making constructive contributions and avoid the destructive subversives like the deadly plague that they are."

Some four years ago, I alone disclosed the fact that Americans would be scapegoated for Jewish crimes, and that the Jews would pit the Muslims, Russians, Chinese and Indians as allies against us to destroy our economy, and the Jews would teach them how to ruin us economically:

"The Quiet Counter-Attack, November 29, 2006

The Zionist Bush regime has blackened the image of America around the world. At the behest of Israel and Jewish leaders, the United States of America has committed genocide in Iraq and has sponsored the Israeli genocide in Lebanon. The world cannot but take notice of these events. The pro-Jewish, anti-everyone else racist bias among Jewish controlled

American politicians and the Jewish controlled media in America is strikingly apparent. Iran and its leaders cannot be mentioned in the American media without the obligatory mantra of holocaust denial and threats against Israel's existence, as well as the fictional charge of an imminent nuclear threat, also being mentioned.

However, Israel is forever praised, with no mention of its unprovoked and barbaric aggression against defenseless Lebanon, without calling attention to its hundreds of nuclear weapons and open threat to use them, without any condemnation of its repeated threats to wage war on Iran and Syria, or Israel's dehumanization and genocide of the Palestinian People. The American media does not present unbiased reporting of the news of the world. It is instead a forum for Israeli warmongering propaganda and for racist and groundless attacks against innocent, peace loving Moslems. The American media deliberately promotes hatred and cries out for war.

The fact that the American media has not embraced the historic peace initiatives beginning in Iran, Iraq and Syria, but instead ridicules them, demonstrates for the world to see that the fascistic American media/ government combine fully intends to complete its deliberate destruction and balkanization of Iraq and Lebanon, at the behest of racist Jews; and they will fight any and all attempts to bring about peace and establish stability in the region. It could not be more clear that the Jewish controlled media and Jewish controlled American Government are deliberately destroying the

region. It is not incompetence which has kept the Zionist Bush regime from engaging in diplomacy and negotiations to stabilize the Iraqi nation America has destroyed. Rather it is obedience to the Israelis who want perpetual war and revolution in the Middle East which has deliberately kept the American Government from solving the problems the Zionists have deliberately caused the innocent nations of the region.

Under the Zionists, the American Government has alienated the United States from the rest of the world and threatened the major powers of the world with world war. The other nations of the world know that the American military machine must be fed with dollars. Its appetite is enormous, and the war profiteers' corruption makes the pig of war even more gluttonous. Racist, traitorous, Zionist Jews have isolated America and given the rest of the world, not only the incentive, but the urgent imperative to destroy the American economy and thereby cut off the flow of funds to the American military beast. In turn, this puts a time pressure on the racist Jews, who have taken over American politics, to attack now, while America can still afford to wage war. We must resist them with all our might. Our economy cannot endure the pressure of another war. Moreover, if we do not begin to engage in honest diplomacy, the world will subtly and deliberately sink our economy.

China, Pakistan, India and Russia are uniting for self defense. They will discover that they do not need America as a mill through which to produce

their wealth, as was the case in the past. Their banking reserves are growing and they can loan their own people the monies needed to grow their own economies. American debt will reach a breaking point very quickly if we engage in more war and continue to push other nations to ruin us economically. Deals are quietly being made by heads of state, and business leaders around the world. They are finally figuring out how to shut down Imperial America without pressuring America into war.

We can thank Jewish financiers and racist Zionists for our decline, but we must also take general responsibility for our own failure to rein in the disloyal Jews who are deliberately destroying us. The information is freely and widely available. If Americans continue to be brutal to the world, complacent with our Zionist puppet government, and consume beyond our means, we will fall hard and fast; and the world will watch with delight as we slide into the abyss of Bolshevik America.

Many nations are presently sawing away the underpinnings of our economy. Racist Jewish bankers are well aware that they are driving America towards the precipice of a sharp decline. If they do not achieve their world war today, they will try to make war appear to be an economic necessity for America, and will exploit the opportunity of a depression to install a brutal dictator and steal our wealth. They are forming the alliances of great armies in preparation for the insane battle of Armageddon, which Jews have planned

for thousands of years.

If so few evil persons armed with money and an evil plan can accomplish so much destruction, one would think that the good people of the human race could band together to oppose them. Is there no collective will to survive among the human race as a whole? Are we so trapped by the inertia of our mundane habits that we cannot act in new ways to save our human race? Are we so easily divided and by our natures so opposed to each other that such a vile plan as Judaic Messianic prophecy can divide and overtake us and destroy our lives?

Indeed, human beings are banding together to oppose this evil which has infected America. It is a strange, unnerving and sickening experience to settle upon the reality that criminal Zionist Jews have converted America into a poisoned well of hatred, war and bigotry, just as they turned magnificent Germany into a force for evil. We had better cure ourselves of this sickness quickly, or the world will be forced to quietly quarantine us and then burn or bury us to keep the infection from spreading. Know that there are at this hour powerful persons and coalitions organizing to put an end to American aggression and hubris. We had better clean our own house, before others burn it down.

George Bush's Zionist Warmongering Is Destroying the World Economy, March 05, 2007

The Jewish bankers are opening the door to Chinese finance, at the expense of the World economy. The weak dollar would be a blessing to American exporters, if America had its fair share of exporters, which it does not. The bankers complain that the dollar is not yet weak enough, and will use this as a pretext to gain control of the Chinese financial markets, so as to set them straight and further weaken the dollar. The Congress will call for protectionist measures, to counter the protectionist strategies of the Asians. That, too, might help American industry, if America had its fair share of industry, which it does not.

But what will happen if the Chinese economy really slides? And what if the bankers cut back on loans and slow the American economy on the pretext of strengthening the dollars they have deliberately weakened? How can America rebuild our industrial base under such dire conditions where American money is difficult to obtain and internationally worthless?

The Zionist Bush regime enjoys one virtue, it doesn't have any popularity to lose. Will they risk open rebellion and attack Iran, as the World economy collapses under the weight of the Zionists' warmongering? Will they be able to finance their fiasco? Will the World unite to destroy the American economy so as to prevent further Zionist aggression? Have they already done so?

I tried to warn people that if the US continued down the path of perpetual

Zionist war, that the World would be forced to bury us economically so that we simply could not afford to continue to wage war. I called this the "Quiet Counter Attack" in November of 2006:

http://jewishracism.blogspot.com/2006/11/quiet-counter-attack.html

I had been warning of these events in September of 2006 (and much earlier, in fact):

http://jewishracism.blogspot.com/2006/09/isolating-israel.html

http://jewishracism.blogspot.com/2006/09/zionist-plague-on-america.html

http://jewishracism.blogspot.com/2006/09/peace-is-economic-necessity.html

It is, of course, a difficult question to answer whether our demise results from the Zionists' actions against our interests to cause us to destroy ourselves, or whether the World is quietly organizing to ruin our economy as a matter of self defense, but I believe the distinction is only apparent. The Jewish bankers want the US to fall, and with it the Goy universe. The "New World Order" is meant to be a "Jewish Utopia", in other words, a Gentile Hell.

Will Americans at long last wake up to the fact that Israel is our enemy?

Isolating Israel, September 07, 2006

Americans who love America above Israel, loyal Americans who desire peace and prosperity, should call for the American Government to end all aid to Israel, cut off diplomatic relations with Israel, impose economic sanctions on Israel, impose an arms embargo on Israel, and demand that Israel disarm. Israel must pay reparations to the Lebanese and Palestinians. Israel must end its apartheid practices and allow all persons the right of return without regard to ethnic, "racial" or religious origin.

Should we Americans fail to disassociate ourselves from the racist, genocidal, warmongering nation of Israel, the world will be forced to subvert our economy, attack our people and pray for our demise. We gain nothing from helping Israel to attack humanity. Instead, we are losing our human dignity, our economic strength and our moral character. We are placing our lives and those of our future descendants in mortal jeopardy, all for the sake of a people who hates us and who actively seeks our ultimate destruction. Though many of our own people are too stupid to recognize these facts, the people whom we are assaulting with our unprovoked and self-destructive attacks are increasingly coming to realize that their survival depends upon our demise.

There is a much better alternative for us to choose than perpetual war and antagonism towards all other nations of the world but Israel. In truth, all nations have a common enemy in racist, warmongering Israel, and we can

cooperate to peacefully end the threat by simply applying commonly accepted standards of international behavior in a fair and equitable fashion to all nations of the world. For the very reason that Israel does not exist in a vacuum, it can be suffocated economically in a matter of weeks.

Israel has threatened humanity with nuclear devastation. Israel has committed unprovoked and genocidal aggression against its neighbors and has openly avowed in its Jewish literature over the course of millennia that it will exterminate all non-Jews. Jewish Israelis and racist and tribal Jews around the world must cure themselves of their hateful sickness. Americans can no longer afford to have our interests subverted by disloyal Jews who hate us and who use us to attack humanity. Decent Jews have a duty to disassociate themselves from racist and tribal Jews. They ought to educate themselves on the true goals and objectives of Judaism and realize that many of those who speak in their name fully intend to fulfill these horrific goals by any and all means. The clannishness inherent in Judaism and Jewish culture is ultimately destructive to Jews, as history has proven again and again. The racist Jewish imperative, "Is it good for the Jews?" should be applied to Judaism itself, and the answer is clearly no.

We can drive a wedge between Turkey and Israel by educating the world of the fact that Jews destroyed the Turkish Empire and committed genocide against the Armenian Christians in the name of the Turks. Turks want to deny this history, but their denials are misguided and self-defeating. The

true culprits must be exposed. This will drive Turkey away from Israel, which is an important factor in avoiding World War III. Turkey is a NATO nation. Jewish influences are attempting to foment war and revolution between Turks, Kurds, Sunnis, Shias, Iraqis, Syrians, Iranians, Arabians, Jordanians, Egyptians, Sudanese, Ethiopians, Lybians, etc. Given their proven past conduct, it is a given that Jews and their agents have, are, and will continue to imposture as other peoples and commit acts of terror and war so as to instigate war, civil war and ethnic strife.

We can drive a wedge between Russia and Israel by exposing the fact that Jews have sought for centuries to exterminate the Slavic Peoples. In recent times, Jews have fomented genocidal hatred toward Russians among Americans in the hopes that America will destroy Russia with a nuclear attack. Jews in Russia have likewise been fomenting genocidal hatred of Americans for a very long time. The Cold War was a Jewish creation meant to divide and destroy humanity. Americans and Russians must at long last confront this deliberate campaign by leading Jews to kill us all off.

Interview with Former Malaysian PM Mahathir Mohammad reveals the danger in which disloyal Jews are placing all Americans:

Part 1

Part 2

The Zionist Plague on America, September 14, 2006

We are approaching an economic collapse. Our loss will be a tremendous gain for Jewish financiers. Throughout America's history, Jewish bankers have deliberately created economic calamities in America for their personal gain. Bernard Baruch boasted, in reference to the Depression of 1893,

"I had never experienced a depression before. But even then I began to grasp dimly that the period of emergence from a depression provides rare opportunities for financial profit.

During a depression people come to feel that better times never will come. They cannot see through their despair to the sunny future that lies behind the fog. At such times a basic confidence in the country's future pays off, if one purchases securities and holds them until prosperity returns.

From what I saw, heard, and read, I knew that was exactly what the giants of finance and industry were doing. They were quietly acquiring interests in properties which bad defaulted but which would pay out under competent management once normal economic conditions were restored. I tried to do the same thing with my limited means."—B. M. Baruch, *Baruch: My Own Story*, Henry Holt and Company, New York, (1957), p. 92. See also page 191.

Jewish exploitation of the generosity of their Gentile neighbors is not a new phenomenon. Jews are in fact taught to deceive their neighbors, to spread plagues upon them, to steal from them, and to enslave them. The Jews are told that their ancestors played on the kindness of the Egyptians and borrowed their gold and silver, then stole it when they fled the nation.

***Exodus* chapter 11 states,**

"1 And the LORD said unto Moses, Yet will I bring one plague *more* upon Pharaoh, and upon Egypt; afterwards he will let you go hence: when he shall let *you* go, he shall surely thrust you out hence altogether. 2 Speak now in the ears of the people, and let every man borrow of his neighbour, and every woman of her neighbour, jewels of silver, and jewels of gold. 3 And the LORD gave the people favour in the sight of the Egyptians. Moreover the man Moses *was* very great in the land of Egypt, in the sight of Pharaoh's servants, and in the sight of the people. 4 And Moses said, Thus saith the LORD, About midnight will I go out into the midst of Egypt: 5 And all the firstborn in the land of Egypt shall die, from the firstborn of Pharaoh that sitteth upon his throne, even unto the firstborn of the maidservant that *is* behind the mill; and all the firstborn of beasts. 6 And there shall be a great cry throughout all the land of Egypt, such as there was none like it, nor shall be like it any more. 7 But against any of the

children of Israel shall not a dog move his tongue, against man or beast: that ye may know how that the LORD doth put a difference between the Egyptians and Israel. 8 And all these thy servants shall come down unto me, and bow down themselves unto me, saying, Get thee out, and all the people that follow thee: and after that I will go out. And he went out from Pharaoh in a great anger. 9 And the LORD said unto Moses, Pharaoh shall not hearken unto you; that my wonders may be multiplied in the land of Egypt. 10 And Moses and Aaron did all these wonders before Pharaoh: and the LORD hardened Pharaoh's heart, so that he would not let the children of Israel go out of his land."

Jewish leaders are today borrowing the treasure of the American People and running our nation into unpayable debt and inevitable ruin. They will walk away with our wealth and take as many "righteous Jews" with them as will go. They did it to the Germans. They did it to the Russians. They did it to the Spanish. They did it to the Romans. By their own spurious accounts, they did it to the Egyptians.

Jewish leaders are also scapegoating America for the atrocities Jewish leaders are covertly perpetrating around the world. It is a part of their

ancient plan to ruin and discredit all Gentile government and religion. They call it their "Jewish mission" to destroy and defame all other peoples, cultures and religions. They often accomplish their objectives by covertly causing nations to take self-destructive actions, and then heap scorn and condemnation on the very nations they have deliberately and actively led into ruin, pretending that they themselves are forever the victims of all other peoples of the earth.

The ancient Jews tell that they had another gift for the Egyptians, who housed and helped them. The ancient Jews proudly claimed that they ruined the currency and economy of Egypt and stole its wealth. Jewish leadership is today actively ruining American currency and the American economy. Our debt is their gain. Through debt, they have enslaved us. *Genesis* chapter 47 states,

"1 Then Joseph came and told Pharaoh, and said, My father and my brethren, and their flocks, and their herds, and all that they have, are come out of the land of Canaan; and, behold, they *are* in the land of Goshen. 2 And he took some of his brethren, *even* five men, and presented them unto Pharaoh. 3 And Pharaoh said unto his brethren, What *is* your occupation? And they said unto Pharaoh, Thy servants *are* shepherds, both we, *and* also our fathers. 4 They said moreover unto Pharaoh, For to sojourn in the land are we come; for thy servants have no pasture for

their flocks; for the famine *is* sore in the land of Canaan: now therefore, we pray thee, let thy servants dwell in the land of Goshen. 5 And Pharaoh spake unto Joseph, saying, Thy father and thy brethren are come unto thee: 6 The land of Egypt *is* before thee; in the best of the land make thy father and brethren to dwell; in the land of Goshen let them dwell: and if thou knowest *any* men of activity among them, then make them rulers over my cattle. 7 And Joseph brought in Jacob his father, and set him before Pharaoh: and Jacob blessed Pharaoh. 8 And Pharaoh said unto Jacob, How old *art* thou? 9 And Jacob said unto Pharaoh, The days of the years of my pilgrimage *are* an hundred and thirty years: few and evil have the days of the years of my life been, and have not attained unto the days of the years of the life of my fathers in the days of their pilgrimage. 10 And Jacob blessed Pharaoh, and went out from before Pharaoh. 11 And Joseph placed his father and his brethren, and gave them a possession in the land of Egypt, in the best of the land, in the land of Rameses, as Pharaoh had commanded. 12 And Joseph nourished his father, and his brethren, and all his father's household, *with* bread, according to *their* families. 13 ¶ And *there was* no bread in all the land; for the famine *was* very sore, so that the land of Egypt and *all* the land of Canaan fainted by reason of the famine. 14 And Joseph gathered up all the money

that was found in the land of Egypt, and in the land of Canaan, for the corn which they bought: and Joseph brought the money into Pharaoh's house. 15 And when money failed in the land of Egypt, and in the land of Canaan, all the Egyptians came unto Joseph, and said, Give us bread: for why should we die in thy presence? for the money faileth. 16 And Joseph said, Give your cattle; and I will give you for your cattle, if money fail. 17 And they brought their cattle unto Joseph: and Joseph gave them bread *in exchange* for horses, and for the flocks, and for the cattle of the herds, and for the asses: and he fed them with bread for all their cattle for that year. 18 When that year was ended, they came unto him the second year, and said unto him, We will not hide *it* from my lord, how that our money is spent; my lord also hath our herds of cattle; there is not ought left in the sight of my lord, but our bodies, and our lands: 19 Wherefore shall we die before thine eyes, both we and our land? buy us and our land for bread, and we and our land will be servants unto Pharaoh: and give *us* seed, that we may live, and not die, that the land be not desolate. 20 And Joseph bought all the land of Egypt for Pharaoh; for the Egyptians sold every man his field, because the famine prevailed over them: so the land became Pharaoh's. 21 And as for the people, he removed them to cities from *one* end of

the borders of Egypt even to the *other* end thereof. 22 Only the land of the priests bought he not; for the priests had a portion assigned them of Pharaoh, and did eat their portion which Pharaoh gave them: wherefore they sold not their lands. 23 Then Joseph said unto the people, Behold, I have bought you *this* day and your land for Pharaoh: lo, *here is* seed for you, and ye shall sow the land. 24 And it shall come to pass in the increase, that ye shall give the fifth *part* unto Pharaoh, and four parts shall be your own, for seed of the field, and for your food, and for them of your households, and for food for your little ones. 25 And they said, Thou hast saved our lives: let us find grace in the sight of my lord, and we will be Pharaoh's servants. 26 And Joseph made it a law over the land of Egypt unto this day, *that* Pharaoh should have the fifth *part*; except the land of the priests only, which became not Pharaoh's. 27 ¶ And Israel dwelt in the land of Egypt, in the country of Goshen; and they had possessions therein, and grew, and multiplied exceedingly. 28 And Jacob lived in the land of Egypt seventeen years: so the whole age of Jacob was an hundred forty and seven years. 29 And the time drew nigh that Israel must die: and he called his son Joseph, and said unto him, If now I have found grace in thy sight, put, I pray thee, thy hand under my thigh, and deal kindly and truly with me; bury me not, I pray thee, in Egypt: 30 But I

will lie with my fathers, and thou shalt carry me out of Egypt, and bury me in their buryingplace. And he said, I will do as thou hast said. 31 And he said, Swear unto me. And he sware unto him. And Israel bowed himself upon the bed's head."

Many Jews believe that they are justified in using America as their slaves, soldiers and treasury. It is our blessing from their Isaac onto his son Esau to be the slave and soldier of Jacob, the Jews.

"25:23 And the LORD said unto her, Two nations *are* in thy womb, and two manner of people shall be separated from thy bowels; and the one people shall be stronger than *the other* people; and the elder shall serve the younger. [***] 27:38 And Esau said unto his father, Hast thou but one blessing, my father? bless me, *even* me also, O my father. And Esau lifted up his voice, and wept. 27:39 And Isaac his father answered and said unto him, Behold, thy dwelling shall be the fatness of the earth, and of the dew of heaven from above; 27:40 And by thy sword shalt thou live, and shalt serve thy brother; and it shall come to pass when thou shalt have the dominion, that thou shalt break his yoke from off thy neck. 27:41 And Esau hated Jacob because of the blessing wherewith his father blessed him: and Esau said

in his heart, The days of mourning for my father are at hand;

then will I slay my brother Jacob."

Many Jews believe they are entitled to steal the land of Lebanon, and to use America as their battering ram to put the fear of God in all the peoples they want to kill, whatever the cost to Americans and the rest of the world.

***Deuteronomy* 6:10-11 and 11:24-25 (see also: *Joshua* 1:2-5) states,**

"6:10 And it shall be, when the LORD thy God shall bring thee into the land which He swore unto thy fathers, to Abraham, to Isaac, and to Jacob, to give thee—great and goodly cities, which thou didst not build, 6:11 and houses full of all good things, which thou didst not fill, and cisterns hewn out, which thou the didst not hew, vineyards and olive-trees, which thou didst not plant, and thou shalt eat and be satisfied— [***] 11:24 Every place whereon the sole of your foot shall tread shall be yours: from the wilderness, and Lebanon, from the river, the river Euphrates, even unto the hinder sea shall be your border. 11:25 There shall no man be able to stand against you: the LORD your God shall lay the fear of you and the dread of you upon all the land that ye shall tread upon, as He hath spoken unto you. [version of the Jewish Publication Society]"

Peace Is an Economic Necessity, September 01, 2006

Many disloyal Jews, Jews who place the interests of Israel above those of the United States of America, have thoroughly corrupted the government and the press. A large number of these Jews are warmongers. It could be argued that our national debt is in large measure, if not entirely, the product of Jewish warmongering. Not only have leading Jews inhibited us economically with deliberately destructive economic policy and unnecessary war, these same Jewish leaders have created and financed the chief enemies of the United States, including the British enemy, the Southern Secession, the German war machine of WW I, the Nazi regime, the Imperial Japanese, the Soviet Union and Warsaw Pact, Communist China, Israel, etc. etc. etc. We can afford no more of this "Jewish blessing".

Though figures and definitions vary, Jews constitute less than 5% of the US population, much less. Of those, a large percentage are anti-war when Jewish interests are not openly at stake. Why is it that the media is today filled with Jews who refuse to rebuke Israel for its unprovoked genocide of the Lebanese and Palestinians? We know that many Gentiles who would otherwise do so are inhibited by the threat of career infringement, boycott and smear campaign. Why is it that so many Jews join the tribal chorus calling anyone who dares side with American and humanitarian interests

over the perceived interests of Israel, an "anti-Semite"?

Though many Jews rightfully ridicule the old Germanic theme "Deutschland ueber alles!", too many carry with them their traditional Jewish supremacism, Jewish disloyalty and Jewish tribalism. We can expect that this situation will worsen as tensions rise and the Jewish Messiah asserts himself. We can expect with some measure of certainty that masses of Jews will feel the calling of their Jewish souls and fight covertly and openly for the tribal cause and forsake all loyalties outside the tribe, and that this treachery will expand geometrically—that's just human nature.

Consider the large numbers of Jewish spies around the world who betray their neighbors for Israel. Consider the reaction of the Jewish controlled press to Israeli genocide of its neighbors. Consider the reaction of the governments of the world to Israel's blatant crimes against humanity, which governments are largely in Jewish hands, and which shirk their responsibility to act against Israel by calling on Israel's number one client state, America, to act against Israel, and thereby ensure that nothing will stand in Israel's way, because they know America serves Israel, and if they do nothing, they too are acting in favor of Israel. The governments of the world could quite easily shut Israel down economically and prevent the genocide of Palestinians and Lebanese. They do not need the permission of, nor the cooperation of, the United States to do this. By passing the buck to Israel's client state, the many governments of the world show that they

tacitly agree with the racist devastation of these innocent peoples.

This should come as no surprise. Jewish leadership controls the wealth of the world. Jewish leadership is racist and is only concerned with forwarding the interests of "the Jewish People". When Jewish religious mythology refers to a Jew's neighbor, it is referring only to fellow Jews. Good Jews are loyal only to their Israeli brothers and cannot work against the interests of the tribe. The Jewish book of *Leviticus* 19:17-18 states:

"17 Thou shalt not hate thy brother in thine heart: thou shalt in any wise rebuke thy neighbour, and not suffer sin upon him. 18 Thou shalt not avenge, nor bear any grudge against the children of thy people, but thou shalt love thy neighbour as thyself: I *am* the LORD."

The Jewish book of *Deuteronomy* 7:6 iterates the ancient racist Jewish cry of Israel, Israel ueber alles, ueber alles in der Welt:

"For thou *art* an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that *are* upon the face of the earth."

Our mass media largely controls the fate of our politicians, as do campaign contributions. Our system of government has been subverted by a foreign enemy, an enemy which has openly pronounced itself to be the enemy of mankind, an enemy whose raison d'etre is the destruction of our nation, our

people and the world. Let all decent people, including decent Jews, unite against that enemy by striving for peace and justice, and by serving the genuine interests of the United States of America.

If we do not stop the Israel-first warmongers, we will destroy ourselves, exactly according to their ancient plan."

The fact that I am the only person telling you these facts speaks to the near absolute control the Jews have over our media, mainstream and "alternative", over our intelligence agencies who should have undermined this attack on our nation, and over our public opinion, which is silent on the issue, though I have done my best to expose this war against America that will completely destroy us. Shame on you for not helping me. You will pay the same price I will, but that is not helpful.

One of the Many Faces of the Jew Who Calls Himself "Muhammad Rafeeq"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A friend has emailed me a link to a video of the Jew whose real name begins with "Paul Rupert", but who calls himself "Muhammad Rafeeq", in which he shows his face. Why does he show his face, but does not tell us his name? Note that his roots in the "City" of London, the Rothschild dominated banking district of England, are again revealed in the description of the videos:

Part 1

Part 2

Part 3

"Muhammad" wants to destroy the American dollar as the reserve currency for international settlements, and substitute another currency to be created by his "new super power" and its partners in this endeavor. This will destroy America, that America "Muhammad's" partner Daryl Bradford Smith wants to see fall to revolution. "Muhammad" reveals that he is involved in high level talks with China, and we must ask him what country it is that he would make the new world ruler, to the detriment and inevitable destruction of the US? I note that many of "Muhammad's" supporters on the internet are British (Jews?) and expressly despise the US and want to see it ruined.

Not only is "Muhammad" instituting international policies which will inevitably ruin us, and the West including of all of Europe and all Whites, he claims the preposterous panacea of basing international currency exchange rates on mandated minimum wages for each nation will improve the lot of humanity. He uses as a pretext the very real destructive effects of floating

exchange rates on currencies to propose the even more devastating proposal, which would ruin our dollar and our way of life, of fixing the value of our dollar and our goods on the poorest of the poor so as to drag us down to their level in the name of providing equal purchasing power at a minimum to every person on the globe. This is internationalism at its worst in the form of the lowest common denominator destroying the highest living standard. This is worse still than communism!

Imagine the downward spiral of poor countries inflating their currency to swap it for dollars at an unrealistic and bandit rate, whereby the poorest worker on Earth obtains the most value for his labor–but it is the governments in debt who would most benefit, together with the rich who could float between swaps running up their wealth exponentially to buy up everything just before the ponzi scheme collapsed. What better way to pave the road to the Jews' international currency, and universal poverty? No wonder "Muhammad" is so fond of Madoff!

If you are an American, European, or any member of the former British Empire, "Muhammad's" plans, if they succeed, will doom you to fourth world status in very short order. Does the Jew who calls himself "Muhammad", but won't tell us his real name, gather his "wisdom" from the house of Rothschild, whom he defended against my claims?

Genocidal Judaism in Action

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The press is reporting that the Jews of Israel wiped a Palestinian village off the face of the Earth, stating, among other things:

"In recent years the government had already seized huge tracts of land and forced many residents to evacuate their homes. They also disfigured the village – chopping down trees and destroying landmarks."-- Nasouh Nazzal, "Arab village obliterated by Israelis colonists", *gulfnews.com*, http://gulfnews.com/news/region/palestinian-territories/arab-village-obliterated-by-israelis-colonists-1.660201, 27 July 2010.

The Jews are doing what their Jewish god commands them to do, in, among other like passages of their religious texts, *Numbers* 33:51-56, which states:

"51 Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan;

52 Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places:

53 And ye shall dispossess the inhabitants of the land, and dwell therein: for I have given you the land to possess it.

54 And ye shall divide the land by lot for an inheritance among your families: and to the more ye shall give the more inheritance, and to the fewer ye shall give the less inheritance: every man's inheritance shall be in the place where his lot falleth; according to the tribes of your fathers ye shall inherit.

55 But if ye will not drive out the inhabitants of the land from before you; then it shall come to pass, that those which ye let remain of them shall be pricks in your eyes, and thorns in your sides, and shall vex you in the land wherein ye dwell.

56 Moreover it shall come to pass, that I shall do unto you, as I thought to do unto them."

Deuteronomy 7:1-6 commands the Jews to genocide the native inhabitants of Palestine:

"1 When the LORD thy God shall bring thee into the land whither thou goest to possess it, and hath cast out many nations before thee, the Hittites, and the Girgashites, and the Amorites, and the Canaanites, and the Perizzites, and the Hivites, and the Jebusites, seven nations greater and mightier than thou;

2 And when the LORD thy God shall deliver them before thee; thou shalt

smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:

3 Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son.

4 For they will turn away thy son from following me, that they may serve other gods: so will the anger of the LORD be kindled against you, and destroy thee suddenly.

5 But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire.

6 For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

Exodus 34:13, states,

"But ye shall destroy their altars, break their images, and cut down their groves:"

Deuteronomy 7:5, states,

"But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images

with fire."

Deuteronomy 12:3, states,

"And ye shall overthrow their altars, and break their pillars, and burn their groves with fire; and ye shall hew down the graven images of their gods, and destroy the names of them out of that place."

Judaism is not merely a "gutter religion", it is a genocidal religion, and you are about to die if you do not fight back against the genocidal Jews.

The "Turks" the Jews Killed Were Mostly Kurds, Perhaps Kurdish Mossad

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

Back on 26 June 2010, I expressed my belief that the majority of those the Israelis murdered on the Mavi Marmara were Kurds, and, I suspect were Kurdish Mossad. I wrote, among other things,

"Israel's brutal assault and murder of (Kurdish martyrs? Kurdish Mossad?) Turks provided the means to achieve this objective."--History Repeats Itself in Turkey. . . Again: Why the Jews Created the AKP and Are Making a Hero Out of Erdogan, June 26, 2010

The following article confirms that seven of the nine were in fact Kurds:

Seven Kurds Were Among The Dead in Turkish Flotilla, Qaradaghi, August 10, 2010

Note the comments from readers which state that Kurds who work against Israel are traitors, because Israel is the Kurds' ally. This again prompts the question if they were indeed Mossad working for Israel's interests, which question I raised long ago.

Add to the mix the fact that AKP leaders were planning to participate in the voyage but later declined when they learned that it might cause problems with Israel, as reported in the *New York Times*:

Sponsor of Flotilla Tied to Elite of Turkey

I believe the whole operation was staged for the benefit of Israel and its puppet government in Turkey, the AKP and the military which are both arms of World Jewry, so as to make the Jews' agents in Turkey leaders of the Muslim world, and so as to open the door to EU membership for Turkey so that the Jews can flood Europe with Africans and Asians and further erode the natural sovereignty of European nations, grossly expanding Jewish World Government.

It is telling how the AKP destroyed its own momentum against Israel and how it again and again protects Israeli and generally Jewish interests over Turkish interests.

A Review of Jaume Gine's "Einstein versus Lorentz and Poincaré: Open questions of credit"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jaume Gine recently published an article in *Physics Essays* calling into question Albert Einstein's priority for his published papers on the special and general theory of relativity, Brownian motion, etc.[1] Almost all of the topics discussed in this paper were earlier addressed by me in far more rigorous fashion and to a much higher academic standard.

However, Jaume (he has called me by my first name, so I will accord him the same friendly informality) did not cite any of my extensive works, which preceded his, other than in one instance, where Jaume wrote,

"All these indications should be discussed from a rigorous point of view and

academic environment and should not be used as bait for a hungry society extravagances, see Ref. 32. In that case, we may do a disservice to science."

Reference 32 of Jaume's paper states,

"[32]C. J. Bjerknes, *Albert Einstein: The Incorrigible Plagiarist* XTX, Illinois, 2002 ."

Given that parts of what Jaume wrote are nonsensical, I had a difficult time deciphering exactly what it was that Jaume sought to attribute to me, so I wrote to him asking him to please explain his meaning. He wrote back refusing to do so and insisted that his meaning was crystal clear.

I am forced to guess at the meaning of his statement and why he cited my work in support of it. I will do so in the light least favorable to me, and Jaume can then correct me if I have been unkind or unfair to myself.

I suppose Jaume meant that my work is the perfect, perhaps the sole example of the highest academic standards and most rigorous scientific study of priority issues surrounding Albert Einstein and his work. I will now examine parts of Jaume's paper to demonstrate why he has arrived at that conclusion, so flattering to me and to my work.

Though Jaume has failed to rigorously describe the special theory of relativity as the product of the works of Voigt, FitzGerald, Larmor, Lange, Minkowski, and many, many others; I have given the most thorough account of these facts available anywhere today. See my book, freely published on the internet years before Jaume's paper had even appeared in his dreams: *The*

Manufacture and Sale of Saint Einstein.

Jaume mistakenly attributes the special theory of relativity solely to Lorentz, Poincare and perhaps Einstein. My book appeared in 2006, and I had much earlier published on the same subject revealing most of the same facts. Rather than portray Lorentz as the hero of the story, I instead met my obligations as a scholar to expose the fact that Lorentz betrayed Poincare and enabled Einstein's plagiarism, for his own selfish benefit.

A typical example Jaume's substandard work on this subject is his false claim that Poincare's 1905 *Rendiconti* paper was from 1906, and Jaume's ridiculous and demonstrably false claim that,

"This is a document not widely known by the scientific community, even nowadays, and is unquoted and unreferenced anywhere except for the famous book by Whittaker,9 see also Refs. 10–12, where is discussed the authorship of the special relativity."

Jaume's errors are substantial, in that Poincare could not have read Einstein's paper on relativity before submitting his own since Poincare submitted his paper before Einstein's paper was published, and in that it is vital to know that Poincare's work was well known and widely discussed among Einstein's contemporaries, colleagues and intimate friends, so as to establish the likelihood of Einstein's knowledge of it.

In my work, I have long ago proven that Minkowski, Lorentz, Ehrenfest, and many, many others have referenced this "document" and that Einstein must have encountered these citations in

their writings long before Pais confronted Einstein with it at the end of Einstein's life.[2] Unlike Jaume, I have cited various English translations of this paper, and scores of articles and books which cite and analyze it and Poincare's priority based on it.

Perhaps that is one of the reasons why Jaume holds my work in such high regard. But why hasn't Jaume cited me in this specific context? He must know that I have referenced this "document" before him.

Jaume discusses Einstein's failure to cite Poincare's work in Einstein's *Jahrbuch* article reviewing the special theory of relativity. I had earlier discussed this same issue, but I added to it the relevant facts that Einstein and Lorentz ignored Poincare's works in the book which purported to be a collection of articles on the subject, *Das Relativitaetsprinzip* of 1913, that Einstein missed several opportunities to correct his plagiarism, and I explained how Einstein lied and refused an invitation to publish a tribute to Poincare's work on relativity in *Acta Mathematica*.[2] Again, my insights not only preceded Jaume's paper, they are far more rigorous and accomplished to a much higher academic standard. I can understand why Jaume admires my work, but why hasn't he cited it in this specific context?

Likewise, Jaume, briefly and without due rigor, discusses Gibbs, Sutherland and Bachelier, whom I have referenced before him, though I cited several others who preceded Einstein on these priority issues, which others Jaume leaves unmentioned.[3] I also discussed Einstein's inability to read English, long before Jaume, but I noted that Albert Einstein's wife and scientific collaborator Mileva Maric could read English and Slavic languages and therefore could have

enabled and participated in Albert's plagiarism of English sources.[4] Again, my research was not only prior to Jaume's, it was far more rigorously done and to a much higher academic standard.

Jaume discusses the fact, which I addressed back in 2003 in my book *Anticipations of Einstein in the General Theory of Relativity*, that Einstein owed an unacknowledged debt to Michele Besso and Marcel Grossman for aspects of the General Theory of Relativity. However, my work was far more rigorous than Jaume's more recent repetitions of my insights.

Though it was already well known that Einstein's equations for the perihelion motion of Mercury were first published by Paul Gerber, I exposed the fact that Gerber's work was also known to Einstein and Besso and that Einstein lied about this fact and denied knowledge of Gerber's work, which Einstein had plagiarized. Jaume fails to even mention Gerber, who is the father of the equations in question. I not only give Gerber his due credit, I cite several others who deserve mention, and provide novel insights which reveal personal details about Paul Gerber.[5]

Jaume does mention David Hilbert and his priority for the covariant gravitational field equations of the general theory of relativity, but Jaume does not cite my seminal work in this context, though I am the first to take aim Corry, Renn and Stachel's baseless historical revisionism of these facts, and it is because of my efforts that this subject came to be widely discussed; my work, later in collaboration with Prof. Friedwardt Winterberg, being the seminal and defining work on the subject.[6]

I am obliged to mention all of this, so as to maintain those supremely high academic and utterly

rigorous scientific standards Jaume has ascribed to me and my work. Though he has honored, even flattered me, I must point out his failings lest those disposed to promote Einstein over the truth beat me to it and wrongly try to generalize Jaume's poorly written paper to be typical of the work of others such as myself. I really must distance myself from this man, whose work on the subject thus far serves only as an embarrassment to those of us who are exposing Einstein's career of plagiarism with rigorous research accomplished to the highest academic standards.

Refuting the Jewish Propagandist "Lionaxe" "Point-by-Point"

Christopher Jon Bjerknes

The Jewish apologist[s] calling itself "Lionaxe" and/or "Karl Radl", which entity haunts the message boards at VNN and Stormfront attempting to convert those opposed to Jewish propaganda to pro-Jewish positions, issued a response to my blog of 6 February 2009. I did not answer it until now, as it is so obviously composed of sophistry and falsehoods that I thought it unnecessary to refute it, given that those who could understand what it said would know that it was based upon sophistry and falsehoods. Now, the Jews are attempting to use the nonsense published by "Lionaxe" as if it were somehow a legitimate critique of my work. Therefore, I will refute it "point-by-point".

The opening comments of the blog "Semitic Controversies" attempt to change the subject from

Einstein's plagiarism to whether or not Prof. Winterberg has corresponded with "Lionaxe" and whether or not "Lionaxe" could have or should have quoted Winterberg directly, rather than put its, "Lionaxe's", self-contradictory words into the good professor's mouth. Such a diversionary tactic, as well as the "teamwork" it embodies, are typical of disinformation specialists.

Now on to the self aggrandizing and ridiculous commentary of the Jewish propagandist calling itself "Lionaxe". "Lionaxe" again misrepresents my words by asserting that I stated that Poincare was the first person, among all others, to state the Principle of Relativity (PoR); when in fact I stated that Poincare was the first only between Einstein and Poincare, and that countless others had stated it before Poincare. In fact, I demonstrated through direct quotation that many others had stated the PoR before Poincare in my book *Albert Einstein: The Incorrigible Plagiarist* and again in my book *The Manufacture and Sale of Saint Einstein* (see pp. 1950-1958).

"Lionaxe" then proceeds to misrepresent the PoR as if it were in contradiction to, and incompatible with, Poincare's ether theories. "Lionaxe" falsely claims without proof that "Poincare maintained a preferred inertial frame". In the context of the PoR, this would mean that the inertial frame of the ether of Poincare, presumably the quiescent ether of Lorentz, violated the PoR and could therefore be detected by experiments; in that the laws of this one inertial reference frame differed from those of others, or all others.

"Lionaxe's" contention is unproven and false. "Lionaxe" contradicts his false claims when it admits that Poincare's ether does not represent a preferred inertial reference frame which violates the PoR. So, in what sense is it preferred? "Lionaxe" seems to mistake Poincare for

Lorentz.

"Lionaxe" quotes Poincare's 1902 critique of Lorentz as if in support of its contentions regarding the PoR. In fact, Poincare was there dismissing aspects of Lorentz' theory, in particular the notion that the ether represents a preferred frame of reference at rest in absolute space. Poincare's theory instead refers to the fixed stars, and/or the ether at rest relative to itself, as inertial reference frames, and Poincare refers to bodies "fixed" to these frames of reference, resting with respect to them, but Poincare expressly excludes the concepts of absolute space and a preferred reference frame with respect to the laws of mechanics and electrodynamics. The reference frame at rest with respect to the fixed stars is no more or less "superfluous" to such a Metaphysical PoR than is the ether, and yet it is observed and does not violate it.

Since we wish to discuss the science, the Physics, as opposed to the Metaphysics of Poincare and Einstein, then we must state that inertial reference frames do not exist in nature. In order to arrive at a physical theory, rather than a Metaphysical definition, Poincare was obliged to define that which constitutes a frame of reference. As was customary, and as Einstein has repeatedly done, Poincare referred to the fixed stars and to the ether. Both Einstein and his friends, including Pauli, referred to Lorentz' ether as the basis of Special Relativity, as I have long ago proven (see *The Manufacture and Sale of Saint Einstein*, pp.1958-1967).

Here again it is shown that Einstein's theory is a subset of Poincare's in that Poincare renders the PoR a scientific as well as a Metaphysical principle, and Einstein merely parrots the Metaphysical content of the principle. Though there were different methods of defining an inertial frame of reference, for example Ludwig Lange's, the method most likely to be

understood at the time was to make reference to either a quiescent ether or the fixed stars. Poincare did not infer from this absolute rest and his theory makes identical scientific predictions to Einstein's and in no way violates the PoR, which Poincare stated was rigorously true long before Einstein. "Lionaxe" is merely unable to distinguish between Physics and Metaphysics, and does not understand the difference between operational method in science and Metaphysical fantasy.

"Lionaxe" ascends his self laudatory soap box and presumes to lecture me with the threadbare cliched arguments of his Jewish predecessors. "Space-Time" is a Metaphysical concept, one Einstein initially opposed. As Prof. Winterberg has correctly stated, "Space-Time" has never been measured in a laboratory, is physically contradicted, and all laboratories are three dimensional. Einstein's ether of 1920 is a Metaphysical and numerological delusion, not a scientific theory, on that point I will agree with the necessary conclusions to be drawn from the sophistry of the Jewish propagandist "Lionaxe". But it was Poincare who first described the ether as a Metaphysical concept in the 1800's and Einstein's 1920 lecture opens with essentially the same statement that Poincare made in 1902, and which statement "Lionaxe" quoted in support of its sophistry! However, Einstein's 1905 paper, plagiarized from Poincare, is based not upon *absolute* Minkowski Space-Time (a physically contradicted delusion), nor upon Einstein's 1920 statement that a state of rest, a given specific set of coordinates of space representing the vacuum, cannot be assigned to the ether, but is instead premised upon Lorentz' quiescent ether; and Einstein's 1905 paper specifically refers to "rest" and "resting coordinates" as opposed to "motion" and "moving systems" of coordinates, just as did Poincare's and Lorentz' and Larmor's prior works.

As I have already stated to "Lionaxe", and as has eluded it in its ignorance, Einstein made other references to the ether than his 1920 statement and Einstein based his 1905 theory upon it, the "resting system". Einstein later referred to the "frame of reference of the moving body as well as in the frame of reference of the vacuum as originally discussed by Lorentz." "Lionaxe", in its ignorance, must not have understood the content of my statement to it, that "In addition [to Einstein's 1920 statement], as I have proven, Einstein based his theory on Lorentz' Ether, as Einstein, Pauli, and others have acknowledged." I then directed the Jewish propagandist "Lionaxe" to my book *The Manufacture and Sale of Saint Einstein*, which, at pages 1958-1967, among other places, demonstrates these facts. As I have already told "Lionaxe", I do not intend to reproduce my book in my blog.

"Lionaxe" is confused as to Einstein's various stances on the ether, as well as Poincare's. All that said, even if "Lionaxe's" false assertions were instead correct, it would not obviate the fact that Einstein plagiarized Poincare's concept of relative simultaneity almost verbatim, as well as countless other aspects of Poincare's theories. "Lionaxe" merely attacks what it believes to be the weakest argument with "Lionaxe's" tired Jewish sophistry and falsehoods.

As for "Lionaxe's" false assertion that Poincare's theory of measurement does not account for length contraction sans a physical explanation for it, "Lionaxe" is mistaken. Poincare's theory of measurement is indistinguishable from Einstein's and Minkowski's plagiarized copy of it.

"Lionaxe" disingenuously tries to equate Einstein's lesser paper to Poincare's vastly superior paper on the basis of Einstein's examination of the problem of radiation reflected from a

revolving mirror. If only Minkowski were alive today, perhaps he would set "Lionaxe" straight. I do not feel the need, as no one will take "Lionaxe" seriously.

The Jewish propagandist[s] calling itself "Lionaxe" and "Karl Radl" concludes with a typically Jewish polemic in the form of an *ad hominem* attack on me, this after failing to acknowledge that I have concisely refuted its many false assertions, and without addressing each and every point where I have proven it wrong with irrefutable facts and incontrovertible reasoning. In "Lionaxe's" Jewish world of propaganda, it is not necessary to prove what I have said about Newton wrong, but rather to simply namecall and hurl insults devoid of factual content or sound logic. In addition to the commonly known facts about Newton, yet again, my book *The Manufacture and Sale of Saint Einstein*, at pages 1725-1727, affords ample proof of my accurate description of Newton the Zionist and Cabalistic Jew. Add to it Leibniz' accusations and characterizations of Newton, as well as those of Keynes; and *Ecce Homo*, behold the [Cabalistic, Zionistic, lunatic genocidal Jew] man, Newton.

So there you have it, the Jewish propagandist "Lionaxe" is proven wrong on each and every point related to Einstein's plagiarism. "Lionaxe" was correct when it surmised that I do not take it seriously. The reader should not be confused by "Lionaxe's" false assertions that I have not refuted his statements, it simply resents the fact that I am able to do so concisely. Perhaps the Jewish propagandist [team? organization?] calling itself "Lionaxe" can in the future spare us its long winded Jewish-style *ad hominem* attacks and self aggrandizing commentary and instead simply admit the truth. . . but don't hold your breath.

By the way, is your birth name "Karl Radl" or have you adopted the name of Skorzeny's deputy,

SS-Obersturmführer Karl Radl, crypto-Jew style? Are you a member of, or affiliated with, any institutions, such as the Mossad? Why do you parrot threadbare Jewish propaganda in alleged opposition to it? And what is your real name, it?

I Warned You More than a Year Ago that the Jews Would Fill Congress with Christian Zionist Warmongers, and You Did Nothing to Help Me Prevent It

Christopher Jon Bjerknes

While the "alternative media" were pushing the Jewish "tea party" movement and the deceitful Pauls on you, I alone was warning the World that the Jews would use their crimes, perpetrated through their puppet Barack Obama, to scapegoat Democrats for Jewish crimes and to place more Jewish puppets in Congress, warmongering right-wing Christian Zionist wackos. Back on 23 August 2009, I wrote:

Do You Want Bibi Netanyahu to Run the Congress? August 23, 2009

If we fail to advance the *POWER PARTY*, or something very much like it,

then the Jews will scapegoat Obama for all the crimes the Jews have committed against America since their candidate Obama took office. The Jews will then rally the Christian Zionists in the Republican Party and disenchanted Reagan Democrats and use them to control the midterm elections to fill the Congress and the governorships with radically pro-Israel, anti-Muslim candidates.

If we succeed in advancing candidates who adopt the platform of the *POWER PARTY*, or something very much like it, then we can rid America of Jewish influence, bankrupt Israel, recapture the goodwill of the World, eliminate our debts and grow our economy. In order to be successful, we must disassociate ourselves from the government infiltrated "Patriot Movement" and appeal to mainstream Americans, who are today looking for an alternative to the obviously failed and corrupt Republican and Democratic parties.

The American People want jobs, health care, quality education, clean and healthy air, water and food, and less income disparity. We can reach the majority of Americans with these core issues. But we need candidates and organization, which is why we must avoid the "Patriot Community" and its spokesmen. Most all members of this group are discredited or have done or said things which can be used to discredit them in the future.

We need clean candidates who can speak to the issues in a dignified,

professional and effective manner. With such candidates, we will have an easy time competing against the democrats and republicans, who insist upon candidates that are unimaginative and obedient sociopaths.

Netanyahu has positioned himself as the opposition to Obama. This affords the Jews total control over the American political process, given that they also control Obama.

However, since Bush is a sour memory for most Americans, and Obama is a proven liar and failure, we can offer the American People an authentic alternative to both failed and deceitful platforms. We can prove to the American People how the Jews have corrupted our nation, and what must be done to remedy the situation.

Since we failed to provide an alternative to Bush in 2004, Americans are still in Iraq and Afghanistan, and the World hates America. Since we Americans failed to protect our own interests in 2004 and 2008, the Jewish bankers have thrown us into unpayable debts and stolen our wealth and our future. If we Americans fail to secure our interests now, the Jews will take our lives in their planned World War Three. They are at this very moment poisoning our food and exposing our soldiers to Uranium, which affects all of our future generations as the genes of these soldiers are passed along to children who will bear the children of the future.

The Jews will not be hard to defeat. They have committed so many, and such heinous crimes, that we need only expose them in the public debate and the

only means we have to do that at present is to run candidates who are willing and able to address the ages old Jewish problem and what must be done to solve it and save ourselves from the open enemy of the human race.

Without genuine candidates to speak to our real problems, the Jews will be in a position to claim that Obama is an "anti-Israeli" politician and that such a policy is bringing us to ruin. The Republicans will push this claim, and the Democrats will dare not contravene it. However, with an authentic candidate running, we can inform the American People of the fact that Obama is a Frankenstein monster created by the Jews to ruin America, and that the Republicans are cut from the same cadaverous Jewish cloth.

The Jews have harvested the organs of American politics and sold us two zombie parties that only serve to feed on our health and pull us down into Hell. Americans will not be so gullible and the sales techniques of the Jews will not be effective if there is a strong and legitimate voice to contradict the Jewish lies. Or, you can do nothing and wait for Netanyahu to do a tour of America promoting candidates for the midterm elections, whom the Americans will believe are antidotes to Obama's "anti-Israel" policies, "which have ruined America". We will again be sold Jewish "CHANGE!" and dragged further into our graves.

I alone have been warning you that the Jews would make Netanyahu, our worst enemy, a hero to tens of millions of American Christian Zionists, by scapegoating Obama for the Jews' war on America. Expect Netanyahu and Clinton to push hard for war on Iran.

If you continue to sit on your cowardice, you will soon lose it. World War Three will witness America in flames then ashes, forever forgotten, and you are also to blame for letting it happen. You cannot pretend that you have not been warned.

The Real Reason for QE2 Is to Fund a New War

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ellen Brown has defended QE2 as a step in the right direction towards debt free money:

QE2: It's the Federal Debt, Stupid!

She maintains that the elections played a role in the Fed's decision, because the rise of the Republicans meant a likely failure of the government to raise sufficient revenue through taxes.

When first I heard of QE2, I, too, felt a mild temptation to believe that perhaps there was some attempt being made to rescue America if only for a brief period. I, too, noticed the campaign to attack Bernanke.

But a little study of the problem has led me to conclude that QE2 is all about funding the next

war, probably an attack on Iran. The Fed's decision came one day after the elections:

Read the Fed statement

The timing is not a coincidence. As I predicted long ago would happen if we failed to prevent it, the election has brought several fanatical warmongers into power with strong ties to the Jewish lobby and Christian Zionists. The time is now ripe for an attack on Iran or some other new war for Israel.

Wars require funding. Just before WWI, the Jews created the Federal Reserve to fund the war. Just before WWII, the Jews taught the Nazis how to print money to fund that war. The Jews are now printing money to fund WWIII.

Our military is decaying. Not only are we exhausting our resources, we are failing to fund needed research and development, in favor of waging aggressive war, which leaves us at a terrible disadvantage to Russia and China who fund their militaries and their military research without the burden of funding unnecessary wars. We are falling behind, decades behind, other nations in our research and development of war materials. Money is needed not only to fund existing wars, not only to fund new wars, but also to fund research, development and production of new war materials as our stocks are depleted.

Of course, should inflation develop, the Jews will stab us in the back again by hawking us gold which nowhere exists, and that is why the Jews argue both sides of the coin, in a manner of speaking. But for now, their plans are to use their new puppets in Congress and the States to

bring on a war, and this will take funding. There will be a QE4 and 5 and 6 and 7, until the Jews start detonating nuclear bombs around the globe and all is lost.

Jews only print money to make and perpetuate war. War is coming unless we stop it. Hopefully you will do more to help me prevent it than you did to help me prevent the results of the last election, which I told you a year before they happened.

"Perfidy" and Glenn Beck

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The latest brouhaha Glenn Beck has stirred up over the Holocaust and George Soros reminds me of Rudolf Kastner and Joel Brand. I discussed Kastner and Brand in my book *The Manufacture and Sale of Saint Einstein* at pages 1043-1045 and 1602-1644. I wonder if Soros is being warned about his appearance in the new film *Inside Job* directed by Charles Ferguson? Is this all theater? I wonder if Beck is being positioned to lead the Right against the Left, with Jewish bankers controlling both sides? And why is it that we are constantly told that the best policy is to let the banks fail, in effect consolidating them into one monopolized bank? How would that solve our economic problems, and who will own the superbank? Let the banks fail, but we must prosecute the bankers who have crippled our economy, and create a new system that serves us, instead of bankers, if we would survive.

Beck presumes to lecture us in the following videos, but where does Rupert Murdoch fit into Beck's *Weltanschauung*?

The New Dollar Must Exclude Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Chinese have an absolute incentive to expose the Jewish bankers. Their dollar holdings compel them to do so, but instead the Chinese are attempting to internationalize the Fed, which approach conforms to the Jewish model of an international currency.

Why have the Chinese been so lax in their propaganda? They are masters of espionage and have sapped America of its trade secrets and markets. Why do the Chinese not wage a propaganda war on the Jewish bankers so as to secure their dollar holdings?

It would be easy for the Chinese to produce documentary films and news reports detailing how the Jews are destroying the value of their dollar holdings, and how the Jews are deliberately ruining America. Why don't the Chinese attempt to mold American, and World public opinion?

The Chinese and other Asian nations want American wealth, real American wealth in the form of land and natural resources. The Chinese are in bed with the Jews, as I have been saying for years. The Jews have promised the Asians that they will eventually secure their investment in American dollars with real property, based on the eminent domain and full faith and credit of the government of the United States. We must never let this happen. The Jews and Asians will take everything we have through this form of usury.

The Jews also want to place us on a gold standard and loan us the gold to do so, but there will be

no real gold backing the loan. Instead the Jews will issue electronic credits which are not backed by real gold, and the Jews will block specie payments. The Jews will demand that the interest on the gold they supposedly have loaned us be paid in gold we must trade off our real wealth to acquire, and by that real wealth itself. In this way, the Jews will steal all of our precious metals, our lands, our agriculture, our industry, our freedom, our security and our future.

Should the *POWER PARTY* come to power, we will issue a new dollar backed by our productive capacity, and we will ban Jews from using our new dollar. We will insist that Jews produce for themselves all that they wish to trade for with others. This will prevent the Jews from being middle men and/or capitalists. It will force Jews to produce if they would survive. Barter only for Jews, and Jews may only trade what they themselves have produced and may not trade in the goods others have produced.

Likewise, we will not permit the Chinese and other Asians to use us as if we are slaves on a plantation who must indenture ourselves to them in order to obtain goods and services. The Asians will be paid back largely by the Jews, and that fair portion of what we owe them they will only be able to recover by a tax designed for the purpose on goods they export to America in order to import goods from American producers. We will only permit barter. In this way, the Asians must consume our goods in order to recover debts we owe them.

The *POWER PARTY* will tax Chinese goods to pay the Chinese the debts we owe them, but the Chinese will only be allowed to trade goods for goods, and will not be permitted to sell us anything until and unless all debts are cleared. Chinese goods sold in the American marketplace will bear a tax to be paid by Americans, which revenue will then be used to purchase American

made goods to be transported to the Chinese as payment on the debt. We will only make these payments if the Chinese scale down their military, constrain North Korea and free Taiwan. We will also reassess and reduce the debt based on Chinese and Asian exploitation of our markets and currency.

In this way, we will protect American goods and effectively subsidize them, disincentivize the purchase of Chinese goods, and promote World peace.

We will also cut off the Jews from wealth and capitalism and free ourselves from their grasp. Jews will be forced to trade in their old dollars and all of their property, for a modest means of obtaining sustenance, sort of like what the Jews did to the Russians and other Slavs in the gulags. Jews who attempt to subvert our currency, or who attempt to flee with it or trade in it outside the USA, will be subject to trial *in absentia* and the issue of death warrants attended by a bounty.

Whether Americans realize it or not, we are fighting for our survival and it is time to start fighting.

The Fable of the Squirrels Who Traded Their Nuts for Gold

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It was a warm and sunny day. The forest floor was alive with squirrels busily gathering the acorns that rained down upon them from the overstretched arms of the ancient oaks who watched over them as the squirrels took as a small tribute some food for planting the children of the trees.

Pharaoh, the leader of the squirrels, shuffled through the leaves and pressed on the damp dirt to bury his treasure, when suddenly a warty hand fell on his shoulder. An old Jew named Joseph Goldbug introduced himself, "Hello Mr. Squirrel! I am a representative of my poor oppressed people, the Jews. I have come in search of food."

Pharaoh could not help but be a bit surprised, given that the forest was full of food. He was also frightened. He thought the old Jew wanted to eat him.

Pharoah, his voice trembling a bit, said, "Well, you are in luck! The forest is full of acorns." At that very moment a large acorn fell on Pharaoh's head. Pharaoh, thinking he was more clever than the Jew, bit the shell in half and offered the Jew his nut.

The Jew bit into it and spit, "Bluch! Sour! Yuch! How much do you want for all of them?" The old Jew was already calculating the percentage of acorns which would be needed to tan all the squirrel hides he would eventually sell to the rats. Pharaoh was a bit confused. All of them? he wondered.

The old Jew shoved his warty hand into the dirty sack he had been carrying on his back. He took out a clay pot and opened it. His pale, greenish face suddenly turned yellow as the sun.

"You have us at a disadvantage, squirrel. We are poor hungry Jews from Moscow in search of simple food, but the King has forbidden us to gather acorns to eat. I will trade you this gold coin for all the acorns in the forest. With it, you can buy new coats to keep you warm in the winter, I just happen to have some in my bag. . ." but before he could finish his sentence, Pharaoh interrupted him.

"We need acorns for winter. Without them we will starve." Joseph held back his grin and wrapped his arm around Pharaoh's shoulders and whispered into his ear so that the other squirrels could not hear what he said. "Listen, I can see that you are a wise leader for your people. I'll make you a deal, since I am so desperate. I will trade you one coin for all the acorns and give it to you in front of the other squirrels, but I will give you the whole pot of coins in secret. When winter comes, you trade them to the other animals for food. The birds will carry fresh berries to you to trade for your gold, and you will eat better than even the bears. Your people will congratulate you on your wise dealings with the Jews, whom you cheat you little squirrel. . . but I like you. So here is the gold, now bring me every nut in the forest and we will trade."

Pharoah looked at the gold. He loved to eat berries, and acorns are, after all, sour and dry. "Alright, Jew. I will command my people to gather up every one of their nuts and bring them to you."

The old Jew whined in pain and pulled from his crumbling sleeve a piece of stained parchment. "Sign here," he said. The squirrel took a lead pencil from the old Jew, and signed away his future with a joyful smile, convinced he had outwitted the old Jew. The old Jew then slipped him the pot of gold which they hid from the other squirrels.

The squirrels all worked very hard and gathered up every last nut. As fate would have it, a gentle snow began to fall as the wise old squirrel exchanged ten full wagons of acorns for one small pot of gold. The old Jew shivered and blew on his warty hands, "Oh, such cold!" He then dropped the old sack off his back and took out a bunch of small, musty coats he had traded to the rats on promise of one small bucket of acorns. Joseph draped one of the coats over his arm and said, "Examine the material, such quality! It helped the rats survive the coldest winter! I will trade them to you for two thirds of the gold."

Pharaoh felt a cold wind burn his ears as they caught the offer of the old Jew. Being a wise negotiator, Pharaoh offered the Jew one third of the coins, but the Jew demanded that they meet in the middle and took one half. Pharaoh rushed to bury the rest so that he could save them and trade them for berries and silks.

The next day the squirrels gathered on the forest floor. The coats were infested with lice and ticks that carried typhus and lyme disease. The squirrels were cold, hungry and sick. They offered the birds their gold coin, but the old Jew had made a deal with the birds to not give the squirrels any food in exchange for all the warm nests the squirrels had built. The squirrels offered the bears their gold for a small bit of honey, but the Jews had made a deal with the bears

not to give the squirrels any honey in exchange for all the squirrel meat the bears could eat in one day.

The squirrels stood huddled together for warmth and began to cry. The old Jew hobbled along, but this time he had no bag on his shoulders. He had come to collect.

"Hello, my good friends, squirrels! Good day to you!" he said. Pharaoh came forward, eager to claim his moment of glory.

"Hello to you, old Jew! Good that you came. I have gold! Have you food and medicine?" The old Jew sneered, "What, in this age of universal sickness and starvation you would take from my people their very food and medicine? Thief! Murderer! What do you offer?"

Pharoah was a bit confused, but then thought the old Jew was merely acting so as to make it appear that Pharaoh was still wiser and cleverer than even an old Jew! Oh, he thought, these Jews are so good to me!

"Old Jew, I have something more precious to you than medicine or food. I have a pot. . . er uh, half a pot of gold!" cried out Pharaoh, triumphantly. The other squirrels gasped in amazement. But the old Jew just scoffed at the leader of the squirrels.

"My people cannot eat gold! Gold will not cure them!" he cried out.

"Aha, but with gold you can pay for doctors and trade for food!" said Pharaoh, certain he could convince the old Jew to trade back the acorns for the gold. The old Jew spit and snarled at the

squirrels.

"Doctors we have! Food we have, we traded a few acorns, so scarce in the market these days, to the deer for many wagons full of apples, oh how they cheated us, which apples the badgers made into preserves for us for a few acorns more, those theiving little bastards, uh badgers. Here, look here, the gold is already ours, we only lent it to you at interest, that interest being the acorns you gave us in consideration for holding the gold for us until winter so as to give you wretched little squirrels a higher status among the beasts of the forest, if only for a little while. Take a look at the contract you yourself signed of your own free will. Why you insisted that we Jews take your sour acorns in consideration for loaning you our precious gold." Pharaoh was crushed. He fell on his knees and groveled before the old Jew.

"Old Jew, you have been good to us before. For our sour nuts you gave us gold. I will not tell you where I have buried it unless you are good to us again and give us back half the acorns we gave you in exchange for what is left of the gold you gave us. Return us at least to half of what we were before you came. Half of us will die, but at least some of our children will live. Is that not fair?" Pharaoh pleaded.

The old Jew cried out in pain, "Fair! You talk of fair! I will give you one jar of applesauce if you bring me the gold at once! I had to trade more than a sixteenth of one of my precious acorns for it." The old Jew took from his pocket a small, cracked jar of applesauce that was green and black with mold.

The squirrels called out to their leader, "Take it and let our children divide it!" Pharaoh ran to get the gold, so worthless it could only buy a spoonful of mold and rot. "Here, Jew, you have

back your gold, now let us live."

The old Jew snatched up the pot and opened it. His face glowed yellow, like Hell.

He dropped the cracked jar of spoiled applesauce in the dirt, and Pharaoh dived down to lap it up. The applesauce was poisoned. He died even as he ate it. The other squirrels all died as well. The birds rented the nests, which the squirrels had built, from the Jews and lived in the trees the Jews' owned. The bears ate the diseased corpses of the squirrels and traded their caves to the Jews for medicine and the promise of deer meat. The old Jew went to greet the leader of the deer, who was certain he could outsmart the old Jew.

So ends the tragic fable of the squirrels who traded their nuts for gold.

The moral of the story for America today, is that we already have all the wealth we need, and more. We need only labor a bit to make use of it.

The Jews have us in debts we need not pay them. They will offer to loan us gold with which to pay them interest, loans secured with everything of real value we have. The Jews will take all that we have, including our lands and natural resources, as payment on the loan of the gold, together with the gold that never really was, but which we must trade internationally to acquire for the Jews. Then we will die amidst all the abundance we have as our birthright in America if only we claim it and make the Jews pay us for what they have stolen from us.

Rand Paul Vindicates My Accusations that His Father Ron Paul Is a

Loyal Zionist

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In the following video, Rand Paul insists that his father is a loyal Zionist based upon Ron Paul's record. Rand Paul points out, just as I did more than 2 years ago, that Ron Paul wants to cut off aid to what he considers to be "Israel's enemies", the Arabs, and that Ron Paul refused to condemn Israel for illegally bombing Iraq's nuclear facilities. Rand Paul stated, as proof of his father's fidelity to Israel, exactly reiterating what I said almost three years ago:

"The interesting thing about it is, is that actually my father has been in favor of defunding Israel's enemies, and not giving foreign aid to Israel's enemies. He's also been in favor of. . . and this has been some years ago, but there was an attack where Israel attacked a nuclear reactor in Iraq many years ago and he was one of the very few who voted not to condemn Israel in that."Rand Paul, 55 seconds into the following video: Kentucky U.S. Senate Candidate Rand Paul on Israel

Clearly, the poisoned apple did not fall far from the poisoned tree.

I raised these points almost three years ago and was aggressively attacked by some fanatical American Ron Paul supporters, many of whom claim to be "anti-Zionists", for stating that which

Ron Paul's own son would later state with obsequious pride. On 11 January 2008, I published the following article:

Ron Paul's Radical Zionism Comes Out in the Debate, January 11, 2008

Ron Paul has again made it crystal clear that he is a Zionist. In fact, Ron Paul boasts that he was the only one to defend Israel when Israel illegally bombed Iraq in the below YouTube video @ 6:30 min. Is Ron Paul looking forward to an Israeli attack on Iran?

Ron Paul again stated that his policy of cutting off aid to Israel will benefit Israel because he will also cut off all Arabs, whom he defines in the broadest terms as if enemies of Israel. Paul does not state that Israel has proven itself to be the enemy of Arab nations. Ron Paul wants to benefit Israel by letting them do as they please to the Palestinians, Lebanese, Iranians, etc. and hopes that by cutting off aid to Arabs, whom he credits with receiving three times the aid which Israel receives, he will empower Israel to dominate the Arab nations. These are but a few of the Zionist policies for which Ron Paul stands:

Ron Paul at the South Carolina Debate 1-10-08

In the following article and related video clip, Zionist Wolf Blitzer encourages Ron Paul to do a little damage control and affords him the opportunity to do so:

Ron Paul '90s newsletters rant against blacks, gays

It is interesting to note that Ron Paul's mentor, "Ayn Rand" born Alisa Zinov'yevna Rosenbaum, was also a radical Zionist. She considered the Arabs to be inferior human beings to the Jews of Israel.

On 18 January 2008, I published the following article:

The Pro-Paul Sophistry of Israel Shamir, January 18, 2008

An Israeli Jew named Israel Shamir is telling us to vote for Ron Paul:

Supporting Ron Paul

Shamir admits that Paul is NOT an anti-Zionist, but does not acknowledge the demonstrable fact that Ron Paul is an extreme Zionist, a Zionist so extreme that he praised Israel for illegally bombing Iraq. Israel, Shamir that is, tells us not to bother our poor little American heads with the facts which prove that Ron Paul is working against our anti-Zionist interests and Paul is telling us NOT to discuss "911 truth". According to Israel Shamir our primary concern is to prevent war and defang the USA.

Is Israel Shamir oblivious to the fact that we are headed towards war with Iran as a result of Zionist warmongering, and that the only means to combat Zionist warmongering is to confront it and thereby defang the Zionists who are leading us into war with Iran? America is not the problem. Zionist Jews,

Israel and Israel's treacherous fifth column and fourth estate in America are the problem. Why is Shamir scapegoating Americans for Zionist Jewry's attacks on Islam and the rest of humanity, including Jews?

How is Ron Paul, an avowed Zionist himself and a member of Israel's fifth column, going to prevent war with Iran when Paul will not challenge the Zionist warmongers, but instead praises and encourages their aggression? How is Ron Paul going to end Jewish false flag terrorism, when Paul enables it by blaming Moslems for Jewish acts of terror and war against the United States?

Israel, the Jewish State that is, is preparing to attack Iran and the US will inevitably be dragged into this conflict by Zionist Jews and their agents. Even if Ron Paul were an anti-Zionist, and he is not, as President, Paul would be obliged by the Constitution to wage any war the Congress would declare. Shamir does NOT advise us to attempt to persuade Ron Paul of the error of his ways, but rather asks us to ignore our interests and favor Ron Paul who opposes anti-Zionists and "911 truthers", and instead favors Israel and Zionism.

If we want to prevent a war with Iran, then we have to stop the Zionist Jews who are deliberately forcing us into war with Iran. Ron Paul not only will not take this necessary step, he attacks any and all who do take this necessary step. If we want to defend ourselves from Jewish false flag

terrorism, then we need to expose previous acts of Jewish false flag terrorism. Ron Paul will not only not take this necessary step, he attacks any and all who do take this necessary step.

In the first chapter of my book, *The Manufacture and Sale of Saint Einstein*, on pages 32-88, I proved that Zionist Jews have often made the nations weary of war and then offer supposed solutions for war, which were detrimental to the nations, but would allegedly bring peace. Jewry knows that it is always easier to make a deal favorable to itself if the other party is desperate to make the deal. World Jewry makes us weary of war and then offers up their solutions which will allegedly bring peace, but at some horrible price, be it the loss of national sovereignty, loss of territory, or Jewish led revolution which nihilistically destroys government. Then World Jewry again deliberately brings us into war.

The Jewish "Ron Paul Revolution" is no exception. After Jewry has deliberately made us weary of war and brought us to the brink of economic collapse, the Zionists have left us on the two horns of a dilemma which they have created, either vote for their warmongers, or vote for their goldmonger who promises a revolution which will destroy America. Ron Paul has openly advocated an Israeli attack on Iran, which he must know will result in a war between the US and Iran. So their goldmonger is also a warmonger in disguise.

The Ron Paul pushers want us to submit to the ruin of the American Federal

Government, and the adoption of the Gold Standard, which would bring famine and ruin to the World. The Ron Paul pushers want us to turn a blind eye to Ron Paul's Zionism and refusal to challenge Jewish false flag terrorism; because, so they allege, this will empower Ron Paul to put an end to Israeli aggression. If it weren't so deadly serious, the farce of their sophistry would be laughable.

If we want to end Jewish aggression against humanity, then we must fight back against those Jews who are committing aggression against us. Scapegoating Americans in general for this Jewish led aggression only enables the Zionist warmongers and will bring about more Jewish manufactured war. The "Ron Paul Revolution" is a Zionist front. It is not a solution to war. The solution to war is to directly confront World Jewry, which Ron Paul has pledged NOT to do.

The Banana Republic of America

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Several voices in the Jewish controlled "alternative media" are conditioning us to believe that a military coup will rescue us from our Israeli subverted government. At the same time, the Jews in control of our monetary policies are planning to turn the US dollar into soviet toilet paper: crude, nearly valueless, and yet hard to come by.

Therein lies the makings of The Banana Republic of America. A military takeover of the United States of America would produce global chaos. It would serve the Jews on many levels.

For a very long time now, the Jews have been coopting the US military and have filled its highest ranks with their agents. A military coup would immediately produce a Jewish dictatorship.

Military minds are trained to make war, dominate, kill and destroy property. A military takeover of the United States would end the American experiment in human freedom and herald a darker age than befell humankind when the ancient world fell. Citizenship would immediately become slavery.

With all the vast resources at their disposal, these same voices, which are conditioning us to demand for ourselves a military takeover which will enslave us, never propose a viable political movement, which would challenge the Jews directly. Instead, they push clowns like Ron Paul, then tell us politics is not the answer, then tell us to trust in military tyrants to save us from those who gave those same persons their positions of power in the military.

Things look horribly bleak. The Jews have their men preaching to us that we must either accept slavery in a military dictatorship, let the absolutely corrupt rich rule over us in a "Libertarian" government, instigate a Bolshevik revolution that will make the Jews our absolute masters, or

turn against ourselves and segregate into racial zones forever at war with one another. Each a recipe for our demise, deceptively packaged and presented to us as if a solution to the Jewish problem.

Beware these messengers of the Jews who refuse to organize Americans into a real force opposed to the Jewish war on our nation, but instead demand that we place our fate into others corrupt hands. They are the Trotsky's, the Hitler's, the Mao's and the Pol Pot's of The Banana Republic of America the Jews have planned for us.

An Exemplar of Christian Conduct? On Louis Turner's Lies, Libels, Name Calling, and Ad Hominem Attack

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I recently wrote about the relentless smear campaigns waged against me, all of which are based upon lies and misrepresentations. In that article, I focused on the Libertarians' defamations, which accused me, a "part-Jew", of baselessly bashing Hitler as a Zionist, "part-Jew" and agent of the Jews, and of opposing all of the programs of the NSDAP including those which were beneficial to society.

I do not recall ever having stated that Hitler was a "part-Jew" in the genetic sense, though I have pointed out that others have stated that he was or was likely to have been partially Jewish. I have pointed out that Hitler likely held Jewish religious beliefs and cited his selective vegetarianism as an indiction. I have called Hitler a monster, a Zionist and a paid agent of the

Jews and have proven each of these claims with irrefutable and verifiable factual evidence.

I have also stated that the Jews taught the Nazis methods of improving German society, because Jewry needed to bolster Germany in order to make it a force of terrible destruction which would weaken the World leaving it ripe for Bolshevik takeover and the formation of a Jewish State in Palestine. Though the Jews' intentions were ultimately pernicious, programs which are beneficial to society remain so no matter who has advocated or engineered them and we should study, adapt and adopt methods which are beneficial to society, including even those proposed and/or adopted by the NSDAP. So much for the lies of the Libertarians. Now on to Louis Turner's lies, libels, name calling and *ad hominem* attacks.

Louis Turner lies and claims that I "adore Hitler", when in fact I have done much to discredit Hitler, having publicly proven that Hitler was a warmonger, a Gentile slayer, a Bolshevist, a Zionist and a paid agent of the Jews. I have repeatedly and publicly expressed my contempt for Hitler. I have also stated that some of the measures proposed, and in some instances taken, by the NSDAP, which benefit society, and often humanity at large, should be studied and where appropriate adapted and adopted. This does not render me a "Hitler lover", but rather quite the contrary, it shows that I have a deep love of the human race.

The Jews had to build up Germany to make it a sufficiently potent battering ram to accomplish their evil ends of horrific destruction. We can build up America without making it a war machine slaying Gentiles.

Though I am partially of Jewish descent, Louis libels me and calls me a "full-blown Aryan" as if

a part of and spokesman for the "Aryan Brotherhood" criminal syndicate, which I most certainly am NOT! Louis dishonestly stated,

"How would YOU react if YOU promoted a persons work for YEARS then suddenly discover that they did an about-face and praised the Aryan Brotherhood? [***] Now Mr. Bjerknes has a blog called Jewish Racism. You read that right. Jewish Racism. Go ahead and click on the link. Christopher Jon Bjerknes is a full-blown Aryan that just adores Hitler and Barbara Aho doesn't even warn her readers about it! She PROMOTES IT! You see, most people do not click on links for one reason or another and I imagine that the JBS and all the Ron Paul worshippers are cheering in the stands right about now."

Turner's accusations are false and libelous. In my opinion the Aryan Brotherhood is infested with Federal agents, serves the purposes of the Jews and would destroy my beloved America with its self destructive and hateful philosophies. I condemn the Aryan Brotherhood in the strongest possible terms! I am opposed to racism, though I do not wish to see Whites, Blacks or Browns disappear from the human family tree because I love and admire the various branches of the human family tree and would like to see them preserved in future generations.

Louis claims that the fans of Ron Paul are likely rejoicing at my critiques of the man, but Louis' odd speculations are demonstrably false, having been disproven by the ongoing Libertarian smear campaign against me as a "Hitler basher". If Ron Paul's advocates who attack me believe that associations with Hitler tend to discredit an individual, then why are they attacking me as a

"Hitler basher" and associating themselves with Hitler? It is odd and telling that Louis acts like a stereotypical sophistical and aggressive Jew, while concurrently presenting himself as if an exemplar of Christian conduct.

Louis accuses me of being a "socialist", which I am not as I would define the term. I have no desire to see business run by the State. Let Louis grow up a bit and act like a Christian is obliged to act. Let him define what he means by "socialist" and I will be happy to answer his assertions based on his definitions, with the facts. But as things stands he has stated nothing of substance and is instead spreading defamatory lies, name calling and iterating *ad hominem* fallacies.

And so the smear campaigns against me for pointing out the facts about Ron Paul and the Libertarians continue, though from an opposite and equally false front.

See what Louis vociferously attacks:

Note that I have not vetted each and every claim made in the immediately above article and speak only for myself.

Cannibalism as a Means to Eternal Life in Judaism and Christianity

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews believe they can obtain eternal life through the Abrahamic covenant of circumcision. When performing circumcision, the mohel sucks blood from the infant child's penis and mixes it with wine which the Jews drink. Jews are strictly forbidden to drink the blood of animals because they believe that the blood carries with it the soul and that drinking animal blood turns the human being into an animal.

The Jews drink their own blood to obtain eternal life, believing that they are themselves god and that by drinking their own blood they obtain eternal life. This is outlined in the Babylonian Talmud in the Tractate Shabbath folio 133. For the Jew, the infant's penis is the Tree of Life.

For the Christian, Jesus' blood and flesh bring eternal life, because by consuming them, the Christian consumes god and becomes god. This is a Jewish doctrine. Christ on the cross is the Tree of Life, and his suffering and sacrifice on the cross brings redemption and eternal life. The Jews believe it is their suffering which brings redemption, and therefore mock Christ and the cross.

Jews sacrificed their first born and Christians sacrifice god's firstborn, Jesus, as sacrifices for redemption. Some see in this a reason why the Jews want us to worship the Holocaust over Christ as if the redemptive sacrifice of god, the Jewish People, for the salvation of man.

Jews promote abortion to destroy Gentile life and also to slay the logos come creation before it fully develops into a human being. Gnostic Christians, who were Jews and who practiced an early form of Cabalah, used to abort a fetus and grind it up and eat it so as to eat the logos. All of these acts are meant to be a reenactment of the temptation of Eve in the garden of eden, whereby the Serpent wins out and humans do eat of the tree of eternal life. The Tree of Life is ultimately human flesh and the Jews believe that by murdering and cannibalistically consuming humanity they become eternal.

Many Christians believe that by genociding the human race they will be "raptured" and hasten the second coming of Christ. It is an entirely irrational and sick Jewish system of thought whereby life is supposedly achieved by death.

How and Why the Jews Hate and Want to Destroy Christianity and the Cross

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

David Duke has long pondered the Jewish hatred of, and intended destruction of, Christianity. Duke also delves into Freudian psychology as a source and expression of this Jewish hatred.

However, Duke does not address, and perhaps does know of or understand the religious basis of this hatred from the Jewish perspective.

The Jews view the Jewish People as the World's salvation. The Jews see themselves as the Serpent and as the Tree of Life and the Tree of the Knowledge of Good and Evil of the Garden of Eden.

Christians view Christ as the Tree of Life and Jews as the Serpent, the children and synagogue of Satan. The Jews despise the Gospel of John, because it sets forth the propositions that Jesus on the cross is the Tree of Life and the Tree of the Knowledge of Good of Evil (John 3:14-15), that Jews are distinct from Christians and are not keepers of the covenant, and that Jesus is the fruit of redemption and salvation and that in order to obtain eternal life one must consume his flesh and drink his blood so as to bite of the Tree of Life and the Tree of the Knowledge of Good and Evil (Genesis 2; 3).

Jews have always maintained that it is through their suffering and their suffering alone that redemption can be achieved and only Jews can obtain redemption. Jews believe that they are the Serpent tempting mankind with the knowledge of good and evil and that they are god, eternal life.

Jews worship themselves as the Serpent through circumcision, which bite into the forbidden fruit unviels the Serpent (as a snake sheds its skin), for Jews the phallic image is one of both the Tree of Everything depicted by the Sephirot and the Serpent and the penis as the font of life, one being the source, the id, the other being the ego, the root and the drive to obtain it, and the last

being the superego above all. This is why Jews are fond of the image of a snake wrapped about a tree, which symbolizes the Serpent in the garden. For the Jews, Christians are pretenders to the id, the ego and the superego, which Goyim contain the Jews who would otherwise be free.

Moses is a symbol of the Serpent as the bringer of redemption and eternal life (Exodus 4:2-4. Numbers 21:8). Just as the Jews destroyed this image of the Tree of Life, they are compelled to destroy images of Christ on the Cross (II Kings 18:4).

Jews, as in the case of medical and pharmalogical symbols of the Staff of Asklepius and and the Karykeion of Hermes, understand themselves to be the Serpent messengering death and spreading knowledge of evil. This is why Jews perpetually attempt to corrupt Gentiles with pornography, decadent art, and other demoralizing imagery. They see themselves as the Serpent in the garden of the naive, corrupting and killing the best of the Goyim just as the Serpent poisoned the seed of the Goyim by tempting, and copulating with, Eve.

The Jews want to use the drives of the individual as a weapon with which to destroy the conscience of the individual, and on a societal level want to destroy the Christian Church as the conscience of the people while concurrently providing the temptation towards, and materials of, evil so as to bring death to the Goyim. Though this has the appearance of a secular exercise in subversion, it is instead a religious exercise, the "Jewish mission".

I will have more to say on this subject as time permits.

A Suggestion for President Ahmadinejad

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I suggest that President Ahmadinejad host a scholarly conference devoted to questions of the connections between President Obama and the Jews, specifically the Jewish bankers. There should be a live feed of this conference, and a journal of proceedings should be published on the internet as well as a journal of papers devoted to the same subjects.

Look into the Senate race which thrust Obama into the national limelight, as I have done, and expose the players from Goldman Sachs in that race as well as in the Presidential race and among the members of government. Look into the Jews who groomed and promoted Obama into the White House.

Explore how the Jewish bankers stole trillions upon trillions of dollars from the American People and the World. Shine a spotlight on this issue, as you have done on the Holocaust. See my videos:

Obama and the Bankers

Obama and the Bankers: Part 2

The topics discussed should also include the Jewish bankers' "color" revolutions, which subject will surely be of interest to Iranians.

Preventing War: An Art, Science, Or?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Since 2005, I have been publicly warning that the Jews are planning to wage aggressive war on the sovereign nation of Iran. Others were warning of this before me. When I began my campaign to expose this crime, many thought I was confusing Iran with Iraq.

Today, all understand.

So what am I, a US citizen, a parent, a human being, what am I to do to prevent this crime, which may result in the destruction of my nation, my family and perhaps the entire human race? As a citizen, my options are limited to the political process and the judicial process. I have long explored both options, but am constrained by the cowardice and mass insanity of my fellow citizens, but I am not deterred from pursuing my obligations and duties as an individual.

I have created the philosophical and practical groundwork of a political party which would prevent the coming catastrophe, at least in the form the Jews currently have planned. I have also made this party flexible enough to address coming contingencies, and unforseen dangers, and avoid anything else the Jews will do to destroy.

I have produced educational materials informing people as to the ways and means by which the Jews have corrupted our government so as to deliberately destroy our nation and instigate a third horrific world war. I have devoted a large portion of my time and other resources to

forwarding this one man campaign of self defense for the human race.

In response, the Jews have waged smear campaign after smear campaign against me, each based on lies and deliberate misrepresentations. The Jews have plagiarized my work, and used their networks and funds to try to steal my thunder and redirect my message into ways which demoralize and confuse Americans, rather than inspire and educate them, which is what my work accomplishes.

The latest Jewish smear campaign is meant to attack me for pointing out that Hitler was an agent of the Jews, who brought death and destruction to the World, and who created the conditions for the spread of Communism through Europe and America, and the formation of the Jewish State in Palestine. These Jews lie and claim that I have denounced the productive accomplishments and methods the Nazis employed to make Germany a nation strong enough to compete militarily with the alliance, but the truth is that I have always stated that we should study and adopt that which is beneficial to us regardless of the source of those ideas. I suspect these Jewish propagandists would find it impossible to quote me directly and demonstrate a single instance where I have forwarded ideas in conflict with the productive actions taken to better Germany and Europe in the 1930's and 1940's.

But these Jewish liars do not concern themselves with truth. Their paid job is to smear me with lies, so as to confuse and demoralize you and prevent you from joining me in a peaceful political solution to the Jewish plan to provoke America into war with Iran.

My job as a citizen is to continue to tell the truth and substantiate my claims with verifiable

facts. Your job as a citizen is the same, to become politically active and study the methods the Jews use to misdirect you into becoming their servant, and/or render you demoralized and irrelevant.

I am also obligated as a citizen to pursue the matter in the courts. We ought to sue the war mongers and/or banking thieves. But this requires resources I, as an individual, do not possess. However, I do possess the valuable knowledge and research talents to render the likelihood of success of such an approach. I cannot do all of these things alone, but I am obliged to pursue them, even if I must do so alone. I will not go gently into that goodnight and there is always hope that my message and work will catch on at any time, which is why the Jews, often under pseudonyms, relentlessly attack me with proven lies.

What else can I do to prevent the coming war? Surely I must do more. I have exposed Ahmadinejad and the leadership of Iran as crypto-Jews. I have exposed the gangrene revolution in Iran as a Jewish subversion intended to weaken Iran prior to an attack. But I can do little to prevent Iran's leaders from assisting the Jews in demonizing Iran in American public opinion, and I can do little but offer suggestions as to how the Iranians could better expose the Jews, which I have repeatedly done, again much to the chagrin of the Jews who try to smear me so as to confuse and demoralize you.

As an individual, I have done all I can to expose the Israelis and their bloodlust. I think I have done a very good job of that, having set forth their religious, political and racist agenda with unmatched clarity and force. My arguments go unchallenged, though a few liars have put words in my mouth which I never spoke in order to create strawmen of their manufacture, not mine, to

knock down as if triumphantly.

Despite these repeated assaults, my reputation and my work stand unrefuted and perhaps unimpeachable by those who limit themselves to the truth.

I have done much to delay the coming attack on Iran. In fact, I have delayed it beyond any time limits I had a right to expect. But I have not yet succeeded in permanently halting it. Perhaps just a handful more people doing what I have done could achieve this needed result. But those who pretend to do so today are mostly helping the Jews to use you to put more warmongers into power.

I do not have power at present to silence Jewish propagandists and I depend on you to sort out for yourself what is true and what is not, and what will accomplish the desired goal of the destruction of Jewish power and the ascension of a political philosophy and force that benefits the human race, rather than destroy it. Thus far, you are failing yourselves, your families, your nation and the human race, not so much because you fail to see the truth in what I am telling you, but rather because you fail to act on it and defend it. I have seen that the Jews' smear campaigns against me have all backfired on them, and for that I thank you.

Science produces technology and art depends upon material support, and the science and art of preventing war are no different. We need to build networks and fund organizations that achieve the ends we must accomplish. Expect the Jews to lie and use every underhanded means to subvert this process. Toughen yourselves and join the fight.

I don't find Pascal's wager a compelling religious argument, but a political variation of it makes sense to me. If we fight we may be beaten down, or we may win our freedom and our future, and by fighting we maintain our honor and our humanity. If we cower, we will certainly lose everything, and have already surrendered our honor and our humanity to Jewry.

We must address this issue of scientifically and artistically preventing war and arrive at a solution. There is no other option which will benefit us. But you must do more, much, much more. Don't waste too much of your time quibbling with the liars who attack me. I would rather you spent your time more productively attacking the top centers of Jewish power, rather than fight in the internet streets with the rabid dogs they sic on me.

We don't need to forever revisit WWII and be distracted perpetually with arguments over whether Jews are Khazars or aliens or snakes, or whether or not Hitler was working for the Jews. We know who the enemy is and it stands naked before us today, relentlessly attacking us. We need only fight it back directly and without hesitation. Don't waste too much time fighting the dogs. Take on the leaders of Jewry at the highest level by becoming politically and judicially active. And lose your fear of the Jews so you can regain your tongue.

One of the reasons why the Jews who pretend to be opposed to Jewry want to distract us with arguments about Hitler is because people around the World are losing their fear of being called "anti-Semites". The Jews must face this reality and are responding by promoting Zionism in the Nazi form of segregating Jews and shipping them to Palestine. Furthermore, the Jews want to scare fellow Jews into fleeing to Israel. The Jews also want to promote the myth that a military junta, a dictatorship, is the solution to the Jewish problem, so that the Jews can strip us of our

liberty in the name of freeing us. See the Jewish bankers' attack dogs for what they are, Bolshevik Jews who lie and smear and try to control your thinking in ways in which they can provoke you to destroy yourselves the way Hitler destroyed Europe leading it into a split against itself in WWII, then the Cold War and now the Bolshevist EU. One clear tell is the fact that these agents of the Jews dress themselves in gold and silver, they are Goldbergs and Silbermans.

Now that the Jews are losing their ability to intimidate us into silence with the bogus charge of "anti-Semitism", they are focusing more heavily than ever before on seeking to provoke us into discrediting ourselves by doning the *Hakenkreuz*, and they desperately seek to demoralize you and render you impotent, in part by attacking leaders such as myself, leaders who have demonstrably crippled Jewry on several fronts. Watch for them. You can recognize them by the fact that they are liars, they love gold and silver, they love Hitler who gave them Palestine, and they are always defeatists who try to demoralize you when you genuinely organize to oppose the Jews, but are also opportunists who encourage you to support controlled opposition to the Jews, like the Paul's, the "Objectivists" and the "Libertarians". They despise me for exposing the Paul's, The Libertarians, the Goldbugs and Aaron Russo, and they will continue to attack me with lies, currently believing their best method of attack is to get us distracted over arguments about Hitler's ultimate motives, because they worry much about my exposure of their Libertarian agenda and their funding by the gold cartel of Jews.

Anti-Americanism in the "Alternative Media"

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

The "Alternative Media" is largely a Jewish controlled affair with intimate ties to the Jewish gold cartel. Their agenda is clear. They want to make "patriots" despise America and admire Communist China and Russia. They want us to hate our government, strike and ruin ourselves so as to ripen conditions for a Bolshevik revolution in America.

Many of the most popular and outspoken voices in the Jewish controlled "Alternative Media" gleefully report on the demise of our nation and glowingly and cheerfully report on the ascension of Communist China and Russia as competitors who will overtake and destroy us. They try to justify their attacks on America, and their obvious campaign to demoralize Americans, by arguing that the ruin of America hurts "Zionism". The truth is that the ruin of America is the fulfilment of Zionism and Judaism. All nations save Judah must perish for Jewish messianic prophecy to be fulfilled.

America is a child of Europe and the Jews hate Europeans. The Jewish "saint" Albert Einstein stated,

"I get most joy from the emergence of the Jewish state in Palestine. It does

seem to me that our kinfolk really are more sympathetic (at least less brutal) than these horrid Europeans. Perhaps things can only improve if only the Chinese are left, who refer to all Europeans with the collective noun 'bandits.'"--Letter from A. Einstein to P. Ehrenfest of 22 March 1919, English translation by A. Hentschel, *The Collected Papers of Albert Einstein*, Volume 9, Document 10, Princeton University Press, (2004), pp. 9-10, at 10.

As I stated many times in the past over the course of decades, the Chinese are engaged in espionage with the assistance of Jews and the two parties are working together to ruin America and make China a new haven for Jewish criminality. For decades, I have been warning that Chinese foreign exchange students and others are spies stealing our trade and other secrets. Jews are the same.

This is why the Jewish "Alternative Media" lauds China and decries America. Their goal is to demoralize and destroy us with self loathing.

As I have been telling people for decades, the Chinese view "China" as the "center" of the universe, and believe that the Chinese have absolute cultural supremacy over all others, especially blacks and "ghost men". Among the Chinese, the Cantonese are especially racist. The Jews are beginning to heavily promote this Chinese sense of self and of national unity as the Jews concurrently and concomitantly destroy Europeans' sense of self and nationhood.

When examining the methods and objectives of the Jewish "Alternative Media", I am reminded of the George Soros model for "revolution" and subversion. The Jews and their agents try to convince you that all hope is lost, that all government is bad, and that you must bring America

down in order to save it. This is their propaganda of demoralization of the "patriot community".

In reality, government is our best hope of saving America. But it must be American government, not Jewish government. In order to institute American government we must know ourselves and clear the false and hateful image of ourselves from our heads, which the Jews are incessantly trying to instill in us. We must ignore their defeatism and reject their call to destroy ourselves. Instead we must recognize the glory of our nature and nation and destroy Jewish power, including that of the Jewish "Alternative Media".

We have to focus on American interests, not Chinese or Russian interests. We have to celebrate our heritage, not degrade it on the false premise that Americanism is Judaism. America is suffering from a tick, and the tick's advice to us is to kill ourselves so that the tick will have to find a new host. I would rather remove the tick and squash it, while bolstering ourselves and our interests. We should not burn down our barn in order to chase off the rats.

Americans are innovative and independent people and always have been. The Jews are trying to redefine us as if feeble and hopelessly lost low lifes in need of restoration to a glory period which never was when Jewish gold and Jewish robber barons ruled our lives. Alternatively, the Jews would have us destroy everything we cherish because we deserve to die, in their view. They try to convince us that we are weak and that there is no hope for us.

We can create a full recovery in five years, and in ten years we can improve the American lifestyle to standards never before dreamt of. But we must believe in ourselves and be ourselves, not as the Jews define us, but as we intrinsically are.

Consider that the Jews have convinced a large percentage of European Americans that they are instead the children of a Jewish god who aims to ruin the World but will pluck them up into heaven if they help the Jews commit genocide against the whole human race. Now examine the results of this evil false conception of self, perpetual war, poverty, pollution, disease and decay. Think what would instead proceed from an honest appraisal that Europeans are magnificent human beings, born of Europe, loving nature, celebrating life, defending country and kin, and worshiping gods who serve them and their interests, believing in philosophies and histories which celebrate, rather than denigrate, Europeans.

Such a people would not fight wars which benefit their enemies. Such a people would not poison itself into infertility and genetic degeneration. Such a people would prosper and work collectively to forward its own interests. But this is not what the Jews promote to Christian Zionists.

And do you who follow the Jewish "Alternative Media" believe yourselves to be wiser, less under Jewish influence, and on a truer path than Christian Zionists? If so, you are even more deluded than they.

The Jews have you believing that gold is your savior, that you cannot speak the word Jew, and that you are such incompetent beings that you cannot even ever manage to organize politically to combat the Jew. The Jews control your minds and your actions as surely and as much to your detriment as the Jews control the minds of the Christian Zionists.

Returning to the Soros model of subversion, consider that one of the favorite themes of the

"Alternative Media" is the vote fraud issue. Now consider the color revolutions, most recently the green movement in Iran. Allegations of vote fraud play a major role in these Jewish subversions. I suspect Ron Paul is being set up to create a premise for "revolution" based on allegations of vote fraud, just as Mir Hossein Mousavi was set up as a premise for "revolution" based on allegations of vote fraud.

Don't misunderstand me, vote fraud is a relevant and important issue, but it will be misused to work against you if you let it. There is a much more important issue than voting machines.

The worst voter fraud we face is the dearth of credible and viable candidates willing and able to fight back against Jewry. And the "Alternative Media's" approach to this is two-fold, control the candidates and limit them to Jewish puppets like the Paul's; and impart a defeatist attitude towards all others.

The Soros model calls for a substitute government and the Jews have this in the form of effective anarchy under the Libertarians, which would quickly transfer to absolute dictatorship in the ensuing vacuum of leadership it would of necessity produce.

The Soros model also promotes domination of the "Alternative Media". The majority of the leaders of this media are gold mongering Libertarians–think Aaron Russo, for example. These Jews lead you down the garden path, telling you what to believe and what not to believe, right up to the slaughterhouse door. Recall that Russo planned to promote strikes and other methods of self destruction as if solutions to "fascism", and who but Jews is obsessed with the word "fascism" as a straw man with which to implement fascism? Note also that Russo promoted anti-

government sentiments so as to weaken all resistence to Jewish subversion of government, while consistently pointing his finger away from Jewry. Russo tried to set the stage for the destabalization of America, and tried to create a self hatred among Americans, in the name of "American patriotism".

The Jews also insist that we focus on money and money alone, while they demoralize us with self destructive philosophies. When the Jews provoke us to confront China, for example, they tend to focus on monetary issues, leaving unaddressed the fact that China is outpacing Europeans on the population issue, which is far more important an issue in the long term, with monetary issues being a subset of that more important issue. The Jewish "Alternative Media" also downplays environmental and human rights issues with regards to China, though they purport to be lovers of freedom and life. Instead they want you to empower them to empower China and the Jews to ruin the environment and universally strip human beings of freedom as if the cool and righteous thing for true "patriots" to do.

Mark my words, the "Patriot Movement", as presently constituted of Jews and agents of the Jews, is setting us up for a Soros style "color revolution" that will result in demonstrations, cries of voter fraud and possibly a violent revolution, all meant to turn Americans against American government in support of anarchy and rule by the rich. Let me predict the colors, it will be "White" versus "Black" and "Brown".

A better path to pursue is to glorify America and insist upon American government, not Jewish government, American economics and monetary policy, not Jewish economics and monetary policy. We must declare that Jewish is un-American, and set about strengthening America and

American government, not weakening them.

If you are willing to fight the Jews, then run for office so that the voters are not defrauded by having no choice but to vote for Jewish government. If you are willing to fight the Jews, then fund American candidates against Jewish candidates and work hard to see them elected. If you are willing to fight the Jews, then support American ideals, not Jewish ideals.

Above all, love your nation and your family and fight for them! Do not stand idly by while Jews calling themselves "patriots" denigrate you, your nation, your churches, your beliefs, your European, African, South American or Asian heritage, but instead stand proud and defend yourself and your culture.

Where are the Europeans standing up for Iceland, Ireland, Greece or Germany? Ironically, the European Union has Europeans uniformly hating and denigrating Europeans, not unified to preserve and protect uniquely European cultures, ethnicities and peoples. A true European Union would be one which protected Ireland and Iceland from Jewish Bolshevism, one which restricted immigration in Sweden so that Swedes would recognize their descendants one hundred years from today as Swedes.

There used to be strong Irish American support for Irish opposed to British subversion. But where is the Irish American support for Irish opposed to Jewish Bolshevism in the form of the EU? Where do you find the "Alternative Media" organizing such support, rather than merely whining and complaining that all is lost and we are best off surrendering and dying?

Where do you find the Jewish "Alternative Media" ever organizing anything beneficial to America? Yet they are masters of fund raising and organization when it comes to promoting the interests of the Jewish gold cartel.

Now that we know this, the onus is upon us to take our own fate into our own hands and quit merely whining and start acting. We must organize. We must run for office. We must finance political campaigns and propaganda. If we merely complain about the Jewish control of the "Alternative Media", but do nothing constructive to seize power for ourselves and our children, we are playing into the Jews' hands and removing ourselves yet another degree of separation from obtaining our own power.

I need your help to implement my plans for the *POWER PARTY*. If you object to one point or the other, then propose a superior alternative and demonstrate why you believe my proposals are in error, but do something! For all our sake, do something constructive!

How the Jews Can Steal Your Freedom and Your Life in the Name of "Libertarianism"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Take a glimpse into one possible hypothetical future if the Libertarians take control of America. Imagine that in the name of "freedom", the Libertarians render the government impotent except where the powers of the State promote the interests of a hostile ruling class of Jews.

Imagine that the government refuses to regulate genetically modified organisms even if yet undeveloped GMO's emerge which are proven to cause massive increases in cancer and birth defects. Picture the hypothetical scenario where a Libertarian government declares that it is the "right" of every corporation to produce such organisms and introduce them into the environment and sell them as food, and states that it is the function of the marketplace, not the government, to stop the destruction of human life.

Next consider the possibility that the most wealthy persons in the World, all Jews, work in collusion to restrict what has become under the Libertarians a private currency cartel, choking off the economy by deflating that currency. A new world emerges where there are only immensely wealthy Jews, and horrifically impoverished Gentiles. In the name of "protecting free markets", the Libertarian government uses a State military to destroy all crops which carry the genes of the GMO's but which are not licensed by the corporations which engineered and patented those genes.

The Libertarian government declared that it is the "right" of the Jewish owned corporations to spray all fields with the pollen of their GMO's. Famine reigns and there are no longer non-GMO species.

The Jews demand that the starving Gentiles submit to sterilization before being allowed to purchase food from stores, all of which are then owned by Jews. Jews, who own all the farms, refuse to sell food to distributors who are not Jewish. It is their "right", their "freedom" to discriminate in this way, claim the Libertarians. The Jews demand that any Gentile who would buy food from them bear a tattoo on their forehead and submit to sterilization.

The Gentiles demand that the government take action to stop the Jews from genociding the Gentiles, but the Jews have bought every politician and the politicians claim that Gentiles are "free" to not buy food, but cannot "discriminate" against the Jews' "right" to monopolize the food business.

The Jews have bought up all the internet service providers and publishing houses. All public information is under their control and they censor it to only allow statements which deify Jews and condemn Gentiles. Jews are encouraged to act collectively because they are supposedly divine and their religion requires them to do so and it is their "religious freedom" to do so, while Gentiles are ridiculed and taught to hate and distrust one another. All talk of the negative effects of the new GMO's is censored, and those who speak it are blacklisted by the Jews and must starve to death.

As you can see, it is very easy for the Jews to steal your freedom and your life by tricking you into granting them the "freedom" to do so.

Louis Turner of Shock and Awe Graphics is a vicious liar. He deliberately misrepresents my critique and comment upon specific belief systems as if I were advocating those belief systems, though it is crystal clear in my statements that I am NOT. Turner attempts to misrepresent my

commentary on Christian cannibalism as if it were an advocacy of it, and then Turner misrepresents Christianity as if it were Freemasonry. Turner also falsely claims that I am a "moon landings denier" when in fact I ridicule same. Turner libelously lies and claims that Christopher Bollyn's arrest instead involved me. etc. etc. etc. I guess in Louis' world of lies I am to answer for everyone named "Christopher".

Genesis 2:9; 3:22-24, iterates the Jewish mythology of the "tree of life" the consumption of which turns human souls into gods in that it renders life eternal:

"2:9 And out of the ground the LORD God made every tree grow that is pleasant to the sight and good for food. The tree of life was also in the midst of the garden, and the tree of the knowledge of good and evil. [***] 3:22 Then the LORD God said, 'Behold, the man has become like one of Us, to know good and evil. And now, lest he put out his hand and take also of the tree of life, and eat, and live forever'-- 3:23 therefore the LORD God sent him out of the garden of Eden to till the ground from which he was taken. 3:24 So He drove out the man; and He placed cherubim at the east of the garden of Eden, and a flaming sword which turned every way, to guard the way to the tree of life."

Jesus, the supposed vine bearing the fruit of eternal life, is to Christians the tree of life, the consumption of which instills the soul of the Jewish god into man. The Gospel of St. John (as opposed to the doctrines of Freemasonry) states:

"48 I am that bread of life.

49 Your fathers did eat manna in the wilderness, and are dead.

50 This is the bread which cometh down from heaven, that a man may eat thereof, and not die.

51 I am the living bread which came down from heaven: if any man eat of this bread, he shall live for ever: and the bread that I will give is my flesh, which I will give for the life of the world.

52 The Jews therefore strove among themselves, saying, How can this man give us his flesh to eat?

53 Then Jesus said unto them, Verily, verily, I say unto you, Except ye eat the flesh of the Son of man, and drink his blood, ye have no life in you.

54 Whoso eateth my flesh, and drinketh my blood, hath eternal life; and I will raise him up at the last day.

55 For my flesh is meat indeed, and my blood is drink indeed.

56 He that eateth my flesh, and drinketh my blood, dwelleth in me, and I in him.

57 As the living Father hath sent me, and I live by the Father: so he that eateth me, even he shall live by me.

58 This is that bread which came down from heaven: not as your fathers did

eat manna, and are dead: he that eateth of this bread shall live for ever.

59 These things said he in the synagogue, as he taught in Capernaum.

60 Many therefore of his disciples, when they had heard this, said, This is an hard saying; who can hear it?

61 When Jesus knew in himself that his disciples murmured at it, he said unto them, Doth this offend you?

62 What and if ye shall see the Son of man ascend up where he was before?

63 It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life.

64 But there are some of you that believe not. For Jesus knew from the beginning who they were that believed not, and who should betray him.

65 And he said, Therefore said I unto you, that no man can come unto me, except it were given unto him of my Father.

66 From that time many of his disciples went back, and walked no more with him."

Jews were repelled by Jesus' statements because he was asserting that he was god, that eating his flesh and drinking his blood would transfer the eternal life of god into man, and because man was forbidden to consume the tree of life. The Jewish Old Testatment tells the Jews that if they consume the blood of animals the soul of the animal will mingle with theirs and impart its

traits upon them (see, for instance *Sefer Ha-Chinuch*, 148). Deuteronomy 12:16, 23-25, states:

"16 Only ye shall not eat the blood; ye shall pour it upon the earth as water. [***] 23 Only be sure that thou eat not the blood: for the blood is the life; and thou mayest not eat the life with the flesh. 24 Thou shalt not eat it; thou shalt pour it upon the earth as water. 25 Thou shalt not eat it; that it may go well with thee, and with thy children after thee, when thou shalt do that which is right in the sight of the LORD."

Leviticus 17:10-14, states:

"10And whatsoever man there be of the house of Israel, or of the strangers that sojourn among you, that eateth any manner of blood; I will even set my face against that soul that eateth blood, and will cut him off from among his people. 11 For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul. 12 Therefore I said unto the children of Israel, No soul of you shall eat blood, neither shall any stranger that sojourneth among you eat blood. 13 And whatsoever man there be of the children of Israel, or of the strangers that sojourn among you, which hunteth and catcheth any beast or fowl that may be eaten; he shall even pour out the blood thereof, and cover it with dust. 14 For it is the life of all flesh; the blood of it is for the life thereof: therefore I said unto the children of Israel, Ye shall eat the blood of no manner of flesh: for the life of all flesh is

the blood thereof: whosoever eateth it shall be cut off."

Leviticus 7:26-27, states:

"26 Moreover ye shall eat no manner of blood, whether it be of fowl or of beast, in any of your dwellings. 27 Whatsoever soul it be that eateth any manner of blood, even that soul shall be cut off from his people."

Christian orthodoxy holds that Jesus' instructions are to be taken literally, not allegorically, hence the eucharist. Mark 14:22-25, states:

"22 And as they did eat, Jesus took bread, and blessed, and brake it, and gave to them, and said, Take, eat: this is my body. 23 And he took the cup, and when he had given thanks, he gave it to them: and they all drank of it. 24 And he said unto them, This is my blood of the new testament, which is shed for many. 25 Verily I say unto you, I will drink no more of the fruit of the vine, until that day that I drink it new in the kingdom of God."

Matthew 26:26-29, states:

"26 And as they were eating, Jesus took bread, and blessed it, and brake it, and gave it to the disciples, and said, Take, eat; this is my body. 27 And he took the cup, and gave thanks, and gave it to them, saying, Drink ye all of it; 28 For this is my blood of the new testament, which is shed for many for the remission of sins. 29 But I say unto you, I will not drink henceforth of this

fruit of the vine, until that day when I drink it new with you in my Father's kingdom."

Luke 22:13-20, states:

"13 And they went, and found as he had said unto them: and they made ready the passover.

14 And when the hour was come, he sat down, and the twelve apostles with him.

15 And he said unto them, With desire I have desired to eat this passover with you before I suffer:

16 For I say unto you, I will not any more eat thereof, until it be fulfilled in the kingdom of God.

17 And he took the cup, and gave thanks, and said, Take this, and divide it among yourselves:

18 For I say unto you, I will not drink of the fruit of the vine, until the kingdom of God shall come.

19 And he took bread, and gave thanks, and brake it, and gave unto them, saying, This is my body which is given for you: this do in remembrance of me.

20 Likewise also the cup after supper, saying, This cup is the new testament in my blood, which is shed for you."

Unable to find fault with anything I have said, and evidently aware that I can destroy his lies with the plain truth, Turner tries to link me to others with whom I have no connection at all, as if by having spoken to someone I mysteriously must be an advocate of that person's philosophies, even though Turner has no evidence to support his bizarre delusions. It is amazing that the liar Turner calls himself a "Christian" when he thinks and acts like a stereotypical Jew.

Crossing the Conceptual Rubicon

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In order to understand the mortal threat which Jewry pose to all life, you must realize that the Jews are determined to, and believe that they are destined to, destroy all life, including themselves. The Jews believe that only by destroying themselves and all life with themselves, can they obtain the new heavens and new earth, the new flesh for their dry genetically damaged inbred bones, which their genocidal god has promised them. The Jews desire to, and are,

rendering life impossible on our planet.

This is why the Jews are poisoning the Earth with depleted uranium and other radioactive toxins. This is why the Jews are x-raying you at airports and introducing genetically modified poisonous organisms into the food chain, and encouraging you to obtain unnecessary CAT scans in hospitals, and to vaccinate yourselves and your children with toxic chemicals, etc. etc. etc. They want to destroy all life. They want to kill you on the most fundamental genetic level.

When a Jew wishes to curse another person, the Jew will often wish some especially painful form of cancer on that person. The Jews are deliberately collectively cursing humanity and all other life forms with cancer and genetic mutation.

The Jews have been planning this fatal fate for centuries. It is a prominent feature of Cabalah and Talmud, where the Jews forecast genetic mutation and environmental disaster, and rejoice in these pernicious prospects and pledge themselves to do everything in their power to bring them about.

You must cross the conceptual Rubicon and realize that you face an enemy which is presently poisoning you, and everyone else including themselves, to death. The Jews are the ultimate suicidal cult. They openly seek to destroy all life.

The Jews hold to the genocidal delusion that only by erasing life and the possibility of life can they remove the impurity of the Gentiles from existence. They believe that when they have destroyed this, our World, their father the Devil will make them a new world where they can live

and reign without the presence of Goyim. The Jews view you as spiritual and physical pollution and feel it is their duty to physically and spiritually pollute you out of existence.

What are you doing to stop them and save us all?

The Cowardly Lion, Puss N'Boots, Perhaps?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The entity calling itself "Karl Radl" attempts to justify its crypto-Jewish style of attacking others behind the cowardly mask of a pseudonym, as if a necessary precaution to avoid criticism from Jews. If it is true that the childish and obnoxious persons calling themselves "Lionaxe" and "Karl Radl" hide behind pseudonyms so that they can attack others behind a cowardly curtain of anonymity, in fact do so to hide from the Jews rather than to hide their Jewish affiliations and/or identities, then they should perhaps adopt more fitting appellations such as "Cowardly Lion" or "Puss N'Boots". In any event note that they can hit and run, and as they discredit themselves change pseudonyms and remain hidden. Vile, are they not?

Ironic, is it not, that "Lionaxe" won't tell me its name, yet attacks me. Not normal Gentile behavior, is it? Why does it aggrandize itself with such a title as "Lionaxe", implying fearlessness, in order to hide itself? Lions don't act that way, nor has any Gentile I have ever met. "Trotsky" acted that way, as did "Ataturk", as did the mythical "Esther". Interesting. . . . It is one of many obvious glaring contradictions in their behavior and habits, and it graphically demonstrates the stark difference between what they claim to be and what they in fact are.

On the Jewish Apologist "Lionaxe's" Sophistry and What It Reveals About Those Who Elect to Be Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish apologist[s] childishly calling itself "Lionaxe", after the form of a crypto-Jew, which entity spreads Jewish propaganda in forums opposed to undue Jewish influence, inspires me to write about an interesting phenomenon I have observed among such Jewish apologists. I note that it is still not a settled question whether this entity "Lionaxe" is a single person, a group of Jewish apologists, or an institution. Let the Jewish apologist[s] gain the courage of its [their] kosher convictions and speak its [their] real name[s] and so let the Devil appear by speaking its own name.

I will focus on one of "Lionaxe's" many sophistical tendencies, its fallacy of the reification of concepts and abstractions. I have noticed that Jewish apologists, whether of Jewish descent or not, are stereotypically Jewish in their mentality and behavior, far more so than the average Jew born of Jewish parents and grandparents. It seems as if Jewish apologists want to be quintessentially Jewish in every aspect of their being, no matter how repugnant that makes them to normal human beings.

Take for instance "Lionaxe's" adoption of Einstein's fallacies of reifying the abstractions of space and time, and presumably of the abstraction of space-time. Its acceptance of these fallacies leads "Lionaxe" to set forth the additional fallacies of the false premise and the *non sequitur*, that if Einstein somehow modified Poincare's ideas, then Einstein was entitled to repeat any and all aspects of Poincare's ideas without an attribution.

Einstein stated the same false premise and *non sequitur*,

"It appears to me that it is the nature of the business that what follows has already been partly solved by other authors. Despite that fact, since the issues of concern are here addressed from a new point of view, I believe I am entitled to leave out what would be for me a thoroughly pedantic survey of the literature, all the more so because it is hoped that these gaps will yet be filled by other authors, as has already happened with my first work on the principle of relativity through the kind efforts of Mr. *Planck* and Mr. *Kaufmann*."--A. Einstein, "Ueber die vom Relativitaetsprinzip gefordterte Traegheit

der Energie", *Annalen der Physik*, Series 4, Volume 23, (1907), pp. 371-384, at 373.

The false premise is that Einstein added a novel perspective vastly different from his predecessors. The *non sequitur* is that this false premise, even were it instead true, granted Einstein license to disregard his responsibility to name those whose work he repeated.

Einstein aggrandized himself, like "Lionaxe", and personally attacked those who disagreed with him, like "Lionaxe". "Lionaxe" is of a very similar personality type to its hero Einstein, the "Jewish saint".

The Cabalistic Jew and Jewish apologist Isaac Newton thought and acted in the same manner. He, too, was guilty of the fallacy of the reification of abstractions. He, too, insulted those who disagreed with him as a method of argument. He, too, thought it unnecessary to cite the work of others which he repeated as if novel work of his own.

It is interesting that each of these persons and/or groups are drawn to the mythologies of absolutes, be it the reification of non-existent "space", "time", "inertial reference systems", and/or in the case of Einstein and "Lionaxe" of non-existent "space-time" and the hypothesis of the absolute velocity of light. It appears that those who are Jewish by choice are of a personality type that tends to be ridiculously conceited, unfair, hyperaggressive and sophistical, clinging to absolutist fallacies of the reification of concepts, abstractions and meaningless mathematical symbols.

The Jewish apologists who claim to be Christians also tend to be dogmatic in a similar fashion. They are pantheistic, polytheistic, intolerant, obscenely conceited and blind to alternative points

of view. They reify political perspectives to the point of deifying them.

There is something to this tendency of those who promote Jewish interests to be of a specific personality profile. It is a type which is magnetically drawn to make of itself the hideous stereotypical Jew and one which believes its mental abstractions and metaphysical delusions are instead physical reality, and one which demands that all others submit to its will to substitute its mythologies for the physical universe in spite of the obvious facts.

The Attack of the Childish Pseudonyms: Jewish Apologists "Lionaxe" and "Karl Radl" Whine Some More, But Again State Nothing of Real Substance

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In a childish personal attack, the Jewish apologist calling itself "Karl Radl" now acknowledges that "Karl Radl" is not its real name and attacks me for not recognizing that it and its childish twin "Lionaxe" are not one in the same pseudonym apologizing for the Jews, but are in fact two distinct Jewish apologists hiding behind pseudonyms. Oh my, how ungracious of me to not recognize that their pseudonymous were not representative of the same Jewish apologist, but

two; though such was by no means clear in their statements where they do not identify themselves by their real names, instead opting to hide behind juvenile pseudonyms. "Karl Radl" falsely dubs one lost in the undecipherable maze of their childish games, a liar. Maybe if it told the truth, starting with its real name, it would be able to recognize it.

"Lionaxe" at length fails to demonstrate that Poincare's theories violate the PoR, but instead merely points out what I have already said, that Poincare had a broader theory than Einstein, in that Poincare tried to theorize dynamic causes for the measurement effects he speculated would occur in the thought experiments he stated. The addition of an ether makes Poincare's theory broader than Einstein's, not different in its PoR.

Space and time are abstractions in the mind of man. Scientists measure with real objects, not abstractions, a distinction which eludes "Lionaxe".

Despite all its desperate whining and whimpering, "Lionaxe" fails to demonstrate any privilege in its allegations that Poincare's theory of an ether constitutes a preferred inertial frame of reference. "Lionaxe" instead postulates a redundancy that the addition of an ether constitutes an addition of an ether. "Lionaxe" fails to prove how the existence of the fixed stars likewise constitutes a "privilege". Such is the nature of "Lionaxe's" sophistry: hide from the facts, defame and change the subject.

"Lionaxe" fails to understand that no laboratory in nature obeys Newton's laws of motion, there are no inertial systems in nature. A sincere reader would clearly understand that I was correctly pointing out that Newton's second law has never been observed to hold in nature, and,

therefore, there is no measurable system of coordinates which obey it. Uniform inertial motion has never been observed to exist in nature. It is an *a priori* metaphysical delusion, not an observable system in nature.

Since this is true, Poincare was obliged to refer his readers to the fixed stars or a hypothetical ether at rest with respect to itself in order to create a system of coordinates with which to define hypothetical inertial motion relative to this system, so as to create an operational definition for time and space measurement, and a system of coordinates in which a system of laws are obeyed in the thought experiments which Einstein would later plagiarize. Einstein made the same pronouncement when he referred to the "resting system" and systems in a "definite state of motion" relative to it, as I have proven in my book *The Manufacture and Sale of Saint Einstein*. In addition to the pages I have already cited, I would add Einstein's declaration (quoted on page 1837) that Einstein believed that there are inertial systems of coordinates in a definite state of motion, so we must ask relative to what are they in motion, and the answer Einstein gives is relative to the system of coordinates of the vacuum which Einstein equates to Lorentz' ether. "Lionaxe" has not rebutted any of the facts I have presented, but instead changes the subject to Einstein's treatment of kinematics. Einstein's 1905 PoR relies upon the same assumption of "fixed" coordinates and coordinates in uniform motion relative to those coordinates that Poincare had stated before him. Einstein calls the system of the fixed stars the "resting system" and the system of coordinates of the vacuum (singular, not plural). "Lionaxe", despite its best and slimiest insulting attempts, cannot weasel or snake its way out of that historical fact.

If "Lionaxe" would dub Poincare's fixed system a "privileged" inertial reference frame, then in

order to be consistent, "Lionaxe" must state the same about Einstein's theory of 1905. Though "Lionaxe" asserts without proof that Poincare believed in absolute motion, his assertions are false, as is well known.

"Lionaxe" is ignorant of the fact that Einstein's assertion of the source independence of light speed in the "system of coordinates of the vacuum" (singular, not plural), is an ethereal proposition and Einstein merely calls the ether a system of coordinates of the vacuum, as opposed to systems of coordinates in uniform translatory motion relative to the vacuum.

"Lionaxe" again misses the opportunity to correct itself and admit that I stated that Poincare was first between Poincare and Einstein to state the PoR and that many others iterated it before Poincare, in contradiction to "Lionaxe's" false assertions. The remainder of "Lionaxe's" sophistry leads nowhere and signifies nothing and is therefore not worthy of a response.

Both Jewish apologists "Karl Radl"and "Lionaxe" could not refrain from *ad hominem* attack and again wasted much of my valuable time sorting through their snide and inappropriate drivel to at arrive at some semblance of an attempted point. Try to be a bit more concise in your sophistry, "Karl Radl" and "Lionaxe", if only as a matter of courtesy.

By the way, do you childish clowns dress up in superhero costumes and suck lollipops when you hide behind your pseudonyms and write your self aggrandizing garbage on the internet intended to persuade those opposed to Jewry to adopt pro-Jewish positions? Do you exchange Hanukkah gifts, little ray guns and Nazi badges, perhaps?

Two more obvious Kosher Klowns than "Lionaxe" and "Karl Radl" would be difficult to imagine,

let alone find.

Both Prof. Winterberg and Prof. Logunov's coauthor have made statements to me which differ from their published accounts of the priority disputes regarding Hilbert, Poincare and Einstein. Ask them to speak for themselves. I know what they say in private. If they wish to repeat it in public, then let them.

Fountain of Lies Louis Turner Erupts Yet Again

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It is clear that Louis Turner fabricated his lies about me in his own head and cannot offer a single fact to support his lies. He is a deceitful smearmonger. He acts like a stereotypical Jew and has shone no remorse whatsoever for lying about me, nor has he made any attempt to mitigate the damage he has deliberately and with malice done to me. Yet Turner would call himself a "Christian".

Louis Turner imprecisely defines "Socialism" as the Soviet Union and the Obama administration; and mistakenly asserts that such a definition is sufficient for the purposes of

labeling those Turner recklessly attacks as if "Socialists". I have repeatedly condemned the Soviet Union and the Bolshevism that produced it. I have also condemned Obama and his policies and his government. This proves that by Turner's definitions I am opposed to socialism, yet Louis Turner lies and calls me a "Socialist" by this, his own, definition. Turner writes,

"While 'socialism' today has many meanings that obscure its nature, most of US old timers remember the Union of Soviet Socialist Republics very well and do not require anybody to redefine what socialism is. And with Obama in office, do we really need to define what socialism is? If we can't see it now, then there is no hope left except for change – chump change!"

Louis Turner asserts that the Jews do not suck on the circumcised penises of their infants to draw blood to drink. Turner falsely asserts that I, "'imply' that they perform 'fellatio' on each other during Circumcision[.]" I never implied any such thing, but instead provided a verifiable citation to the Jews' religious practice of "metzitzah b'peh". Turner deceptively wrote, grossly misrepresenting my statements,

"So Christopher Jon Bjerknes is NOT a socialist nor is a member of the Aryan Nations eh? And you call me a liar while you bash Jews and 'imply' that they perform 'fellatio' on each other during Circumcision? You sick person! This guy makes it so easy for me its not even funny."

The sexual content of Turner's statements are the products of his mind, not mine, and it is false and libelous for him to attribute his thoughts to me.

Turner also misquotes me by failing to indicating breaks and omissions in the text. He is reckless in his manner of quotation.

Contrary to Turner's thoughts and Turner's perverse and deliberate misrepresentation of my statements, I wrote,

"The Jews believe they can obtain eternal life through the Abrahamic covenant of circumcision. When performing circumcision, the mohel sucks blood from the infant child's penis and mixes it with wine which the Jews drink. Jews are strictly forbidden to drink the blood of animals because they believe that the blood carries with it the soul and that drinking animal blood turns the human being into an animal.

The Jews drink their own blood to obtain eternal life, believing that they are themselves god and that by drinking their own blood they obtain eternal life. This is outlined in the Babylonian Talmud in the Tractate Shabbath folio 133. For the Jew, the infant's penis is the Tree of Life."

In my article where I pointed out this Jewish practice, I gave a precise citation to the Jewish religious text which describes and mandates this practice. My statements are demonstrably factually correct. The citation I gave is, "the Babylonian Talmud in the Tractate Shabbath folio 133." This folio is available online from the Soncino translation:

http://www.come-and-hear.com/shabbath/shabbath_133.html

The Talmud states in the relevant part, and I have copied this from the published hard copy of the book,

"MISHNAH. We perform all the requirements of circumcision on the sabbath. we circumcise, uncover [the corona], suck [the wound], and place a compress and cummin upon it. if one did not crush [the cummin] on the eve of the sabbath, he must chew [it] with his teeth and apply [it to the wound]; if he did not beat up wine and oil on the eve of the sabbath, each must be applied separately. we may not make a haluk for it in the first place, but must wrap a rag about it. if this was not prepared from the eve of the sabbath, one winds it about his finger and brings it, and even through another courtyard."--I. Epstein, Editor, "Shabbath", *The Babylonian Talmud*, Volume 8, Part 2, The Soncino Press, (1938), pp. 666-669, at 668-669.

and,

"we suck out, etc. R. Papa said: If a surgeon does not suck [the wound], it is dangerous and he is dismissed. It is obvious? Since we desecrate the Sabbath for it, it is dangerous?—You might say that this blood is stored up, therefore he informs us that it is the result of a wound, and it is like a bandage and cummin: just as when one does not apply a bandage and cummin there is danger, so here too if one does not do it there is danger."--I. Epstein, Editor, "Shabbath", The Babylonian Talmud, Volume 8, Part 2, The Soncino Press, (1938), pp. 666-669, at 668-669.

The Jewish religious practice of sucking an infant's penis so as to draw blood to be drunk by Jews is called "metzitzah b'peh". *The Jewish Encyclopedia* states in its article "Circumcision", under the subsection "Mezizah",

"Mezizah: By this is meant the sucking of the blood from the wound. The mohel takes some wine in his mouth and applies his lips to the part involved in the operation, and exerts suction, after which he expels the mixture of wine and blood into a receptacle (see Fig. 4, below) provided for the purpose. This procedure is repeated several times, and completes the operation, except as to the control of the bleeding and the dressing of the wound.""Circumcision", *The Jewish Encyclopedia*, Volume 4, Funk and Wagnells Company, New York, London, (1903), pp. 92-102, at 99.

The Jewish practice of "metzitzah b'peh" has resulted in the spread of herpes and has caused the deaths of infants. See, for example:

http://www.nyc.gov/html/doh/html/std/std-bris.shtml

Turner falsely claims that I "promote" Edgar J. Steele and provides as sole support the fact that I referred my readers to Cyndi Steele's appeal for help after someone attempted to murder her. In fact, I noted that Steele's wife, the victim of attempted murder, was appealing for help and in no way promoted Edgar J. Steele. I made no brief for Edgar Steele. I will say that Edgar Steele is a lawyer and all people are entitled to legal defense. It is his profession to provide that defense. I

do not answer for his choices in his clients, but I will say that being a lawyer for an organization is not equivalent to being a member of that organization, just as a lawyer defending a person accused of committing a crime is not rendered a criminal by providing a due defense to the accused. If Turner has issues with Edgar J. Steele, he should take them up with him. I have no connection to Edgar J. Steele whatsoever.

Turner confounds the Aryan Brotherhood with the Aryan Nations. Turner's assertions are factually incorrect and have nothing whatsoever to do with me. I have never had any connection to the Aryan Nations or the Aryan Brotherhood whatsoever. I condemn both organizations. Louis Turner has no facts to support his lies, but instead conjures up innuendo based on false premises to perpetuate his lies.

Turner falsely claims that I have stated that he, Turner, is Jewish. I instead stated that he acts like a stereotypical Jew. Not all Jews act in this way, and not everyone who acts in this way is Jewish. But, alas, the facts appear to be unimportant to Turner as he fabricates his strawmen.

Turner then goes on to attack Rev. Ted Pike in order to attack me by way of innuendo. I am not a spokesman for Ted Pike and disagree with many of the things he has said, though I do not endorse Turner's accounts of the man and instead disagree with them. I find Rev. Ted Pike's religious views of blacks false and repugnant, and I know that the ultimate source of Pike's Protestant views regarding blacks is the Babylonian Talmud. The racist Jewish (as opposed to merely "Zionist") Talmud states in the Tractate Sanhedrin, folio 70a,

"'Ubar the Galilean gave the following exposition: The letter waw [and] occurs thirteen times in the passage dealing with wine: And Noah began to

be an husbandman, and he planted a vineyard: And he drank of the wine and was drunken; and he was uncovered within his tent. And Ham the father of Canaan, saw the nakedness of his father, and told his two brethren without. And Shem and Japheth took a garment, and laid it upon their shoulders, and went backward and covered the nakedness of their father, and their faces were backward, and they saw not their father's nakedness. And Noah awoke from his wine, and knew what his younger son had done unto him. [With respect to the last verse] Rab and Samuel [differ,] one maintaining that he castrated him, whilst the other says that he sexually abused him. He who maintains that he castrated him, [reasons thus;] Since he cursed him by his fourth son, he must have injured him with respect to a fourth son. But he who says that he sexually abused him, draws an analogy between 'and he saw' written twice. Here it is written, And Ham the father of Canaan saw the nakedness of his father; whilst elsewhere it is written, And when Shechem the son of Hamor saw her [he took her and lay with her and defiled here]. Now, on the view that he emasculated him, it is right that he cursed him by his fourth son; but on the view that he abused him, why did he curse his fourth son: he should have cursed him himself?—Both indignities were perpetrated."--I. Epstein, Editor, Sanhedrin 70a, The Babylonian Talmud, Volume 28 (Sanhedrin II), The Soncino Press, (1935), pp. 477-478.

The racist Jewish Talmud states in Sanhedrin 108b,

" Our Rabbis taught: Three copulated in the ark, and they were all punished —the dog, the raven, and Ham. The dog was doomed to be tied, the raven expectorates [his seed into his mates mouth], and Ham was smitten in his skin. [Footnote: I.e., from him descended Cush (the negro) who is black-skinned.]"--I. Epstein, Editor, Sanhedrin 108b, *The Babylonian Talmud*, Volume 28 (Sanhedrin II), The Soncino Press, (1935), p. 745.

I find Pike's support of these Jewish ideas counter-productive to his stated aims. I also find Pike's support of certain political candidates counter-productive to his stated aims. That said, Rev. Ted Pike has preserved our right of free speech, revealed much about the Talmud and Cabalah and exposed Christian Zionism as a fraud, among many other valuable contributions he has made at great expense to himself and his family. I wish that he could see that the Old Testament is in places worse than the Talmud. When attributing views to me, Turner should limit himself to my views and cease to misrepresent me as if someone else so that Turner can raise a strawman to knock down.

Turner tries to misrepresent me as if I were a Freemason, which I am NOT. I have never been, am NOT and would never become a Freemason. Contrary to Turner's unsupported assertions, I have written a book devoted to exposing one of Freemasonry's most vile crimes, *The Jewish Genocide of Armenian Christians* in which I expose the Freemasonic affiliations of the perpetrators of that crime against the human race, with verifiable facts. I have also exposed Trotsky and Lenin's connections to Freemasonry and the role of Freemasonry in the murderous French Revolution. Turner may not like this because I point out that the pernicious aspects of

Freemasonry, its Zionism, call for World government, building a new Temple of Solomon, revolution, genocide, etc. etc. etc. are Jewish in origin, are perpetrated by Jews and serve Jewish interests, and are meant to fulfil Jewish messianic prophecy.

Instead of lying about my views and putting his thoughts as if in my head, Turner should instead ask me to state my views and if he seeks clarification then he should ask for it, instead of lying and fabricating defamatory falsehoods and innuendoes.

Louis Turner of Shock and Awe Graphics Is a Deliberate and Libelous Liar

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jesus Christ said of the Jews, in the Gospel of St. John, chapter 8, verses 44-46,

"8:44 Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it. 45 And because I tell you the truth, ye believe

me not. 46 Which of you convinceth me of sin? And if I say the truth, why do ye not believe me? "

Louis Turner deliberately lies and falsely claims that I was a member of the "Aryan Brotherhood" even after I have given Turner notice that his claim is false and libelous and Turner has read and responded to this notice. Louis Turner of Shock and Awe Graphics dishonestly writes,

"Looks like I angered Christopher Jon Bjerknes in exposing his Aryan ideals. [***] So I guess that's why you got out of the Brotherhood eh? Because they are 'infested with Federal agents?'"

The deliberate and libelous liar Louis Turner does not, and cannot have, any factual basis for his deliberate lies, because none can exist. I have never been, am not, and would never be a member of the Aryan Brotherhod, as I have already made clear to the deliberate liar Louis Turner. Turner manufactured his shameful lies from his own imagination with no basis in fact; and instead of correcting his deliberate lies when served notice of their complete falsehood and defamatory nature, Turner repeats his lies without any regard for the truth or the harm he deliberately does to others.

Louis Turner of Shock and Awe Graphics is a deliberate and libelous liar and cannot substantiate his false and defamatory statements with any facts.

Though the fanatical Turner calls me "satanic", it is Louis Turner who is the proven liar and

smearmonger.

Louis Turner falsely claims that I am a "Socialist" without any factual basis. When confronted with his falsehoods and asked for a definition of his use of the term, Turner responds with the reckless and evasive statement,

"While he attempts to turn the heat up by luring me to 'define' what Socialism is, he hopes the conversation will take another turn to where he can further define his cause."

Though asked, Turner does not provide a definition. Louis Turner has deliberately and falsely tried to attach a label to my name, one which he refuses to define, but which he asserts is derogatory. In his fanatical mind, Turner justifies his refusal to meet his moral and ethical obligations to support his accusations with facts and definitions, by irrationally claiming that because I state that, and have a long published record of stating that, I dislike Adolf Hitler and am not a Socialist, I must therefore adore Hitler and be a Socialist. Hitler was a murderous monster whom I despise. I am not a Socialist and do not want government to run business.

Turner is an unrepentant and deliberate liar. When I asked him for the basis of his false and defamatory statements, he refused to provide any, and accuses me of trying to change the subject merely because I defend myself with the truth from Louis Turner's knowing lies.

Though Turner presents himself as a Christian, he acts like a stereotypical Jew. Turner lies without any regard for the harm he does innocent people with his deliberate lies. The graphic above Turner's article mocks the last supper.

Turner condemns some of my articles without challenging them based on facts and logic. He nowhere disproves a single statement I have made, but instead Turner spews out fanatical and meaningless drivel and lies and libels without any regard for the truth.

Warning! The Jewish Gold Cartel Will Soon Attempt to Take the Place of the IMF, World Bank and All Central Banks

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews control the IMF and World Bank and have used them to destroy nations by loaning monies to countries which loans do little to nothing to improve those nations, but instead profit the Jews and their agents. The Jews will soon attempt to institute an international currency based on gold reserves which have been exaggerated by the Jews, which gold banks will take the place of the IMF, World Bank and all central banks, ultimately all banks. The Jews will decry the harm they have themselves done to the World through global banking institutions and central banks, and offer up themselves and pretend gold as if a viable solution.

The Jews will attempt to exaggerate the gold supply in their reserves, including those indebted to them in the Catholic Church and elsewhere, but not necessarily the real gold supply on the

open market. In this way, the Jews will keep gold prices high, by keeping the supply of real gold in the marketplace controlled, and enable themselves to loan out gold which does not exist, by pretending to have reserves of gold which do not in fact exist.

Watch for critics of the IMF and World Bank, and other international banking institutions, and of central banks, who concurrently call for a gold standard, which is of its nature international. We should eliminate these Jewish institutions, but should not adopt a gold standard as a substitute. We should instead become nationalists and oppose the internationalist Jews.

Warning! When the Jews Begin to Exaggerate the Gold Supply, the End Is Near

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I long ago warned the World that the Jews would seek to expose as much gold and silver to the marketplace as possible. They are building up their reserves. Two years ago, I wrote:

"The Jews want to expose all the World's gold to the marketplace so that they can steal it all and horde it in Jerusalem. The Jews worship gold as

their God. Do not step into the Jews' golden trap and do not trust anyone who encourages you to fall in love with the Jews' fools gold. It is a promise backed by nothing but Satan's forked tongue.

As with all things done by the deceitful, and of their nature impotent, Jews; the Jews are trying to trick the Goyim into demanding the gold standard which will be the Goyim's undoing. The Jews are also trying to instigate violent revolutions which will put the Jews in absolute power in the name of defeating the Jews. I am disgusted by the fact that so many fall for these tired old Jewish tricks."The Temple of Solomon/Satan to be the Gold Reserve for the World-Wide Jewish Fractional Reserve Bank/Currency, December 11, 2008

I was warning of the same things four years ago in my book *The Manufacture and Sale of Saint Einstein* at pages 43, 47, 51, 164-166, 381, 405-408, 1000, 1208-1209, 1393, 1448 1nd 1661; and in my book *The Jewish Genocide of Armenian Christians* at pages 250, 279-280, 282 and 329. This is why, four years later, we see shops offering to buy gold around the World; just as I predicted would happen.

The Jews will soon begin to exaggerate the gold supply, falsely claiming to hold in reserve gold which does not exist, so that they can "loan" out this non-existent gold as if "money" in the form of electronic credits to governments, banks, etc.; and ultimately in the form of a privately controlled international currency. It is the same old Jewish scam of fractional reserve banking and the Jews must pretend that there is more gold in reserve than there can be, so that they can make loans backed by an illusion, not real gold. They will then collect interest off this fraud, and

force the World to destroy the environment mining more gold to churn up interest payments for gold which never existed in the first place. The result will be universal debt slavery, deflation and economic stagnation World-wide, which is what the Jews desire so that the distance between their riches and power, and Goy poverty, servitude and powerlessness grows ever larger, until they can simply murder all non-Jews.

When you clamor for a gold standard, you are crying out for gold plated chains that will enslave you, then choke you to death. Your mind is already the Jews' possession, soon to be followed by your life, your nation and all your property.

What the Jews Have Promised the Russians and Chinese

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Place yourself in the Russian perspective. Pick up a World map and examine the nations surrounding Asia. Now think about the fruits of the Cold War and the world wars.

Russia and China are surrounded by Muslim nations and by NATO and SEATO. Why did Russia

and China allow the US to neuter Islam, *and concurrently build a military presence in their neighborhood?*

One can readily understand why the Russians and Red Chinese would want to see the Muslims castrated so as to create a soft buffer between their nations and all others. But this is NOT what has taken place. Instead, America has gained a military foothold in region.

So why do the Russians and Chinese sponsor this Jewish manufactured American aggression?

The Chinese are increasingly content to trade with the US and Japan. The Russians learned from their Jewish manufactured experience in Afghanistan, and their own attempts to capture Islam for the Soviet Union, how wars and expansion bring down empires. The Jews have instructed the Russians and Chinese to bide their time until America neuters itself by neutering others. Russia and China will then be surrounded by a dead zone of crippled Muslims and abandoned American military bases.

Africa, too, is being beaten into dead dust. South America is the prize, the juicy fruit the Jews are ripening, having promised it to China, and Europe to Russia.

The Russians and Chinese are waiting for America to die and encourage America to commit suicide in the Middle East. Israel is quite happy to see Africa, Europe and the Muslim Middle East neutered and destroyed. The Jews engineered this calamity and sit comfortably on the Mediterranean Sea like the Phoenicians whose land the Jews always sought to steal. Jews like to surround themselves with death and destruction and the map they have drawn appeals to the Russians and Chinese.

But the Russians have no love for the Chinese and do not want to see Chinese, Japanese and Koreans trading peaceably together. The Russians know that Red China will fall with America. The Chinese likewise are not comfortable with the Russians, and know that Russia will fall with Europe.

These Asian alliances will not last. They are of convenience, not conviction.

The Jews are instead preparing the way for a Third World War, as I have been stating for five years now. Though the Jews are drawing up the sides, there will be no victors, perhaps, there will be no survivors.

The Jews believe they must destroy every nation before their messiah can expose himself. This is stated in the Jewish Talmud in the Tractate Sanhedrin, folios 97-99, and throughout the Old Testament.

The Jews ultimately desire a World without Gentiles, not a World empire. The Jews ultimately desire a World without life, because only then, believe they, will their evil god grant them new life and a new world, as stated in the Jewish mythologies iterated in Ezekiel and Isaiah, the Talmud and Cabalah.

Ultimately, the Jews have promised the Americans, Europeans, South Americans, Africans, Australians and Asians only death, and the Jews deliver on their promise each and every day.

The Middle Path to Our Victory in 2012

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The *POWER PARTY* can win popular support by ridiculing and mocking the extremist positions of the Republican and Democratic parties.

We should blacken the Republicans as Christian Zionists who sell out America to Israel and who want to genocide the human race so that they can be raptured. The *POWER PARTY* should run ads exposing the endless wars as Trotskyite "Permanent Revolution". We can also, and more importantly, mock the genocidal murderous maniacs by running ads which show Christian Zionists cheering as nuclear bombs fall, then running, screaming and at last vaporizing when they fail to be raptured. It will be very easy to mock and demonize these inhuman and deluded demons.

We will portray the Democrats as Bolsheviks who steal from the poor and give to the rich Jewish bankers. This will shock Democrats who have long falsely portrayed themselves as if champions of the poor. Our ads will show horrific images of the Great Depression and "Young Turk", Bolshevik and Khmer Rouge atrocities.

We will then demonstrate how both parties work together towards the same ends, depressions and wars. We will show that both are in bed with the Communist Chinese and the Jews.

The American People will see, because we will show them, that there is no other choice but the *POWER PARTY*. Our way to victory lies in proving to sound minds that the other parties are extremist enemies of the American People who are deliberately ruining America–who are at war against America, and in proving that our platform will improve their lives, literally save their lives and our nation from the traitorous and murderous extremists of the coopted and hostile Republican and Democratic parties.

We have to make it clear to Americans that it is we who represent their mainstream views. We must not be or become a party of balkanization, or Bolshevik revolution. Our goal must be and remain to strengthen American industry and agriculture, and to retain and expand our territory and other wealth. We should promote the expansion of our population by encouraging families, not immigration. We should improve our workforce by improving our educational and training institutions and by creating jobs that pay a living wage, not by importing cheap foreign workers.

The Jews will undoubtedly try to mirror and smear my ideas, and thereby coopt and corrupt them; but we will have an easy time exposing their maneuvers, especially now that they have betrayed the tea partiers. The Jews will soon introduce a new third party on the Soros color revolution model, and this party will claim every victory based on vote fraud allegations, but will do nothing to guarantee verifiable elections. Their goals will be to coerce Americans into destroying American industry with crippling strikes in the name of dissent, to destroy American government in the name of opposition, and to destroy Americanism in the name of unity. They

will promote and engineer chaos and ruin at every opportunity, which is what Communists are taught to do. But if we are smart in our approach, their attack on the Democrats and Republicans will pave the way for our *POWER PARTY*.

From Monarchy to Anarchy? Psychological Warfare in the Media, Mainstream and Alternative

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are presently waging psychological warfare on the American People. The Jews, through the media, mainstream and alternative–even Russian media–are attacking Americanism. They are attempting to persuade you to give up your nation and your lifestyle without even a fight. The Jews are trying to convince you that you are already defeated so that the Jews will not have to fight you.

Listen to the Jews in the media and you will hear them joyfully stating that America and Great Britain are dead, and that Russia and China are the new and only superpowers. Some of these Jews falsely portray themselves as if "American patriots", so we must ask, why are they so glad

to declare that America is "dead" and why do they want to convince us that Russia and China are superior to America, economically and morally? It is because the Jews are waging psychological warfare on us in hopes that we defeat ourselves for them and leave them untouched.

The Jews are internationalists. They use the media which they dominate to lecture us like sportscasters, telling us which nations they would have us believe are up, and which nations they would have us believe are down. Just as they do to manipulate the stock and commodities markets, the Jews use their media power to drive the psychology of the masses to view itself and its circumstances through a Jewish lens which distorts reality to favor what the Jews want to be as opposed to what is.

The Jews want Americans to view America as a defeated and pointless nation, and for Americans to cheer for America's enemies. The Jews want Americans to be neutral and largely disinterested spectators to World events, and to confuse honesty with the lies they are fed, and to believe that Americans must subvert their own interests in favor of the interests of others.

The Jews have led Americans to make a poor transition from monarchy to republican democracy. Under the monarchs, Europeans viewed themselves as subjects, and the land of the nation and most all property as ultimate possessions of the monarchy. The deer were the king's and wars were fought to defend the kingdom. This resulted in nationalistic sentiments.

The Jews are undermining our national sentiments by internationalizing property and land, and by changing the psychology of Americans such that Americans view themselves as spectators to an international game in which they have no vested interest or power to affect. The Jews want

you to cheer for your competitors and enemies and to hate and degrade your own country. The Jews want you to side with the winning team, whichever one they choose in spite of the facts, over the hometeam, which they want you to believe are perpetual and hopeless losers.

The Russians are helping the Jews to wage this psychological warfare on our nation and the "alternative media" is a Jewish subversion which promotes anti-nationalism in the name of "nationalism" and which promotes Russia, Iran and China over America. They do this in the name of "American patriotism".

The Jews rope in American dissidents in this fashion and lead them to work against the best interests of America in the name of "American patriotism". Or they hope to at least render you irrelevant by driving you into defeatism, self abuse and lackadaisical self hatred, until they want you to vote for their gold bugs and tea partiers, and they then use you as useful idiots until after the elections when they pretend to oppose those they convinced you to elect, in order to regain your confidence and rope you in for the next round of subversive elections. Even then, the Jews always present candidates who demoralize and defeat you and American interests in favor of Jewish internationalist interests.

But the subversion runs still deeper. The Jews have convinced you that at some point in history America has made the economic and political choices it has made because these choices produced the highest standard of living and greatest freedom for the largest percentage of the population possible. But no such set of choices was ever put before the American People, let alone chosen by them.

We never chose the Jewish capitalism of stock markets and privately owned central banks. We never chose the Jewish subversion of our educational, political and media institutions. We never chose the housing bubble, derivatives markets, the corporatization of farming, the empowerment of corporations, the opening of our borders, the perpetual wars, the Jewish run banks, the destruction of our natural resources and environment, etc. etc. etc. All of these things are Jewish impositions which hold us back and prevent us from obtaining the glory which is our birthright as Americans.

The Jews have Americans believing in the fictions that Jewish capitalism is the best means to obtain income equity and a high standard of living for the greatest number of Americans, when history repeatedly proves this delusion false. The Jews have Americans believing in the mythology that "free trade" in the form of exporting capital to regions where labor is cheapest is best for Americans, when history proves otherwise. The Jews have Americans believing the fiction that Americans must open up their land, industry, farms, currency, borders, banks, etc. to foreigners and international speculators, investors, markets; when no such restrictions exist in fact, or sound judgments. The Jews have Americans believing that Israelis are their allies, when history shows that Jewry is our worst enemy.

Now the Jews are introducing a new set of fictions and mythologies as part of the Jews' psychological war on America. The Jews are trying to convince us that we are defeated and deserve defeat, when in fact we have a large and comparatively well trained work force, we are blessed with enormous land and natural resources, we have well developed infrastructure, etc. etc. etc.

The Jews want us to believe that the Russians and Chinese have it better than us, which is utter nonsense. Our standard of living is vastly higher than that of Russia and China, even with our unnecessarily high unemployment, a problem that could be quickly and permanently solved.

But the Jews desperately do not want us to seek solutions, but rather to roll over dead amongst all the plenty that is ours as our national birthright. The Jews want us to foolishly accept the mythology that the "King's deer" are the now the Jews' deer, or the Russians' deer or the Chinese deer; and that we cannot feast on our own bounty and had better not try.

There are no laws set down in nature that prevent us from taking back what the Jews have stolen from us. There are no laws forged in the natural world which prevent us from crushing the Jews and if need be the Russians and Chinese. Nature instead provides us with a natural will to survive and a willingness to protect not only ourselves and our kin, but also our nation.

Nature also makes demands of us. The Jewish nation that has subverted our America is a hostile and consuming parasite. Nature insists that we combat and defeat it, or perish with its infected stinger in our collective backside.

We must grow from our monarchistic past into a future that embraces philosophies that serve us as nationalists, not internationalists, and which strengthen our national identity and will in self serving ways, rather than in ways which are good for the Jews who are out to destroy us and to steal all that we have.

Germany was able to accomplish this very quickly under the NSDAP after transitioning from

monarchy to Weimar to disaster, likewise in a very short time. But Germans have a strong national sense and a sense of brotherhood, which the Jews have still not managed to destroy. America had better not only resist, but also combat this new psychological war which aims to make us believe that we are already defeated and that China and Russia are our new masters.

Do not sit idly by as the "anti-Zionist" Jewish phonies promote anti-Americanism in the guise of "anti-Zionism". Do not let them insult you by insulting your nation. Do not let them blame you for the actions of the Jewish bankers who fund their subversions. Do not so soon forget that they told you that Obama might be the next JFK and that Ron Paul and Rand Paul and the tea party would save you if helped the Jews to elect them. Do not let them pretend that they were honestly mistaken when they pushed these enemy forces upon you. They did so deliberately and in the full knowledge of what they were doing, and over opposing voices, including mine.

The new thing the Jews would have "those in the know", American dissidents do is to bash America and promote the lie that there is no hope for America and that Iran, China and Russia will save the World. The Jews have always tried to lead American dissidents to destroy America rather than improve it, to side with America's enemies rather than sincere forces opposed to Jewry. Grow up America and relish in your pride and take hold of all the blessings that are yours if only you would stop letting the Jews mislead you and fight for your land and national sovereignty.

We have more than Russia, China and Iran, and we need only make use of it and claim as ours what is ours, instead of letting the Jews convince us that the deer belong to the king, as we starve to death amidst bounty; instead of allowing the Jews to convince us that we are defeated,

when we have a higher standard of living than our competitors and enemies.

The Jews just love it when they hear Americans bashing America, and they love it even more when they hear Americans extolling the virtues of America's enemies. Don't be stupid. You are not showing how smart you are when you defeat yourselves, but you are instead acting like the Jews' cattle and bragging that you are the wise cattle going into the slaughter house, because you know the pigs are smarter than you.

Shun this Jewish psychological war on our beloved nation, this war on you and your mind; and be proud enough to fight for what is already yours. Obey the laws of nature which compel you to fight, or nature will forget you.

Be fierce, not pollyannish, in your defense. Be proud, not blind, in your sense of honor.

The Jewish State Within Our American State, Or Is It the Dormant and Suppressed American State Within the Hostile and Ruling Jewish State?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

From their own fabricated myths of Egyptian captivity to present day America, the Jews have always deliberately formed a State within a State. But we must understand the true nature and function of this alien and hostile Jewish nation occupying our borders if we hope to gain our sovereignty from it.

Some may believe that the Jews are a nation apart, meaning that they form their own independent and distinct nation, which is separate from, unconcerned with, and not directly involved in the original nation that the Jews have come to occupy. As if the Jews were a small segregated colony that kept to itself, managed its own affairs and left its neighbors in peace.

However, the reality is that the American State exists within the Jewish State and is only independent of it to the limited extent that our traditions, mindset and instincts keep us sovereign over ourselves, if not our land. Sovereignty lies in the People, in their minds, their property and their willingness and dignity to defend themselves and their countrymen; but the Jews have usurped even that by controlling the educational systems, media and politics; and our property and future through usury, perpetual war and capitalism. The Jews thereby control the mentality and self image of most Americans and their property, rendering them subjects and servants of the Jewish State. Let me be very clear that I am not confusing or confounding America with the Judaean State that exists on our land. They are separate and distinct, but the Jews presently rule the majority.

Ironically, Jewish capitalism has left our capital polluted and/or unused. Jews are internationalists, believing the World is theirs. The Jews direct capital to regions where labor is

cheapest, and try to maximize profits without regard for the environment, Gentiles, or the quality or nature of resources, goods and services produced or exploited. Jews are as comfortable in the sex and drug trades in America and Israel, as they are in making Communist China a gargantuan slave plantation to serve them and their Jewish interests. Jewish capitalism and internationalism reduce humanity to the lowest common denominator, destroy Gentile nations, cultures, peoples and the planet, and ultimately stagnate and degenerate capital into unsustainable and unproductive poisonous junk.

The *POWER PARTY* recognizes that the Jews are a nation at war with America. The debts the Jewish nation has accrued are owed by it, and not the American People. The property the Jews have stolen from us belongs to us and not them. As our mortal enemy, they can own no American property, and as a genocidal nation bent on exterminating the human race, can own no property at all.

We sit like trained circus bears in a stream full of fat salmon, starving to death because the Jews have trained us to believe that the fish belong to them and we cannot eat them because by doing so we would take away our own freedom. America has all we need to prosper right under our feet. We need only make use of our People and our land for our own benefit to have all we need and more, but we presently have an enemy nation occupying our land and our minds, and we need to rid ourselves of it and its influence, not only over us, but the entire human race.

The Jew is a little aggressive mutt that hovers over the trained tiger's food bowl and convinces the tiger that it cannot eat its own food. One quick chomp, and the hostile little cur is gone and the tiger can have its fill in peace, but it must first raise the courage and muster up its dignity.

Perhaps showing the tiger another tiger that ripped away the dog, would help it to realize that it has the power to preserve itself from the aggressor.

If we were to eliminate the Jewish nation from our shores, we would eliminate its debts and free ourselves from debt bondage. We could immediately make use of our resources and people for our own benefit, instead of the benefit of internationalist Jews. We could teach our people to love themselves and each other and we could end the Jewish degeneration of our self image and national cohesion. We could expel foreigners and build our own culture and enjoy the benefits of our low population per square mile making America our sustainable paradise and enjoying it without guilt, penalty or perpetual war.

There is no need for Americans to struggle from cradle to grave under a yoke of debt and perpetual war. The debts we foolishly pay are the Jews' debts as are the wars. The Jews' worst war is the war it is presently waging on America, in part by forcing Americans to war on the World. How can win a war that never ends and makes the rest of humanity our enemy? If you believe the wars the Jewish State occupying America has waged on Korea, Vietnam, Iraq and Afghanistan are primarily wars on those nations, you are sadly deluded. They are instead primarily Jewish wars on America meant to destroy the last vestiges of our nation so that the Jews can have it all to themselves, that "it" being our souls, our land, our property, our future, our lives, all turned to "**it".

Become fully American and remove the Jew from your mind, your land and your property. But do not export it or it will turn others against you. Instead contain it in absolute isolation even

from itself until the threat is gone. Break up the Jewish nation and its networks and infrastructure wherever they are found. It is the only way for us to remove the enemy nation that occupies our land.

Whether America is a dormant, latent or potential nation is yet to be proven. At present our human dignity has not manifested itself and shaken off the Jewish infestation. As humans it is our sovereign right to have our own nation free of the Jewish State. If we fail to be human, there is no hope. If we claim our birthright, we will have an easy march to victory and freedom.

It is not our duty to suffer the rabies of the Jews out of sympathy for our sick enemy. It is instead our duty to quarantine the sick Jew and preserve our health. History has proven over and over again that admitting the intolerance which is the Jewish People into your nation does nothing to cure the perverse, incurably ill Jew; and instead only serves to infect the host nation--turned slave nation--into genocidal aggressors, who ultimately consume themselves with their Jewish manufactured war on the World.

Time after time the Jews have turned healthy nations into Jewish nations of murderous madmen hated by all. The only remedy is to reclaim your State and the only means to do this is to remove the Jew from any and all influence, and make the State a servant of the People, instead of an aggressor against them, a Jewish aggressor.

Ron Paul Is the Sen. Aldrich of the 21st Century: Why Should We Voluntarily Collateralize Our Unsecured Debt?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Back in May of 2007, I revealed the fact that Ron Paul is slated to be the Sen. Aldrich of the 21st Century and will give the bankers exactly what they want, while pretending to be opposed to the bankers. I disclosed the fact that Ron Paul is controlled opposition to the bankers. My predictions have come true, as Paul will chair the monetary policy subcommittee overseeing the Federal Reserve. Is anyone so naive as to believe that Paul would be given this task if he were not an agent of the bankers?

The Jews are deliberately destroying the Fed so that they can replace it with a new monetary system of their design. The Jews have deliberately stolen trillions of dollars from the American taxpayer and the Jews now want to secure this theft, which they call a loan, with collateral in the

form of gold.

In order to go on a gold standard, we will have to place all of our gold, public and private, into circulation and give it up as specie payments which the Jews will then horde and send to Israel. We will immediately lose every bit of real gold we have to foreigners. We will also have to borrow gold from these same Jews, gold which nowhere exists other than in the form of fictional electronic gold credits. In this way, the Jews will steal all the gold in America by tricking us into collateralizing the dollar with gold at a fixed rate of exchange, when we have no need to do so and will only lose by doing so.

We could instead tell the Jews, and their puppets, the Asians, to go to hell, or we could monetize the debt; and start off fresh with a new system of greenbacks. The Jews are destroying the dollar as the reserve currency of the World, so we would lose nothing by telling the Jews and the Asians that we will not oblige their usury.

If we instead turn paper into gold, all of it will go directly into Jewish and Asian reserves, never to return to America, and our debts will increase exponentially and rapidly as we are forced to borrow gold credits to maintain a currency. Without a currency we cannot function as a national economy, and if we go on a gold standard, we must have gold or the illusion of gold to have a currency. We will be forced to borrow this illusory gold as the Jews and Asians will demand specie payments on our unpayable debts and that gold will be melted down and shipped overseas as fast as it can be collected.

But we have no need to go on a gold standard. We can instead bankrupt the Jews and the Asians

and build our own economy all at once by controlling the production and distribution of our currency at the Federal level, and by fighting a war against the Jews. If you personally owed the Jews 14 trillion paper dollars, would you borrow 100 trillion dollars of fictional gold from the Jews to collateralize the already unsecured debt, and hand over all the real gold in America in the form of specie payments to the Jews, all when there is absolutely no need to do so?

And the theft of our gold is only the beginning. The Jews will demand collateral on the fictional gold credits they loan us so that we can pretend to have a gold standard currency. The Jews will collateralize this debt with all our personal and public property, including all of our lands. Then the Jews will ensure that our economy fails by contracting our money supply, so that they can immediately foreclose on the loan and take all we have. And old Ron and his ilk will be there in the government pretending to be patriots and helping the Jews to steal all we have until nothing is left in our possession.

Why should we give up our gold and borrow more gold to collateralize an unsecured debt in paper dollars we could easily control? Why should we borrow fictional gold to create currency when we can instead create that same currency debt free? Why should we borrow fictional gold we must collateralize with all our assets knowing that the Jews will soon steal all those assets and will immediately confiscate the real gold we have as specie payments?

Why am I the only one explaining these irrefutable facts to you?

If You Cross This Line, We Fight! Or Do We?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

One of the reasons why Jews so heavily promote miscegenation is that the Jews believe that "race mixing" destroys human beings' survival instincts. One of the reasons why Jews so heavily promote "multiculturalism" is that the Jews believe that "diversity" reduces the majority to the least common denominator of its minority parts.

The natural world provides us with important instincts which enabled our ancestors to survive. We naturally define and mark our territory, distrust and fight off foreigners, demand the best food and shelter and will fight for them, etc. We become uncomfortable when others come to close to us, and especially when they touch us without permission. We don't like others telling us what to do, or humiliating us. We look to the strong, sane and honest to rule us, always with a preference for ruling ourselves. These instincts make us survival prone and improve the strength of our stock.

The Jews, who want to murder each and every one of us, are trying to destroy our natural instincts, so that we offer no resistance as they kill us. The Jews invite in an illegal invasion of our territory. They steal our personal property and land through usury, corporate capitalism and

a corrupted educational system. They demand that we submit to a humiliating and illegal police State and do all they can to prevent us from defending ourselves, as they deliberately protect criminals. They chastize us if we identify ourselves by our historical origins and degrade them and us. Etc. Etc. Etc.

If Americans each held land that they owned outright, things would be different. We would have a much stronger sense of loyalty to our nation and to each other. We would be freer to enjoy our lives without being rent slaves. We would have an incentive to maintain and improve land. History proves that as land ownership transfers from personal human ownership by citizens or tribal members, to corporate and State ownership by hostile aliens, the land and the human being suffer. The Jews crossed this line and took from us our land, but we did not fight.

The Jews opened up our borders to foreigners, taking from us our sense of unity and sovereignty. We have clearly defined and marked borders, which today are a mere mockery. The Jews crossed this line and took from us our sovereignty and again we did not fight.

The Jews punish us if we "take the law into our own hands" and exact personal justice for ourselves. The Jews demand that we submit to a perverse police presence which degrades and humiliates us. The Jews crossed this line, and we did not fight.

The Jews took from us our homes and force parents to abandon their children in order to provide the means of life. America has overabundant resources which can easily feed and house our population with a minimum of labor, yet our own government has stood in the way of achieving this most basic individual prerogative in order to enable the usurers to work their

heinous craft of enslaving us for life. The Jews crossed this line, stripping us of our humanity and human survival instincts, and again we did not fight.

The Jews poison our genes with toxins, corrupted food, and radiation, and we do not fight. The Jews poison our minds with self hatred and the hatred of others, and we do not fight. The Jews constantly cross all of these lines and trample upon our basic human survival instincts, and we do not fight.

Nature is cruel to those who do not obey her laws. She erases them from existence. Nature favors those who obey her laws by obeying their own instincts. We had better become human, and fast, or we will soon cease to exist.

Place Jewry on the scales of justice and weigh some 15-20 million inbred genocidal Jews against the billions of human beings, and it is easy to reckon what must be done. All that is needed is for us to obey our inner voice without the noise of Jewish whining inhibiting us from listening to ourselves.

Push back as the Jews close in on your soul. Defend yourself and your territory. The Jews have crossed the line over and over again. You must fight for your humanity, or lose it.

It amazes me that most all humans will combat forces which attack us in non-human form. We heat our homes and cook our food. The Jews pretend to be human as they set about exterminating the human race. If you will put an umbrella over your head to shelter yourself from the rain, will you not defend yourself from the aggressive Jew who is murdering you?

Alas, this is where the Jewish subversion of our rights of self defense in favor of a police State have crippled us. We look to and trust in a hostile and abstract police force to accomplish what we can better accomplish for ourselves. But there are no police we can call to save us from the Jews. We must become our own force. There will be no justice or survival if we do not regain our human instincts and act for ourselves, rather than become domesticated and unnatural cross bred slaves.

You see, the Jews are deliberately mixing you with others in hopes of taking away your instincts to fight, just as we have domesticated and enslaved many types of animals through cross breeding and selective breeding, the Jews are trying to domesticate and enslave us by encouraging the breeding of stupid and otherwise inferior types of persons to the exclusion of the breeding of intelligent, strong and productive human beings. Instead of youthful, healthy, honest and sane leadership, the Jews corrupt us with rule by the weak, old, mad and murderously deceitful. Instead of providing wealth to healthy, honest and productive families, the Jews concentrate it in the hands of the perversely cruel, selfish and disloyal.

We are all suffering for allowing the Jews to cross the line over our natural instincts. We must not only fight harder against the Jews, but also face the inert mass of our domesticated, dehumanized and castrated fellow citizens. And yes, the Jews are castrating our men with toxins and radiation, and are castrating our minds by undermining our natural survival instincts with insane and self destructive religions and corrupted educational and media institutions.

AM I NOT SHOUTING LOUD ENOUGH FOR YOU TO HEAR?!? I Publicly Warned Four Years Ago that Arab Leaders Are Allies of the Israelis Against Iran!

Christopher Jon Bjerknes

The latest Wikileaks "revelations" came as no surprise to me or my longtime readers. Though the World, and especially the "alternative" media are pretending to shock when told that Arab leaders were trying to pressure America into attacking Iran, I expressly warned the World four years ago that this was occurring and told you who was behind it. I told you over and over again that the Jews were arming the Arabs, especially the Sunni, to attack the Shia. I told you of this even before I quoted the Israelis' Horse's [mouth]:

"We must turn to Hillary Clinton and other potential presidential candidates in the Democratic Party so that they publicly support immediate action by Bush against Iran. We should also approach European countries so that they support American actions in Iran, so that Bush will not be isolated in the international arena again. We must clandestinely cooperate with Saudi Arabia so that it also persuades the US to strike Iran."—Brigadier General (Res.)

Jews, and they are helping the Jews to gin up wars. As I have been saying for years, the Jews are setting up the Turks to take the place of the Iranians as the new "bad guys" and covert allies of the Jews, after the Jews have annihilated Iran with nuclear bombs; and yes, I was warning you five years ago that the Jews were planning to attack Iran with nuclear bombs, and you failed to help me spread the word about that, as well.

HOW DO I TURN UP THE VOLUME ON THESE FACTS, AND WHEN WILL YOU START HELPING ME TO SAVE THE HUMAN RACE FROM THE GENOCIDAL JEWS?!? Why am I risking my life for you, when you do nothing to help?

The National Debt and Gold, Part 2

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Imagine if you will, that Chaimy Goldusurer wants to steal your house. His cousin, Shlomo Goldthief is the local assessor and overvalues your house by one thousand fold, placing you in tax debts you cannot pay.

Chaimy, the king of Jewtown, then arbitrarily declares that gold is money and you must pay your taxes in gold. You are forced to hand over every last shaving of gold in your possession to Chaimy, but even that is not good nor gold enough. Not only must you pay Chaimy more gold, but if you want to buy food and obtain a salary for your work, you and your fellow citizens must borrow gold credits (not real gold) from Jerusalem Goldscum, an agent of Israel, which now holds all the gold in the World in its reserves in the Temple the Jews just built on site shortly after demolishing the Dome of the Rock.

Goldscum comes a knocking on your door the next day and wants you to pay him the interest on this loan in real gold. You cannot do so, not only because you are in debts you have no means to pay, but also because there is no real gold left in all of Jewtown.

Goldscum drags you before king Goldusurer and he demands that you give over title to your house, which your family has owned outright since 1776, to Goldscum and the Jewish State. Not only that, but every time you come to possess anything of value, you, and after you all of your descendants, must hand it over to the Jews as payment of interest on the interest accruing taxes of the house which remains a debt to you even though you no longer own the house, nor reside in it.

By the way, your name is Uncle Sam, and you have just been formally introduced to the Jew, a vampire that crawled out of Ur some 2,500 years ago and which has sucked the blood out of every nation on Earth since. You were naive enough to let him in and now will become the living dead for blessing him with all your life's blood. Such is the eternal curse of blessing the

genocidal Jew.

The National Debt and Gold

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are deliberately increasing our debts while concurrently diminishing our ability to pay those debts. It is their ancient usurious trick to steal everything of value from our nation.

Our debt as a nation is only secured by the full faith and credit of our subverted government, which could renege on that debt, or monetize it with ease, freeing us from the yoke of debt slavery. That is not what the Jews want to have happen. Instead, the Jews want to put us on a gold standard, so that they can immediately confiscate all privately held gold, and so that they can immediately claim all gold held by the government in payment of the national debt, or by simply demanding specie payments on the immense sums of cash which the Jews have stolen from our treasury.

If we go on a gold standard, the Jews will immediately take all the gold in our nation and ship it overseas. We will then be left without any currency and remaining and increasing debts. In order to pay these debts and create currency, we will be forced to surrender our land and other

property and to borrow electronic gold credits from the Jews, which will not be backed by real gold.

The moment this takes place, the Jews will own everything we have, having paid us nothing for it, having done no work to produce what is ours, and having shed no blood to acquire our territory. Going on the gold standard is about the stupidest thing a nation in deep debt could do, because the doo doo will only get deeper, and fast, as the gold of the nation flows away to Jerusalem.

How can we pay off the debts we already have in gold and maintain a gold currency? There is not enough gold in existence to manage this feat, unless we make gold infinitely valuable in crippling deflation as a currency, giving the Jews who hold most of it the ability to take all of our gold, then buy or foreclose on all we have with micrograms of the stuff, or none of it, but an illusion in computer code.

We have the force, the military strength, to tell the Jews to go to hell. We do not have to give them any of our property or land, let alone all of it. They have done nothing to deserve it. We should instead make it illegal for Jews to own property and confiscate all that they have in their possession.

We have to regain our instincts as living organisms and cease to depend on mental fictions the Jews have created to guide us into the grave. We have our physical might, our brain power and our numbers. We can crush these ticks in a matter of days.

It is only a Jewish illusion that we must pay them anything, let alone allow them to demand gold

from us for what they have stolen from us. Stop believing the illusion that you owe the usurer anything, and the Jew is nothing but a sick rat caught under a thick wire trying to steal your golden cheese.

There is no possible way for us to pay our national debt in gold and maintain a gold currency. Going on the gold standard will enable the Jews to immediately confiscate all of our gold and send it overseas, never to return. We will then be forced to borrow electronic "gold" credits at interest and the Jews will demand specie payments in return (real gold in exchange for dollars), which we will not be able to make given the fact that there will be no real gold left in our borders. The Jews will then steal all we have, including our land, in exchange for more electronic credit which will only further enslave us.

We have no need to live under this Jewish usury system. We vastly outnumber the Jews and have the force we need to remove them from our lives. We can hold millions of them prisoner in our borders and aim our nuclear arsenal at the rest. We can send our military to eradicate the bankers and their wealth and free ourselves of this lethal threat for all time.

What we absolutely must not do is base our unpayable national debt on any real asset, let alone gold. To do so only gives the Jews the incentive to completely destroy our economy so that they can foreclose on the entire nation.

A civilized man does not allow any other man to steal his wealth and destroy his family and nation. A civilized man fights to protect himself, his family and his nation. Splash some cold water on your cowardly face and fight back!

The Precious Nature of Land

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews so value land, that they call the territory they want to steal from its indigenous peoples in the Middle East, "holy"; and the Jews desire to absolutely segregate it, such that no Gentile can even enter its borders, let alone own land. Everywhere else, the Jews promote internationalism.

The Jews are tricky buggers. They even promote internationalism in the form of "Libertarianism" and "Objectivism", which effectively declare that the individual is his or her own sovereign, and that all territory is available on the international market. In this way, the Jews would have you defend with your life land which is owned by international Jews in London and Tel Aviv, and sell off your nation on the auction block with no regard whatsoever for national sovereignty, unless it's Jewish sovereignty over your fate. In effect, the "Liberatarian" becomes a subject of a global State, and must suffer the worst the World has to offer as his own

fate, and submit to a World-wide tyranny whose tentacles embrace everything and whose beak drains dry all life.

Conversely, though to the same effect, the Jews promote the Communist mythology that all property belongs to the Jewish controlled State. Communism is likewise international and encourages "permanent revolution", meaning perpetual war to acquire more land and property for the Jews, while murdering and impoverishing the Goyim.

The Jews own your land through usury and make you rent slaves who manage property they own, again taking from you your sovereign right to own land. But have you ever asked yourself why you are asked to defend land with your life, none of which ultimately belongs to you? The Jews even have you fighting and dying to claim land for internationalism in foreign territory, as part of their "permanent revolution" to wrest from humanity all sovereignty and rights.

Are we Americans so stupid that we cannot figure out a way for each family to have its own bit of land, to own it outright and to manage it for personal benefit? Are we so dumb that we cannot fathom the importance of ensuring that all land in America is American? Why should you defend territory which is owned by fictions, which corporations exist only to gain immunity from responsibility, and/or by foreigners, and why should you tolerate the incursion onto our soil of foreign and corporate ownership of land? How much land abroad does the average American own? In what natural sense does a fiction designed to abrogate duties have the rights of ownership?

The laws of nature are clear, and provide no basis for the Jewish usurpation of our territory. Though the Jews would have us reduce ourselves to the lowest common denominator of

humanity and give up everything we have to an international marketplace in which the Jews rule through the power of the purse, a most unnatural set of circumstances where the weak dominate, it is our natural right to strengthen ourselves and better ourselves in our own interests.

The laws of nature compel us to fight with our minds and with force to take back what the Jews have stolen from us. The laws of nature provide us with the rewards of our strength and the immense value of our territory, which we took by force, and which we have the natural right to enjoy for our benefit.

Our land offers us all we need to prosper. We gain nothing by internationalizing our land for the benefit of the obscenely rich, so that they can also exploit other nations and ultimately globalize all, reducing the surface of the Earth to dust. In fact, we lose our middle class when we allow the grossly rich and the fictions to take land abroad. We make the richer even richer and lose our political power to them. And we lose our own sovereignty by inviting in foreigners and fictions to steal our land and exploit it without regard for our future. We lose both ways and only internationalists profit.

We have the right and the duty to fence ourselves in from the poverty and misery the Jews have brought to much of the rest of the World. To do otherwise is utterly stupid and violates the most fundamental principles of survival. We have the right and the duty to fight off competitors and enemies, and to preserve ourselves.

We bear no obligation to contract leprosy in order to make the World a fairer place for all. Our

onus is instead to make ourselves healthy.

Internationalism is a losing tradeoff on every front for Americans in general. Why would we ever want to trade down? Do we have so little faith in our own abilities that we would give over what is ours to the vultures who circle our shores in hopes of bettering ourselves by joining in the misery of lesser nations?

The laws of nature do not compel us to open our gates to any and all. Instead, natural law will kill us off in short order if we refuse to defend ourselves, and instead sing the praises of our enemies and welcome them into our home.

Even a dog has enough natural sense to grind a tick in its teeth and rid itself of a parasite. Nature can only save us if we obey its laws and fight for our survival, in no small part by defending and improving our territory.

The Jews do everything they can to remove us as far as possible from our natures, which protect us. Internationalism runs contrary to every human instinct. Do we want billions of hostile foreigners voting to govern our fate? Have we no self respect or love for our own kind. . . enter the Jewish lies that we have no kind of our own.

It is often the unkind that proves the kind. Travel abroad, and you will discover the unkind. Look at Jewry and you will discover the unkind. Ours is a better kind and we will do better still when Jewish influence is destroyed, and with it, internationalism.

No people other than the Jewish people promotes global internationalism. Internationalism is a

Jewish disease, and the only cure is to remove Jewry from public life.

No people instinctively degrades itself and sacrifices its own interests as a deliberate act of national suicide. It is only the Jews who deliberately invade every nation in order to turn every nation against itself. National suicide is a Jewish psychosis, and the only cure is to remove Jews from public life.

Would You Cut Your Own Throat to Cure Strep?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The following propaganda video asks you to help destroy the American dollar, and with it the World economy, in the name of combating Ben Bernanke. The video presents several fallacies in order to persuade us to destroy ourselves and the World economy in the fallacious name of hurting the interests of Ben Bernanke:

http://www.youtube.com/watch?v=Gl47z2g2EvI

Contrary to the false premise of the video that Ben Bernanke is attempting to prop up the value of the American dollar by covertly naked shorting silver, Bernanke is himself deliberately destroying the value of the American dollar through several means. Anyone out to expose Bernanke ought to be exposing this fact. Those who want to benefit Americans, should be advocating methods of rescuing the dollar, in which Americans hold their savings and upon which Americans and the World economy depend, rather than advocating the destruction of the dollar in the bogus name of fighting Ben Bernanke, who is himself destroying the dollar.

Obviously, the primary objective of this video is to sell you silver. It is a commercial, which effectively asks Americans to cut their own throat in the name of curing a strep throat infection. Those American dollars which the video wants you to hate and hand over to silver mongers, are your dollars, your economy and your future, which you will destroy if you help destroy the dollar. Note that the silver mongers are quite happy to exchange their silver bars for your dollars.

Our primary goal is to save ourselves, not burn down our barn in order to chase off the rats inside. We will not save America by creating a silver bubble, just as we did not save ourselves by participating in the housing bubble. If the Chinese are indeed participating in a scheme to ruin the dollar and recover their dollar losses with silver, then they must be part of a scheme to destroy the dollar, which is an act of war against the USA. Why would any American view this attack as a good thing? If you want Bernanke out, then get him out and do so in a way that benefits America and the World, not in a way which openly aims to destroy the World economy.

Would you sponsor a video which asks us to arm the Chinese with nuclear weapons so that they can nuke us all and thereby destroy those who are subverting us, and offers as bait some stock in

the nuclear arms business which will rise in value if you help to make it more valuable? Why is Max Keiser promoting this attack on America through our currency, and why is he so prominently featured on a Russian television network?

Note that I am not trying to encourage or discourage anyone from investing in any commodity. How you invest your money is your own business.

We should not be helping the silver mongers to create a silver bubble. We should be helping ourselves by building our nation with sound and sustainable monetary policies. We should be promoting constructive, not destructive, measures.

By the way, are those Hebrew letters featured on the software used to make these videos?

I am beginning to wonder about the Russian psychological war being waged on the "patriot movement" and its ties to the gold and silver cartel. Why are so many featured in anti-American, pro-Chinese and pro-Russian, Russian television propaganda? Didn't David Duke have a Russian girlfriend? What is going on?

Why is the "patriot movement" trying to make it cool to hate America? Why are they promoting China and Russia? All of this reminds me of the Jewish subversives during the Vietnam war who used it, a war the Jews manufactured and perpetuated, as a means to promote anti-Americanism. Why would American "patriots" cheer the demise of America and the rise of China and Russia?

We should not gargle acid to cure strep, nor should we move about in the night to ward off

Jewish vampires. We should instead release their fangs from our throat and celebrate, rather than denigrate, ourselves. We should seek to bolster our economy, not destroy it.

Why am I the only person speaking out against this anti-American propaganda? Where is our Federal government? If these immensely wealthy Jewish controlled banking and financial institutions were really being attacked by these propagandists, why would they not wage a counter offensive? Surely they have incentive, and the finances and the means at their disposal to do so.

Instead, it appears that I am the only voice promoting American interests against those who are attacking us in this way. The rest are siding up against us, or were working against us from the beginning.

Journal for the Study of Antisemitism, Volume 1, Issue 1, Article 1: I Am Evidently Enemy No. 1 of the Jews!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

If you have any doubts about what one man working alone with only the truth on his side can accomplish, consider the fact that the Jews have effectively declared me Jewish enemy number one by making me and my work the subject of the leading article in the first publication of their new *Journal for the Study of Antisemitism*:

http://www.jsantisemitism.org/pdf/jsa_1-1.pdf

I always knew that I was destined for great things, but unfortunately for the Jews, Jacobs, the author of the article, flubbed it badly and in so doing stole some of my glory:

Denial Is the Eighth Stage of Genocide: Dr. Steven Leonard Jacobs' Fatally Flawed Apology for

the Jewish Genocide of Armenian Christians, January 13, 2010

An Open Letter to Dr. Steven Leonard Jacobs and Khatchig Mouradian of "The Armenian Weekly" Demanding a Retraction, January 17, 2010

The Jews Are Obviously Feeling the Heat: Oh How We Miss Hrant Dink and George Apelian! January 24, 2010

Has Jacobs ever retracted his many proven falsehoods? Do Jews like him ever retract their falsehoods?

That reminds me, has John Stachel, son of Jacob Abraham Stachel, ever retracted the falsehoods he published about my work?

I would much prefer to fight fitter champions than Jacobs and Stachel, but the Jews have not offered any. Alas, the Jews control the press, and their lies are echoed in that press, which refuses to publish my responses or to tell the truth about me and my work; but the honor is mine and the truth penetrates the acrid fog of Jewry into the clear and healthy eyes and ears of normal human beings.

Which prompts the question, what group of normal human beings feel obliged to publish a journal about how the entire human race hates them? I suppose that if lice could write, they too would publish such a journal. Weird creatures, indeed, these Jews. Which prompts another question, why does Jewish introspection never lead the Jews to admit the truth? I think lice would be more honest.

I, one man working alone, have greatly affected the whole of humanity, and the Jews are worried. Imagine what we could accomplish together with the *POWER PARTY!*

Only for the Love of Money Has the World Just Now Begun to Wake Up to the Jewish Problem

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The World was happy to sleep through the wars the Jews have waged in the Middle East. The people of planet Earth largely did not care as the Jews degraded and slaughtered Arabs and Afghans. They still don't, though they will gladly seize on the Jews' crimes to justify a counter-attack to recover their money. If you think I am being cynical, consider what would happen if the Jews suddenly caused the economies of the World to recover and grow. All would be immediately forgiven and the Jews could again slaughter and degrade their neighbors in warmongering peace.

It is only the Jews' deliberate attack on finance and the economy which has just now begun to

shake the dreams of the masses and force them to look with unblinking eyes at the Jewish war of extermination on the human race. It is only for the love of money that the people of the World are now beginning to arise.

But do not place the blame for this monetary attack on fiat currencies. It resides instead in Jewry. The dollar and other currencies have proven themselves to be amazingly resilient to the Jews' attack far beyond what the Jews expected. Had not the Jews waged war on our currency, our money would lead us to prosperity most especially if we took control over it.

Under the pressure of this Jewish war on money, which will hopefully lead to a war on Jewry, metallic currency would have utterly collapsed us immediately. All the Jews would had to have done is horde the stuff, then demand specie payments in real metal; and/or simply have issued more gold credits and debts than exists in real gold and call in all loans. Every bank on Earth would then have collapsed in a matter of moments and the entire World would have been reduced to barter without any available credit with which to sow seeds.

Wake up World! But if you really love money so much, then shun the gold standard, as it affords the Jews the ultimate weapon with which to destroy all humanity.

The Stupidity of Religion: The Jews Had the Opportunity to Redeem Themselves, But Deliberately Failed to Do So

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The ancient Jews were rebellious and aggressive subversives. If their own accounts are to be believed, the Jews ruined the Egyptian, Greek and Roman empires, and countless other nations. They were the scum of the Earth and brought misery and ruin wherever they appeared.

After WW II, the Jews had a chance to redeem themselves. The Jews always sensed that it would take a worldwide calamity of their making to shake up Jewry enough to cause it to question itself, but the Jews insanely believed that redemption would come from their mythical and evil god and would empower them to exterminate humanity, rather than benefit it.

Rather than redeem themselves and become normal human beings, the Jews stole the Palestinians' territory shortly after the war, through terror and aggressive war, and by subverting the governments of the World. The Jews insanely attributed their success to their evil god, the Devil, rather than their own evil, and in this sense again failed to redeem themselves by seeing themselves for what they are and always were, evil in semi-human form; and instead of trying to change this their evil nature, the Jews instead sought to glorify and deify it.

The Jews of America would have had an especially easy time of redeeming themselves and the entire Jewish People following the Second World War. While liberating the blacks from discriminatory laws, they could have liberated America from undo Jewish influence. They could have promoted nationalism instead of internationalism. They could have rejected Zionism

instead of empowering it. They could have ceased their usury and ended their economic and financial attack on the World. They could have ceased to corrupt the press and academia. They could have stopped ginning up wars of aggression. Instead of redeeming themselves, the Jews remained themselves.

Being Jewish is an irredeemable state of evil, and the Jews acknowledge this; in that the Jews define redemption as Jewish World rule and the extermination of humanity. The Jews never even begin to consider true redemption, because it would mean that they would no longer be Jews, they would no longer be privileged evil parasites consuming the human race, which is what they have always been and what they always long to be until such time as they have murdered us all.

Alas, the Jews, who invented the scapegoat as a religious exercise, at least for themselves, scapegoat their religion for their own evil and thereby grant themselves license to persist in their obscene war on the human race, and demand their religious freedom to do so. Nature never granted any person the natural right to war on innocents, and we need not oblige the Jews' war on mankind based on natural law. Instead, nature requires that we fight back, or die.

All the Signs Are There that the End Is Near: Beware Anti-Americanism!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Since 2005, I have been publicly warning that the Jews are turning the World against America. Among many other places, including recorded interviews and internet radio, I have tried to persuade my fellow citizens of the dangers of our aggressive wars and that they would turn the World against us as the Jews scapegoated us and our system for Jewish crimes:

Ahmadinejad and Bush Are Willing Scapegoats for Jewish Warlust, August 13, 2006

The Quiet Counter-Attack, November 29, 2006

George Bush's Zionist Foreign Policy Is Making US Enemies, February 10, 2007

The Jews Are Attacking Our Sense of National Pride, December 14, 2008

The World Will Turn on America in 2009: Beware Hillary Clinton, January 15, 2009

I knew this would happen, because I know the history of Jewish empire wrecking. When the Jews wanted to destroy the Ottoman Empire, which refused to sell Palestine to the Jews, the Jews deliberately brought the empire into debts, then cut off its credit. The Jews defamed the empire as the "sick man of Europe". The Jews claimed that Turks were genetically defective and criminal by nature. And the Jews pitted Muslims and Christians against one another so as to

destroy both and leave the Jews standing in "Greater Israel". The Jews criticized the Ottoman government and sought constitutional reforms, turning the subjects of the empire against themselves. The Jews used their press and their man on the street spreading rumors and smears, and attacked the Turks for war crimes to turn the World against the Turks.

As part of the Jews' strategy to destroy the Ottoman Empire, and as part of the Jews' strategy to destroy the Russian Empire, the Jews pitted these two forces against each other in war after war, bringing them both into debt. The Jews defamed the Czar and Russia as being economically unviable, after the Jews deliberately brought economic hardship to the Russians by cutting off their access to the money markets, ginning up wars while manufacturing and financing Russia's enemies, including Japan, and by organizing and leading crippling strikes which destroyed the Russian nation, which strikes the Jews falsely blamed on the Czar and on Russian industry. The Jews criticized the Russian form of government and turned the Russian People against itself. Then the Jews brought in American Jews and Chinese to slaughter the best of the Russians. The Jews issued deceitful reports around the World of "Pogroms" they themselves manufactured and grossly exaggerated, so as to defame the Russians and earn them enemies.

When the Jews sought to destroy the German Empire, they ridiculed the Kaiser and German involvement in the Middle East and Africa. The Jews pitted Catholics and Protestants against each other and manufactured the *Kulturkampf*. The Jews instigated crippling strikes and did all they could to subvert German industry and agriculture. The Jews starved three-quarters of a million German civilians in the First World War, and tried to blame the Monarchy, ginning up

Communist "revolution" in Germany. The Jews used their press and control over dissidents to generate anti-Germanism around the World, claiming that Germans are predisposed genetically to war and aggression, and must be ruined.

The Jews are doing the same to America. They have led us into wars and unpayable debts, and will cut us off from the money markets by destroying our currency. The Jews are defaming us around the World, and through our own dissidents, in order to make us enemies and demoralize us from within our own ranks. The Jews obviously want the World to attack us and slaughter tens of millions of us, if not hundreds of millions of us. That is why the Jews so heavily promote anti-Americanism and defeatism in the media they dominate, both mainstream and alternative.

They did it to the Ottoman Turks. They did it to the Imperial Germans. They did it to the Russians. Now, the Jews are ruining us.

All the signs are there that the Jews are planning an imminent coup and will bring foreign forces against us to attack us on our own soil. The Jewish dominated alternative media is calling for crippling strikes, promoting anti-Americanism and a military coup d'etat, and demanding defeatism and inaction. The Jewish dominated alternative media hype the Jews' gold standard and call upon us to help the Jews ruin our currency and our economy, and to hate and defeat ourselves and save the Jews the trouble of destroying us.

Beware the anti-American Americans, they are Jews in Goy clothing. The Jewish People have always been disloyal and hostile to the nations, and always will be if permitted to continue to exist.

What I Love About America: A Response to J. B. Campbell's Anti-American Aggression

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

J. B. Campbell has published a deliberately demoralizing article, which attacks America based upon the fallacy of faulty generalization. He has declared himself my national enemy, and I take him at his word:

http://www.veteranstoday.com/2010/12/13/jb-campbell-anti-american/

One need only generalize Campbell's attack on America to include all white Europeans to see in living color the irrational basis of his criticisms of our nation. One could take it another irrational step and condemn the entire human race for the actions which are more properly attributed to the Jews, and their documented 2,500 year old war on humanity. The British, French and Spanish claimed a whole lot of Indian territory, before Americans took over this land, and Campbell makes us a scapegoat for their actions, and he does a lot of that, scapegoating Americans generally for the deliberate crimes of Jews and their puppets.

The Jews routinely make a similar general attack on Germans for the alleged crimes of the Nazis, as does Campbell's assault on America, with the same obvious intent to demoralize the targeted group and to defame them internationally. When the Jews wanted to obliterate Germany, they published the book, which Campbell cites, *Germany Must Perish!*

Would Campbell insist that "America Must Perish!" and, if so, in what way? Campbell speaks of American genes, to where is Campbell's propaganda intended to lead a World that is increasingly turning against America and Americans, especially American Whites? Campbell states, referring to a supposedly uniquely American murderous arrogance,

"But there's a gene in us that makes us extremely dangerous and destructive. We have been conditioned to view ourselves as exceptional-better than other people-and deserving of whatever other people have, such as land, gold, oil, water, whatever. You can see this gene metastasizing in the leaked videos of Americans slaughtering Iraqi civilians from our multi-million dollar attack helicopters. I say they're ours because we're on the hook for them."

When the Jews sought to demoralize subjects of the Ottoman Empire, the Russian Empire, the British Empire, etc., they published similar attack's to Campbell's attack on America. Campbell's words stink with same sour, corpse-like stench. He rattles off a roll call of crimes he attributes to Americans in general terms, while concurrently conceding that Americans have been fed a steady diet of lies which cover up these primarily Jewish crimes, and/or specific war crimes, and

acknowledges that Americans are not aware of these facts. So how is it that Americans are generally responsible for actions the subverted nation has taken under false pretenses, or would Campbell eliminate the human race because it is capable of crimes when subverted by the Jews?

Of course, Americans do bear the responsibility to exercise due diligence before waging war, and prior generations did commit crimes in the full knowledge of the causes and effects of their activity. So do my young children bear the blame for this? They are Americans. Should America engage in civil war and destroy and balkanize itself to the delight of the Jews who have been trying to accomplish these horrific ends for centuries? What remedy would that be?

Does Campbell assert that the American nature is evil and irredeemable, as is the Jewish nature? If so, on what basis? And what is his solution to the American problem he lays before us with overwhelming and blatantly tendencious anti-American bias? If Americans are so inherently evil, as Campbell would have us believe, then why must the Jews lie to Americans about what the Jews are doing?

Campbell is a bit of a name dropper. Many of the names he shares with us seem to be Jews, some from that Hollywood he rightfully condemns. Why do Jews figure so prominently in Campbell's background?

Rather than go through the list of allegations Campbell lays before us, and ascertain who was behind those crimes which did in fact occur, and how the American public was duped into taking actions that run contrary to America's interests and ethical code, let me instead state what it is that I love about America. It is, of course, vitally important to explore the how's, who's

and why's of these historical facts, if for no other reason than to try to remedy the situation in a productive way, but it is beyond the scope of this article to do so.

So here are a few reasons why I love America beyond my loyalty to the nation which gave me life and which sustains me:

Territory! We own vast lands that provide for our sustenance and defense. Our neighbor States are weak and are under our control. We have tremendous coast lines, varied climates and terrains, all of which afford us Autarky if only we would put our resources to work for our interests. Only a fool would give any of this up, or resent it. America has great, perhaps unparalleled potential and the land can give us all we need to obtain it.

Language! We speak the *Lingua franca* of the day. English is our national tongue, and the language of international diplomacy, science and trade.

Freedom! We have court systems at our disposal and the freedom to speak and assemble. If others inhibit our freedoms, it is incumbent upon us to exercise and defend them; and if we fail to do so, it is our failure as human beings, not the failure of our system of freedom.

Military Might! We have the strongest military in the World. If we put it to use to favor our interests, it can save us from our worst enemy, Jewry. Only a fool would give up such force, and in favor of what, the power of the Chinese, Russians, or?

Infrastructure and Entrepreneurial Spirit! America has imported great and productive minds from around the World and cultivated an industrious entrepreneurial spirit. The Jews have tried

to subvert this native genius by corrupting our educational systems and promoting the Communist myth of the working class hero, while promoting higher education among their own; but the native genius of our People remains and can be tapped for our own benefit, as opposed to the internationalists' benefit.

Farmland! We have great stretches of farmland to feed our People, and varied climate to provide us with homegrown food year-round. Campbell, in a typically Jewish manner, tries to falsely portray our virtues as if vices; by claiming that our land is defiled by GMO's; without acknowledging that this is not an intrinsic flaw of our land itself, but rather a deliberate subversion which can and must be corrected; not by generating hatred of America as a nation, but rather by healing America as a nation. And herein lies the pernicious nature of Campbell's attack, which could have instead represented legitimate and constructive criticism, rather than nihilistic condemnation and demoralizing propaganda. Campbell repeatedly confuses gullibility with intent, and the weaknesses of human nature and its vulnerability to manipulation, with Americanism, *per se*. He generally hates Americans, by his own expressions, and tries to justify that general hatred with specifics not intrinsic to Americans in general. Again, I must say that Campbell's attacks on America run parallel to the Jews' attacks on Germany. Campbell will try to counter that his assault is based on facts, while the Jews criticize Germans based on lies, but I suspect that Campbell would have a hard time consistently defending Nazi aggression, or the Jewish manufactured pan-Germanism which preceded it, though I do not doubt that he will try, just as he inconsistently attempts to justify European colonialism in Africa while condemning it in America and the Middle East.

Education! America has an effective system of higher education which can be easily improved to provide us with what we need to develop industry and health care to the highest standards. Americans view education as a right, and that provides a solid foundation for improving our nation. Our sensibilities are precious commodities in themselves and represent our potential.

Bill of Rights! America has a social contract which recognizes our rights as human beings. We have shed off Monarchy and have the potential to develop true Republican Democracy, but we must first purge a hostile subversive aggressor from our public life. Here again, Campbell craps on our rights by stating that our enemies are subverting us, as if the two were one, subversion and rights.

Campbell ignores the great importance of our American sensibilities. Those declarations in the Bill of Rights have real meaning to us, even when subverted, meaning they would not have to those who lack our American sensibilities. That is what I love most about Americans, the sensibilities by which we define ourselves, no matter whether we live up to them, or not; and that is what the Jews most hate about us, and that which they so desperately try to subvert because the Jews hate human freedom. The love of those rights is like the love of land. Some may conquer them, temporarily, but as long as we define ourselves by them, they remain a prospect for us for which we fight to our deaths, even against those who openly try to destroy us from within and provide our enemies with anti-American fodder.

Don't Look At It, Fix It!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have deliberately rendered the "anti-Zionist Movement" ineffectual by making it a forum for bitching rather than acting. Consider the fate of a family of pioneers who whined and sat on their backsides gazing onward as things went wrong, rather than fixing them.

Suppose the father of this family failed to grease the axles on his covered wagon, because no else did it for him. The wheels then fell off out in the wilderness. Everything inside spilled out onto the ground, and animals came to eat the fallen food.

Now imagine that this family stared at this calamity, rather than doing anything about it. They cheered and congratulated themselves when one of them pointed out one problem after the other, but did nothing to rectify the situation. Dad said, "Oh, look at the wheel!" Mom shouted,

"the coyotes are eating our meat!" Little Becky warned, "If we don't collect the tent we will have no place to sleep!"

But no one picked anything up or fixed anything, they just stared at their problems and complained. Then the family died, when they could easily have greased the wheels, put them back on and secured the hubs, then reloaded their wagon and left.

Such is the sorry and deliberate state of the "anti-Zionist Movement" which is run by Jews employed by the Jewish gold cartel. I suggest you unhitch from them, and start to take action to save us all.

Individual self defense is not enough. Consider the fact that though you may refuse to go through x-ray scanners, your neighbors will. Now realize that your children, grandchildren and great grandchildren will marry the children of your neighbors, and that your DNA will mix with damaged DNA and produce monsters rather than human beings. We must act as a society and protect one another, because the Jews are attacking us at the most fundamental levels of life and saving ourselves as individuals is not enough. We must not only act as opposed to merely bitching, we must act on a grand and organized scale, which is what the Jews in the alternative media always try to prevent you from doing.

Will You Be a Bystander at Your Own Execution?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have succeeded in separating the majority from control over their own fate, by separating the masses from reality and their will to survive. Jews have duped hundreds of millions into believing that they are ghosts inside an essentially dead body of flesh.

Christians are taught, by Jews, to become passive as the artificially manufactured "end times" approach. I suspect millions, perhaps hundreds of millions of Christians will pretend away the horror of their own execution by pretending that they are only witnessing their own demise as if it were a television show, and that it is not real to them because they will live through death.

For three and a half years I have been shouting as loud as I can that the Jews will openly convert our political system into unabashed totalitarianism with a union of the parties into one metaparty, which serves the Jews and only the Jews through undisguised Leninist "Democratic centralism". On 15 July 2007, I wrote:

Many have asked how the Russians and Ukrainians allowed themselves to be taken over and massacred by a handful of Marxist Jews. Many have asked how the Nazis were able to turn cosmopolitan and modern Germany into a racist, supremacist, totalitarian and repressive state, on the Judaic model. In the future, will they ask how Americans allowed a handful of Jewish elite to take away their rights, rob their wealth, and dupe them into illegal

aggressive war (note that the three horrors are intertwined like the cords of a hangman's noose)?

The Indescribable Evil of Jewish Totalitarianism Calling Itself "No Labels" December 21, 2010

Political parties which serve the Jews and only the Jews have always and only produced wars, debts, bondage and death for Gentiles. I have afforded three and a half years of forewarning of

what is today happening. What have you done to help me prevent it?

You are as prepared to go cowardly into death as were the hundred million who let the Jews slaughter them in the 20th Century. Can you not see the absolute control that the Jews will have should they succeed in removing even the illusion of a multiple party system? The new rule will be conform or die, or just plain die to make room for a better world.

I can now see with my own eyes how the Russians let a handful of Jews slaughter them. The Jews are slaughtering you, before my very eyes, and you do not a damn thing to stop them.

I am offering one means to fight back, the *POWER PARTY*. If you have some other proposal, you better make it fast. If the Jews succeed with "No Labels" you have to wonder how long it will be before all other parties are rendered "illegal" in the name of "unity". We can also expect that this new Jewish "Democratic centralism" will quickly produce a new *Ermächtigungsgesetz* and *Gleichschaltung* by means of which the Jews will exercise complete control over the public debate without any resistence.

Fight it now, or die under it! Our defense will never again be as easy, nor as likely to succeed, as it is today. If you had listened to me three years ago, it would then have been far easier than it is now. Things will only get worse if you fail to act.

The Indescribable Evil of Jewish Totalitarianism Calling Itself "No

Labels"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have come up with a new name for their old two party totalitarianism, melding itself into "No Labels", which means no choices for anyone other than the Jews who control the totalitarian State they have created. Using the same neuro-linguistic programming which gave us Jewish totalitarian Obama on an empty platform of "Change", we will again change from bad to worse if we fall for this Jewish ruse:

http://www.youtube.com/watch?v=RLBccdSmQiU

http://www.youtube.com/watch?v=pUeTzm-IP_8

I have proposed a method by which we can capitalize on this Jewish sham in a recent blog:

The Middle Path to Our Victory in 2012, November 30, 2010

It is important for us to label "No Labels" as "Indescribably Evil" and "Jewish Totalitarianism" and to coopt for ourselves all of the momentum that it generates.

I correctly predicted that this Jewish Totalitarianism would infect us when Obama took office:

Goldbuggery Blues: The Reasons Why the Government Cannot Allow Competing Currencies

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Libertarianism affords the Jews a very effective method of enslaving the Goyim and of destroying their ability to generate credit from nothing and thereby promote productive enterprise for themselves. Libertarianism would turn America into a Jewish run plantation where the Goy slaves would be forced to buy Jewish goods and services on credit and remain in debt bondage for life.

Like all would be monopolists, Ron Paul politely asks for the "freedom" to "compete" with the American dollar. I don't know if old Ron is intelligent and informed enough to understand just what is intended by this subversion, but those who hold his chain certainly are.

A Federal currency is intended to circulate unimpeded and must do so in order to maintain its value and the consumer's confidence in its ability to store and represent value. However, should we grant the Jews the "freedom" to collude with one another and create monopolies, the Jews will have an easy time attacking the value of competing currencies which must of their nature circulate without restrictions.

For example, suppose that old Ron has his way and makes gold and silver privileged commodities which can be exchanged tax free and in this way be used as money. Further assume that Ron manages to unleash his bosses from all government regulation including anti-trust and legal tender provisions.

The Jews can then monopolize the food markets at all levels. The Jews will then demand gold and silver electronic credits as the only means to buy their food, which is the only food available. This will accomplish two things for the Jews, which will unfairly bury the dollar, just as the Jews eroded the value of the Greenbacks through corrupt manipulation and by creating a captive market for their gold.

First, it will create a demand for their illusory gold and silver credit currency, thereby deflating it and increasing its value relative to the dollar. Secondly, it will inflate the dollar by forcing consumers to exchange more and more dollars for increasingly scarce gold and silver credits, and by eliminating the dollar's ability to freely circulate as currency other than to purchase said

credits.

The Jews will then boast about the superiority of "real money" citing its deflation as the "fiat currencies" hyperinflate, but the masses will not prosper due to this alleged "superiority". They will instead starve, as has so often happened to societies employing metallic currencies.

In this way, among many others, Libertarianism affords the Jews the opportunity to enslave you in the name of granting you "freedom".

That said, the government could issue different forms of currency for different purposes. For example, Blacks have long complained that dollars flow directly out of their poorer communities. This problem could be solved with a specific currency for those communities which could not be exchanged or used by others except at a regulated rate of exchange, forcing barter and maintaining wealth in the community. This would by no means be a panacea, and Black on Black crime and other problems would have to be addressed as well, but it could well be part of a strategy to improve the standard of living of our citizens and combat wealth discrepancy. Such a program could also be employed with success regionally to revitalize areas in need of support.

The EU provides a good example of how not to monetize society, because it promotes growth in Germany while undermining growth in other regions, then demands that Germany subsidize others.

While on the subject, let me touch upon one more important issue with respect to the infectious

gold bugs and their poisonous propositions. Why do they whine about backing the dollar with gold, when they can back their own dollars at any moment by buying gold with them from gold mongers eager to exchange metal bars for purchasing power?

The reason why the Jews promote a gold standard is so that they can force the gold out of our reserves, so that they can then steal it and send it to Israel, and China on its way to Israel. Then the Jews will force us to borrow gold credits and to collateralize this loan with all our real property. The Jews will then ensure that we fail economically, so that they can steal all we have by foreclosing on the loan of illusory gold. Just as the Jews have always used loans on property to steal property, they will turn America into a national pawn shop.

The Jews want to first steal all of our gold, then mortgage America for a loan of gold credits, then destroy America and foreclose on all we have.

Anyone wanting to back dollars with gold can do so today and trade them for metal. The Jews aren't interested in currency, per se, they instead want to steal our gold and then everything else we have. Stealing our gold will give them the leverage they need to steal everything else, especially if they can then force us to borrow gold credits from them and then demand payments in real gold, which will no longer be available in America. In this way, the Jews will then be able to steal all of our belongings claiming that we owe them real gold which we cannot pay because real gold will be nowhere to be found outside of Israel.

That has been the Jewish plan from the beginning and it is laid out in the Torah. The Jews will be the head, and you the tail. If you desire a gold standard, prepare to bend over and wag.

Deuteronomy 15:6 (KJV)

". . . thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shall not reign over thee."

Deuteronomy 23:19-20 (KJV)

"Thou shalt not lend upon usury to thy brother; usury of money, usury of victuals, usury of any thing that is lent upon usury: Unto a stranger thou mayest lend upon usury; but unto thy brother thou shalt not lend upon usury: that the LORD thy God may bless thee in all that thou settest thine hand to in the land whither thou goest to possess it."

Deuteronomy 28:12-13 (KJV)

". . . thou shalt lend unto many nations, and thou shalt not borrow. And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath;"

Deuteronomy 7:6 (KJV)

"For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

Genesis 47 states:

"1 Then Joseph came and told Pharaoh, and said, My father and my brethren, and their flocks, and their herds, and all that they have, are come out of the land of Canaan; and, behold, they *are* in the land of Goshen. 2 And he took some of his brethren, *even* five men, and presented them unto Pharaoh. 3 And Pharaoh said unto his brethren, What *is* your occupation? And they said unto Pharaoh, Thy servants *are* shepherds, both we, *and* also our fathers. 4 They said moreover unto Pharaoh, For to sojourn in the land are we come; for thy servants have no pasture for their flocks; for the famine *is* sore in the land of Canaan: now therefore, we pray thee, let thy servants dwell in the land of Goshen. 5 And Pharaoh spake unto Joseph, saying, Thy father and thy brethren are come unto thee: 6 The land of Egypt *is* before thee; in the best of the land make thy father and brethren to dwell; in the land of Goshen let them dwell: and if thou knowest *any* men of activity among them, then make them rulers over my cattle. 7 And Joseph brought in Jacob his father, and set him before Pharaoh: and Jacob blessed Pharaoh. 8 And Pharaoh said unto Jacob, How old *art* thou? 9 And Jacob said unto Pharaoh, The days of the years of my pilgrimage *are* an hundred and thirty years: few and evil have the days of the years of my life been, and have not attained unto the days of the years of the life of my fathers in the days of their pilgrimage. 10 And Jacob blessed Pharaoh, and went out from before Pharaoh. 11 And Joseph placed his father and his brethren, and gave them a possession in the land of Egypt, in the best of the land, in the land of

Rameses, as Pharaoh had commanded. 12 And Joseph nourished his father, and his brethren, and all his father's household, *with* bread, according to *their* families. 13 And *there was* no bread in all the land; for the famine *was* very sore, so that the land of Egypt and *all* the land of Canaan fainted by reason of the famine. 14 And Joseph gathered up all the money that was found in the land of Egypt, and in the land of Canaan, for the corn which they bought: and Joseph brought the money into Pharaoh's house. 15 And when money failed in the land of Egypt, and in the land of Canaan, all the Egyptians came unto Joseph, and said, Give us bread: for why should we die in thy presence? for the money faileth. 16 And Joseph said, Give your cattle; and I will give you for your cattle, if money fail. 17 And they brought their cattle unto Joseph: and Joseph gave them bread *in exchange* for horses, and for the flocks, and for the cattle of the herds, and for the asses: and he fed them with bread for all their cattle for that year. 18 When that year was ended, they came unto him the second year, and said unto him, We will not hide *it* from my lord, how that our money is spent; my lord also hath our herds of cattle; there is not ought left in the sight of my lord, but our bodies, and our lands: 19 Wherefore shall we die before thine eyes, both we and our land? buy us and our land for bread, and we and our land will be servants unto Pharaoh: and give *us* seed, that we may live, and not die, that the land be not desolate. 20 And Joseph bought all the land of Egypt for Pharaoh; for the Egyptians sold every man his field, because the famine prevailed over

them: so the land became Pharaoh's. 21 And as for the people, he removed them to cities from *one* end of the borders of Egypt even to the *other* end thereof. 22 Only the land of the priests bought he not; for the priests had a portion assigned them of Pharaoh, and did eat their portion which Pharaoh gave them: wherefore they sold not their lands. 23 Then Joseph said unto the people, Behold, I have bought you *this* day and your land for Pharaoh: lo, *here is* seed for you, and ye shall sow the land. 24 And it shall come to pass in the increase, that ye shall give the fifth *part* unto Pharaoh, and four parts shall be your own, for seed of the field, and for your food, and for them of your households, and for food for your little ones. 25 And they said, Thou hast saved our lives: let us find grace in the sight of my lord, and we will be Pharaoh's servants. 26 And Joseph made it a law over the land of Egypt unto this day, *that* Pharaoh should have the fifth *part*; except the land of the priests only, which became not Pharaoh's. 27 And Israel dwelt in the land of Egypt, in the country of Goshen; and they had possessions therein, and grew, and multiplied exceedingly. 28 And Jacob lived in the land of Egypt seventeen years: so the whole age of Jacob was an hundred forty and seven years. 29 And the time drew nigh that Israel must die: and he called his son Joseph, and said unto him, If now I have found grace in thy sight, put, I pray thee, thy hand under my thigh, and deal kindly and truly with me; bury me not, I pray thee, in Egypt: 30 But I will lie with my fathers, and thou shalt carry me out of Egypt, and bury me in their buryingplace. And he said, I will do as thou hast said. 31 And he said, Swear unto me. And he sware unto him.

And Israel bowed himself upon the bed's head."

I Have Been Warning About This for Decades

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

If you watch the following video interview of George Soros, you will hear him state that which you have heard first from me many years ago:

George Soros Interviewed

Now consider what China as the new America will signify for humanity as the World erodes under the complete control an international gold standard will afford the Jews. Consider first the mayhem the Jews have committed with a mere couple hundred million Americans for cannon fodder and factory work. Now consider the damage the Jews can do to humanity with billions of Chinese under their yoke and absolute control over the economy of every nation on Earth. And who do you think the Jews will attack with their new Chinese attack dogs? The US!

The Chinese have not been breaking their backs in sweatshops for nothing. The Jews have promised the Chinese all of the Americas, including the US. Just as the Jews stole their loving neighbors' gold when the Jews left Egypt, they desire to steal our gold as they leave the US.

I have given everyone many years' notice of the precise plans of the Jews. When will you start to act on it?

Their primary plan for you is to kill you. Does that give you no motivation to save yourself? Do you still think this is a game where you can bitch and whine on the internet, but do nothing of any consequence, and continue to survive?

I am afraid things are about to become very much worse for you and us all. Will you do nothing until the bulldozer dumps dirt over your cowardly corpse?

Pay Close Attention to What and Who the Jews Define as Heroic and Our Heroes

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Examine ancient religions and cultures and you will observe that most normal human beings defined their heroes as those who saved the nation from its enemies, foreign and domestic; especially those who performed superhuman deeds of self sacrifice. The hero was often intelligent, strong and clever. Most of all, the hero was loyal to his people.

The Jews use defamation and hero worship to control us. The Jews tend to define our heroes as champions of abstractions, not peoples or other real things, even when the Jews try to coopt real heroes for their own Jewish purposes. Jewish heroes champion Jewish abstractions and concepts and only champion nations and peoples when doing so merely supports Jewish notions.

Christians worship a Jew and find him heroic not because he championed their people or was loyal to their group, but rather because he championed ideals, Jewish ideals which are self destructive and easily obtained by anyone who merely claims, "I believe!"

Communist Hollywood Jews gave us the "working class hero", who is a supposed hero not because he defends the people or accomplishes great things as an individual which better our world in general, but rather because it is easy for the least amongst us to aspire to this mediocrity, or submediocrity, and because this supposed hero is anti-intellectual and anti-bourgeoisie reducing the Goyim to perpetual peasantry, and further because this individual is easily manipulated to conform to what the Jews define as the best goals of society and does not depend on logic or scientific methods. The heroes the Jews give us so that we can seek to emulate them, destroy us. They attack other nations not to defend America, but rather to spread Jewish ideals and accomplish Jewish goals. Our soldiers make the World safe for Jewish

democracy, they do not defend our national interests or our national ideals, in the Jewish portrayal of our supposed heroes.

The old religions made their gods heroic champions of the nation and the people. The indigenous gods glorified the nature of the people and the nation and defended them.

The new Jewish religions make their gods champions of self destruction and demand aggressive proselytizing in the form of aggressive war. They are absolutely intolerant of human nature and dissension or disagreement, and attack the person as well as the nation, compelling believers to attack all non-believers so as to create an homogenous anti-human World.

Pay careful attention to what the Jews define as heroic and who they promote as heroes and how they promote them. Notice that our supposed "great Americans" are promoted as if defenders of "universal" abstract ideals, rather than defenders of our soil and our people. The Jews almost always portray our heroes as if aggressive and intolerant internationalists of one stripe or another. The Jews tend to define our heroes as attackers rather than defenders, and our heroes are defined for us as if attacking or defending ideas, rather than real beings.

In this way, their crimes are diminished as are their accomplishments, as if all part of a divine process, all held comfortably in the tentacles of the international Jewish octopus. When our heroes commit genocide, it is only ideas that are under fire, anti-Jewish ideas, so the crime is not seen as the horrible reality it is. When they save our shores, they are instead rescuing thoughts, Jewish thoughts, so their actions do not promote our nation or our people but instead promote the Jewish subjugation of our people and nation.

Compare the heroes of old with the Jewish Hollywood hero. See that the Jewish hero attacks and destroys the very nation and people it purports to save.

The reverse side to the obverse face of the Jewish hero, is who and what the Jews defame. The anti-hero is most strongly portrayed in the Jewish media as anyone who fights back against Jewish aggression. Hence, the Jews make Whites, National Socialists and Muslims the anti-heroes of their Hollywood productions, and make their supposedly most noble heroes those who murder Whites, Germans and Muslims; not because the "heroes" protect America, but rather because they perpetuate Jews and Jewish ideas by attacking human beings, national sovereignty and human dignity.

Economy, War and Purpose

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews want us to view ourselves and our common values as if threats to the abstract "ideal" they create and define as our very destruction. Any group which has survived the competition that nature forever provides us, has united against a common enemy and viewed its own

survival as the highest goal. Any group which endures views the reality of itself as ideal, not some abstraction opposed to its nature and its survival.

When we see ourselves as a nation with common objectives and values that benefit us and our desire to provide our children with a better life, we have a common direction to pursue, and the ability to work together to achieve that which will enable us to continue as individuals, families and a nation. When we view our national struggle, not as if a game in which we will be rewarded for playing nice, but in its true light as the defining factor of our continued existence, then we will fight to live and provide the basis for the life of our children.

The Jews, with their deliberately destructive internationalism, have corrupted the minds of our People to believe that we are simply playing a game with the World, and that if we play nice, our reward will be peace and eternal life as a nation. At the same time, the Jews forever engage us in aggressive war, not to strengthen us, but rather to weaken, bankrupt and demoralize us.

The Jews have us justify this obvious contradiction in our Jewish manufactured mythologies with the lie that we are making the World a better place by making the World into America, on the Jewish model, at the point of a gun. It is a very similar process to the Judaization of the World through Jewish Christendom and Jewish Islam, at the point of a sword. Both pretend to be religions of peace, just as Jewish America pretends to be a nation of peace, while all these Jewish designed belief systems are aggressive engines of war. They all preach eternal peace in order to make perpetual war on the human being and the Earth, which war benefits the genocidal and suicidal Jews and no one else.

The Jews do not teach Americans, Christians, or Muslims, to love, honor and defend themselves

as individuals, then families, then as a nation; but rather to define themselves as abstract concepts opposed to human nature and the perpetuation of life, self-hating concepts to be imposed through force upon all of humanity. This strips from us our individuality and our connection to reality, and substitutes for our natural mission to survive, a perverse mission to convert others through force into unnatural, anti-human psychotics, who forever seek to take away the human nature of others because they see human nature and the natural world as the common enemy to be destroyed in the competition of international "godly" life.

This becomes an all consuming game which has no relation to natural laws, but instead compels the sacrifice of human nature for unnatural behavior engineered to produce destructive uniformity in which an anti-human ideal is presented as if justification to destroy that which nature created, us and our living environment.

The White, the Black, the Chinese, the proud, the strong, are all defined as obstacles to an homogenous and supposedly desirable subservient mutt. The real is hated, the unnatural and destructive abstract worshiped as if divine. The nations are defined as only legitimate to the extent to which they conform to an arbitrary and unnatural Jewish model of what is abstractly defined as if "ideal" and all ideals according to the Jews are universal based upon a universal double standard in which Jews are deemed perfect and non-Jews, evil by nature.

Never are the authentic products of nature viewed as beautiful, right and deserving of protection. The Jews have instead defined "progress" for us all as the hatred of the real human being and the destruction of nature. All motion, all direction, all goals, are focused towards achieving the destruction of human nature, the natural human form, and nature itself. The Jews

justify this hatred and destruction by duping us into pretending that we are not already the ideal, but are instead destined to be engaged in the process of unbecomming ourselves in order that we might someday become ideal as the Jews define that which is good.

Were we woods, the Jews would try to convince us to become termites and then to devote ourselves to converting the rains into termites, so that we destroy not only ourselves and them, but also so that they destroy themselves and us. Were we termites, the Jews would stigmatize termites as if evil and insist that we become anteaters. Always, the Jews teach us to hate, and to try change ourselves into that which we are not, and that which will destroy us and profit them. For the Jew, science and technology exist to destroy all that nature produced, not to preserve it. Most specifically, the Jews view science and technology as a means to destroy competing human beings, specifically Whites; and to destroy all of nature.

The constant struggle we fight to preserve ourselves is NOT a game. We should NOT play nice in the international arena or in our battles against the aggressive Jew, nor should we cripple ourselves in an attempt to change others into something nature did not intend them to be. We must admire ourselves and seek to preserve ourselves, if need be by eliminating our enemies.

We must cling to our individuality so that we can strengthen, honor and preserve our families and our nation, that nation which exists as a reflection of us, real human beings, not Jewish lies, that nation which holds the soil that shields, houses, clothes and feeds us. This nation is our life and if we give it up, at first by loathing it and spitting upon it and wishing it were other than what nature has made it, then we are destined to die with it as we kill ourselves and our nation.

Science, technology and the economy should serve our love of ourselves, our families and our nation by enabling us to create and maintain sustainable systems of life that glorify and celebrate our nature, rather try to change us into that which destroys and despises us.

To a Jew, any person who is normal, any person who admires himself or herself, is the Jew's mortal enemy, is an "anti-Semite"; because the Jew understands that it is at war with humanity and normality, and the Jew understands that any person strong and proud enough to be a normal person is compelled to fight back against the Jew who is trying to kill him or her and cannot tolerate the existence of a genocidal parasite bent on killing all that is natural and normal. Any economy, political system, belief system or religion which does not exist to serve the Jew is de facto "anti-Semitic" in the Jew's mind, because it promotes life and nature and the Jewish mission is to wipe out humanity and nature. For the Jew, any person who understands the Jew and its mission to destroy must be "anti-Semitic", just as any person who understands cancer and wishes to live must be "anti-cancer". That is why the Jew instinctively calls anyone who tells the truth about Jews "anti-Semitic". To speak the truth is to tacitly or openly call out for normal human beings to defend themselves from the ever attacking Jews.

This cold reality forms the basis of our common purpose today as a People fighting against a common mortal enemy, Jewry. Our economy must be reengineered to serve us an individuals, families and a nation, which means it must also combat the Jew. We must keep our wealth in America and recover what the Jews have stolen. We must create sustainable means of feeding, housing, employing, educating and entertaining our People. The Jew will oppose us on every front, and in order to be human, we must fight this inhuman enemy on every front.

We must fight this war as a war and not as if it were instead a genteel Gentile game. The Jews are murdering us, they are poisoning us and destroying our genetic makeup. They are killing off life across the planet and making every attempt to change nature from what it is, into an unnatural and irrecoverable horror.

Being nice will not bring us victory or grant us eternal life. We have to look after our own interests first and secure our position. Victory is not being given an abstract reward or seeing our faces on television. Victory is that children who resemble us and who derive from our children will walk this ground in a thousand years and live and be happy human beings who strive to preserve us through themselves.

Our economy, our wars, our lives must comply with these simple laws of life and nature, or we will perish. We must cease trying to unbecome ourselves so that we become what the Jews insist we be, dead; and instead start to truly live by fighting back against our common enemy: the ghastly, abnormal and unnatural genocidal Jew.

At present, our national purpose under the Jews is to unbecome ourselves and destroy all others. Even, nay, especially in the "patriotic" demonstrations the Jews fake, they always define us in ways which mock our true nature and virtue, and instead promote all that we by nature oppose. The Jews promote subservience to national and international crime and genocide. The Jews promote subservience to Israel. The Jews promote the loss of our freedom and health, all in the name of "patriotism". The Jew is perverse by nature, and controls others by redefining for them their natures in perverse and self destructive terms, so that those others obey Jewish will.

We must provide a viable definition of our national purpose and at present we have no more pressing need than to fight back against the Jew. Instead of hating ourselves, we should fight the Jew, and glory in ourselves. Instead of surrendering our fate to Israel, we should war against the Jewish State, and secure our borders. Instead of feeding our children physical and mental poison, we should use our land and our media to feed and house and teach our People and protect and strengthen our genetic and mental makeup.

We have to become ourselves by ceasing to unbecome ourselves. The venomous Jews pack no more effective poison than turning us against ourselves and nature. They even have us teaching our children to hate and mass murder innocent human beings as if a divine mission. What could be more unnatural and destructive? Perhaps the Jewish practice of teaching our children to hate and mass murder themselves and their own People. . . .

Let us make 2011 the year that the World goes to war against the Jew, who has been warring against us for at least 2,500 years. Let us again become human and let us live without this omnipresent and murderous pest.

Revolutionary Social Unrest: One of the Ways in Which the Jews Seek to Drag America Down

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews want America to fall. White America has long enjoyed a comparative lack of social problems when compared to other nations and non-White minorities. This relative freedom from social ills has given us tremendous competitive advantages over other nations, where the Jews have successfully promoted constant social conflict.

But we have allowed the Jews to saw and gnaw at the underpinnings of our social stability through the media and the corruption first of minorities, then Whites. This is reflected in our prison population, and in the general Zeitgeist of our nation, which I can attest has lost much of its class, civility and integrity as foreigners and media have corrupted us. I believe my generation is the last to remember what we have lost, and if we fail to regain it, the Jews will define for Americans a myth of what was, so as to control what will be. We already see this happening as the Jewish alternative media promotes White guilt and anti-Americanism and actively seeks to Balkanize America and take from us all of the natural advantages which are our birthright if only we would claim and defend them.

We should be promoting social stability, not social unrest. We, not our enemies, should be the ones telling Americans the proper means and methods to obtain peace, honor and prosperity. Should we fall into the Jewish trap of becoming nihilistic revolutionaries, we will only be able to offer Americans destruction as a future, while the Jews will capitalize on the situation they have then created for the purpose, to offer Americans "security", at first by imprisoning and executing us.

We should be telling our fellow citizens the ways to improve our nation, rather than tear it down.

China, China, China

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The following recent interview reiterates rather succinctly many of the things I have been saying for years, long before they began to happen:

World Tired of Paying Bill for US Military

I warned that all this would happen, in, among many other places, the following articles:

The Quiet Counter-Attack, November 29, 2006

Pawning Off America, December 14, 2007

How Do You Fight a War, When You Have No Money? Jewry Is Setting Up Iran for a Nuclear Holocaust, October 09, 2008

Chinese Checkers and the Star of David, June 13, 2009

Though I was alone in saying these things when first I said them, this is all basically old news today. What comes next?

The Chinese and Indians need to reduce their population density in order to make Asia the America of tomorrow, a coming ecological disaster. There are many ways to accomplish this necessary end, among them famine, disease, war, sterilization and emigration.

The coming food crisis and the manipulation of the genetics of the food chain will produce both the necessary famine and sterilization needed to reduce the population density of Asia. The Jews also want to destroy the natural environment of the Earth, so expect massive Asian emigration to the wilderness of Russia, Africa and all of the Americas. The natural world will perish in this century if we do not stop the Jews.

China will reduce its exports to the USA so as to unhitch from the dollar and internalize its own economy, just as I predicted would happen, years ago. We no longer have the Jews working for us to rape the World, so there is no longer a pressure to suppress China, unless we real

Americans apply it. There is also no longer a pressure to prop America up. Quite the contrary, the controlling forces, the Jews, are actively destroying America and setting up China to take our place, as I predicted would happen on page 465 of my book of early 2006, *The Manufacture and Sale of Saint Einstein*. I had said all of this even earlier than that.

We can block the plans of the Chinese by renouncing our debts as the product of Jewish nationalist subversion of our country and send the Chinese after the Jews. However, as Professor Michael Hudson says, and as I have said for years, we need our government to be strong in order to recover from the Jewish attack and increase our productive output. The revolution called for in the alternative media, which is controlled by the Jews, is exactly what we ought not to do. Rather we should use the political process to rout out the Jews and expel them from public life and build our nation, rather than tear it down and balkanize it such that we are forever fighting one another, rather than the Jews.

Instead of striking and shutting down America in protest, as the Jews advise we do, we should instead wage war on Jewry and strengthen America. Since we no longer have the incentive to maintain reserve currency status and thereby obtain cheap imports, we must build our Autarky. We need a strong government, not a ruined government, to do this.

A strong government can direct loan capital where it is needed, and our comparative lack of social problems will enable us to defeat our competitors. But we must prevent the Asians from emigrating and avoid war, which will, of economic necessity, become a nuclear war. The only means to do this is to remove Jews from influence, and the only way to do that is with the full powers of a powerful State.

It Is Time for Total War on the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Because we failed to disarm 15 million Jews in the 20th Century, the Jews genocided 100 million human beings. On the scales of justice, life would have been more balanced had Jewry disappeared.

I predicted long ago that the Jewish people as a whole would become increasingly evil as time passed, and that they would unite to attack the human race:

Peace Is an Economic Necessity, September 01, 2006

Elsewhere, I have pointed out that the Jews believe that they will be freer to openly express their hatred and power as the "end times" approach and will no longer be forced to hide their true

beliefs and hatred of the Goyim. The Talmud instructs the Jews to hold their tongues until such time, then to loosen them and spew their venom on the Goyim. We see this today, as I predicted would happen, in the edicts of racist Rabbis speaking on behalf of the entire Jewish people.

I had hoped that things would have taken a different turn, but they have not. Therefore, it is time to wage total war on the Jews for the following reasons:

Because the Jew uses the presumption of innocence as a genocidal weapon, the only means to disarm the enemy Jew and safeguard the human race is to deny that the Jew is innocent.

Because the Jew uses citizenship as a genocidal weapon, the only means to disarm the enemy Jew and safeguard the human race is to deny the Jew citizenship.

Because the Jew uses money as a genocidal weapon, the only means to disarm the enemy Jew and safeguard the human race is to deny the Jew money.

Because the Jew uses public expression as a genocidal weapon, the only means to disarm the enemy Jew and safeguard the human race is to silence the Jew.

Because the Jew uses politics, educational systems and the professions as genocidal weapons, the only means to disarm the enemy Jew and safeguard the human race is to remove the Jew from politics, education and the professions.

Because the Jew segregates itself to plot the demise of all humanity with other

Jews, all Jews must be prohibited from communicating and breeding with other Jews.

How can we disarm the Jewish enemy of the human race, if we fail to take from them their weapons of war?

Because we failed to disarm 15 million Jews in the 20th Century, the Jews genocided 100 million human beings. On the scales of justice, life would have been more balanced had Jewry disappeared.

It is time for total war on the Jews. Let America be the first nation to declare this war on behalf of the entire human race.

How GMO Organisms in Tandem With "Competing Currencies" Can Kill You

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Suppose the Jewish "Libertarians" have their way and remove the "legal tender" status of our

money so as to make room for "competing currencies". Imagine how the Jews could then kill you through starvation. I will not address the potential genetic damage of GMO's, but rather the simple economics of GMO's and "competing currencies".

A hostile force could control and slay the American public very quickly by monopolizing the food markets with patented GMO's, then insisting that only their "competing currency" be used to buy food. The Jews could then insist that any person who would borrow some of their "competing currency" so as to be able to buy food, must first submit to sterilization and/or carcinogenic doses of radiation or toxins. Or, the Jews could simply make their "competing currency" difficult to obtain by restricting its supply. The public would then starve to death, as happened to the ancient Egyptians under the Jews, and to the modern Ukrainians under the Jews.

Make no mistake, the Jews want to kill you, and starvation is a very effective means of getting rid of you. "Competing currencies" and monopolies are efficient means for the Jews to starve you. They have done it many times in the past and are eager to do it to you.

The Jews deliberately destroyed the value of our Greenbacks, which otherwise were accepted at, or about at, face value, by creating a monopoly for gold in the payment of specific debts. They will do the same to our dollar if we permit the Jews to subvert our national existence with "competing currencies".

The Jewish Goldbugs' "Versailles Treaty" for America and What We Should Do About It

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are complaining that the Federal Reserve is a scam, without acknowledging that it is their scam. The Jews are complaining that the assets of the United States should be seized to pay for the inflation the Fed has produced as if that would somehow compensate the victims of this Jewish theft from the America People, when in fact it would only further victimize Americans and profit the Jews.

America is deeply in debt, in no small part because of Jewish manufactured perpetual wars in the bogus name of perpetual peace. The Jews are now trying to leverage us into a new "Versailles Treaty" to seize our territory, our gold and the rest of our real assets, as well as our industry and agriculture.

The Jews created our debts, unnecessarily, and for their profit. We have no lawful obligation to honor those fraudulent debts. Taking the gold out of our reserves to make it available for specie payments will not in any way benefit American citizens, but will instead afford the Jews access to our precious reserves so that they can steal them and transport our gold out of America. The Jews will then pretend there is much more gold in existence than actually exists and create an

international fiat money system of "electronic gold credits" issued through fractional reserve banking, which system pretends that gold reserves exist which do not, and which system will enable the Jews to collapse the World economy and control the fate of every nation without any representation by the People of those nations.

Contrary to the outright lies of the goldbugs, seizing the assets of the Government and People of the United States of America will in no way compensate Americans for the loss of value of the dollar through inflation. It will instead only open up our gold vaults to the Jews so that they can cart away our gold. It is also a Jewish lie that inflation has somehow prevented growth while gold somehow encouraged growth.

The National Socialists shunned the gold standard and repudiated the debts of the "Versailles Treaty"; and they rejected the theft of German soil. We should do the same and be extremely vigilant to prevent the Jews from cashing in the dollars which they have stolen from our real economy in on real assets such as our gold. Giving the Jews our gold will accomplish nothing for us other than our ruin.

The Jews are stealing our land and want to steal our gold through usury. The only way they can gain access to our gold reserves and so pretend to increase the gold supply for an international currency, is by attempting to collateralize our debts with gold. We have no need to give them our gold and doing so would destroy us and make the Jews exponentially more powerful than they already are.

We should keep our gold reserves as reserves and in so doing prevent an international gold

standard run by the Jews. All nations should hold tightly to their gold reserves. We should NOT make our public gold accessible to private hands, or the Jews will claim it all based on the debts we already have, and in exchange for the massive amounts of dollars they hold. Have no illusions that opening up our gold vaults will in any way place gold in your pocket! It will instead result in the loss of all of our gold to the Jews who will take it and send it overseas immediately.

What benefit is there to us if we go on a gold standard, and the next day all of the public gold is claimed by the Jews and sent to Israel? How will we pay back the gold we will be forced to borrow in order to have a currency, when there will be no gold left in America? How would debt based fiat money in the form of the loaning of electronic fractional reserve gold credit issued by international Jews benefit us over government issued debt free money?

The Jews lie and claim that unregulated competition eliminates fraud and monopolies, and on the basis of this lie claim that they have a right to competing currencies. But the Jews will always create an advantage for themselves that works against the public, and the Jews will subvert the legal tender status of our public dollars if we permit competing currencies. The Jews will simply refuse to accept dollars as payment of debts and demand instead that only their currency be used. The dollar will then become worthless to buy food and other necessities and the Jews will claim victory as the People of America starve to death, like the ancient Egyptians and the modern Ukrainians who suffered the bite of the Jewish usurious vampires.

We do not need to destroy ourselves as a response to the wars the Jews have brought us. We should instead wage war on the Jews who are waging war on us. A good start will be to refuse their "Versailles Treaty" for America based on a gold standard replacement of the Fed.

The failure to repudiate the fraudulent "Versailles Treaty" style debt is one of the defects easily remedied in Kucinich's proposal. In this way, we can avoid hyperinflation. We can also avoid arming our enemies.

Kucinich's plan arms the Jews with a flood of cash and rewards them for the fraudulent debts the Jews have burdened us with. It does nothing to contain or destroy the enemy, but instead gives the enemy a larger arsenal with which to attack us. This is also an economic war, and we should do all we can to impoverish World Jewry and so disarm them. Kucinich merely gives the Jews more bullets to shoot at us, and unamended will place us in the fangs of foreign usurers by making domestic credit unavailable other than to the government and its friends.

I will grant Kucinich the benefit of the doubt and simply state that his proposal is naive and incomplete, but the defects are NOT fatal and can be easily remedied.

National Emergency Employment Defense Act of 2010

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Rep. Dennis Kucinich has introduced a bill that would radically change our monetary and

banking systems:

National Emergency Employment Defense Act of 2010

This legislation would nationalize the Federal Reserve and issue debt free money. It would also proscribe fractional reserve banking and the issuance of loans on deposit reserves. Furthermore, it would enable the Federal Government to issue loans at its discretion.

There are many pros and cons to this bill. It would be good for the government to issue our money without debt and for the government to fund investments. However, this bill in no way ensures that such funding will be done in a way that benefits our citizens and only our citizens. Why use Federal funds to profit illegal immigrants, or corporations, or foreigners and foreign corporations and foreign governments? The language of the proposed legislation is far too loose and imprecise. It encourages certain behavior, but fails to state with absolute clarity what the law prescribes and what it proscribes.

The opportunities left open for cronyism and corruption are too wide and too many, and the bill offers no means for the citizens to defend their rights against an abuse of government. Kucinich evidently seeks to avoid citizens voting in the "Monetary Authority" so as to prevent political bribery of the public, but in so doing places too much power in the hands of a President by creating an economic supreme court with limited terms. What is the process of impeachment and removal of members of the Monetary Authority, and what means has the public to secure its interests against a potentially corrupt Authority?

How will this legislation fill the credit vacuum it will surely create by proscribing fractional reserve banking and limiting interest on loans to the amount of the principal and an annual rate of eight percent, which will take away the profits from lending? Where will the public find cheap and accessible credit? They will be forced to turn to foreign money markets and investors, and this bill does not prohibit international offshore Shylock from competing with domestic dollar denominated credit, and he will outcompete our banks due to an unfair advantage. What of exchange rates with other currencies?

The bill does absolutely nothing to recover what has been stolen from us, nor does it in anyway repudiate fraudulent debts, nor does it create an office to investigate and prosecute the crimes against the American People it enumerates. Though it provides many clauses describing the means of placing money into circulation, it is far more brief with regards to the methods of retiring money to prevent inflation.

These are my immediate thoughts after a cursory reading of the text of the bill. I will have more to say on how to improve it, later.

One definite benefit of the bill, even in its present poor state, is that it prevents our enemies from cashing their dollars in for our gold and other real assets. Expect the Jewish backed goldbugs to do everything they can to discredit Kucinich and this bill. Notice their slimy tactics, and realize that they are a part of the gold cartel, or are working for the gold cartel.

On the Demonstrable Lie that Bankers Are Supposedly Opposed to the Gold Standard

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The "alternative media" is promoting the lie that bankers are opposed to the gold standard. See, for example, the following video now receiving heavy promotion in the Jewish dominated "alternative media":

The American Dream

The truth is that the bankers have long wanted to replace the Federal Reserve and all central banks with a gold standard. See, for example:

Gold and Economic Freedom by Alan Greenspan

George Soros Interviewed

As Soros candidly admits, the gold standard and the end of paper currencies is the bankers' preferred ticket to "The New World Order" and will destroy America.

I have long been exposing the fact that the gold standard is a bankers' scam that will destroy

America. Why is it that the big players in the "alternative media" have promoted certain of my other articles, but have never to my knowledge given any exposure to my criticisms of goldbuggery? I am the only one that I know of exposing the fact that if we go on a gold standard the Jews will steal all of our gold reserves and take flight with our gold, just as they stole the gold of Egypt (and Russia, and Germany, and the Turks, and the British, etc. etc. etc.) during the "Exodus".

Why am I the only one exposing the fact that the gold standard must of necessity be based on fractional reserve banking, because there is not enough gold to monetize for a sufficient money supply and sufficient credit, and that the gold must be borrowed to instigate the system, at interest, and can never be paid back, but will instead immediately disappear as payment of debt and as specie. The Jews will then horde all of our gold and ship it out of the country to Israel, as they did to the ancient Egyptians, Greeks and Romans thousands of years ago.

Look at the websites of the "alternative media" and notice how many of them either have direct links or ads to gold mongers, and/or are openly sponsored by the gold cartel, and/or post articles promoting gold, and/or give interviews promoting gold. I am the only well known person telling you that the gold standard is a deadly trap, and how it works, because almost the entire "alternative media" is run by the gold cartel!

There are a couple of phonies who copy some of the things I say, but even they either wed it to transparent nonsense, or promote gold purchases. And there are a couple of good people who amplify my message and direct others to my work, and I thank them. But none of the truly big players give any notice to my arguments against the gold standard.

The fact that nearly the entire "alternative media" is run by the gold cartel is the reason why the Jews are getting away with the obvious lie that bankers are supposedly opposed to the gold standard, when in fact the gold standard is the very thing the bankers want so that it will enable them to trade the paper dollars they have stolen from us for real assets. . . so that the bankers can steal all of our gold and then everything else we have.

Note that in the video "The American Dream", the Rothschild bankers become "German", not international Jews, and that Paul Warburg is NOT named when the piece discusses Jekyll Island, but rather Morgan and Rockefeller, though the video does accurately state that all these forces were ultimately under the umbrella of the Rothschilds.

Day One on the Gold Standard

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are pushing hard for a gold standard. Even their monkey-faced clowns in the "alternative media" are trying to convince us that a National Bank should replace the FED and

that our money should be redeemable in "specie payments".

What does all this really mean?

"Specie payments" are the conversion of dollar bills into gold bars. On the old gold and silver standard, one could walk into a bank and demand metal in exchange for paper currency. For example, you could visit your bank and ask for silver coins in payment of your account, or in exchange for your paper bills. You could also demand real silver or gold in payment of debts.

The reasons why the Jews want us to adopt this system are many. The Jews want to steal all the gold of our nation, especially our national gold reserves, which are substantial. The Jews also want to redeem the currency they have stolen from us in real assets. The Jews also want to completely destroy our currency and our economy and steal all of our property and businesses.

Let us look at what the first day of an American gold standard will look like in real terms, as opposed to the Jewish manufactured myths of a gold gilded Utopia. The Jews will prepare for this day with trucks, airplanes and ships. They will draft the legislation needed to place America on a gold standard, with provisions that make the Jews first in line to exchange dollars for gold. They own most of the banks and will see to it that their banks receive all of the gold held in our national reserves, so that they will be first in line to take it.

The precise second that gold becomes obtainable as "specie payments", the Jews will claim every last ounce of it in exchange for the trillions of paper and electronic dollars they have manufactured for themselves and stolen from the American public. The Jews will be first in line

well ahead of the general American public and the Chinese and others. The gold will already be loaded on containers for air and ship transport out of the United States and into Israel, before day one, and the very moment it can be claimed, if not before, the Jews will ship all of it out of the United States.

As day one of the gold standard progresses, Americans and others will stand in line waiting in vain to claim gold and silver bars and coins (I assume it will be a bimetallic system, and not a true gold standard). All the gold and silver in the country which was once held in our national reserves will already have left our shores before the first non-Jew tries to claim any of it.

Every bank in the country will be broken on the first day, because no one will able to redeem their accounts in gold or silver. There will be no credit, and no one will have access to their savings, but the Jews will still own all the debts.

On day two, the Jews will start to demand payment on loans in real gold, in "specie". The Jews will also demand payment in "specie" at every retail outlet leaving the consumer without any money, because all the gold and silver "specie" will have already been shipped out of the USA and the Jews will own it and hold it with a nuclear arsenal to defend it.

On day three, the Jews will start filing law suits demanding payment on all debts, including the national debt, in gold and silver. The government and all citizens in debt will default, and the Jews will claim all tangible assets and businesses as payment and/or collateral on the debts. Our Federal lands will disappear overnight into the hands of the Jews, as will our homes, our farms and our businesses. There will be no more gold or silver left to pay the Jews and it will all be

confiscated from private ownership so as to hand it over to the Jews. All of our industrial and farm equipment will be shipped to China, and they will know all of our trade secrets. The Jews will pay Chinese to move to America and will indebt them to live in Americans' homes upon which the Jews will have foreclosed. There are ample supplies of Chinese to occupy every American household many times over.

Next the Jews will offer to "fix" the problems they have deliberately created by offering to loan us electronic "gold credits", but never real gold or silver. The Jews will already have loaned the Federal Government enormous sums of "gold credits" simply to start the currency, but all of this will already have been claimed by the Jews as the banks fail to provide real gold for "specie payments". The Government and all citizens will then have to borrow more and more "gold credits" which are not redeemable in specie payments, because they are privately issued loans; and the Jews will continue to demand real specie payments from us in repayment on the loan of electronic credits, which we cannot make because there will be no real gold or silver left in our nation.

It will not be long before the Jews own everything we have. They will also place us in unpayable debts and demand that we slave and soldier for them forever as they starve us to death.

This is the future America those "patriot" Jews are preparing for you. You will have lost everything on the very first day of the American "paradise" they are promising to you if you will sell your soul and your nation to the Jews for a few pieces of silver and gold you will never be able to touch.

A Classic Case of How Jews Create a Problem in Order to Propose the "Solution"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The following lecture by Glenn Beck reveals nothing new, but it does disclose a very real problem, some of the threats to our liberty:

Glenn Beck profiles Jewish mind-manipulators - Bernays, Freud

After having watched and listened to Glenn Beck, ask yourselves, after identifying these problems, what is the solution Beck proposes? Is it not the same Jewish agenda in the guise of another set of Jews and Jewish puppets?

The Musings of Jared Lee Loughner: Script, Craziness, or Cabalah?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In the video by Loughner which appears below, at about 3 minutes in, Loughner states, "If the student is unable to locate the external universe, then the student is unable to locate the internal universe."

http://www.latimes.com/news/nationworld/nation/la-na-jared-loughner-video-20110115,0,7041106.story

In the following post by "Erad3", which appears to have been written by Jared Lee Loughner, it states, "Whats outside our universe? leads to another question. Where is the universe?"

http://www.abovetopsecret.com/forum/thread282301/pg5#pid5851895

In my opinion, Loughner's statements refer to Cabalistic pantheism and make perfect sense in that context, but make no sense outside that Cabalistic context. In Cabalah, the universe is in the Jewish god and by locating the Jewish god, a Jew locates itself and heals the rift in the universe. Loughner also writes, as "Erad3", that Christianity is false, and that the Hebrew Bible cannot be accurately translated to any language other than the original, perhaps a reference to

Gematria.

On Jared Loughner's YouTube page, he lists Hermann Hesse's *Siddhartha* as one of his favorite books. If my memory serves me correctly, Hesse wrote about androgyny in *Der Steppenwolf*, but I don't recall whether or not it appears in *Siddhartha*. Loughner's YouTube page is here:

http://www.youtube.com/user/Classitup10

In the description of the video *America: Your Last Memory In A Terrorist Country!*, which appears to have been written by Loughner, it states,

"There's something important in this video: There's no communication to anyone in this location.

You shouldn't be afraid of the stars.

There's a new bird on my right shoulder. The beak is two feet and lime green. The rarest bird on earth, there's no feathers, but small grey scales all over the body. It's with one large red eye with a light blue iris. The bird feet are the same as a woodpecker. This new bird and there's only one, the gender is not female or male. The wings of this bird are beautiful; 3 feet wide with the shape of a bald eagle that you could die for. If you can see this bird then you will understand. You think this bird is able to chat about a government?

I want you to imagine a comet or meteoroid coming through the

atmosphere."

Androgeny is one of the Cabalistic features of this description. Wings in the form of eagles may be the famous two-headed eagle common as a symbol of the unification of church and state, and may signify the anti-Christ equivalent for the Jews, two headed Ha Satan Armilus (Romulus & Remus?). It is not clear if the beak being two feet is a reference to length, or anatomy. If anatomy, as in feet with toes, it may be a reference to green footed Armilus. Armilus has one prominent eye and his eyes are red. Armilus has a crippled right arm, a long left arm, a deaf right ear, is bald, as in bald eagle, etc. The "bird" on Loughner's shoulder may be a symbol of Armilus' second head. Armilus is a leper and the costume may represent that of a leper. Woodpecker feet could be seen to resemble a menorah. Comets and meteors figure in the Zohar.

I do not mean to imply that I believe that this possible interpretation is the only one possible, but rather I am trying to provoke others into analyzing Loughner's words and images. He hits several themes over and over again, and from what appears to be a Cabalistic Jewish perspective.

If he is putting on an act, he would likely draw from themes familiar to him, as would any possible script writers he may have had.

Jared Lee Loughner Ain't No Dummy!

Jared Lee Loughner's former girlfriend has stated that she believes Loughner is very intelligent, is NOT mentally ill, has been planning a long time and is "faking everything":

I again warn that Loughner's videos are there to create a "legend" and are cryptic, not insane. I continue to believe that Loughner is a Cabalistic Jewish revolutionary fulfilling a role.

Jared Lee Loughner's Attempted Assassination of a Member of Congress Will Forward the Jews' Totalitarian Agenda

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

As I predicted was about to happen in the following blog, in which I predicted that the Jews were about to establish a totalitarian State in which dissent is illegal, the Jews are trying to

outlaw dissent on the sophistical basis that such a measure will deter terrorism:

Will You Be a Bystander at Your Own Execution? December 22, 2010

I stated in this blog, among other things:

"We can also expect that this new Jewish 'Democratic centralism' will quickly produce a new *Ermächtigungsgesetz* and *Gleichschaltung* by means of which the Jews will exercise complete control over the public debate without any resistence."

Almost immediately after I wrote those words, we witnessed a Jewish act of political terrorism which provided the Jews with an opportunity to try to steal away our rights and crush political debate in America, just as was done in Nazi Germany with the *Ermächtigungsgesetz* and *Gleichschaltung* laws. The Jews are trying to outlaw dissent and are seeking to form committees which define our political beliefs for all parties, and to suppress any dissent against those mandated opinions, just as Lenin did in the Soviet Union with "Democratic centralism". Jewish terrorism provided the problem and the Jews in Congress are offering up the Jewish Bolshevik solution, slavery and muzzles for the Goyim.

The Jews Are Doing to America What They Did to Russia

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews have long been notorious assassins in Russia, throughout Europe, and in America. Look at the following image and think Jared Lee Loughton:

http://www.geschichteinchronologie.ch/judentum-aktenlage/antisem/d/EncJud_anti-semitism-band3-kolonne151b-karikatur-wahl-Kadet-1907.jpg

The Jew John Wilkes Booth assassinated President Lincoln, and the Jewess Emma Goldman incited the assassination of President McKinley.

William Eleroy Curtis delivered an address to the National Geographic Society on 14 December 1906, and stated, inter alia,

"THE VENGEANCE OF THE JEWS

Perhaps these reforms are the cause of the present tranquility, because the revolutionary leaders nearly all belong to the Jewish race and the most effective revolutionary agency is the Jewish Bund, which has its headquarters at Bialystok, where the massacre occurred last June. The government has suffered more from that race than from all of its other

subjects combined. Whenever a desperate deed is committed it is always done by a Jew, and there is scarcely one loyal member of that race in the entire Empire. The great strike which paralyzed the Empire and compelled the Czar to grant a constitution and a parliament was ordered and managed by a Jew named Krustaleff, president of the workingmen's council, a young man only thirty years old. He was sent to the penitentiary for life, and had not been behind the bars more than three weeks when he organized and conducted a successful strike of the prison employees.

Maxim, who organized and conducted the revolution in the Baltic provinces, is a Jew of marvelous ability. Last fall he came over here lecturing and collecting money to carry on the revolutionary campaign, but for some reason has vanished and nobody seems to know what has become of him.

Gerschunin, the most resourceful leader of the terrorists, who was condemned to life imprisonment in the silver mines on the Mongolian frontier, has recently escaped in a water cask, and is supposed to be in San Francisco. He is a Polish Jew only twenty-seven years old. I might enumerate a hundred other revolutionary leaders and every one of them would be a Jew. Wherever you read of an assassination or of the explosion of a bomb you will notice in the newspaper dispatches that the man was a Jew. The most sensational and dramatic episode that has occurred since the mutinies was on October 27, when, in the very center of Saint Petersburg, at the entrance of Kazan Cathedral, four Jews held up a treasury wagon and

captured $270,000. They passed the package to a woman, who instantly vanished, and no trace of her has ever been found; but they were all arrested and were promptly punished. On the 8th of November a few Jewish revolutionaries entered a treasury car near Ragow, in Poland, got $850,000 and disappeared.

Every deed of that kind is done by Jews, and the massacres that have shocked the universe, and occurred so frequently that the name 'pogrom' was invented to describe them, were organized and managed by the exasperated police authorities in retaliation for crimes committed by the Jewish revolutionists. [colored emphasis added]"--W. E. Curtis, "The Revolution in Russia", *The National Geographic Magazine*, Volume 18, Number 5, (May, 1907), pp. 302-316, at 313-314.

Radical Zionist Winston Churchill wrote, in the defense of Zionism over Bolshevism, and as a threat to the Goyim who would not let the Zionists have their way,

"Terrorist Jews.

There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution by these international and for the most part atheistical Jews. It is certainly a very great one; it probably outweighs all others. With the notable exception of Lenin, the majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders. Thus,

Tchitcherin, a pure Russian, is eclipsed by his nominal subordinate Litvinoff, and the influence of Russians like Bukharin or Lunacharski cannot be compared with the power of Trotsky, or of Zinovieff, the Dictator of the Red Citadel (Petrograd), or of Krassin or Radek—all Jews. In the Soviet institutions the predominance of Jews is even more astonishing. And the prominent, if not indeed the principal, part in the system of terrorism applied by the Extraordinary Commissions for Combating Counter-Revolution has been taken by Jews, and in some notable cases by Jewesses. The same evil prominence was obtained by Jews in the brief period of terror during which Bela Kun ruled in Hungary. The same phenomenon has been presented in Germany (especially in Bavaria), so far as this madness has been allowed to prey upon the temporary prostration of the German people. Although in all these countries there are many non-Jews every whit as bad as the worst of the Jewish revolutionaries, the part played by the latter in proportion to their numbers in the population is astonishing."--Winston Churchill, "ZIONISM versus BOLSHEVISM", *Illustrated Sunday Herald*, (8 February 1920), p. 5

Peter Michelmore wrote in his biography *Einstein: Profile of the Man*,

"But there was another, more sinister, reason. November 7[, 1919] was the second anniversary of the Bolshevik Revolution in Russia and Communist Party agents all over the world had in their hands a secret manifesto saying

that this was the day when workers should be incited to overthrow governments, assassinate public officials, bomb army barracks and establish dictatorships of the proletariat. Berlin was a prime target. The amateur republican government of former basketmakers and blacksmiths was in daily danger of collapse under pressure from both extreme left and extreme right."--P. Michelmore, *Einstein: Profile of the Man*, Dodd, Mead, New York, (1962), p. 3.

So why do Jews figure so prominently among political assassins? The Protocols provide us with an explanation as valid today as it was in 1905:

"Our government, following the line of peaceful conquest, has the right to substitute for the horrors of war less noticeable and more efficient executions, these being necessary to keep up terror, which induces blind submission. A just but inexorable strictness is the greatest factor of governmental power. We must follow a program of violence and hypocrisy, not only for the sake of profit, but also as a duty and for the sake of victory."--Protocol I

"In short, to sum up our system of shackling the Goy governments of Europe, we will show our power to one of them by assassination and terrorism, and should there be a possibility of all of them rising against us, we will answer them with American, Chinese, or Japanese guns."--Protocol VII

"From us emanates an all-embracing terror. People of all opinions and of all

doctrines are in our service; people who desire to restore monarchies, demagogues, socialists, communists, and other utopians. We have had to put all of them to work; every one of them is undermining the last remnant of authority, is trying to overthrow all existing order. All the governments have been tortured by this procedure; they beg for peace, and for the sake of peace are prepared to make any sacrifice, but we will not give them peace until they recognize our international super-government openly and with submission."--Protocol IX

"We might fear the union of the intelligent power of the Goys' rulers with the blind power of the masses, but we have taken all measures against such a possibility. Between the two powers we have raised a wall in the form of mutual terror; thus the blind power of the people continues to be our support, and we alone will act as its leader and, naturally, we will direct it towards our goal."--Protocol IX

"Any of these impressions would be detrimental to the prestige of the new constitution. It is necessary for us that, from the first moment of its proclamation, when the people are still dumbfounded by the accomplished revolution and are in a state of terror and surprise, they should realize we are so strong, so invulnerable, and so mighty that we shall in no case pay attention to them, and not only will we ignore their opinions and desires, but be ready to and capable of suppressing at any moment or place any sign

of opposition with indisputable authority. We shall want the people to realize, that we have taken at once everything we wanted, and that we shall under no circumstances share our power with them. Then they will close their eyes to everything out of fear and will await further developments.

The Goys are like a flock of sheep—we are wolves.

Do you know what happens to sheep when wolves get into the fold?

They will also close their eyes to everything because we will promise to return to them all their liberties after the enemies of peace have been subjugated and all the parties pacified.

Is it necessary to say how long they would have to wait for the return of their liberties?

Why have we conceived and inspired this policy for the Goys without giving them an opportunity to examine its inner meaning if not for the purpose of attaining by a circuitous method what is unattainable for our scattered race by a direct road?"--Protocol XI

Right on Cue, Sarah Palin Changes the Subject and Again Makes Victims of the Murderous Jewish Aggressors

Christopher Jon Bjerknes

Scripted agent of the Jews, Sarah Palin has deliberately manufactured a means for the Jews to change the subject from the fact that a Cabalistic Jewish revolutionary has attempted to assassinate a member of the US Congress, to "blood libel", thereby enabling the murderous Jewish aggressors to complain of victimhood. Palin is an act and her actions always and only profit the Jews.

Desperate Spin in the "Alternative Media" and on Message Boards

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Now that the fact that Jared Lee Loughner is a Jew is widely known, the Jewish "alternative media" and the Jewish megaphones on the message boards are trying to spin the facts to avoid any understanding of what Loughner said and did in the context of Jewry, the international Jewish agenda, and Judaism. They are trying to spin the story in two directions. One, that the young man is a nut, end of story, move along nothing more to see, his Jewishness is irrelevant.

Two, that he might have been on antidepressants and or antipsychotics and this is a story about drugs, not Jews.

The "alternative media" and the message boards are clearly dominated by Jews who want to obscure and avoid that fact that a Jew tried to murder a Jewish American Congresswoman, and did murder several other Jews, in an act which would have known repercussions for Americans in general. Loughner's videos are cryptic, not incoherant or mad. The Jews do not want you to investigate what they really mean.

Another interesting post on Stormfront addresses one aspect of Loughner's Cabalistic practices which I have already addressed, his talk of "lucid dreaming", a practice made famous by Carlos Castaneda, as I have already mentioned. "CatherineGrace" posted an interesting link on this subject in the following Stormfront post, which is buried among cries effectively calling for us to let the story drop as if the story of a nut, in which his Jewish background is supposedly irrelevant:

http://www.stormfront.org/forum/t771271-6/#post8860809

This post directs us to:

A Kabbalistic Guide to Lucid Dreaming and Astral Projection by Mark Stavish, M.A

Observe how the Jews are trying to convince us that the fact that Loughner is a Jew is irrelevant because he is supposedly nuts. Loughner's videos are not unintelligible, rather they are coded messages in Cabalah, Gematria, metaphors, astrology, symbols and images, all of which are

quintessentially Jewish.

Just now, Kevin MacDonald and others are starting to discuss a small portion of that which I have already stated from the beginning, but he has no penetrating insights into these facts and MacDonald's statement is brief and uninsightful. We need people who really know the hidden meanings of the Gematria to analyze this Cabalistic attack on our country. Not only have a Federal Judge and others been murdered, but an attempt has been made on the life of a member of Congress with the obvious motive to change the course of history and bring on the Jews' "end times" for all of humanity. This is very, very serious stuff!

We must investigate this crime and trace out the connections to their highest sources. This is a Jewish attack on the human race.

If the spin control of the "alternative media" on this story does not convince you that it is a Jewish controlled enterprise as much or more so than the main stream media, then you are a hopeless fool.

The encrypted Cabalistic message Loughner sends is that the Jews are about to destroy the World. If that is not serious enough for you to take due notice, then enjoy your time in hell. Loughner has already mocked you and your stupidity.

An Important Insight into the Jewish Ritual Mass Murder in Arizona

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

A poster on Stormfront has provided a keen and valuable insight into the Jewish rituals employed by Jared Lee Loughner. Read the top most post by "Jeff Hook":

http://www.stormfront.org/forum/t770718-82/#post8856147

This whole thing stinks from one end to the other of Jewish ritual, as I have been saying from the beginning.

See the following for verification:

The Babylonian Talmud, Tractate Sanhedrin, folio 65b.

Note that much of the Jewish controlled "alternative media" went from conspiracy theories to relative silence following the kosher revelations about Loughner. They will slowly try to catch up with new spin.

I suspect the mind control angle is a deliberate deception, a "legend", and this was instead a ritual Cabalistic act by several Jews including the top levels of Jewish power, as was the Rabin hit. I suspect this is why Jewish disinformation agents immediately played up the mind control

aspects of this, but there may yet be something to it. The two are not mutually exclusive, and note that no one in the Jewish "alternative media" is picking up on my novel insights into the question.

Jared Lee Loughner May Be a Cabalistic Jew

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Immediately upon viewing Loughner's videos, I suspected that he is a Cabalistic Jew. His advocacy of the myth that the year 2012 is the end of time is a Jewish myth stated in the Talmud, as I described in my previous work on the Jewish Year 6000. His statements that less than 5% of the population are dreamers appeared to me to be a reference to Jews. His beliefs that time begins and ends are Jewish, and his assertion that reality is an illusion of words, as well as his obsession with numbers and letters, indicate a belief in Cabalah. Loughner is a violent revolutionary and a goldbug, both indicating that he is a Cabalistic Jew.

Loughner's views also remind me of the work of Carlos Castaneda on "lucid dreaming" and

flying, and Jewish philosopher Ludwig Wittgenstein on the illusion and meaning of words.

Jamie Kelso's work has led me to a Mother Jones article which verifies many of the things I have already written and thought:

Exclusive: Loughner Friend Explains Alleged Gunman's Grudge Against Giffords. Page 1

Exclusive: Loughner Friend Explains Alleged Gunman's Grudge Against Giffords. Page 2

It appears that Loughner wants to fulfill the Jewish Lurianic Cabalah and its desire for chaos and revolution consuming the Earth. As I have been saying for years, the Jews believe that only by making the World evil can the Jews end time and usher in the final of seven days (millennia) of creation, the age of Aquarius, the end times of the Jews, the seventh day of rest.

Could this mass assassination have been a broader act of collusion between several Cabalists? The child slain was born on 9/11, which date I have proven is the start of the final day of history, according to the Jews:

"The Jewish Year 6000" -- British Israelism / Christian Identity -- 9/11/2001, July 22, 2009

The Jewish Year 6000 in British Israelism and Christian Identity. . . and Freemasonry, August 11, 2009

I suspect Jared Lee Loughner was working with other Jews in a Cabalistic ritual to help usher in the chaos the Jews seek to begin the end times. It is not coincidental that Loughner's whole agenda is Jewish through and through: goldbuggery; violent revolution; chaos; Platonic/

Cabalistic/Wittgensteinian denial of reality; speaking in codes, images, metaphors and symbols; obsessing on numbers and letters; etc. Loughner wants to create the Sarajevo assassination of Archduke Franz Ferdinand of the Jewish end times.

Now, we need to answer the question of whether or not Loughner's videos are scripted to create a legend indicating mind control, or whether they instead do indeed reveal mind control. We need to know whether he is an actor and an act, a Jew following orders; or was manipulated into doing what he did; or perhaps some combination of both?

Was Jared Lee Loughner Sending Us a Message?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In the following music video, a man is shown being mentally tortured and told to "Let the bodies hit the floor!":

Drowning Pool - Bodies

It appears that Jared Lee Loughner might have chosen this music to accompany the following video:

America: Your Last Memory In A Terrorist Country!

Was Loughner mentally tortured in a similar fashion in order to turn him into an assassin?

Loughner obviously has a poet's nature and communicates in symbols and metaphors.

Why would someone choose this music for the video of the man in the desert, *America: Your Last Memory In A Terrorist Country!*? The flag evokes images of the national anthem, and the video's subject is revolution, not mind control. Why choose this music, the accompanying video to which portrays experiences that could be interpreted as mind control to produce an assassin?

Was *America: Your Last Memory In A Terrorist Country!* made by Loughner, for him, or?

Loughner Meets Zeno Meets the Talmud

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In studying the Loughner videos, I believe I understand the message he seeks to deliver.

Loughner writes of distributing new currency lethally and non-lethally, which I suspect is a metaphor for bullets versus gold and silver coins; and Loughner asks where the location of your coins is, depicting an image of a target as if a geocentric universe, targeting the Earth for destruction.

Since Loughner could not have a gold and silver currency to distribute non-lethally, he sought to distribute lead bullets, instead.

Loughner argues that if a thing can be created it can be changed, or that a new thing can likewise be created. I suspect he is creating a metaphor from the change from gold currency to paper money to bullets on an individual level, and a revolutionary change in government.

The alphabet and the number 1 figure heavily in his reasoning, and I suspect that is why he chose one year before the supposed end in 2012. He also depicts a new symbol, which may be the eye of horus, but I suspect more strongly is the constellation of aquarius to symbolize the age of aquarius. His references to the alphabet are probably references to the alpha and omega, the beginning and the end, and perhaps he hopes by changing the beginning or end he can affect all of time.

Loughner is telling us that the universe began without a year preceding the start year, and that the universe is about to end, because if time has a beginning it has an end, and that not one year can be added to the start of time, and not one year can be added to the end of time.

The timing of early January 2011 is quite significant, because I suspect Loughner believes the universe will end in 2012, and we are at the beginning of 2011, one year before the end of time in

Loughner's view. He obsesses on the limits of time, repeating the theme that the year before the beginning was this, and the year before the end is now, and that both directions of time have a limit and a year prior to that limit.

He, or someone whose video he admires, burns the American flag, while donning a garbage bag/ body bag, cryptically refers to an American bald eagle being replaced by a new bird eluding to a revolution that will replace our government with a new one, symbolically addresses himself as the right wing of politics and the death of America, and states that all of time is but an instant in retrospect as part of his theme that we as the last generation define all that is and ever was:

America: Your Last Memory In A Terrorist Country!

As it begins, so it ends. As you do unto others, so will be done to you. I suspect that is the cryptic message of Jared Lee Loughner.

It is interesting that Loughner's views mirror Jewish mysticism and that he is a gold bug. The Jews believe that we are now at the end of time, and like Loughner, that the world will end in violence. The Jews also want to burn America.

A Career Agent Provocateur Seeking a Comeback?

Christopher Jon Bjerknes

I have been following the writings of someone I suspect of being a career agent provocateur. This man seemingly changes his message from day to day, advocating assassination, bombings and terrorism on one day, at other times claiming rabbis are the problem (or was it the CFR?), always portraying Israel as if the victim of evil America, that supposed bastion of all the ills of the Earth.

This character is a frequent name dropper. He, by his accounts, always has manages to pull out a get out of jail free card, while his mistakes cause others close to him serious problems. His stories tell of oops after oops, but he gets away clean, while others suffer for his mistakes. He likes to create legends around himself. Is he truly charmed by his guardian angels, or does he

have powerful Jewish sponsors?

He is currently writing for a Jewish apologist website that masquerades as if a liberal anti-Zionist publication. He claims that Israel is all about stealing the Arabs' oil! What a cracked crock of crap!

The Carrot and the Stick: Yet Again My Warnings Have Gone Unheeded and Yet Again the Result Is Chaos and Tragedy

Christopher Jon Bjerknes

For over four years, I have been warning that the Jews are threatening Arab leaders with revolutions in order to pressure them into agreeing to an attack on Iran. I laid special emphasis on the fact that the Jews have always hated Egypt and want to bring misery and death to Egypt and the Egyptians. I specifically warned that the Jews would soon foment a revolution in Egypt. My warning went unheeded and you did nothing to help me prevent what is today taking place:

As I Predicted Years Ago, Israel Is Offering the Arabs a Deal So that They Will Allow an Israeli Attack on Iran, July 16, 2009

The present Jewish attacks on Egypt are a threat to other Arab nations, as well as to Egyptian leaders. Oil prices are rising and the Saudis and others have a carrot in their mouth and a stick up their crescent moon.

The Jews never rest, why do you? I have told you exactly what would take place, why have you done nothing to help me fight back against the Jews? Do you think the organized Jewish "alternative media" is going to save you? You will die waiting for that to happen. Notice that they

did absolutely nothing to help me spread the word about the coming revolution in Egypt, though they regularly read my writings. They only cover the story now to help Jewry threaten and bully Arab leaders.

Notice that the monkey-faced Jews in the "alternative media" do not want normal human beings to attend college, so that the Jews can further monopolize the professions, especially journalism and politics. The Jews want to dumb you down and promote the working class hero of communist mythology, while they send their kids to college and university. Why do you listen to these clowns who hate you and who subvert every aspect of your lives? Are you really so stupid as to be unaware of what they are doing?

Genesis 15:18 Where Are the Egyptian Nationalists?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The hellish, thoroughly racist Jewish book of *Genesis*, chapter 15, verse 18, states:

"In the same day the LORD made a covenant with Abram, saying, Unto thy seed have I given this land, from the river of Egypt unto the great river, the river Euphrates:"

The hellish Jews claim that this covenant passed to Isaac, not Ishmael, and then to Jacob, not Esau, through guile and theft in typical racist Jewish fashion. That mythical seed of mythical Abraham is the mythical Jews, converts and all, and they lay claim to the Egyptian Nile and place it on their national flag.

The Jews are far more nationalistic regarding the Nile, than the "Egyptian revolutionaries", who call themselves the "Muslim Brotherhood" in typically Jewish internationalist style. Whereas the common Egyptian wants his or her nation to progress, the "revolutionaries" are advancing a Jewish internationalist agenda in the guise of religion, a Jewish derived religion engineered to supplant Christianity on the path to the Noahide Laws of the Jews.

It is time for true Egyptian nationalists to emerge and to advance Egyptian interests, as opposed to internationalist "Muslim" interests which benefit the Jews in their quest to unite Islam with Europe in a borderless super-State; or, in the alternative, to gin up new wars between European and American powers and Islamic nations. Egypt has one of the greatest pasts of any nation, so why is there no propaganda propping up Egyptian national pride? It is because the propaganda of the "revolution" is designed by international Jews with a Jewish agenda, not an Egyptian agenda.

I suggest Egyptians look to their Egyptian past, rather than focus on pan-Arab and pan-Islamic internationalism, and celebrate their Egyptian legacy, which by the Jews' accounts removed the Jewish/Hyksos/Apiru influence from the land after the Jews starved the Egyptians into slavery. Remember that you are Egyptians, first and foremost, and must solve Egypt's problems. Remember that Egypt is your nation, and not an international marketplace for pan-Arab and pseudo-Muslim (crypto-Jewish both) internationalism.

The Jews are trying to lure you into internationalism and war. These facts are not only evident, but crystal clear in the propaganda the Jews have created to fuel the sputtering "revolution" in mighty Egypt, which propaganda is essentially void of vital Egyptian nationalism. The Jews do

not want you to view Egypt as Egyptian, but rather as an international hub, so they can claim Egypt as part of "Greater Israel" with dishonest and aggressive Jewish nationalism.

Pan-Islam Set to Invade Europe, Yet Again. . .

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

If memory serves me correctly, the late great George Apelian told me that Armenian socialists in Syria had created the modern incarnation of the pan-Arabian political movement to serve Jewish interests. As I have previously explained, the Turks are again being groomed to invade Europe with a pan-Muslim wave. The Turkish (crypto-Jewish) AKP hopes to unify a borderless Islam and then open its gates to Europe.

Note that the Jewish manufactured "revolutions" in Muslim nations are designed to produce chaos, without real leadership of any kind. This is probably setting the stage for the internationalization of these countries to form a unified Mediterranean of Europe and North Africa, which will flood Europe with Muslim foreigners.

The Jews sold Zionism to France through their agent Napoleon, then England through Disraeli, then America through Wilson, with the bogus promise that the Jews could and would secure the Suez for Western interests. Expect the Jews to move into the Suez up to and including the Nile. They have been planning to do so for at least 2,500 years, and the stripes on the Israeli flag signify the Nile and the Euphrates as part of Jewish territory.

Note that the Jews and their assets in the "alternative media" are again pitching the lie that America created Israel in order to secure oil interests. The truth is that everyone always knew that the formation of Israel would harm Western interests in the region, including oil interests, and it has. Israel has only worsened the oil companies' interests, giving OPEC leverage over the West in exchange for tolerating the Jewish State. Consider how the Saudis sold out the Palestinians, and acquired oil power in exchange for supporting Israel. Western oil interests have never benefited from the existence of Israel, and America and the West have only suffered because Israel exists.

Israel will again try to sell itself as the protector of the Suez and of oil. If the Jews can again use the Turks to internationalize Muslim nations, including Egypt with its large population, it will benefit the Jews and harm Islam and Christendom. If the Jews can use a Sunni versus Shia conflict to inflame WWIII, it would likewise benefit the Jews by destroying Islam and Christendom. Heads Jews win, tails Goyim loose.

There are ways Egypt could recover from the Jewish subversion. Egyptians murdering Egyptians is not one of them.

Recall that in the Cold War, the Jews tried to make pan-Islam communist and pit it against the West. I suspect they will again try to accomplish the same result through Turkey and Egypt and either flood Europe with Muslims, or pit NATO against pan-Islam, as both, or either, will benefit the Jews' perceived self interests.

As in the Cold War, expect Israel to acquire American weapons, including nuclear weapons.

Egyptians Murdering Egyptians: Just What the Jewish Devil Ordered

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Pay careful attention to the fact that many in the Jewish controlled "alternative media" are asking Americans to take a lesson from the Egyptians and destroy America through "revolution". That "revolution" taking place in Egypt today is instead the deliberate fulfillment of a Jewish plan which is at least 2,500 years old. The Jews, who organized and orchestrated the attack, are delighting as Egyptians slaughter Egyptians, and are eager to see Americans do the same.

The hellish Jewish book of Isaiah sets forth a plan reiterated in the Zohar, for the destruction of Egypt so that the Jews can steal Egypt and Assyria and make them a part of "Greater Israel", with Egyptians and Assyrians as slaves of the Jews:

[**1**] The burden of Egypt. Behold, the LORD rideth upon a swift cloud, and shall come into Egypt: and the idols of Egypt shall be moved at his presence, and the heart of Egypt shall melt in the midst of it.

[**2**] And I will set the Egyptians against the Egyptians: and they shall fight every one against his brother, and every one against his neighbour; city against city, and kingdom against kingdom.

[**3**] And the spirit of Egypt shall fail in the midst thereof; and I will destroy the counsel thereof: and they shall seek to the idols, and to the charmers, and to them that have familiar spirits, and to the wizards.

[**4**] And the Egyptians will I give over into the hand of a cruel lord; and a fierce king shall rule over them, saith the Lord, the LORD of hosts.

[**5**] And the waters shall fail from the sea, and the river shall be wasted and dried up.

[**6**] And they shall turn the rivers far away; and the brooks of defence shall be emptied and dried up: the reeds and flags shall wither.

[**7**] The paper reeds by the brooks, by the mouth of the brooks, and every thing sown by the brooks, shall wither, be driven away, and be no more.

[**8**] The fishers also shall mourn, and all they that cast angle into the brooks shall lament, and they that spread nets upon the waters shall languish.

[**9**] Moreover they that work in fine flax, and they that weave networks, shall be confounded.

[**10**] And they shall be broken in the purposes thereof, all that make sluices and ponds for fish.

[**11**] Surely the princes of Zoan are fools, the counsel of the wise counsellers of Pharaoh is become brutish: how say ye unto Pharaoh, I am the son of the wise, the son of ancient kings?

[**12**] Where are they? where are thy wise men? and let them tell thee now, and let them know what the LORD of hosts hath purposed upon Egypt.

[**13**] The princes of Zoan are become fools, the princes of Noph are deceived; they have also seduced Egypt, even they that are the stay of the tribes thereof.

[**14**] The LORD hath mingled a perverse spirit in the midst thereof: and they have caused Egypt to err in every work thereof, as a drunken man staggereth in his vomit.

[**15**] Neither shall there be any work for Egypt, which the head or tail, branch or rush, may do.

[**16**] In that day shall Egypt be like unto women: and it shall be afraid and fear because of the shaking of the hand of the LORD of hosts, which he shaketh over it.

[**17**] And the land of Judah shall be a terror unto Egypt, every one that maketh mention thereof shall be afraid in himself, because of the counsel of the LORD of hosts, which he hath determined against it.

[**18**] In that day shall five cities in the land of Egypt speak the language of Canaan, and swear to the LORD of hosts; one shall be called, The city of destruction.

[**19**] In that day shall there be an altar to the LORD in the midst of the land of Egypt, and a pillar at the border thereof to the LORD.

[**20**] And it shall be for a sign and for a witness unto the LORD of hosts in the land of Egypt: for they shall cry unto the LORD because of the oppressors, and he shall send them a saviour, and a great one, and he shall deliver them.

[**21**] And the LORD shall be known to Egypt, and the Egyptians shall know the LORD in that day, and shall do sacrifice and oblation; yea, they shall vow a vow unto the LORD, and perform it.

[**22**] And the LORD shall smite Egypt: he shall smite and heal it: and they shall return even to the LORD, and he shall be intreated of them, and shall heal them.

[**23**] In that day shall there be a highway out of Egypt to Assyria, and the Assyrian shall come into Egypt, and the Egyptian into Assyria, and the Egyptians shall serve with the Assyrians.

[**24**] In that day shall Israel be the third with Egypt and with Assyria, even a blessing in the midst of the land:

[**25**] Whom the LORD of hosts shall bless, saying, Blessed be Egypt my people, and Assyria the work of my hands, and Israel mine inheritance.

Goyim killing Goyim, it is always what the Jew wants, especially for America:

Chaos in Cairo as Mubarak backers, opponents clash

Beware the Jews telling you that a "revolution" is the solution to the Jewish problem. The solution to the Jewish problem is to get rid of the problem.

The Jews deliberately manufacture and thrive on chaos. From the Lurian Cabalah down through to the Torah, the Jews have sought to ruin Egypt and destroy humanity in their deliberately manufacted battle of Armageddon. The orchestrated events in Egypt signal the end of time, at the hands of the Jews. Our only hope is to stop them. Americans destroying America will not stop the Jews. It will further empower them.

The Only Means to Save Yourselves and Your Descendants

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have reason to believe that two attempts on my life have been made in the past week, one of which targeted my wife and children, including my newborn son. Should something happen to me, please heed my warning to humanity: The only way you can save yourselves and your descendants is to get rid of them, all of them.

Libertarian Lies Persist Despite the Facts

Just as the Libertarian goldbugs spread the pernicious lie that the Jewish bankers are opposed to the gold standard, when the gold standard is precisely what the Jewish bankers most desperately desire; the Libertarian liars are spreading the malicious myth that Rand and Ron Paul's call for an end to US foreign aid is somehow "anti-Zionist", when it is precisely what the Zionist Jews demand.

In 1996, at the urging of ultra-Zionist Jew Benjamin Netanyahu, the neo-Conservative Jews produced the following policy paper which called for an end to US economic aid to Israel:

A Clean Break: A New Strategy for Securing the Realm

Ron and Rand Paul do not merely call for an end to US economic aid to Israel, but for an end to all US foreign aid; not to harm Israel, but rather to benefit Israel by cutting off funding to "Israel's enemies" in the Arab world, as I have repeatedly proven:

Ron Paul's Radical Zionism Comes Out in the Debate, January 11, 2008

The Pro-Paul Sophistry of Israel Shamir, January 18, 2008

Rand Paul Vindicates My Accusations that His Father Ron Paul Is a Loyal Zionist, November 07, 2010

Three Times More Aid To Israel's Enemies: The Numbers

Of course, should economic aid end, the Jews will double the military aid Israel receives, and have other means of stealing the wealth of America, including warring on Arabs by means of the US military and looting the American taxpayer through usury and other forms of theft. The Jews' goal is to destabilize Arab nations and concurrently cut off US aid to those same nations. Ron and Rand Paul are agents of the Jews, and are doing the Jews' bidding.

There is also a religious aspect to all of this talk of ending aid to Israel. The Jews believe that US foreign aid to Israel should come as slavery, not gratuity, and that foreign aid in the form of a handout is keeping the Jewish god from delivering up the Jewish messiah and messianic age.

"Union of the Mediterranean", Europa, Turkey, Egypt and Israel

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have been warning for years that Turkey is being set up to lead the Muslim world. . . right into Europe, as they have historically sought to do, always at the behest of, and due to the instigation of, and with the full cooperation of the Jews:

The Staged Conflict Between Peres and Erdogan: Jews Pit Erdogan Against Ahmadinejad as if Rival "Saviors" of the Palestinians, February 03, 2009

Recep Tayyip Erdogan and Vladimir Putin, Friends or Foes? June 09, 2010

Among many other articles, many much earlier than these, I warned that the Jews are deliberately making a hero out of Erdogan and the AKP in order to create a borderless Muslim world, which they will unite with Europe in order to ruin European and Islamic cultures:

Expect the new junta in Egypt to promote pan-Arabism and the "Union for the Mediterranean"; which is an extension of the EU to include North Africa and the Middle East.

Why is it that I am the only person telling you about this? You can read about some concern of a Muslim invasion into Europe through immigration orchestrated by the Jews, but no one other than me is talking about how the Jews are forming a pan-Islamic borderless region which they plan to merge with Europe. Instead, the Jewish "alternative media" is celebrating Erdogan and the crypto-Jewish "Egyptian revolution", asking us to follow the lead of these internationalist and Jewish changes.

The Baath Party was a precursor to this internationalist Jewish subversion, as was the Communist infiltration of Islam. Mubarak is a Communist, Saddam Hussein was a Baathist with strong ties to Egypt. The Jews used the Baathists to attack Iran and plan to use their pan-Arabian monster to again attack Iran.

The Jews have always used pan-Islam as a means to gin up wars and invade Europe. The latest coup in Egypt will lead to more of this.

Note how the Jews in media and government condition us to think of "Arab nations", "Middle Easterners", etc. filling our heads with Jewish internationalist terms and rhetoric so that the nations themselves disappear in our minds soon to disappear from our maps.

The Jews want pan-Arabia to become borderless and to be an extension of and invasion into Europe, and the Jews want a war with Iran to finish it, and the United States off forever. If that fails, the Jews want an apocalyptic war between Islam and Christendom, those international

monsters that consumed so much of humanity stripping from us much of our individual beauty and inhibiting human progress.

Note how normal religions were and are usually nationalistic, but Judaism and its sick offspring are internationalistic with the exception of the Jews.

An Amazing Coincidence, Or the Jewish Model in Action?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Just before the Egyptian "revolution" actually took place, which Jewish orchestrated "revolution" I predicted years ago, monkeyfaced Jews and bankers began pitching the idea that there should be a military coup in America. Is this just an amazing coincidence, or are the Jews

pursuing yet again their ancient model of toppling heads of State, then calling for the military to restore order to the chaotic society the Jews have deliberately destabilized for the purpose?

The Jews did it to the Romans, they did it to the Greeks and Egyptians (many times over the course of thousands of years), they did it to the Germans, Russians, English, etc. etc. etc.; and now the Jews want to do it to Americans, and Jews and their agents in the Jewish "alternative media" are setting the stage and providing the impetus for this ruinous attack on our nation.

I told you years ago that the Jews would stage a "revolution" in Egypt. That is now history.

I told you years ago that the Jews would try to destroy the American bastion of freedom and try to steal our gold and other resources and wealth. Listen to the Jews and bankers tell us how we need to mimic the Egyptians and destroy our country, and expose our gold to Jewish confiscation. I have been warning you for years that this is going to happen. My predictions have all either come true or have foiled the attempts of the Jews by exposing them.

I need your help to expose this Jewish design to destroy America. Note that the CIA was first to tell us that Mubarak would depart and that the military would take over Egypt. The CIA is run by the Mossad. Note the Jewish "alternative media", which is run by the Jewish banking/gold cartel, is first to tell us that America will face the same fate of military rule and that America will surrender our gold to the Jews. The connection is obvious and the odds weigh so heavily against coincidence that we must conclude that the CIA and the Jewish banking/gold cartel are one voice and that the CIA obeys the Jews, not normal Americans, and is our enemy.

Your monkeyfaced Jewish heroes are setting you up to cheer on your own demise and some of

you are too stupid to realize it, let alone do anything to stop it, and far from doing anything to improve America. Where are those of you who understand what I am saying? Why am I alone in saying it? Have you no love of your nation, your family or yourselves? Are you just plain cowardly scum who sit on your asses as the Jews slaughter babies and poison the human race?

Do you want to see the Jews steal everything we have as they do worse to us than they did to the Russians and Chinese, slaughtering a hundred million of them and enslaving the rest for generations, generations designed to lead to genetic degeneration?

Say Bye Bye to the Dome of the Rock, Say Hello to the Devil's Temple

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews in the "alternative media" are now starting to parrot my insights into the Jews' subversive "revolution" in Egypt. The Jews do not, of course, give me any credit for my work, and they twist what I have said to blame America and the British for the Jews' crimes against these nations and the human race. The Jews know that these "revolutions" will go very badly for the nations under attack, and for the World, and the Jews want to scapegoat us for their crimes.

But the best means the Jews have for fomenting "revolutions" is to piss off the Muslims with Israeli crimes viz. the attacks on Gaza meant to foment "revolution" in Egypt, and the attack on the Mavi Marmara meant to make Turkey, the Jews' oldest ally, the leader of the Muslims. I explained all this years ago. Now I will tell you what comes next.

The "revolutions" will go very badly for Islam, and the Jews will backstab and double-cross all their covert allies. Islam will become very, very weak as will the rest of the World.

The Jews' plan is destroy the Dome of the Rock and build a demon and Devil worshiping "Temple of Solomon" on site, to make it the center of animal and human sacrifices, and to make it the depository for all the gold in the World for the Jews' international gold standard scam. With Islam shattered, and the World in an oil shortage driven depression, the Jews will bomb the underpinnings of the Dome of the Rock, blame it on "space aliens" or some other nonsense, and drive Islam to completely devour itself. Then they will build a temple to the their Devil god and start sacrificing animals and humans to gain "atonement" for ever forgetting that their god is the Devil, and only the Devil, the jealous vampire that is the Jewish god.

300 Million of Us and Still Not One Viable Presidential Candidate Who Will Lead Us Against the Jews?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The "alternative media" drama queens are in full blossom with soap opera after soap opera

diffusing and rendering irrelevant the dissident community in America. The monkey faced Jews in the "alternative media" are telling our youth not to pursue higher education, but to instead place the military in charge of America so that they can give our gold and our freedoms to the Jews and rule our lives. What is not happening is that the "alternative media" is not calling for us to organize politically to combat the Jews, other than to ruin ourselves with a Jewish orchestrated "revolution" as took place in Egypt.

What would a "revolution" accomplish for us if we cannot even field a candidate for President in 2012? It would accomplish for the Jews their much desired ultimate destruction, balkanization and internationalization of America.

I, alone, took the following steps, among others, in 2008 (and before) in an effort to save America from Obama and the Jews: I warned that Obama is a Bolshevik creation of the Jews. I warned that Obama won the Illinois Senate race through the actions of bankers affiliated in one way or another with Goldman Sachs, and through the collusion of the Democrats and Republicans to put him in power. I warned that Obama is a psychopath and pathological liar, and is a script, not a strong candidate. I warned that the "change" Obama would bring us is from bad to much worse. I warned that Obama would give away our wealth to the bankers and destroy our industry, and that the Jews would try to make a messiah figure out of him. I did all this before Obama was elected, and while the Jewish "alternative media" was telling you that Obama would be our savior. I also created the "Power Party" and its platform to combat Jewish aggression against America and the World, and to improve the living standards and freedoms of Americans. I also warned that Ron Paul is another fruit of the evil Jewish tree and accurately

predicted that he would disappoint his deluded base.

We need a viable and authentic candidate for the 2012 Presidential election. The Jews are filling your heads with talk of revolution and with asinine soap operas so as to prevent you from organizing a political movement to save America and the World from the Jews. With 300 million of us, surely there is at least one who can make a decent run for the Presidency.

The strategy is there. The platform is there. We need a candidate, and now!

An Additional Tangential Response to Zahir Ebrahim

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Dear Zahir,

In a letter you carbon copied to me, which is addressed to John Kaminski, you refer to me as if having "common-cause" with John Kaminski:

"Your take in your interesting article which you emailed me this morning,

'Just another Hebrew pharaoh - Egypt today exactly mirrors Bible's phony Exodus story', is evidently similar to this one by your fellow-comrade in common-cause, Christopher Jon Bjerknes:

http://jewishracism.blogspot.com/2011/02/genesis-1518-where-are-egyptian.html"

What is this supposed "common-cause" to which you refer?

You also state:

"You will also see similar concern expressed in my letter to Christopher Jon Bjerknes for his own blanket usage of the word 'Jews' when he is really referring to the deeds of 'hectoring hegemons' many of whom indeed also happen to be from the Ashkenazi Jewish cabal today.

Why do you post-metanoia boys limit the urge to conquer, to plunder, to be uber alles, only to the Jews?"

What "metanoia" are you attributing to me and what is the basis for your assertion?

Why do you falsely allege that I have stated that, "the urge to conquer, to plunder, to be uber alles, [is limited] only to the Jews?"

Why are you dishonestly criticizing me with strawmen of your manufacture, which thoughts are the product of your mind, not mine?

Would you kindly provide examples in an attempt to substantiate your baseless allegation that I supposedly make, "blanket usage of the word 'Jews' when [***] really referring to the deeds of 'hectoring hegemons' many of whom indeed also happen to be from the Ashkenazi Jewish cabal today."

Has it not occurred to you that the Jews lived in relative harmony with the Muslims, because the Jews created Islam as a reaction to Christianity to provide the Goyim with a more Jewish/ Noahidish religion and therefore did not vent their hatred of Christ on Muslims as they do on Christians? Have you never considered the fact that the Jews, Ashkenazi, Sephardic and others, pitted the Christians against the Muslims again and again in history, causing them all to suffer? Is that true harmony, or merely the product of Jewish subversion, cowardice and genocidal animosity; as the Jews hid among the Muslims to attack them and the Christians by agitating them to attack their own and each other?

You falsely assume that because Semitic Jews have lived among Muslims in relative peace, that they were innocent of the conflicts taking place between and among various Christian and Muslim sects. Ashkenazi Jews did not live among Muslims in large numbers, but this does not mean that they did not act with other Jews to harm Muslims directly, and through wars with Christians and others; or that their beliefs differed in relevant ways from other Jews. Askenazi Jews live in great "harmony" (as parasites) with Americans in the same sense that Semitic Jews lived in peace with Muslims, and yet both groups did great harm to America and Islam as Jewry.

This indicates that Americans and Muslims have failed to properly defend themselves from the Jews, not that the Jews, "Eastern" or Ashkenazi, are benevolent towards Muslims and

Americans. Your distinctions among Jews are arbitrary and ignore the hostility of Jewry to humanity from its foundational texts onward. You create a fantasy of noble Muslim-loving "Eastern Jewry" (creating fantasies is evidently something you are prone to do) in order to prove with falsehoods that Judaism and Jewry are not evil by their self definition. The fictional characters Moses and Joshua were not Ashkenazi Jews and they were genocidal and racist maniacs.

You try to glorify yourself with your pompous piety in the fantasy world of Islam, but it too demands horror and genocide, and your being a victim of your religious fanaticism does not excuse your submission to these horrible beliefs. There, you see, I do not merely attribute "the urge to conquer, to plunder, to be uber alles, only to the Jews". The Jews including Ashkenazim, Sephardim and others, have used the Muslims' historic desires to attack the Christians, and vice versa. So stop trying to portray yourself as if some pious victim of Whitey. The Pakistani Muslims and Indian Hindus have shed enough of each others blood for you to make yourself ridiculous when you seek to make yourself out to be the paragon of virtue and a poor victim.

In fact, your self image of victimhood, false portrayal of my work, slimy use of flattery and pretense of friendliness to form a basis for attack all have a very Jewish character. . . stench, perhaps a result of your faith in Jewish manufactured mythology which evidently leads you to forgive the Jews as a class, Jewry who have done so much harm to humanity. Your Moses was a vicious hateful freak and you can lick up the spittle of the "Eastern Jews" until you choke on it, and it will make them no less a part of Jewry and no less a part of the Jewish problem. You need and must love the Jews in order to make your delusional religion real to you and in order to

fulfill its horrific "prophecies". I have no such self destructive need and live in reality, not religious mythology.

Best regards, and again thank you for your interest in my work!

In Response to Zahir Ebrahim

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have received an open letter from Zahir Ebrahim which requests that I consider modifying my terminology regarding the Jews, and that I justify my right to involve myself in the affairs of other nations.

The letter begins by claiming that the Muslims have always had good relations with "Eastern Jews", meaning not *Ostjuden*, but rather Semitic and Berber Jews, as opposed to Ashkenazim. I would point out that the supposed ancestors of these same Semitic Jews tried to poison the Prophet Muhammed to death, created the Hebrew Bible and the Talmud, and depending on the definition of bloodlines, Cabalah. I do not seek to criticize Jews because one branch of the Jews

(its largest limb) has more Khazarian and European blood than Judaen blood, other than to point out that their descendants never lived in Palestine in large numbers until recently.

I do not wish to criticize Khazarian and European blood, but rather Jews and Judaism. Jews are warring against humanity not because some of them may have a large dose of Khazar blood, but rather because they are Jews and the Jews only exist to perpetrate and perpetuate this war. It would be incorrect and counterproductive to mischaracterize the enemy as "Khazars" when they are in fact Jews and the only reason why this war exists is because they are Jews.

Judaism is an open declaration of war on the human race. It is not incumbent upon me to sift out innocent elements in this Jewish war on my fellow human beings. Any group which calls itself Jewish has as its founding instrument the Torah, which declares war on humanity. Let them try to justify their existence should they wish to separate themselves from other Jews and the Torah.

The Jews created and use the Muslims as a weapon against the Europeans and their descendants, just as the Jews created and use Christendom as a weapon against Muslims and non-Whites. Judaism, Christianity and Islam, are, in my opinion, each products of Jewish minds meant to fulfill the Jewish plan to enslave and exterminate humanity. Muhammed produced an Arabic translation of "the Book" and Christianity is the Goys' share of Judaism, a religion of abject slavery and poverty. Muhammed was illiterate and the translation came from Jewish Christians. These Jewish religions lack an advanced Metaphysics, are internationalist and most dangerously, are apocalyptic. They are each based on proven falsehoods and contain internal contradictions which preclude their veracity.

I have the right and responsibility to advise Egyptians on their probable fate because I have studied the Jews and my model of Jewish thought and action has produced several precisely accurate predictions. Take a step back in time and ask yourself if I had the right to tell the Egyptians that the recent stage managed "revolution" was about to take place and that the Egyptians had better organize a nationalist strategy to counter this Jewish subversion. I had not only the right but the duty to do this and this I did do. It is the Egyptians who are at fault for not heeding my warnings and not following my advice, not me for providing them with precisely accurate intelligence, analysis and advice. I know for a fact that leading Egyptians, including royalty, follow my writings. Shame on them, not me.

Would you have preferred it if I had held my tongue then? If not, why should I become silent now, when I can forecast what will happen if my present advice is not followed? Why would I not warn the Egyptians about the dangers I know they face?

Regarding John Kaminski, I have already divulged what I was, and was not, told by Daryl Bradford Smith/Setters and unfortunately cannot provide you with more information other than to again say that Smith/Setters never told me that he was childhood friends with Kaminski, a fact he has since made public after again promoting Kaminski, when Smith/Setters long ago made a circus of attacking Kaminski, a farcical charade that spread across the "alternative media". Kaminski at one time had a relationship with Judy Andreas, and she was once married to Stan Hess, who was a friend of the late James von Brunn. . . small world.

Thank you for your interest in my work and I hope to have answered your questions and

concerns which I suspect may have occurred to others.

On the Myth that Greater Numbers Necessarily Equate to Greater Strength

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Expect that the Jews will covertly try to condition the Muslims to accept internationalism in the form of borderless regions, at first forming pan-Arabic and pan-Turkic regions. The Jews will suggest to the Muslims that this is their best means of defense against the Jews and America on the false premise that greater numbers always brings greater strength.

Consider this myth of power through numbers at first on an individual level. Your individual power is your ability to express your will, which will is your natural right and is the dignity of your existence. It is your freedom and why nature made you different from all others such that you might be fitter than others and improve the race.

The old cliché holds that your freedom to express your will to swing your arms ends at someone

else's nose. The more others we add to this equation, the less freedom and power you have.

We tolerate the Jews in our society, adding a foreign and hostile element. The Jews engage in terrorism and as a deliberate result we have less freedom and individual power due to the numbers of Jews. Jews cause the problem of terrorism then propose the "solution" of declaring that all Americans are presumed suspect and must suffer the insult, humiliation, degradation, invasion of privacy, and toxic effects of searches at airports. The existence of Jews in our society lessens our individual power and robs us of our freedom in this, and countless other ways.

The Jews out compete others by acting collectively while actively subverting the ability of non-Jews to act collectively. The presence of Jews in society robs the majority of their standard of living and power as individuals. Other groups do the same in a variety of ways, generally weakening the power and freedom of individuals. Their numbers diminish from individual freedom and power.

Including persons who take more than they contribute tends to weaken society. Those who contribute suffer for the existence of those who only take.

In a classroom filled with average students, idiots and geniuses, the level of learning must be reduced to the lowest common denominator, that of the idiots in order for none to be left behind. Individuals suffer for the weaker members of society and a society which seeks to increase its numbers merely for the sake of having larger numbers, or based on a counterproductive "ethical model", which society includes a new source composed of idiots to double its numbers and which society deems it necessary to reduce all to this lesser standard,

will diminish the power and freedom of its individuals.

These brief examples should suffice to demonstrate the point that an increase in population through the admittance of foreign elements does not of itself necessarily produce greater strength, and can, and often does, weaken an otherwise strong society.

Now let us consider the effects of Jewish internationalism in the form of pan-Arabism and pan-Turkism. The Jews are prompting the Muslims to call for the internationalization of their countries based on the false suppositions that this will empower the Muslims to face the Jews and Americans. I myself have proposed Muslim unity, but on a nationalistic model, not a Jewish internationalistic model. And the difference is substantial.

On the Jewish international model, Turkey will import massive numbers of foreigners from pan-Islam, and take on regional responsibilities leading it into conflict with Russia, India and China. "Multicultural" and international Turkey will be flooded with disease and cheap labor. The now relatively high class society will degrade to its lowest new elements. The freedoms and power of Turks will be sacrificed to the greater good of the worst in the World. Turks will sacrifice their culture and unity to others and their national will can no longer exist, rather Muslims and Europeans will collectively dictate to Turks how they think and act, and ultimately will enter their genetic pool, and all will be controlled by the Jews. Turkey will disappear and so will Turks. That which is common and makes it a benefit for Turks to have a nation will be erased. There will be no Turkish will, no Turkish interests, no Turkish power nor Turkish freedom to be Turkish.

The same holds true for pan-Arabia. All Muslim strength will cease to exist and will be replaced by Jewish internationalism which will erase all national cultures, freedoms and power to defend the existence of national peoples and their interests and freedoms to be who they are and to be different from others. The new standard will be the lowest common denominator and all will be engineered to reduce all into this sewer of blended garbage. The last legacies of pre-Jewish humanity lingering in the rich and beautiful Islamic cultures will disappear forever, just as China has lost so much under the influence of its Jewish internationalism, both Jewish Marxist and Jewish Capitalist influence.

Greater numbers in the form of Jewish internationalism do not strengthen societies, they utterly destroy them.

On the other hand, if Turks, Egyptians, Iraqis, Saudis, Pakistanis, etc. become the strongest nationalistic Turks, Egyptians, Iraqis, Saudis, Pakistanis, etc. they can become, and then unite in ways which strengthen their selfish national interests, then they could become a strong force to challenge the Jews and help Americans to undo and eliminate Jewish influence. We would then see these societies rising to the highest standards they can individually and collectively produce, rather than the lowest. A Turk need not and should not become an Uzbek nor an Egyptian in order to be a strong and free Turk. Turks are different from Egyptians and have different interests and character to protect and only lose by giving away their national sovereignty on the bogus premise and false promise that it will bring them strength. It will instead erase them from the pages of history.

We have a right to our will, our freedom and our dignity; and the best means to safeguard this

right is at present nationalism and the destruction of Jewry which is waging war on us all.

Brown Man's Burden: The Jewish War on Whites

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are deliberately destroying America and Europe. They have always wanted to destroy Whites.

The Roman Empire has left us dark haired and brown eyed Italians, who bear little resemblance to the Romans. Rome had many, many Jews, and doubtless they deliberately miscegenated with Romans to remove the Roman from existence. The same has happened to the golden-haired Greeks.

The Jews now want to flood Europe with Muslims. This is already, and predictably, happening in Italy with a planned flood of Tunisians, Egyptians and Libyans. The planned Union of the Mediterranean will exponentially increase the Muslimization and browning out of Europe.

Whites in America are being encouraged to adopt and marry Asians, and to mix with Mexicans and Blacks. It will only be few generations more of this before Whites will disappear.

But the Jews have no love of the mutts they are making. The Jews believe that by mixing different races, they remove both the guardian angels of the human organism and their gods, leaving them defenseless against Jewish genocidal aggression, as I explained here:

"As Above, So Below!" The Jews Are Out to Destroy the Guardian Angels of the Goyim, the Animals and the Plants. . . to Destroy All of Creation, July 23, 2009

The Jews want to destroy all life with genetically corrupted and mixed organisms so as to also destroy all gods other than the Jewish god, and all guardian angels. The Jews also want to steal all the gold in the World and place it in the Temple of Hell they plan to build where the Dome of the Rock now stands.

Beware Whites, the Jews want to eliminate you and your gods and angels, and it will only take a few generations for them to accomplish this task. The Jews are filling the heads of the Browns of the World with a burden to eliminate Whites. They are creating international and internal hatred of America and Europe and of Whites. Face this very real danger, or die out.

Beware Goyim! Judaism Is NOT Monotheism. . . Yet

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jews have long spread the myth among the Goyim that theirs is a monotheistic religion, a lie betrayed in the very first book of the Torah. The Jews rejoice to hear the Muslim Goyim fanatically screaming that, "There is no god but god. Muhammed is the prophet of god!" Yet the Jews still cringe at the name of Jesus Christ seeing in him a god of the Goyim.

The Jews hear the bell tolling for the Goyim when Muslims declare that the Jewish god of Abraham (Melchizedek) is the sole god, not because the Jews believe this to be true, but rather because it means that these Goyim have abandoned their gods, their supernatural protection, and so both the Goy gods and the Muslim people will soon disappear from the Earth and the heaven, "As Above! So Below!" The Jews do not believe that their Jewish god grants the Muslims any protection whatsoever.

The Jews are not monotheistic, yet, though are trying to become monotheistic. The Jews believe there are 70 gods who guard the Goyim, and an angel over every living thing. The Jews also believe that the Serpent, Samael, is a supergod over the 70 Goy gods, a treacherous snake who accepts a goat from the Jews every year in exchange for scapegoating the Goyim for all the crimes of the Jews. I have documented this fact in, among other articles, the following blogs:

Orchestrated Gentile Suicide: The Judaic Heresy of "Christian Dispensationalism", August 14, 2009

As Above, So Below: The Jews Will Kill All the Nations (All the Goyim), June 23, 2009

The Reasons Why Neturei Karta Do Not Represent the Views of World Jewry, June 30, 2009

The "Jealous" Jewish God and the Jews' Hatred of the Diversity of Humankind, May 03, 2010

"As Above, So Below!" The Jews Are Out to Destroy the Guardian Angels of the Goyim, the Animals and the Plants. . . to Destroy All of Creation, July 23, 2009

The Jews believe that by tricking the Goyim into disbelieving in their gods, the Jews will kill off those gods, and the Goyim with them, "As Above! So Below!" When the Muslim shouts, "La Ilaha Illa Allah, Muhammad Rasulu Allah!" the Jew hears him or her inviting extermination.

Judaism will not become a monotheistic religion until all the Goyim, whom the Jews view as impurities, and all Goy gods, whom the Jews view as rivals of their jealous god, are exterminated. The Jews intend to carry out this ancient plan of exterminating the Goyim and their gods next year, 2012; and, that failing as it will, in this century; and, that failing as it will, as long as one Jew remains to plot the demise of the human race.

Amazing how so much of Judaism and the Jews' representations to the Goyim are pure lies. The Jews lie to you when they claim that Judaism is a monotheistic religion. They perpetrate this lie in hopes you will believe it and so make it true. In hopes that you will commit divine and mundane suicide for the benefit of Jewry.

Counterrevolutionary Nationalism Versus Jewish World Empire

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish World Empire is attacking nation after nation, including the United States of America, with so-called "revolutions", which are instead the internationalization and impurification of nation states. To combat the Jews' genocidal attack, we must utterly defeat Jewry, and we must preserve our nations.

Egyptians, for example, have been under a 2,500 Jewish war of aggression meant to destroy Egypt as a nation and to genocide the Egyptians and steal their land. The Jews have led the Romans, Arabs, French, etc. to attack and invade Egypt for thousands of years. The Jews have internationalized the minds of Egyptians with Judaism, Christianity and Islam; and, more recently, Communism, pan-Arabism and the Union of the Mediterranean.

The Egyptians should not revolt against Egypt, and destroy themselves for the benefit of the Jews. As the Americans did to the British Empire, the Egyptians should revolt against the Jewish World Empire and once again become Egyptian.

It is perhaps too much to ask for the Egyptians to give up their childish beliefs in Judaism,

Christianity and Islam. Some people seem to feel a need for imaginary supernatural parents and friends to hold their hands through life, and it is difficult to shake their adherence to self destructive myths. There is not at present a religion which would serve the nationalist interests of the Egyptians.

But there are many other things the Egyptians could do to remove Jewish international influence from their nation and their lives. The Egyptians should withdraw from the United Nations, create their own truly national currency, engage in international trade for the benefit of the citizenry, eliminate and prevent the infiltration of Jewry, engage in propaganda against the Jewish World Empire, etc.

The Egyptians should not empower globalism in any form, including "working class 'revolution'", international "peoples movements", pan-Arabism, pan-Islamism, the Union of the Mediterranean, massive immigration and/or emigration, open borders, internationalization with Syria or any other nation, unnecessary war, debts, loss of sovereignty, disadvantageous trade, etc. Instead, the Egyptians should once again become Egyptians and boot out the internationalists and eliminate international policies and influence; just as the Americans sought to eliminate the influence of the British Empire, the Egyptians should seek to eliminate the influence of the Jewish World Empire.

Egyptians, do not rebel against yourselves or sound national principles, including strong government. Fight back against Jewry, which has sought to genocide you and which has brought enemies against you, for 2,500 painful and destructive years. Empower Egypt and rebel against the Jews, do not destroy Egypt to empower the Jewish World Empire of internationalism.

The POWER PARTY's Counterrevolutionary Foreign Policy for Combating Jewish "Revolutions"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The *POWER PARTY* proposes that Americans support counterrevolutionaries in those nations which have been deliberately subverted by Jewish "revolutions". Counterrevolutionaries in those Middle Eastern nations under direct attack today must form nationalist policies to grow their economies, secure their borders and seize control of their governments.

For example, the US should encourage oil producing nations to repudiate their debts, ban foreign corporations, take control of their currencies, and engage in trade with the US and other nations for food, goods and services; instead of trading in dollars and other currencies. Trade may also take place in the form of infrastructure and development projects in exchange for oil.

These nations should withdraw from the UN and repudiate all treaties which give them no benefits. They should work together to punish those nations which persecute Iran with

sanctions.

They should cut off all ties to Israel and prohibit Jews from entering the nations, including foreign journalists, diplomats, etc.

These are but a few needed steps. I will have more to say on this matter in the near future.

I Alone Warned Libyans 4 Years Ago that the Jews Would Bring a Destructive "Revolution" to Libya, Pit Them Against Christendom and Exterminate Them

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish hate literature commonly known in the US as the "Old Testament" has the following to say about Libya:

Jeremiah 46:9,

"Come up, ye horses; and rage, ye chariots; and let the mighty men come forth; the Ethiopians and the Libyans, that handle the shield; and the Lydians, that handle and bend the bow."

Ezekiel 30:5,

"Ethiopia, and Libya, and Lydia, and all the mingled people, and Chub, and the men of the land that is in league, shall fall with them by the sword."

Ezekiel 38:5,

"

Persia, Ethiopia, and Libya with them; all of them with shield and helmet:"

Daniel 11:43,

"But he shall have power over the treasures of gold and of silver, and over all the precious things of Egypt: and the Libyans and the Ethiopians shall be at his steps."

Exactly four years ago, I warned the Libyans, Syrians, Lebanese, Ethiopians, Russians, Iranians, Saudis, Egyptians, Jordanians, Turks, etc. that the Jews would instigate new wars, and that failing, a series a revolutions meant to destroy all these nations in order to ultimately unify them as the mythological "Gog and Magog" of genocidal Jewish end times myth and pit them against the West in a staged battle of Armegeddon:

What's All This Zionist Talk of the Battle of Armageddon? Russia and Iran Be Warned! Zionists Be Damned! April 28, 2007

I warned 4 years ago in the following article:

Israel Goes in Search of a Scapegoat: Saudi-Israeli Alliance Is a Recipe for Disaster, February 08, 2007

"I would again like to caution the Sunni not to ally themselves with the Israelis. The Israelis will not stop at destroying Iran. They will also destroy Syria, Lebanon, Palestine, Jordan, Saudi Arabia, Egypt, Kuwait, Libya, etc. They will destroy all of Islam.

After using the Sunni to instigate an attack on Iran, Israel will have the opportunity to escalate the war into a Christian attack on all of Islam. Already in the general American media, they are vilifying and dehumanizing Moslems, and generating genocidal hatred and paranoia against all Moslems. Just as Israel seeks to pit Sunni against Shia, once the wars start, they will aggressively pit Christendom against Islam, and leave only Jews standing in the Middle East.

In its eagerness to destroy any and all efforts to unite Palestinians, Israel is encroaching upon Al Aqsa, so that the Palestinians will react and provide the Israelis with an excuse to invade Gaza and the West Bank and wipe out Hamas. They want to do this before the 19 February 2007 meetings scheduled between Olmert, Rice and Abbas.

This is a tricky business for the Israelis, because their general aggression

against Islam places the Arab puppet leaders in jeopardy, which is a part of their plan to pressure and control those leaders. The Arab nations of Saudi Arabia, Egypt, Jordan, etc. should each close off diplomatic relations with Israel and cut off all economic ties with the nation, but they have not yet done so. Israel has its hand on the tap which could open the flow of revolutions against its puppets in the Arab world should they fail to obey their commands to attack Iran.

Israel is cleverly pitting the USA and the Arab states against Iran, in the current phase of the Israeli genocide of all Moslems. Once the ball gets rolling, the Israelis will escalate the wars and genocide all Moslems, Sunni and Shia, and blame the Moslems and Christians for their actions."

Four years ago, I wrote in the following article:Iran Should Draft and Distribute a Brief to Members of the UN, February 26, 2007

"Make it clear that the Israelis' plans also call for the destruction of Syria, Egypt, Jordan, Saudi Arabia, Libya, etc. and that Iran is just one on a long list of states that Israel intends to illegally destroy."

Four years ago, I stated in this article:

The Israeli Subversion of American Politics: Americans and Arabs, as Always, Mere Pawns of the "Jewish State" April 04, 2007

"The Israelis have targeted Saudi Arabia, Egypt, Lebanon, Syria, Libya, Jordan, etc. for extermination, as well as Iran."

My model for predicting Jewish behavior and World events works flawlessly. I again warn my beloved fellow Americans, the Jews are out to ruin us with a "revolution" and the "alternative media" is one the vehicles meant to send us into hell.

We must organize politically to unseat the Jews and their puppets. Time is painfully short. Wake up! Stand up!! Take Action Now!!! Otherwise, watch you and your children perish at the hands of the genocidal Jews.

I have given you six years warning on most of what is occurring today. How much more time are you going to waste before doing something to save yourselves?

A Question for All the Jews and Other Phonies in the "Alternative Media" Who Are Advocating an American "Revolution"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

To all the Jews, CIA agents, Mossad and/or bankers in the Jewish dominated "alternative media", those of you who are telling us that we ought to destroy America with a "revolution", I pose the following question: Why don't you Jews and agents of Jewry advocate a "revolution" in Israel, if revolutions are so grand?

To all normal human beings I demand you ask yourselves, why are these damnable Jews always trying to talk us into a "revolution" and why is Israel seemingly the only Mideast nation not in imminent danger of a Jewish orchestrated "revolution"? I must ask myself if I am the only person alive who recalls the Jews' poisonous policies of "World revolution" and "permanent revolution" when I here the Jews of the media advocating revolution? Are any of you so very stupid as to fail to realize that the Jews and other phonies in the "alternative media" spreading the lies that "revolution" is the answer to our problems are cut from the same blood soaked Jewish cloth as the Marxists who created the worst hells of the 20th Century through "revolution"? Am I really surrounded by so many mindless fools?

Look at the prominent names in the "alternative media". Categorize each in the following types: Jew. Banker. Goldbug. Gold Pusher. Revolutionary. Nearly all fit in one or more of these telling types. Why are you so stupid that am I the only person telling the World that Jewish bankers and the gold cartel run the "alternative media" and are setting us up to destroy ourselves with a Jewish "revolution"? Is it really hard to understand? Look at their websites. Nearly each one has an ad or link for or to the gold cartel. Nearly each one tells us to destroy America and to call Jews, "Zionists" and to blame America for Jewish crimes. If you are as stupid as you act, we are all doomed to live then die in a global Jewish hell of your making.

President X: The Jews Are Stacking the Deck Against Americans

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

What Egypt lacked, and what we urgently need, is an organized nationalist movement in place should the Jews succeed in ginning up a "revolution" in America. The existence of such a movement would of itself discourage the Jews from attempting to do to America what they have done to Egypt and other nations.

While at first sight it might have seemed that the Jews were replacing the high command of our military solely in order to assure that they would obey orders to attack Iran without objection; with monkey faced Jews, CIA and bankers all telling us a military coup is our best option as Americans to rid ourselves of the Jewish problem; and with the known Jewish model played out in Egypt and throughout history; it appears that the Jews have also placed their agents in the military for the purposes of attacking American citizens and overthrowing our government. We need a strong nationalist, pro--American movement to counter-attack the Jews at every level of our society *and* to secure our nation should the Jews attempt to do to America what they have done to Egypt.

Though I personally know men and women who would make successful Presidential candidates, and who understand well the Jewish problem and how to solve, each is too chicken, too selfish and too weak even to run, let alone lead us against the enemy. With 300+ million Americans, there must be someone with the guts and brains needed to manage the task. I have yet to find the person, but will never end the search until one is found.

Americans who refuse to vote for Jewish puppets might be forced to join with Americans too stupid to realize what is happening to us, but at least clever and concerned enough to recognize that something is very wrong, and write in a "protest" vote, not for "Mickey Mouse" or some other ridiculous name that makes the act of voting ridiculous in itself, ridiculing not only the process, but the voter as well. Perhaps a common write in name, if it appeared in sufficient numbers, would encourage the still cowardly to run for office. "America" or "Jewish Problem" or some other such title, whether meant to appeal broadly, or specifically, would suffice.

Of course, it would be much, much better to have a real person with the minimum of integrity and patriotism needed at this time to run, to lead us; but if we are left with no other choice, this would at least give some voice and purpose to our vote. The worst voter fraud we face is the lack of candidates who represent our best interests as a nation.

Judaism in Action in Libya: The Protocols of the Genocidal Jewish "Old Testament"

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews love to manufacture civil wars. The Jews pitted English against English, Americans against Americans, Spanish against Spanish, and, following the Second Jewish World War, created prolonged civil wars between Jewish communist versus Jewish capitalist divisions which pitted peoples against themselves in China, Germany, Korea, and Vietnam, where brother murdered brother at the behest of the genocidal Jews. The jealous and genocidal Jewish god commands the Jews to do this, in, among many other places, the hate literature commonly known in America as the "Old Testament".

Haggai 2:22,

"And I will overthrow the throne of kingdoms, and I will destroy the strength of the kingdoms of the heathen; and I will overthrow the chariots, and those that ride in them; and the horses and their riders shall come down, every one by the sword of his brother."

The Jews are their hateful and murderous god, that Jewish Devil who wants to destroy every nation on Earth save the Jewish nation and to murder every non-Jew.

The Hebrew Bible, the Old Testament, is saturated with racism and expresses the genocidal

Jewish plan to exterminate all non-Jews.

In the Old Testament, the racist and genocidal Jews call themselves the "holy seed" (*Ezra* 9:2. *Isaiah* 6:13; 44:2-3; 59:20-21.) and the "elect" of their god (*Isaiah* 42:1; 45:4) who will survive the apocalypse, after which the Jews will have exterminated all non-Jews (In the Old Testament, *see*: *Deuteronomy* 32:43; 33:29. *Psalms* 2:1-2, 8-9; 18:40-50; 72:1-20; 75:3, 10; 79:6-7; 82:6-8; 83:9-10; 110:6; 137:8-9 *Isaiah* 11:4; 17:12-13; 33:12; 34:2; 41:11-12; 42:1; 49:26; 60:16; 65; 66. *Jeremiah* 2:3; 10:10-11, 25; 30:11; 33:15-16; 46:28. *Ezekiel* 25:14. *Amos* 9:8-10. *Obadiah* 1:18. *Micah* 4:12-13; 5:8. *Zephaniah* 3:8. *Zechariah* 2:8-9; 12:2. In the Babylonian Talmud it states that non-Jews and proselytes will have no place in the future world, *see*: Tractate *Abodah Zarah,* folio 3*b*. Tractate *Yebamoth,* folio 24*b*. Tractate *Sanhedrin,* folio 105*a*). The hateful Jews plan on sending all non-Jews to Hell forever (*Psalms* 9:17. Ezekiel 32:17-32).

Pick up a Christian Bible and read the Jewish "Old Testament", or "Hebrew Bible". You will quickly discover that the Jews are a perverse, murderous, racist and supremacist group and have been from the beginning. Is it just a coincidence that the Jews of today believe that they are a master race chosen by their genocidal Jewish god to be above all others (*Exodus* 19:5-6. *Deuteronomy* 7:6; 28:1-13. *Zechariah* 8:23); have taken over the governments of the World in the name of their genocidal Jewish god (*Numbers* 24:17-20. *Psalms* 2:1-12; 18:40-50; 72:8-11; 110:1-7. *Isaiah* 40:23; 49:7, 23; 60:12; 65; 66. *Jeremiah* 10:10. *Ezekiel* 36-39. *Micah* 17:16-17); are waging war on all non-Jewish religions in the name of their genocidal Jewish god (*Exodus* 34:11-17. *Zechariah* 14:9); seek a one World language and one World slave race in the name of their genocidal Jewish god (*Zephaniah* 3:9. *Zechariah* 8:23); steal the wealth of Gentiles

through usury but grow enraged when Jews practice usury against other Jews (*Exodus* 22:23-24. *Leviticus* 25:36-37. *Deuteronomy* 15:6; 23:20; 28:12-13. *Ezekiel* 18:13, 17); take non-Jewish women as sex slaves (*Numbers* 31:15-18); have stolen the land of Palestine and are actively genociding the Palestinians in the name of their genocidal Jewish god (*Genesis* 15:18-21; 17:8. *Exodus* 34:11-17. *Numbers* 33:50-56. *Deuteronomy* 11:24-28. *Joshua* 1:3-4. *Isaiah* 52:1. *Ezra* 1:5); and view non-Jews as animals (*Ezekiel* 23:20; 34:31. *Ezra* 9. *Nehemiah* 9:2; 13:3, 23-30. *Isaiah* 61:9); when it is a proven fact that all of these actions are commanded by the Jewish Old Testament and are accomplished in the name of their genocidal Jewish god by Jews today?

In Defense of the Truth and the Right to Speak It: O'Connell Is Innocent: Jews Are Racists. Part 1, January 23, 2010

The genocidal Jewish "Old Testament" is an incitement to exterminate the human race. Christians and Muslims share in the guilt of the Jews for believing and proselytizing these Jewish myths.

Libyans are today killing their brother Libyans. The Jews are playing the same game in Libya they are playing in Egypt, with Israel pretending to be against the Jewish "revolution" and supporting the puppet they installed long ago, with the Jewish subverted American government supporting the "rebels" the Jews manufactured. The Libyans are losing and the Jews are winning. The Jewish vampires are feasting on Goy blood.

The Libyans are stupid. They have allowed the Jews to fill their heads with Jewish religious

mythology that demands the death of Libya and Libyans. They sink to their knees and beg the genocidal Jewish god to save them from itself. The follow Jewish leaders calling on Libyans to murder Libyans.

Nature is cruel to stupid human beings. It permits the Jews to exterminate them. America may be next. I am afraid my fellow Americans may be as stupid as the Libyans and I am not smart enough to figure out how to save them from the Jews and from themselves. It is probably not possible for one person to do this, and the rest of you are too cowardly and too stupid to help. Nevertheless, I and my family must suffer together with you. Damn shame for all of us, is it not?

For Anyone Foolish Enough to Believe that Events in the Middle East Serve Our Interests, Not the Jews' Interests, An Interesting Article from the AP

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

An interesting article from AP:

Yemeni president says US and Israel behind unrest

"'I am going to reveal a secret, [President Ali Abdullah Saleh] said. 'There is an operations room in Tel Aviv with the aim of destabilizing the Arab world. The operations room is in Tel Aviv and run by the White House,' he said.

He said opposition figures meet regularly with the U.S. ambassador in Sanaa to coordinate efforts.

'Regrettably those (opposition figures) are sitting day and night with the American ambassador where they hand him reports and he gives them instructions,' Saleh alleged.

'The Americans also talk with the government officials about this (the protests), but they tell them `allow these people to demonstrate in the streets'," Saleh said. "We say that this is a Zionist agenda.'

The wave of political unrest sweeping across the Arab world is a 'conspiracy that serves Israel and the Zionists,' he added."

The Destruction of America Would Grossly Empower the Jews, Not Destroy Them

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews want American Jews to move to Israel (Jeremiah 33:7). The Jews want Israel to rule the World and for all other nations to disappear (Exodus 34:11-17. Psalm 2; 72. Isaiah 2:1-4; 9:6-7; 11:4, 9-10; 42:1; 61:6. Jeremiah 3:17. Joel 3:16-17. Micah 4:2-3. Zechariah 8:20-23; 14:9).

Jews and their assets in the "alternative media" are trying to turn Americans against themselves by lying to them and claiming that we can destroy the Jews, whom they call "Zionists", by destroying America; and, therefore, the destruction of America will supposedly be a good thing that will benefit Americans and the World. It is difficult for me to imagine that my fellow citizens are so stupid as to fall for this Jewish ruse, but it appears to have grasped the minds of some in a deadly and suicidal grip.

The Jews hate American values, which secure your freedom of speech and religion. The Jews want to impose a universal and internationalist religion on you, to take away your right of free speech and all other rights, and to make you the absolute, groveling slaves of the Jews. The Jews have been planning this coup against humanity and national sovereignty for 2,500 painful years. The Jews have been subverting the Goyim with Utopian delusions that enslave the Goyim for as long. The present Jewish lie is that killing off America will save it and produce a Utopia of "freedom" for the World!

The Russians let in one of these Jewish Trojan Horses, and the Jews murdered tens of millions of the best Russians. Same happened to the Chinese. Some "Utopia"!

Read this carefully, stupid! Destroying America will not save it! It will instead give the Jews hegemony over the Earth and remove from memory any vestige of human freedom and national sovereignty! We must build up America, not ruin it.

The Jews are presently building an international, Jewish run Empire of Europe, Asia and Africa. Destroying America will enable the Jews to turn America into another chamber of this suicidal soup that will mix everyone but the Jews into a new slave race that will be forced to worship the Jews and live in a World of Jewish depravity and degeneration. Have you seen the "art" Jews produce? It is inhuman! Have you read the religion the Jews produce? It is anti-human! Should the Jews remove America from the map, and rent our homes to hundreds of millions of Asians and Africans, the human race will quickly deteriorate into the Jews' dream of a slave race who will voluntarily walk into their graves in praise of their Jewish masters, those self loving gods of death.

Consider how stupid is the Jews' advice to you! Kill yourself to save yourself, die to live. It is just like the religions they gave you to kill you off. Give up your property and rights to gain a "Utopia". All who have followed the Jews' advice have fallen into their pit, stumbled on their stone and lived in hell.

So when you hear the Jews' advice to ruin America with strikes and "revolution", remember that the Jews gave the Russians the same advice, and it only brought the Russians into war, slavery and genocide. Rendering our productive capital idle will only further destroy us. We should be making full use of our resources, our labor, our land, our industry, our agriculture, not

repudiating them and rendering them useless. As we destroy ourselves, others will build themselves up and steal what we have. That is the Jews' plan for us. Do not oblige the Jews!

Christianity: Worshiping the Enemy's King As If a God

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Jews brought the Greeks against the Egyptians through Antiochus IV. After using the Greeks to conquer Egyptians, the Jews attacked the Greeks; much the same as the Jews have used Americans to attack and conquer other nations, and now the Jews attack us and scapegoat us for their crimes.

As was the custom of many ancient rulers, Antiochus IV declared himself to be a god and turned the Jewish temple into a temple of Zeus. He forbade the Jews from practicing their ugly religion and slaughtered pigs in the temple.

The Jews were also familiar with the king worship of the Egyptians.

Caligula likewise became disgusted with the hostile and intolerant Jews. As was the custom of Roman Emperors, Caligula declared himself to be a god. He placed a large statue in the Jewish

temple and also turned the Jewish temple into a place of worship of Roman/Greek gods and the Roman king as a god.

The Jews took their revenge on the Romans and Greeks. The Jews subverted them to worship a mythical Jewish king, the anointed Jesus, as if a god, their Jewish god. The Jews made the Romans and Greeks slaves to this humble Jewish king.

Christians stupidly worship the king of their enemy. To a non-Christian, Christianity is as asinine as would be the worship of Pharoah, Antiochus IV or Caligula as if gods by Eskimoes, only Christianity is worse, because Jesus was a racist Jew who called non-Jews "dogs" (Matthew 15:26) and who condemned the World to absolute destruction and Jewish rule (Matthew 24).

The Jews never have believed that their god is the only god, nor have they ever believed that their god is anyone else's god. Instead, the Jews, as was the case with most ancient religions, believed and believe that each people has its own gods to protect it and make it victorius in war, and that these gods are themselves at war and that their jealous Jewish god wants to kill off all the other gods and that Jews must kill off all non-Jews. When the Jews insist that all others bow down to their god, and abandon the worship of their own gods, the Jews are simply enslaving the Goyim in order to kill them, and their gods, off. They are NOT converting non-Jews to Judaism.

Forced or coerced "recognition" of the Jewish god as if the supreme and sole god is an act of slavish submission, not spirituality. It is an act of the vanquished, not the enlightened.

Christians live in an irrational and self destructive delusion. They attempt to justify the genocidal pronouncements of the Jews in the Old Testament which condemn Christians themselves to extinction, with the irrational charge that some ancient peoples were evil for killing their firstborn children, which therefore made it "good" to exterminate those peoples, including their infants and yet unborn children! For the Christian, the just response to murder is thus absolute genocide, a very sick and spiritually crippling belief system which weakens the morals and vitality of non-Jews infected with this suicidal Jewish mythology.

Though I am not, and never have been religious, I suspect that the World would be a much better place if the internationalist and intolerant Jewish religions of Christianity and Islam vanished and nationalist religions returned to mankind, religions which celebrate life and declare that it is good to be human and which seek to protect the nation they serve, rather than serve it up to the Jewish king (Psalm 2; 72). The Jews did not suddenly imagine a war between Christians and Muslims which would make the Jews masters of all the Earth. The Jews created Christianity to retaliate against the Romans and Greeks and subvert them, to place them on their groveling knees before the Jewish king and to turn their national temples into Jewish synagogues. The Jews then created Islam to turn Christians into Noahides and to gin up permanent wars to weaken and enslave all Goyim. This was not the product of "political Zionism" by Ashkenazi Jews, but rather was manufactured by the ancient Jews and their immediate descendants. The modern Jews inherited and manage this subversion meant to destroy humanity, they did not create it.

So when you crawl down on your knees before a statue of a Jewish king and beg him to save you

from the Jews, know that you are condemning yourself and your descendants to slavery and death. Know, that from the Jews' perspective, you have slain your own god and condemned yourself to the judgement of the Jewish god with no supernatural protection, and that judgement is eternal death. The Jews do not believe that Christians and Muslims will be resurrected and given new flesh for their dry bones, when the Jewish king reigns supreme on Earth to destroy it. The Jews do not believe that their god is your god, no matter how indignantly you grovel before it.

Note that even the "Anti-Christ", Ad-Dajjal and Arminus advocate king worship, internationalism and a universal religion; whereby the controlled opposition of the controlled opposition is yet again purely Jewish in every aspect, whipping out all cultures, all religions, and in the Jews' sick minds, all gods. Note that the Jewish "French Revolution" produced king worship meant to empower the Jews and destroy the present religion of the French, and that the Jews' agent Napoleon declared himself a god, one who would "restore" the Jews to Palestine.

Yes, I firmly believe that we would be better off with nationalistic religions if religions we must have. Not the Jewish universal and international religions of Judaism, Christianity, Islam, and all their "prophesied" controlled opposition universal and international religions. Note that all these Jewish myths preach the same destruction of humanity and nationalism of the Jews. To worship these Jewish myths is to open wide and tug on the skirt of a Jew begging the vampire to lead you into death (Zechariah 8:23).

How the Jews Turned Whites into Vampires in Order to Steal Their Everlasting Souls

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Christianity preaches that Whites must drink the blood of the Jewish king in order to live forever. This is pure vampirism and it has infected the minds of Europeans for 2,000 years, turning them into bloodthirsty vampires shedding and thirsting for blood in order to destroy the gods of all peoples and convert them into the Jews' Noahides, the so-called "White man's burden" to make humanity Noahide "Christian" (literally meaning worshipers of the anointed king of the Jews as if a god) vampires who slave for the Jews.

The sickness of Judaism has corrupted the European mind and the European body turning Whites ever darker in their minds and bodies. Christians, beware, you are Jewish manufactured vampires and your spirits are dark as hell and destroy the blood of yourselves and your families.

Life after your death is had through your children, children who resemble you and those who bore you. The Jews want you to be their vampire slaves murdering others and drinking the blood of their king, and so bring you unholy death and unholy life. In turn, the Jews drink the blood of Christians, vampires that the Jews themselves are, in hopes of gaining that dark eternity of life through death and the consumption of human blood.

The perverse sickness of Judaism has infected Europe for 2,000 years turning beautiful people into vampires and destroying the greatness of the ancients and their bloodlines. Abandon this Jewish perversity of Christianity and return to yourselves, if life after your personal death you genuinely seek. Otherwise perish into hell, Jewish bitten vampires that you yourselves have become.

Whites who call themselves "Christian" are openly declaring that they worship the anointed Jewish king as if a god to replace their own native gods. It is a declaration of slavery and death.

The "Jews Are Neanderthals" Propaganda Is Meant to Ultimately Target Whites

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

We see many Jews and agents of the Jews in the Jewish controlled "alternative media" promoting the notion that Jews are Khazars and that Khazars are the products of an African and neanderthal mix, and are thus NOT pure "human". The Jews want you to believe that they are targeting Jews with this information, but in fact the Jews are out to pit Asians and Africans against Whites and to ruin the morale of White people.

If it is true that Jews have a dose of neanderthal blood in their veins, it is also true that Whites also have neanderthal blood. I have always suspected that some people have a dose of this blood, or something like it. . . but beware the Jews want to use this information to drive the Asians and Africans to exterminate Whites, NOT Jews.

Whites should be proud of their blood whatever science may determine are its ultimate components and must define this blood as "human" whatever its components. The Jews are going to try to make you hate yourselves and to bring others against you to eradicate your bloodline by calling you monkeys, just as they have tried to eradicate blacks by portraying them as cursed by the Jewish god to slavery. Do not trip over the Jews' stumbling stones. Do not fall into the pits the Jews are digging for you, for they are the abyss of extermination.

The Jews will soon try to claim that blond hair is the product of neanderthal impurity and call upon the Africans and Asians to breed out or kill off all blond haired people, my children included. Beware, for all our sakes, beware!

For Many Years, I have Been Warning that the PKK Is a Mossad Front Organization

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

For many years, I have warned that the Jews were planning a coup d'etat in Iran and would use the Kurds as part of their plans to carry out this coup:

Coup d'Etat, September 29, 2006

I have also been warning, for even longer, that the Jews created and control the PKK and use it to create unrest in the Middle East. I warned that the PKK was a part of the coordinated Mavi Marmara and Turkish attacks and that the "Turks" on board the boat whom the Jews specifically targetted were in fact Kurds. At long last, the Turkish government (and some of the Haimy come lately's in the Jewish "alternative media") are exposing the links between terrorist Kurdish elements and the Jews:

Intelligence report reveals links between PKK, Israel

Here are but a few of the articles I have published on the subject, and note that I have also covered this issue in numerous interviews:

What the media and the Turkish government won't tell you, what I alone have been telling you, is that the Jewish owned Turkish government, the PKK and the Jews are all working together to place in power Jew-friendly (overtly and covertly) governments in Turkey, and to make the Turks the heroes of the Arabs. The PKK is a tool of the Jewish owned Turkish government which provides the government with a raison d'etre and excuse for power, while it subverts Turkey's national interests in favor of Jewish World government.

The Jews are exposing their role in the PKK in order to favor, not harm, the Jews' control over the present and future Turkish governments and the Turks just can't seem to figure this out. If Erdogan and the AKP were for real, they could quickly bring the PKK and Israel to heel by exposing the Jewish origins of the "Young Turks" and integrating the Kurds into Turkish society, as well as by exposing and ending the internationalization of Turkey and the Jewish destruction of the predominantly Arab nations. Instead, the AKP and Erdogan favor the Jews by dealing dirty with the Armenians and the Arabs, but all this will backfire on the Turks who will

also suffer for their Jewish controlled government. The Jews always backstab their would be allies. . . look at how the Kurds have suffered for the benefit of their Israeli "allies" just as the Armenians suffered for the sake of the Jews, and so it goes agonizing time after time.

I warn my readers to beware "anti-Zionist" Kurds. They are surely Mossad operatives.

More Proof that Mustafa Kemal "Ataturk" Was a Crypto-Jew

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In my book *The Jewish Genocide of Armenian Christians*, I presented proof that "Ataturk" was a crypto-Jew. The following article, sent to me by a friend, provides still more proof:

Why, Why, Why? The Strangeness of Greed and the Irrational Basis Upon Which We Often Make Choices

Christopher Jon Bjerknes

Even after the Jews bombed them, Japan chose to make nuclear reactors, one of which used plutonium as fuel. They also chose to store spent fuel rods, which contain plutonium, and to build nuclear power plants, in insane locations. Did they make these choices out of greed or were they led to make them on the sophistical basis that they would save Japan?

The plutonium platter was placed before the Japanese and the head on it was their own, and that of America.

Earthquakes can probably be triggered by nuclear bombs placed at strategic locations. Japan and America have long been targets of the Jews. What better for the Jews than to target America

and Japan. . . in Japan's case for the second time, for nuclear attack? The Protocols speak of bombs being placed underground. . . an underground bomb could potentially trigger an earthquake.

America has not yet attacked Iran, and what better excuse for attacking Iran's nuclear power plants, than to discredit nuclear reactors? As for fallout risks, what better excuse than a pound of prevention, in exchange for an once of dirty cure?

Strange that the international response has been non-existent, given that every human being on Earth is effected by this crisis, and that plans have been in existence for decades to deal with such emergences and exigencies. Why has Japan gone it alone, if not to prevent a cure? Would not people from poor nations sacrifice their lives for funds given to their families in exchange for placing themselves at "ground hero" and dying?

The equatorial nations and the southern hemisphere will likely fare best in this disaster. Japan and America were and are likely to suffer the worst effects. Interesting that America is slated for war in Africa, which will slay our crippled country.

Since my childhood, I have been warning that nuclear power is a bad, bad mistake. Little good it has done me or my family to suffer the slings and arrows of propagandized Americans.

Strange and dark times. Expect that it will get worse. The Japanese have it worse than us, and are fighting to survive. Let them inspire us to fight.

Things are going to get worse and worse. Expect it, prepare for it, and start to fight, in spite of

your demonstrable cowardice. There is nothing to lose.

Obama has done nothing to protect us. Do not believe his lies.

World war is coming, and the nuclear crisis in Japan is a prelude to the death of the northern hemisphere. If the Jews are also planning to destroy the southern hemisphere as rapidly as they are destroying the north, I do not know. But the Earth is dying and you are doing nothing to stop the destruction. Note that every new tragedy, and the orchestrated response to it, destroys the genetics of human beings, and life generally.

It would be redundant to damn you all for your complacency, stupidity and cowardice, for it has already happened. I am not looking forward to seeing you in hell, but hell is coming to us all.

The Jews' Samson Option Has Been Triggered

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews probably never intended that their "Samson Option" would mean an Israeli nuclear attack on those targets it could reach. We do not even know for certain whether or not Israel has any nuclear bombs capable of bringing about the end of the World by beginning a nuclear World War.

We do know that the Jews have controlled nuclear energy and nuclear weapons programs around the globe from the beginning. In order for the Jews to truly destroy the human race with a nuclear attack, they need only target "peaceful" nuclear targets. In order for the Jews to ruin the Earth with nuclear bombs, they would need to use the nuclear weapons of other nations, principally the United States.

The "Samson Option" is really the Jewish mission made practical. It is not simply a propaganda and mind manipulation war, but also a genetic war designed to make human life impossible.

The "Samson Option" is Jewry, it is the Jews' war on us all and it has now commenced in full force. Though given the opportunity and incentive to migrate to Israel, the Jews have not done so. So, the World must now end, pursuant to Jewish "prophecy".

There is no hope but to war back and save whatever can be saved. The Jews will not quit until all are dead. Lay down and die, or stand and fight. No other option exists other than Samsom's murder of the Goyim.

Here's Why the Jews Would Attack Japan

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

No. 1

Because they could! Japan afforded the Jews with an opportune location and situation from which to attack the human race. Amazing how many nuclear power plants the Jews built in earthquake prone regions. Amazing how the Jews stacked the house of cards with tons of

plutonium poison in the worst of all possible worlds. Amazing, but surely not coincidental.

No. 2

Japan is America's best ally in Asia and the Jews want to destroy America and all nationalistic and powerful nations. Japan has been a major player in financing our debt and in the currency wars. Destroying Japan affords the Jews the opportunity to destroy America and to profit in the markets.

No. 3

Japan and America provide the Jews with the opportunity to poison the Northern Hemisphere and with it the bulk of humanity and all the nations which pose any challenge to Jewish hegemony in the Jews' "messianic age". The Japanese have ancient traditions, their own language and a strong sense of nationalism. They serve as a reminder of what human beings ought to be, and so must perish from memory in order for the Jews to succeed in killing off all nations.

No. 4

To make nuclear war a palatable act of revenge in a World already dead. When the plutonium cat is already and forever out of the bag what is few bombs more to add to the fire and the fun?

No. 5

To make the currency wars a matter of life and death.

No. 6

To bring death and ruin to humanity and the genes of the human race. The Jews want to destroy creation. They will kill and destroy wherever and whenever they can. You are their target, and you lie still waiting for the bullet to reach you.

No. 7

To encourage Jews to move from Europe, Asia and America, to Israel. Israel faces demographic death and seeks to encourage the emigration of Jews to Israel in every possible manner.

No. 8

To provide a nuclear fog in which to kill off more Palestinians and to internationalize Africa and Europe into one Jewish communist super-State.

Wake up, World! Jewry is on the verge of killing us off. Is it a coincidence that this happens on the verge of 2012, the Jews' chosen year of annihilation of the Goyim? Coincidences of this scale do not exist. Consider whose plan it is to kill us all, then consider who is causing our death.

Why not fight back? Are our children not worth our love?

Who Else, Other than the Jews?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Who else, other than the sickening Jews, declared that all humanity must die so that they can rule the Earth, alone among themselves?

Who else, other than the hideous Jews, openly declared that they would kill off the human race if their experiment in the theft of a nation failed?

Who else, other than the horrid Jews, would poison the nation of Japan, and perhaps the human race, to death?

Who else, other than the genocidal Jews, holds it as their eternal mission to completely destroy everyone else on Earth?

Figure it out, or die as a gullible coward.

Moishe's Law

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews' law, as opposed to Murphy's law, has it that, "Everything that can go wrong, must be made to go wrong, and in the deadliest possible manner." Such is the Lurian Cabalah and its mandate that chaos is good, and disaster, opportunity, deadly opportunity for the deadly Jews to destroy the human being and everything that produces and sustains life.

Among the Jews, No Opportunity Missed to Harm Human Beings

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jews are seizing upon the opportunity they likely created in Japan, to attack the essentially defenseless Palestinians, based on a pretext the Jews likely created for the purpose of murder. The Jews are butchers by nature, and under the cover of mass murder, commit mass murder, even against Jews so as to provide a new pretext for the mass slaughter of Goyim.

And so it will be, as long as there are Jews among us.

The Jews' harvest is large and growing. Who knows how many will die agonizing deaths as a result of the nuclear attack on Japan?

And the coming nuclear World War Three, with its sabotage of nearly every nuclear power plant, will bring to an end the Earth's experiment in higher life forms, which beautiful attempt also produced these poisonous Jews. Irony is so ugly when it comes to the Jews, utterly without healthy humor, without any of the sanguine fluid of life, only the unbalanced black and yellow biles and hacking phlegm of Jewry that spills blood wherever and whenever it can.

How much poison does it take to kill us all? How many generations will struggle to survive the Jews' attack on life, before dying a painful death and cursing life itself?

Our ancestors warned us against the Jews. The Jews are the death of us all. To live we must rid ourselves of the curse. Instead, we kill one another for the Jews' benefit.

How many Jews have the Libyans and Egyptians killed? How many Arabs will soon die? How many millions, nay billions, may die as a result of the Jews' Samson option, played out with nuclear power plants, and soon the nuclear arsenals of America and Russia?

And how many Jews must be stopped to prevent this? A coward's toll as the coward and a billion like him hide from a barking Jewish mutt with its hooked nose buried deep in its own deadly dung.

Nature must hate us to death for not fighting for ourselves. The Jews are winning ten million deaths at a time. Their prize is the death of the Earth. They are so gross as to defy language

which never anticipated the evil of the Jews. Did the Earth know they were coming, or is their muderous mud from another source?

It Is Time for the Land of the Rising Sun to Finally Arise!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I have long admired the Japanese, being a lifetime fan of Japanese art and martial arts, Japanese metal work of the Nineteenth Century in bronze, silver and gold, as well as Japanese cuisine. I even collected Arisaka rifles, due to their strength as evinced by the tests of P. O. Ackley.

Beware, Japanese! The Jews despise you.

You are nationalistic, intelligent and hard working. . . all the things the Jews most hate in Goyim. Your national promise was never allowed to flourish, beyond your use to the Jews to attack Russia and then China so as to make them homelands for Jewry.. The Jews set you up for the Second World War, and then Hiroshima and Nagasaki. You still exist, and the Jews created

Red China and North Korea, in part to destroy you.

Know who it is that is your bad luck! THE JEWS!

Splitting the Egg with the Atom

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I wonder if the Jews are planning to destroy the Northern Hemisphere, with the jet stream and ocean currents it contains, while spending a thousand years in the South? A nuclear war limited to the North, would wipe out most of the World's population, but what would be the effects to the South? Surely, not good, but survivable? Who knows. . .

Another "Amazing Coincidence", Or Another Example of the Jewish Model in Action?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Back on 11 February 2011, I pointed out the fact that the Jews had been propagandizing us to expect and welcome a military coup d'etat in America, at the very same time that the Jews were preparing for a military coup d'etat in Egypt:

An Amazing Coincidence, Or the Jewish Model in Action? February 11, 2011

It is vitally important to note that this same Jewish propaganda machine has been agitating the Muslims for a dirty bomb attack on Western targets in the form of Cobalt-60, just prior to the nuclear crisis in Japan; and has sought to deny that any of the events leading up to, causing, and perpetuating this crisis could in any way be deliberate. It all just seems a bit too coincidental, and the denials a bit of protesting too much, does it not?

I have long been planning to expose this inhuman call to a monstrous nuclear attack on humanity of agent provocateurs provoking a Cobalt-60 attack on innocent human beings to the light of day, and I should have done it. Too many damn irons in the fires of hell the Jews have ignited for me to oblige all of my responsibilities.

What kind of wretched scum would advocate a Cobalt-60 terrorist attack, which would not only murder innocents, including women, children, and babies, but which would also provide a pretext for nuclear war against Islam? The same type of filth that has sought to vilify human beings for being Muslim without any critique of the Torah or Christianity which predate Islam!

These vile snakes are the enemy of every person on Earth. They are clearly working for the highest echelons of Jewish power!

The Jews have always been poisoners of the well, placing stumbling stones and pits before humanity. Why would they not ruin us with nuclear poison, it being their preferred poisonous product?

What are we, that the Jews have managed to take away our personal and societal power?

We are soft-skinned and light-boned. That makes us easy prey on an individual level for carnivores. So in nature we survived as cowardly herd animals, warning each other of danger, stealing from each other, betraying each other, and at times saving each other.

Religion has it that we have a supposed divine purpose, that purpose being to obey religion. Nature only asks that we survive. What is it that we need to survive, in Nature? Why is it that we destroy our means of survival in order to obey religion?

Religion is political. Religion is mind control. Religion is a deadly bundle of lies. Only through

the delusion of psychosis can anyone find truth in religion. Religion is insanity, the drug of choice of the mad and mediocre who would be greater than themselves by lying to themselves.

Religion is a grabbing glue that can bind us to one another with deadly spikes, flypaper to set us upon a strangling strip of death. As omnivores, we consume the plants and animals of Nature, viewing all life as less than us, as food to keep us alive, or worse, as the inedible and/or hostile, but never more than a resource or an enemy. Religion takes whatever mystique non-human life offered and wrings it dry to serve our flesh, which flesh religion separates from ourselves, and by means of an abstract religious definition we wallpaper cartoons over our inexplicable existence to hide the cracks and horror of the unknown. Yes, as soft-skinned and light-boned omnivores, we are often cowards who find solace in lies and friendly faces even as our stupid group-made choices plunge like fangs into our tender and unprotected necks leaving us dead and dying.

To survive, we need shelter, clean food, air and water; and most of all, we need children who resemble us. What is it that we are doing to safeguard the substance of this, our lives? Why do we waste our precious time kneeling before Jewish lies in hopes of living through death by means of lying to ourselves?

Soft-skinned, light-boned, omnivorous herd animals are easy prey for carnivores. They follow their leaders, who, in the case of humans, often deliberately misguide them.

Human beings have an enemy that has always sought to control the leadership of humanity to guide it into death. That enemy is the Jew.

Cowardice and suspicion, the inevitable nature of soft-skinned, light-boned, omnivorous herd

animals, the Jews use cowardice and suspicion as weapons to lead you away from those who would save you, into the fangs of the Jewish vampires who would exterminate you and your cowardly kind. It is your nature to be led. You wear your leash on your own tongue, whose words were many times lies from the beginning they first formed in a man's mouth to paint false portraits on a child's mind.

If there are not words for it, can you think it? Have you ever seen real freedom, felt real courage, walked through a garden of real love, such that words are only servants to express what you know without words? Or are you lost when not told what to think, a confused drunk spinning in circles on a dirty city street, angry at nothing because you are nothing and hate yourself?

We are each very different. It is a gross and horrid lie to state that we are somehow one consciousness. I suffer for your stupidity without inflicting any horrors on you. We two are not one, nor are we the same. You are a coward and I am not. You bring death to the human race through your failure to understand yourself and the nature of your existence, especially in the presence of an enemy that is killing us all each moment you exist.

If you were like me, this problem would be solved, could not have ever existed. So why is it that nature made so few like me, and so many like you? And what of the other third, those Jews and their allies who exploit you? Why did Nature produce them?

Perhaps we who understand should unite and abandon those of you who welcome your death and spit on us who try to save you. Maybe that is the purpose of the Jews, to separate us from you, so that you and they can die out together and leave us to build a better World.

Perhaps, there is no purpose to this test of strength, will and perseverance. Perhaps we are adrift in chaos. But I do not believe that, because what is happening is predictable and you are a major part of the problem and will force us to solve that problem in ways which eradicate you as well as the eternal enemy of mankind. We need not be active in this pursuit, you and the Jews do such a successful job of destroying yourselves.

But we must be active in surviving you and the Jews, and outlast the fallout of your errors and aggression. We must unite and forget you, that unsuccessful trash that Nature and the future will soon forget.

Some of us are much tougher, smarter and stronger than you. We must find each other and form a colony. The rest are surely damned by their inability to survive in the presence of so weak an enemy as the Jews.

Rather than bemoan our fate, we must take control of it.

A Safer and More Sustainable Method of Cooling the Reactors and Containment Ponds

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

In those tanks of the failed reactors and cooling ponds at Daiichi which cannot be returned to normal cooling functions, there is perhaps a far safer and more sustainable method of cooling the system than simply flooding it. I propose that a moderator fluid be poured into the tanks and that a separate self-contained system into which cooling fluid or gasses can be circulated also be placed in the tanks to cool the moderator and radioactive materials.

In this manner, the fluid which contacts the radioactive materials can be a moderator and remain in place without circulating outside the tanks, or being dumped into the ocean. This fluid can then be cooled with a separate system of a heat exchanger in the tanks, and piping to outside radiators and condensers, which separate cooling system would contain its own fluids or gasses

which coolants never mix with the moderator fluid.

The old, failed circulation systems would in this way no longer be needed and the release of radioactive materials into the surrounding environment would be minimized.

Why Did the Jews Hype Flu Risks, But Are Largely Silent on the Dangers of Radioactive Substances?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Panic and chaos are often useful to the Jews. The Jews often view disaster as an opportunity to impart changes which are "good for the Jews". The Jews often manufacture calamities for this very purpose.

Given these well known facts, we must ask ourselves, why are the Jews not trying to panic us about the dangers of radioactive substances? Instead of informing us of the truth, the Jews are trying to reassure us with lies, lies which often confuse radiation exposure with the dangers of exposure to radioactive substances.

The Jews are trying to reassure you because they want you to be exposed to radioactive substances, which will poison you until you die, and then they will poison the remaining human race and all life. The Jews don't want you to do anything to protect yourselves, or to demand that government do anything to help protect you. Instead, they want you to quietly and peacefully ingest poison.

There is a great deal which could be done to help secure our food supply. Instead of consuming grass, our animals could be fed grain stores and purified water until levels of radioactive iodine diminish. Of course we must be concerned with GMO's, but if the levels of radioactive poisons rise, we must have plans to help reduce the volume of this poison in our food.

Far more could and should be done to keep things cool in the reactors and storage ponds in Japan, and to contain the poisoned water and steam emerging from the damaged plant. The international community could have and should do far more to reduce the dangers we face. We could supply storage and filtration systems to curb the release of radioactive materials into the ocean and air. We could force the Japanese to stop poisoning the ocean and atmosphere and could provide alternatives. We must provide systems which contain the coolants and moderators over long periods of time. Then we must reduce the concentration of these materials.

But the governments of the World are largely doing nothing to protect us, because the Jews want us to suffer the effects of radioactive substances.

The Jews scare you with flu so that they can fill you with more poison. Be wise and careful when gauging the behavior of Jewry and its media. If you cannot find consistency in what it at first

appears they are doing, look for the universal harm in what they are doing, and there you will find the Jews active. If the Jews can kill you with calm, then they will. If the Jews can kill you with panic, then they will.

Perhaps we could file law suits to force action to contain this disaster. Surely every person has standing not to be poisoned. We must do something more than complain to the poisonous winds as we draw them in for breathe to bitch at covered ears.

At Long Last, They Are Just Now Beginning to Propose Viable Solutions Which Solve the Problems at Daiichi Rather than Compound Them

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Back on April 12, I finally put my thoughts on the best method to cool the reactor and storage ponds at Daiichi on my blog:

A Safer and More Sustainable Method of Cooling the Reactors and Containment Ponds, April 12, 2011

I had these same thoughts almost immediately, which certainly means that anyone with even basic knowledge and common sense must have arrived at the same or similar conclusions as I at the same time or before me. So why is it that only now, after the many disasters, at least two of

which have been attributed to completely unnecessary "mistakes" that have and will continue to poison billions of us, why is it only now they are beginning to try to remedy the situation rather than make it worse?

The Tech That Could Help Save Fukushima: Air Conditioning

Since the rods have been damaged, a moderator of some sort would cool them better than water, but I do not know the materials used in the construction of these reactors and which moderator if any can be substituted for water.

If they would release more information and do so in a timely fashion, the whole human race could pool its resources and knowledge to solve this damn problem.

Godaddy Is About to Completely Censor JEWISHRACISM.COM

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Godaddy just recently took my money to renew my website and related services. I have not changed anything on the site in years. Now Godaddy is censoring my site off the internet without any specific explanation other than a vague reference to unspecified "complaints". I guess that I am just supposed to assume that if I tell the truth about the murderous Jews, that I will be prevented from speaking. It is now presumably a given that you are not to tell the truth about the vicious Jews.

If you think you have equal rights to freedom of expression, think again. If you tell the truth about the racist Jews, you are aggressively discriminated against. The Jews are an enemy stealing away our most fundamental human rights. We cannot be free humans while the Jews

exist. They insist on enslaving us and it is our duty to free ourselves.

If you dare to tell the truth about the Jewish oppression of humanity, the Jews aggressively attempt to muzzle you, while falsely portraying themselves as if advocates of free speech so that they enjoy the "freedom" to monopolize public information and can thereby murder you in silence.

This is not a game, dear reader. The Jews are regularly violating our human rights and poisoning our blood as they tear out our tongues. We have to fight them now or die.

The Jewish "Alternative Media" Are Deliberately Frying Your Brain With Their Flip-Flopping on the Ron Paul Sham Candidacy

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Ron Paul and the Jews scammed you and you are doing nothing to hold them to account. The Jews are hitting you with a barrage of opposing messages regarding the betrayal, so that you cannot form a rational opinion of what was done to you and by whom.

They are deliberately confusing you and telling you diametrically opposed statements regarding Ron Paul, so that you cannot accuse them of what they say, because they have also said the opposite of what they say, see how it confuses you to the point of dumbfounded inaction? You are asking, "What?" instead of holding them to account for lying to you and using you. They are jewing you, ladies and gentlemen!

Try tuning them out and think for yourselves. It might hurt a little at first, but when you go back and listen to what the Jews are screaming at you from every direction but the truth, you will reject the irritating noise.

The Jews want you to waste your time trying to understand what has happened, rather than taking action to remedy it, hold the Jews to account, and do something in your best interest rather than theirs. You are a sucker on a hook and yours is not to reason why but to be jewed and die.

As Predictable as the Sunrise, the Jews Now Want You Out of Politics

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The very same Jews who fervently encouraged you to participate in the system and support their spoiler candidate Ron Paul, now insist that you step aside from politics and lay down and lick your wounds. When it benefits them, the Jews organize you and use you politically. Then, it is matter of national survival that you participate in politics and vote.

After they kick you in the groin and viciously betray your trust and steal your time and money, they take advantage of your depression to encourage you to wave your political rights and neuter yourself into irrelevance. They utter defeatist slogans and claim it is pointless to participate in politics, at the same calling themselves "patriots". It has happened in every political cycle I have yet to observe, and you fall for it every time.

Never do you step forward to support any authentic opposition to the Jews, and never do the Jews encourage you to do so. Nor do they ever encourage you to take action on your own for your own benefit. Yours is to obey, to fetch when they tell you to fetch, and to lay down when they tell you to lay down.

The reality is that you could organize to authentically oppose the Jews, if only you would try. But since your Jewish "alternative media" heroes keep you entertained and allow you to pretend to yourselves that someone is in charge and is doing something, you do nothing. You are an eviscerated corpse, not a human being. You fall into their same trap every time.

Beware of Swastikas and Crosses, They Are the Jewish Letters

Aleph and Tau, the Marks of the Jewish God, the Devil, and His Genocidal Designs

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The "alpha and the omega" of the Jewish Bible are in fact the ancient Hebrew letters aleph and tau, which originally took the form of a swastika and a cross. Christians mark their foreheads with a cross so that Jews will spare them as they once supposedly spared their own when committing genocide against the Goyim. See:

http://www.newadvent.org/cathen/13785a.htm

The cross, the Hebrew tau, is a mark of obedience for the dogs who obey their Jewish masters. It sometimes takes the form of an X as in Malcolm X and the X Manson and his followers scribed into their foreheads. It is also the form a sword with hilt and guard takes, marking the Goyim as Esau who will soldier and slave for the Jews. On a Goy, it is the mark of a willing slave and it is designed to play a key role in the genocide of the Goyim. It is a symbol of hate and genocidal murder and the Jewish god's plan to destroy all Goyim.

So wear the cross with pride, you most foolish of fools, and realize that it signifies to Jews your end. That is why they wag it in your face to mock you.

The swastika, the hooked cross, is the Jewish letter aleph, and it signifies the birth of power of the Jewish god over the Goy gods. When the Goyim mark themselves with the swastika, they are signing the lease of the Earth over to the Jews and pledging the end of the times of the Gentiles and the beginning of the Sabbath millennium for the Jews.

Look into it, you'll be surprised what you find.

The Most Popular Jews of History Were, to a Man, Perverse and Genocidal Racists

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Let's start with Jesus. Jesus was a Jewish vampire who demanded that his followers eat his flesh and drink his blood in order to obtain eternal life. The early Christians, nearly all Jews, aborted their children, ground up the fetuses and ate them. It has been a common practice among Jews throughout their history to murder their first born children as a holocaust. Jesus called Gentiles dogs (*Matthew* 15:26) and prophesied horrific genocidal wars in which he would genocide all the Goyim and make the Jews the sole inheritors of the Earth (*Matthew* 24). He never married, seemingly never dated a woman and never fathered a child. According to the Jews, he was the

son of a prostitute. He effectively committed suicide to save the Jewish nation.

Now that I have your attention, let's move on to an equally famous Jewish saint, another one of the top two claimed to be heroes of Western Civilization, Albert Einstein. Einstein derived from a family of Jewish inbreds and eventually married a member of his family and fornicated with her daughters, to whom he was also related by blood. He abandoned his first wife, after repeatedly cheating on her, and he abandoned his children. Einstein was a career plagiarist and an habitual liar. He betrayed the nation that gave him life in a time of war. Einstein was a genocidal racist who called for the genocide of Germans and stated that the use of atomic bombs on the Japanese was justified. He hoped that the Europeans would be destroyed and that the Asians would take their place. He was a racist Zionist nationalist and in typically Jewish hypocritical fashion was concomitantly and concurrently an internationalist Communist. Jews had the sole right to be nationalists, according to racist Einstein. According to Einstein, what was good for the Jews was never good for the Goyim. See my article:

How Einstein Helped Hitler, December 04, 2007

Now I could move on to more ancient Jews/Hebrews like Abraham, Moses and David, a clan of racist pimps, mass murderers and genociders; but there is even more proof that they never existed than there is proof that Jesus never existed. They are also more heroes only to the Jews, these days, now that Hollywood has settled down on their glorification. I could mention such heroes to the Jews as Trotsky and Kaganovich, two of the bloodiest bastards ever to have cast a shadow on mother Earth, but again they are heroes only to Jews and no one sane. The same is true of the Israeli genocidal Prime Ministers, the terrorist clan of Israeli Prime Ministers.

It seems that to be a beloved and feted Jew, a Jew the Jews will glorify for all their time to come, a Jew must seek the genocide of at least one Goy people, if not all Goyim, must be a sexual deviant, and, most importantly, must be an absolutely racist Jew.

Were the Jews Behind Charles Manson's False Flag Terrorism?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Some time ago, I began looking into Charles Manson's motivations for committing false flag terrorist murders. The fact that the murders were false flag attacks meant to both scapegoat blacks, and to inspire blacks to war against whites, led me to wonder if there might have been Jewish involvement behind Manson's acts and philosophies. I also noted that the attacks on President Ford by Manson's followers fit with the historical role Jews have played as political assassins, both directly and indirectly.

Manson identifies himself with Idi Amin in the following statement:

http://www.youtube.com/watch?v=jFgbpkhP-js

Amin was a puppet of the Jews with intimate connections to and close friendships with the highest authorities in Israel. He served to provide sympathy for Israel and Jews and helped to arm Israel by providing them with a bogey man to justify their aggression as if self defense. See my article:

Idi Amin Dada Was a Controlled Opposition Agent Trained by and Working for the Israelis, May 16, 2010

The Jews wanted a war between blacks and whites and sought American sympathy for Jewish aggression into Africa. Jews and Israel always supported Apartheid South Africa, and there were arms deals and work on nuclear weapons between them. Jews believe that blacks are cursed to eternal bondage.

Charles Manson sought to bring about a race war between blacks and whites, and the Apocalypse, by means of Jewish style false flag terrorism by scapegoating blacks for his murderous crimes with planted evidence making it appear that the Black Panthers had committed the murders. That was very Jew-like behavior and this aspect of Manson's crimes receives comparatively little attention in the media.

Susan Atkins was a member of the Manson gang. She had once worked with Jewish Satanist Anton LaVey as a vampire stripper. Atkins ascribed blame for her involvement with Manson to LaVey, a claim which LaVey vehemently denied. It is interesting to note that LaVey published his book *The Satanic Bible* in 1969.

Like LaVey, Manson once shaved his head and declared himself to be the devil. Manson tatooed a Swastika on his forehead to benefit the Jews by giving them a fear symbol to serve as their raison d'etre.

This is, of course, by no means any kind of proof that Jews were behind Manson. It is merely smoke that emits a Jewish stench from his murders.

I note in passing that Sharon Tate was carrying the Jew Roman Polanski's child, and that she had starred in his film *The Fearless Vampire Killers*. I also note that Marilyn Manson, so named after Charles Manson and born in 1969, had a connection to LaVey:

"Einstein's work, Bjerknes wants to argue, is Jewish science."--Steven Gimbel

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Steven Gimbel concludes in a lengthy statement regarding my work in his book *Einstein's Jewish Science: Physics at the Intersection of Politics and Religion*, that,

"Einstein's work, Bjerknes wants to argue, is Jewish science."

Gimbal has misunderstood me. Einstein's work is plagiarized and fundamentally irrational Metaphysics, not science at all. It is true that its popularity is the product of typical Jewish racism, hype and dishonesty. Jews believe that they must never praise a Goy unless it is done in a way to glorify Jews or their hateful and racist Jewish god. See my article:

The Racist Jewish Attitude Towards Those Whose Work Albert Einstein Plagiarized, December 03, 2006

What is typically Jewish about Einstein's work is that it is based on lies, plagiarism and irrational Metaphysics. As such, it should never be confused with science. Jews believe the property of Goyim belongs to Jews because the Goyim rejected the Jewish god's offer to become in effect Jews. See my article:

The Jewish Problem, Part 3: The Jews in Banking, January 05, 2009

It is well known that the Jews have long dominated the media and use it for their perceived self interests, which rarely includes the dissemination of the truth. Instead the Jews use the media to smear those who tell the truth about Einstein's work, and always have.

The Jews are also notorious censors and thieves, who regularly violate fundamental human

rights. If you want to read one of my books about the dishonest and racist Zionist Jew Albert Einstein you can find it here, that is if it is not yet removed:

The Manufacture and Sale of Saint Einstein

There is no science in Einstein's Jewishness, just dishonesty, racism, irrationality, treachery and thievery.

The Ron Paul Debacle Exposes Jewry's Greatest Vulnerability: Numbers

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Thankfully, there are not enough Jewish vampires to take away your fundamental human rights, your health, your nation, your living environment, your safe food and water or your government, without your willing compliance. The fact that the Jews were forced to manufacture the Ron Paul myth and shove it down your eager throats proves that they did not believe they could shoe horn Mormon Zionist Romney into the White House, or ruin us with a gold standard, without your help.

Since Jewry kept you from learning how to reason deductively or inductively, allow me to explain to you how this proves that you can defeat the Jews if only you will try, and let me explain this to you before I am completely silenced. The Jews often try to wash the internet clean of any mention of an individual, before they assassinate him or her. It looks like they will Jew me out of jewishracism.com, probably within a week. I would not be surprised if the Jews were trying to steal away my blog as well. It is their habitual and instinctive way to steal, cheat, murder, wrongfully imprison, enslave and lie. They have committed the worst crimes humanity has endured, and criminals always try to hide their crimes. Consider the fact that the Soviet Union was a thoroughly Jewish enterprise.

While pondering the murderous Jews Trotsky, Kaganovich, etc. and their genocidal rampages that slaughtered tens of millions, and while you have Lysenko and the KGB and its predecessors and their perverse torture, imprisonment and murder of anyone who spoke truths they would silence in favor of Jewish lies; consider how better able you are to combat the Jews than were the post "revolution" Russians, who foolishly helped the Jews to enslave and genocide them, the same way you foolishly supported the Jewish "Ron Paul Revolution". You see, when the Jews assumed absolute power on the backs of the stupid Russians who helped them, they no longer had any need of Obamas or Pauls.

They can't kill you without your consent in this fleeting land of the free home of the brave. So if you manage somehow to pluck your head from your pit and look around you at the countless Jews who are deliberately misleading you and opt instead to do something for yourselves that actually benefits you and the human race, then you can counterattack your enemy and secure

your life and your liberty. Otherwise, you are doomed by the Jewish Bible to slavery and absolute genocide of your kind in favor of absolute Jewish dominance over the Earth.

For once, learn something from your mistakes before it is too late.

Get It While You Can!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Oh, ho ho, did I touch a nerve when I exposed what a slime Ron Paul is, and what slugs you are for supporting him! They surely do not want me exposing the fact that the "alternative media" is largely run by the Jewish bankers and their gold bug fleas.

The Jews are presently furiously attacking my website rights and trying to shut me down. I don't expect you to do anything to help me. I know you won't. You're too chicken to fight for yourselves, let alone me, and you just read my work for the fun of it.

But if you want the content you better get it now, because the Jews are very good at taking away the human right of free speech and you won't find many of the things I say anywhere else.

It was impossible for me to access my yahoo account for Jewishracism for most of the day today, despite the fact that all of my other yahoo accounts worked well. First time that has happened in more than a year. Today, domains by proxy revoked my privacy rights for alleged TOS violation. Who is it that doesn't want you reading my work and why?!

It's good to be back. Don't be surprised if they murder me.

Would It Have Been So Hard?

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

America is rapidly turning into an immigrant dumping ground. We have no need for this massive influx of people and no means to support them or ourselves with the new burdens they bring. Our culture is deteriorating and our cities are becoming ever more crowded with no benefits to the native population.

The Jews have completely dominated the election cycle and will bring us into new wars as they continue to destroy all of the economies of the World. They only have this power because you yield it to them through default.

You do absolutely nothing meaningful to assert your rights as a human being.

Would it have been so hard to have formed a political party that told the uncompromised truth? Would it have been so hard to have prevented the coming famine, war and pollution that might well claim the entire human race?

Is it easier to face without fighting the constant attack on your dignity, genes, future, land, air, water, nation, children, homes, etc. etc. etc.? Does it make you feel comfortable and at ease sitting doing nothing as they destroy you? Are you OK with the millions of murders you have committed against Arabs and Afghans? Does not bother you enough to shed one genuine tear, does it? And you really don't care that the next generations will soon be completely infertile and riddled with cancers and deformities, do you? You got yours, screw 'em, right?

Why should you be bothered to fight back, before they start butchering you and yours in the streets and the gulags? What's a little torture from a sick Jew in the future when you can sit back and enjoy the entertainment today?

Maybe you are right. You just can't be bothered to do anything to save yourself, let alone your neighbor. How many more can we murder anyway? Just a few billion and then the job is done, and why not, isn't that what the Jewish god wants? Must be good, right?

It would have been too hard to form a community and build a better place for our children. The Jews try to convince us that real heroes just pick up a gun and slaughter a few dozen people, according to the Jews, heroes don't organize or do anything productive. But that is exactly what

we must do to be true heroes, stop murdering, and start organizing and doing productive work.

My fellow Americans, why don't you stop murdering? Why don't you stop poisoning? Why don't you become human? Why don't you stop obeying the inhuman Jews? Why don't you acquire a shred of decency upon which to pin the future? It really isn't that hard. There really isn't any other option if you would live on through your children and theirs.

The Ugly Spectacle of the Jewish Ron Paul Spin

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

The Jewish propaganda apparatus that created the "Ron Paul Revolution" has now entered the phase of its campaign where it must cover up its complicity in the Ron Paul duplicity. The Jews continue to lie to the stupid suckers who poured their blood, money and soul into the pansy Paul.

They lie and claim that Paul is a good man who was forced to betray you. But they do not demand that this allegedly good man be a man, tell the truth, and ask you to help defend him. They do not offer to protect pansy Paul from being plucked. Rather they only seek to forgive his betrayal and theirs of your trust and support by alleging without any evidence whatsoever that

Paul was coerced and pressured and did not play you for fools for his entire career.

Why is there no "Tell the Truth, Ron!" movement among his supporters? Why is there no call to arms to protect poor meek little old Ron? I'll tell you why, because the Jews who lied to you so that you would support Paul know they are lying when they falsely claim that he was pressured, and if they uttered a peep asking him to ask you for help, they know Paul would immediately disown them, just as he disowned the 9/11 Truth Movement and the Vote Fraud Movement.

Obama was to be change, and Paul was to be the ultimate change, a Revolution. They are the same old Jewish puppets, old whine in new skins, and the drone is the same, Israel first, America never. Face it, fools, they suckered you and seek to suck you still till you are dry and blow away.

So why don't you idiots who supported Ron Paul demand your money back? Why don't you start a Ron Paul Ripped Us Off movement and insist that he return the money he stole from you? I'll tell you why you won't do it, because the Jews won't do it for you and when that is the case, you are impotent. You are followers, not leaders. You became Libertarians because the Jews told you that is what smart people do, and you are too stupid to know otherwise.

You are Goyim, stupid. Yours is to obey, not demand accountability. They spit in your face and stole your money. What are you going to do about it? Nothing!

You Libertarians are supposed to be the vanguard, isn't that how you see yourselves. Stupid suckers! Same Jewish drivel as Communism and it attracts the same stupid selfish psychopathic personality type. You think you are superior and you're the most enslaved.

Well Trained Dogs Only Obey Their Masters

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

American, you were taught from birth to revere and bow down before a Jew named Jesus and his father, the Jewish god. You were taught that a Jew, Albert Einstein, was the smartest person ever to have lived. They showed you naked dead Jews and told you the worst thing that could ever happen is to kill a Jew and that any nation that warred with Jewry is inherently evil.

They trained you to listen to the media and authority and doubt your ability to stand alone for what you believe to be true. If two people sitting next to you applaud an idea you at first found repugnant, you have been trained to bend to their will and doubt yourself. You were trained to find Hollywood Jews beautiful, funny and wise, never threatening or evil.

It is difficult to unlearn that which you have been taught from birth. It is difficult for old dogs to learn new tricks, or to obey anyone other than their master. Jews have been your master all your life, and you reflexively obey them and look to them to lead you.

When they decided to make Ron Paul your hero, a Hollywood Jew set out to glorify him. Jews who dominate your "alternative media" demanded that you like him. And you obeyed. It is the only talent you were allowed from birth to have.

When I told you the truth about Ron Paul, Jews, many of them crypto-Jews, smeared me and you did nothing to resist their lies. You have been taught to obey Jews and media, and that is what you dutifully and unconsciously did. You can't break out of it and develop a healthy distrust of Jewry or the culture of obedience in which they have reared you, their obedient slaves.

This latest generation is being taught to loath and distrust whites, especially in leadership roles. Many Jews are a little off-white and play the victim of whites, so you don't mind their telling you what to do even as they tell you to turn away in disgust from your own kind. The Jews did the same to blacks for thousands of years.

When the Jews in the "alternative media" praise one another and tell you how to think and who to trust and who not trust, they are continuing your obedience training and forever schooling you to look to Jewry to define for you who you are and what you are allowed to do, and what you are not allowed to do. And you obey and follow as you have always done. You turn away from reasonable instructions because the Jews work together like a pack of wolves to dissuade you from learning the truth, and instead follow the group, and the Jews are very careful to pull together to control the dynamics of any group of interest to them. Together, they denounce anyone who genuinely threatens them, and together, they praise those on their team; and you my dear reader have been trained from birth to yield to these simple tactics, and you do.

You have been trained to only buy it if it is in a kosher package. You have yet to develop the survival instinct to find your enemy repugnant to the point of immediate and deep disgust, and the Jews are very careful to see to it that you never do. That is why they clown and front and control every major movement against them and use it to their advantage. They want you to be satisfied with the entertainment they provide you as they drain the blood from your veins, while you quietly and obediently fade away into death.

They fight with each other for your entertainment. They ridicule Jews in ridiculous ways for your entertainment. But they never let you organize into a force to counterattack them. They subvert the discipline of any power structure with ridicule, paranoia and misdirection leaving you chasing your tail and looking to them for direction, and you follow, because that is what you have been trained to do.

Because you, and I mean you reading this personally, because you allowed the Jews to control the presidential politics of America, terrible things will happen and nothing good will come of it. Millions if not billions will die. Whites will come under increasing attack.

And now you are just supposed to ignore the gravity and horror of the situation as the Jews entertain you with their antics about Romney and Paul and skirt all the blame for what they have led you to do to yourselves and the rest of humanity. You are just dogs after all, and it is yours to obey, not think, but you must only obey your masters as comes naturally to trained animals. And you do, and you will, and you evidently cannot do otherwise.

Perhaps this is why societies rot when infected with Jews. Generation after generation becomes

better trained to hate itself and obey the parasite that has latched onto its flesh.

Soon you will learn the horror you have inflicted on the human race and all living things when you allowed the Jews to completely dominate the American political process in this election cycle. It is your fault and humanity will suffer deep and unhealing wounds because of you. Ponder for a moment how you have killed millions and see if you still find the farce the Jews fart in your face daily as entertaining and unimportant. Now cower from even your own cowardice and deny to yourself how horrific what you have done truly is and absolutely deny any responsibility for your crimes. After all you are just a dog and dogs just obey, and only obey their masters.

American Dodo Birds

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Back when Mike Rivero and other Jews and Gold Bugs in the "alternative media" were pushing Obama on us as if our best hope for America, I was warning you that Obama is the Jewish bankers' puppet and would bailout the banks if elected President. Many Jews tried to smear me, literally both left and right. You did nothing to defend yourselves, your country or me from the

attack. As a result, we have all suffered horrible wrongs.

Back when the Jews and the Gold Bugs including Alex Jones, Mike Rivero, Israel Shamir, Aaron Russo, Ryan Dawson, Milton Kapner, etc. etc. etc. were shoving the treacherous snake Ron Paul down our throats as if our only hope for saving America, I was warning you that Ron Paul is the bankers' pet and would serve them as a spoiler candidate and a voice for the deadly gold standard.

At that time, my life was threatened and I and my family were directly attacked, almost killed. Jews and Libertarians waged smear campaign after smear campaign against me, but you did nothing to defend yourselves, your nation or me.

Many of you have the audacity to call yourselves "patriots", but you are the best weapon the Jews have against America, because you pretend to yourselves and others that you are brave and smart, when in fact you are stupid and cowardly. You are too stupid and too cowardly even to hold those Jews who misled you to account, let alone doing anything to correct the wrongs you have helped them inflict on America. You are as bridled today by their bullspit as you ever were and the edge of the cliff grows near.

To merely call you "useful idiots" would be generous. You are also used up cowards. You are three times bitten and still shylocked into your suicidal habit of inaction when it comes to helping yourselves, and rabid support when it comes to helping your enemy.

I was a lonely, nay, lone voice when I questioned the cause of the Fukishima attack immediately

after it happened. I was a lone voice when I questioned who was really behind the Chernobyl attack many years before Fukishima:

Was Chernobyl an Accident, or Yet Another Jewish Attack on the Ukraine? December 23, 2008

And who is it now who parrots what I said then? Do they acknowledge my work? And who is it that seeks to hide what I and the parrots have said?

All of this horror could have been prevented if you had acted on the warnings I gave you years in advance. We now have no good option for President, because of you. Blame only the Jews and the hosts of heaven if you will, in your stupidity and cowardice, but the fault for our falling star lies also in the lies you tell yourself and others, but are too stupid and too cowardly to admit even to yourself. I warned you, and you are just as guilty as they.

You Know Your Heart, So Why Don't YOU DO SOMETHING!?!

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It is very important to identify the crypto-Jews, Jews and Shabbas Goyim who are deliberately misleading you, but don't stop there! You know your heart and your motives, so why don't you do something on your own or with others you have long known and trust?

Instead of merely questioning others and looking to others to do something for you, why don't you put your brain, your talents, your resources and your will to survive to good use, and do something you know no one else can corrupt? Stop being a baby, and a slave, and get to work! There is a lot of work to be done.

One thing that any of you who gave money to Ron Paul could do is publish an open letter to the crook. Tell him that he is much wealthier than you and that you would like to have your money

back. Start small, then work your way up to taking more involved political action.

Jesus, Ron Paul, Rand Paul, Erdogan, Putin, Etc. On the Supposed Heroes the Jews Claim Will Save Us from the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

It is amazing, and perhaps not coincidental, that the loudest Jewish voices in the "alternative media" have a long track record of trying to convince us that the Jews and the Jews' puppets will save us from the Jews, and that there is nothing we can do to save ourselves other than wait for these men to rescue the World by destroying America.

I have been warning you for years that none of these supposed saviors will do anything other than help the Jews to destroy you. Why don't you hold the people who have misled you for years to account? Why do you continue to follow these obvious creeps? You must be smart enough to realize that at a minimum these Jews are incompetent to lead you, and that the laws of probability indicate that they are trying to deliberately deceive you.

The Encyclopedia of Jewish Genocides

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

I propose that we need an *Encyclopedia of Jewish Genocides* to document Jewish crimes of genocide against humanity. I could easily incorporate my book *The Jewish Genocide of Armenian Christians* as the first volume in a long series.

The following article outlines but a few of the many genocides the Jews have committed:

Holocausts: Theirs and the Many Ours by Elias Akleh

Add to those the Jewish genocides the Jews claim to have made and those planned in the Old Testament and the Jewish genocides planned in the New Testament and it will be a long series of great importance to humankind. If someone serious will fund the project, I will edit it and perhaps write it all myself.

The Jewish Genocide of Ukranian Christians is at this moment a much discussed topic:

Ukraine: Jewish Supremacists Object to Being Named as Responsible for Manmade Famine

I would also incorporate a volume dedicated to debunking the many myths of the supposed Nazi

genocide of Jews.

This would be a series that would doubtlessly alter the course of human events much for the better and expose the Jews as the horrific threat to the continued existence of life that they *demons*trably are and always have been.

The Incredible Power of Envy

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Having had children has taught me many things which I never before understood. Though I have always known that Jews tend to be incredibly childish people even in very old age, I did not fully understand the depth and nature of their childishness until revisiting children interacting as an adult.

I have never been an envious person. I have never felt that my mind or body were insufficient or that others had it better than me. If I wanted something, I never resented the fact that others might have it. Instead, I tried to use my brain to accomplish what I wanted done.

But I have observed from the reaction of other children to my children and sometimes the

interaction of my own children, that children can be incredibly envious and that this emotion makes them survival prone, especially so in the case of children who are not overly bright. Children carefully watch other children and from a very early age covet what others have and covet the attention others receive, especially from their parents.

Jews, remaining children all their lives, are masters at manipulating envy. It is one of the reasons they are so good at advertising and controlling politics. They lead you to covet what you don't really need, and to feel left out when that which they offer is poison to all, including alcohol and tobacco, two of the Jews' favorite wares.

But that is only one side of the two headed monster. The Jews are very aware that it would be dangerous for them if you were to become envious of the Jews, especially in specific areas. It seems to me that the two most powerful emotions that provoke one to take real physical and political action are fear and envy.

The Jews always tend to hide their real wealth, both from the tax man and the public. They pretend to be poor even when quite rich. They always complain, even when receiving an unfairly large share. The Jews are incredibly envious of anything anyone else owns and try to steal it believing it belongs to them by divine decree, and the Jews are obsessively cautious to prevent the envy of the Goyim.

Envy is a strong emotion. Together with fear, it causes people to take real world action, meaningful action that changes things. The Jews understand this very well. It makes them survival prone.

When the Jews want the Goyim to kill each other, they pit class against class using envy as a weapon of destruction. When the Jews want to protect a class that serves them, they use shame or a nonsensical philosophy to counter envy, just as if they were controlling children.

In our counterattack against the Jews who would genocide each of us, we must learn to use envy as a means of survival. We must teach others to envy the Jews' power over media and politics so that they will act to take it away and have it for themselves. The same is true of the Jews' ill gotten wealth. We have to teach others how important these things are so that they covet them and will want to possess them. We must explain to others the riches that await them if they manage to acquire media, political control and wealth.

Through Christianity and other nonsense, the Jews are teaching the deliberately false message that media, politics and wealth don't matter and are the natural possession of the Jews. The crypto's whine that we should not bother with media or politics and should just surrender them all to the Jews until all is lost and then in some unexplained fashion all will be restored to us. The Jews are carefully manipulating your survival instincts of envy to prevent you from taking that which you have a human right to have.

The majority are not Jews, so the majority have a right to media, politics and wealth that represent their share in the community. Where this is not the case, the majority have the right and the duty to use any and all means to restore justice to the community.

But they will not do so if they cannot muster even a little bit of envy. Nothing else save fear causes them to act politically when it is difficult to do so.

Beware when you are advised that politics, wealth and media are the domain of the Jews and do not matter to us and are not worth pursuing. You are being schooled to have no envy of the Jews and thereby defeat yourselves.

The Sound a Gun Makes When It Goes Off

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

If you've ever been shot at at close range, you'll understand exactly what I mean. That high pressure pop is stunningly loud. The ringing lingers in your ears, for years.

But immediately following the "Bang!" is a clarifying silence that mutes all other thoughts than the will to survive. It is an amazing dichotomy between silent clarity and a buzzing urgent threat to life. The crash of an automobile is similar, but less intense.

Learning of the horrors that the Jews commit has a similar effect on the psyche. There is an immediate and lingering irritation accompanied by a focused presence of mind to preserve

yourself and decency in the World.

But when you see the Jews' crimes and hear about the Jews' crimes not only every day, but all day every day, the nerves can't keep up and the signals become numb. You grow used to the shock and then come to expect it. It no longer affects you like it once did. Even especially heinous crimes loose much of their bite.

While others were praising them as if "anti-Zionist" heroes to the World, I warned you years ago that Erdogan and the AKP party were working for Jewry to break down the Arab nations in order to create an Islamic European Union of sorts around the Mediterranean to then insert African and Middle Eastern migration into Europe through Turkey. I warned you that the Mavi Marmara episode was contrived to increase Erdogan's support and make Turkey the de facto ruler of Islam, as it so long was when the Jews used the Turks to attack Europe. I warned you that Erdogan's criticism of Israel was a contrived farce engineered for the same purpose. I warned you several years before these events occurred, that the Arab nations would be provoked by the Jews into revolutions that would serve Jewish interests alone.

It should now be clear to you that I was correct in each of these assertions. But I worry that sounding the alarm every day, all day, becomes counter-productive. It is a serious dilemma, not easy to resolve.

I warned the World that the Jews were yet again setting up the Russians and Turks to war with each other at the behest of the Jews. The Jews could easily trigger this war at any moment. But for now, they are content to let their puppets Putin and Erdogan decide Syria's fate for the

benefit of the Jews, by passing Syria back and forth between the Jews' cat paws of these two fearsome powers and forcing Syria to turn alternatively back and forth between Turkey and Russia for help, though both forces are entirely controlled by Jewry.

But all this is just another day in a world full of Jewish treachery. The realization that the present situation could serve the Jews to trigger WW III can only produce horror in the mind for so long before horror becomes a mute picture on the wall of the mind, mocking sanity.

There has to be a reaction for the will to survive to have any pragmatic value. I have issued these warnings for years and have developed a long track record of highly accurate predictions. But few act upon my warnings and as a result preventable suffering occurs over and over again.

Damn shame, that.

The American Dream Revolution: A Short Story. . . in More Ways Than One

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Rex Lex grasped the podium with both his hands as he leaned forward towards the crowd. He enthusiastically shouted his first words into the microphone, "We are alive! We have won! We

are free!" The crowd, made up entirely of paid party members, cheered and released blue and white balloons.

It was victory day for the American Dream Party. Rex Lex won the Presidential election by a wide margin. His mother was a Russian Jew from Israel, and his father, a Chinese billionaire from Hong Kong. He was a dual citizen of America and Israel

Rex Lex turned to look behind him and gestured with his left arm towards a tall flag pole. Two Israeli soldiers hoisted an enormous flag up into the air. It somewhat resembled an American flag, but there was only one star and it was a blue star of David on a white field. The flag only bore two blue stripes and three white stripes.

"At last the red blood of American patriots need be shed no more!" Rex Lex announced triumphantly. His birth name was Israel Chang.

Suddenly, every single person in the crowd produced a hand sized version of the same flag and began to wave it in the air. Rex Lex started to clap rhythmically. "The American Dream has finally come true!" he said, nodding his head in acknowledgment and approval.

Chester Cooke watched this spectacle from across the street. It suddenly occurred to him that no one in the crowd was White. He was an ADP member, but felt ill at ease. The flag came as a complete surprise to him.

A squat Jew with a yarmulke grabbed Chester's arm. "You've gotta go!" he said while pulling Chester away from the direction of the new President.

"Why?" asked Chester. "And who are you?"

The Jew, who was wearing a business suit, spoke into a cellphone. "I've got a terrorist. Bring a car," he said and pulled Chester towards the street. A black Ford pulled up and two men thrust Chester into the back seat and drove away.

Rex Lex again spoke, "The American Dream is for everyone and America is now open for business!" The ADP platform called for open borders on the premise that aging Americans couldn't fill the new job positions the party would create. Within two weeks after the election, all Americans over the age of 40 were sent to "retirement paradise" and never heard from again. All Americans under the age of 13 were taken to "freedom school" and were never seen again.

"Equality is peace! And we are now equal!" Rex Lex roared. Party members were told to denounce everyone they suspected of being "unequal", which meant anyone who was thought to be smarter than the "average hero". These "abnormals" were taken away to the "leveler" and never reappeared.

The party wanted to breed a new generation of "calm citizens". They publicly committed interracial rape and anyone who objected was immediately shot so that the party could "weed out the bad seeds". It was a small part of the dysgenics program to breed a slave populace.

Rex Lex smiled broadly. "I have a special announcement!" he said. "Those of you who are rich will no longer have to live with the poor!" The party called non-Whites "rich" and Whites "poor" in reference to color. "We have discovered a treacherous plot by the White terrorists to betray

the revolution!"

The ADP contended that White Americans betrayed the "first American revolution" when they practiced slavery. Shortly after the election was over, the party rounded up Whites as "suspected terrorists" with "poisoned minds and poisoned blood filled with hate."

The crowd became ecstatic. "At this very moment our soldiers for freedom are rounding up the terrorists and making our streets safe for humanity!" Rex Lex declared. "America has finally lived up to its promise!"

Chester couldn't believe what was happening. He thought it must all be a bad dream.

The shiny black Ford finally stopped at an old abandoned church. The Jews who had kidnaped Chester sexually assaulted him on the alter, then began to torture him. All Whites endured the same or a similar fate. They had voted for the ADP in the highest proportion of any ethnic minority in America. The party lauded their sacrifice after they were gone.

Then the "wars for unity" started and things truly turned ugly.

All my jew bro's know what I mean, Goy boy let me tell you how I lie like a crypto

On track bs'ing the flock

Is it good for the Jews? we tell you what to dooz

Do it like us

I lie like a crypto

Crosses up, Goyim die

Crosses up, Goyim die

Crosses up, Goyim die

I lie like a crypto

Right up in your face my lies a disgrace

lookin' for some Goy dogs

to slaughter Goyim like hogs

I need one sick Goy to obey what I say

so I can steal all the Goy's rights away

stupid Goys don't know I'm a creep

Oy veh they are just sheep! I hate Goyim I hate Goyim and I really just pretend

that I'm like you

so I can infiltrate your back end

as you follow me into hell

but now that I'm caught I have to change clothes

this jew clown's gotta show them Moozlems how to die

It'll be easy too easy

all I gotta do is keep my lies up

tell them this tell them that

All the Goys know is what the crypto's say

You can watch us everywhere our yarmulke's now a hat

We're murdering you making your heads roll roll

I lie like a crypto

Korans up Goyim die

Korans up Goyim die

Korans up Goyim die

Rights Are Meaningless Without Means: The Story of the Christian Slave Who Woke Up a Free Man in Jewland

Christopher Jon Bjerknes

http://www.jewishracism.com

http://www.jewishracism.blogspot.com

Rolf had a hard time falling asleep. His Jewish master had severely beaten him for asking why the Jew's god hadn't chosen him to be among the elect of their god.

Earlier that same evening, it was dinner time and Rolf was serving his Jewish masters their dinner. He listened while the Jews were discussing Eve fornicating with the Serpent in the Garden of Eden and how the evil of Satan entered the Goyim through the Serpent's seed. The Jews said that their god had chosen them, the elect, to be a special race above the Goyim, a divine race that carries their god in their blood. The Jewish god had foreknowledge that the Jews would be chosen, and that the Goyim would be cursed to death in the Garden of Eden, because Satan injected his seed into Eve and through her into all Goyim, the seed of the Serpent destined for extermination when the Jewish Messiah arrived.

Rolf was a Christian. He told the Jews that Jesus had chosen him because he believed in Christ, and so he, too, was counted among the elect. The Jews listened attentively as Rolf explained to them that Jesus' blood washed clean Adam's sin, and so the curse of death was lifted from him. When Rolf had finished, the Jews laughed.

"Stupid, ignorant, dumb animal!" cried Rolf's master, Rabbi Israel. "Have you read what our Jesus said?"

"Only when I was a child," Rolf mumbled, recalling his mother's awestruck and obsequious voice as she taught him to worship the Jewish god and the Jewish king, Jesus. "As you know,

Master, it is now forbidden for us."

The rabbi laughed. "Let me tell you what he said and why he died. Jesus thought he was our king. He said he came only for Israel and the elect you talk about are the children of Israel, not the Goyim. Our prophet Isaiah said so in chapter 45 verse 4, chapter 61 verse 9, and chapter 65 verse 22. And that is why you, dog, are serving me in a house that used to belong to your dead father, and I quote, 'For Jacob my servant's sake, and Israel mine elect, I have even called thee by thy name: I have surnamed thee, though thou hast not known. They shall not build, and another inhabit; they shall not plant, and another eat: for as the days of a tree are the days of my people, and mine elect. And their seed shall be known among the Gentiles, and their offspring among the people: all that see them shall acknowledge them, that they are the seed which the Lord hath blessed.'

And our prophet Isaiah goes on to say, 'They shall not labour in vain, nor bring forth for trouble; for they are the seed of the blessed of the LORD, and their offspring with.'

Now let me tell you why Jesus wanted to be sacrificed for us, and for us Jews alone. Our seed is blessed. Your seed is cursed. Eve buggered with Satan and you Goys got him inside you. You are descended from Satan. Understand?

Jews don't have none of this evil blood. We are pure and we are god. Now we Jews used to take our first born children and toss them into a fire as a sacrifice to god. God wanted to return the favor and clean the world of all the Goyim and get rid of Satan's seed once and for all by getting rid of you Goys. Since we Jews are god, god fornicated with Mary just like Satan, your chief god,

fornicated with Eve, or so the story goes. So then he had a son, Jesus, or Emmanuel, god among us. Now this was our god's first child, so he had us kill him so that he would sacrifice his first child to us, just like we sacrifice our first born to him, understand? God made a sacrifice to us because we are god!"

Rolf couldn't help but interrupt, "Jesus' work on the cross undid the curse of Adam and saved me from death!"

"Stupid Goy pig!" shouted the rabbi as he slapped Rolf across the face. "Has the thought never entered your small Goy animal brain that sacrifices are made to gods? Now, you Goyim ain't no gods and our god would never sacrifice his first born to you! So, stupid Goy pig, that leaves an unanswered question, 'To whom did god sacrifice his first born son, if not himself, which would have been ridiculous?'

He sacrificed Jesus to us Jews, we are divine, the only gods to whom our god in heaven could make a valid sacrifice. Your Jesus died for us, and planned to murder each one of you as a sacrifice to us to purify the world at the end of the world, which for you is coming soon.

Listen to Matthew talk, 'And she shall bring forth a son, and thou shalt call his name Jesus: for he shall save his people from their sins.' His people are we Jews. Our only sin has been doubting our god because of you and your gods, including your idol Jesus. Jesus is supposed to save us, the elect, the Lord's chosen, by murdering every last one of you and with you, your gods and your satanic blood.

Like Matthew says, 'These twelve Jesus sent forth, and commanded them, saying, Go not into

the way of the Gentiles, and into any city of the Samaritans enter ye not: But go rather to the lost sheep of the house of Israel.'

And Matthew also said, 'And, behold, a woman of Canaan came out of the same coasts, and cried unto him, saying, Have mercy on me, O Lord, thou son of David; my daughter is grievously vexed with a devil. But he answered her not a word. And his disciples came and besought him, saying, Send her away; for she crieth after us. But he answered and said, I am not sent but unto the lost sheep of the house of Israel. Then came she and worshipped him, saying, Lord, help me. But he answered and said, It is not meet to take the children's bread, and to cast it to dogs. And she said, Truth, Lord: yet the dogs eat of the crumbs which fall from their masters' table. Then Jesus answered and said unto her, O woman, great is thy faith: be it unto thee even as thou wilt. And her daughter was made whole from that very hour.'

That Goy witch was the exception what proves the rule. You dogs ain't Jews and Jesus came to save us from you, by getting rid of you forever.

Again Matthew, 'And except those days should be shortened, there should no flesh be saved : but for the elect's sake those days shall be shortened . For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect. And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of heaven to the other.'

Now who does god promise to gather in, the Jews and the Israelites, his chosen people, the elect! And who does god and Jesus promise to exterminate, the Goyim!

Listen to Jeremiah, 'For I am with thee, saith the Lord, to save thee: though I make a full end of all nations whither I have scattered thee, yet I will not make a full end of thee: but I will correct thee in measure, and will not leave thee altogether unpunished.' Jesus is of the House of David and he promises to sit on the Jewish king's throne and mete out judgement on the Goyim, but the elect, the Jews that remain faithful to our god, will be a part of his kingdom. If he really were our king, he would kill off every last one of you vermin.

But Jesus just thought he was our king. He had us kill him, but that didn't take Satan out of you Goyim and Jesus ain't sitting on no throne judging nobody. Our real messiah is in Jerusalem and there aren't any Goyim there. In fact, he has ordered us to kill off the last of you rotten Goyim."

Rabbi Israel beat Rolf viciously with a whip. Then, the rabbi did an amazing thing. He said to Rolf, after dragging him by the collar to his tiny shack, "You are free, Goy! Now die! That's what Jesus wants."

Rolf had a hard time falling to sleep. His wounds hurt terribly and he could not fathom why the rabbi freed him and told him to die.

Long and painful hours passed, but at long last, Rolf fell asleep. Only moments later, he awoke to the sound of a car screeching to a halt in front of his house.

Rolf rubbed the sleep out of his eyes and stood in the doorway to his shack. The rabbi and his two sons stood leaning against their expensive new car with M16 rifles in their hands. The rabbi

shouted, "We have come to watch you die!"

Rolf went back inside and closed the door. He sat on the mat which was the only furniture covering the dirt floor of his shack. Just then, he realized he had to go pee.

He opened the door to his shack and lifted his right leg out to step through the doorway. The rabbi fired off a round into the dirt below his foot. "Stop right there, Goy dog!"

"But you said I am free!" cried Rolf, pulling his foot back inside. "You are!" cried the rabbi, "But so am I free, and I own every square inch of land surrounding your shack, which shack I generously give to you for a grave. As a free man, I forbid you to step on my land. If you do, I'll splatter your brains on your shack."

"Wait!" Rolf shouted, holding out his hand in a gesture of submission. One of the rabbi's sons pulled a pair of pliers out from his pant's pocket. He arrogantly strutted up to Rolf and pointed his gun at Rolf's heart. "Stick out your tongue!" the young Jew demanded.

"What?" asked Rolf.

"Your freedom will cost you one tongue, yours!" said the Jew. He lowered the barrel of his rifle and fired off a round into Rolf's foot. "I won't ask again!" the Jew said, pointing the gun between Rolf's stunned eyes.

Rolf stuck out his tongue and the Jew pulled it out with the pliers while his brother produced a knife and cut it off. The rabbi laughed as Rolf chocked on his blood.

"Go ahead, you are free. Say what you will!" taunted the rabbi. Rolf could only spit out blood to save himself from drowning. The Jews laughed uproariously.

"You are free, Goy! Better go to a doctor and better get yourself a lawyer, but don't step on my land, because I am free, too, and I will blow your head off." The rabbi took aim at Rolf's head.

"Now I am going to exercise my right as a free Jew to take your life. Do you have anything to say?" Rolf couldn't get half a step further back into his shack before the tiny bullet his father's company had made years before went spinning through his forehead.

Rolf died a free man in Jewland. He had been blessed by his Jewish masters even to know the secrets of their righteous religion.

If Russia and Red China Are Controlled by the Jews, Then Why Would They Ever Oppose Israel or the USA?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Imagine, if you will, a courtroom in America where a young indigent black male stands accused of murdering a pro-White politician. The judge is a Jew. The prosecutor is a Jew. The jury are all Jews. The real murderer is a rabbi.

Now, who would the Jews want defending this innocent man, a sincere, talented and successful lawyer who will do his or her best to free the falsely accused family man, or a corrupt Jew public defender who will deliberately subvert the defense? Of course, the Jews who murdered the politician will seek to have one of their own representing the man whom they have chosen as a patsy.

This is how the Jews operate in international politics. When they want to destroy a nation, they pour arms into the country, arming at least two factions to the teeth, so that the People of that country have the means to slaughter themselves and weaken the country. The Jews instigate a "revolution" and initiate strikes and terrorist attacks to destroy the economy and turn the People against their own State.

This is why the Jewish controlled superpowers must appear to be in opposition to one another. The USA will arm one side while China and Russia arm the other side. The USA will support one side in the UN while China and Russia support the other side.

But the support, including the international media support, is always greater for the team that the Jews want to win. In this way, the People of the target nation are forced to turn to their enemies, the Jewish controlled superpowers, for help, and they always get screwed. They always grow weaker and only obtain assistance which enables them to kill one another or justify a massive military attack by the superpowers. It is easier for America or Russia to annihilate a nation without international public opinion turning against them, if the target nation offers at least a minimum of military resistence, so one side or the other ensures that the arms are there, often antiquated or down right obsolete arms.

So when Putin and Obama appear to be at odds with one another, odds are they setting up some country to suffer for the Jews' sake. It is good cop, bad cop, and the accused always falls prey to both sides. Consider how the Jews pitted a People against itself with "revolution" and "civil war" in such countries as Vietnam and Korea. . . and the USA. Note that the Jews had Koreans slaughtering Koreans, Vietnamese slaughtering Vietnamese and Americans slaughtering

Americans, all for the benefit and profit of the Jews. Instead of fighting the Jews, the Goyim genocide their own, just as the Jews tell them to do.

Now consider why it is that the crypto-Jews in the "alternative media" are constantly promoting revolution in America; promoting false saviors including the Jew Jesus, Ron Paul, Ahmadinejad, Putin, Erdogan, etc.; never organize an authentic counter-attack against the Jews; and deliberately subvert American morale by announcing that America is already destroyed and that the only hope is to look to supernatural forces or America's enemies for help. And almost always, these crypto-Jews tell us to buy gold and silver, and guns! They are setting us up for the slaughter. Now, don't misunderstand me. I am not opposed to gun ownership, *per se*. I am opposed to gun ownership for the purpose of slaughtering fellow Americans.

I wrote about this two years ago in the following article, back when the crypto-Jews were broadly smearing me for exposing Ron Paul and his Jewish agenda:

Would You Cut Your Own Throat to Cure Strep? December 05, 2010

"I am beginning to wonder about the Russian psychological war being waged on the 'patriot movement' and its ties to the gold and silver cartel. Why are so many featured in anti-American, pro-Chinese and pro-Russian, Russian television propaganda? Didn't David Duke have a Russian girlfriend? What is going on?

Why is the 'patriot movement' trying to make it cool to hate America? Why are they promoting China and Russia? All of this reminds me of the Jewish

subversives during the Vietnam war who used it, a war the Jews manufactured and perpetuated, as a means to promote anti-Americanism. Why would American 'patriots' cheer the demise of America and the rise of China and Russia?

We should not gargle acid to cure strep, nor should we move about in the night to ward off Jewish vampires. We should instead release their fangs from our throat and celebrate, rather than denigrate, ourselves. We should seek to bolster our economy, not destroy it.

Beware Jews in Christian and Muslim clothing who tell you to literally surrender your life to the Jewish god, and to Putin, and to the Communist Chinese. Surely, they are not your friends. They are Jews and it is in their blood to betray you.

Getting to the Know the Jewish God: Beware the Jewish Messiah, Abraxas

About the time Jesus the Jew is claimed to have lived, the Jews were deeply submerged in black and white magic. The Hebrew Bible, the Old Testament, is completely devoid of any Metaphysics. It is simply a training manual on how to obey the genocidal Jewish god, the Devil. The Jews wanted more than "the Law" and started to believe that the law had been fulfilled.

A new Jewish Metaphysics emerged rooted in Chaldean and Egyptian magic, as well as the Mithras myth and Hindu myths, among other prominent influences, including Heraclitean and Eleatic philosophies which form the basis of what was to become the Cabbalah. This new Jewish Metaphysics placed the Jewish god outside the realm of the physical and the knowable. This devil became the Ein Sof of Jewish myth.

With the destruction of the Temple (at the instigation of crypto-Jews) and the annual pronouncement of the Devil's name, even the Jewish god's horrible name became ineffable. Jews hack their spittle when they speak and their ancient alphabet lacked vowels, so it is not known how to pronounce the Devil's name, such that Jews call it Adonai when inculcating new Jewish monsters into the deadly myth, and otherwise simply Hashem.

One product of the new Jewish metaphysical myths was Jesus, and in this myth we find Jewish magic crystallizing into vampirism, duality of good and evil, reincarnation and the transformation of gods into men, and men into gods through vampirism. The Ein Sof of Cabbalah is not created, rather creation comes from it ex nihilo. For man to know the Jewish Devil, it must become something physical, hence the Jewish Jesus myth. And what better for the Devil to manifest itself as than the king of the Jews, the redeemer and genocidal maniac of Psalms and Isaiah? Not content to merely kill off non-Jews, the Jews even have their king destroy all corrupted creation to make way for a new heavens and Earth, in their poisonous black magic mythologies.

It is interesting that Christians condemn Cabbalah, while practicing it in its original form. And it is no wonder that Shabbataians have no problem posing as if Christians, because Christianity is Cabbalah, in that both practice the worship of the Jewish king as if the bodily manifestation of Ein Sof, both practice human sacrifice, both believe good and evil come from their god, both worship androgyny, both are revolutionary Communists, and both seek the absolute destruction of all creation. I hear you duped Christians crying foul, so indulge me as I inform you about the roots of your Cabbalistic myth.

Where to begin? Let's start with the Cabbalistic myth of reincarnation. The Jews believe in reincarnation, as did many ancient mythologies. Christians have Jesus resurrected and returning. The Jews have the same myth in the form of their king being a dynasty with each new annointed generation of king becomming the physical embodiment of the Ein Sof.

Jesus came to be called Abraxas and was identified as the iota, alpha, omega of Heraclitean and Eleatic myth. Abraxas is symbolized as a male body with a rooster head and snake legs. These symbols represent the Christian belief in Jewish dualism, i.e. that good and evil come from the Jewish god and both are equally important and useful. Cabbalah and Christianity are the same and both practice and worship evil. This is why Freemasonry so well serves the Jews, because it recognizes this common element in Judaism and Christianity. Christians, most of them, are too stupid and psychopathic to understand that their desire to destroy all mankind and the heavens and the Earth and to send all non-Christians to eternal damnation is evil, but it can rightfully be called nothing else. They are hateful and evil to the core, which is no surprise given that they are spiritual Jews practicing Cabbalah. Christians even call themselves the Elect, which means the Chosen of the Jewish god.

Christians believe that the Jewish god sacrificed itself to them, making them gods with the gift of eternal life. The early real Christians made a ritual of consuming their semen, menstrual waste and aborted fetuses all in an effort to kill creation and consume the light of the Ein Sof. Jews, real Jews, pass their firstborn children through the fire for the same purpose.

Jesus was weak, effeminate and evidently asexual or homosexual or bisexual. He preached

brotherly love, meaning orgiastic homosexuality and bisexuality. Shabbatai Zevi and Jacob Frank were the same, androgynous freaks. Catholic clergy marry themselves to the Jewish god, and the early real Christians practiced communal infertile sex. Christianity and Cabbalah are the same.

Christians are revolutionaries seeking to destroy all nations and establish a Jewish kingdom to rule all. They destroyed the original cultures of Europe and demand absolute obedience from all to their destructive myths. Jews are the same.

Christians are Cabbalistic Jews and spread the same poison, which calls for the destruction of all this World. There is one major difference, though. Christians are slaves, and Jews, their masters.

Noble Consciousness at War with a Material Enemy

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews have been waging war on you for at least 2,500 years. One of their primary weapons is legislation which compels you to tolerate their physical presence, and the Jews' dominance of abstract thoughts which govern the fate of the material world to the extent that the consciousness of human beings impacts and changes the material world.

The Jews many times based their theft of the land of Palestine on abstract religious law, and on edicts which presume a false history provided by the Jews. The myths of Cyrus and the very real actions of Claudius are examples of how the Jews manipulated the consciousness of the Gentiles in ways which profited the Jews and gave them control over the material world through the force of law and its impact on physical reality.

The struggle to defend us from the Jews is a consuming one. It does harm to our spirits and our bodies to be in their presence and suffer the horror of witnessing just how terrible the Jews truly are. The withered face of the Jew itself speaks to the toll their presence takes on the spirit and the flesh. We must also engage the enemy and fight back in a war we did not start and do not want. The majority of those for whom we fight are themselves allies of the Jews against us. This produces a very real form of combat fatigue that has defeated many of our soldiers by way of attrition and avalanche.

We need to take a scientific approach to defending ourselves from Jewry. The simplest solutions are apt to be the most effective.

We greatly outnumber the Jews. In simplest terms, the Jews individually constitute a small mass which is easily immobilized, or moved where it can do no harm. There is no injustice in viewing a parasite and active enemy in these most basic terms. These are the glasses every soldier must don in order to do his job in defending himself, his family and his people. The simplest solution to the Jewish problem is to view it in purely physical terms, where the sophistry of the eternal liars does not come into play.

We must now strategize how to materialize this concept of our nation without an aggressive enemy gnawing at its core into a physical reality. It is not so difficult a physical task and it is only fear of the unknown consequences which prevents most of you from acting. The necessary task only becomes muddled and difficult when one is afraid to identify the enemy, or is confused as to what constitutes the physical body of the enemy.

This is one of the reasons why the enemy thrusts his ugly face into the ranks of the resistence and continually parses words and spreads lies so that the physical problem is ignored as the resistence argues over abstractions and defeats itself as the Jews poison the blood of the non-Jews, taking active physical action to destroy the physical presence of non-Jews.

We know enough about the enemy to justify physical action. We have to take control of our government and impart with the force of the State that which must be done to fight back against the physical presence of a mortal enemy and parasite who continually attacks our physical and spiritual existence.

It is important to conceptualize how to move a stone that is in your way. But nothing will change until you take physical action to move it.

This is a cleaner approach to defending ourselves against the Jews, than constantly wading through their cess for bits of fecal matter to show to the world as evidence against them. By now, the world gets it and is ready to act.

Jesus Fulfills Satan's Work for the Jewish God

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

In the hateful Old Testament in the book of *Genesis* chapter 3, the serpent tempts Eve to eat the fruit which the genocidal Jewish god has forbidden her to eat. The Jews' god threatens Eve with death should she eat the forbidden fruit and the serpent tells her that the Jews' god is lying and that she will become a god should she eat of it, because she will come to know good and evil.

The cruel Jewish god puts an end to Eve's awakening and guards the tree of everlasting life with Cherubim and a flaming sword in fear that she will eat of it and become a god. Not till Satan reappears in the Jewish myth of Jesus does the temptation to eat of the tree of life return. Satan tempts himself in *Matthew* chapter 4 and there rejects all temptation based on worshiping himself, in favor of worshiping the Jews' genocidal jealous god.

In Mark chapter 8, Satan, Jesus, explains that nothing is so tempting as the promise of everlasting life, that temptation that the serpent, Satan, Jesus, failed to provide to Eve. The method Satan, Jesus, tempts with is sacrifice, the work of the scapegoat, the cross,

"31 And he began to teach them, that the Son of man must suffer many things, and be rejected of the elders, and of the chief priests, and scribes, and be killed, and after three days rise again. 32 And he spake that saying openly. And Peter took him, and began to rebuke him. 33 But when he had turned about and looked on his disciples, he rebuked Peter, saying, Get thee behind me, Satan: for thou savourest not the things that be of God, but the things that be of men. 34 And when he had called the people unto him with

his disciples also, he said unto them, Whosoever will come after me, let him deny himself, and take up his cross, and follow me. 35 For whosoever will save his life shall lose it; but whosoever shall lose his life for my sake and the gospel's, the same shall save it. 36 For what shall it profit a man, if he shall gain the whole world, and lose his own soul? 37 Or what shall a man give in exchange for his soul? 38 Whosoever therefore shall be ashamed of me and of my words in this adulterous and sinful generation; of him also shall the Son of man be ashamed, when he cometh in the glory of his Father with the holy angels."

Jesus, Satan, then tempts with the forbidden fruit of his flesh and blood, promising that those who consume it will obtain everlasting life and become like gods. What those who eat truly taste is their own flesh on the sacrificial alter of the Jews, the cross. They pledge themselves to be scapegoats for the Jews and take on all the sins of the Jews giving them eternal life and the grace of the Jewish god and fulfilling the work of the serpent.

In this way, the Jews place all their sins upon the head of the Goyim and so preserve the eternal life of the Jewish nation. As it states in *Leviticus* chapter 16,

"3 Thus shall Aaron come into the holy place: with a young bullock for a sin offering, and a ram for a burnt offering. 4 He shall put on the holy linen coat, and he shall have the linen breeches upon his flesh, and shall be girded with a linen girdle, and with the linen mitre shall he be attired: these are holy garments; therefore shall he wash his flesh in water, and so put them

on. 5 And he shall take of the congregation of the children of Israel two kids of the goats for a sin offering, and one ram for a burnt offering. 6 And Aaron shall offer his bullock of the sin offering, which is for himself, and make an atonement for himself, and for his house. 7 And he shall take the two goats, and present them before the Lord at the door of the tabernacle of the congregation. 8 And Aaron shall cast lots upon the two goats; one lot for the Lord, and the other lot for the scapegoat. 9 And Aaron shall bring the goat upon which the Lord's lot fell, and offer him for a sin offering. 10 But the goat, on which the lot fell to be the scapegoat, shall be presented alive before the Lord, to make an atonement with him, and to let him go for a scapegoat into the wilderness. 11 And Aaron shall bring the bullock of the sin offering, which is for himself, and shall make an atonement for himself, and for his house, and shall kill the bullock of the sin offering which is for himself: 12 And he shall take a censer full of burning coals of fire from off the altar before the Lord, and his hands full of sweet incense beaten small, and bring it within the vail: 13 And he shall put the incense upon the fire before the Lord, that the cloud of the incense may cover the mercy seat that is upon the testimony, that he die not: 14 And he shall take of the blood of the bullock, and sprinkle it with his finger upon the mercy seat eastward; and before the mercy seat shall he sprinkle of the blood with his finger seven times. 15 Then shall he kill the goat of the sin offering, that is for the people, and bring his blood within the vail, and do with that blood as he did with the blood of the

bullock, and sprinkle it upon the mercy seat, and before the mercy seat: 16 And he shall make an atonement for the holy place, because of the uncleanness of the children of Israel, and because of their transgressions in all their sins: and so shall he do for the tabernacle of the congregation, that remaineth among them in the midst of their uncleanness. 17 And there shall be no man in the tabernacle of the congregation when he goeth in to make an atonement in the holy place, until he come out, and have made an atonement for himself, and for his household, and for all the congregation of Israel. 18 And he shall go out unto the altar that is before the Lord, and make an atonement for it; and shall take of the blood of the bullock, and of the blood of the goat, and put it upon the horns of the altar round about. 19 And he shall sprinkle of the blood upon it with his finger seven times, and cleanse it, and hallow it from the uncleanness of the children of Israel. 20 And when he hath made an end of reconciling the holy place, and the tabernacle of the congregation, and the altar, he shall bring the live goat: 21 And Aaron shall lay both his hands upon the head of the live goat, and confess over him all the iniquities of the children of Israel, and all their transgressions in all their sins, putting them upon the head of the goat, and shall send him away by the hand of a fit man into the wilderness: 22 And the goat shall bear upon him all their iniquities unto a land not inhabited: and he shall let go the goat in the wilderness. 23 And Aaron shall come into the tabernacle of the congregation, and shall put off the linen garments, which he put on when he went into the holy place, and shall leave them there: 24

And he shall wash his flesh with water in the holy place, and put on his garments, and come forth, and offer his burnt offering, and the burnt offering of the people, and make an atonement for himself, and for the people. 25 And the fat of the sin offering shall he burn upon the altar. 26 And he that let go the goat for the scapegoat shall wash his clothes, and bathe his flesh in water, and afterward come into the camp. 27 And the bullock for the sin offering, and the goat for the sin offering, whose blood was brought in to make atonement in the holy place, shall one carry forth without the camp; and they shall burn in the fire their skins, and their flesh, and their dung. 28 And he that burneth them shall wash his clothes, and bathe his flesh in water, and afterward he shall come into the camp. 29 And this shall be a statute for ever unto you: that in the seventh month, on the tenth day of the month, ye shall afflict your souls, and do no work at all, whether it be one of your own country, or a stranger that sojourneth among you: 30 For on that day shall the priest make an atonement for you, to cleanse you, that ye may be clean from all your sins before the Lord. 31 It shall be a sabbath of rest unto you, and ye shall afflict your souls, by a statute for ever. 32 And the priest, whom he shall anoint, and whom he shall consecrate to minister in the priest's office in his father's stead, shall make the atonement, and shall put on the linen clothes, even the holy garments: 33 And he shall make an atonement for the holy sanctuary, and he shall make an atonement for the tabernacle of the congregation, and for the altar, and he shall make an atonement for the priests, and for all the people of the congregation. 34 And

this shall be an everlasting statute unto you, to make an atonement for the children of Israel for all their sins once a year. And he did as the Lord commanded Moses."

The Jesus myth arose with the destruction of the Temple and the failure of the scapegoat ritual (*Yoma* 39a). Jesus is the scapegoat as are all Christians. The Jews ritually sacrifice you to obtain atonement by placing their sins on you, and your Jesus, Satan, tempted you with forbidden fruit to trick you into obliging them and becoming their willing sacrifice.

The entire brutal and anti-human Jewish religious mythology is sickening to behold and the ancients were disgusted even then by the Jews and their barbarous mythology.

Why Christians Make the Jewciest Sacrifices

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The ancient Jewish Jesus myth arose at a time when the Jews were heavily immersed in the Heraclitean dialectical thinking of thesis, antithesis and synthesis handed down through Plato to such Jews as Philo. Good and evil were both of the genocidal Jewish god and both god and

evil served the genocidal Jewish god as is expressly stated in *Job* and *Isaiah*, and *Jeremiah* 27:6,

"And now I have given all these lands into the hand of Nebuchadnezzar the king of Babylon, My servant; and the beasts of the field I have also given him to serve him."

The Jews sought to redeem the Jewish nation, which it held was being punished by the genocidal Jewish god for disobedience. It was Satan who first tempted Eve, and so Satan would have to be ritually sacrificed for the sake of the Jews and only the Jews, whose sins would have to be placed on the Goyim as a scapegoat achieving Jewish atonement.

In the dialectic, Jesus is the Jewish god for the Goyim i.e. the Goy god slayer and scapegoat, and Satan for the Jews, i.e. the serpent who tempted Eve and fornicated with her thereby spawning the Goyim. Since it was Jesus who tempted Eve and infused her with his seed creating the Goyim, it must be Jesus, Satan, and Christians, Satan worshipers, who must be scapegoated for Jewish sin and sacrificed through murder to the genocidal Jewish god and his divine seed, the Jews.

The murder of Jesus, who tempts himself, but this time rejects temptation, redeems the Jews of their sins by accepting them, as does the ritual genocide of Christians. Jesus is Satan and Satan is Jesus. It is a Jewish dialectic which resolves original sin and justifies the genocide of Goyim and their gods.

Recall that Eve's original sin, and Jesus' original temptation, is to bite of the apple of the knowledge of the Jewish god; and that Satan's temptation to the Goyim in his form as Jesus is to

do the same and introduce the Goyim to knowledge of the Jews, for which they must pay with the penalty of death, just as Adam and Eve were cursed with death.

I doubt that the Jews so relish the Jewish genocide of 50+ million Chinese and the countless millions of African blacks as they do the Jewish genocides of tens of millions of Armenian, Ukranian, Russian, Greek, British, French, German, etc. Christians. Jews feel much cleaner and refreshed after drinking Christian blood, than they do when they feast on other forms of human life.

Why Do the Jews Sponsor Christianity, While at the Same Time the Jews Actively Destroy It and Genocide Christians?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews created Christianity and aggressively spread it around the globe. At the same, the Jews have attempted to subvert Christianity and genocide Christians as often and as brutally as the genocidal Jews can manage to do so. Why???

Why do the Jews fatten a goat and treat it with the utmost care so that they can murder it as a

sacrifice to their genocidal god? Why do Jews pretend that their ritual abuse of animals through kosher slaughter is based on kindness and concern? And probe your own corrupted souls, Christians, why do you love Jesus and hang an emblem of his tortuous murder around your neck in the form of the crucifix? You and the Jews celebrate the destruction of Christ as a sacrifice to you, and the Jews merely take the devilish, morbid and sadistic religion one step further and celebrate the destruction of Christ *and of Christians* as a sacrifice to their genocidal god *and to them*.

By creating and promoting Christianity, they are fattening you for the slaughter. By slaughtering you, they are carrying out the formal sacrifice. It is that simple, and that complex.

Jesus is Satan/Sammael. He is the tempter and the deceiver who aids the genocidal Jewish god to interfere in the course of human events and cause the humans harm. The Jews created Jesus as a sacrificial goat/lamb to slaughter as a method of placing their sins on the Goyim. Jesus rules the Goy gods and betrays them and the Goyim once every year in exchange for a goat which the Jews give to him. In worshiping the idol Jesus, you come to worship the Jews' jealous genocidal god and slay your own gods. He is a temptation for you to kill off your own gods, and so your supernatural protection from the genocidal Jewish god, and thereby open the gate to the Jews to exterminate you, as above, so below.

And you oblige this Jewish perversion of nature and of justice. You delight in the myth that another should suffer and die for you as a scapegoat to absorb your sin, and no less another than he whom you worship as the son of your adopted god! You are unjust, perverse and selfish, just as the Jews would have you, and by being unjust, selfish and perverse, you justify the Jews'

genocide of you and yours and take on their sin as their scapegoat. You become the scapegoat of their Jewish injustice, hostility and perversion by ritually joining in it.

Satan / Sammael / Azazel / Jesus is the genocidal Jewish god's instrument to deceive and destroy you. Christianity is the genocidal Jews' instrument to deceive and destroy. Wherefore, the Jews make you Christians and then slaughter you as a sacrifice to themselves and their bloodthirsty god.

The many myths of the Jewish "holocaust" form the basis of the new religion the Jews would have you worship as they send Jesus into hell for a thousand years during the Sabbath Millennium. The myth that the NSDAP genocided six million Jews forms the corpus / corpse of the new sacrificial lamb / goat. The Jews hold that both Jesus and the mythological six million Jews were Jews sacrificed for the Jewish nation. Or, as the Jews put it, and bear in mind that "Golgotha", meaning the place of the skull, is where Jesus was supposedly crucified,

"The Golgotha of modern mankind is Auschwitz. The Cross, the Roman gallows, was replaced by the gas chamber. The gentiles, it seems, must first be terrified by the blood of the sacrificed scapegoat to have the mercy of God revealed to them and become converted, become baptised gentiles, become Christians."--Ignaz Maybaum, *The Face of God after Auschwitz* , Polak & Van Gennep, Amsterdam, (1965), p. 36.

For further study, see: *Leviticus* 16. *Yoma* folio 39a.

But what quasi-religious form does the new method of scapegoating the Goyim with the myth of the holocaust take? It is the Jewish genocidal myth of the Noahide Laws, and under it, Christians must be beheaded and the obedient Goyim must become absolute and grovelling slaves until the Jews' messiah decides to genocide them, as well.

This is the nature of the Jews' perverse and genocidal beliefs, which they would render it illegal to criticize, which they did render it illegal to criticize 2,500 years ago, calling the truth blasphemy and sacrilege. When the Jews proscribe freedom of speech, they are imposing their religion upon you and your government and are imposing Judaism as the State religion. Judaism makes it illegal to criticize or even to call into question genocidal Jews and their lies, or to criticize, inform or otherwise speak the truth about the genocidal Jews' genocidal gods.

These inhuman and unnatural laws are not new. The Jews have had them for 2,500 years and they are designed to murder you, your governments and your gods; and to render the Jews and their gods absolute masters of the Earth and the heavens. And you oblige them, bearing your own cross as your sacrifice to the omnipotent Jews you worship. . . .

Flashmob / Smartmob Tactics

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I suggest we use flashmob / smartmob tactics to generate awareness of the Jewish war on mankind. The following video demonstrates such methods used for silly entertainment, but we could instead do something considerably more substantial:

https://www.youtube.com/watch?v=oacelnX3VSQ

If Ron Paul follows through on his plans to undertake a college speaking tour in 2013, this will provide us with an ideal opportunity to reach college students eager to understand why their future is evaporating. We should produce an informational brochure and dvd exposing the Libertarians as the new Communists and offering an alternative party which will provide our young with an honest future of prosperity and opportunity.

We could turn what appears to be a random crowd into an organized demonstration opposing the Libertarians and Jews and offering the Power Party as a far better alternative. We will have to comply with all laws, of course. We should have hidden camera crews to capture our demonstration for distribution, and to protect our interests.

In the 1950's through 1970's, the Jews funded and conducted a faux controlled opposition to the Communists using Jewish "neo-Nazis" to make a mockery of the exposure of Jewish subversion. Libertarianism is far more dangerous to Americans than was Communism, and we need to provide a genuine opposition to it, and the Jews generally, or they will destroy us.

Libertarians Are Deceitful Psychopaths and Proud of It: How They Tricked You into Electing Obama, Twice!

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Libertarians have no ethics. They are selfish and vicious and see these traits as their advantage against you, whom they view as stupid and inferior. Their personalities have been deliberately modeled after Raskolnikov of Dostoyevsky's *Crime and Punishment*.

The treacherous Jewish Libertarians pretended to be "anti-Neocons", but never named the Jew. They smeared any and all who told the truth about Jewry and Judaism. The Libertarians covertly sought an alliance with David Duke and the White Nationalists, while publicly ridiculing them. They only wanted to use aware whites as a stepping stone to popularity and having achieved it, abandoned the whites and distanced themselves from them, all according to plan. Then they used you to elect the neo-Con Rand Paul.

At the same time, the Libertarians made it inevitable that Obama would face the ridiculously weak candidates McCain and Romney, by ensuring that they would win the Republican primaries. The Jewish Libertarians concurrently endorsed Obama and had their flock deluded

to wait for Ron Paul to continue his candidacy for President. The entire operation was a Jewish orchestrated set up to ensure that Obama would become President, twice.

They pretend to speak up for Palestinians and against Israel, but the net effect of all they do is to gatekeep and misinform. They manage the news after events unfold, but never accurately forecast future events. Instead, they hoax their audience again and again and incite infighting at key moments to cover for the Jews. Like their Jewish Communist predecessors, they are supremely arrogant and dogmatic smear mongers. And like their Communist predecessors, there is unlimited Jewish money and Jewish media resources behind them, though they pretend to be a grass roots movement of the People. Though they pretend to be patriotic, they do all they can to incite you to hate your nation and your government, and destroy your own People.

Libertarians are the same old Jewish whine in new bottles. They have the same ultimate goal as the Communist, to skim off the cream of the Goyim in a class war and then annihilate them, thereby dumbing down the cattle and rending them devoid of leadership, while replacing all Goy leadership with Jewish commissars, as is happening under Obama, the man they deceitfully put in the White House, twice.

Galt's Gulch Concentration Camp: The Diabolical Hidden Jewish Agenda of "Libertarianism" and "Objectivism"

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I have many times argued against the toxic Libertarians' and Objectivists' noxious goldbugery. I have demonstrated the mortal dangers of the use of gold as money, and the benefits of other forms of currency. I hope that it is not necessary to repeat those admonishments here other than to state that the Libertarians' and Objectivists' goals are the control and destruction of society through, in part, the implementation of gold, and the illusion of nonexistent gold, as money.

That said, gold as money is only one arm on the octopus of the Jewish Libertarian and Objectivist agenda of Jewish conquest and Gentile extermination. Another of their objectives is the founding of a slave ranch for the best of the Goyim, which they euphemistically call "Galt's Gulch", an allusion to the Jewish racist Ayn Rand's book *Atlas Shrugged*. In her plagiarized propaganda novel, Rand (crypto-Jew born Rosenbaum) coaches the best of the best of the Goyim to abandon their social responsibilities and national loyalty in favor of the selfish quest for a Jewish Utopia the plagiarist "Rand" calls "Galt's Gulch". The objective of the "Objectivist" is to herd the most intelligent and productive Goyim into a concentration camp where they will be tasked with building vast estates for the Jews, a sort of Atlantis of Platonic myth, a Jewish Utopia where the Jews will live after they slaughter the Goy dupes who unwittingly built this land for the Jews and have poisoned the Earth rendering it uninhabitable without such a protected place.

The Jews must first till the soil and sew the seeds for this exodus of the best of the Goyim into their concentration camp where they will perform slave labor for the Jews, the best of the Goyim whom the Jews have already slated for death thousands of years ago. Libertarianism and Objectivism are designed to produce gross class stratification where a tiny minority of ultra-wealthy form an oligarchy that amorally and with antagonism and supreme arrogance rules over an absolutely impoverished slave class of the masses, who are forced into unpayable debts and so live and die in squaller on slave plantations. The Jews will incite these slaves against the wealthy class, leaving the wealthy no choice but to flee or die at the hands of the poor they have been taught to psychopathically exploit without mercy.

The Jews will also render the general environment of the Earth unlivable, further inciting the poor against the rich and creating another incentive for the rich to seek refuge from poisons they have spread over the Earth in their selfish and deliberately misguided attack on the masses and life itself. Recall operation paperclip where the Jews brought the best of the Germans to America after bombing German cities into ruins. Similarly, the Soviets under Jewish control stole away the best of the Germans in their sector. Thereby, the Jews diminished German stock in Germany and exploited German genius for Jewish ends.

The Jews had previously done the same in Poland and France with the destruction of Poland by crypto-Jewish Catholics and the French Revolution, which dispersed the best of the Polish and French for benefit of the Jews. Japan is being destroyed in part to force the most intelligent members of Japanese society to seek refuge. They will be useful slaves in the "Gult's Gulch Concentration Camp".

Having developed the art of slavery with a friendly face in the Frankfurt School of societal manipulation, the Jews will lure the brightest and the best of the Goyim into their concentration camp by using force, i.e. the poor masses; the incentive and objective of creating safe living space, after first poisoning the Earth; and pure greed, offering a Jewish Utopia at the end of their labors, just as the Jewish mythological Utopias of Christianity and Marxism falsely promise paradise.

The Goy slaves will be told to build self sustainable, pollution free cities. Once completed, the Jews will exterminate the slaves who built these new cities.

Meanwhile, the Jews will have duped the Goy psychopaths they created into poisoning the Earth and impoverishing the billions of poor. They will also have ruined the genetics of the Goyim and placed them in perpetual war against one another.

Toxic Jewish Libertarianism and Objectivism are carefully engineered to produce all of these Jewish sought results. They are a means for accomplishing the genocidal Jewish goals of the Jewish supremacist Torah.

When you sign on to become a Libertarian and/or Objectivist, you are tattooing yourself with the brand of the Jew and you will become a dutiful slave put to use killing off yourself and your own People for the benefit of Jewry. You will do so eagerly, greedily, aggressively and with full force and self sacrifice. You are the new Communist, only even more deadly than were they. You will become the enemy of humanity and if you cannot be righted from your wrong course, you will be an adversary of us all as are the Jews.

"But of the cities of these people, which the LORD thy God doth give thee for an inheritance, thou shalt save alive nothing that breatheth;"

Many of you have probably noticed that the Jews are pushing for wealthy Gentiles to build new cities, even encapsulated cities. I suspect that the Jews lack the genius and manpower to build these cities for themselves, and rely upon their genocidal Old Testament to guide them into duping the Gentiles into building these cities for them.

The Jews are aggressively destroying the old cities of the World with unemployment, immigration, poverty, civil unrest and pollution. Indeed, the Jews are aggressively polluting the entire Earth to the point of rendering it uninhabitable in the new form it is taking, and they want you to know it. Hence, the Jews are informing you about the toxic radioactive substances coming from Fukishima, while leading you away from the notion that the Jews caused the disaster.

At the same time, Jews are hyping the myth that UFO's are aliens and gods who will intervene in our affairs. All the while the Jews are encouraging our wealthy and talented to segregate in walled cities, new cities, with plans to build encapsulated cities.

The Jews will use Goy talent and resources to build these cities, but the Goyim will not inhabit

them, at least not for long. *Deuteronomy* 6:10-11; 9:1; 19:1; 20:16,

"And it shall be, when the Lord thy God shall have brought thee into the land which he sware unto thy fathers, to Abraham, to Isaac, and to Jacob, to give thee great and goodly cities, which thou buildedst not, And houses full of all good things, which thou filledst not, and wells digged, which thou diggedst not, vineyards and olive trees, which thou plantedst not; when thou shalt have eaten and be full; [***] Hear, O Israel: Thou art to pass over Jordan this day, to go in to possess nations greater and mightier than thyself, cities great and fenced up to heaven, [***] When the LORD thy God hath cut off the nations, whose land the LORD thy God giveth thee, and thou succeedest them, and dwellest in their cities, and in their houses; [***] But of the cities of these people, which the LORD thy God doth give thee for an inheritance, thou shalt save alive nothing that breatheth:"

Joshua 24:13,

"And I have given you a land for which ye did not labour, and cities which ye built not, and ye dwell in them; of the vineyards and oliveyards which ye planted not do ye eat."

Isaiah 54:3,

"For thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited."

Zephaniah 1:13,,

"Therefore their goods shall become a booty, and their houses a desolation: they shall also build houses, but not inhabit them; and they shall plant vineyards, but not drink the wine thereof."

The Jews, through the Libertarian Party and the "Objectivism" of Ayn Rand, are schooling the elite Goyim to segregate and abandon their social responsibilities and replace them with psychopathic selfishness. The Jews will instruct these dupes to build new cities and neglect and actively destroy the old cities. The Jews will promote famine and poverty through GMO's pesticides and herbicides which render the land infertile and food a poison to DNA. The wealthy of the Goyim will see as their only option fortified new cities which are isolated from the general environment, both the toxic cess pool of air, water and land, and the starving and desperate mob.

But these cities are not intended as refuges for rich Goys, but rather as the new elite ghettoes of the Jews. The Jews will murder the Goyim who build these cities, and then take them over. No Goyim will be allowed inside.

As the Goyim become extinct, the Jews will wait out the thousand year rest period of the Sabbath Millennium in the cities the Goyim have unwittingly built for them and the Earth will begin to restore itself.

I suspect that is the Jews' plan. The Libertarians play a key role in it. They are your mortal

enemy. They preach revolution and secession and will lead you into the same nightmare into which Jews have led the Egyptians.

Who Are the "Learned Elders of Zion"?

The infamous "Protocols of the Learned Elders of Zion" contains a titulary phrase which compels an explanation. Who are the "Elders of Zion"? The Old Testament mentions seventy Elders of Israel in *Exodus* 1:5; 24:1, 9, *Numbers* 11:16 and *Ezekiel* 8:11, as well as "Elders of Judah".

The number 70 is significant. The Jews believe that the heavens and gods mirror the Earth and the Jews, or as the Cabalah states, "As Above, So Below!"

The Jews believe that there are 70 Goy gods and Samael who rules over the 70. Sammael is the scapegoat, Azazel, who accepts the sins of the Jews and places them on the Goyim in exchange for a gifted goat each year at the same time the Jews sacrifice a goat to their god.

The Jews believe that their Jesus is this Azazel and that he enables the Jews to blame the Goyim for all their sins, and that Jesus will be cast into hell when the real Jewish messiah arrives. Jesus is to be punished for teaching the Goyim about the gods, and with the punishment of Jesus will come the absolute destruction of all the Goyim and their 70 gods, thus satisfying the bloodlust of

the jealous Jewish god to destroy both man and man's gods.

The roots of this Jewish myth predate Christianity by many centuries if not millennia. Ugaritic literature informs us of the pre-Jewish belief in the "sons of god", seventy in number. El, later the Jews' god, fornicates with the female Athirat to produce seventy sons who are gods. She strongly resembles the later "Virgin Mary". The sons of the god El in turn fornicate with earthly females and father the 70 rulers of the Earth, as above, so below.

The Jews have this as the 70 fallen angels, sons of god, who fornicate with fair earthly maidens to father the giants who become the leaders of mankind. But are they the Goyim's leaders, or the Jews, and is there such a distinction for the Jews? The 71st of these "sons of god" is Jesus, the scapegoat who burdens the Goyim with the Jews' sins and misleads them into hell.

For the jealous Jewish god to rule heaven and the jealous Jews to rule Earth in its purest essence, the 70 Goy gods, Sammael, and the Goyim must perish and be relegated to hell. That is the fate the Jews have planned for you, your ancestors and your descendants, as well as your gods.

Now, the Jews are stirring this stew to scapegoat the Mesopotamians for their mess-o-manias by invoking the memory of the myth of the Annunuki which holds that there are 300 gods in heaven. Jewish disinformation holds that this myth relates to the 300 men to whom Rathenau referred in 1909 when he said, "Dreihundert Maenner, von dennen jeder jeden kennt, leiten die wirtschaftlichen Geschicke des Kontinents und suchen sich Nachfolger aus ihrer Umgebung".– Walther Rathenau, "Geschäftlicher Nachwuchs", *Neue freie Presse*, Wien, (15 December 1909).

Zur Kritik der Zeit, Berlin, pp. 206-218, at 207.

Jewish disinformation would have us expect that these gods of ancient myth will again visit us as UFO's and will save us, or destroy us, depending upon which Jew is misinforming you and leading you to argue over which side of the dump heap upon which you will sit as you pointlessly count how many Jewish angels can dance on the head of a pin.

The Jewish god evidently likes to murder his sons. Jesus dies as a sacrifice. The Goyim believe this is a sacrifice which cleanses them of sin, but the Jews know this to be a sacrifice which is made to burden the Goyim with the sins of the Jews. So much Jewish is also complete deception and duplicity. Are you surprised that your "Christian" religion is no different? Does it shock you that your worship of the Jewish king, the "anointed", is meant to be your downfall? Are you confused that the Jews refer to Jesus as Satan, Sammael?

The Old Testament makes no mention of the Christian Devil, because it holds that all evil comes from the Jewish god, as does all good, and if anything evil is superior to good. Satan is a stumbling stone son of god who tempts and deceives to help the Jewish god sort out the Goyim and send them all to hell. That is the full and true story of your Jewish Jesus, like it or not.

So we have met Sammael, who rules the Goy gods and leads them astray. But who are the Elders of Zion today, and who are the 70 Goy kings who must die to appease the jealous Jew god and the jealous genocidal Jews? Are they at all the same? I'll have to research further to solve this remaining mystery. It seems that the Jews are today busy murdering the kings of the Goyim they themselves have anointed, viz. Saddam Hussein, Hugo Chavez, Bashar al-Assad, Muammar Gaddafi, and soon to include others. Why do the number of Goy gods, Goy kings, sons of the

Jew god, and Elders of Israel, each number 70, as above so below?

You Worship a Jewish God Created in the Jews' Perverse Image, NOT Yours

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

Many of you have probably wondered why the Jews so heavily promote homosexuality and changing the definition of marriage to incorporate homosexual unions. There are many reasons why, ranging from the fact that a disproportionate number of Jews are homosexual to the Jews' desire to ruin Gentile Peoples. But there is another reason with which you are almost certainly unfamiliar.

The Jews' created their genocidal god in their own destructive image. Jews tended toward sexual deviancy. They were heavily homosexual and used their Temple as a homosexual whore house. Their god is a hermaphrodite. The Jewish god's fruitfulness comes from its hermaphroditic personhood and this monster commands the Jews to multiply themselves as men and women both created its hermaphroditic image, which they created in their image (*Genesis* 1:27, 28). The Jews even fed their god with sacrifices both human and animal, just as they fed themselves. And

so they feed their god your bodies and souls.

They have you whoring after their god, which spells the death not only of your gods, whom the Jews believe to be real, but also you and your tribe with those gods.

Jews rule the Earth and their god rules the heavens and is jealous and will exterminate your gods as the Jews exterminate you. And you oblige the Jews and bow to the god created in their image and kill off your own gods created in your image, as you kill off your natural image of yourself. But you cannot be Jews and must die to feed the Jews and their god.

The Jews' god is very much a Jewish person. He walks and talks to the Jews' ancestors in the Old Testament. He has sons, Jesus among them. We need not wonder what the Jews' god was thinking when he ejaculated the seed for these horrible sons, many of whom raped the noble daughters of normal humans. He wrestled with Jacob, father of the Jews. Etc. For more on the Jews' god as a terrible stereotypical genocidal perverse Jew, see:

IS IT GOD'S WORD?

Now, it is the Jews who are commanded to go forth and multiply, not you. Yours is to slave and die off and worship their god in the form of hermaphroditic rock stars, homosexual marriages, masculine women and effeminate men. It is heaven on Earth for the Jews to watch you rob yourselves of your genetics, your sexuality, and your human dignity. It brings you down to their level, where you cannot compete, for you will no longer be an image of yourself. It makes it easier for them to kill you off, which wets their diseased beaks. Most of all, they enjoy turning you into twisted living idols of their god, mirrors of their unnatural selves, having lost all that

birth gave you to make life.

And what is the noblest act you as a perverse slave can perform for your new father, the stereotypical genocidal Jew in heaven whom you call god? You can feed him your soul and your body, preferably as an act of self sacrifice. You martyr your spirit by worshiping the vile Jew in the sky and you feed it your body by dying as a sacrifice to it so that you can live on as its slave. You delight in sending others to hell and believe that they have sold themselves to the Devil and given their flesh to evil, not letting yourself know that the Jewish god is the Devil and all evil and good come from it, according to the Jews who crafted the cunning fiend in their own image. The Jewish god loves sinners and the worst scum there are are Jews. Sorry, but they are first in line with their self made god and by whoring after horrible it, you die, body and soul.

The mind of the ancient Jew was comparatively simple and unartistic. It looked in the mirror and saw hate and murder in its dull eyes, and so saw its god stupidly staring back at it. It lived by murdering indigenous peoples and stealing their wealth, raping their women and burning their fields, so its god did the same. It lived by eating animals and so gave its god their flesh and their souls to quench its appetite and sustain its murderous existence. You are just another sacrifice to the Jews and their god and so you must sacrifice that which gives you life, birth. You must undo the divide and enter the tomb. You must become a living idol for your ill fated people, an idol which produces no life, an idol of the hermaphrodite in the sky, the Jewish god, a man/woman or woman/man. You must martyr your life, your soul and your sex, so the Jews and their god can triumph over you and your gods. And, most amazingly, you do.

Time Is NOT on Our Side!

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews have aimed the arrow of time and the arrow of entropy at the once healthy heart of human life. One harm the Jews deliberately cause us creates an infinite list of ever increasing ills that will inevitably end human life, because the Jews successfully subvert nearly all efforts to remedy the damage they have done to the natural cycles of life; and, further, because the Jews force us to devote all available energy to merely mitigating the harm they have done us in the short term, rather than improving our lot and the World for the long term.

The Jews want to kill us all. We depend on systems which facilitate, permit and perpetuate human life. By interfering with these life giving systems, the Jews are dooming us to certain extinction.

The effects of the pernicious Jewish attack on us all are exponentially destructive. A small stumbling stone pyramids into a murderous mountain under Jewish rule. The first to fall rots. The Jews toss his rotting corpse into the sweet waters of the well and a thousand more die of disease while spreading it to a million others. The Jews introduce poison into the vaccine they

offer as a preventative cure, and a billion then will have damaged genes. And so it will go until we all are gone, unless we fight back and eliminate Jewish influence.

We are at a stage in the human saga to survive where most of our efforts are devoted to fixing expanding problems the Jews cause us, rather than improving upon an already glorious and sound existence. This has become a closed system doomed to death, because the Jews will not allow you to divert any energy in a positive direction and the problems compound each other at an accelerating rate.

The Jews only offer you the illusion of escape, directly into a new trap of their fatal design. The Jews poison your nation to death and offer you "secession" and "revolution" so that you might escape the horror of the dying closed systems into which they have placed you. It is easier for you to run away rather than fight, so the masses head for the trap, which enables the Jews the opportunity to introduce more entropy into the international system and drag down humanity in the same terminal direction down with no hope of recovery so long as the Jews are permitted to toss just a small obstacle on the path of life, which viral menace will eventually cause all humanity to stumble over into the grave.

Many years before the Jewish "revolutions" in Arab lands took place, I warned the World that the Jews would instigate these "revolutions" in order to harm the Arabs, and with them, us all. I warned that the Turkish Government was Jewish controlled and would help the Jews to destroy Arab Peoples by inciting them to destroy themselves. I warned that not only would Arabs and Turks suffer from this, but that it would result in harm to Europe and America as they became incorporated demographically into these populations, as the Jews toss the corpses of rotten

nations into the international well spring.

As American genius and hope is misdirected, diminished and destroyed, the World will lose its best hope for recovery and progress. Indeed, America is the primary target of the Jewish attack, the net result of which is to increase the difficulty for humanity to survive to the point where it becomes impossible.

Rather than improving our lives, our engineers and scientists will be busy with menial labor, as happened to the Soviets. Our children will be taught that there is no hope for them in becoming engineers or scientists, and so our genetic heritage will dwindle and die because we did not do enough to remove the hostile parasite from our world. Quite the contrary, you obediently pamper the tick, and point us toward the traps of revolution and secession, for you cannot live without hope but cannot muster the courage to stand where you are and fight, but instead pray to the empty heavens for a Jewish Utopia to live and die in with all your children.

When they have inspired you to kill yourselves off, the Jews will fill your poisoned pie worker's paradise in the sky with guttural curses from their devilish throats, as they dance a haggard hora upon the Earth in celebration of their victory over human life. They teach you that struggle is your duty to their god and to them, and provide you with a limitless supply of obstacles, such that you are forever occupied with solving growing problems, that you will never step forward but simply must do your best to stay upright as you are pulled backwards.

There is no viable prison break for you as long as the genocidal Jews are tolerated. The technology your People's genius has provided the Jews enables them to introduce obstacles into

your life the majority of you cannot overcome. And the slope is increasing downwards into the tomb at an alarming and accelerating rate.

Nature requires long spans of time to recover from unnatural interference, and nature's changes do not bring back the past. It took a very long time for us to evolve from a bath of mud to a human brain. When your time has passed will there be others like you left after you, or will the Jews have won and exterminated them together with you?

There is a consuming fire the Jews are spreading across the Earth and you are the duped torch bearers. You cannot build new homes from the ashes of the fires you spread, despite your Jewish inspired adolescent fantasies and pipe dreams to the contrary.

The Jews are forcefully causing nature to eliminate us. It has been their plan all along and they are winning. Falling sperm counts and increasing cancers are only the beginning of the end. If we do not take meaningful and successful action, my children will live to see the mutation of the human being from diverse and comparatively healthy into a degraded mixture riddled with defects that will cause the end of all forms of human life in a few generations.

Hope will take the necessary form of action. You must act, or you have no hope. If you act, we can terminate the parasite's destructive impact.

The wormish Jews have your guts in their fangs. They grow fatter as you wither away, and they spread their sick seed in your filth. Pry them off or die.

The Jewish Genocide of the Native American Whiteskins

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

A few centuries ago, the Jews sent Christopher Columbus over to the Americas in search of a new homeland for the Jews. Europeans had tremendous technological advantages over the Native American "Redskins" and chased them onto ever shrinking reservations in their own land, then eventually genocided them.

The Jews have a similar plan to eliminate the new Native Americans, the Whiteskins. They are dumbing you down and encourage you to abandon your civilization and envision yourselves as primitive savages living off the land. They are Bolshevizing you with a bizarre and brutal romanticism of the postmodern savage, be it in the form of an Amish wannabe, or a barricaded and isolated prepper.

The Jews have you dreaming of forcing yourselves onto reservations in your own land, prisons which will shrink as the lands of Palestine have shrunk, as you will negotiate with the treasonous and aggressive Jews for less and less of what is already your own land.

At the same time, the Jews are helping the Asians to seize the technological advantage over you in preparation for their takeover of America and concurrent genocide of the Native American Whiteskins.

And who is it who is planting these suicidal thoughts in your gullible heads? The Jews' controlled opposition of Libertarians and many White Nationalists.

But the Redskins were at least brave enough to fight for their land. You are cowards who prefer retreat and inevitable death, to the fight. It is pathetic and sickening to see how gullible and cowardly so many of you are. Will you never wake up and realize that the easiest and only sane course of action is to stand and fight for yourselves, your families and your nation? Has the millions of years of animal evolution left you without any will to survive, any fight instinct to counter your cowardly desire to take flight? How can you let a tiny minority lead you by the nose into the slaughter house with a few psychological parlor tricks and a controlled opposition? Have you no brains at all, or have you lost them together with your ba***?

The Keys to White Survival in the 21st Century

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I am deeply concerned that Whites are being deliberately misled by the White Nationalist and Libertarian movements to pursue policies which can only result in the eventual demise of White People. I will begin with the push for secession.

White People should never concede land. Instead, Whites should increase their holdings of land, for many reasons, several of which will be addressed below.

Rather than seeking to balkanize America, Whites in America should secure the territory and then go to war against the Jews who are Bolshevizing Canada. Then we should bring Canada into the fold through annexation, so as to prevent a massive immigration of Asians and Africans into our Northern borders, and so as to increase our gene pool.

If Whites are duped into secession, Asians and Africans will flood into our new neighboring countries. The Jews will cut us off from the money markets and will cut off our supplies of oil and food. We will not last one generation. And then all our land on the American Continent will be lost.

Our primary objective must be to secure the health of our genetics. Land is vital to this necessity of our long term survival. If we allow neighboring lands to become polluted and the land to be raped, our lands will turn into desert. Our water, air and soil will poison us and our genes. We

must claim as much land as we can so as to preserve it, and thereby, preserve our genes and our living environment.

The vast territory of America and Canada provide us with tremendous military advantages which would be immediately lost upon secession. We would no longer control both coasts and all our borders, but instead would immediately see a wave of immigration that would present us with a billion enemies on our shores. It is the height of insanity to consider giving up our nearly ideal military advantages as a concession to our enemies, rather than destroy those enemies and preserve our natural advantages.

If Whites secede, or even begin to seriously discuss the process of secession, we will become Palestinians negotiating with the Jews over how much of our own land we are permitted to live upon. Rather than talk of a two State solution, the World should drive the Jews out of the Palestinians' lands. Such concessions are suicidal. The Jews will relentlessly push the massive populations they will import to America to takeover more and more of our land and will eat us alive, just as we did to the Native Americans. This ridiculous and suicidal talk of secession is a call for us sounding from our eternal enemies to place ourselves on reservations that will shrink until gone.

We will lose our industry and our farmland, as well as our bicoastal infrastructure. Our military will go to our enemies as will our military secrets, which are all known to the Jews. It will become easy for our enemies to launch and wage war against us, and they will have an easy time engaging in biological and ground attack, as well as maintaining air bases on our immediate borders from which to attack us.

Our allies in Europe will no longer look to us for support, nor provide it to us, because we will have become pathetically weak and a liability for them, rather than an asset. Europeans will also grow weaker as European Americans lose power, and so become a weaker ally to us in a vicious cycle of mutual degradation.

Some of those pushing for secession are also encouraging the idea that Whites ought to adopt an Amish type of lifestyle, in an age where a technologically advanced society can destroy such a group in a matter of days, if not hours. On the other end of this nihilistic, Bolshevistic scheme of rotten advice, the Libertarians are advising the wealthy to abandon all social responsibility and wage class warfare on those who work for them. It is a deliberate push from above and below to destroy all classes of White society and render us impotent and completely uncompetitive within a few decades.

We should instead be building state of the art universities and securing our technologies as our property alone. We should be training our children to out think and out compete all others in every field. We will need our people to save us from the toxins and genetic damage we have endured under Jewish rule. We will need the genius of our people and the advanced technologies they can create to enable us to defeat our enemies and to prosper and out compete all others. Yet these supposed leaders of our resistance want to turn us into a balkanized branch of a banana republic hacking our way through jungles of inferiority with dull machetes as the Asians eat us alive with their advancing technologies and numbers. These leaders are Bolshevizing you, Whites. Listen to them speak of their histories and hear how so many of them come from radical liberal backgrounds. They are a form of neo-Con Trotskyite turned hard right

and their goal is to dupe you into destroying yourselves.

The primary necessity for White survival is the preservation of healthy and productive White genes in a land that promotes that health and productivity. We need clean and healthy territory to grow our populations and preserve them while increasing our genetic pool. The Jews are spreading radioactive materials around the globe. The Jews are passing legislation that fills our bellies and our genes with toxic chemicals and GMOs. We need to secure as much land as we can so as to secure our living space and its natural purity, as the Germans say, "Blut und Boden."

We need to progress our technologies so that we can improve our genes, and undo the damage that is being done to them. We should become the most advanced society, not a third world crap hole with no future and no past, as our benevolent leaders would have us become so as to favor the Jews' plan to exterminate us.

Our children should be our primary concern. We should be filling them with pride in our heritage as Americans, not shredding our national identity. We should give them a stable environment, not displace them and tear their nation to shreds, placing us all in Trotsky's perpetual war.

The time and effort it would take to secede and march into disaster could instead be spent securing our power and increasing our majority by any number of means. All this insane and inane talk of secession distracts us from the real work we need to do in order to survive the Jews' quest to annihilate us.

We should instead be building our own factories and universities, increasing our civilization, not tearing it down according to a Bolshevik script masquerading as if a White Nationalist rescue plan. If Whites want to create a colony, let them do so by starting a university which they accredit and whose graduates find ready work among Whites, not a pastoral Utopia destined for disaster. Let Whites create a college town, or an automobile factory. Let them fill their ranks with lawyers, engineers, scientists and teachers to defend us in our own society against our internal enemies. Let us progress passed our enemies, not hamstring ourselves by trying to step back into a previous century, or pitting poor against rich and rich against poor.

There is no problem in our way that we cannot easily solve, which will inevitably cause America to disintegrate. If there were, you wouldn't see the Jews' puppets iterating their Bolshevik scripts to deceive you.

Build our nation, don't abandon it, or you will be stepping into the worst trap the Jews have ever set for Whites, and from it there will be no return.

We must stop eating poisoned foods which harm our genes. We must stop surrounding ourselves with toxins and radioactive materials and exposure to radiation. We must develop a better understanding of how genes replicate and heal themselves. These are key to White survival.

We must secure and expand our territorial holdings and improve and purify these lands. We must assist others to improve their lands and the general environment. We have to value land and blood as the elements of our existence and our survival.

We must educate our own children so as to instill in them a sense of pride, self worth and purpose. The time spent on Bolshevik secession propaganda could instead be spent creating educational materials for our kids which will improve their competitive advantage in the world. We must out compete others and gain political control which will enable us to control the demographics of our lands to favor us. We must cease handing over our technologies and educational institutions to foreign competitors. We must secure our borders from demographic changing immigration.

We must assist Europeans in securing their borders from demographic changing immigration, and cannot do so by ourselves reducing our borders to uncompetitive shadows of their former selves. These things are very easy to accomplish, far easier than would be any attempt at secession. The end result will be the success of our future generations of Whites as opposed to their inevitable slaughter.

Sanctuary for Syrians of Armenian Descent

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

If they have not already done so, the Armenian Government ought to offer sanctuary to Syrians of Armenian descent. I have a bad feeling that they will become targets of the Mossad death squads, which will increasingly roam Syria. The Jews will scapegoat the Muslims for these attacks. Kurds have slaughtered Armenians in the past and plundered their wealth. Saudis are crypto-Jews going back to the old hidden Jewish kingdom of Happy Arabia. Please take some action to safeguard these Christian souls from harm, and do so quickly!

Chopping Off Heads Is a Recognized Jewish Form of Execution

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Jewish law establishes the cutting off of heads as a preferred form of execution, among others, and is the prescribed form of execution for those who do not abide by the Noahide laws. Christians are specifically named as destined for this form of Jewish punishment in the Babylonian Talmud, Tractate Sanhedrin, folios 56a-60b, (see also: Sanhedrin 20b; 88b; 97a-99b; 105a).

In the French "Revolution", the Jews made efficient use of the guillotine to carry out this Jewish

punishment on Christians. The same occurred in the Jewish genocide of Armenian Christians.

Today, we see the Jews chopping off the heads of Syrians and chasing all Christians from the Middle East. They want to purge the region of all Christians, and especially enjoy murdering Armenian Christians, many of whom reside in Aleppo and in Lebanon. The Jews will slaughter these innocents in the near future. Where are the Armenians supporting their brethren?

It is all so sickening and sad to watch. It seems none of you care about the horror the Jews are inflicting on our fellow human beings, at least not enough to raise a finger to help them.

My late friend George Apelian came from Aleppo, Syria. I have not forgotten you, George, or my pledge to you. I will do all I can. I need others to help.

A Hidden Bloodbath Is Coming to Syria

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Mossad mass murdered Iraqi scientists, teachers, doctors and other professionals,

especially in the Kurdish regions of Northern Iraq, including Kirkuk. Expect them to do the same in Aleppo and Damascus, so as to create a power vacuum to be filled by Kurds, Jews and Freemasons.

The Kurds Are Ancient Slave Warriors of the Jews, Who Perpetually War on Their Neighbors to Provide Plunder and Protection for the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews often subvert the Goyim, the nations, by converting Goy kings to Judaism. The Emperors of Rome and the Kingdom of Adiabene provide ancient examples. More recently, the Khazar King converted.

The Rabbis told many stories of secret Jewish kingdoms hidden in Asia, Arabia Egypt and Ethiopia which are recounted in Eisenmenger's masterwork *Traditions of the Jews*, Volume 2, pages 140-180. Eisenmenger discounts these stories as myths, but they were not, beyond the false histories of the Lost Tribes of Israel and the River Sabbation.

At and around the time of the Jewish expulsion from Spain at the hands of the crypto-Jew

Ferdinand, the Jews sent corrupters from the secret eastern Jewish kingdoms to Portugal. The crypto-Jewish secretary of the King of Portugal set out to convert the King of Portugal to Judaism, as well the Pope and other Kings of the Goyim of Europe. At or about this time, Portugese settled in Calicut, India, one of the centers of the secret Jewish kingdoms in the East. All this is recounted by the Rabbis. It was the time when the Jews sought to convert all of Catholicism, and all the rest of Christendom, to Judaism through the Reformation and other heresies.

Much of this, and the Zionism and the appearance of Cabbalah which attended it, came from the hidden Eastern kingdoms of the Jews. The Kurds safeguarded these hidden Jews, who were fat off the riches of the spice trade and had much gold and silver, which they held in hopes of filling the new Temple with this treasure. This gold later funded the banking Jews of Italy, Zevi and Frank, and the Del Bancos / Warburgs and Rothschilds. Zionism spread early from these secret Jewish kings westward. The false Jewish messiah and prototype for Shabbatai Zevi, David Alroy was a Kurdish Jew who sought to take Jerusalem, and who led a rebellion against the Persians, read Iranians.

The Jews are currently using the Kurds to foment revolutions in Syria and Iran. They had previously used them to foment revolution in Iraq, and perpetually use them to agitate Turkey and keep the Sabbataians in power in Turkey.

For thousands of years, the Jews used the Kurds to safeguard the "Lost Tribes" imprisoned by the River Sabbation, whose stones supposedly will whirl in bottles then rest on the sabbath, and whose waters likewise rest on the Sabbath. The Jews seek to use the Kurds as a blanket to their

north as they take over Greater Israel. It is an ancient plan, and it is coming to fruition before our very eyes.

Syrians, Arabs in general, Turks and Iranians should expose this Jewish subversion of their nations. They ought to let their people know that these so-called "revolutions" are in fact a crypto-Jewish Kurdish takeover of Greater Israel and a planned northern kingdom of Kurdistan to house the house of Israel while the Jews occupy Greater Israel.

I encourage all Americans in the USA reading this to copy the archives of jewishracism.blogspot.com and create pdf's of the files in order to safeguard the information and use it for research. The Jews are trying to shut it down, for among other reasons, telling you what I have said above. You will not find these truths spoken anywhere else.

Why Is the Emphasis on Surviving in an Apocalyptic World, Rather than Preventing It?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews romanticized war when they needed soldiers for the two world wars, then they

romanticized civil resistence to war, when they sought to defeat America in favor of Communism. And the Americans fought for the Jews, then protested war for the Jews. The Jews romanticized tobacco use, drugs and alcohol. And Americans imbibed. The Jews romanticized casual sex. And Americans became incontinent.

For many years now, the Jews have been romanticizing the horrors of an apocalypse. They have taught you that this is your chance to be free. And Americans are increasingly looking to revolution and balkanization as if the fulfilment of a romantic dream, rather than taking any action to better America. This is by Jewish design and no good will come of it.

The Jews want you to believe that the destruction of America is inevitable and just, so that you do nothing to stop them from ruining our nation. They want you to disassociate yourself from our fatherland so that you take no offense when they insult America, and feel no sense of loss when they speak of stealing your land from you.

Consider the animosity the Jews direct at America today, and how our fathers would have responded to it not so very long ago. When you hear this talk that America is already dead, which is ridiculous on its face, imagine how you would respond if such talk were directed at you personally, and then you will understand how Americans would have responded to it in previous generations.

Imagine that the Jewish pundits all screamed that you are already dead and deserve to be dead. Imagine that they constantly demanded that no one help you, but instead sought to turn the entire world against you. Consider how you would feel if the Jews constantly degraded you and argued that nothing could or should be done to save you, rather everything should be done to

destroy you, because you are already dead. Think of how you would feel if the Jews made it trendy and cool in popular culture to put you down.

Try to put as much thought into defending your political rights as you do into defending your rights to keep and bear arms, and your rights to free speech. Why do you become so alarmed when your right to own firearms is threatened, but disenfranchise yourself each election? It is because the Jews have taught you to romanticize violence and an apocalypse, and to feel that politics is your enemy to be shunned, while they do all they can to dominate politics and exclude you from it.

You can do a hell of lot more with your vote and your service than you can with an AR-15, if only you would join in a political party designed to preserve, honor, defend and better America. Turn off the relentless programming the Jews have targeted at your psyche and defend your nation with your political power, or are you really just a stupid Goy who is not fit to rule yourself in a civil society, as the Jews would you have believe? Are you truly incompetent genetically to take control of your own nation and root out the Jews? If they can control and ruin your entire nation, how do you plan to fight them as an individual?

You must get back to your fundamental dignity as a human being and take control of the country rather than aid the Jews in destroying it, lest we end up like Egypt and Syria, or worse still Soviet Russia and Red China. Stop letting the Jews' Bolshevik programming dominate your thinking and think like an American.

The Kurdish Mossad: Jewry's Fifth Column in Syria

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Why are the Turks helping the Jews to destroy Syria? Why is there so much talk of poison gas? Why has Iran done nothing to intervene in Syria?

The staged attack on the Mavi Marmara was engineered by the Mossad and other elements of the Israeli government to make Erdogan a hero to the Turks and the Arabs. The victims of the attack were Kurdish Mossad agents. Erdogan is also working for the Jews. The Kurdish PKK is a front organization for Mossad and serves the Jewish puppets in Turkey to keep the Turkish people under absolute control.

The supposed revolutionaries in Syria are dominated by the Kurdish Mossad. The talk of poison gas is not so much meant as a threat to Turks so as to justify their inexplicable attack on Syria, though it is that, it is instead more meant to inflame the Kurds, who suffered poison gas attacks when they helped Mossad to attack Sadam Hussein. The Patriot missiles sent to Turkey are part of a deal to create Kurdistan across Northern Syria and Northern Iraq, and provide security to

Turkey in that event.

Kurdistan, which will be an Israeli puppet regime, will provide another route to Israel for oil from the Caspian Sea, thereby lessening dependence on Azerbaijani, Turkey and Georgia; especially in the event of war between Russia and Turkey. Armenia will become increasingly isolated as all Christians are purged from the Middle East.

Iran will become an increasingly significant country to the Jews as these events unfold, and will be pulled toward the south to harm the flow of oil from the gulf, as Egypt, Somalia, Sudan and Yemen threaten the Red Sea. Turkey will be pulled north by Greece and Russia. All roads west from the Caspian will lead to Israel through Kurdistan and the Kurdish Mossad will attempt another Gangrene revolution in Iran. Should that fail, the Kurds will act as intermediary between the Jews and the Iranians, as the Jews continue to pit Americans and Iranians against each other.

The Jews plan to carve Greater Israel out of Egypt, Syria, Lebanon, Saudi Arabia and Iraq, and Kurdistan will form a very comfortable neighbor to the north. Displaced Arabs will flow through Jewish controlled Turkey to Jewish controlled Europe in search of employment and political freedom. But where will the Jews come from to populate this monstrosity of Greater Israel? I will have more to say on that later.

The Gullible Goyim of Gollygee, a Short Story of How Evil Triumphs When Good Men Do What the Jews Tell Them to Do

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Once upon time, in a land not so far away, the Jews fled to the prosperous and beautiful Land of Gollygee. The Jews' King Emanuel rode in a gold gilded limousine from the bustling harbor to Castle Gollygee where King Kind greeted him with an affectionate hug, and then returned to his throne to drink a hearty toast to King Emanuel. The Parliament joined in the toast.

Whitless Twit sat near King Kind watching and wondering what it would be like to be king. He was not overly bright and he thought mostly of the women he would rape and the gold he would confiscate. A bit of drool wound down his deformed chin and dripped onto his coat.

The Jews had been expelled from every nation on Earth. Jews from the four corners of the Earth all came in search of a new home among the naive residents of Gollygee. Jews had not been allowed in Gollygee for centuries and crypto-Jews had carefully burned all the old books warning of the danger of the Jews. The gullible Goyim of Gollygee had long ago lost their Jew memories and their nightmares had turned to sweet dreams come true.

King Emanuel folded his cloak across his chest so that his prayer shawl would not toss in the

wind. He pointed a gnarled, bony finger at the crowd of Parliamentarians of Gollygee and began his speech,

"All that is necessary for the triumph of evil is that good men do nothing! Your good King Kind has taken us in and the evil men of the world have lost their war to exterminate us. The Jews are eternal! As a token of our thanks, we have loaned King Kind and Gollygee all the gold it needs to wage war on the haters of the world and triumph over the evil of anti-Semitism. Good men of Gollygee, take up arms and go to war against the Jew haters!"

The goblet fell from King Kind's hand and bounced noisily off his throne and down onto the marble steps beneath him. King Emanuel snatched it up off the ground and placed it near his aquiline nose. He wanted to catch a whiff of his victory. It smelled like Goy blood. The poison King Kind's crypto-Jewish advisor had poured into his wine began to take his life. He suffered a brief moment of confusion, as he had accepted no such loan from King Emanuel, then his body folded over and he fell to the ground dead.

King Emanuel could not help but broadly grin. He triumphantly held the dead King's cup high and declared,

"The enemies of the Jews have poisoned King Kind! Leaders of Gollygee give us your gold, your silver and your jewels, that we may buy you the weapons of war you need to avenge your King!"

Wagon loads of weapons were already rolling off the docks of Gollygee. A crypto-Jew in the crowd ran up to King Emanuel and handed him his golden, jewel encrusted rings and necklace. "Here, take this great Jew. It is all I have to give and I give it all. The sooner we crush the Jews

haters, the better it will be for all good men!"

Few noticed that the heavy jewels all bore the Star of David. King Emanuel feigned a tear and wiped his dry eye and his smirk, "Good men are always the first to act and they cannot be fooled! We will buy back your freedom and your honor with this gold and with the blood of the anti-Semites who killed your King!"

Many more in the crowd rushed forward and stripped themselves of their jewels, placing them in a velvet lined chest which seemed to have appeared from nowhere on King Kind's empty throne. No one noticed that his lifeless body had already disappeared. "I can see that the Jews have found a proper home here!" King Emanuel shouted, overcome with joy at the success of his plan. The Jews all laughed and nodded in agreement. "So many good men to serve us," one said and the others nodded.

Whitless Twit slid down from his seat and entered the crowd. They had all formed into small circles of men, each with a Jew at its head telling them what to do next. A crypto-Jew screamed as loudly as he could, "Whitless Twit shall lead us!" Other Jews echoed the declaration, and added, "Yes, Whitless Twit, he is a good man!" Soon, the leaders of Gollygee joined the chant, not really knowing why. Before long, they cheered for Whitless Twit to be the new King of Gollygee with still more enthusiasm than the hoarse Jews.

Whitless Twit ascended the throne of Gollygee and King Emanuel placed a crown upon his head. King Emanuel raised his voice to a thunderous roar and said, "Good men of Gollygee, evil will triumph if you do nothing. Go and kill as many evil men as you can! King Twit, you must go to

war and declare it now!"

King Twit was eager to utter the line he had been told to say on cue, "Golly gee, Jew! I never thought of that. We good men will do it right away! Our enemy is evil and it is our duty to kill them." Crypto-Jews in the crowd parroted the silly lines verbatim, and soon the somewhat shocked Parliamentarians of Gollygee found themselves saying these same words. It made them feel smart and honorable when they said it, better than those few who began to look about in uneasy silence as their world began to crumble under the destructive weight of Jewish influence. The leaders of Gollygee were certain they were doing the right thing when they declared war on the world, which was anti-Semitic. They knew they must do the right thing and destroy the anti-Semites, lest evil triumph, though they had never thought of this before the Jews had told them to think it.

The people of Gollygee had been Jew free for almost a thousand years and they were genuinely good people. Every man fit for military service from age thirteen to seventy-five enlisted and went overseas to fight for the Jews so that evil would not triumph. They took great pride in the fact that not one healthy baby was born in Gollygee for the twenty years the war lasted. The good men were all out fighting the good fight.

The best and most courageous of them all died. The last of the soldiers were mostly wounded and psychologically ruined ghosts by war's end. Crypto-Jews had stolen plans from the enemies of the Jews to make a new biological weapon which would enable them to win the war from behind the shores of Gollygee. They murdered the scientists who had developed these weapons.

King Twit stood before Parliament, now mostly composed of Jews. Jews were all exempted from military service. The Jews had convinced the Gollygeeans to worship their Jewish god and to believe that Jewish blood is divine and must never be spilled in war, lest the luck of Gollygee run out and turn into a curse. King Twit even said, when donning the robe of head of the Church of Jew Worship, "Golly gee, Jews! I never thought of that before you saved my soul. I am born again to serve you. We good men will fight for you like Esau should! Your enemies are god's enemies, the evil anti-Semites, and it is our religious duty to kill them all."

Jews began wandering through crowds of the gullible Goyim of Gollygee mumbling, "Good men kill all anti-Semites!" and soon all the good citizens of Gollygee mumbled the phrase daylong, as well, long after the Jews had ceased. They each decided to make it their life's work to kill off the anti-Semites so that evil could never triumph. They told themselves that evil could never triumph if good men acted to stop it.

The good women of the gullible Goyim of Gollygee worked diligently in hidden laboratories developing the biological weapons which targeted the many types of non-Jews left in the world. They discovered ways of safeguarding Jews from these agents of death. When their work was done, the Jews began to mumble, "Good men die to live. We must die to become Jews. So says God."

The "Honey Dust of Life" the gullible Goyim of Gollygee voluntarily and eagerly spread all over the world soon killed off all non-Jews. On the Day of Triumph, King Emanuel had a ladder brought to the back of King Kind's throne. He climbed it to the apex of the throne and unceremoniously piddled onto the seat.

After he had climbed down, he gave a brief speech, "Beautiful Jews, the gullible Goyim are gone! They never figured out that it is not enough for them to do nothing for us to triumph! They also had to work hard obeying us for us to win! Every subversive political thought they ever had we put into their good heads and they struggled with all their might to serve every one of our evil purposes, thinking that it was good because we Jews told them it was good. But I don't thank them. The Goyim had no choice but to obey us, because they never once thought through for themselves what we told them to do. They just agreed to it because they were stupid animals created to serve us and God blinded them to the truth. There is no one better at doing evil than good Goyim. I'll give them that, they had more talent for hard work than us, as a good slave should." King Emanuel gestured with his hand to the soiled seat of King Kind's throne. "There, you see, the piss of a Jew is greater than an entire Goy kingdom, because they always and only do as we tell them to do."

The moral of the story is that evil always triumphs when good men serve the Jews. Good can only triumph over evil when and where the Jews have no influence, for they will always try to steer good men into performing acts of evil in the name of good, and are nearly always successful.

By way of deception they do war on you, and they are winning, because you unwittingly help them thinking yourselves the brightest and the best of the good. Republicans, Democrats, Libertarians, Christians, Muslims, etc. are all under the direction of the same evil Jews and all work to destroy America for the good of the evil Jews, and all have good men doing evil deeds in the name of good, so that the Jews triumph over normal human beings.

It is not enough to be good. You also have to be smart and rid yourselves of the Jews and the belief systems they feed you as poison in a candy wrapper, or the clever Jews will continue to twist your best intentions into the most heinous and destructive acts imagined in their perverse brains.

Beyond that, in a 50/50 world of good and evil, the Jews are always willing to lend their foul souls to the House of Evil and ensure that it eventually profits from all betting.

What Lies Behind the Glittering Generality "End the FED!"

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The blind slogan "End the FED!" is the battlecry of the Libertarian goldbugs, but what does it really mean? Libertarians, like their Communist cousins, form a controlled opposition to the bankers. It is important to peer through their hollow jargon at the demons lurking behind it.

Our currency is based on debt and its status as legal tender for all debts. "End[ing] the FED" for

the Libertarians also means adopting the gold standard. Under the Libertarians' plan, that means the national debt must be paid off in specie payments of real gold. Though the current money supply is potentially unlimited, the supply of real gold available to the government of the United States is limited to its, read our, national gold reserves.

Should we now convert from paper currency based on debt and legal tender status to a gold standard, we will be asked to pay on government bonds in real gold. The Jews will have first dibs on this gold, as they as have in the past when they have duped governments into adopting a gold standard.

For no sound reason whatsoever, and completely unnecessarily, the government will immediately hand over all of our national gold reserves to the Jewish bankers. The government will then confiscate all gold held in private hands in order to make further specie payments to the bankers.

As the gold reserves are depleted, the Jews will hold all gold out of circulation increasing its value. The government will sell off all our national lands and large portions of our military hardware to the Jews in exchange for gold which will then be immediately given back to the Jews, if it indeed ever leaves their hands, as specie payments.

After all our gold is given to the Jews and after all our lands and national property are given to the Jews, the government will beg the Jews to borrow from them electronic gold credits for gold which nowhere exists, but which must be paid back in specie, that is real gold bullion. The Jews will then own our nation in debt slavery for all future generations.

The *POWER PARTY* will "End the FED!" by repudiating the debt owed to Jews as the product of a fraud, which requires no repayment. The government will assume the powers of printing and circulating currency and will provide loan capital. The government will confiscate Jewish held gold and will not give away any of our national gold or lands.

Americans gave the Democrats Obama on the meaningless slogan "Change!" and he immediately gave the Jewish bankers trillions of our dollars. Do not be so foolish with the Libertarians and their slogans as to give away our nation and our future.

Contradistinguishing the NSDAP, Anarchists and the Libertarians

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Hitler felt drawn to what was to become the NSDAP by the monetary and economic lectures of Gottfried Feder, a man who recognized the dangers of a gold standard and the importance of loan capital to a healthy economy. The NSDAP came to power through the electoral process, not by means of revolution or anarchy. The National Socialists were well organized, well funded and did not hide their beliefs or intentions.

They recognized the Jew as the chief problem of the State, the land and most importantly the Folk. They never confounded Jewish corruption with German nationalism. They recognized that the only solution to the problem was to remove the Jew from influence in Germany. They glorified the German Nation and the German People and sought to expand Germany, not secede, Balkanize or create civil war in Germany. The NSDAP repudiated unpayable debts and created a sound currency. The NSDAP rejected class struggle and advocated class unity and equity as a Folk. As a result, the NSDAP was able to regenerate the economy of Germany in a very short time, a period during which America stumbled along in depression.

Compare this set of productive NSDAP policies with the destructive and nihilistic goals of the Anarchists and Libertarians in America. They pretend to be patriots, but denigrate America and Americans at every opportunity. They pretend to be Constitutionalists, but degrade the Founders and cherry pick and misinterpret the Constitution in ways which grant the Jewish bankers the means to steal all wealth and ruin the land, while preventing the People and the Government from defending the Folk and Fatherland from the bankers. They drain the funds of their membership and keep them from their work, rather than funding their membership and providing them with gainful employment.

Should the anarchists and/or Libertarians gain a mandate in America through their deceits, they would be unable to match the successes of the NSDAP. Instead of improving the land and infrastructure, they would rape the land, destroy industry and rob our gold reserves. They pit poor against rich and rich against poor. In the disorganized aftermath of their coup, the rich and organized would rule the day. As was the case in the post-revolution Soviet takeover of Russia,

foreign intervention, money and organization would control the battlefield and the vast masses of people would suffer extermination campaigns, poverty, starvation and unemployment. There would be no governmental restrictions on the exploitation of the land or the people and everything would come under the absolute control of the Jews, who are wealthy and organized and whose genocidal objectives are clearly stated in the Jewish supremacist Old Testament.

We require the power of the State to remove the Jews from undue influence. The power of anarchy and chaos always favors the Jews, because they are international, organized and wealthy; conditions which always enable the Jews to rule over nations thrown into chaos and/or anarchy. It was Jewish money and organization which enabled the Jews to take over Russia, that and the assistance of stupid Russians who believed false Jewish promises.

Destroying the government, creating hatred of America and Americans, and creating a State which has no power to hinder the Jewish bankers will only grant them absolute power and complete control over our nation enabling the Jews to destroy it in all its aspects, people, land, economy and government.

The NSDAP demanded and created a powerful State with the means and ability to create and control currency and loan capital. It generated national and folk pride, and it constrained the Jews. Only in this way was it able to mobilize the talent and the genius of the German People to perform an economic miracle in a comparatively small territory not especially rich in natural resources other than its native genius.

Libertarianism and Anarchism contain no such recipe for our success, for theirs is a recipe for an absolute Jewish takeover of America and represents the polar opposite of the best aspects of

the NSDAP. They advocate the destruction of our country in favor of Jewish money power. They would turn us into balkanized third world cess pools at constant war with each other, as they rape our land, steal our gold and generate enemies of us around the globe. They are already forwarding these destructive objectives and never are they so vocal or genuine as when they express their visceral hatred for America and the American People.

How could Americans who hate their fellow citizens, hate their nation and its history, and only pursue psychopathically selfish interests, ever match the accomplishments of National Socialism? What would be left after their takeover other than fertile grounds for Jewish exploitation?

As Middle Eastern Christians Vanish, the Dome of the Rock Is in Danger

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews want to build a "third" Temple on the site of the Dome of the Rock. They want to reinstitute animal and human sacrifices on the site, and to fill its foundations with all the gold of the World.

The Babylonian Talmud iterates three priorities for the Jews upon invading the land of Palestine, which are based on the genocidal Old Testament. The Jews must establish a King, exterminate the Amalekites, and build a Temple. Tractate *Sanhedrin*, folio 20b, states in the relevant part,

"It has been taught: R. Jose[26] said: Three commandments were given to

Israel when they entered the land; [i] to appoint a king; [ii] to cut off the seed of Amalek; [iii] and to build themselves the chosen house [i.e. the Temple] and I do not know which of them has priority. But, when it is said: The hand upon the throne of the Lord, the Lord will have war with Amalek from generation to generation,[27] we must infer that they had first to set up a king, for 'throne' implies a king, as it is written, Then Solomon sat on the throne of the Lord as king.[28] Yet I still do not know which [of the other two] comes first, the building of the chosen Temple or the cutting off of the seed of Amalek. Hence, when it is written, And when He giveth you rest from all your enemies round about etc., and then [Scripture proceeds], Then it shall come to pass that the place which the Lord your God shall choose,[29] it is to be inferred that the extermination of Amalek is first. And so it is written of David, And it came to pass when the king dwelt in his house, and the Lord had given him rest from his enemies round about, and the passage continues; that the king said unto Nathan the Prophet: See now, I dwell in a house of cedars etc.[30]"

The Jews have their king. Now they seek to exterminate the Amalekites, in this generation, the Christians of the Middle East, specifically the Armenians. When the Christians are gone, which will be very soon, the Jews will blow the foundations out of the Dome of the Rock and begin constructing their temple to the devil.

I tried my best to warn the Armenians that the Jewish Genocide of Armenian Christians is an

ongoing process and I repeatedly asked for help to go to war back against the Jews. I specifically warned them, and everyone else, that the Jews would overthrow the Arab nations, destroy Iran, make Turkey the most powerful Muslim nation to mislead the rest, remove all Christians from the Middle East, genocide the Armenians and remove Armenia from the map, and build a Temple on the site of the Dome of the Rock. I warned that Russia would betray the Muslims, as would China, and that the Kurds and Turks were in bed with the Jews and would help the Jews to ruin the Arabs and Persians.

If people had heeded my warnings five years ago, we could have created State sponsored media around the globe to combat the aggressive Jews. We could have prevented the "Arab Spring" I specifically predicted and warned against. But, alas, none would help, and now all will suffer.

The Jews are today in an infinitely stronger position than they were then. Armenia, and the rest of the Christians in the region, are today in an infinitely weaker position today than they were then. Things are rapidly getting worse for the Gentiles, and better for the Jews. As far I am concerned, the Middle East is now a lost cause. We could have saved it, but no one would help.

My predictions for the Middle East have either all come true, or are in the process of coming true. I hope that people pay greater heed to my predictions for America and Europe, and begin to act to counter the Jews. The Jewish plan is to exterminate us and they can accomplish this very quickly with today's technology. They have already done terrible damage.

Armenians, Do What You Can to Preserve the Evidence in Syria

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I urge Armenians to do what they can to safeguard the evidence of the Armenian Genocide in Syria. Of course, safeguarding the living Armenians is infinitely more important, but it will also be necessary to try to preserve the evidence. The Jews, Turks and Kurds are eager to destroy any traces of the Armenian Genocide in Syria, including the living Armenians, the remnants of the "Amalekites" the Jews sought to exterminate.

The Arabs treated the Armenians well. That umbrella of protection is probably about to disappear. I would not be surprised to see important sites bombed in the near future, with the intent to remove the history not only from books, but the ground itself.

I Would Like to See "The Jewish Genocide of Armenian Christians" Printed in 2013

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

In 2012, the Jews completely censored my website jewishracism.com. I had posted my book *The Jewish Genocide of Armenian Christians* on that website and had offered it for free as a pdf for all to download.

Now that the Jews have censored it off the web, I would like to see the book printed. Over the years, many have offered to print the book. I always preferred that it be available for free, but now think it would be a good idea to put it into print. Scores of people have requested a printed version.

I would especially like to see the book printed as volume one of my proposed *Encyclopedia of Jewish Genocides*. It would be helpful to have reviews published and to have a forward by a famous person added to the book.

Jewry's Slaves: The Christian Zionist Problem Must Be Addressed

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews are presently creating the illusion that minorities have taken over America. They do this, in part, to make Whites feel dispossessed. They do this, in part, to make minorities feel empowered.

In reality, the Jews are covertly leading and directing the thoughts and actions of all factions of Whites and nonwhites. The Jews want the Whites to think about revolution and secession and the nonwhites to relish in the thought of making America theirs.

The Jews plans have resulted in a temporary ebb in Christian Zionist power. We have a brief window of opportunity to wage a campaign of enlightenment to wake up the Christians Zionists, who pose a grave threat to humankind, and who will remain an extremely dangerous tool of the Jews, if we do nothing to educate them.

The Jews plan to use the Libertarians and White Nationalists to bring on the disintegration of America along racial lines, which will render the Christian Zionists masters of the Whites, and, hence, Jewry supreme over American Whites to a degree never before seen even among the Jewish dominated Puritans.

At the moment, however, the Jews' focus is on making the nonwhites feel supreme, not on

making the Christian Zionists all powerful. This creates an opportunity for us to reach CZ's and show them the error of their ways.

We must use a two pronged approach. On the hand, we must mock and ridicule the CZ's as slaves, traitors, devil worshipers, anti-Christ, stupid, un-American, sexually degenerate in their leadership, un-Christian, etc. We have to make them own the horrors and hate they sponsor when they sponsor and slave for the Jews. Make them own the damage they are doing to our DNA and land as they farm for the Jews. Make it very uncool and unpopular to be a Christian Zionist. Jews and minorities will help us achieve our goals. It is their nature and in their perceived self interests to do so.

On the other hand, we must offer the Christian Zionists a positive alternative to the constant message of death and destruction they hear from the Jews. This message should be the glorification of their European heritage and culture and the importance of family and country. We have to get them busy working on positive projects, rather than cheering and jeering for the Jews and for wars and apocalyptic death. We have to build European centers around America offering activities that benefit our people and scholarships to educate them. We need universities and campus towns where our young can meet and carry on our culture in a positive environment. CZ's have already constructed some of this infrastructure and feel good doing this work. We must channel them away from the Jewish culture of death and genocide and into life building and affirming work.

It is human nature to choose life over death, and the Jews' brainwashing runs contrary to the nature of these Whites. With just a little access to these people, we can turn them to embrace the

truth, as the lies the Jews have told them are so easily refuted. The conditioning can be easily reversed, but we must take advantage of this brief opportunity, because the next crisis will make our work infinitely more difficult as the Jews try to unite Whites around the CZ's and render them the leaders of White areas and communities. CZ's control our food supply and are helping the Jews to destroy it.

Propaganda of the Deed and Revolution Provoking Repression

Christopher Jon Bjerknes

I have explained in the past that though the Jews pose as if friends of the working class and poor, the Jews do everything in their power to cause the working class and poor to suffer so as to provoke them to revolution and anarchy. Jews do not initiate strikes to promote workers' interests. Jews initiate strikes to weaken society to the point where government and industry are forced to take repressive measures, which promote more strikes in a vicious cycle leading to a break down of society and revolution.

The Jews famously did this in Russia leading up to the revolutionary actions of 1905 and 1917. They did it in Germany during and after WW I. They did it in Great Britain to the point where the British, the British mind you, became anti-industrial.

This never betters the lot of the worker. It is key to understand that the Jews do not want happy workers. The Jews want revolutionaries (and secessionists) and their goal is to make your life miserable so that you revolt and destroy your own nation so that the Jews can take it over and enslave you.

In my book *The Manufacture and Sale of Saint Einstein* I quoted many Socialists who have admitted these facts. I will now focus in on the use of violent acts intended to justify repressive measures, which in turn foster revolution.

The genocidal Jew Emma Goldman, who tried to convince Whites to stop breeding, was one such advocate of "propaganda of the deed". She plotted the murder of Henry Clay Frick. The use of violence to force repressive measures, which then inspire revolutionary action is advocated more recently in Carlos Marighella's *Mini-Manual for the Urban Guerrilla*.

I believe Jared Loughner's attempted assassination of Gabrielle Giffords was such an act of "propaganda of the deed". It may be that Sandy Hook and several other shootings are a part of a larger pattern of such attacks, which makes the Jewish origins of shooters, victims and political players (before, during and after the attacks) relevant and of pressing concern.

There is another aspect of the "propaganda of the deed" which makes it especially effective in the hands of the Jews. The Jews control the media, State and international response to the acts

of terror they perpetrate.

While many of you may think that the Jewish controlled media response and the State response to these shootings is geared toward eliminating gun ownership, I strongly suspect it has the opposite intention. The Jews know that when they scream at a fevered pitch for gun control, there will be unprecedented sales of guns, ammunition and high capacity magazines.

The Jews want to arm you to kill one another and destroy your government, by provoking you to arm yourselves and by creating the incentives for you to do so. Concurrently, the Jews provide the repression needed to spark an interest in you in revolution, and in recent times, Jewish led calls for destructive secession in America. I believe they are also behind much, if not all, of the terror which initiates the process.

But regardless of whether you agree on the last point or not, do not let the other considerations escape your close attention. The Jews are not trying to disarm you. Rather, they are trying to lead you into arming yourselves so that you will kill each other and create more acts of violence which will lead to more threats and acts of repression, which will lead to revolution. They want you well armed when this planned revolution occurs so that you do as much damage to your own people as you possibly can.

The Jews' goal is to make your life hell so that you will tear down your society and destroy your government, as you ruin your own life and the lives of your fellow citizens, all in the name of freeing you and bettering your lot in life. Paradoxically, proposed and/or pending gun control legislation is the best means of increasing gun sales, and the Jews know this and count on it. The

genocidal terroristic Jews do all this to provoke a Jewish revolution that will destroy everything you have, and they want you to embrace this path towards death with all the Jewish romance of death of a good Jewish Hollywood war movie.

Don't you agree that it would be wise to start thinking about making political war on the Jews to rescue America from the Jews, rather than embracing their hatred of America and our governmental system? Hadn't we better arm ourselves with a political party and political leaders who openly declare war on Jewry? Is it not our duty to use the political process to unseat Jews from their tyrannical reign over us?

Whites, the Jews Want to Palestinianize You

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

White Nationalist leaders are doing their best to lead Whites into a trap. They want you to balkanize America and retreat to reservations on your own national lands. This will involve negotiations which may well spark wars, but which will of necessity reduce your power and

place you in perpetual conflict with new neighboring nations that will become heavily populated with Asians and Africans.

Far from granting Whites autonomy from the Jews, these reservations would become dominated by Christian Zionist zealots. Whites would suffer a tremendous power vacuum and the Jews would pour in money to treacherous crypto-Jewish preachers to turn White lands into religious fanatic communities slaving for the Jews, as were the Puritan communities the Jews used to colonize America. The witch trials would soon commence and any opposed to the Jews will be slaughtered.

The failing Republican Party hurts the Jews to the extent that it is dominated by insanely radical Christian Zionist fanatics. You are playing into the Jews' hands by encouraging Whites to come increasingly under the control of this block of deluded zealots.

Blacks and Latinos are NOT standing in your way in your struggle against Jewry. Do not make the mistake the NSDAP made by attacking Poles, Ukrainians and Russians, all of whom hated the Jews and wanted to see them removed from their nations. Neither Hispanics nor Blacks have any love of Jewry. Jews have consistently screwed the Blacks and Latinos are heavily Catholic and so have an instinctive repulsion to the Jews. Jews and Blacks are heavily concentrated in urban areas, and we can create fault lines in these areas to chase out the Jews from America, rather than helping them to chase Whites out of the cities onto rural reservations dominated by their Christian Zionist puppets.

Start using your heads, rather than your emotions. Study maps and political divisions and come to understand how you are being misled by Christian Zionist, White Nationalist and Libertarian

leaders to serve Jewish interests.

It is obvious that we need to stand and fight against the Jews, not run away. It is obvious that Blacks and Latinos are not standing in our way. Rather, it is Christian Zionist, Libertarian and White Nationalist leaders who stand in our way from waging total war back against the Jews.

Germany is the largest power in Europe and it will not defend American Whites, who never defended German Whites. For any balkanization scheme to have any hope of success, it would require support from Europe which does not exist. Instead, the Jews will have an easy time playing games with European nations as they do with Muslim nations, to use the American Whites they plan to Palestinianize as political footballs to divide Whites and inflame them to perpetual war. In addition, Germans have no sympathy for pathetic Christian Zionist Whites.

We do not only need better leaders, but we also need better soldiers. You must cease being so stupid and swear yourselves to the fight with absolute uncompromised and unending faith, and reject all who refuse to fight as tools of the Jews in one hideous form or another.

Do not let American Whites become Palestinianized. It is a recipe for our extermination written down in the Jews' devilish holy books some 2,500 years ago.

The Jews' War on Whites' Rights to Self-Determination

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The American Revolution was in fact the mortal struggle of White Men to free themselves from the bonds of servitude the Jewish bankers of Europe wrapped round their necks. White Men of the American colonies fought the Jews for their rights to White self-determination in newly formed White territories. The Jews struck back with Jewish banks, and with the War of 1812 and with the Civil War, but White men of America prevailed and preserved our rights, at least in name, if not in practice.

The Jews quickly learned that demographic changes brought on by immigration and the subversion of the normal reproductive habits of Whites would enable the Jews to rob the Whites of their rights to self-determination. The Jews subverted the American Government and the

American thought process and imported millions of Jews from Eastern Europe into America. These Jews took over our press and our universities as well as our government, and waged a constant war on the right of Whites to determine their own fate and the nature of their own society.

The Jews violently oppose the right of any nation to self-determination. All law must come from Sinai and Zion, so spake Isaiah and Moses. All must submit to the Jews and the Jews alone must legislate "morality" to all and it must be universal across the globe, lest the Jews lose their Jewishness in the societies they occupy so as to destroy them. The Jews demand the supremacy not only of power, but also of thoughts and deeds.

The Jews are today aggressively battling against the White Man's rights to self-determination on a national and individual level in America, fundamental rights which are iterated in the US Constitution. It is not enough for the Jews to dominate American politics and discourse. Their noose must become ever tighter and they must choke off all our rights to be ourselves. Our descendants must become creamed coffee browns who slave for "nature" in absolute obedience to Jewish mandates to become unhuman.

It is with sadness of my heart that I inform you gullible "White Nationalists" that your leadership, who recently sold you out to the Jewish Libertarians, are presently dominated by deceitful Communitarians who want to impose a Soviet style internationalism on you by duping you into accepting Jewish Communitarianist ideology in the name of "White Nationalism".

This is yet another Jewish attack on the right of Whites to self-determination. America was created to preserve White human beings rights to self-determination. The present Jewish

inspired rhetoric for secession and revolution threatens to become as destructive to our rights as is demographic changing immigration and government legislation emanating from the Jews, which mandates Jewish "morality" be imposed on Whites and which takes away from Whites our right to determine anything for ourselves in submission to the will of non-Whites as dictated to them by the Jews.

Witness how Whites have lost their rights to self-determination in America since the 1950's and look at who sits on the Supreme Court, in the White House, the Congress, and whose voice speaks the loudest in the press. We must insist upon self-determination and we must practice it. This includes ceasing to listen when Jews tell us how to destroy ourselves with revolution and secession.

America is our country. We built it so that we could rule it so that it would serve us, not to be ruled by it in the service of the interests of a foreign enemy who would rule the World.

White self-determination of necessity requires White leadership serving White interests. White self-determination requires White rule and White law. White self-determination requires White pride and subservience to none. Whites must be loyal to Whites and promote White interests above all others. No one will do this for us. We must do it for ourselves by ruling ourselves and determining our own futures.

This is our right. We won it by force of arms and must preserve it by force of will. The Jews must be removed from our presence for they will never cease to destroy our rights to self-determination.

Jewish rule has always brought us oppression, depression and war. It will always bring only slavery and death.

Never be ashamed to declare and insist upon your right to self-determination. It is your only hope for survival. It is our nation's only hope for survival.

Jewish False Flag Blowback from the Coming Attack on Iran

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

As I have been warning people since 2005, the Jews are planning to attack Iran. Note that the Jews now openly admit this plan and most importantly state that their attack will trigger retaliatory Iranian terrorism around the World, and Iranian attacks on targets of opportunity wherever they may arise.

Undoubtedly, some such Iranian counter-attacks will occur, but the majority of these supposedly Iranian attacks will instead be false flag attacks by the Jews on Americans, Arabs and Europeans. The Jews will dump dirty bombs on us and attack nuclear facilities to poison us, and the Jews will blame the Iranians for these attacks. This will quench the Jewish bloodlust to

murder us, and it will be intended to drive us to drop nuclear bombs on Iran. This could easily lead to a nuclear exchange between India and Pakistan, and quite quickly lead to the Jews' planned global nuclear war.

Revisiting the Cause of Fukushima

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Back on 18 March 2011, within a week after the earthquake and tsunami struck Japan, I posited the notion that the Jews had deliberately triggered these events. I noted that the Jews were propagandizing for Cobalt-60 dirty bomb attacks in the weeks leading up to the attack on Japan:

Why, Why, Why? The Strangeness of Greed and the Irrational Basis Upon Which We Often Make Choices

It is just now coming out in the news that the use of explosive devices to trigger tsunamis is old technology. Shortly after I began to expose the likely cause of the tsunami, someone anonymously sent me purported US military plans to use such weapons at the close of WW II. I had no way of vetting that information, but it fits tightly with what the news is just now

reporting:

World News»Australia and the Pacific»New Zealand'Tsunami bomb' tested off New Zealand coast

I may have been the first to iterate this theory in relation to Fukushima, but years before me, Benjamin Fulford, who has unloaded cart fulls of BS, amazingly stated in 2008 that the government of Japan was threatened with an "earthquake machine":

FULFORD VS. HAARP hi-rez

The very same outlet that was propagandizing for a Cobalt-60 dirty bombs in the weeks leading up to Fukushima, began smearing those who repeated my theory that the earthquake and tsunami were a deliberate attack on Japan and America.

Jewish False Flag Terrorism Against Christians in Syria

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Back on December 21, 2012, I warned that the Jews are beheading Christians in Syria, and scapegoating Muslims and Islam for their crimes:

Chopping Off Heads Is a Recognized Jewish Form of Execution

The Daily Mail has since confirmed my reports:

Syria rebels 'beheaded a Christian and fed him to the dogs' as fears grow over Islamist atrocities

Four years ago, I reported that the Jews literally like to feed their enemies to dogs:

The Jewish Dogs of War

Here is that article:

The Jews have a special dislike of dogs and Goyim. Every morning, the orthodox Jew recites a prayer in which he thanks God that he was not born a Goy, a woman, or a dog (the Jews plagiarize Plato). The Jewish *Midrash Rabbah* (Genesis 36:7) claims that Noah's son Ham had sex with a dog, which is why black people are black. The racist Jews declare that blacks are slaves of their nature.

The Jews like to feed the casualties of their aggression to the dogs. Rabbi Meir Kahane quoted the Jewish *Midrash Tehillim* 22:1, which states:

"Each Jew took his dog and put his foot on the throat of a dead Egyptian and said to his dog: Eat of the hand that enslaved me; eat of the heart that

showed me no pity."--M. Kahane, *On Jews and Judaism: Selected Articles 1961-1990*, Volume 1, Institute for the Publication of the Writings of Rabbi Meir Kahane, Jerusalem, (1993), p. 130. An English translation of the entire text of *Midrash Tehillim* 22:1 appears in: W. G. Braude, *The Midrash on Psalms*, Volume 1, Yale University Press, New Haven, (1959), p. 297.

There is a report that the Jews are again feeding human beings to their dogs, though I have no way of knowing at this time whether or not this report is true:

Killed by Israel, Eaten by Dogs

If true, the Jews are merely carrying on their ancient barbaric traditions. To whit, I *Kings* 21:19, 23-24 states:

"19 And thou shalt speak unto him, saying, Thus saith the LORD, Hast thou killed, and also taken possession? And thou shalt speak unto him, saying, Thus saith the LORD, In the place where dogs licked the blood of Naboth shall dogs lick thy blood, even thine.

23 And of Jezebel also spake the LORD, saying, The dogs shall eat Jezebel by the wall of Jezreel.

24 Him that dieth of Ahab in the city the dogs shall eat; and him that dieth in the field shall the fowls of the air eat."

I *Kings* 22:38 states:

"And one washed the chariot in the pool of Samaria; and the dogs licked up his blood; and they washed his armour; according unto the word of the LORD which he spake."

II *Kings* 9:10 states:

"And the dogs shall eat Jezebel in the portion of Jezreel, and there shall be none to bury her. And he opened the door, and fled."

II *Kings* 9:36 states:

"Wherefore they came again, and told him. And he said, This is the word of the LORD, which he spake by his servant Elijah the Tishbite, saying, In the portion of Jezreel shall dogs eat the flesh of Jezebel:"

Psalms 68:23 states:

"That thy foot may be dipped in the blood of thine enemies, and the tongue of thy dogs in the same."

Jeremiah 15:3 states:

"And I will appoint over them four kinds, saith the LORD: the sword to slay, and the dogs to tear, and the fowls of the heaven, and the beasts of the earth, to devour and destroy."

Exodus 22:31 states:

"And ye shall be holy men unto me: neither shall ye eat any flesh that is torn of beasts in the field; ye shall cast it to the dogs."

I *Kings* 14:11 states:

"Him that dieth of Jeroboam in the city shall the dogs eat; and him that dieth in the field shall the fowls of the air eat: for the LORD hath spoken it."

I *Kings* 16:4 states:

"Him that dieth of Baasha in the city shall the dogs eat; and him that dieth of his in the fields shall the fowls of the air eat."

The Jews are a bloodthirsty and barbarous people. Their favorite holidays Purim and Chanukah commemorate and celebrate the Jewish genocide of the Gentiles. It would come as no surprise to me if the Jews are carrying on their ancient traditions and feeding human flesh to dogs. For at least 2,500 years, the Jews have been planning to exterminate the human race. "What, a dog should go hungry among such plenty?"

I sure wish people would pay closer attention to what I am saying. Together we could save countless lives from the genocidal Jews who seek to murder us all.

Jewish Acts of War Against the United States of America: Part 1 Political Assassinations

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews have been waging war on the Americas since the time they sent the crypto-Jew Christopher Columbus to claim the natives' territory for a new Jewish homeland. The Puritans were a Jewish sect, exploited, administered and misled by Jews. The Jews attacked colonial currency, then financed Americans against the British, and vice versa. Benedict Arnold was close to the Jews.

The Jews have made several assassination attempts against key American leaders. Some of these attempts were successful, others not.

Absolute proof is lacking, but many believe that the Jews desired to assassinate President Andrew Jackson because he opposed Jewish central banks, and that the would be assassin Richard Lawrence was an asset of the Jewish bankers.

The Rothschilds created the Civil War in order to balkanize the USA, which would enable them create perpetual war on the North American continent as they done in Europe. The Jews financed and led the South, while raising the cost of credit to the North. President Abraham

Lincoln created Greenbacks to finance the American struggle to preserve the Union against the Jewish attack on it. Jew John Wilkes Booth assassinated Lincoln, and the Jews then used corrupt means to destroy the value of the Greenbacks Lincoln created and to remove them from circulation, all of which acts were individually and collectively Jewish acts of war against the United States of America.

Leon Czolgosz assassinated President William McKinley. He was inspired by, if not acting on the direct orders of anarchist Jewess Emma Goldman. Goldman plotted the assassination attempt made on Henry Clay Frick's life in order to provoke repressive retaliation which would spark a revolution against the American Government, pursuant to the Jewish strategy of the "propaganda of the deed". She was one of countless Jews, including Jack Stachel, who actively sought to destroy the Government of the United States of America, in each instance, and collectively, these acts constitute Jewish acts of war against America. Pursuant to the tenets of Emma Goldman, anarchist Severino Di Giovanni attempted to assassinate President Herbert Hoover as an act of "propaganda of the deed".

The Jews attempted to assassinate Henry Ford, owner of the Ford Motor Company and the *Dearborn Independent* newspaper, which paper exposed the Jewish plan to destroy America to a vast audience. The Jewish assassination attempt ended Henry Ford's plans to run for President of the United States of America in order to rescue Americans from the Jews, and it constitutes a Jewish act of war on the USA.

The Jew Carl Weiss assassinated Presidential hopeful Huey Long. Long opposed the Jewish bankers' war on the American workers, by name, including President Roosevelt's Jewish

handler Bernard Baruch. The Jews committed an act of war against America, when they murdered Huey Long.

The Jewish Stern Gang sent several letter bombs meant to assassinate US President Harry Truman. These Jewish attempts on the life of the President of the United States of States constitute Jewish acts of war against America.

Many believe that Jews and the Government of Israel plotted and carried out the assassination of President Jack Kennedy. Kennedy's alleged assassin was quickly disposed of by the Jew Jacob Leon Rubenstein.

Charles Manson was likely an asset of the Jews tasked with provoking a race war in America by means of false flag terrorism. Manson murdered Whites and tried to place the blame for his terrorism on Blacks. Manson sought to show the Blacks how to attack Whites, and to provoke Whites to retaliate against innocent Blacks. Manson family member Lynette Fromme sought to assassinate President Gerald Ford.

The Jew Jared Loughner tried to assassinate Gabrielle Giffords in an act of "propaganda of the deed" designed to bring about the destruction of America. Jews were also involved in the Columbine attack on our children.

Jewish corruption of the press and American politics in general will be addressed in subsequent articles, as will the Jewish blackmailing of President Woodrow Wilson and the Jews' use of spoiler candidates and puppet Presidents to foment war and genocide, create an anti-American

Supreme Court, destroy the Constitution and attack the American People and the World.

On the Need for Jewish POW Camps in America

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews are an aggressive and highly destructive enemy State within our State, which wages perpetual war on our nation. This enemy must be destroyed by the American Government, or taken prisoner by the American Government, until the conflict has ended.

The Jews fear assimilation as if a form of genocide. The Jews believe that there are 70 "princes" in heaven, 70 angels who are the guardian gods of the Goyim. Jesus is the 71st and he takes on all the sins of the Jews on new year's day and places them on the heads of non-Jews in exchange for a mere goat.

The Jews believe that they are the divine seed of their god, who rules over all the 71 princes of the Goyim. The Jews see it as their mission to exterminate the Goyim below, so that their jealous god can exterminate the angels in heaven who protect the Goyim above.

The Jewish god cannot and will not offer any protection to the Goyim, whether they bend their knees to it, or not. As the genocidal Old Testament states in *Deuteronomy* 32:9 among many other places, the Jews and only the Jews (no Israelites have ever existed, and if they did, the Jews would genocide them as they are doing to the Ethiopian Jews) are the sole lot of the inheritance of their genocidal god. This means that no Goy will ever find favor with the Jews' god, not now, not ever, and the Jews' god will not be content until the Goyim are exterminated on earth. Jews and only Jews and their jealous god will populate the new heavens and new earth of genocidal Jewish Old Testament prophecy.

The Jews are waging a war of extermination against us and it is our right and our duty to fight back with the full force of the State--the American Government and American Military--to kill and capture all enemies who wage war against us, including the Jews and their allies. The Jews have declared war on us for at least 2,500 years. Throughout their history, hundreds of nations have responded to the Jews' declared war of extermination on all human beings by quarantining, annihilating and expelling the enemy Jews.

The Jews, meaning here their highest leadership, will welcome the idea of placing the Jews in POW camps, which they will see as ghettoes preventing genocidal assimilation. The Jews will attempt to use these POW camps as negotiating chips and as stepping stones to immigration to Israel. We might gain their support, we might not.

The largest concentration of the enemy Jews within our borders resides in the State of New York. The enemy Jews could be imprisoned on Long Island, Queens, Brooklyn, etc. and the bridges linking this system of islands to the mainland could easily be destroyed by the US

Military. The Jews of Manhattan, the Bronx, etc. can be taken prisoner (or if they resist capture by our government, destroyed by our military) and easily transported to the islands. The Jews of Florida and California can either be held prisoner in those respective locations, or transported to POW camps set up for the purpose.

Rather than secede from the land our ancestors built, we should protect our nation from our sworn and declared enemies. They are the ones who need to be placed in POW camps, not us.

The Jews are a physical problem, a parasite that needs to be addressed scientifically and militarily. This is war, not a Hollywood movie. Stop thinking in terms of Jewish defined abstractions and start insisting that our State, the American Government, take physical action to protect us from an aggressive enemy nation that is relentlessly attacking us.

The Jews Ruled the Turks Even Before the Rise of the Doenmeh

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

In 1492, the crypto-Jewish King Ferdinand of Spain, whose father was a Jew, expelled the Jews

from Spain. Many Spanish Jews settled in Salonika and Constantinople. The Jews quickly became the power behind the throne of the Turkish Empire.

Jewish father and son Joseph and Moses Hamon were the physicians and advisors of Sultan Sulaiman I. They brought in the Jewish banker Joseph Nasi, Duke of Naxos, who not only ruled the Turks from behind the throne, but influenced many leaders of Europe.

In the same period in which the Jews conquered Islam, they also took over Christendom by dividing it against itself. A Jew who claimed to be an ambassador from one of the Kings of the Lost Tribes of Israel attempted to convert Pope Clement VII, born Giulio di Giuliano de' Medici, to Judaism. No conversion was needed.

The Eastern Jew was named David the Reubenite. He took on a crypto-Jewish protégé, Salomon Malco, who attempted to convert the Portugese King, Pope Paul III, King Francis and Charles V to Judaism. Charles V executed the subversive Jew. The dates of appearance and influence of these Jews behind the thrones of Europe coincide with the appearance of the Jesuits, first with emergence of the crypto-Jew Loyola, and then with the papal decree recognizing the order. This is also the period in which crypto-Jews instigated the Reformation.

The Marranos gained strong influence in Holland. The Jew Menassah ben Israel took England through his agent Oliver Cromwell.

War after war followed, and the Jews were behind them all. This process has continued unabated to the present day. Turkey is still under the Jewish thumb. The AKP is helping Jewry

to create a borderless Arab rim around the Mediterranean which will flood Europe with African and Middle Eastern immigrants.

The Jews want to again open the gates to Europe through Constantinople. At the same time, they plan to take Greater Israel. They have nearly completed this work, most of the foundation stones for which were laid in the 1500's, a century ruled by Caballah, Jews behind the throne, and war, much like the 21st.

Glenn Beck's "Gult's Gulch" AKA "Independence Park"

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

Back on 13 December 2012, I warned that the Jews were planning to soon implement Ayn Rand's concentration camp for the best of the Goyim, which she called "Galt's Gulch":

Galt's Gulch Concentration Camp: The Diabolical Hidden Jewish Agenda of "Libertarianism" and "Objectivism", December 13, 2012

Glenn Beck is just now revealing his plans for his "Galt's Gulch" which he will call "Independence Park":

Amazing how Communitarian it all sounds, coming from supposedly Libertarian ideals. Sounds like a Frankfurt School gulag, or a little bit like the trips our American politicians take to Israel for brainwashing, or a glamorized version of the reeducation camps. A totalitarian theme park, perhaps? Who will the hold the patents and copyrights for works and inventions created in this worker's paradise? Who will decide what is true and what books contain truth? Will there be any debate of any kind, or will democratic centralism rule this Commie, er. . . uh communal. . . microcosm? That would save the residents the burden of thinking for themselves in "Independence Park", or is it interdependence dark, or is it anti-individualism stark?

I really, really, really hope that people start paying attention to what I have to say. Things are beginning to unfold in the ways I predicted.

It appears that some are looking toward a future where in order to survive you will have to submit to being a bitch dog for your overlords. And when the castles are complete, who will ultimately occupy them? Do the laborers who build castles ever reside in them after total power is accomplished?

Rand Paul jokes about Galt's Gulch in this video:

Afghan Withdrawal Heralds Israeli Attack on Iran

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Obama wants to accelerate the withdrawal of American forces from Afghanistan. If the Jews were planning for America to attack Iran, this move would be counterproductive.

It appears instead that the Israelis are planning to bomb Iran's nuclear facilities and don't want to alienate America by spraying nuclear fallout all over our troops in Afghanistan. It will be enough to effectively nuke Afghanistan, Pakistan and India, and to provoke Pakistan and India to nuke each other. Then there is China. . . and Russia. . . .

The Fundamentally Immoral and Anti-Western Nature of the Jews Manifests Itself in All Their Public Endeavors

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

In the many years mainstream media Jews have attacked my work exposing Einstein as a plagiarist, a racist and a sexual pervert; those same media outlets which have attacked me and my work have never once published my responses to their outrageous attacks, nor have they published retractions of their proven lies, nor have they ever invited me to publish a statement of my views in their publications. These Jews pretend that their tendentious and dishonest smears constitute some form of debate, which somehow settles the issues I have raised.

The Jews' tactics and strategies are fundamentally immoral and thoroughly anti-Western. They are instead revealingly Jewish.

Too often when a Jewish media outlet addresses an issue, it has one sided spokesmen publish opinion pieces, which go unchallenged. Never are opposing viewpoints given space to state their case in an unchallenged format of expression.

Opposing views are only addressed in interviews, in which the hostile host talks over the guest, limits the discussion, and adopts an aggressive and condescending tone towards the guest and his views. Only rarely is the guest permitted to raise his own questions or speak to the issue as he chooses to address it, and when this occurs it occurs only because the host is insufficiently talented to shut down the guest, who is often more talented and better equipped with the truth, than is the hostile host. The host is usually supported by a Jewish guest who is permitted to be rude and dominate the "debate".

Jewish media far more often than not assumes this form of Jewish propaganda. It is not news

reporting or journalism as understood by rational minds schooled in the Western tradition, and its only purpose is to obfuscate and hide the truth, rather than arrive at it and disclose it to the public.

The Jews are only interested in molding your opinions to suit their purposes, not arriving at and disclosing the truth unless it favors their interests, and then only to the extent that it favors their interests. This has terrible consequences for our society.

The Jews are not only promoting their interests, most often against the interests of others, they are hamstringing Western Civilization and stunting our progress. The Jews usually have us back on our heels as they charge forward with their pernicious Jewish agendas. Rather than building our societies into better and stronger communities, we consume our energies and halt our momentum reacting to the Jewish onslaught on our liberties, our sensibilities, our health, our security, our independence, etc.

We are only allowed public expression when it serves Jewish interests and only to the extent that it serves Jewish interests. We are not given access to media to publicize issues which would better our civilization. The Jews never invite or allow us to publish criticism of their power in the media they control. Jews are always dogmatic and domineering. Their behavior is disgraceful when judged through Western eyes, but they view it as smart and clever.

This is why we cannot tolerate Jews among us. They are a parasite which consumes its host. They steal our wealth through corrupt means and use it against us to buy up and dominate the public discourse, to control our elections and to drive us into wars and revolutions. They are at

war against us and it is a war the Jews intend to win by enslaving then exterminating us.

We have to inform the American public that the Jews are aggressively waging war on us and we have to persuade the American public to fight back and save itself from the vile Jews. We do not accomplish these goals by supporting Jewish agendas and Jewish agents like Ron Paul, controlled White Nationalists and Nationalism or Jewish Libertarianism and its cooperative cousin Jewish Communitarianism in the forms of veganism, localism, gold buggery, secessionism or revolution.

Why are the White Nationalists and Libertarians seizing upon gun control issues to foment self destructive behaviors which promote further repression, revolution, dissolution, disorganization, bloodshed, and political weakness; rather than seizing upon this moment to expose the Jews and promote political organization? Why do they so often promote the entropy of our society, rather than the organization of our society to serve our self interests?

Buying guns for the purpose of killing fellow Americans only serves the interests of the Jews. It is cowardly and counterproductive. It is the act of a cornered rat. Buying guns to form a true militia in an organized fashion would be a very different proposition, if properly done. It would be an intelligent, scientific and Western thing to do.

But if you want the weapons you need to defeat the Jews, you need only realize that you already have them. We have the largest nuclear arsenal in the World. White Americans need only take control of the government to take control of this stash of end game weaponry. With this arsenal we can stop our enemies and competitors from ever challenging our superiority or sovereignty.

An AR-15 is a piece of crap, especially with civilian ammunition. Hardball .22 caliber ammunition does not transfer energy well, even if it tumbles through the wound channel. Civilian rounds will not penetrate body armor. Soft and hollow points transfer more energy to the target, but do not penetrate well and are useless against any hardened targets. Sure, a head shot or heart shot will stop a man, but what is this going to accomplish in our war against the Jews?

Think if our arsenal included the most inclusive, expansive and well maintained nuclear arsenal in the World. We could aim this arsenal at Israel. We could isolate the Jews in a prison camp and place a nuclear bomb with remote trigger at its core.

This is the level intelligent Whites should be operating at, not individually hiding in a basement with an AR-15, a Remington 870 12 gauge and some bottles of water and bags of flour. We have to stop retreating and we must cease to limit our public debates to issues defined by the Jewish loudmouths who constantly interject lies and bad advice into our discussions.

This is our country. We have to participate in our government and chase out our enemy. We can never accomplish these crucial tasks by retreating and shooting one another.

If you want to secure the 2nd Amendment rights we have, as you should, do then so as civilized White men can and must. Organize to serve your interests and take control of the government through the political process. Guns are not needed to secure rights which are not yet infringed upon. Your participation is what is needed, not your hiding behind a gun so that you can continue to hide from your responsibilities as a man and a citizen in a civilized White nation.

The Jews have deliberately poisoned your White minds to believe that the underpaid working class anti-intellectual is a hero to be admired and emulated by all those who would be heroic. They have schooled you to view the gun as the hero's tool of action, and blind force as the recourse of choice. They are now teaching Blacks and Hispanics that their heroes are those who murder Whites. This is done not to promote the interests of Whites, Blacks or Hispanics, but instead is carrying on the work of Charles Manson's Jewish engineered false flag terrorism meant to teach minorities to act violently against Whites, so that Whites will have a pretext to act violently against Blacks and Hispanics. And where will that lead us? Notice the common agenda between Charley Manson's false flag murders, and the spate of Jewish Hollywood's anti-White movies, and know the common source.

The Jews want us killing each other in the streets, maintaining small primitive farms, and living in caves, like primitive savages; while they steal our wealth, rule over us, and move to China, where they are far less likely to assimilate. Notice that Manson wanted Whites to bunkerize their lives and become primitive savages in their own nation. Notice that Manson is promoting Jewish Communitarianism, as are so many White Nationalists, and Libertarians. Notice that the White Nationalists and Libertarians are encouraging the same "anti-Collectivist" behaviors, which result in Manson's Communitarianist programs. All this while the Jews grow richer and more powerful through their unity, organization and the falling ripe fruit of White civilization.

Now why is it that the Jewish media would never publish my above article, though they would criticize it and presume to claim that their tendentious attack constitutes a "debate"? It is because they are Jews, and Jews have a 2,500 year history of dogmatism which highly

developed practices and policies enable them to keep you silent and retreating. Why do you oblige their attack, rather than counter it as civilized White men have done for 2,500 years?

Why the Jews So Hate the Greeks that They Wish to Exterminate Them

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

As is the case with the Egyptians and most especially the Romans, the Jews reserve a dark chamber of their black hearts to store the bile of their special hatred for the Greeks. The Jews despise any culture which is obviously superior to anything the Jews have ever produced. The Jews loathe their one time enemies forever. The Jews violently respond to assimilatory kindness as if a genocidal gesture.

The genocidal and racist Old Testament proclaims that the Jewish god will bless those who bless the children of Abraham and curse those who curse Abraham's descendants (*Genesis* 12:2-3). The truth is that the Jews try to genocide those who are most friendly to them, because when

they live among these people so as to subvert and steal from them, the Jews lose some of their Jewishness and begin to assimilate due to the kindness shown them by their loving host. Though the Jews curse all, they most readily subvert, easily destroy and most strongly hate those who love and bless them.

As but one example of many; Philo informs us that the Jews did not conquer the Canaanites through war, but rather through infiltration facilitated by Canaanite love of the Jews; the Jews most actively sought to destroy Russia when the Czar expressed his love and protection of the Jews and asked them to assimilate; the Jews exploited the Egyptians goodwill and borrowed, then stole, the Egyptians' gold and jewels when the Jews left Egypt; the Jews prospered under the Ottoman Empire, then ruined it; etc. etc. etc.; as but one example of the many times the Jews have tried to genocide those who blessed the Jews, the Jews tried to exterminate the Greeks, because the Greeks were so good to the Jews and because Greek culture was so vastly superior to Jewish culture, that the Jews were becoming hellenized and losing their Jewishness. The Jews returned their blessing with a curse.

As a result, Antiochus IV sacrificed a pig in the Jews' Temple. The Jews celebrate their war on the Greeks every year at Christmas time, which feast of the Jewish genocide of the Greeks who sought to embrace them, the Jews call "hannukkah".

The Jews hate the Greeks because the Greeks had an infinitely superior culture to the Jews, and too many Jews recognized this fact and sought to copy the Greeks. The Jews hate the Greeks because the superior Greeks mocked the Jews' sacrifices to their jealous and genocidal Jewish god. The Jews hate the Greeks because the Greek language was once the universal language of

the educated classes of the ancient world. The Jews hate the Greeks because the Greeks had an empire and much gold and silver, and the Jews believe the world and the property of the Goyim, especially gold and silver, all belongs by divine right to them. The Greeks had their holy mountain and a vast empire centered around Athens, and this the Jews could not stand.

But the Jews also hate the Greeks because the Greeks sought to solve the Jewish problem by forbidding Jews from taking over the society of the Byzantine Empire. The Greeks learned that loving the Jews only brings on increased Jewish animosity and subversion, and rather than eliminating the Jews, as they should have, the Greeks tolerated the Jews while keeping them from completely dominating Byzantine society. The Greeks' reward for this kindness to the Jews was the invasion of the Jewish led Turks.

The Jews hate the Greeks today, as they always have. The Jews are trying to pit the Muslims against the Greeks and the Greeks against the Muslims, as they always have. The Jews are sucking the blood out of Greece and stealing its gold, as they always have. In a world with both Greeks and Jews, the Jews will always be engaged in a war of extermination against the Greeks.

The Jews bless no one. The Jews want to kill all. They believe it is the only way they can remain Jews, because all other cultures are superior to their own, and so hold an allure to the Jews to cease being inhuman monsters, to cease being Jews.

Why Chuck Hagel?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews' puppet President Barack Obama nominated Chuck Hagel for a specific reason. He was told to do it, so that Netanyahu would have the leverage he needs to convince the Israeli public that the USA will not attack Iran, and, therefore, Netanyahu must do so.

Note that the personal attacks are generally directed at Hagel, and not Obama, though it is Obama who is Commander in Chief, and it is Obama who nominated Hagel. The Jews do not honestly question Obama's subservience to Israel. They instead are merely providing Netanyahu with the tools he needs to attack Iran, including bombs and Israeli public opinion favoring an Israeli attack.

Netanyahu believes he is Moshiach ben Joseph. The Cabalah tells him to attack Iran and it is OK by him and the Cabalah for him to manufacture from whole cloth any workable, if false, pretext for doing so. Long before the Mossad, the Cabalah instructed Jews to wage war by means of deception.

Netanyahu has the courage of his cowardly convictions, however deceitful and destructive they surely are. Why are you such cowards, that you will not act in defense of what is good and just?

The Jews Don't Want America to Win, or Even to Survive, the Coming Third World War

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jewish manufactured First World War resulted in the destruction of the Russian Empire (through Jewish "revolution"), the destruction of the Austro-Hungarian Empire and the destruction of the Turkish Empire. The Jews used the strategy of "propaganda of the deed" to bring about revolution in Russia, while WW I was being fought. It caused the rise of the German, Italian and Japanese Empires.

The Jewish manufactured Second World War resulted in the destruction of the German, Italian and Japanese Empires. It caused the rise of the American and Bolshevik Empires.

The Jews are currently using the strategy of "propaganda of the deed" to bring about a destructive revolution in America, which will occur during the coming Jewish manufactured Third World War. The Jews manufacture gun violence. At the same time, the Jews use gun

violence to cause repressive government action. Concurrently, the Jews foment revolution as a reaction to the repressive government measures they deliberately cause, propose and enact. The Jews are also oppressing the American People with endless war, destructive immigration and economic crises, provoking revolution.

The Jews took similar action against Russia. The Jews committed assassinations, led crippling strikes and brought war against Russia, while cutting off its access to the money markets. The government was forced to take repressive actions, which opportunity the Jews created to use as a means to foment revolution which would make them the absolute masters of the Russian People.

As I predicted would happen, things are heating up between Pakistan and India. The Jews want to chop the heads off of Hindus for their idol worship, and we see this taking place.

Israel has so weakened the Middle East, that it does not need the USA to attack Iran. It has so weakened the USA through war, debt, immigration and economic ruin, that the Jews will have an easy time destroying the USA in the coming Third World War the Jews are about to start. The Jews will try to spark a revolution and civil wars in America during WW III, just as they did to Russia during WW I. The Jews want America to fall and to destroy the American Empire, in favor of an emerging Chinese Empire.

Having been victorious in two Jewish manufactured world wars, Americans foolishly believe they will triumph in the third, but that is not the Jews' plan. Rather, the Jews are creating turmoil, repression and revolution, as well as endless war, in hopes of balkanizing and destroying the United States of America during the Third World War which is about to

commence.

I have been warning that this was coming. It is now here and we must all suffer the consequences, because so few are competent or brave enough to help stop it. I would damn you for your cowardice and complacency, but it would be redundant. I suspect things will progress quickly, now. They don't want you putting the pieces together. They want you confused and desperate, like the Czar. And you are.

The Jew World Order as Described 2,000 Years Ago by Philo the Jew

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Christians are so deluded by their Jewish beliefs, that it is difficult for them to understand that much of what is iterated in *The Protocols of the Learned Elders of Zion* was also stated 2,500 years ago in the Jewish Old Testament. But Philo the Jew understood what was written by his ancestors, and put it into the Greek language with a delicate veil covering the Jewish desire to destroy Rome, so that it would not so readily offend the Romans. The intervening 2,000 years of the Jews' war on humanity makes clear what exactly it was Philo the Jew meant to say (I wish a

better translation of the Greek were readily available):

"(173) And if you are unwilling to contemplate the fortunes of particular men, think upon the changes, whether for the better or for the worse, of whole countries and nations. At one time Greece was flourishing, but the Macedonians took away the power of that land; then, in turn, Macedonia became mighty, but that, being divided into small portions became weak, until at last it was entirely extinguished. (174) Before the time of the Macedonians the Persians prospered, but one day overthrew their exceeding and extensive prosperity. And now the Parthians are more powerful than the Persians, who a little while ago were their masters, ever were; and those who were their subjects are now masters. Once, and for a very long time, Egypt was a mighty empire, but its great dominion and glory have passed away like a cloud. What has become of the Ethiopians, and of Carthage, and of the kingdoms of Libya? Where now are the kings of Pontus? (175) What has become of Europe and Asia, and, in short, of the whole of the inhabited world? Is it not tossed up and down the agitated like a ship that is tossed by the sea, at one time enjoying a fair wind and at another time being forced to battle against contrary gales? (176) For the divine Word brings round its operations in a circle, which the common multitude of men call fortune. And then, as it continually flows on among cities, and nations, and countries, it overturns existing arrangements and gives to one person what has previously belonged to another, changing the affairs of individuals only in

point of time, in order that the whole world may become, as it were, one city, and enjoy the most excellent of constitutions, a democracy."

–Philo Judaeus, translated by C. D. Yonge, "The Unchangeableness of God" (*Quod Deus immutabilis sit*), XXXVI, 173-176. Colored emphasis added.

World government is a Jewish goal and has been for thousands of years. The Jews ascribe this plan to the divine, the Logos, the Jews' devilish god, the Book, the Old Testament. But brainwashed Christians refuse to look at the truth and see the Jew.

How the Jews' Attack on Iran Will Likely Proceed

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I suspect that the Jews are readying to attack Iran. If Netanyahu is reelected, he will probably order a strike this spring, barring any events which preclude such an attack.

Hagel can do nothing to prevent this strike, and since Jewish puppet Obama is advocating his

appointment, Hagel is likely compromised. In any event, the Secretary of Defense will have no power other than to obey the orders of the Commander in Chief, who is a puppet of the Jews.

A plan is being floated to emit trillion dollar coins to fund the government. Such schemes are usually enacted to create a war chest. In this case, it would serve as a means to fund a war against Iran and a Third World War.

The Jews want to increase immigration to create a work force and pool of soldiers for World War III, as well as subvert Whites' rights to self-determination. White men and women will be busy fighting wars for the Jews and will need immigrants to serve as labor.

The Jews will have several options in their rhetoric and political action on gun control. If they suddenly tone down their rhetoric and undermine their own proposals, or sharply ramp them up, I would take that as a sign that an attack on Iran is imminent.

Perhaps compulsory voting should be explored as a means to secure White self-determination and prevent war. We must counter the Jewish brainwashing of Christian Zionists, if Whites are to rescue themselves from Jewish oppression.

We should condition the American public to suspect that any attacks on Americans or vessels in the Persian Gulf are in fact the result of Jewish false flag terrorism. The Jews have in place plans to carry out numerous false flag attacks on our nuclear power plants, oil infrastructure (which is highly vulnerable to such attacks) and to detonate dirty bombs. I have been observing for several years that the Jews desire to dump nuclear bombs on Iran, and a nuclear attack of any kind would serve them as a pretext to bomb Iran with nuclear bombs. The Jews will surely

provide such a pretext.

The Cabalah calls for a war on Iran. The Jews are drooling blood in expectation that it will come soon.

Why Are Christians So Gullible?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews have an easy time brainwashing Christians and imparting post-hypnotic suggestions in their already deluded heads. The recipe for brainwashing is simple and effective. And Christians are ripe for the picking given that they so readily pretend that fantasy is reality and unquestioningly submit to authority without debate or independent thought.

Christians submit to fantasy. They are indoctrinated from birth to treat the absurd as if absolute truth. They are taught to refuse to question that which is obviously false on its face. They are taught to fear healthy doubt as if it were a temptation to evil. They are taught to reject reason as if it were the work of the devil.

Christians gather in large groups where they meet to communally pretend that their common delusions are reality. An unquestioned authority figure dictates beliefs to the group and no debate takes place, nor is doubt tolerated. This leaves a gap in their minds as wide as a church door for the Jews to fill with whatever nonsense they choose to make Christian dogma.

The authority figure uses the standard brainwashing technique of creating stress and imparting fear. The Christians are told that they are evil by nature and were cursed with an original sin. Christians are told that they will be further cursed if they do not submit to the will of the Jews and slavishly serve Jewry.

The authority excuses evil behavior by claiming that all are evil by nature, and offers to relieve the stress and fear generated by these proclamations by cleansing these sins through various means. The entire religion is founded on the unjust proposition that the scapegoat Jesus has taken the sins of Christians onto his own head if only they will believe in and obey him. Where is the justice in one man assuming the sins of another in exchange for making him a slave? What compensation does the victim of the sins receive? What punishment does the sinner receive?

Christianity appeals most strongly to those who are most evil and deranged by nature. They receive a pass for their evil acts and are told that they are normal and beloved because they are so vile. These people are eager to harm others and their aggressive nature facilitates their rise to the positions of authority over other Christians.

Christians are told to fear their minds, which are supposedly predisposed to evil, and instead rely sole upon authority to guide their thoughts and actions. Those who raise objections are

called evil and immoral. They are treated as if a mortal threat to the immortal souls of the Christians. The mass of the group, which submits itself to the authority, takes precedence over the reason and rights of the individual.

The appearance of the Bible or cross, and the invocation of the name of Jesus or god, places the Christian in a trance in which he will accept shear nonsense as if salvation rendering wisdom. In this trance environment, post-hypnotic suggestions are made and stress relieving brainwashing takes place.

The Christian dupe is told that he is evil by nature and will die and be punished in hell forever. The Christian dupe is told that he will be cursed unless he submits to the will of the Jews at his own expense and dispenses murder and mayhem on those whom the Jew elects to attack. The Christian suffers mental pain and terrible unresolved stress.

The authority then instructs the Christian that he will be saved if and only if he unquestioningly accepts ancient Christian mythology as if fact, and obediently serves his Jewish master regardless of the contradictions between these mandates, serving the Jews always takes precedence. Christians are easily brainwashed and the Jews are doing it to them every day, in many ways.

You Cannot Win Until the Jews Lose

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jews want us to hate what we have so that they can sell us their shoddy wares. Since our Constitution recognizes our rights, and the jews are pledged to make us slaves, the jews try to convince us that our Constitution oppresses us. Since our borders and location make our nation highly defensible and fully capable of autarky, the jews send our industries overseas, try to convince us to balkanize ourselves, and flood our nation with immigrants unlike us, who rob us of our sense of identity and burden us in countless highly destructive ways.

The jews want us to reject our blessings in favor of their unnatural and destructive perversions. Like the serpent in the garden of Eden, they want us to fall and banish ourselves from paradise. And so the jews tempt us with evil and fill our heads with lies and hatred of ourselves, our

natures, and blind us to the beauty around us which is our birthright and our paradise.

I cannot imagine a better country than America, if only we would let go of and destroy that which hinders us, rather than relinquish and ruin that which makes us great, which is what the jews would have us do. Our bloodlines include the most courageous, intelligent, tough, healthy, talented and inventive stock of Europe. Our territory is vast, scenic, productive and diverse. We are isolated by enormous stretches of ocean from our rivals. We have the most powerful military on earth. Our rights are enunciated in our Constitution. The land is rich in resources and fertile. We have immense sources of fresh water. All of this is already ours, but rather than enjoy it, the jews have us dissatisfied and hopeless, unable and unwilling to harvest the bounty that is before us.

It must appear to you that no matter what happens, the jews win and everyone else loses. If you vote democrat or republican, the jews win and no politician will challenge them. You are in the position of a slave on a plantation. The big house and the grounds are magnificent, but they are not yours, so their grandeur and beauty only mock you. You want to destroy them so that you can be free. A fruitful harvest only means more work for you with no reward. The jews have all the power and so can coopt or buy all that might otherwise benefit you, and they can shield themselves from any and all attacks, because none with something to lose dare challenge them.

Indeed, the jews must lose in order for you to win. But it is not necessary to claim everything at once.

The jews lose when they lose control over your thoughts. When you stop hating America, the jews lose and you win. When you start taking stock of all that is yours as an American and refuse

to let the jews deny it to you, then you win and the jews lose. When you abandon your fear and embrace the truth and speak it, you win and the jews lose.

You must become a spotlight brightly shining on the jews as they scurry for cover and dive into tattered holes to hide. America is our blessing. The jews are our misfortune. Look at all you already have and claim it, and the jews will have lost. Tell others what is already theirs and who is the thief who would steal it. Look around you and know that we have the natural resources, land, talent and manpower to provide for ourselves all that we need and in abundance. Know that it is only the jew who stands between us and the prosperity which is already ours.

If we pluck this weed, and only if we pluck this weed, the garden will provide us with all that we could ever want and more. If we poison the soil to kill the weed, the soil will poison us and we will die.

Physical Problems Require Physical Solutions

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Jewry is a physical problem, a parasitic and predatory biological threat to human life. We must

answer this physical threat not with abstractions, beliefs, isms or ideals, but with physical force.

There are not so very many Jews in the World. By their nature, they segregate and concentrate their members. By their nature and habits, they insist upon maintaining their Jewishness, which distinguishes them from normal human beings. They are virulently nationalistic as well as brutally internationalistic. This creates weaknesses for them, as well as strengths.

They have spread out across the nations, as the devil commanded them to do in the Old Testament. This makes them a powerful influence on the minds of many peoples, but physically speaking, it thins them out and makes them indefensible targets for the American military.

Their hypernationalism has concentrated them in an unproductive and indefensible small country. The physical reality is that their country can be annihilated in one day, or held in submission in perpetuity.

We must apply scientific principles to addressing the threat the Jews pose to our continued existence and to our liberty. The solutions are obvious and require the mere application of national force to succeed. We must fight back against the Jews who are warring against us with the full force of the American military.

Why Are Our White Brothers and Sisters Slaves in Europe?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Why do our European brethren live in fear of speaking the truth? Why are they disarmed? Why are their cities being invaded by hordes of Asians and Africans?

Why are Africans perpetual slaves in their own countries? Why is the wealth of Africa never used to better the lives of Africans?

Why are Asians slaving in sweat shops and starving in their streets? Why are the goods they produce filling foreign shelves?

The Jews are the World's misfortune and have always sought to enslave and genocide humanity. The World is suffering because we have a Mulatto Commander in Chief of the most powerful military force ever.

That same stored energy if it were captured in a White capacitor and unleased on the Jewish enemy in one swift lightening bolt would free us all. We need national freedom as well as individual freedom. We need international freedom, as well as national freedom. The Jewish tyrunts today enjoy international domination and it is this international power that they use most effectively to destroy your individual power.

When we take control of our American Government, we will discharge the electric force of our people on the Jews and wage war back against them. Then Whites will all be free to determine

their own fate and to live in their own countries and to speak the truth.

Consider the fact that Great Britain is a nuclear power, and that the Jews pretend to live in fear of Muslims acquiring nuclear weapons. Yet the Jews are flooding Great Britain with Muslims. It is the Jews' method of gaining control over the weapons the Whites already possess and with which they can free themselves from the Jewish tyrunts.

Think bigger than small arms. Think about crushing the Jews with the full force of our military, which they are planning to use against us.

Big Fish Eat Little Fish: We Must Apply the 2nd Amendment to Our Nuclear Arsenal and the Right of White Self Determination to Control It

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Our flesh and blood in Europe are under the Jewish Bolshevik boot. Jewish tyrunts will jail our brothers and sisters if they speak out against Jewish oppression. We need our nuclear weapons to rescue them and ourselves from genocidal Jewry.

Note that the Jews are not terribly concerned about small arms on a national or international military level. The Jews are not griping about North Korea and Iran acquiring small arms, AK-47s or RPG's, which are far more effective weapons than is the semi-auto AR-15. It is nuclear bombs which matter in this World. The Jews are in fact happy to supply their enemies with small arms, so that they can kill each without any risk of their ever gaining ground against the Jews.

We need to ensure that White Americans loyal to America and Americans and to Whites control the nuclear arsenal of the USA. The Jews want to steal it from us. We need to apply the 2nd Amendment to our nuclear arsenal and take control of it in order to secure our free State.

The Jews want us to revolt so that they can seize our nuclear arsenal. They want us to trade our World dominating nuclear arsenal for some .22's and .308's.

The Jews are planning to ship our nuclear weapons to Israel under the pretext of protecting Russia and China from us, if they provoke us to revolt against the US Government, when we should instead be chasing out the Jewish tyrunt usurpers.

The traitorous Jews will call in the UN, Russia and China should we revolt against our own government, on the pretext of taking our nuclear weapons to protect them from the "rebels" just as they have plans in place to capture or destroy the nuclear bombs in Pakistan and North Korea in order to safeguard them from "terrorist rebels".

We must safeguard our rights to rifles, handguns and shotguns, but it is far more important to protect our nuclear arsenal from the Jews. We have never employed this tremendous advantage

to its full advantage because the Jews want the Goyim to destroy each other, mutual assured destruction of all non-Jews is their stated aim. The last thing the Jews want is for White Americans to employ these weapons to free all Whites and the rest of humanity from Jewry.

Concern yourselves with the .38 snubnose in your drawer or waistband holster, but also concern yourselves one whole hell of a lot more with the nuclear arsenal of the USA. It is our best defense against Jewry, or their best means to annihilate us. So far you have let them make the call. It is time to get in the fight and simply take control of what is already ours.

You must relearn how to think on a national level as well as a personal level. The Constitution creates our Government, and these same rights which apply to us individually apply to us collectively as a nation.

Let's Gaza-ize American Jews

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

When we take control of the American Government, we should Gaza-ize all American Jews.

Force the enemy Jews into a Prisoner of War camp on Long Island, NY, then blow up all the bridges to the mainland.

That would enable us to turn off all the electricity, cut off food and medical supplies should the need arise, shut off the water and heat. Maybe someone who especially hates Jews will find a way onto the Island and launch makeshift bottle rockets at the coast to provide a pretext for bombing the Jews with white phosphorous, but that would be inhuman would it not? Oh, that's right, we could change the laws and classify Jews as non-human, you know an eye for an eye kind of thing, JUSTICE!

Should anything happen to America, some Jewish act of war that cost us massive casualties, it would be a shame if the nuclear bombs we will place in the middle of the Island just happened to go off. But those crazy Jews might just set the bombs off themselves. You know, they want 2/3's dead, tried by fire as gold and silver, silver and gold. You didn't know about that?

Did you know that the Jews have been planning to rain down something like fire on you, planning it for 2,500 years without any sense of mercy or decency all those thousands of years? Have you read their holy books? And those racist Jews are chasing all the Goyim out of Jerusalem this very day to pave the way for this genocidal attack on us. Have a look at what the genocidal Jews are planning to do, do now, right now:

"8 And it shall come to pass, that in all the land, saith the Lord, two parts therein shall be cut off and die; but the third shall be left therein. 9 And I will bring the third part through the fire, and will refine them as silver is refined,

and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It is my people: and they shall say, The Lord is my God. 14 Behold, the day of the Lord cometh, and thy spoil shall be divided in the midst of thee. 2 For I will gather all nations against Jerusalem to battle; and the city shall be taken, and the houses rifled, and the women ravished; and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city. 3 Then shall the Lord go forth, and fight against those nations, as when he fought in the day of battle. 4 And his feet shall stand in that day upon the mount of Olives, which is before Jerusalem on the east, and the mount of Olives shall cleave in the midst thereof toward the east and toward the west, and there shall be a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south. 5 And ye shall flee to the valley of the mountains; for the valley of the mountains shall reach unto Azal: yea, ye shall flee, like as ye fled from before the earthquake in the days of Uzziah king of Judah: and the Lord my God shall come, and all the saints with thee. 6 And it shall come to pass in that day, that the light shall not be clear, nor dark: 7 But it shall be one day which shall be known to the Lord, not day, nor night: but it shall come to pass, that at evening time it shall be light. 8 And it shall be in that day, that living waters shall go out from Jerusalem; half of them toward the former sea, and half of them toward the hinder sea: in summer and in winter shall it be. 9 And the Lord shall be king over all the earth: in that day shall there be

one Lord, and his name one. 10 All the land shall be turned as a plain from Geba to Rimmon south of Jerusalem: and it shall be lifted up, and inhabited in her place, from Benjamin's gate unto the place of the first gate, unto the corner gate, and from the tower of Hananeel unto the king's winepresses. 11 And men shall dwell in it, and there shall be no more utter destruction; but Jerusalem shall be safely inhabited. 12 And this shall be the plague wherewith the Lord will smite all the people that have fought against Jerusalem; Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth. 13 And it shall come to pass in that day, that a great tumult from the Lord shall be among them; and they shall lay hold every one on the hand of his neighbour, and his hand shall rise up against the hand of his neighbour. 14 And Judah also shall fight at Jerusalem; and the wealth of all the heathen round about shall be gathered together, gold, and silver, and apparel, in great abundance. 15 And so shall be the plague of the horse, of the mule, of the camel, and of the ass, and of all the beasts that shall be in these tents, as this plague. 16 And it shall come to pass, that every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the Lord of hosts, and to keep the feast of tabernacles. 17 And it shall be, that whoso will not come up of all the families of the earth unto Jerusalem to worship the King, the Lord of hosts, even upon them shall be no rain. 18 And if the family of Egypt go not up, and come not, that have no rain; there shall be the plague, wherewith the Lord

will smite the heathen that come not up to keep the feast of tabernacles. 19 This shall be the punishment of Egypt, and the punishment of all nations that come not up to keep the feast of tabernacles. 20 In that day shall there be upon the bells of the horses, Holiness Unto The Lord; and the pots in the Lord's house shall be like the bowls before the altar. 21 Yea, every pot in Jerusalem and in Judah shall be holiness unto the Lord of hosts: and all they that sacrifice shall come and take of them, and seethe therein: and in that day there shall be no more the Canaanite in the house of the Lord of hosts."–

Zechariah 13:8-9; 14.

That's right, Goy, they want to set off all the nuclear bombs in the World. That is why the Jews created the global MUTUALLY ASSURED DESTRUCTION system. All the Goyim will kill their neighbors and the Jews will be left standing in Jerusalem, a Jerusalem cleansed of all Goy impurities pursuant to the Jews' 2,500 year old plan. *Isaiah* 52:1, states:

"Awake, awake; put on thy strength, O Zion; put on thy beautiful garments, O Jerusalem, the holy city: for henceforth there shall no more come into thee the uncircumcised and the unclean."

Joel 3:16-17, states:

"16 The LORD also shall roar out of Zion, and utter his voice from Jerusalem; and the heavens and the earth shall shake: but the LORD will be the hope of his people, and the strength of the children of Israel. 17 So shall

ye know that I am the LORD your God dwelling in Zion, my holy mountain: then shall Jerusalem be holy, and there shall no strangers pass through her any more."

This is why the Jews want the Jews of Israel to feel that the World is against them, and why they want racist Netanyahu to force all non-Jews out of Jerusalem. Zionism is Judaism and Judaism is hell on earth.

So what would the Jews care if 2/3's of Jews somehow happened to perish in the next decade. What if the Jews did something which prevented us from feeding the 6 million Jews in the POW camp on Long Island, or some disease the Jews cooked up in their weapons factory wiped out this captive population? And what if the 6 million Jews, a number the Jews literally worship, in Israel somehow were annihilated with nuclear weapons, melted while standing on their feet as they are planning to do to the entire human race, and as they have been planning to do to us for 2,500 years? Isn't that their god's will?

An eye for an eye, JUSTICE!

The Big Jews Want Netanyahu and the Religious Fanatics to Win and Win Big

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Barack Obama is participating in political theater designed to ensure that Netanyahu and religious Zionism not only win the day in the coming Israeli elections, but win big, really, really, really big. Of course, the comments attributed to Obama are so mild as to be innocuous, but the Jews pretend to be so hypersenitive that anything short of a warm tongue in the backside is played up as if a call for a pogrom in the Jewish press, a redundancy in today's world.

Why is there no outrage about "leaks" attributing comments to Obama and no call for an investigation? The answer is that all of this is scripted and staged to guarantee an anticipated result in the elections. The *New York Times* and *Fox News* reports could not make all of this any clearer:

http://www.nytimes.com/2013/01/17/world/middleeast/netanyahu-issues-veiled-response-to-criticism-from-obama.html

http://www.foxnews.com/world/2013/01/16/obama-election-dig-against-netanyahu-could-backfire/

One especially obnoxious fact emerges from this show. The Jews have an advantage over us, in that the Jews in America pretend that they are not representatives of Israel and in this manner Netanyahu attempts to feign indignation that the US is interfering in Israeli politics, when in point of fact it is Israel which is manipulating US politics and Obama's comments are scripted

by Jews to serve their interests in Israel and are engineered to benefit Netanyahu. Why do the big Jews want Netanyahu and the religious fanatics of Israel to win a mandate? What course have they chartered, and why is Obama obliging the Jews to make Israelis feel isolated from their complete control over American politicians?

Netanyahu does not hide his agenda. Every chance he gets, Netanyahu calls for war on Iran and the theft of more Palestinian territory. Netanyahu's justifications and pretexts are laughably false, but do we ever hear Obama, who is supposedly opposed to Netanyahu's policies, clearly state why Netanyahu is wrong? Of course not! Obama is working for the same Jews who will put Netanyahu back in power, and with a clear mandate, who put Obama back in power, and with a weak mandate.

It is Israel, not Iran, which possesses nuclear weapons in violation of international law and the security interests of the United States of America. Obama illegally supplied Israel with more arms and did nothing to curtail Israel's aggression and war plans. Israel is violating international law as it steals more of the Palestinian's land. Israel is committing genocide against the Palestinians, but will Obama ever say that?

Why do the big Jews want Netanyahu and the religious fanatics to win and win big? It appears that they want to attack Iran and build a Temple to the devil in place of the Dome of the Rock. The Jewish king wants to sit on his throne in Jerusalem, a Jerusalem which is not polluted by a single unclean Goy soul. The Jews want to fill the Temple and Jerusalem with all the gold of the World and make it the international bank of gold credits for their new fractional reserve international bank that will empower them to rule the World from Zion, creating famine and

depression at will over the entire surface of the planet. Do you still not comprehend that Zionism is Judaism?

When you see famous Americans in yarmulkes praying at the Wailing Wall know what this signifies. They are pledging allegiance to the devil and are calling for the destruction of the Dome of the Rock. This is a call to arms for all Jews and for Freemasons. Freemasons are pledged to build the "Third" Temple of Solomon to the devil. The evil Old Testament clearly states that Solomon employed devils and foreign gods to build the first, which is why the Jews are quite comfortable with the Christian Zionist and Freemasonic support they have manufactured. When a Goy dons a yarmulke and humbly begs at the Wailing Wall, he is pledging support for the Jews' planned Temple and to help the Jews eviscerate Islam and subjugate the World, viz. Zionist supremacy for the Jews and Bolshevist slavery and extinction for humanity, i.e. Judaism made real.

No matter how many Jewish mouthpieces in the "alternative" media try to use you to forward the Jews' genocidal agenda, do not ever doubt that Obama does whatever and only what the Jews tell him to do. Hagel and Kerry (Kohn) are the same type of Jewish puppets. They are all traitors and completely controlled agents of the enemy. Note that the "alternative" media speaks with one voice to state the absurd and evidently has a centralized source issuing its press releases and memos defining its commentary. That is what the Jews do.

The supposed calls from the White House to rein in Israel are quite the opposite. They are marching orders to the Jews to unleash hell on earth. And Hell is coming, unless you finally do something. Hell is boiling just under the crust and will very soon spray fire over us all, unless

you finally do something.

Why Live in Fear of Jewish Tyrunts? Brotherhood and Responsibility for Indigenous Demographic Groups in Europe

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Europe has given us much of what we Americans have. It is time we give something back and it is in our self interests to do so. I suggest we build a BRIDGE to our kinfolk in Europe. They desperately need our help, and we need theirs.

The genocidal Jews have so Bolshevized Europe that our cousins are prisoners in their own lands. If they attempt to speak out on their own behalf and for the sake of their children, the Jews will attempt to jail them. If the indigenous peoples of Europe tell the truth about history, about the present and about the future, the Jewish tyrunts, and I do mean the runt and the litter of inhumanity, the Jewish tyrunts will sic the Internationalized Bolshevik State on them.

The loss of freedom, independence and sovereignty are the inevitable consequences of tolerating Jewish influence. But the situation is even worse. The Jews are deliberately genociding our

blood relatives.

What can we do? For one thing, we can exercise our precious freedom of speech, that right we secured in our war against the Jewish bankers who have long dominated the British Government, to the detriment of the indigenous peoples of Great Britain and the World. We can demand that our brothers be set free. We can speak for them and announce their plight as a warning and a cause for us all. We can insist that our government provide sanctuary to those whose fundamental human rights the genocidal Jews are aggressively violating.

When we take control of the American Government and declare war on the Jews, we can join with our European brothers to imprison the Jews who have imprisoned them. We will then be able to provide the military backing they may need to deport immigrants who have changed the demographic nature of Europe, backing needed both within Europe, and around the globe.

Chuck Hagel 100% Certified Kosher Worm

An *Haaretz* report reveals how very much Chuck Hagel loves Israel and sucks up with vigor to

the Israeli fifth column of Jews in Congress, and note the comments posted by Mark Glenn's readers:

http://theuglytruth.wordpress.com/2013/01/15/hagel-i-intend-to-expand-the-depth-and-breadth-of-u-s-israel-cooperation/

Contrast these facts with Gordon Duff's recent call of 15 January 2013 for Chuck Hagel to be our Presidential candidate of choice in 2016, and the comments of his readership, and note that Duff feels that he has much in common with Hagel:

Back on 7 January 2013, I wrote that Hagel is likely compromised and that Obama is a puppet of the Jews. On 9 January 2013, I informed my readers why the Kosher clown Hagel was chosen by the chosen to be nominated for Secretary of Defense:

Why Did the Genocidal Jews Create the Global MUTUALLY ASSURED DESTRUCTION System?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The political theater being staged around Chuck Hagel is quite revealing. It is meant to sway the Israeli elections in favor of religious Zionism, which demands the genocide of the Palestinians and an Israeli attack on Iran. . . and the World.

The big Jews want the Israelis to feel that the World has abandoned them. The big Jews want the Israelis to attack Iran and to ethnically cleanse the Palestinians. The big Jews are telling the Israelis that the Americans can no longer afford to fight more wars for the Jews, that Iran is a mortal threat to Israel and that the Israelis must address this threat themselves, hoping to draw in the Americans once hostilities are commenced.

The Americans are scheduled to leave Afghanistan and as I predicted the Jews are destabilizing Pakistan and leading Pakistan to war with India. This prevents Pakistani intervention in an Israeli war on Iran and aims their nuclear weapons at India, tying them up so that they won't be used elsewhere. It also provides a trigger for a nuclear WW III.

America is indeed running out of money to fight wars. This is by design. The wars the Jews have led us into were designed to destroy us. By design, this makes nuclear war an attractive option for America. It is cost effective, lots of bang for the buck. For decades now, I have been hearing Jews talk about dropping a nuclear bomb on Tehran. They want to do this and are creating World conditions which favor their attack.

The Jews created the atomic bomb in America. The Jews betrayed America and gave our atomic weapons secrets to their Jewish brethren in the Soviet Union. The Jews turned the WW II allies against each other and set us up to annihilate one another.

But this plan was not new. For centuries, the Jews published religious war propaganda in Western Nations and Islam claiming that the Czar was the anti-Christ and Al-Dajjal. At the same time, the Jews published war propaganda in Russia claiming that the Pope, Reformation leaders and the Caliphate were anti-Christ. Concurrently with all of this, the Jews published war propaganda in Islam claiming that the Pope, Reformation leaders and Czar were Al-Dajjal.

At least as early as the 1800's, agents of the Jews published works advocating the use of a new form of energy which would release so much destructive force that it would result in peace if equally distributed. *Vril, the Power of the Coming Race* by Edward Bulwer-Lytton is one such example. But the Jews never want peace, as Trotsky made clear.

So why are the Goyim of the most populated nations of the Earth all aiming nuclear weapons at each other for the purpose of destroying each other based on differences of opinion over philosophical abstractions? Why were the Jews aggressively creating a sense of hostility between

these peoples for many centuries, hostilities which compel mutually assured destruction? Surely it is not so that there will be peace on Earth and good will towards man. Christian Zionists are not on their knees praying for a nuclear strike on Russia at the behest of the Jews in hopes of being raptured for the sake of peace. No, the Jews are driving them to war, nuclear war. It seems the Jews will soon have it, if we don't do something to preserve our lives and do it quickly.

The Jews have been planning this war to kill us all for 2,500 years. We have to figure out how to stop them in just a few short months. If you want to live, do something. I am hopeful that by demonstrating a political will to go to war against the Jews who are waging aggressive war on us, we can stop them from dragging down the World into a nuclear World War. We can do this very quickly, but I cannot do it by myself.

The Final Solution Option: JUSTICE!

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The genocidal Jews have threatened the World with their "Samson Option". This illusion hangs over our heads like a sword of the damned, the damned flaming cowards cursed by their own

cowardice to stew in the eternal fires of fear, bubbling, boiling and floating atop the lakes of hell without ever changing a damn thing for the better.

Let us who are not afraid remind the genocidal Jews that we will find them, wherever they may hide, no matter how many times they change their phony names or pretend to change their ways, we will find them when we win the power of the American Government to declare war on the Jews. And we will exact justice, final justice.

What do the Jews have to fear from Justice? Are the scales tipped against them? How many innocents have the bloodthirsty Jews butchered, raped and maimed, that they would run from the god of retribution? What pools of blood did the mass murderers of Jewry spill in America, Young Turkey, Russia, Ukraine, Poland, China and across the World in Two World Wars? How deep are the lakes of blood in Palestine, Iraq, Afghanistan, Egypt, Lybia and Syria, that the genocidal Jews would fear to drown in their own deeds? Why will the Jews who threaten us with extinction tremble at my words and seek to suppress them, these vile Jewish vampires with their rotten fangs deep in the neck of all that is human, good and right?

Ask yourselves, Americans, why are there humanity ending nuclear weapons pointed at us? How have we wronged the Russians and Chinese? How have we wronged the Jews, that they threaten to end our existence? Why aren't we blessed for saving the Jews from the "Nazis"? Who created these genocidal weapons of mass death that are aimed at us? Who pointed them at our doorstep?

And who aimed our nuclear weapons at the Russians and Chinese? Why do the Russians and Chinese even have these humanity ending weapons? Why do we?

In each horrible instance the answer to these horrific questions is the same three lettered curse on mankind, the "JEW". And we have not only tolerated these murderous fiends among us out of the kindness of our human hearts, we foolishly let them guide us toward the grave.

But the final solution option is at hand. It is nothing other than justice and we will soon mete it out with the full force of the American military.

The Jews Are Our Misfortune, NOT the Constitution

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews are not so concerned that you revolt against the government, per se. They want you to revolt against the Constitution in the name of defending it and in so doing provide a pretext for the Jews to assume absolute Bolshevik control over the nation, thereby transforming America into the anti-thesis of its Constitutional foundation.

The Jews hate your Goy liberties and always have. The Jews insist you not state your thoughts in public. The Jews insist you not carry or even own guns. The Jews insist you accept perversion and unnatural acts as if proper and normal. The Jews insist you NOT create or control your own

money supply. And all this repression is engineered to drive you to revolt against the Constitution which secures these rights, so that the Jews can wipe their filthy bottoms with your glorious declaration of rights.

The Jews turn your rights upside down. They exploit your right of free speech to speak against you and your nation. The Jews create vile media to poison your mind and turn you against your own kind. The Jews exploit your right to own and carry arms, only to arm you to kill one another. The Jews exploit your right to vote to place their puppets in government by exploiting your rights to a marketplace, money supply and media, all to rob you of your wealth, political rights to self determination and media.

But do not blame your rights for the Jews' war on them. Blame yourselves for tolerating an aggressive enemy in your midst and at the head of your government.

The Jews want you to revolt so that you kill each other, shred the Constitution and enable them to create a true Bolshevik government in the ruins of what was once America. The Jews are our tyranny and our misfortune. We are blessed to have the Constitution and our Nation and Government the Constitution creates for our benefit. The Jews are our problem, not our Nation or our rights.

If we were to create a National Rights Association to compete with the Jewish dominated National Rifle Association, then we could stress the importance of all of our most meaningful rights and how they function together to secure our liberty. We could also make it crystal clear how the Jews are at the forefront of the attack on all these mutually supporting rights.

It is the Jews who corrupted our right to create and control our money. It is the Jews who seek to silence our right to free speech. It is the Jews who place us into self destructive treaties and engage us in self destructive wars. It is the Jews who attack our rights to keep and bear arms, while provoking us to commit acts of violence against each other.

The Jews are engaged in a full scale war against us. When are you going to war back and exercise, not just defend, our rights?

The Chuck Hagel debacle is a terrible blow to our nation. It sends a message to all would be patriots to grovel before the Jews. It is a theater beyond absurd. The little rat Hagel could have told the enemy Jew to go to hell from whence it came. That would have sent the proper message to American politicians. Instead, as was planned from the beginning, he served as example serving the enemy. What a scum traitor this Hagel is. He is the perfect example of why we must stand up for our rights and stand up for our nation, rather than rebel against that which defines us as free men.

So You Say You Want a Revolution?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Americans are among the most violent and merciless people on earth. Compare American children's cartoons with cartoons from Soviet Russia, and you will see that we tend to be even more brutal than were they.

The Russians, and the Chinese the Jews imported into Russia for the purpose, skinned each other alive and slaughtered tens of millions of their own best countrymen. Think of what the Jews have in store for us, if you are stupid enough to oblige their provocations.

So you have a .223 Rem. semi-auto with a 30 shot magazine, a scoped .308 Win., several pistols and a couple of shotguns. They have chemical, nuclear and biological weapons. They can poison the land, air and water and create a famine that will never end. What are you going to do with civilian small arms and civilian ammunition to defeat a famine, a biological, chemical and nuclear attack on the American People? What are you going to do when ten million Red Chinese come at you with military force?

Do you have night vision equipment to pass out to millions of Americans? Do you have communications equipment and satellites for an entire army?

Your Jewish friends will try to reassure you that a revolution will be quick and successful, because you have so many "guns", and because the military will side with you. They will quote an Imperial Japanese statement about Americans with a gun behind every blade of grass. Those Japanese were mostly armed with bolt action Arisaka rifles, not chemical, biological and nuclear weapons. The Arisaka held five rounds in the magazine and one in the chamber. The fastest they

could reload was with 5-round stripper clips. They did not have advanced communications and spy satellites, or night vision equipment.

Why would think the American military would refuse to fight rebels who murdered children and raped helpless women? Or are you so naive that you fail to realize that the Jews will create propaganda and perform videoed false flag attacks which will accuse you of committing atrocities? American soldiers will see only what the State wants them to see. There will be no more internet or civilian communications. The State will control ALL mass media. The soldiers will hate you!

Do you suppose Europeans will come to save you? The British, who have repeatedly gone to war against us, are no longer even British. The Germans have been repeatedly attacked by America and we have nuclear weapons pointed at the Russians. The Jews, as it were, have us surrounded by our own White kinfolk.

Grow up, stupid. The Jews are our tyranny, not our government or our nation. Fight the Jews with the full force of the American military(period)

Traitor Chuck Hagel Prostrates Himself and Our Nation to Suck on the Jews' Bagel

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Vile traitor Chuck Hagel went crawling on his knees to the principal's office of the Jew Prefect Chuck Schumer and begged forgiveness for having ever hinted at the truth. Having sufficiently groveled before his Jewish master, after having sucked hard on the orifice and after humiliating himself and America, Schumer stamped the little coward's forehead with a Kosher K so that he could return to class and do what teacher Obama tells him to do.

Why is it that I was the only one warning you that Hagel is as Kosher as they come? Why did the whole Jewish "alternative" media simultaneously launch a campaign of support for the Jews' lackey Chuck Hagel, traitor and coward? These Jews have an unbroken track record of supporting America's enemies, the Jews' puppets, including the wretched Pauls, Erdogan, Putin, Bachman, etc. etc. etc. and now Hagel.

Why do they take an interest in politics when it serves the Jews to place in office one of the Jews' puppets, but whenever someone genuinely opposed to the Jews steps forward to participate in politics, these same Jew mouthpieces become violently defeatist and shrilly scream that politics has no place for loyal Americans. See what the New York Times has to say about the Jews' humiliation of America:

"[***] Senator Charles E. Schumer of New York, the first senator to meet privately with Mr. Hagel since he was nominated last week, told President Obama Tuesday that he is optimistic that he could vote for Mr. Hagel's

confirmation based on his grilling of Mr. Hagel on a variety of issues pertaining to Israel and Iran."--JENNIFER STEINHAUER, "Schumer Says He's Satisfied With Hagel on Mideast", *The New York Times*, (January 15, 2013)

And not one of you will demand that the Jews' chorus, which postures as if "anti-Zionist", answer for promoting our enemy Chuck Hagel. You Bolshevik "anti-Zionists" are even more tightly under Jewish control than the Bolshevik "Christian Zionists", and the Jews are using you to tear America apart.

The tyranny and enemy we face is Jewry, not our government or our nation. We have to free our nation and our government from the Jewish usurpation, not further destroy ourselves for Jewish gain. Any lickspittle worm who crawls on his slimy belly to the Jews to beg for a pass to play in their games is our mortal enemy. Organize against tyranny. Organize against the Jews and we will destroy them with the full force of the American military! Help me to bring about a day of reckoning for the enemy Jews.

You Have Your AR-15, Glock 9mm, 12 Ga. Riot Gun, Ammo and High Cap Mags, Now What Are You Going to Do?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

My vision for saving America from the Jewish attack on our nation would be for my *POWER PARTY* to win over the American Government. We would immediately declare war on Jewry, aim America's nuclear arsenal at Israel, imprison the Jews as declared and active enemies of the Nation and detain them in POW camps, cancel all debts owed to Jews, seize all assets controlled by the Jews, and institute a massive government media campaign around the World to expose the Jews as declared and aggressive enemies of humanity.

That is a real expression of power. That is a war we can win and how to win it.

What is your vision for saving yourself, as you sit huddled over your field stripped AR-15 and run a patch through the shiny, tiny bore? You can group 5 rounds in under an inch at 100 yards. Who are you planning to shoot at? Where is the battle front, and who are the enemy?

Do you want America to become like Syria, Egypt and Iraq? Does this capture your image of an idealized America and how to fight a war against the Jews:

Rape 'being used as widespread weapon of war in Syrian conflict'

Note that the same Libertarians, Jews, supposed White Nationalists, and goldbugs, seize on every opportunity to provoke you into going off in violence out of frustration that you have no power to affect change in America, and call upon you to destroy your own country, rather than

improve it. Never do they themselves take any action, other than to politically and peacefully increase their power, while telling you that no such thing can ever be done.

You pretend to yourself that you are prepared to defend your natural right to arms, relatively unimportant and largely--from a military standpoint--irrelevant civilian small arms, but nonetheless arms good enough for killing your defenseless neighbors and providing the Jews with a pretext for repression, which is engineered to spark more minor violence and in the Jews' hopes a revolution that will turn America into another Syria, another Bolshevik Russian cesspool. But what have you done to secure your rights to privacy, to due process of law, to equitable and loyal representation in government, to free speech, etc.? Why is it only minor perverse violence that captures your attention and tickles your tummy?

Your mind is a product of Jewish brainwashing. Your habits do nothing to combat the Jews, but instead prevent you from combating the Jews with the power of the State..

The Jews oppress you with the power of money and the power of opinion, and use them to control the State. You only increase the Jews' power when you oblige their instructions to destroy your own nation and prepare to murder your neighbors. Only with the power of the State can we defeat the Jews. And we have the most powerful State in the World to use as a weapon against Jewry.

Look through the twisted rifling of your little AR-15. Now consider the power of the nuclear arsenal of the USA. Which would you rather aim at the enemy nation of Israel?

Would you rather live in an America where the government serves you from coast to coast,

where the cities are prosperous and the farms productive, where air, land and water are clean and healthy; or in the sewer of Soviet Americanas the Jews are prompting you to create? It is good that you own guns. They provide you with a means of self defense and increase your human dignity.

Now do something to own America. Do something productive rather than destructive. Do something to capture real power rather than illusory and self destructive power. Exercise your political power. Keep your political power sly and your political heads up.

The Hagelian Dialectic [sic. . . to my stomach!]

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Disloyal Jew Chuck Schumer is scheduled to meet with Chuck Hagel to demand that he prostrate himself before the feted Jew and before Israel. Crypto-Israeli Schumer is set to interrogate Hagel and force him to bow down before the Jew and beg forgiveness. The fact that Bagel, I mean Hagel would submit to this disgraceful and obsequious display, this disgusting Jewish subversion of American politics, demonstrates that Hagel is as Kosher as they come.

How dare anyone, let alone a disloyal Jew, insist that a Presidential nominee grovel before Israel, a hostile foreign nation, before being considered as a viable candidate for the post, especially given the fact that Israel is the most aggressive enemy of the United States of America in the World? And how dare Hagel submit to this supreme act of Jewish arrogance?

Or will Hagel spit in the Jew's face and call him what he is, a disloyal Jew and enemy of the American People? Will Hagel tell Schumer that he plans to recommend to the Commander in Chief that America declare war on our archenemy Israel?

Why is it that the usual suspects in the Jewish controlled "alternative" media took such a strong interest in Hagel and declared that he would be our salvation? Hagel will have no power to save anyone if made Secretary of Defense, as he will only be an advisor to Obama, who has heavily armed our enemy Israel. So why the hoopla and hullabaloo over Hagel?

It was for Jewish and especially Israeli consumption to help the Jews to elect the most hawkish and religiously Zionist government yet in the land of the Jew. It was to help the Jews falsely portray Hagel as the glory boy of anti-Semites to sway the elections in Israel in favor of fanatics for fear that America would no longer serve Israel. It was to prep the Israeli public for an attack on Iran.

However the meeting with the Jew Prefect ultimately plays out, the meeting of Hagel and Schumer is theater of the same sort. The fact that Hagel subjects himself to this mistreatment by an enemy soldier of Israel, who is a leading member of the Jews' fifth column in Congress, is a disgrace for Hagel and for our country, especially in light of the fact that he is being misrepresented as if someone who has stood up against the Jewish subversion of our nation.

Hagel knows that Schumer does not put America's best interests first. Hagel is worse than Schumer for entertaining the idea that he is obliged to answer to Israel for an American post.

Why Is Piers Morgan the Ringmaster of the Jews' Circus?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Piers Morgan was placed center stage in the Jews' charade attack on the Second Amendment, so that the Jews could scapegoat the British for their Jewish assault on American liberties. Jewish operatives in the Jewish controlled "alternative media" now will attempt to shift blame to the British Royals for the crimes of the Jews, as they have in the past.

More loudmouthed Jews will speak in favor of the Second Amendment, and many will be deluded into believing the Jews are divided on the issue, and not organized to accomplish tribal objectives. In fact, the Jews have always been happy to see Americans armed to the teeth. They hope you slaughter each other and destroy your own government, as did the Bolsheviks of Russia.

The Jews have your new Bolsheviks, the Christian Zionists, waiting in the wings to subvert any accomplishments Whites achieve in our struggle to free ourselves from the tight grasp of Jewry on our throats. This round, the call for gun control has been orchestrated to prompt you to arm yourselves and kill each other and destroy your nation, including your government.

It was not the British who wished this on you. It was and is the Jews. Don't allow the Jews to shift the blame, or dictate both sides of the debate.

Compare and Contrast: Jews -v- Whites

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Election cycles provide a good example of how the Jews are slaughtering Whites in their Jewish war on humanity. Keep in mind that politics in White nations goes hand in glove with media.

Do Jew wise Whites control a single national media organ in Israel? Do Jews waging war on Whites control national media outlets in America and other White nations?

Are politics in Israel controlled by Jew wise Whites, who use their influence in Israel to affect politics in America? Are politics in America controlled by anti-White Jews, who use their influence in America to control politics in Israel?

How many anti-Jew, pro-White politicians succeed in Israel? How many anti-White, pro-Jew politicians succeed in America?

Do Jew wise Whites produce anti-Jewish movies and other media in Israel? Do Jews who hate Whites produce anti-White movies and other media in America?

Consider the fact that the Jewish puppet Obama nominated Chuck Hagel in order to influence Israelis to vote for extreme right wing politicians, war hawks come war dragons. Consider next why the Jews want these politicians in power in Israel. What political nominations have Jew wise Whites effected in Israel to cause anti-Jew war hawks to seize control of the American Government?

Who is winning this war? Who is laying down dead? How many Israeli Jews have soldiered for anti-Jewish interests? How many Whites have soldiered for the Jews for anti-White causes?

Beware Whites, the Jews are taking over all your institutions to institute totalitarian Jewish control under the guise of "No Labels" meaning no choices, and Christian Zionist "Galt's Gulch" gulags where American Whites and politicians will be reeducated to Bolshevize America and make it slave for the Jews. Are any of you actually waging war back against the Jews? How, by arming yourselves to kill Americans? By balkanizing America so that Bolshevik Christian Zionists can absolutely destroy White freedom? By scapegoating Blacks and Hispanics for your cowardice in confronting Jews?

It is pathetic, but it is true. The Jews are slaughtering you and everything you think you are doing to fight back is engineered by the Jews to defeat you and hand them victory in the form of your head on a silver platter.

Shame on you, stupid. Nature won't forgive you it. Nature will forget you. The anointed king of

the Jews, Christ the King, won't save you, he will order the masses to chop off your heads and it will be your White brothers manning the guillotines.

One of the main reasons why the Jews are so strong and Whites so impotent, is that the Jews are tribal and support each other. If Whites banded together and supported their own interests, rather than slaving for Jews. . . . If Whites went to war against the Jews, rather than soldiering for the Jews. If Whites were proud to be Whites and celebrated our brothers. If Whites ceased to pretend that the anointed king of the Jews is god and would no longer allow themselves to become the scapegoat for Jewish sins. If Whites aimed their nuclear weapons at the Jews, instead of at one another. Then, the enduring and expanding Jewish problem would quickly be solved.

On 22 January 2013, Israel Will Become Judah, and America and Canada Will Become Israel

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

On 22 January 2013, the facade of secular and cultural Zionism will be lifted and the Nation of Israel will reveal itself as a theocracy and the successful fulfilment of a 2,500 year old battle in

the Jews' war on the World. The tribe of Judah will shed its secular skin and the snake will show its covered head and bare its fangs in Zion.

The Jews of America and Canada will become Israel, the dispersed carrying on the political mission of the Jews to destroy the Goyim, the Nations and their gods. The exile of Judah will end and the Jews will attempt to build a Temple in Jerusalem, chase all Goys out of Jerusalem and chase all Palestinians out of the West Bank.

Moshiach ben Joseph, Netanyahu, will fulfill his role as war king of the Jews and attack Iran. All Christians will be chased out of the Middle East or genocided.

The Jews of Israel will be told that America and the World has abandoned them. They will be told that Israel will have to control oil to finance itself. The attack on Iran will provide the oil revenue and kill off America and Europe as White Nations of the Goyim.

The body of the snake will wag its tail and scatter Africans and Asians around the globe, chasing them into Europe, the USA and Canada. Sinai and Gaza will become part of Judea and then the Jews will claim Syria, Lebanon, Iraq, Saudi Arabia, etc. expanding into "Greater Israel". Japan will increasingly cede control to China, and Pakistan will attack the idolatrous Hindus of India, on behalf of the Jews.

The World will dramatically change on 22 January 2013, and not for the better. Secular and cultural Zionism were always a scam, and that fact will become crystal clear on 22 January 2013.

There Are More Threats to Our Genetic Heritage and Fundamental Rights than Miscegenation and Infringement of the 2nd Amendment

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I have never been a segregationist. I believe in freedom and my experience, until the elections of Obama as Federal Senator and then President, my experience has been that people naturally self segregate.

I have witnessed what appears to be a rapid and steady rise in the number of mixed children. This was precipitated by an even sharper rise in media sponsorship of miscegenation. The impoverishment of Whites has forced them into increasingly more frequent contact with Blacks and Hispanics, and the invasion of Asians and Hispanics of necessity increases the likelihood of sexual relations between these groups. The adoption of non-Whites has also increased their numbers among us. These influences threaten to genocide Whites in very short order if nothing

is done to reverse the trend.

But mixed children are not the only threat to our future generations of Whites. A White woman bearing a genetically defective child, a dead child, or no child at all does no more to perpetuate our people than does a White woman giving birth to a brown child. Genetically Modified Organisms, high divorce rates, toxins, abortion and birth control, low wages, radioactive materials and radiation, smoking and drug abuse, and a slew of other genetically corruptive elements permeate our World.

I think Whites are the most beautiful, cultured, dignified, inventive, creative, just and good natured people on Earth. There are differences between us and others. When interbreeding and other forms of intercourse occurs we lose what we are and the substitute is a poor one. New Yorkers have long had the reputation of being crass, obnoxious and dishonest and they have long been among the most cosmopolitan of our nation. As foreigners invade, I am witnessing a gross degeneration of our society at all levels, sponsored by the jews, but also facilitated by people and cultures different from our own.

I am an American and I do not want these people here in my country. I have a right to my sovereignty and to live among my countrymen without suffering an unwanted invasion of people and cultures foreign, hostile and degenerative to my own. I want my society to continue. That is my right. I don't want them. I want them out.

My nation is not a hotel for the World. If my people are doing better than others, then that is a good thing for me, not a bad thing, and I wish to preserve my good life and pass it on to my

children. I have no need nor desire to give away what I have to a foreigner. Their interests are different from and hostile to mine and I do not want them in my national home.

I do not want my rights, my property and my future compromised to accommodate the disunity and degenerative heterogeneity being imposed on my country from the enemies of my nation. I assert my rights to sovereignty and self determination and demand that foreigners be deported and the invasion of my homeland stopped. I insist that the demographic destruction of my nation end.

The same enemy who is attacking my national sovereignty is also attacking White genetics on a broad battlefield where only the jews fight and the Whites lay down and die. The increasing number of CAT scans and other medical procedures destructive to our genes is causing irreversible harm to our people, and this is but one of millions of deliberate attacks on our people. If there were a food in your diet which caused you millions of ailments, you would cut it out, and so the jews must be cut out of society for health to prevail.

The jews are encroaching on our Second Amendment rights, but they are also infringing on our rights to sovereignty, due process of law, privacy, education, health care, independent monetary system, self-determination, survival, free speech, fair and responsible politics, demographic stability, just courts, representative government, trial by our peers, etc. and so goes the long and growing list. As with the attack on our genes, the attack on our rights has a common source. You would not include cyanide in your diet, so why do we tolerate the jews? The diagnosis has been made. There is only one form of treatment, expulsion of the enemy jews from our society.

The jews are convicted by their own words. The treacherous jews on the Supreme Court speak of how they view issues before them not through an American lens, but a jewish supremacist viewpoint. They are our declared and active enemies and it is the height of insanity for us to allow them in our country, let alone in our government.

If you want Whites to live, if you want your daughters to give birth to healthy White children, to remain fertile, to remain free, then you must fight as our ancestors have fought to live for a hundred thousand years by safeguarding our territory and destroying our enemies. Do not bow to the invaders nor the eternal enemy of all nations who opens our gates to the invasion. Fight as those before you fought so that you may exist, so our people will exist in a hundred thousand years. Was the struggle of our ancestors which brought us life in vain? Did they pass along none of the genetic strength which enabled and led them to fight?

In our genes lies the fighting force. We must remove the mental and physical poisons which prevent our will to survive from manifesting itself. We must remove the jew.

We Should Sue to Prevent Invasion. . . Amnesty and Subversion

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jews are deliberately disenfranchising and subverting White Americans' rights to self-determination. The jews are also sponsoring an invasion of foreign elements which change the demographic map of the United States of America. The jews actions are illegal.

We have fundamental rights to sovereignty, self-determination and the franchise of our nation. The jews, through the media, the subverted Congress, and the traitorous President who serves their interests, and the jews' interests only, are violating our fundamental human rights. We should sue them and the traitors infiltrating our government who have no legal authority to pass laws over us, in the Federal and State courts.

We should also sue to have these enemy agents removed from government. The jews have tipped the balance of power in Congress to favor their enemy agents against the power of the American People through their elected representatives. In other words, the jews have usurped our government. The Congress therefore cannot faithfully execute its duties to remove enemy agents from government. We the People therefore have standing in the courts to exercise the powers of expulsion of enemy agents from government and the right of Citizen arrest of these hostile representatives of the jewish tyrunts.

What other avenues of government do we have to pursue the expulsion of the enemy which has usurped our State? We must also form a political party to express our voice at the ballot box, and sue to remove the propaganda of the enemy from interfering in our elections.

We have fundamental rights to secure the sovereignty of our nation, to secure our demographic integrity and to secure our ability to determine for ourselves our destiny and our laws. We also

have the fundamental rights to life, liberty and the pursuit of happiness, which are violated when the subverted State favors foreign interests over those of the People. By their actions, the political parties are also illegally de facto redistricting the United States of American so as to disenfranchise Whites and stifle our political voice in our own nation.

So let's sue the bastards!

Israel Is Preparing to Aggressively and Illegally Bomb Iran

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Israel is about to bomb Iran. Iran will strike back against Israel. Fifth column filth including Rand Paul will then claim that Iran is attacking Israel and America, as if it were an unprovoked and aggressive attack, by the act of defending itself from illegal Israeli aggression.

Israel has no right to attack Iran. The very threats that Israel makes against Iran are illegal under international law.

Israel will be attacking the United States when it attacks Iran because the jews know full well that such an attack will lead America into war. Will you help me to build a political party to confront the jewish subversion of our nation and save ourselves from the jews' war on humanity? Will you at the very least help to spread the word that when Israel attacks Iran, the US is not obliged to attack anyone but the aggressive Israelis when the Iranians defend

themselves from Israel's illegal aggression?

Do you have any worth as a human being that you sit idly by and let this all happen to you and the World? Or are you just what the jews have trained you to be, their willing accomplices?

Post Election, the Claws Come Out

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Rand Paul has stated his Israel first foreign policy. I bet that the sniveling rodent can't wait to blow up the Dome of the Rock and build a temple to the devil above the wailing wall where he goes to pray. John Kerry-Kohn has threatened to attack Iran.

Now that the election is over in Israel, the Jews are again using American politics as a tool to mold Israeli political opinion to assist Netanyahu in forming a coalition to attack Iran and rob the Palestinians of more of their disappearing land, to bankrupt America and Islam, and to instigate WW III. Americans, largely having been drained of their sense of national honor by the jews, fail to understand how they are being insulted, ruined and subverted by the jews.

The jews are dusting off their war drums and firing up their jingoistic puppet politicians in

America. They are trotting out the old war horse lie that Iran is "weeks" away from completing a nuclear bomb. This one trick pony has been whinnying and whining this exact same proven lie for *years* on end, and it is the identical falsehood the jews leveled at Iraq before they leveled Iraq and while the jews genocided half a million Iraqi children.

Never forget that the primary objective of the jews' wars against Muslims is the destruction of America. Are you willing to do something about this? I have been publicly fighting jewry for years, where were you, pushing their agenda and controlled opposition as if they would save us?

Rand Paul Places the Interests of Israel Ahead of the Interests of the United States of America

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Rand Paul has stated his foreign policy. It is clear that he views Israel as his home nation and the United States as a proxy regime of his people, Israel. He is a fifth columnist of Israel seeking to ruin America. Listen to him state for himself what I have being saying for years are his anti-American objectives:

http://www.youtube.com/watch?v=l0jIQ-YxnkE

I warned that this was the Pauls' policy back on 11 January 2008, and several times thereafter.

See for example my articles:

Ron Paul's Radical Zionism Comes Out in the Debate, January 11, 2008

Rand Paul Vindicates My Accusations that His Father Ron Paul Is a Loyal Zionist, November 07, 2010

Libertarian Lies Persist Despite the Facts, January 31, 2011

I have been the only one pointing out these proven facts to you. The White Nationalist and Anti-Zionist media have been relentlessly pushing the Pauls on you the entire time I have been warning Americans against these vile enemies of our nation and our people. Note that Paul freely states that his and his father's policy is that of Netanyahu.

The bankers would rather steal our money and send it to Israel, then openly have the our government give them a handout. There are religious and political reasons for this. As I have stated many times, this will bankrupt Israel's enemies and increase Israel's theft of American monies to the point where it bankrupts us, while freeing more of the government pie for military expenditures.

Rand Paul is an enemy operative in our government. We need to form a political party and purge the State of these traitors. When will you pay attention to what I am saying and begin to act on it?

Gordon Duff's Tribal Ally John Kerry (Kohn) Rattles His Circumcised Saber at Iran

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Jewish Gordon Duff made some quite revealing disclosures recently on Jeff Rense's internet radio program. According to Duff, he does business in Israel and has close and very friendly relationships with the Israeli intelligence community. Duff is a cheerleader for the jews' puppets Barack Obama and Chuck Hagel, and he, Duff, is a strong supporter of John Kerry (Kohn) who not only insured G. W. Bush's reelection, Kerry-Kohn is taking his nomination for Secretary of State as an opportunity to wave his unsheathed saber at Iran.

Kerry-Kohn is a member of the jews' fifth column in America. He should be arrested as an enemy subversive spy and tried for treason and acts of war against the United States of America. But he is Gordon Duff's pick, and evidently his Israeli friends and partners as well.

I wasn't quite sure what it was Duff was saying about Netanyahu, but it appears that he is a few

degrees of separation from him through a mutual friend, or something like that.

Have I understood you correctly, Mr. Duff?

Jews Love Buzzwords: Meet Yair Lapdog. . . Lapid

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The chairman of the Yesh Atid Party, Yair Lapdog, uhm, Lapid is about to be kicked upstairs to become the PR man for Netanyahu and Likud. The Jews love buzzwords, especially ones which evoke emotion and stand between reason and the brain. They save the jews the painful burden of trying to be creative and promote their ingroup mentality.

The new buzzword of choice is "red line". Red like commie, red like Rothschild, red like blood, the jews' drink of choice. Yair Lapdog has presented his "red lines" for anointing Netanyahu as head of the undead. Lapdog demands that Netanyahu draft the ultra-Orthodox head bobbers, something Netanyahu already planned to do, and that Netanyahu engage in peace talks, something Netanyahu can sabotage at any time by having Mossad commit a false flag.

Yair Lapdog is fresh meat, soft clay Netanyahu will mold in his image. I cannot help but suspect

this was done by design to create a false impression of Israel as if a moderate State.

It is truly amazing how the media sought to distance Israel and Jewry from Netanyahu immediately after his victory. But in what sense is Lapdog a moderate, a just man, a friend of peace? Has he called for reparations for Palestinians? Has he demanded that Netanyahu be prosecuted for his crimes against the Palestinians in Gaza and the West Bank? Has he demanded that Israel abide by UN Resolutions and the fundamental precepts of human decency? No, but he has a nice smile! Shakespeare reminded us to beware the smiling man. Beware the jew lapdog Yair Lapid.

Lapid has not stated his position on Iran, as far as I know. What are the red lines in his bloodthirsty jewish eyes? As far as I know, all he has done is agree with Netanyahu, or add to his political leverage against both left and right to expand Israel's military. The jews need the ultra-Orthodox in the Army as a demographic reality. Their numbers are growing. They will also add the Kosher salt to the Army which will further radicalize it and teach it the religious justifications for its genocidal inhumanity.

Don't be taken in by the spit and polish of the Lapdog Yair. It hides a rabid jew foaming at the mouth for blood.

Shuffling the Israeli House of Cards: Don't Believe the Hype

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The left leaning Jewish mass media is engaging in a PR campaign for Israel. They are making it appear that Netanyahu has been weakened by the elections, while conceding that he is likely going to remain Prime Minister.

The Israeli Knesset is composed of a sliced pie of various parties. It is not unusual for the electorate to shuffle their votes among the various parties each election cycle. Netanyahu called for early elections to afford the opportunity for such a change.

Kadima is the big loser of this change and The Jewish Home and Yesh Atid are the winners, together with Netanyahu. The leftist media is pretending that Yesh Atid's apparent victories are a blow to Netanyahu, but such is not likely to be the case.

The aggressive theft of Palestinian territory will continue and it will be the Palestinians who will be forced to try to form a coalition in the Knesset against it, not Netanyahu, who will need no coalition to continue the illegal aggression, but will instead profit politically from being the ringmaster of the fight. What chance do the Palestinians have?

Yesh Atid is not so much a political party with a strong platform, as a cult of personality

centered around actor Yair Lapid, who has presented no vision for change. He is instead a jumble of glittering generalities which favor Netanyahu and the warhawks. Lapid wants the economy to improve, inviting in the bankers who are stretching their jaws and waiting in the wings to feast on the carrion of the election. More money in Israel means a stronger war chest.

Lapid also favors conscripting the ultra-Orthodox into the military which will further strengthen and radicalize it. The Talmud thumpers with beards and covered heads will preach to the Orthodox, Reformed and Secular jews the "Torah" instructions on how to genocide the Palestinians and take over the World. The "True Torah" of these fanatics includes the Talmud and Cabalah, and is by no means limited to the law of Moses, but defers to the authority of the rabbis in all things.

Likud, which unabashedly joined forces with Yisrael Beiteinu a continuation of Jabotinsky's terrorist Zionism, apparently has garnered almost a quarter of the vote, making it, Netanyahu's party, the big boy on the block. The media is spinning this as if Netanyahu must make concessions to remain in power so as to ease international tensions in the media's campaign of PR for Israel, but their analysis is not only flawed, it is absurd. Because Netanyahu runs the winning party, it is the other parties who must come to him with offers.

Netanyahu failed to win an overwhelming mandate, but we must wonder if this is by design so as to provide cover for Israel. The timing of the election is the key to understanding the break down of votes. Netanyahu has set a time table for attacking Iran of mid-Summer 2013. The early election kicked out Kadima and created Yesh Atid. It gives Netanyahu's war cry legitimacy as Israeli policy to the jews.

It would be helpful, though impossible, to know exactly how the voters from one party sent their votes to another party, precisely how the vote was reshuffled. In any event, let the genocidal jews learn from this election that the World is against them and wants to contain their aggression, and that jewish media is forced to cater to this reality.

It is not incumbent upon Likud Yisrael Beiteinu to redefine itself, they already favor conscripting ultra-Orthodox jews and doing so will favor their war plans and further radicalize Israel. The burden instead rests with the personality cult Yesh Atid to take on some meaningful substance, which it will be reluctant to do.

The Devil Has Played His Hand Well and Joshua Is Back in Town

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Today, 22 January 2013, Israel unveiled itself as what it has always been, a theocracy of genocidal fanatics. The Jews plan to nominate Chuck Hagel for Secretary of Defense so as to whip up the Israelis and sway them to vote for warhawk leaders worked very well, assisted in

small part by the Jewish "alternative" media who helped to create the ridiculous illusion that Hagel is anti-Israel.

The Palestinians can therefore thank their Jewish "anti-Zionist" guardian angels for the plight that is about to befall them. What is it that the Torah so many of you respect tells the genocidal jews to do to the Palestinians? *Deuteronomy* 6:10-11; 9:1; 19:1; 20:16,

"And it shall be, when the Lord thy God shall have brought thee into the land which he sware unto thy fathers, to Abraham, to Isaac, and to Jacob, to give thee great and goodly cities, which thou buildedst not, And houses full of all good things, which thou filledst not, and wells digged, which thou diggedst not, vineyards and olive trees, which thou plantedst not; when thou shalt have eaten and be full; [***] Hear, O Israel: Thou art to pass over Jordan this day, to go in to possess nations greater and mightier than thyself, cities great and fenced up to heaven, [***] When the LORD thy God hath cut off the nations, whose land the LORD thy God giveth thee, and thou succeedest them, and dwellest in their cities, and in their houses; [***] But of the cities of these people, which the LORD thy God doth give thee for an inheritance, thou shalt save alive nothing that breatheth:"

Joshua 6:19-21; 24:13,

"But all the silver, and gold, and vessels of brass and iron, are consecrated unto the Lord: they shall come into the treasury of the Lord. So the people

shouted when the priests blew with the trumpets: and it came to pass, when the people heard the sound of the trumpet, and the people shouted with a great shout, that the wall fell down flat, so that the people went up into the city, every man straight before him, and they took the city. And they utterly destroyed all that was in the city, both man and woman, young and old, and ox, and sheep, and ass, with the edge of the sword. [***] And I have given you a land for which ye did not labour, and cities which ye built not, and ye dwell in them; of the vineyards and oliveyards which ye planted not do ye eat."

Isaiah 54:3,

"For thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited."

Zephaniah 1:13,,

"Therefore their goods shall become a booty, and their houses a desolation: they shall also build houses, but not inhabit them; and they shall plant vineyards, but not drink the wine thereof."

But the Palestinians are not the only ones to suffer. The big jews are planning to invest in Israel in a big way, using the money their puppet Obama helped them to steal from America. They are also planning a color "revolution" in America, and the color is gold and the banner is being carried by the jewish Libertarians, our new Communist subversives posing as if anti-Communists, just as the jews pose as if "anti-Zionists" to serve Zion.

The jews believe their god gave them all the gold of the world on Sinai when the Goyim refused the Torah and they intend to steal all our gold and bring it to Jerusalem to decorate the city and to fill the temple they plan to build after bombing the Dome of the Rock above the Wailing Wall. The jews want us to place all our gold on the open market so they can snatch it up. They want us to expose our reserves and private gold to the market place, where they will inevitably consume it all in very short order.

But these are small things. Of most pressing concern is that Netanyahu wants to bomb Iran and trigger a nuclear Third World War.

The jews will now back off of Hagel. He has served them well. Beware the next hero the "anti-Zionist" jews offer up as your savior.

We can stop all this if you will act. I cannot stop them by myself.

The Jews Don't Want to Take Away Your Rights. They Want to Take Away Your Lives, Your Gold and Your Nuclear Weapons

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jews are very good at filling your heads with sophomoric drivel which blinds you to physical reality and prevents you from taking action to control the physical world. They have you defining yourselves in isms and abstractions that have nothing to do with your nature, biological needs, or physical mechanisms of self defense.

The jews cannot put your rights in a vault and earn interest on them. They don't want them. But the jews can put you in the grave and never be bothered by you again. They can seize your gold and fill Jerusalem and their temple with it. The genocidal jews can steal away our nuclear weapons to Israel and aim them back at us. For the jews, isms and abstractions are paintings on the tunnel wall that you ponder as they march you into slaughter house. They are after practical physical results, your physical destruction and your goods.

The jews are very good at bs'ing you. They have had thousands of years of practice. Judaism has deep roots in astrology, the sevens they love come from their ancient understanding of the number of planets where the Goy gods reside, 10 apiece. From ancient times to the present, the jews have been hawking astology, ET's in the form of angels, demons and gods, black magic and fortune telling, etc. These are not new manifestations.

The jews have also been the manufacturers and merchants of destructive utopian political, religious, scientific, metaphysical and philosophical theories for thousands of years. Utopian Christianity killed off the European gods and Communism killed off tens of millions of Europeans. The means is mind control and the end is death.

The jews first kill your gods, your thoughts, dreams and means of defining yourselves, so that they can provide self destructive replacements. The jews are killing our American gods. They are destroying our rights, corrupting our sense of national identity and ridiculing and misrepresenting our founders. The murder of our rights and beliefs is only a means, not an end in itself. The jews' goal is to exterminate us.

Once our gods are dead, the jews substitute new idols of their manufacture, in the instant case, Libertarianism and Communitarism, which merge into Jewish totalitarianism in the form of "Galt's Gulch" and "No Labels". They want us pissing in the wind to find a new way to be something, rather than feeling secure in what we are as organisms, the real ism that counts.

As far as the jews are concerned, you have no rights and if you assert any, you are just being uppity and the jews will use your abstract desires, dreams and beliefs to manipulate you into taking physical action, or lead you into inaction, which benefits them. If they want you to gallop, they will give you free rein and a sharp spur in your ass, but it is the jew who rides and the Goy who runs.

The real world situation is war. The jews are killing the White organism, exterminating us. The battlefield has multiple fronts, but the biological enemy is the physical form of the jew. Preserving your other isms will not rescue your organism as long as you fail to eradicate your biological enemy, who has refined the art of the subterfuge of all your idealisms.

The best of means of destroying the enemy is with maximum physical force. Maximum force presently resides in the American military. To control its physical power we must control our

government. To control our government, we must control our politics. To control our politics we must organize a war party. This is an urgent matter of life or death, which requires manpower, media and money.

Gun owners are fond of saying that guns don't kill people, people kill people. Know that rights are also mere tools which affect nothing if not guided by our wills to enable us to take real physical action.

We do not need the enemy to acknowledge our rights for us to act, and if we fail to act in the physical world our rights are illusory and an abstract distraction. When you hold a gun in your hand, a jew can tell you that it is not real, but that will not make it unreal. When you hold your rights in your heart, a jew can tell you that you do not have them, but that will not take them away. But if you tell yourself that your rights are enough to protect you and you put down your gun, the bullets in it will accomplish nothing for you and the jew will pick up the gun, aim it at your heart and pull the trigger. Witness the absurdity of the Christian martyr who surrenders himself to execution without a fight believing he has defeated the enemy and death, and that the entrance to paradise passes through the gates of the grave.

Think practically, maximum force is needed to defeat the enemy jew. Maximum force resides in the American military. The American military is already ours. All we need do is organize a political party and win elections and we will have control over the weapons we need to take our freedom, and means to live, with full physical force. We will then not just be talking like hens picking at worms growing fat for the slaughter, we will take physical action to defeat our enemy and to promote our continued existence as White organisms in living space we fully control for

our benefit. We can then maximize our Western genius to guarantee our survival and promote the health and expansion of our populations around the World.

We are in a competition with non-Whites for survival and control over our own fate and territory, our own genes. The jews mystify this physical reality by calling it "White racism", so that they can trick us into neglecting to protect our White organism. They do not want to take our rights, which do them no good. They want to take our lives, so that they will ascend to the top of the human ladder, for they view Whites as their only true competition. They want us wasting precious time deliberating over the countless isms they throw at us so that they can bury our White organism under a dark cloud of delusions and mysteries.

Whispers in the wind will accomplish nothing. Whateverism, Judaism, Zionism, Elitism, et ceteraism, the physical organism killing us is called "jew". Our first concern is to take physical action by controlling our government to wage war against our biological enemy.

Think scientifically, not metaphysically. The modern stage is a battlefield, not cosmic gobbledygook littered with jewish abstractions.

White Vanity

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Whitemen, the jews do not want to enslave you, for that they have already done. The jews want to kill you, each of you, all of you. You had better wake up and learn the distinction between slavery and extermination, so that you can see the lethal traps they have laid on your path to freedom.

The jews have no need of White slaves, other than to satisfy their sexual perversions, perhaps, but realize that their greatest perverse pleasure is in mass murdering you. If the jews wanted to keep you as slaves in the jewish messianic era, they would not have poisoned you and your lands. They would not have destroyed your industry and salted your fields with GMO's, herbicides, pesticides and radioactive materials which are increasingly sterilizing you.

No, the jews don't want you to draw breathe, let alone tote their plows. They have billions of Chinese under the Jewish Marxist yoke to slave for them. The jews have allotted perpetual slavery to the Blacks, not the Whites. The Whites' lot is to perish from existence.

Whites, you have committed the mortal sin of superiority to the jews. Your Greeks and Romans defiled the jews' temple, which means to the jews that your gods and your seed are stronger than theirs, and so must be completely exterminated.

The only hope we Whites have to survive is for us to take control of our American Government

and our nuclear weapons. We must free Europe from the jews and can only do so with the power of our State and our military force. The jews have no more use for European slaves than for American slaves, and their goal is to erase us from the scrolls of human history.

Do not flatter yourselves with talk of a global police state. Face the fact that the jews want you dead.

What Will Happen if the Jewish Libertarians and Communitarians Succeed in Inciting a Revolution or Civil War in America

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Jews are planning a harvest. When the parasitic Jews implode a host after having rotted it out, the Jews steal all they can from the corpse. They claim to have done this to Egypt, when they stole the Egyptians gold, silver and jewels, after borrowing them from the loving Egyptians. When the Jews imploded Imperial Russia, they stole the gold and wealth of Russia and sent them to London and New York.

The USA has lots of gold. We also have many, many nuclear weapons that the Jews would love to have. The Jews also want to internationalize and balkanize America. And the Jews want to kill

off hundreds of millions of US. These are the American jewels the Jews will rob the US of when they castrate our country.

Immediately upon any hint of an insurrection, the USA will surrender sovereignty to the United Nations. Immediately in the UN, the US Government will sponsor initiatives to institute an international gold currency, and the US will surrender all its gold to the UN and it will go straight to Israel. Immediately in the UN, the US Government will state that American nuclear weapons are not safe from the "rebels" and pose a threat to Muslims, Russia and China. The Christian Zionists will be inflamed to demand a war on the devil and an apocalyptic nuclear war to provide the pretext for the UN to claim our nuclear arsenal. The Jews will steal our nuclear weapons and bring them to Israel.

Several weapons will be used to attack the American People. Famine will murder hundreds of millions of us. Our air, land and water will be poisoned as the Jews bomb our nuclear power plants and scapegoat the "rebels". The Jews don't want to win the revolution or to have the American Government triumph over the American People. Instead the Jews want the American People to kill off one another and destroy the American Government. The Jews want complete destruction of the American People and the American Government.

We are not the prize. Our government is not the prize. The Jews want our gold and our weapons, and they want us dead.

View the Jews calling for revolution, coup d'etat and civil war as the new Trotsky's and Lenin's, the new Mao's and Pol Pot's. The "alternative" media pushing you to destroy yourselves and

place our gold on the open market are the new Comintern. They don't want you to even consider what will become of our nuclear weapons when they provoke you to reduce America to chaos, famine and absolute poverty.

The Jews are not so much interested in reducing America to a police state, as they seek to mass murder us. The Jews are not arming the government against us, and us against the government, so that one or the other triumphs, but so that the maximum number of us die at our own hands. Famine and disease will claim those not shot dead or poisoned to death in very short order.

Now imagine what we can accomplish if we turn the will and the arms of American civilians and government against the Jews who want us to destroy ourselves.

The Declaration of Who We Are and What We Must Do

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Declaration of Independence iterated many of the abuses the Jews inflicted upon Americans through their influence on the Crown, but it did not do such a good job of defining

who we are as Americans, because it was obvious to those who wrote it who they themselves were. Nearly two and one half centuries of corrosive Jewish influence have made it less obvious to many Americans who we are and who is inflicting genocidal abuses upon us.

Allow me to restate the Declaration of Independence to more clearly identify our enemies:

The Jews have refused and subverted any Assent to Laws, the most wholesome and necessary for the public good.

The Jews have used their disproportionate and antagonistic influence over American media and government to corrupt them so as to forbid our Governors from passing Laws of immediate and pressing importance, unless suspended in their operation till the Jews' Assent should be obtained; and when so suspended, the Jews have utterly and deliberately neglected to attend to them so as to weaken our nation.

The Jews have subverted the rights of Whites to self determination to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to Jewish tyrunts only.

The Jews have called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with the Jews' measures through the use of traitorous Jewish controlled "think tanks", the Jewish

operated Federal Reserve, the corruption of White universities and the control and coercion of Jewish media, among other means.

The Jews have effectively dissolved Representative Houses repeatedly, for opposing with manly firmness the Jews' invasions on the rights of White people, filling them with a fifth column of Jews warring on the nation, and those who serve Jewish self interests over the interests of Whites.

The Jews have refused for a long time, after such subversive dissolutions, to cause others to be elected; whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within instigated, maintained and promoted by the Jews.

The Jews have endeavoured to prevent the population of these States with proportionate White populations; for that purpose obstructing the Laws for Naturalization of Foreigners to favor demographic changes which necessarily result in White genocide; refusing to pass others to encourage the migrations of Whites hither, and raising the conditions of new Appropriations of Lands to increase White influence and living space.

The Jews have obstructed the Administration of Justice, by refusing their Assent, while maintaing disproportionate and hostile influence, to Laws for establishing Judiciary powers where Whites are entitled to legal

representation of their choosing, in courts where Judges, Juries and Prosecutors are their White peers, instead substituting Jewish and non-White judges, non-White Juries and anti-White prosecutors whenever and wherever the Jews have the power to do so.

The Jews have made Judges dependent on their Will alone, for the tenure of their offices, and the amount and payment of their salaries.

The Jews have erected a multitude of New Offices, and sent hither swarms of Officers to harrass our people, and eat out their substance.

The Jews have kept among us, in times of peace, Standing Armies without the Consent of our legislatures, including Christian Zionists created, funded and encouraged by Jews to arm themselves and wage war on the world in favor of the Jews and to support politically illegal wars for the benefit Jews and against the best interests of Americans.

The Jews have affected to render the Military independent of and superior to the Civil power and to create hostilities between American civilians and the American Government for the purpose of destroying both the citizenry and government of the United States of America.

The Jews have combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving the Jews' Assent to their Acts of pretended Legislation:

For Quartering large bodies of armed troops among us:

For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States:

For cutting off our Trade with all parts of the world:

For imposing Taxes on us without our Consent:

For depriving us in many cases, of the benefits of Trial by Jury:

For transporting us beyond Seas to be tried for pretended offences

For abolishing the free System of English Laws in a neighbouring Province, Bolshevik Canada, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments:

For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

The Jews abdicated participation in Government here, by declaring us out of their Protection imposing only and always what is best for the Jews and waging perpetual War against us and all of mankind.

The Jews have plundered and poisoned our seas, ravaged our Coasts, burnt

our towns, and destroyed the lives of our people, feeling only hatred toward us, our land, air and water, forever designing and carrying out the mutual destruction of all of these.

The Jews at this time transporting large Armies of foreign Mercenary immigrants to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

The Jews have constrained our fellow Citizens taken Captive by the Jewish religion and undue Jewish influence to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

The Jews have excited domestic insurrections amongst us, and have endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages and their decedents in Latin America, the Asians and the Africans, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

Now that we have declared our enemy, let us identify ourselves. America was created by White Europeans as a nation dedicated to securing and preserving White self determination, freedom and living space.

The Jews have always and only been at war with White Europeans. The Jews declare genocidal

war on all others in the Old Testatment, the Talmud, their major and minor Cabalistic works and the writings of their people throughout the millennia. The Jews openly state that they will rule the World through usury and war and will exterminate all but their slaves, leaving upon the inevitable option of genociding them as well.

It is the national policy of the Jews to destroy humankind as the inevitable means to subject it to absolute Jewish supremacy over all others. The Jews have dubbed this their "Samson Option", but it is not an option, rather a determined course of action. The Jews are waging unrelenting war on humankind to exterminate it. If non-Jews do not lay down and die without force, then the Jews will employ force to erridicate all non-Jewish life.

The Jew Michael Higger iterated the Samson Option in 1932 as a Jewish declaration of war on the United States of America and all other gentile nations. In his book *The Jewish Utopia*, Michael Higger declared genocidal war on all nations and on the right of all nations to self determination, and slated for extermination any and all peoples and persons who would declare independence from Jewish world domination. Higger was merely reiterating and condensing the tenets of the Jewish supremacist Old Testament into a mantra for White genocide:

"Righteous Unite! Better destruction of the world than a wicked world!"–M. Higger, *The Jewish Utopia*, The Lord Baltimore Press, Baltimore, (1932), p. 19.

According to Higger and his ancient and modern Jewish sources, only Jews who are loyal to Jewish world domination and Gentiles who accept abject slavery to the Jews will be allowed to survive. All others will be exterminated by the Jews and their army. There will be absolutely no

right of self determination for any group other than Jews and no nation may exist other than the Jewish nation.

In 1941, the Jew Theodore Newman declared a genocidal war of extermination on the White Nation of Germany in his book favored by FDR *Germany Must Perish!*, which Jewish war continues and will persist until the Jews are rendered powerless. Kaufman's book reveals the Jews' desire to erase Whites from the book of life.

The Samson Option is as old as the Samson myth. The Jews insist that we submit to total slavery leading to extermination, or submit to immediate extermination. The Jews have openly stated that they will not coexist on earth with any free people. The Jews openly state that they will never relent in their war to exterminate us. The Jews have no place in America. They are waging war on us and we must fight back with the full force of the State. We must do so now, right now, this very moment. We must remove the Jewish tyrunts from our civilization, before they remove our civilization from us.

Turkish Foreign Minister Ahmet Davutoglu Is Trying Get Assad Killed

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Turkey's Davutoglu stated, "Is there a secret agreement between Assad and Israel?" I suspect the jews want Assad dead. They may even bomb his palace in the near future.

With Syria taken out, Turkey and Israel will share the air space over Syria and Iran will be in a bad position to strike back against either nation. With Saudi Arabia also in the jews' camp, Israel may well strike Iran very soon. Jordan is dead center and the jews may push the Palestinians from the West Bank into Jordan, or they may simply genocide them.

If we show the political will to fight back, we can save countless lives, including our own. It is time, perhaps the only opportunity we will have left, to fight back.

Poor Syria Is Caught in a Death Grip Between Jew Controlled Turkey and Saudi Arabia, as well as Israel

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Ahmet Davutoglu, Turkey's Foreign Minister, is goading Syria to counter-attack Israel. He declares that Turkey will not stand by while a Muslim country is attacked, but instead of attacking Israel with military force for attacking a Muslim country Syria with military force, Turkey is instead attacking Syria, with military force in a military farce! See:

Turkey slams Syria's inaction over 'Israeli strike'

Turkey has stood idly by as jewry has invaded the Palestinians' land for decades and has not taken military action against Israel for the jews attack on the Mavi Marmara. Why? Because Turkey is a jewish controlled country and has been for hundreds of years and the Mavi Marmara attack was a staged event meant to increase Turkey's influence among Muslim nations so that Turkey could help Israel to destroy Muslim nations.

When Israel attacks Syria and Iran, Saudi Arabia and Turkey will be Israel's ally, not Islam's

protector. These two nations could have led Islam to rescue the Palestians at any point since the Second World War, and instead have only aided the jews. Not because the people of Turkey and Saudi Arabia want it this way, but rather because the leadership of these countries is jewish. A nation cannot permit jews in its territory. They will always subvert the interests and sovereignty of the host country and its people.

When Turkey and the Saudis squeeze Syria, which direction do you think the blood will flow, towards Israel, or towards Iran, Afghanistan and Pakistan?

But it is chaos the jews want, and the Turks and Saudis will not be spared for their service to the jews.

Israel Is Clearing Its Flight Paths

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I believe Israel is about to attempt to takeout Syria's Assad directly, either bombing him from the air, or with an assassin. I suspect the former. I suspect the jews' fifth column in America and in Turkey have signed off on this plan and given their full approval and support.

Israel chose its targets carefully in its recent strike on Syria. The jews want to clear their flight paths and cannot afford to lose any of their military aircraft. They want to be able to bomb Beirut, Aleppo, Damascus and Tehran with impunity.

Israel cannot do to Iran what it had America do to Iraq. It does not have the navy it would need, nor the airforce. But with Turkey's support, and then NATO and the USA, it could annihilate Iran.

Nuclear bombs would be easiest, but I suspect there is growing resistence to the jews' plans to nuke Iran and to nuke the USA with a false flag attack on us. They may yet try this, but I suspect it becomes less likely as they build up support in America and Turkey and concurrently weaken Syria. But do not misunderstand me, the danger is still there and we must keep up the pressure, which is why I am expressing some optimism, to encourage you to work harder not to fall into complacency.

If the jews succeed in igniting a nuclear war between Pakistan and India, then all bets are off. Iran has very limited means to strike back at Israel. The Saudi leaders are crypto-jews. Turkey will help guard Israel and the skies over Iraq and Syria.

Israel can hurt Iran but not destroy it. They must know they have the absolute ability to bring in the US and Turkey once the conflict begins. It cannot be their objective to merely destroy Iran's airforce and bomb its nuclear facilities.

They are luring in the Turks with the promise of pan-Turkey which is interrupted by Iran. If

Azerbaijan and Turkmenistan take over northern Iran, pan-Turkey will be complete. That is the bait for those Turks not already in bed with the jews.

If the jews can force Iran to counter-attack, then the Saudis will join in the fight and Israel will have multiple flight paths to hit Iran. Jordan will follow suit with whatever the Saudis do.

The combined forces of Israel, Turkey and Saudi Arabia could make quick work of Iran, even without American or NATO support. Saudi Arabia will use the gulf as a pretext to strike, and Turkey will need no excuse. Turks do as the army asks.

Had Netanyahu won a mandate, things would be even worse than they are. Keep up the pressure. Public opinion counts for alot.

MAP to World Peace: White MUTUALLY ASSURED PRESERVATION

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jews have created a system of mutually assured destruction, whereby, at the time of its

inception, almost wholly White nations targeted each other with nuclear bombs placing us in perpetual war with each other and separating us from guaranteed death, assured extinction, by the mere whims of the jews who control the leadership of these nations. This same accumulation of nuclear weaponry can be put to humanitarian use to ensure the preservation of the White race for as long as human life is possible on our planet.

The jews have repeatedly turned Whites against themselves. In modern times, the jews created the Protestants and pitted them against the Catholics, after having pitted the Catholics against all indigenous religions in Europe. The jews created the Kulturkampf in Germany. They repeatedly pitted the French against the Germans. The jews made allies of the English, America's repeated enemy, to have Americans attack the Germans, our natural allies. Then, the jews turned the Russians--America's allies in the Civil War, WW I and WW II--against America, and America against Russia. The jews had been pitting Western Europe against Russia for centuries and spread all kinds of genocidal propaganda against Russia accusing the Czar of being the anti-Christ. This process continues.

But what would happen if we Whites today reject the jews' war on us, refuse to target each other with death, and instead agree to defend each others interests, rather than guaranteeing each others demise? What if we use our near monopoly on nuclear weapons to destroy the jewish enemy and free the world from the jews? What if we use our advantages to our advantage to secure North America, Russia, Europe and Australia as White territories?

We should never feel guilty that we have an edge and we should never surrender our advantages. Nor should we take advantage of it to perform immoral acts. But we Whites are

honored by nature to be humane. The jews have used this against us, but if we depose them we can put our beautiful natures to work to secure our interests around the world, and make us loved as we Whites were before America changed its color tone to brown. White America was a beacon of light to the world, before the jews made a false flag attack on the World Trade Center and used this as a pretext to attack humanity and destroy America through unwinable perpetual wars.

But our past is proof of the possibilities of our future. Whites can again become the beloved guides of humanity, if we act according to our natures. In addition to our innate humanitarian spirit, Nature has provided us with a will to survive and a will to defeat our enemies.

If we claim what is already ours, our White flesh, our White territory and our White weaponry, and direct these to our mutual benefit, we Whites will be in a glorious position of MUTUALLY ASSURED PRESERVATION! There is no need of poverty, war or civil strife. We have the people, land, water and air that we need to provide all we could possibly want. It is only the jews which prevent us from utilizing what we already have to provide what we need and want. So let's get rid of the jews and their influence as we instinctively would any other aggressive enemy, and assure the mutual survival of the White Peoples of the Earth.

Stop lamenting the fact that Whites own vast territory and comprise the largest pool of human genius and weaponry, and let us put them to use for our interests and preservation. Let us do it now, this very instant, by your reading this plea and understanding that it signifies the continuation of our People for you to agree to it, and so do agree. Now help me to force the White governments to implement what we White People have already resolved.

Chuck Hagel's Campaign to Eliminate Whites' Strategic Nuclear Advantage

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

If Whites of the United States of America were to unite with the Whites of Russia, as we did during the Rothschild's Civil War in America, we would control 96% of the nuclear weapons in the world. The jews know that such a unification of White force could easily destroy jewry and guarantee White preservation for the foreseeable future.

Enter Hagel, Obama and Medvedev in 2008/9, each Kosher certified, and "Global Zero" which would disarm Whites of their nuclear weapons on the same schedule that Whites will be disenfranchised in their own nations if they fail to act.

But the real goals are a hidden in this agenda. On the one hand the jews want to unleash these weapons, but cannot due to the refusal of those in the military in America and Russia. Failing the ability to instigate an apocalyptic nuclear war, the jews will try for a limited nuclear war, and

then when the horrors are made public, they will call for the removal of nuclear weapons to Israel. That failing, they will call for removal of nuclear weapons from White nations, so as to give their nuclear arsenal an advantage and to increase the advantage of China's conventional forces.

The jews have many fall back plans, and Hagel is a key figure in one of them.

I hope I can convince my fellow White Americans that their rights to their nuclear weapons are even more important than their rights to their personal small arms. We have to secure these weapons in White hands before demographics, if not the jews themselves, take them from us.

We must also work toward an alliance with other White nations, which will give us absolute power over the world, rather than mutual assured destruction. And we must demand our sovereignty and rights to self-determination and deport the disproportionate non-White immigration of the past few decades, keeping the best, being humane to the rest and relocating them in places which favor our interests and theirs.

Beware Hagel, he wants Whites to become powerless.

Netanyahu Is Creating the Conditions for Scapegoating the USA for an Israeli False Flag Attack on Iran

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Netanyahu, Kissinger and other prominent jews are telling the world that Israel cannot effectively destroy Iran's nuclear capabilities and therefore the US must do so. These jews want it to appear that any attack on Iran will come from America, so that when Israel hits Iran the world will suspect the USA, not Israel.

The traitor and jewish puppet Obama has supplied Israel with American weapons to attack Iran. The Israelis will attack and deny that they have done so, and instead use the media and their politicians to scapegoat America.

The jews have always scapegoated the Goyim for their crimes. It is a national religious rite that they perform yearly, and they have created the myth that the chief god of the Goyim, Sammael, accepts a goat once a year and places all the sins of all the jews on the heads of the Goyim. Scapegoating others, and especially doing so to manufacture wars by pitting peoples against each other, is a jewish religious duty.

Such is America's curse for blessing the jews with military supplies.

Israel Would Not Attack Syria Without Controlling US and Turkish Fifth Column Support

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Israel would not attack Syria if it did not feel confident that it had complete control over the US Government. They are certain they have the ability to draw America into any war which erupts between Israel and Syria and Iran. But Syria is no problem for them, not because they have the ability to draw upon American backing alone, but rather because Turkey is itching to intervene on Israel's behalf. In addition, the jews have in place plans to launch false flag attacks around the world and horrendous attacks within the USA.

Iran is obliging Israel's desire for war. It is obvious that the Iranian Government is as coopted as is ours. Note that their media propaganda in America is written by known agents of the jews, and that their press releases in general are so poorly written as to be obvious instances of self sabotage.

Iran has pledged itself to declare war on any nation which attacks Syria. Israel would be better to served to let Syria weaken itself before attacking it, if Syria were the jews ultimate target, but it is not. The jews want a pretext to attack Iran and to draw in America, Turkey and NATO.

They will soon have it, and Iran is helping them to do it.

The Gold "Color Revolution" in America, Organized and Financed by Jewish Billionaires, Er Uh. . . Trillionaires

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Obama Presidency has been an unceasing incitement to revolution, by design. I pointed this out back in 2008 in a couple of articles, and then many times after that:

Jewry Stabs America in the Back and Openly Steals 700 Billion Dollars from the American People: A Deliberate Provocation to an American Revolution, October 03, 2008

The Jews Are Provoking Us to Revolution, Much Like They Did to Russia in 1905 and 1917, November 19, 2008

The jews know that it will be much easier to provoke Whites to revolt against a Mulatto usurper whom they falsely portray as if a Muslim and a Marxist, then it would be to incite Whites to revolt against a White usurper President. The jews used Ron Paul, who is their boy, to plant the

seeds of the idea of revolution, but did not want him to win, because his followers would not revolt against him. They also chose McCain and Romney to be weak candidates to ensure Obama's success, as they had done in his Illinois Senate election campaign.

I recently wrote that Piers Morgan was chosen as the posterboy for gun grabbers so that the jews can scapegoat the British for their attack on our rights meant to incite us to revolution, but I forget to mention the subliminal aspect that the American psyche is conditioned to view American revolution as a revolution against the British. Obama again incites us to revolt by attacking our Constitutional rights to keep and bear arms.

The immigration issue is another provocation to White Americans to revolt. The kist is long and will grow longer.

Make no mistake about it, the jewish billionaires want there to be a revolution in American so they can destroy us and wipe their behinds with the Constitution. They are trying to provoke a Third World War, and if they succeed will only increase their efforts to drive us to revolution. They are deliberately making our lives miserable so that we revolt. We should instead take control of the government and use it to remove the source of the pain.

The Coming Fertility Wars

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jews are poisoning and irradiating Whites in millions of ways. They are deliberately sterilizing us.

As miscegenation becomes increasingly popular due to jewish advertising and control of our laws, and as Whites are made increasingly infertile, Whites will be encouraged to carry non-White babies and raise them through the process of in vitro fertilization using Whites as surrogate mothers. This will become mandatory even for fertile White couples, such that Whites will become breeders of non-Whites. Gays and Lesbians will lead the way in this push that genocides Whites.

In a crisis, we could potentially turn the tables and use non-Whites for surrogates of White babies and double our populations in one year by paying non-White mothers to perform this service. This would increase our numbers while tying up non-White women from making non-White babies. I am not advocating this, because nature is unkind to those who interfere in her work, and I do not know the long term effects or possibility of interracial in vitro fertilization with surrogate mothers.

But I am warning my White brothers and sisters that this is coming and it will be one of many factors that will eliminate us if we do not guard our own kind from extinction. If the jews succeed in their plans to instigate a nuclear WW III where Whites mutually destroy each other, the infertility of Whites will become a fait accompli.

White Territorial and Strategic Imperatives

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Imagine what will happen if the jews succeed in taking control of the nuclear weapons of the USA, UK and France, either by transporting them to Israel, or placing them under the control of subverted non-White governments in these nations. No longer will our nuclear arsenals serve to defend White territory and White strategic interests.

Further imagine that jewish Libertarians and White Nationalist leaders succeed in suckering Whites to drive themselves onto ever shrinking reservations in their own countries. The territory and military might lost will condemn Whites to extinction.

If you will help me place the *POWER PARTY* in control of the USA, we will ensure that the nuclear arsenal of the USA is placed in White hands and White hands only. We will demographically ensure that Mexico becomes White territory followed by all of Central America. We will split the pie of the Americas with the Latinos and provide incentives for them to agree to this and disincentives for them to oppose it. We will force the jews out of the US and Canada

and secure North America as White territory committed to White strategic interests.

We will work with Whites in Russia to employ their nuclear weapons in the defense of White strategic interests, rather than targeting Whites, the nuclear arsenals of the USA, UK, France and Russia will join in a strategic alliance to secure the future of Whites and White territories. With this unmatched power, we can disarm the nuclear capabilities of non-Whites and guarantee our future.

We will then be able to clean up the Northern Hemisphere so that our living environment is healthy and conducive to human life for the conceivable future. We will then be able to put an end to the jews' Samson Option of mutual assured destruction of Whites by their own arms. There is much we will accomplish, but I cannot do it by myself.

POWER PARTY Proposal for Humanely and Productively Resolving the Hispanic Invasion of the USA

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

History teaches us that nations which allow or actively promote demographic changing immigration end with their native population being subsumed by the immigrants. Asian

immigrants should be deported back to Asia. African immigrants should be deported back to Africa. Etc.

But should we deport Mexicans back to the dysfunctional nation of Mexico? Deporting Mexicans back to Mexico only accomplishes their expulsion from our country, and then only temporarily in many instances. The labor is lost, expenses are incurred and nothing other than removal is accomplished. It has been a very wasteful and unproductive process in the past.

South America and Africa contain vast lands which could be productively farmed if the labor were provided for the endeavor. Mexicans deported and transported to South America could be isolated if we reclaim the Panama Canal. We could arrange with the governments of Argentina and Chile among others to cooperate and create enormously profitable organic farming and ranching in these nations and the Mexicans would also benefit and we would guarantee their fair share in the profits. We ourselves would benefit from these healthy foods, and the restoration of a favorable demographic balance in America.

With the Mexican population reduced in America, we would have an easy time eliminating the gangs and cutting off the flow of drugs. At the same time, we would work with the Mexican government to industrialize Mexico and make it healthy and productive.

We might also be able to establish Latin American agricultural colonies in Africa with similar objectives and means. Within a few decades, we could substantially reduce the population in Mexico and leave it ripe for an expansion of American borders, opening up the door to a White North America for Whites to live in perpetuity in security.

I believe this would be a far more productive plan for everyone involved, than the current jewish design to turn North America into a dumping grounds for the Third World.

Guardians of the Unbroken Chain

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Thirty thousand years ago a man and a woman introduced their newborn son to the tribe. The babe was cold and hungry and cried out for his mother to feed him. She swaddled him in a soft deerskin and suckled him on her bare chest.

The young family's relatives and tribesman brought gifts and shared in the delight of a new life to carry on the unbroken chain. When all the others had gone, the Chief came and softly kissed the child. He uttered the traditional blessing, "In you we live forever. Bring us children as the ancestors brought us. Guard us all as we guard you." Then he asked the proud mother, "Do we have a new guardian,?" She answered tenderly rocking her baby as she smiled, "Yes, it is a boy. He will guard the unbroken chain and give us children."

Just then a neanderthal emerged behind the Chief of the Guardians of the Unbroken Chain and slit his throat with a razor sharp flint knife, which the Chief had given him as tribute. The cunning and deceitful neanderthals had duped the humans into believing that they were children of the gods. They demanded gold nuggets, skins, meat and sometimes children for sacrifices.

The neanderthal quickly pounced on the mother, but the father emerged from their shelter with a spear and the neanderthal retreated. Others from the tribe came and hurried to the dead Chief. The neanderthal dropped his knife and pointed at the new father with his bloody hand, and with his thick guttural neanderthal accent shouted, "He killed the Chief!"

The priest rushed forward, "Neanderthals cannot lie! Kill the killer, it is our law!" The new father thrust his spear into the neanderthal's heart. "Justice is done. The killer is dead," said the new father of the newborn guardian.

The priest pointed his scepter at the new father and shouted, "He has murdered our Chief and a child of the gods. He will bring us ill luck! Burn him while he lives! May the gods forgive us."

Men approached the new father, but the mother stepped in between them carrying in her arms the new life she had given the tribe. "The neaderthal killed the Chief and tried to take our new guardian," she said. She held up the limp hand which had carried the stone blade and shook off a spray of blood. "You lie!" cried the priest. She picked up the knife and rubbed it across the outraged priest's face. He raised a finger to wipe off some of the streak of blood and examined it. "This cannot be!" He shouted as he turned and left. Soon thereafter two of his sons came and

helped him drag the body back to the neanderthal's cave. They did not return.

The new father had never liked nor trusted the neanderthals. He called a war council and declared that the guardians must protect the unbroken chain from the neanderthals. With the priest gone, no one raised any objection.

The guardians hid the women and children in the forest, then surrounded the neanderthal cave. They could hear them angrily grumbling and barking in their language. The trader of the tribe who gave the tribe's tribute to the neanderthals translated the neanderthal's plans. They had decided to kill all the humans and burn the children as a sacrifice.

The guardians waited for the neanderthals to emerge from their cave and then pounced on them killing them all. The trader of the tribe implored them to spare the neanderthal females and young. The good natured humans agreed and let them go.

For thousands of years the neanderthals and the humans fought. The descendants of the young family of the Guardians of the Unbroken Chain never lost their distrust of the neanderthals and never accepted their offers of peace. They rose to become the Chiefs of the tribe and after thousands of years of warfare and desperate struggle finally defeated the last of the enemy race.

Other tribes believed in the neanderthals. These tribes all perished. None of their kind today remains.

But you are here, the end of the long unbroken chain of human life. Will you guard us and the next link and the next, so that our life will continue? Or will you sacrifice us all through your

cowardice and break the chain of life so many have fought to preserve?

Thousands of generations have loved our race and preserved us. Do the same, it is your destiny, as it was theirs and as it will be for as long as we are an unbroken chain of life.

You are the guardian. Do not fail.

Info on the Subversive and Hostile Jewish Fifth Column in America

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

For many years I have been warning that the jews in our nation are a fifth column of Israel waging war on us. Here is some recent information from others disclosing the fact that a fifth column exists in our nation hostile to our interests and sovereignty:

"Israel Can Rely on Fifth Column of Jews in the U.S." Says Former Ambassador

US Government Hostage to Israel? | Interview with Mark Bruzonsky

In this context I think it will be helpful to restate what I wrote back in 2006, to provide the religious context and justification that sponsor's the jews use of their fifth column and fourth estate as part of their aggressive war on America:

A State Within a State: The Racist Jewish Fifth Column and Fourth Estate in America, August 16, 2006

Racist Jews have always prided themselves on the fact that they form a subversive and hostile "state within a state" in the nations in which they live. We have a large contingent of these racist Jews here in America. One of the tactics racist Jews use to destroy their host nation is to promote hatred, racism and war. The racist Jewish Zionist Young Turks promoted hatred of Christian Armenians and mass murdered 1.5 million of them. This not only satisfied Jewish bloodlust, it discredited the Turkish Empire worldwide and led to its downfall. The racist Jewish Bolsheviks of the Soviet Union mass murdered tens of millions of Slavic Christians. This not only satisfied the Jewish desire for a sacrificial holocaust, it discredited the Russian nation and set it back hundreds of years. The racist Jewish Zionists placed Adolf Hitler in power to promote hatred and racist crypto-Jews created youth organizations whose purpose it was to turn the German youth into hate filled, warmongering racists. Racist Jews destroyed the German People with wars Jews financed and deliberately provoked.

Today, racist Jews are destroying America by promoting irrational hatred of Moslems and

perpetual war. The racist Jews plan to eventual destroy America, after the racist Jews have finished using America to mass murder Moslems. The racist Jews will then cry loudest of all that Americans are bloodthirsty racists who ought to be wiped off the face of the Earth, just as the racist Jews who were behind the Young Turks, the Bolsheviks and the Nazis turned on them and destroyed their nations. Racist Jews are duty bound to ruin all nations save Israel. They only pretend to back one side against another so that they can eventually destroy both "enemies"—racist Jews view all Gentiles as genetic enemies of the Jews. Though modern racist Jews are broadly smearing all Moslems as if disloyal citizens, it is the racist Jews who have always been disloyal citizens in the nations of the world, as many racist Jews have openly admitted.

The Jewish book of *Haggai* 2:22 states:

"And I will overthrow the throne of kingdoms, and I will destroy the strength of the kingdoms of the heathen; and I will overthrow the chariots, and those that ride in them; and the horses and their riders shall come down, every one by the sword of his brother."

Jewish author Maurice Samuel wrote in his book *You Gentiles*,

"Philosophies do not remold natures. What your radicals want is another form of the Game, with other rules. Their discontent joins hands with Jewish discontent. But it is not the same kind of discontent. A little distance down the road the ways part for ever. The Jewish radical will turn from your social movement: he will discover his mistake. He will discover that nothing can bridge the gulf between you and us. He will discover that the spiritual satisfaction which he thought he would find in social revolution is not to be purchased from you. I believe the movement has already started, the gradual secession of the Jewish radicals, their realization

that your radicalism is of the same essential stuff as your conservatism. The disillusionment has set in. A century of partial tolerance gave us Jews access to your world. In that period the great attempt was made, by advance guards of reconciliation, to bring our two worlds together. It was a century of failure. Our Jewish radicals are beginning to understand it dimly. We Jews, we, the destroyers, will remain the destroyers for ever. Nothing that you will do will meet our needs and demands. We will for ever destroy because we need a world of our own, a God-world, which it is not in your nature to build. Beyond all temporary alliances with this or that faction lies the ultimate split in nature and destiny, the enmity between the Game and God. But those of us who fail to understand that truth will always be found in alliance with your rebellious factions, until disillusionment comes. The wretched fate which scattered us through your midst has thrust this unwelcome role upon us."—M. Samuel, *You Gentiles*, Harcourt, Brace & Co., New York, (1924), pp. 154-155.

The Jewish book of *Exodus* 1:8-14 states:

"8 Now there arose up a new king over Egypt, which knew not Joseph. 9 And he said unto his people, Behold, the people of the children of Israel *are* more and mightier than we: 10 Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us, and so get them up out of the land. 11 Therefore they did set over them taskmasters to afflict them with their burdens. And they built for Pharaoh treasure cities, Pithom and Raamses. 12 But the more they afflicted them, the more they multiplied and grew. And they were grieved because of the children of Israel. 13 And the Egyptians made the children of Israel to serve with rigour: 14 And they made their lives bitter with hard bondage, in morter, and in brick, and in all manner of service in the field: all

their service, wherein they made them serve, *was* with rigour."

Adolf Stoecker stated in 1879,

"The Jews are and remain a people within a people, a state within a state, a separate tribe within a foreign race."—P. W. Massing, *Rehearsal for Destruction: A Study of Political Anti-Semitism in Imperial Germany*, Howard Fertig, New York, (1967), pp. 285-285.

Zionist Napoleon Bonaparte stated,

"The Jews must be considered as a nation, and not as a sect. They are a nation within a nation."—S. Schwarzfuchs, *Napoleon, the Jews, and the Sanhedrin*, Routledge & Kegan Paul, London, Boston, (1979), p. 49.

Thomas Jefferson declared that Jews constitute a nation within a nation. Daniel J. Boorstein wrote in his book *The Americans: The Colonial Experience*,

"The Society of Friends had become a kind of international conspiracy for Peace and for primitive Christian perfection. Some years after the Revolution, Thomas Jefferson called them 'a religious sect . . . acting with one mind, and that directed by the mother society in England. Dispersed, as the Jews, they still form, as those do, one nation, foreign to the land they live in. They are Protestant Jesuits, implicitly devoted to the will of their superior, and forgetting all duties to their country in the execution of the policy of their order.'"—D. J. Boorstein, *The Americans: The Colonial Experience*, Vintage Books, New York, (1958), pp. 64-65.

Jewish Zionist Richard Gottheil stated in 1898,

"We believe that the Jews are something more than a purely religious body; that they are not only a race, but also a nation; though a nation without as yet two important requisites — a common home and a common language."—R. Gottheil, "The Jews as a Race and as a Nation", *The World's Best Orations*, Volume 6, F. P. Kaiser, St. Louis, (1899), pp. 2294-2298, at 2296, at 2297.

Gottheil repeated this in a pamphlet and also stated in 1898,

"Zionism has sought and has found for us a basis which is a broader one than the religious one (and on which all religious distinctions vanish), that of race and of nationality. And even though we do not know it, and even though we refuse to recognize it, there are forces which are unconsciously making for the same end, working out in spite of us the will of Almighty God. Never before has such intelligent interest been taken by the Jews in their own past history. Germany has become honeycombed with societies for the study of Jewish history. Vienna, Hamburg, and Frankfurt have associations for the preservation of Jewish art. The Société des Etudes Juives, the American Jewish Historical Society, the Anglo-Jewish Historical Society, the Maccabeans in London, the Judaeans in New York, the Council of Jewish Women, the Chautauqua Assembly meetings—all of these and many others are working in the same direction. They are welding the people of Israel together once more. They are not religious societies, mark you. They rest upon the solid basis of common racial and national affinity. [***] Nay! it would seem to me that just those who are so afraid that our action will be misinterpreted should be among the greatest helpers in the Zionist cause. For those who feel no racial and national communion with the life from which they have sprung should greet with joy the turning of Jewish immigration to some place other than the land in which they dwell. They must feel, e.

g., that a continual influx of Jews who are not Americans is a continual menace to the more or less complete absorption for which they are striving. But I must not detain you much longer. Will you permit me to sum up for you the position which we Zionists take in the following statements: We believe that the Jews are something more than a purely religious body; that they are not only a race, but also a nation; though a nation without as yet two important requisites—a common home and a common language."—R. Gottheil, *The Aims of Zionism*, Publication No. 1 of the American Federation of Zionists, New York, (1899); quoted in A. Hertzberg, *The Zionist Idea*, Harper Torchbooks, New York, (1959), pp. 496-500, at 498-500.

Jewish Zionist racist Max Nordau declared,

"The first Zionist congress solemnly proclaimed in the face of the attentive world that the Jews are a nation, and that they do not desire to be absorbed by other nations."—M. Nordau and G. Gottheil, *Zionism and Anti-Semitism*, Fox, Duffield & Company, New York, (1905), p. 27.

Zionist Rabbi Abraham Isaac Kook proclaimed,

"After our race was weaned [***] This people was fashioned by God to speak of His Glory; it was granted the heritage of the blessing of Abraham so that it might disseminate the knowledge of God, and it was commanded to live its life apart from the nations of the world. [***] It is a grave error to be insensitive to the distinctive unity of the Jewish spirit, to imagine that the Divine stuff which uniquely characterizes Israel is comparable to the spiritual content of all the other national civilizations. [***] It is a fundamental error to [***] discard the concept that we are a chosen people. We are not only different from all the nations, set apart by a historical experience that is unique and unparalleled, but we are also of a much higher and greater spiritual order."—

A. I. Kook, *Orat*, Second Edition, Jerusalem, (1950); English translation in A. Hertzberg, *The Zionist Idea*, Harper Torchbooks, New York, (1959), pp. 419-431, at 422, 425, 427.

Jewish Zionist leader Nachum Goldman stated,

"Diaspora Jewry (all Jews outside Palestine) has to overcome the conscious or subconscious fear of so-called double loyalty. It has to be convinced that it is fully justified in tying up its destiny with Israel's. It has to have the courage to reject the idea that Jewish communities owe loyalty only to the states where they live."—English translation from K. A. Strom, Editor, The *Best of Attack! and National Vanguard Tabloid*, National Alliance, Arlington, Virginia, (1984), p. 60.

Goldman also stated,

"Judaism can have nothing in common with Germanism, if we go by the standards of race, history and culture, and the Germans have the right to prevent the Jews from intruding into the affairs of their folk. [***] The same demand I raise for the Jewish folk, as against the German. The tragedy of the situation consists in the fact that it is not yet possible to establish the rule whereby the Jews should be assisted to move toward their state in Palestine. The Jews are divided into two categories, those who admit that they belong to a race distinguished by a history thousands of years old and those who don't. The latter are open to the charge of dishonesty. [***] It is true that the participation of Jews in subversive movements and in the overthrow of the German government in November, 1918, was extraordinarily strong. This is to be regretted since as a consequence of these activities, the Jewish people lost forces which could have been useful in its own folkist affairs."—N. Goldman, quoted by C. Bloch, *Mi Natan Li-meshisah Ya'akov ve-Yisrael Le-vozezim? Meharsim ve-maharivim mi-Hertsl ve-Nordoy*

derekh Goldman ve-Klatskin el ha-shehitah ve-hurban ha-Yahadut, mishak dam 'im goral Yisra'el, Bronx, (1957). English translation from J. B. Agus, *The Meaning of Jewish History*, Volume 2, Abelard-Schuman, New York, (1963), p. 427-428.

The Jewish Zionist ideologist Jakob Klatzkin stated, among other things, in his book of 1921 *Krisis und Entscheidung im Judentum; der Probleme des modernen Judentums*, Second Enlarged Edition, Jüdischer Verlag, Berlin, pages 61-63, and 118:

" [I applaud] the contribution of our enemies in the continuance of Jewry in eastern Europe. [***] We ought to be thankful to our oppressors that they closed the gates of assimilation to us and took care that our people were concentrated and not dispersed, segregatedly united and not diffusedly mixed [***] One ought to investigate in the West and note the great share which antisemitism had in the continuance of Jewry and in all the emotions and movements of our national rebirth . [***] Truly our enemies have done much for the strengthening of Judaism in the diaspora. [***] Experience teaches that the liberals have understood better than the antisemites how to destroy us as a nation. [***] We are, in a word, naturally foreigners; we are an alien nation in your midst and we want to remain one."—K. J. Herrmann, "Historical Perspectives on Political Zionism and Antisemitism", *Zionism & Racism: Proceedings of an International Symposium*, International Organization for the Elimination of All Forms of Racial Discrimination, Tripoli, (1977), pp. 197-210, at 204-205. A lengthy quotation from Klatzkin, in English translation, appears in: M. Menuhin, *The Decadence of Judaism in Our Time*, Exposition Press, New York, (1965), pp. 482-483.

Better Wake Up Fast Muslims of Indonesia, Pakistan, India and Bangladesh, You're Next on the Jews' Hit List

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The genocidal jews do not simply plan to destroy the Muslim countries of Africa and the Middle East, so as to pave the way to Greater Israel and the inclusion of these former countries into the European Union, as well as generating perpetual war and revolution that will ruin and disperse these populations with the aim of ruining Europe and other White countries.

The jews are setting up a war between India, Bangladesh and Pakistan which will genocide those Muslims. The jews are also readying to unleash China on the world, which will attack Indonesia and Australia, and the Whites and Muslims in those former nations, as well as finishing off our ally the Japanese once and for all time.

You did nothing to rescue your Muslim brothers in Africa and the Middle East, and they are now powerless to help you. America should learn a lesson from these events, and Whites should come to the aid of Europeans and Australians, who are about to be flooded with a fifth column of Chinese working for the jews.

Do Not Be Suckered into Supporting Hagel, nor Waste Your Time Opposing Him

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

On one side we have Christian Zionists telling us to waste our time and focus attention on the jews' issues by lobbying Congress to oppose Hagel's appointment as Secretary of Defense. On the other side of the same shekel, we have Christian anti-Zionists telling us to waste our time and focus attention on jewish issues by lobbying Congress to support Hagel's nomination. It is all a big circus to deflect attention and resources from the lobbying effort needed to oppose immigration subversion. Hagel is the jews' boy, so what? Do not oblige the jews efforts to bring anti-semitism and Iran into the public discourse every chance they get. Get over Hagel and work to stop the proposed sabottage of our national sovereignty.

Awaken "Christian Zionists" to the Jewish Peril

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

We must awaken Christian Zionists to the fact that the jews are using them for evil purposes. Exposing Hagee and his statements that Jesus was not the messiah is one way to reach them.

Following the invention of the printing press, the jews begin to print copies of the Talmud and cabalistic works making these widely available to religious scholars including Martin Luther. At this time, the jews believed the messianic era was about to begin, and so were proud to declare their hatred of Jesus and of the Goyim, because the Talmud instructs the jews that at the end times they will be free to publicly express their true feelings of genocidal hate.

Not long before his death, Martin Luther exposed some of the jews hatred and genocidal intent in a fantastic booklet which probably can be found in German and English translation on the web. The title is "On the Jews and Their Lies", originally, *Von den Juden und ihren Lügen*. Since Luther is a highly respected Protestant theologian his words carry much weight.

Following in Luther's footsteps were Johannes Buxtorf's masterpiece "The Jewish Synagogue", originally *Jüden Schul*. Then came Eisenmenger's brilliant "The Traditions of the Jews", originally *Entdecktes Judenthum*. A more condensed work is Pranaitis' classic "The Talmud Unmasked" The bible in the books of Matthew, John and Revelations calls the jews liars, murderers, Christ killers and the spawn of the Devil.

We need a good video exposing Christian Zionist which we can show them as well as others. Our

survival depends on it, but I cannot do everything by myself and my resources are running thin.

LEADERSHIP

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

In our supposed democracy, the masses do not rule, rather a tiny minority of jewish tyrunts runs the nation. The will of the masses does not influence the jews, rather the jews attempt to manufacture the will of the masses, and that failing simply ignore the desires of the oppressed mass majority.

Our present elected leaders do not represent the best interests of the majority, rather they take orders from the jewish tyrunts who corruptly placed them in power. These elected misrepresentatives are not our leaders, rather they are a fifth column of jews accompanied by Gentile slaves implementing the will of the jewish tyrunts.

The jews often are successful at molding public opinion to comply with their jewish objectives and thereby make it appear that public officials represent the public will. Jews control the media

and with it elections. Jews control campaign financing and with it candidates.

So we must define our leaders differently from the way jews have defined American leadership. Our leaders must have a will of their own, regardless of the will of the majority. Our leaders exist to lead the majority, not follow it. Our leaders must have a vision of their own which guides the masses in a safe direction. Our leaders exist to promote our interests, not the status quo interests of the ruling jewish tyrunts.

The jewish media will attempt to portray our leaders as if they are out of step with the majority. The jewish media will attempt to misrepresent our leaders as if their goals are destructive to the will, and therefore best interests, of the masses, though the argument is fallacious on its face given that the masses are headed toward their own destruction and know it. The jews will attempt to confound the vision of our leaders with that of those whom they have demonized in the eyes of the masses.

Our leaders must meet these challenges by controlling the debate and refusing to define themselves and the issues in the enemy's terms. Most importantly, our leaders must direct the masses, not be led by them nor the jewish rot that has filled their heads. Our leaders must present themselves as champions of their own ideas, not guardians of the jews' dogma. The contrast will be strong and immediately apparent. Dogma cannot compete with dynamic creativity.

Our leaders must not be afraid to frankly state that the consensus opinion is wrong and they will not bend or bow to it simply because the majority stubbornly and foolishly hold to it. Most

importantly our leaders must not hesitate to presume to speak for the best interests of the majority over and above their popular opinions, and so speak for the majority as its leader not its megaphone, especially when the majority stand opposed to our leaders due to the majority's conditioning by the jews.

A leading minority, even a minority of one, can easily direct the affairs and course of a subservient majority. If you doubt it, look at what the jewish minority has done to control not only our country, but the entire world. We must not hesitate to impose our leading will over the masses and we must never apologize for doing so. It is our duty as well as our right to lead. When the jewish tyrunts question our right to lead those who do not agree with us, we will simply state that we are leading America not following behind it.

On the Importance of White Sovereignty: UNITE AND FIGHT!

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I agree with Aristotle and Lincoln, that sovereignty exists in the citizen himself, and not in the territory or government. This perspective makes sovereignty a function of genetics.

Our Constitution is a glue that binds us together uniting and homogenizing our society to the point where we can function as a unit for our common benefit, but it is not the only glue, nor is it the strongest adhesive, which connects us. It is simply a set of abstractions that help us to guide our actions and form an agreement among us that we are pledged to honor. We honor the Constitution first and foremost because we love ourselves and it serves our self-interest to unite with others like us.

Nations have always formed placing common genes as the foundational bond. This is human nature and nature in general follows this important rule. We love ourselves and so we love our brothers and sisters. We will fight for ourselves, and so we will fight for our common blood. To lose this bond is to lose our humanity.

The jews have tried to corrupt our sense of sovereignty to mean that we are united not by blood, but by attitudes and beliefs, and therefore we should open our borders to any human who pledges to think like us. The jews have further corrupted our notions of sovereignty to prioritize the notion that there is no common ideal among us other than multiculturalism, and therefore we must let every human being into our nation regardless of the makeup of their blood or the makeup of their culture, creed and beliefs.

The jews are undermining our White sovereignty, and in so doing are corrupting our genes, our culture, our creed and our beliefs. The jews are genociding us, deliberately and with full force.

One of the benefits the jews gain from eroding our sovereignty and our genes is the means to rule over us and use all that we are and all that we have for their purposes. A friend has sent me a link to the following video which evinces one of the ways the jews are subverting our

sovereignty:

US Government Hostage to Israel? | Interview with Mark Bruzonsky

The jews have us committing genocide not only against other peoples, but against ourselves. We have to exclude them and fight them with the full force of our State if we are to survive. We also have to restore a sound demographic of Whites in proportion to non-Whites and deport the majority of those who have entered our borders in the past ten years.

We can only accomplish these objectives if we work together and return to our nature, which has enabled our people to survive through millennia of foreign attacks. America was founded as a White nation to unite White men for their common good and the preservation of their common genes. It was not created as a refuge, or a dumping grounds, nor as an open border park for the world to come and go as they please regardless of our wishes.

People with different blood have always sought to take our lands and rob us of our women and children. That is the nature of reality and it will never change. Only we can defend ourselves as our ancestors defended themselves and so created us. It is now our duty to carry on the battle of survival and it is generally far easier for us than it was for our ancestors. So stop feeling sorry for yourself and instead UNITE AND FIGHT!

The Samson Option Is Not Optional, It Is the Mandatory Jewish Mission

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Do not be fooled into believing that the jews seek to create a global police state similar to the Bolshevik Soviet Union. The jewish mission is not to spread monotheism or communism, but rather to exterminate all Goyim and destroy all nation States.

The "Samson Option", the jews' plan to exterminate humanity, is simply a modern restatement of the fundamental goal of judaism expressed in its earliest foundational texts. The jews believe that they are divine fragments of their god (*Deuteronomy* 32:9, "For the Lord's portion is his people; Jacob is the lot of his inheritance."). The jews believe that their god, meaning themselves, will be absolute ruler of the Earth (*Zechariah* 14:9, "And the Lord shall be king over all the earth: in that day shall there be one Lord, and his name one."). The jews believe that all Goy nations must be destroyed and all Goy animals must be exterminated (*Jeremiah* 30:11, "For I am with thee, saith the LORD, to save thee: though I make a full end of all nations whither I have scattered thee, yet will I not make a full end of thee: but I will correct thee in measure, and will not leave thee altogether unpunished.").

When the jews claim that their god will rule the world, they are referring to themselves, "as

above, so below". I quote only a few passages above, but there are hundreds more in the Old Testament alone which prove what I say. My interpretations of these passages are those provided by the jews' scholars throughout their history.

When Michael Higger offered up the jews a rallying cry in 1932, before the so-called "holocaust" and the formation of the nation of Israel,

"Righteous Unite! Better destruction of the world than a wicked world!"–M. Higger, *The Jewish Utopia*, The Lord Baltimore Press, Baltimore, (1932), p. 19.

Higger was not declaring an "option" of ruining every nation but the jews' and exterminating the Goyim, but rather demanding the destruction of all Goy nations and the mass murder of all Goyim.

As I stated above, the jews believe they are the seed of their god, its foul presence on Earth. (*Ezra* 9:2, "For they have taken of their daughters for themselves, and for their sons: so that the holy seed have mingled themselves with the people of those lands: yea, the hand of the princes and rulers hath been chief in this trespass." *Isaiah* 6:13, "But yet in it shall be a tenth, and it shall return, and shall be eaten: as a teil tree, and as an oak, whose substance is in them, when they cast their leaves: so the holy seed shall be the substance thereof."; 44:2-3 "Thus saith the Lord that made thee, and formed thee from the womb, which will help thee; Fear not, O Jacob, my servant; and thou, Jesurun, whom I have chosen. For I will pour water upon him that is thirsty, and floods upon the dry ground: I will pour my spirit upon thy seed, and my blessing upon thine offspring:"; 59:20-21, "And the Redeemer shall come to Zion, and unto them that

turn from transgression in Jacob, saith the Lord. As for me, this is my covenant with them, saith the Lord; My spirit that is upon thee, and my words which I have put in thy mouth, shall not depart out of thy mouth, nor out of the mouth of thy seed, nor out of the mouth of thy seed's seed, saith the Lord, from henceforth and for ever.") and the "elect" of their god who will steal everything the Goyim own including their lives (*Isaiah* 42:1, "Behold my servant, whom I uphold; mine elect, in whom my soul delighteth; I have put my spirit upon him: he shall bring forth judgment to the Gentiles."; 45:4, "For Jacob my servant's sake, and Israel mine elect, I have even called thee by thy name: I have surnamed thee, though thou hast not known me."; 65:9, "And I will bring forth a seed out of Jacob, and out of Judah an inheritor of my mountains: and mine elect shall inherit it, and my servants shall dwell there."; 65:22, "They shall not build, and another inhabit; they shall not plant, and another eat: for as the days of a tree are the days of my people, and mine elect shall long enjoy the work of their hands.")

In a previous article of mine, I provided the proof that the jews view themselves as the divine seed, the only humans, and that the jews view non-jews as animals to be completely slaughtered in the messianic era:

In Defense of the Truth and the Right to Speak It: O'Connell Is Innocent: Jews Are Racists. Part 1, January 23, 2010

When the modern jew, Rabbi Yaacov Perrin says, "One million Arabs are not worth a Jewish fingernail," he is not stating anything other than traditional jewish beliefs. When the modern jew, Rabbi Yitzchak Ginsburgh stated that a jew has a right to steal the liver from a Gentile for the purpose of a transplant, he is not stepping outside the bounds of traditional jewish thought.

The jews do not want a worldwide police state. They want a world without Goyim and the jews are planning to kill all of us, make no mistake about it.

Johann Andreas Eisenmenger, who wrote in his *The Traditions of the Jews, Contained in the Talmud and other Mystical Writings*, Volume 1, J. Robinson, London, (1748), pp. 254-255:

"In the Great *Jalkut Rubeni*, in the *Parasha Bereshith*, [*Footnote:* Fol. 10. Col. 1.] we have the following Passage, 'The Skin and the Flesh is the Coat of a Man. The Spirit within is the Man. But the Idolaters (*meaning all the Nations but the Jewish*) are not call'd Men, because their Souls have their Origin from the Unclean Spirit. But the Souls of the *Israelites* are derived from the Holy Spirit.' And a little farther on in the same Treatise, it is said, [*Footnote:* Fol. 10. Col. 2.] 'An *Israelite* is called a Man, because his Soul cometh from the Supreme Man. But an Idolater, whose Soul cometh from the Unclean Spirit, is call'd a Swine. If so, then is an Idolater the Body and Soul of a Swine.' In another Part of the said Treatise, entitled *Shaar olam hattobu* [*Footnote: Fol.* 23. *Col.* 4.], there is a Passage running thus: 'The Wicked are stiled the Dead in their Life-Time, because they have not a Holy Soul from the Foundation, which is called *Him that liveth for ever*. But they have the Soul from *Kelifa* (i. e. the Shell) by which is meant the Devil) who is call'd Death, and the Shadow of Death: And through the Sparklings of the same they live.'"

Hundreds of year ago, Eisenmenger, the foremost authority of his day on judaism–a man to whom the most learned rabbis deferred, pointed out that the goal of the jews, in their own words, is to ruin the nations of the Goyim and exterminate the Goyim (*ibid*., pp. 260-263):

"The little *Jalkut Rubeni*, in the part entitled *Neshama*, from the little Treatise *Tuf haarez*, gives us the following account of the regions where the Souls of the Seventy Nations, before they enter into Human-Life. 'In the expanses, or Seven Firmaments, are Seven Planets; *Saturn*, *Jupiter*, *Mars*, the *Sun*, *Venus*, *Mercury*, and the *Moon*: And in these Expanses abide the Souls of the Seventy Nations; each Planet having the Dominion of Ten Nations. But under the Sphere of the *Moon*, which is last of all (*the Planets*) there is found an Expanse which is of no Use (*with regard to the Souls of the Nations*); and Spirits, Night-Apparitions and Souls of the Devils abide there.'

The Treatise *Maarecheth haelahuth*, in the Explanation of *Chajat II*, informs us, that, at a certain Period of Time, the Souls of the Seventy Nations will lose their Existence, or be annihilated. The Words run thus, 'In the great Year of Jubilee, no Nation will remain; for in that Year the World will be destroy'd and made desolate. In what then have the *Jews* the Preeminence of them (*the Seventy Nations)?* To this the Answer is, That the Destruction is to be understood of the *Kelifoth* (i.e. *Shells*) which are Evil Spirits; for they shall be quite exterminated from the World. And therefore all the Souls of those Nations that are deriv'd from them shall be put to Shame and cut off, because the Causes of their Existence will be utterly at an

End, and their Names be kept no more in Rememberance.'

We shall now shew more particularly the Notions of the *Jews* concerning the Origin and Nature of their own Souls. The Treatise *Shene luchoth babberith*, says, 'The Souls (*meaning the Souls of the* Jews) are a Part of God from above.' And Rabbi *Aharon Smuel*, in the Treatise *Nishmath Adam*, says, 'the Soul of a *Jew* is a part of God from Above.' And in the Preface to the Treatise *Shefa tal*, 'tis said, 'The Soul (*of a* Jew) is a Part of God from above, and of his Substance or Essence, as a Son is of the Essence of his Father.' In the Treatise *Emek hammelech*, in the Part entitled *Shaar Kirjath arba*, it is said, 'The Souls which he (*God*) created, live and continue for ever, because they are Sparks of the Substance of Essense of the Bless'd God, as it is said, *And breathed into the his Nostriles the Breath of Life*.' And in the same Treatise, in the Part entitled *Shaar resha diser anpin*, we are told, 'The Soul cometh from the Name of the Essence; that is, the Name *Jehovah*; as it is written, *For the Lord's Portion is his People*.' The Treatise *Nishmath Adam*, gives the following Passage, 'The Soul is the Light and Spark of the Great Name *Jehovah*; and cometh from that great Light, and from his Holy Fire; as the Scripture saith, *For the Lord thy God is a consuming Fire*. And as one Torch is lighted by another, without and Dimunition (*of that other*;) so may we say concerning the Soul, which cometh from the Mouth and Spirit of the Bless'd God.' We are told likewise, in the same Treatise, that the Souls of the *Jews* have their Being from the Ten *Sephiroth*, or *Sephiros*. The Words run thus,

'Our Souls, which are contain'd in the Unity of the Soul of the First Man, come from the Ten Holy *Sephiroth*, or Flashings (*of Light*).' We are informed in the Treatise *Shefa tal*, 'That by the Ten *Sehpiroth*, the *Cabalists* understand the Divinity.

The Preface to the same Treatise *Shefa tal*, gives us the following remarkable Passage, touching the Preciousness of the Souls of the *Jews* in the Esteem of God, and the little Regard God hath for the Souls of any other People. After saying, That from the Seventy Souls, which came from the Loins of *Jacob*, there are Seventy Nations, the Preface goes on thus: 'It was necessary, the *Law* should acquaint us with this, to the End we might be taught that every individual Soul of the *Israelites* is more acceptable and worthy in the Eyes of the Holy and Blessed God, than all the Souls of any other whole Nation (*of the Seventy*.) And this Matter is revealed to us in another Part of the Law; where it is said, *All the soul* (not Souls, in the Plural) *of the House of* Jacob, *which came into* Egypt, *were Threescore and Ten*. It (the *Law*) did well observe this; saying, *All the Soul*; not *All the Souls*; as it saith of *Esau*, *And all the Souls of his House*; mentioning those Souls by the Plural Number, altho' they were but Six. How much more might it have been used with Respect to *Jacob*, *All the Souls*, since there were Seventy Souls (*descended from him)?* But it (*the Law*) would teach us, that every Individual Soul of the *Israelites*, is more worthy and acceptable in his Eyes (*the Eyes of God*) than all the Souls of a whole People of the Nations of the

World; and that the Body of the People of *Israel* are more lovely and valuable in his Eyes than the Seventy Nations.'"

So we see that the jews' ultimate goal is not to enslave us, but rather to exterminate us and remove all our nations from the map. The jews' ultimate goal is their "Samson Option", which they believe is not optional, but mandatory. The jews have their itchy finger on the trigger this very moment. Will you help me to stop them?

Those Sneaky Jews: How Our Treacherous Israeli "Friends" Are Planning to Scapegoat America for Their Attack on Iran

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Ehud Barak has cleverly planted the seeds for scapegoating the USA for Israeli attacks on Iran. In an interview with *The Daily Beast* Barak accused the US of formulating surgical strikes against Iran's nuclear facilities and nuclear capabilities:

Israeli Official Hints Pentagon Plans May Make Lone Strike on Iran Unnecessary, By ISABEL KERSHNER, January 26, 2013

Ehud Barak at Davos: U.S. Could Strike Iran to Block Nuclear Progress, by The Daily Beast, Jan 25, 2013

Barak's statements constitute an act of war against the United States of America by an Israeli government official. If they are true, he is leaking classified American intelligence. If they are false, he is falsely accusing America of planning acts of war on Iran.

The fact that this story resonated through the jewish media is quite revealing. It indicates that the jews are opening up the door to a plan to attack Iran, then deny the attack and blame America for it. If Iran then attacks Israel, Israel will run crying to the US that Iran has made an unprovoked attack on Israel which "compels" the US to attack Iran. This attack will take the form of a nuclear strike, given that America cannot afford any other form of warfare at this time. This is why the jews have their fifth columnist Kerry-Kohn threatening Iran, so that they will have an easy time scapegoating America for Israel's coming attack on Iran, if they someday carry it out.

Israel will then have Mossad bomb a nuclear plant in the United States and blame Iran creating the illusion of a tit for tat, so as to provide a pretext for a nuclear attack on Iran. Israel will also likely detonate a nuclear bomb over a densely populated Indian city and scapegoat Pakistan for the attack.

If the jews attack from the air, their planes will bear US markings. If they bomb facilities from the ground, they will use US ordinance and leave behind evidence that US forces were behind the attack. Though it may be difficult for them to bomb a reactor or cluster of centrifuges, even a

small strike could have a synergistic effect with the nuclear materials released and create a dirty bomb.

Their goal is not to destroy Iran's nuclear facilities, but rather to pit the USA and Iran against each other and create a scenario where the US hits Iran with nuclear weapons.

As I have said many years ago, the jews will genocide the Palestinians when they instigate WW III, and the World will be so devastated by this coming conflict, that it will care not about the Palestinian victims. The jews do not want the USA to win WW III or to even survive it. They will take the opportunity of a weakened America to foment self destructive revolution as they did in Russia in WW I. Then they will genocide us.

We can stop them if you will join with me in forming a political party that will counter attack jewry and fight back in their war against us. Time is running out for us, and once war breaks out it will be infinitely more difficult for us, as it was once WW I broke out when the jews made it illegal to speak in favor of Germany or against war, as it was when America entered WW II and the event silenced Charles Lindbergh. It is time to get off your ass and do something. All hell is about to break loose if you do not act you will personally suffer from the coming global conflict.

The White Superiority Inferiority Complex: Made in Jewry

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

From dominance, to noblesse oblige, to subservience; from territorial expansion, to territorial confusion, to territorial retreat: it has been the fate of Whites on a jewish leash to grow their empires and then be consumed by immigration and shame. In America, Whites conquered ever expanding territory and forced the indigenous peoples out from their lands. They moved Westward onto unfamiliar territory and were forced to retreat to reservations. Most died out.

Whites, seduced by jews, willfully and cruelly exploited Black slaves and then Mexican labor. These people formed segregated neighborhoods in close proximity to Whites. As the jews deliberately dumb down Whites, Asians are flooding in to fill the upper echelon jobs as Whites slide down the ladder into the same hell into which they had relegated others.

Upward mobility has taken on a new negative form. It is now immigration of non-Whites to take the jobs Whites should be doing.

Whites are caught in a jewish made vise between immigrants taking the low, middle and high end jobs. Whites are undereducated, forcing them out of the professions where jews discriminate against them. Whites are underpaid and forced to compete in low wage jobs with cheap foreign labor in our own land.

How did all this degradation come about? Why do we tolerate it?

The jews drummed into our heads that we are bad for being better. The only remedy for our inferior superiority is to destroy ourselves and give away what we have to our aggressive competitors. Then we will be nice slaves, deserving of our fate, which is extinction. The jews packaged this poison so sweetly that the entire White world is dying out by its own hands and attitudes, guided by head bobbing, psychopathic, supremacist, genocidal jews.

We now feel inferior if ever we still feel superior. We punish ourselves for our success. We hamstring our children so that their inferiors can compete with them and defeat them. It is the height of insanity.

The jews drive us down to ever lower standards, while giving away all we have that is good to our competition, and we smile as we hand it over so we can feel good for becoming inferior, and so become better slaves than our former slaves. The jews have broken the White spirit and have us licking the dust off the feet not only of the vampire jews, but also from the leprous toes of third world immigrants. And it is killing us!

We should be celebrating our greatness and reinforcing the walls that guard our gates. We should sing the glory of our ancestors and honor our descendants by honoring ourselves.

Someone has to be the best. It is good that it is us. We have to preserve our advantages. We have our own interests and these run counter to those of our competitors and enemies. Our job is to help each other first. We should never feel inferior for being superior. We should instead feel safer, more secure, not less secure, and never insecure for being great. The alternative to winning is losing, why should we want to lose?

Pity your own before you give away what is ours to others! But better than pity, pride, hand down our pride to our future generations. They are as innocent and pure as can be and we should be working to benefit them, not the children of our enemies and competitors.

Survival is not a sport! Survival is not a game! The losers of the competition for survival not only fail themselves, but they exterminate the limitless potential of their descendants. Whites, you are genociding billions of your offspring's offspring as you submit to the jews and kill off yourselves. You are making slaves of your children and their children as you accept the decrees of your enemies to submit and to feel inferior for being superior.

The goal of the survival competition is to outlive your enemies, not be subsumed or annihilated by them. You do not improve your likelihood of survival by strengthening your competitors and giving away all of your advantages.

These truths are so obvious and natural that the jews feel obliged to render it a crime for Whites

to speak them, as the jews daily drum them into the heads of their children. Whites, we are better than the jews in every good sense and it only makes sense for us to defeat them. We have to fight back with all we have or we will very soon lose all, and lose it not only for our selfish selves, but the billions of us who will be lost from the future if we do not win the competition to survive.

Without our pride we have no will to survive only a wish to perish. The strongest justification we have for preserving ourselves is to relish the fact that we are the best and know that in preserving ourselves we preserve all that is good from all that is not.

The Jews Want to Create Chaos in Iran in Preparation for War

Christopher Jon Bjerknes

http://www.jewishracism.blogspot.com

Elections are coming up in June in Iran. Ahmadinejad is out, unless the jews launch a war, or create a civil war and/or revolution to keep him in power to serve as their Emmanuel Goldstein.

The elections in 2009 saw the gangrene revolution, and something worse is brewing today. I

explained all this then:

Should the Instability in Iran Increase, the Israelis May Seize the Opportunity to Attack, June 15, 2009

Diffusing the Gang-Green (Gangrene) Revolution in Iran, June 16, 2009

As I warned yesterday, the jews are again trying to create chaos in Iran

Is a Civil War Brewing in Iran? February 07, 2013

Today, the government of Iran is calling attention to this reality:

Iran says new U.S. sanctions aimed at creating tension

Note that the jewish controlled media and the CIA, which is largely composed of assets of the jews, crypto-jews and jews, note that the American public is not being informed as to the candidates in the coming Presidential election in Iran, or their stance. Nor is talk of war against Iran being stalled in hopes that a new leader will emerge in Iran with whom Israel and its fifth column in the USA can and should negotiate before any talk of war.

This is both strange and telling. The CIA and Mossad should have their puppet candidate in the election and be funding him. They should be pushing him in the media as the salvation of Iran and the World. But they are not!

There are also very wealthy Iranians abroad who take a strong interest in Iranian politics, and

they should have their puppet candidates. What is going on? Is another election fraud gangrene revolution brewing, or will they up the pace and destabilize and/or attack Iran before the elections? It is really very odd that they, the jews, are not offering any way out of war as a result of the coming elections. They should be pushing a candidate and a glimmer of hope for a change of leadership and policy in Iran. They should be pushing a candidate who challenges clerical rule, but thus far they are not.

That tends to indicate they want to concentrate their resources on war and internal strife in Iran, not on any means to achieve a negotiated resolution which will preserve Iran and the World from war and chaos.

The jews are heinous, murderous diseased rats. Their bloodlust will never be sated until they have genocided the whole of mankind. We have to stop them now. We do not have any more time. We must do it now! Will you help me?

Is a Civil War Brewing in Iran?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jews have a great deal invested in Ahmadinejad and Ayatollah Khamenei. After the coming elections in June, Ahmadenijad will no longer be President of Iran.

The jews need a suitable bogey man to serve as a pretext for their illegal aggression against Iran. They are testing the waters to see if the crypto-jew Khamenei can do for them what the crypto-jew Ahmadenijad has done so well, namely provide a scapegoat for the jews' desire to nuke Iran.

Another option the jews are experimenting with is instigating a civil war in Iran. The old gangrene revolution was meant to be defeated and to reinforce Ahmadinejad's power. A new revolution or civil war could cement his leadership beyond June. It could also serve as a pretext for jingoistic alarm calls that a worse regime may gain control of Iran's nuclear program. It could provide a means to weaken Iran in preparation for a joint Israeli, Turkish and Saudi attack on the nation and enable them to funnel in a fifth column of "jihadists" serving the jews to wreak havoc on the nation from within, so that the jews will have an even easier time attacking it from abroad.

The jews are chomping at the bit to get something going before the June elections. It seems that they have a shotgun in hand and hope that at least one pellet will hit the head and another the heart of Iran.

Netanyahu's Deadline "Redline" and the End of Ahmadinejad

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Netanyahu has set a mid-summer 2013 deadline for a strike against Iran. The jews' recent unprovoked attack on Syria could easily have provoked a response from Iran which Netanyahu would have seized as an opportunity to hit Iran.

Why, after all this time and before he has his new government in place, is Netanyahu in such a hurry to instigate a fight? After all, Ahmadinejad will soon be out of office in June, or is that what Netanyahu fears most?

I have been told Ahmadinejad is a crypto-jew and he is hurriedly providing Netanyahu with all the ammunition Bibi needs to vilify Iran. They compliment each other well, and Netanyahu wants to bathe in Persian blood together with Ahmadinejad. He doesn't want his opportunity spoiled by the coming elections in Iran. Netanyahu doesn't want there to be any chance for peace to rear its ugly head.

Ahmadinejad Should Look to the East as well as the West. . . The

Turks Are

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

In addition to courting Egyptian support, Ahmadinejad should look to the masses of Muslims in the East who far outnumber Arab Muslims. Arabs in general do not like nor trust Persians. The wealthy Arabs are mostly crypto-jews or Freemasons working for jewish interests.

Iranians would be well served to turn to the Muslims of Indonesia, Pakistan, India, Bangladesh, Malaysia, etc. as well as those in the Middle East. There are a 1.5 billion Muslims worldwide.

They should be warned that Israel is overtaking Jerusalem and intends to destroy the Dome of the Rock and build a jewish temple above the Wailing Wall. They should also be reminded that the jews poisoned the Prophet Muhammad and are wiping out Muslim nation after Muslim nation, deliberately generating chaos and extremism.

The Turks, instigated by jews, are looking to the East. They are going so far East as to stir the pot in China as part of the jewish manufactured myth of pan-Turkism. Northern Iran is in their sights and they wish to wet their beaks in Caspian oil. This will threaten Russian interests, as well as Chinese interests, and the jews have traditionally had an easy time pitting the Turks and Russians against each other.

If Iran is to survive, it must broaden its horizons, especially now that the jews are successfully transitioning Syria into a radical State of chaos on the path to partitioning it and creating air space clearances to attack Iran and coordinate with Turkey. Broader Turkish and Saudi influence in Syria means the eradication of Iranian influence and Shia influence in Syria and Lebanon. You had better look for allies in the East before time runs out.

The Alex Jones & Piers Morgan Side Show

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jews are attempting to foment a revolution in America. The parasitic jews always try to overthrow the nation or empire of their host. They did it to the Egyptians. They did it to the Greeks. They did it to the Romans. Etc.

As I predicted would happen, the gun control push was not meant to succeed. It was instead meant to foment a revolution and or civil war, and to arm Americans to kill each other off as a nation and as a people. As I predicted, Piers Morgan and the jewish controlled "alternative media" are being used to scapegoat the British for the jewish led campaign to infringe upon our

fundamental rights to keep and bear arms. Watch the following video of Alex Jones ranting against Morgan, but failing to mention the jews:

http://www.youtube.com/watch?v=TgOzRjG4Cvw

As I have said before, the context is being manufactured that Americans somehow have a need for a second revolution against the British. In reality, the jews want to push Americans to destroy themselves and are driving American civilians to arm themselves as the jews arm the American Government with the intent of inflicting maximum casualties between these two forces, which instead should be working as one united force to solve the eternal international jewish problem.

It is not the British who are calling for gun regulation in America, it is a fifth column of jews in America who are calling for gun regulation. And it is the jewish controlled "alternative media" who are threatening revolution so as to plant the seed for a jewish revolution in America which will inevitably harm us more than the jewish revolution in Russia harmed the Russians.

See how you are being played, and how the jews who are instigating all of this are granted cover through the entire process?

Consider what I wrote almost three years ago, and how my predictions are coming true today:

"Government will have to play a large role in these reforms and new initiatives, and those who want to weaken our government and ask us to champion the policies of our own demise are merely latching on to

immigration issues and gun rights, so that they can ultimately internationalize us by weakening our government, let our society go to pot, and allow international wealth to rule every facet of our lives for the purposes of exploitation rather than the improvement of the lot of the average American. The gold standard is meant to take away our sovereignty and render us slaves to international bankers who will then control our national money supply and create an international monetary system based on the fraud of gold in reserve, which they do not in fact possess."–We Do Not Need or Want a Revolution: We Need a Defensive War Against the Enemy Usurpation of Our Nation by the Jews, May 26, 2010

Now ask yourselves, who is it that has always instigated revolutions? Who is it that has always sought to implement gold currencies? Who is it that created the American Civil War? Why are the same voices continually pushing the same agenda of gold and revolution?

Why are the British repeatedly scapegoated for the actions of jewry, and why is it OK to defame the British with lies, but strictly taboo to name the jew for his very real crimes?

Jewish Libertarian Hippies: Like Minds Produce Like Thoughts

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

One of the fundamental principles of science states that the same conditions produce the same results. On this basis, experiments can be reproduced and verified or falsified as the case may be.

There is big jewish money behind the libertarian movement. The jews are attempting to dupe Americans into giving up our blessings and destroying ourselves. Though no one on Earth has it better than us, the libertarians want us to believe that our nation MUST die and CANNOT be cured of the diseases that they themselves would spread among us.

The loudest voice crying for revolution, retreat, balkanization, nihilism, anarchism, defeatism, communism, rebellion and pure self-destruction are the libertarian jews, and they are well paid by their jewish banker backers and creators to do so. The jewish libertarians are instigating a new hippie movement in America. This new movement is being created by the same minds that produced the old movement, the communist jews.

The jewish libertarians want to legalize illegal addictive drugs, like their jewish hippie forefathers. Crack and meth and the new drugs the jews are this day developing can and will rot out White communities with lightening speed, pun intended. "Free markets" cannot and will not save us from this biological attack on our existence. The stronger a man's will, the stronger are the effects of addiction.

The jewish libertarians want us to tune in, turn on and drop out into their hippie communities.

They want Whites to surrender their intellectual advantages and natural inclination to produce the highest forms of science, art and philosophy, to collectively waste their culture stepping back into the dark ages of share cropper farms, plantations with jewish overlords. The jewish libertarians want Whites to become the new cotton pickers, the new primitive nose and ass picking morons of the Third World. They paint a romantic vision of Whites segregated on jewish run plantations as if this were a means for Whites to compete with highly industrialized and militarized nations. How well have the American Indians fared on their reservations, that we should emulate their plight?

Like their hippie forefathers who led the civil rights and anti-war movements, the jewish libertarians are anti-American military might and anti-American soldier and opposes Whites viewing themselves as a collective with collective means and collective rights. Politics are paramount for the libertarians when it comes to supporting their jewish puppets including the poisonous Pauls, but they aggressively attack any other political movement and sponsor defeatism in its ranks and discourage voting for all but their own in gross acts of hypocrisy which are highly subversive.

America is not dead. We should not give up one inch of our territory or in any sense surrender our sovereignty or attack ourselves. What we need to do is fight for our nation, not fight against it!

Beware these subversive libertarians. They are bathing in jewish banker money and want you bathing in your blood at your brother's hands.

Like their hippie ancestors, the jewish libertarians preach "voluntaryism" while trying to tear my nation apart against my will. They are spending jewish banker money to build up an anti-American collective so as to forcefully impose their will on me and violently destroy my nation. Everything about them is jewish. They are psychopaths and promote the mental disease. They are goldbugs and promote the deadly subversion. They are illegal drug pushers. They are anarchists who want jewish money to rule mankind. They are vile and deadly, they are jews. We should shun them and expose these nihilistic jewish libertarians as the rabid disease spreading rats that they are.

Jewish minds created communism and libertarianism and the communities both produce are the same. Both jewish libertarianism and jewish communism aggressively try to undermine society, force Gentiles into primitive living, rot the family, destroy the government, destroy the military and make Whites easy targets for non-Whites to genocide at the behest of the jews.

If you follow the jewish libertarians, create a war between American Whites and the American Government, retreat to White reservations and surrender all the blessings of America to non-Whites, including our nuclear weapons, how long do you think it will be before the jews pit non-Whites against you, arm them with the weapons you have fought to give up, and erase you forever from the book of life?

Fight for America, not against us! America is our blessing, not our enemy!

Fight the jews. They are our enemy and our nation is our best means of ridding the world of the jewish problem.

Self-Defeating Taboos and the Jews: Lying and Lying Down By Omission

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

One of the methods the jews use to control public discourse and public opinion is they manufacture taboos which favor their interests while destroying traditional taboos which are beneficial to the Gentiles. Many have cited the examples prevalent on the internet, where pornography is not only permitted, it is encouraged, but it is illegal in many countries to point out, or even call into question, the jews' lies about the holocaust.

The jews feign outrage when any figure is compared to Hitler or any event compared to the trademarked "holocaust" of the jews. Yet they entusiastically ridicule Whites and whitewash the jews' Bolshevik slaughter. The jews relentlessly attack Catholics, Germans and WASPs with lies, but react with violence when the truth is told about the jews. Only jews have a blank check to criticize, because the jews control the media and have used pornographic holocaust propaganda to brainwash Americans.

Whites are now beginning to internalize these taboos. Germans are having fewer and fewer children, in part because the jews have so degraded them and made it taboo to recognize the greatness of the German People. For decades now, Whites were afraid to declare their pride in being White, but did not hesitate to insult themselves and their kind with self deprecating humor. Now Whites are afraid to defend their interests and their sovereignty, because they do not deem themselves worthy of a defense.

The White psyche ponders why it is that no one publicly takes pride in being White, why no one fights for Whites, while at the same time all ridicule Whites. The White mind wonders why no one confronts those who attack Whites, and why Whites fear confrontation to secure their interests. Public behavior becomes internalized as personal behavior and then self image. And the most primal attack of all is the attack on White territory and miscegenation, and these are highly destructive to the instincts of Whites to preserve themselves.

Growing up in Chicago, there were strong territorial taboos. Interracial couples were ridiculed, and Whites venturing into Black neighborhoods and Blacks traveling in White neighborhoods were keenly aware of the violent risks they took, especially at night.

Blacks mostly had the cops to fear, and Whites had the Blacks in general to fear. Then came the Mexicans.

The territorial taboos in non-White communities continue, but Whites surrender their territory to all on a neighborhood, city, county, State and National level. This is highly destructive to Whites' instincts of self identity and self preservation. Whites are corrupted at a most

fundamental level to view themselves as defenseless, exposed and submissive, because they seemingly willingly and collectively abrogate their responsibility to defend their territory, their identity, their tribe. A beta mindset takes over and Whites refuse to do anything to defend themselves, let alone their kind.

The jews also attack the White herd instinct. A White crowd will not attack a Black, even if a White leader steps forward. But a Black or Mexican crowd will eagerly attack a White, whether or not a leader emerges in their ranks.

Whites are encouraged to engage in miscegenation. When Whites see mixed couples and children we are stressed and conditioned to view our genes as unworthy of success and continuation. We are effectively lashed by other master races to surrender our women as we have surrendered our territory and our tribal integrity and dignity is lost. This has powerful negative psychological and physiological effects. It is emasculating and drives us to subservience and away from our instincts to be confrontational and protective. The jews have effectively destroyed all of these fundamental biological functions of the White collective and the White individual.

I think that stupid taboos and Whites' willingness to obey them, and in so doing shackle their own minds and destroy the instincts of preservation of their own people. . . I have come to understand that the asinine taboos the jews have imposed on the Whites and the needed ones they have stripped from the Whites are the primary cause of my failure to inspire Whites to join me in going to war back against the jews who are deliberately genociding us. You are not only too scared to break the taboos, you have been physiologically and psychologically conditioned to

be unable to break these taboos in your public actions and statements. You are slaves to the jews on such a subconscious and complete level that you are powerless, completely powerless to do anything to fight back. Your most primal instincts now direct you to attack those who defend you, and defend those who attack you.

I will have to give the solutions to this horrific dilemma much thought. We must obviously adopt as one measure the complete rejection of spoken and written taboos which prevent us from exposing and counter-attacking the jews. Organized uniforms and public marches would help. Flash mobs would help. Large gatherings of Whites without shame and with pride would help. But we need much more. We need manpower, media and money. How to get them among the self defeated is the key question I must answer, but I cannot allow it to become a taboo to publicly ponder these issues.

Current Examples of the Mortal Dangers of the Plutocracy of Jewish Tyrunts

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

A couple of years ago I warned of the dangers of allowing the jews to destroy our rights and our

lives through the use of money and credit. I explained that in the name of "freedom" the jews could starve us to death with GMO's and "competing currencies". My arguments gain currency with the latest attempts by wealthy jewish mayors to curtail our rights by the coercion of markets and money:

Goldbuggery Blues: The Reasons Why the Government Cannot Allow Competing Currencies, December 21, 2010

How GMO Organisms in Tandem With "Competing Currencies" Can Kill You, January 06, 2011

Compare what I said then with regard to food to the attack the jewish plutocrats are making against our gun rights:

The Big Cities' Financial War on Guns May Backfire

Though the jews usually deny that they use their purchasing power and money manipulation to rule over the Goyim, we see a modern instance of it in their proposals. The jews have always used the power of credit and collusive manipulation of access to markets to strangle the rights of Gentiles. The jews can control entire nations and instigate and determine the winners and loser of wars on this basis alone.

The jewish Libertarians are working to increase the power of the tribal jewish Plutocracy. I think we need to expose the jews' disproportionate wealth as a means of awakening our people. This tactic has often worked in the past to inspire the masses to counter-attack the aggressive and oppressive jews.

The jews can subvert our rights with the power of the pocketbook, by employing the same rights meant to protect us from the likes of the tribal jews. They also have the power to selectively enforce laws against the collective and selective use of credit and markets by coalitions, never prosecuting their own, while preventing Gentiles from working together to defend their own interests against the encroachments of the collusive jews.

Jews cannot be permitted in free societies because they are hostile to all Gentiles and unite to destroy them, while using their collective power to prevent the Gentiles from defending themselves, or even competing. We cannot tolerate a genocidal enemy in our midst, and we must take away their wealth as they utilize it as a weapon of genocidal war.

It is often said that a man will forgive you for anything, except cheating him out of money. We can generate an awareness of the jewish problem by exposing the jews' wealth in stark contrast to the increasing poverty of the masses. This is a tried and proven method of defeating the jews. It is also very effective to expose the jews as Christ killers and the poisoners of the Prophet Muhammad. Why not do what we know works, instead of simply exposing the jews' media and political power? We should use every legal means at our disposal to depose the enemy, those crafty, rich jewish tyrunts who are deliberately ruining our lives and our nation.

This is not a matter of class warfare, as the jews would have us believe. It is in fact a matter of tribal warfare, the jews against all others. Simply ask people, why are the jews so rich as everyone else is sliding into a depression? Then point out the jews' power in media, finance and politics as the resolution to the dilemma you have created in the minds of your audience. Ask

Christians why Jesus and the apostles hated and feared the jews, then tell them why. Ask Muslims why the jews poisoned the Prophet Muhammad, and then listen as they explain the answer to you in detail!

Why Should Whites Tremble at the Thought of Being Labeled "Supremacist"?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Judaism, Christianity and Islam are each supremacist belief systems. The ideology of "democracy" is a supremacist one in the hands of jewish puppet governments which demand that the whole of humanity conform to it. "Feminism" is a supremacist belief system which compels males to surrender the advantages nature has afforded them. Any belief system which unnaturally tries to "level the playing field" is a supremacist system imposed by the weak on the strong against the laws of nature.

Nature offers a superior system of supremacy to these unnatural religious and political perversions of nature, which depend upon abstractions to undermine nature. Whites must be unfettered from their sense of guilt and return to what is natural, for that alone provides our

means of survival.

But who is "better" and "superior"? A mentally sound Black man believes that it is better for him to be Black than White. To him Black is better than White and Black is superior to White. There is no requisite condition that mandates that every human group have the same definition and understanding of what is better and superior.

A mentally sound White man believes that it is better for him to be White than Black. Just as his genetic makeup is different from the Black, so too is his definition and understanding of what is best for him and what is superior for him. A White man would not use the genetic code of a Black man to define his genes and must not define his perspective of his self image and self interests by pretending to be Black.

One of the reasons for the relative lack of success of Blacks in America is that well meaning Whites generally try to convince Blacks that it would be better for them if they thought and acted like Whites. Blacks have no need nor desire to become mental and behavioral clones of Whites. They do not become better or superior by abandoning their nature, nor do Whites.

Just as Whites have different genetics from Blacks, Browns, Yellows and Reds, so too do Whites have different self interests. Whites must choose that which is better for them and enforce their decisions.

Healthy Whites know that they are better, because they would not choose to be anything else. The same is true of healthy Blacks, Browns, Yellows and Reds.

To survive, Whites must return to the laws of nature that gave them life. Whites must not relinquish their belief that they are best and superior. It motivates us to survive, to defend each other and our territory. How long would supremacist Christianity survive, if it held that every other religion is equally as good and that the church must give equal time to all other beliefs and they must be honored and those with greater numbers must be given more time in the church.

We are born White but we are not born Christians. How much more important is it for us to defend our blood and our territory than foreign abstract belief systems? We will not defend ourselves if we do not feel a sense of ownership, pride and right. Communism taught us that. If we universalize our blood and territory and surrender our rights of ownership, we will not preserve ourselves, just as under Communism Whites allowed property to deteriorate.

We must, if we are sane and rational, define ourselves by our existence and define what is better and superior by ourselves, lest we substitute ourselves out of existence. In our territories we must be supreme, lest others take from us that which we have ceased to defend as ours. These things are so basic to our nature that is amazing to me that any of us should cower from asserting our rights and our natures.

To be a better man is to exist with a consciousness that seeks to procreate and thereby continue to exist. To exist we need territory and mates. If we give away territory and mate with those unlike us, then we are not made better or equal, we are instead exterminated and erased from nature.

We have to think in ways which perpetuate our survival. We must know that we are better and

are supreme in our lands. We must feel a sense of duty and beauty in preserving ourselves because we are better. It is not wrong to motivate ourselves to survive, to achieve and to surpass our competitors. Every successful belief system and institution does so, and it is infinitely more important for us to preserve our genes and defend ourselves from the self-destructive immorality of egalitarianism that kills us off.

It Is Just to Wage War Against the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I could cite many examples where the jews themselves have defined themselves as a nation which lives apart from all others, even when parasitically residing among the Goyim. The jews have always sought to try their own people in their own courts by their own laws, and declare in the Talmud that they will undermine all Gentile courts. As such, the acts of war the jews have committed against us make our war to avenge injuries they have visited upon us a just war.

St. Augustine stated,

"Just wars are usually defined as those which avenge injuries, when the nation or city against which warlike action is to be directed has neglected either to punish wrongs committed by its own citizens or to restore what has been unjustly taken by it."

Never once in their entire history has the jewish nation sought to punish wrongs committed by its own citizens against other nations, or sought to restore that which they have unjustly taken. Jewish law forbids the jews from punishing the wrongs they have committed against us and bars the jews from restoring that which they have unjustly taken from us. Therefore, our war against them is just.

As but one example of that which the jews design to take from us, I cite our blood and our soil. The following statements are enough to serve as a justification for war against jewry, which is and which has always been an internationally subversive nation that worms its way onto the soil and into the affairs of all other nations, and so the actions of its citizens anywhere compel war against the entire tribe wherever its members reside:

"The EU should 'do its best to undermine' the 'homogeneity' of its member states, the UN's special representative for migration has said. [***] Mr Sutherland, who is non-executive chairman of Goldman Sachs International and a former chairman of oil giant BP, heads the Global Forum on Migration and Development, which brings together representatives of 160 nations to share policy ideas."--Brian Wheeler, "EU should 'undermine national homogeneity' says UN migration chief", *BBC*, (21 June 2012).

Barbara Lerner Spectre : Leading Jewish Role in Multiculturalism

When the Gauls attacked Clusium, their king cited the laws of nature as a justification for war to Romans:

"XVII. The Gauls at this time marched against the Etruscan city of Clusium and besieged it. The inhabitants appealed to the Romans to send ambassadors and letters to the barbarians, and they sent three of the Fabian family, men of the first importance in Rome. They were well received, because of the name of Rome, by the Gauls, who desisted from their siege and held a conference with them. The Romans inquired what wrong the Gauls had suffered from the people of Clusium that they should attack their city. To this Brennus, the king of the Gauls, answered with a laugh, 'The people of Clusium wrong us by holding a large territory, although they can only inhabit and cultivate a small one, while they will not give a share of it to us, who are numerous and poor. You Romans were wronged in just the same way in old times by the people of Alba, and Fidenae, and Ardea, and at the present day by the Veientines and Capenates, and by many of the Faliscans and Volscians. You make campaigns against these people if they will not share their good things with you, you sell them for slaves and plunder their territory, and destroy their cities; and in this you do nothing wrong, but merely obey the most ancient of all laws, that the property of the weak belongs to the strong, a law which prevails among the gods on the one

hand, and even among wild beasts, amongst whom the stronger always encroach upon the weaker ones. So now cease to pity the besieged men of Clusium, for fear you should teach the Gauls to become good-natured and pitiful towards the nations that have been wronged by the Romans.'"--

Plutarch's Lives, "Life of Camillus", XVII.

In much the same way, the jews ask us to forgive their war on our blood relatives in Europa, as they steal away America from us. If the laws of wild beast are to rule mankind, then let us apply them to the jews, who are so very much weaker than we are. Let us do so now!

To save ourselves we need the full force of our American military. We need our nuclear weapons to free ourselves and Europa from the jews and the masses of immigrants the jews have unleashed upon us and our territories. If we fail to abide by nature's laws to defend our blood and our land, nature will forget us as it forgets all who fail to fight to preserve themselves.

We must fight back and take control of our government. We must utilize our government to wage total war on the jewish nation around the globe and we must do so now.

Jewish Libertarian Agents Provocateur

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jewish libertarians have supplemented their povocateuring for a self-destructive revolution in America, with recent attempts to incite assassinations and other acts of violence, including no less heinous murders than Cobalt-60 dirty bomb attacks on Americans.

The jewish libertarians made all kinds of wild and false claims regarding Sandy Hook to try to stir up a revolution and incite murders. They married legitimate concerns about the events to their asinine and implausible conjectures. They lied about the President's actions and Congressional legislation all to create an atmosphere of panic so as to provoke some sucker into committing a counter-productive act of violence.

Now the jewish libertarians are misrepresenting what occurred with the mass murderer Dorner in order to romanticize murder and assassination and to provoke more such acts of murder. Know these psychopathic jewish libertarians. Not only do they have no regard for human life, they intend to kill off all non-jews.

They are not trying to provoke a revolution to free you. They are trying to provoke a revolution to enslave you. They are Bolsheviks and want you to help them tear down and destroy your nation.

We need political action NOW! The mere hint that the political will exists in America to fight back against the murderous jews will win us the time we need to defeat the jews.

Note that these rabid rodents, these jewish agents provocateur never take any real world action themselves. They just foam at the mouth in the hopes of infecting some sick mind to murder someone else.

Note their lack of success to this point and know that the American People do not want violence. The American People want leadership and direction. They need political representation, not jewish nihilistic violence.

Chuck Hagel Is Our Enemy. He Wants to Give All Our Nuclear Weapons to Israel.

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jews are playing the old Zionist / Bolshevist parlor game on the American People. The Republicans are pretending to be rabid Zionists but not rabid Bolshevists, and the Democrats are pretending to be rabid Bolshevists but not rabid Zionists. In reality both parties are rabid Zionists and Bolshevists and both want to destroy America and make the jews the rulers of the Earth from Jerusalem as the Old Testament instructs the jews to do.

Chuck Hagel and Barack Obama are the jews' puppets and Hagel is being used to manipulate Israeli politics and to help the jews impose their Boshevist / Zionist line on America by forcing the political debate to contain only these two issues and always to grant the jews' demands on these issues. Hagel polarizes politics with a prism that divides Americans for self destruction,

while focusing the full force of the issues on the jews through a hidden lens that captures all of this energy.

The jews have only two means to win the Battle of Armageddon they insist on staging to exterminate the Goyim. The jews can either steal all the nuclear weapons of the Whites, or the jews can trigger the mutually assured destruction system they created so that Whites exterminate each other. Tiny Israel cannot win the Battle of Armageddon by any other means, unless they develop the biological agents they would need to kill us all and a means of delivering them.

The jews will use Hagel and Obama, as well as Putin, to force the reduction of nuclear weapons held by Whites. These weapons will go to Israel. Christian Zionists will demand that Israel receive nuclear weapons in order to guard the coming "House of the Lord" the new jewish temple. The jews have mourned the loss of their temple for 2,000 years and it is a major priority for jews, Freemason and Christian Zionists to build another temple to the devil. They will call on all jews, Christian Zionists and Freemasons worldwide to sponsor and participate in the transfer of Whites' nuclear weapons to Israel, covertly and overtly, to safeguard the new temple so that no new Antiochus or Caligula will ever again defile it, and so that no empire will ever again destroy it.

The jews will bring all the gold, silver and jewels in the World to this temple and decorate Jerusalem with them and make them the reserve for all currency on a fractional reserve basis. The jews will demand the ability to guard this new Fort Knox with nuclear weapons. Inevitably, the jews will attack the World and if the World resists they will destroy us with our own nuclear

weapons. That is the Bolshevist plan.

The Zionist yang to the Bolshevist yin is to instigate World War III and have Whites eradicate each other. The jews have the coin in the air, and it is heads the jews win and tails Whites lose.

Chuck Hagel and Barack Obama are dedicated to making Israel a nuclear superpower while disarming Whites. They are not defending America against Israel, they are arming Israel against America. This is why the jews in the "alternative media" want to make a hero of horrible Hagel, because for them he is.

The Grainback: A POWER PARTY Proposal

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I propose that America issue a new currency to be used in international trade called the "Grainback". The supply of Grainbacks will be tightly controlled and we will treat any manipulation of its value as an act of war.

Any nation wishing to purchase American goods and services will be obliged to do so in Grainbacks. We will attempt to persuade Whites worldwide to adopt the Grainback for

international trade with non-Whites and we will provide the incentives for them to do so.

America will no longer depend on the petrodollar or on oil for the value of our currency. The World needs food and always will. Whites control food production. It is a better idea to effectively back our currency with food, than with oil in the hands of others.

We can buy Euros with Grainbacks and then retire them, as but one option to universalize the American currency. The currency will be issued debt free by the American Government and will also be the currency accepted for the payment of debts to Americans and the American Government by foreign nations and nationals.

Hyper-Risk Aversion is Risky: A COMEDY OF TERRORS

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Chester Whitey sat uncomfortably in the cheap seats. He himself chose to sit in the middle seat, so that someone else might enjoy the window seat and the aisle seat. He did not want anyone to think that he was selfish.

Mr. Whitey did not recline his seat, though the obnoxious little East Indian girl sitting in front of did and she bounced back against it repeatedly battering his knees. But he did not speak up because he was afraid he might offend someone or be accused of racism.

The obese Mexican woman sitting next him in the window seat also took up a third of his space, but he did not object and carefully crunched up his arms to afford his neighbors as much extra space as he could. The snoring Black man on the aisle snored loudly into Chester's ear as he banged his head on Chester's shoulder as if softening up a pillow. Chester thought for moment to politely ask the man to move his head, but then rejected the thought out of fear of a confrontation. Chester was terribly annoyed but did nothing about it.

Three jews sat behind Chester and constantly whined and argued about who should get the window seat. They complained constantly to the stewardess about everything from the food, to the movie, to the size of the seats, to color of the blankets, etc.

Suddenly the horrible sound of shearing metal tore through the airplane. Both wings mysteriously sheared off the plane and it began a sharp descent. The stewardess ran to all the jews on the plane and issued them parachutes. No one complained for fear of appearing anti-semitic. Chester asked for help unbuckling his seat belt, which was stuck closed. The stewardess told him to shut up and read the buckle.

It said, "Warning! In the event of a crash, remain in your seats, do nothing, shut up and keep your seat belt fastened! Schlomo's Buckle & Matzah Ball Co. assumes no liability or risk for your

use of its shoddy seat belts! Enjoy the ride, Goy!"

His face white as a ghost, Chester finally managed to unbuckle the seat belt and jumped over the still sleeping Black man next to him. In a panic, he ran to the hooknosed stewardess in hopes of asking for and receiving a parachute. Before he took one step, the jew from the seats behind him stood up with an indemnity contract and a pen. "Hey, you can't get up without signing this and waiving all your rights!" Beneath the carbon paper was a confession that Whites were behind all wars, that the Pope ruled the world, and that Chester was a Vatican assassin who had blown up the airplane.

Visibly confused, Chester grabbed the pen and hurriedly signed the contract then handed them back to the jew. As he ran passed to reach the stewardess, the jew stabbed him in the back with the pen. Then the jew pushed him aside and all the jews jumped out the emergency exit.

The stewardess tossed back one faulty parachute as she saluted the damned and jumped out the plane. The Whites, Blacks, Mexicans and Asians fought each other to take it and they were still fighting as the plane crashed.

Chester Whitey's last thought as the mountainside pushed his face through his skull was, "I should have done something sooner!"

The Anti-Christ Beauty Contest

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jews are on the verge of erecting their temple to their god and anointing their christ, the anti-Christ al-Dajjal. Islam has been thoroughly tamed. The Pope is stepping down. And now the jews must divert attention from the true evil king and scapegoat the Goyim for their sins.

For centuries now, the jews have paid for and produced literature meant to redirect attention from their prophecies and plans and focus it on the Goyim. The jews have carefully, and for hundreds of years, planted four genocidal seeds which they hope will today bear fruit.

The jews taught Roman Catholics that Protestants and the Caliphate are anti-Christ. The jews taught Protestants that Roman Catholics, the Czar and the Caliphate are anti-Christ. The jews taught Russian Orthodox that Protestants, Roman Catholics, and the Caliphate are anti-Christ. The jews taught Muslims that the leaders of Protestants, Roman Catholics and Russian Orthodox are Dajjal.

Is it merely a coincidence that we stand today on the precipice of the rise of the jewish temple, and at this very same time the Pope of the Roman Catholics steps aside to make way for a more charismatic figure or to send the Church into obsolescence, the Turkish Caliphate is reconstituting itself, Protestants are converting to Christian Zionism, and Russian Orthodoxy is reemerging? In each instance, we see that jews are directing these events. In each instance, we

see a blurring of church and state, the clerical and profane, the double headed eagle of the centralized power of both civil and religious affairs.

I expect that the jews will agitate each of these forces against each other leaving the jews standing in Jerusalem bobbing their heads and sacrificing Goyim in their shiny new temple as the jews fill its foundations with all the world's gold and pit the Goyim against each other. Each of these religions is devoted to taking Jerusalem for itself and each has surrendered that duty to the jews through active subversion. Now, the jews will try to dupe these forces into annihilating one another, and the crypto-jews who serve as the religious leaders in each of these religious communities will preach that the anti-Christ al-Dajjal has arrived, and it ain't them!

Netanyahu Is Prodding Hezbollah. . . Islam and Christianity

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Bibi has given the green light to the further illegal encroachment of jews into the West Bank. This is the latest attack in a series of provocations which are in no small measure meant to incite Hezbollah.

Netanyahu is planning to attack Iran. One of the contingencies involved in the planning of the jewish attack on Iran is the response of Hezbollah in Lebanon. The jews also very much want to destabilize Lebanon and provide a pretext for a new round of jewish aggression against the sovereign nation.

Hezbollah is one of very few groups of Muslims which has ever reacted to jewish territorial expansion. In its infancy, modern Zionism was extremely careful to disavow any designs on making Jerusalem a jewish capital. The jews feared that Christians and Muslims, who have laid claim to the city, would oppose the Zionist scheme with force if ever the jews made clear their intentions to capture the city and its surroundings as their national territory.

The jews now feel confident that neither Christians nor Muslims will mass against them as they steal this land and establish the seat of their world government in Jerusalem, as they have planned to do for 2,500 years. Christians and Muslims are pledged to rise up against this manifestation of the anti-Christ / al-Dajjal, but have shown little resistence to the jews' plans and actions.

It is interesting to note that the Pope is stepping down just as the jews are about to overtake Jerusalem in its entirety and begin the "end times" of jewish mythology.

Christians and Muslims have effectively surrendered their age old claim on the city of Jerusalem. The hundreds of millions of Eastern Muslims have done absolutely nothing as Muslim nation after nation has been destroyed in the Middle East, Africa and Afghanistan soon

to be Pakistan. Muslims will do nothing as the jews take all of Jerusalem and destroy the Dome of the Rock to erect a temple to the devil. Christians will do nothing but lend their support.

Netanyahu is prodding these groups to condition them to being whipped and herded. But it would be in Israel's best interest to take down Hezbollah and destabilize Lebanon before bombing Iran. The Shia are evidently the only Muslims who seem to care that Israel is destroying Muslim nation after nation and is on the verge of taking all of Jerusalem, care enough to fight, that is. And Israel is doing all it can to provoke the Shia into fighting now, so that Israel will face little to no retaliation when it hits Iran and destroys the Dome of the Rock.

If Israel can destroy Hezbollah, Iran will have very limited options to strike back at Israel. If Israel fails to destroy Hezbollah, it can modify its plans of attack on Iran. Either way, it is better for Israel to secure its immediate borders before attacking Iran.

Netanyahu wants it to be crystal clear that there never has been a "peace process" and that the Palestinians have no hope to retain any of their land. He wants to force Hezbollah and the Palestinians into a sense of desperation that they had better fight now because their position will only grow weaker by the day. So he prods them and kicks them, and spits on them, hoping to start a fight so that Israel can pretend to be the victim of Muslim aggression.

The jewish media is making much of Obama's planned visit to Israel. Netanyahu is on track knocking down dominoes. For decades, the man has openly stated that he would destroy the Muslim nations which now lay in ruins. Obama's visit will help him lay waste to a few more. The dog is going to lay at the feet of his master.

The notion that Obama is going to Israel to tell Netanyahu not to attack Iran and to make peace with the Palestinians is patent nonsense on its face. If Obama had the power to tell Netanyahu what to do, then he would not travel to Israel to make use of it. He would force Netanyahu to come crawling to him, rather than traveling to Netanyahu's home turf.

The Palestinians know all this. Their only fighting ally has been Hezbollah. Netanyahu wants a confrontation with Hezbollah sometime soon.

Applying the White "Prepper" Instinct to White Nations

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Whites intuitively know that we need guns and butter to survive in this increasingly dangerous world. Whites are instinctively hoarding weapons and food, and are preparing shelters and water reserves.

Our ancestors have done the same from the beginning, but they followed their survival instincts to guide them on a national and international level as well as a personal level. If we bind

together and apply the same principles to our governments that we apply to our families, then Whites can secure the entire World for ourselves and the rest of humanity.

The jews want to dupe Whites into doing to White nations what the jews have done to Arab nations. The jews want us to engage in revolts and civil wars which will lay waste to our countries and our peoples leaving them in ruins and chaos. Foremost among these subversive movements are the well funded Libertarians and Communitarians, followed behind by the throughly Federally and jewish infiltrated White Nationalists.

Rather seceding, revolting, surrendering or instigating civil strife, Whites should simply take control over what is already ours. We dominate the Northern Hemisphere and control almost all of the nuclear weapons in the World and almost all of the best and most productive farmland worldwide. The Muslims control the oil, but we drive the demand and consume it.

Russia can supply a great deal of Whites' energy needs. Whites can supply the food for the World. Food can do for White currency what oil has done.

So why is it that we are in perpetual war which is bankrupting Whites, when Whites own a virtual monopoly on nuclear weapons which render war obsolete? It is only because the jews hold Whites on a leash and sic us upon each other, as they have done for thousands of years. Break the chains and the world is ours.

With our virtual monopolies on food and nuclear weapons we can and should control all the currencies of the World and supply our own needs. Whites come first and we should never

export food while one White suffers from hunger. We should stock pile food and then export the excess and insist that our food be traded in our currencies or for goods and services which benefit us. We should cease fighting wars, especially for the jews, for these are meant to destroy us as we destroy the jews' enemies.

It is good and natural that we Whites think like "preppers" but we must expand our White consciousness to embrace our global condition and needs, and apply our instincts accordingly. We should prepare for White survival forever, which means we must condition the World to serve our needs and provide for them. And we must forever prepare our national and international security needs with our weapons and our defenses. We must never allow demographics to capture our weapons and defenses in non-hands.

We must develop our preparatory political instincts and unite as Whites for our common defense. Rather than subvert our governments and societies we must strengthen them and make them more homogenous in ways which favor our interests. The National Socialists came to power by harnessing the White political preparation instinct. Whites killing Whites does us no good. We must instead solidify our political power and court our blood in Europe in Asia to support us as we support them.

Non-Whites have shown their true face and their desire to disenfranchise us. Now it is our turn to respond with like for like, and we must like our own as they do theirs. We must prepare politically so that we can safeguard our governments and our future. There are no greater arsenals nor food stores than in the White world. We need only claim them.

Obama and Hagel Want to Reduce America's Nuclear Arsenal, But Where Will the Plutonium Go?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jews' puppet Obama wants to reduce the number of nuclear weapons held in our nuclear arsenal. What will become of these weapons and the nuclear materials they contain?

Obama does not want the plutonium to be used in MOX fuels, and given what has occurred in Japan, there is good reason not to use it as nuclear fuel. So where will it go and how will it be accounted for?

I suspect the jews want to send our plutonium and weapons to Israel. I remember that there was talk many times over many years of moving all nuclear weapons to Israel and making it the center of International Government which the jews have sought for at least 2,500 years.

Another option the jews may be exploring is using the materials and weapons to construct a doomsday device designed to take out America, and/or American cities. It would be easy to place these bombs in silos near cities where they could be launched and detonated in a matter of seconds with no means of defending against them. The World would be told the Chinese or

Russians launched a preemptive strike on us and America would be gone forever.

All it would take for Obama to initiate martial law and become a dictator would be for one nuclear bomb to detonate in America, no matter the ultimate source.

We live in dangerous times. It is insane to allow the jews to run our government and control our military. We have to stop them before they disarm all Whites while arming themselves and the Asians. The UK is approaching the tipping point where it will become an Asian nation in terms of its population. The same could happen to America at a much accelerated pace if the jews succeed in disenfranchising Whites, because the immigrant voters will vote in politicians who will allow in hundreds of millions of Asians.

But if we turn the tables on the jews, a feast awaits us. If Whites in America take control of our nuclear arsenal and form an alliance with Russia, the UK and Russia and deport non-White immigrants from these White territories, we will have a virtual monopoly on nuclear force. The jews have so thoroughly destabilized the Middle East that it poses no threat to us. The jews have pitted Pakistan and India against each other, the Chinese against themselves, the Koreans against themselves and the Chinese against the Japanese. Africa and South America are sparsely populated and militarily weak.

If the White nations agree to protect each other, rather than threaten to annihilate each other, we secure the future of Whites for the foreseeable future, and we can completely solve the jewish problem. We must act now to secure the nuclear weapons in White hands and protect and reestablish the demographic integrity of White nations.

The jewish "alternative media" continue to push Hagel on us as if some kind of a savior, because the jews want to disarm Whites and make us easy prey for Asians and the jews standing behind them.

America Is a White Supremacist Nation, and Always Has Been. . . for Several Good Reasons

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Declaration of Independence states, *inter alia*:

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

While all men are declared equal under this statement, it is nevertheless a declaration of the independence of one group of men from that of another for the purpose of self-determination, and the group declaring its independence was a group of White men who threw in their lot together to stand against all others.

The fundamental right to life includes the right and duty to safeguard White DNA and preserve Whites from miscegenation across generations, thereby securing the rights of our ancestors and our current generation from the loss of their White DNA down through the generations including our descendants. The diversification of America to include non-Whites threatens the right to life by creating a diversity of blood loyalties leading to national dissensions which favor non-White life over White life both domestically and globally.

The fundamental right of liberty includes the right to eliminate a criminally prone class of non-Whites whose behaviors provoke a State response to diminish the liberties of Whites who do not generally so act as to prompt the revocation of liberty. It includes the right to self-determination from non-Whites, whose cultures and traditions deviate from ours and subvert our notions of liberty.

The fundamental right to the pursuit of happiness incorporates of necessity the preservation of cultural exclusivity and decency, traditionally accepted standards of societal etiquette, etc. It secures the self interests of Whites against the encroachment of non-Whites through the unequal burden non-Whites place on the State and society by failing to perform to the standards Whites achieve, thereby placing an unnecessary and unwanted yoke on the necks of Whites.

The Preamble to the Constitution of the United States declares:

"We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to

ourselves and our Posterity, do ordain and establish this Constitution for the United States of America."

A heterogeneous society discourages domestic tranquility, produced the Civil War, permits the jews to subvert our nation in an unjust manner through disproportionate influence that defeats our common defense rendering it the Esau slave soldier the jews have sought for 2,500 years; defeats the general welfare by, among other means, allowing the jews to control our banking and money supply mechanism placing Whites in a usurious debt cycle which the jews have sought for 2,500 years to control the World; allows the jews to subvert our liberties through their participation in our political and public opinion institutions. Therefore, the Constitution is not consistent with non-White and anti-White influence and citizenship.

The arguments leading to the Constitution, and the traditions including the Magna Carta, recognize only Whites as citizens. The Magna Carta recognized the fact that jews were hostile to Whites and used usury to destroy Whites' rights to life, liberty and the pursuit of happiness:

"10. If one who has borrowed from the Jews any sum, great or small, die before that loan be repaid, the debt shall not bear interest while the heir is under age, of whomsoever he may hold; and if the debt fall into our hands, we will not take anything except the principal sum contained in the bond.

11. And if anyone die indebted to the Jews, his wife shall have her dower and pay nothing of that debt; and if any children of the deceased are left under age, necessaries shall be provided for them in keeping with the holding of

the deceased; and out of the residue the debt shall be paid, reserving, however, service due to feudal lords; in like manner let it be done touching debts due to others than Jews."

The Federalist Papers, at No. 54, did not consider Blacks "men", but rather partial property, partial human, and not citizens:

"To the People of the State of New York:

THE next view which I shall take of the House of Representatives relates to the appointment of its members to the several States which is to be determined by the same rule with that of direct taxes. It is not contended that the number of people in each State ought not to be the standard for regulating the proportion of those who are to represent the people of each State. The establishment of the same rule for the appointment of taxes, will probably be as little contested; though the rule itself in this case, is by no means founded on the same principle. In the former case, the rule is understood to refer to the personal rights of the people, with which it has a natural and universal connection.

In the latter, it has reference to the proportion of wealth, of which it is in no case a precise measure, and in ordinary cases a very unfit one. But notwithstanding the imperfection of the rule as applied to the relative wealth and contributions of the States, it is evidently the least objectionable among the practicable rules, and had too recently obtained the general

sanction of America, not to have found a ready preference with the convention. All this is admitted, it will perhaps be said; but does it follow, from an admission of numbers for the measure of representation, or of slaves combined with free citizens as a ratio of taxation, that slaves ought to be included in the numerical rule of representation? Slaves are considered as property, not as persons. They ought therefore to be comprehended in estimates of taxation which are founded on property, and to be excluded from representation which is regulated by a census of persons. This is the objection, as I understand it, stated in its full force. I shall be equally candid in stating the reasoning which may be offered on the opposite side. 'We subscribe to the doctrine,' might one of our Southern brethren observe, 'that representation relates more immediately to persons, and taxation more immediately to property, and we join in the application of this distinction to the case of our slaves. But we must deny the fact, that slaves are considered merely as property, and in no respect whatever as persons. The true state of the case is, that they partake of both these qualities: being considered by our laws, in some respects, as persons, and in other respects as property. In being compelled to labor, not for himself, but for a master; in being vendible by one master to another master; and in being subject at all times to be restrained in his liberty and chastised in his body, by the capricious will of another, the slave may appear to be degraded from the human rank, and classed with those irrational animals which fall under the legal

denomination of property. In being protected, on the other hand, in his life and in his limbs, against the violence of all others, even the master of his labor and his liberty; and in being punishable himself for all violence committed against others, the slave is no less evidently regarded by the law as a member of the society, not as a part of the irrational creation; as a moral person, not as a mere article of property. The federal Constitution, therefore, decides with great propriety on the case of our slaves, when it views them in the mixed character of persons and of property. This is in fact their true character. It is the character bestowed on them by the laws under which they live; and it will not be denied, that these are the proper criterion; because it is only under the pretext that the laws have transformed the negroes into subjects of property, that a place is disputed them in the computation of numbers; and it is admitted, that if the laws were to restore the rights which have been taken away, the negroes could no longer be refused an equal share of representation with the other inhabitants. 'This question may be placed in another light. It is agreed on all sides, that numbers are the best scale of wealth and taxation, as they are the only proper scale of representation. Would the convention have been impartial or consistent, if they had rejected the slaves from the list of inhabitants, when the shares of representation were to be calculated, and inserted them on the lists when the tariff of contributions was to be adjusted? Could it be reasonably expected, that the Southern States would concur in a system, which considered their slaves in some degree as men, when burdens were to

be imposed, but refused to consider them in the same light, when advantages were to be conferred? Might not some surprise also be expressed, that those who reproach the Southern States with the barbarous policy of considering as property a part of their human brethren, should themselves contend, that the government to which all the States are to be parties, ought to consider this unfortunate race more completely in the unnatural light of property, than the very laws of which they complain? 'It may be replied, perhaps, that slaves are not included in the estimate of representatives in any of the States possessing them. They neither vote themselves nor increase the votes of their masters. Upon what principle, then, ought they to be taken into the federal estimate of representation? In rejecting them altogether, the Constitution would, in this respect, have followed the very laws which have been appealed to as the proper guide. 'This objection is repelled by a single observation. It is a fundamental principle of the proposed Constitution, that as the aggregate number of representatives allotted to the several States is to be determined by a federal rule, founded on the aggregate number of inhabitants, so the right of choosing this allotted number in each State is to be exercised by such part of the inhabitants as the State itself may designate. The qualifications on which the right of suffrage depend are not, perhaps, the same in any two States. In some of the States the difference is very material. In every State, a certain proportion of inhabitants are deprived of this right by the constitution of the

State, who will be included in the census by which the federal Constitution apportions the representatives.

In this point of view the Southern States might retort the complaint, by insisting that the principle laid down by the convention required that no regard should be had to the policy of particular States towards their own inhabitants; and consequently, that the slaves, as inhabitants, should have been admitted into the census according to their full number, in like manner with other inhabitants, who, by the policy of other States, are not admitted to all the rights of citizens. A rigorous adherence, however, to this principle, is waived by those who would be gainers by it. All that they ask is that equal moderation be shown on the other side. Let the case of the slaves be considered, as it is in truth, a peculiar one. Let the compromising expedient of the Constitution be mutually adopted, which regards them as inhabitants, but as debased by servitude below the equal level of free inhabitants, which regards the SLAVE as divested of two fifths of the MAN. 'After all, may not another ground be taken on which this article of the Constitution will admit of a still more ready defense? We have hitherto proceeded on the idea that representation related to persons only, and not at all to property. But is it a just idea?

Government is instituted no less for protection of the property, than of the persons, of individuals. The one as well as the other, therefore, may be considered as represented by those who are charged with the government.

Upon this principle it is, that in several of the States, and particularly in the State of New York, one branch of the government is intended more especially to be the guardian of property, and is accordingly elected by that part of the society which is most interested in this object of government. In the federal Constitution, this policy does not prevail. The rights of property are committed into the same hands with the personal rights. Some attention ought, therefore, to be paid to property in the choice of those hands. 'For another reason, the votes allowed in the federal legislature to the people of each State, ought to bear some proportion to the comparative wealth of the States. States have not, like individuals, an influence over each other, arising from superior advantages of fortune. If the law allows an opulent citizen but a single vote in the choice of his representative, the respect and consequence which he derives from his fortunate situation very frequently guide the votes of others to the objects of his choice; and through this imperceptible channel the rights of property are conveyed into the public representation. A State possesses no such influence over other States. It is not probable that the richest State in the Confederacy will ever influence the choice of a single representative in any other State. Nor will the representatives of the larger and richer States possess any other advantage in the federal legislature, over the representatives of other States, than what may result from their superior number alone. As far, therefore, as their superior wealth and weight may justly entitle them to any advantage, it ought to be secured to

them by a superior share of representation. The new Constitution is, in this respect, materially different from the existing Confederation, as well as from that of the United Netherlands, and other similar confederacies. In each of the latter, the efficacy of the federal resolutions depends on the subsequent and voluntary resolutions of the states composing the union. Hence the states, though possessing an equal vote in the public councils, have an unequal influence, corresponding with the unequal importance of these subsequent and voluntary resolutions. Under the proposed Constitution, the federal acts will take effect without the necessary intervention of the individual States. They will depend merely on the majority of votes in the federal legislature, and consequently each vote, whether proceeding from a larger or smaller State, or a State more or less wealthy or powerful, will have an equal weight and efficacy: in the same manner as the votes individually given in a State legislature, by the representatives of unequal counties or other districts, have each a precise equality of value and effect; or if there be any difference in the case, it proceeds from the difference in the personal character of the individual representative, rather than from any regard to the extent of the district from which he comes. 'Such is the reasoning which an advocate for the Southern interests might employ on this subject; and although it may appear to be a little strained in some points, yet, on the whole, I must confess that it fully reconciles me to the scale of representation which the convention have established. In one respect, the establishment of a common measure for

representation and taxation will have a very salutary effect. As the accuracy of the census to be obtained by the Congress will necessarily depend, in a considerable degree on the disposition, if not on the co-operation, of the States, it is of great importance that the States should feel as little bias as possible, to swell or to reduce the amount of their numbers. Were their share of representation alone to be governed by this rule, they would have an interest in exaggerating their inhabitants. Were the rule to decide their share of taxation alone, a contrary temptation would prevail. By extending the rule to both objects, the States will have opposite interests, which will control and balance each other, and produce the requisite impartiality.

PUBLIUS. [Written by Alexander Hamilton or James Madison]"

The Constitution of the United States, Article I, Section 2, does not grant Blacks citizenship nor confer on them a status equal to that of Whites:

"Representatives and direct Taxes shall be apportioned among the several States which may be included within this Union, according to their respective Numbers, which shall be determined by adding to the whole Number of free Persons, including those bound to Service for a Term of Years, and excluding Indians not taxed, three fifths of all other Persons."

The Unites States Supreme Court affirmed that Blacks were not citizens, that citizenship is not necessarily the same as free man, and that we have the right to define who may become a citizen

and who may not. See:

U.S. Supreme Court, DRED SCOTT v. SANDFORD, 60 U.S. 393 (1856)

The jews sought to subvert this decision with the "reconstruction amendments" 13, 14 and 15.

The 14th Amendment to the US Constitution (July 9, 1868), states, among other relevant things:

"All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the state wherein they reside. No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws."

The 15th Amendment to the Constitution of the United States of America:

"The right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of race, color, or previous condition of servitude."

These passages could be interpreted in the tradition of American government to mean that only those who do not infringe upon the rights of Whites to life, liberty and the pursuit of happiness are to be considered "persons" for the purposes of citizenship in the United States of America, and those who as a group destroy the rights of Whites have by their actions repudiated their

citizenship in our nation. The jews manufactured the Civil War as means to divide us against ourselves. After destroying White civilization in the South, the jews sought to guarantee that it would not return.

Blacks naturally migrated to places where White civilization flourished in search of a better standard of living. They moved en masse to the inner cities of the North, which they quickly rotted out to the detriment of Whites. It appears that Blacks do not function well in urban environments, perhaps because they are physiologically and psychologically more vulnerable to the ill effects of stress in an urban environment than are Whites, while benefitting from their nature in other environments. Much the same has occurred with Hispanics.

These non-Whites have infringed on the fundamental rights of Whites to life, liberty and the pursuit of happiness in measurably significant and disproportionate ways. These fundamental rights include the right to sovereignty in addition to self-determination.

The *POWER PARTY* will define in law the requirements of citizenship, and distinguish citizenship, freedom and person with legally binding definitions which secure the rights of Whites to life, liberty and the pursuit of happiness.

Though I have addressed the wrongs non-Whites have done to Whites in the above article, I have made no attempt to address the wrongs Whites have done to non-Whites, which should not be misinterpreted to constitute an attempt to address those wrongs, a denial of them, or an attempt to discuss their remedy or proportion in relation to the wrongs non-Whites have done and are committing against Whites. I am instead laying down the legal foundations of Whites' rights to self-determination and sovereignty in the nation we founded to provide for those basic

human rights.

The Consciousness Fetish of Whites

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Each of us begins life as the singular bonding of the genetic material of our mother and of our father into a new and unique grouping of chemicals that immediately replicate themselves into an ever more complex organism of structures. Eventually, in human life, a conscious brain develops that will ultimately seek out a mate with whom it will mix DNA and perpetuate the life form.

We Whites are each part of this interplay of our DNA bonding and combining over and over again to perpetuate itself. The DNA generates sexual organs, feeding organs, sensory organs, the brain, etc. all of which enable it to carry out the complex process of mating and living; but we should never forget that the DNA is more fundamental than consciousness, or body, and that the body is more fundamental than consciousness.

We modern Whites are burdened with a fetish of consciousness that defeats our more fundamental bodies and ultimately fundamental DNA. The mental guardian of our DNA, both on a personal, and on a tribal level, is failing us. It has become a "god spirit" that stands between our DNA and the survival of our DNA.

DNA manufactures a hierarchy of forms and functions which enable it to survive and create new life. Religion creates the myth that consciousness is independent of this hierarchy and is of an alien substance of spirit that comes not from DNA but from god[s]. The creation of a new spirit is not the meeting of the DNA of a man and woman, the fabric of the tribal DNA weaving itself into new beautiful forms through time in an unbroken chain, but rather the work of a "higher consciousness" that produces new "spirits" after its kind.

In this myth of religion, the DNA is the vessel containing the supernatural spirit, not the seed that if successful inevitably produces consciousness as a part of the process of creating more and unique DNA to add to the tapestry of the tribe and to keep it alive and prone to survive. This myth is contradicted by the complexity of our bodies and the way our bodies interact with each other and the environment. Our bodies communicate with (and outside of) our consciousness, but even this requires an enormously complex orchestra of interactions that have nothing to do with consciousness but instead more fundamentally produce conscious sensations and thoughts.

Religion places far too great an emphasis on consciousness and places not nearly enough import on our bodies, our environment, our enemies and competitors, and our DNA. The hierarchical level of consciousness is failing to protect the higher levels of children, tribe and environment, and the more basic levels of DNA and cellular function. Religion is a major obstacle in correcting

this problem.

Religion allows stupid and/or ignorant people to feel comfortable with their stupidity, because it is an act of their obedience to their beliefs that they are stupid. They even take pride in it. Religion allows consciousness to permit the poisoning of our DNA in a million vicious ways.

But religion is hardly the only obstacle our DNA faces in its journey to survive. Modern man's consciousness seeks out addictive and destructive food and drugs that harm our DNA and which will soon render us sterile if we do nothing to protect ourselves. Our consciousness has produced radioactive substances and dispersed them into our environment. This consciousness which we worship as a god is becoming our undoing, primarily because we fail to understand its relationship to the hierarchy of human life.

As individuals, tribes, humanity and members of the life community, we ought to place less emphasis on our consciousness and cease to deify it. This religious worship of the mind as if a fragment of a god that will live after us destroys our ability to see each other in our fulness and to protect our lives individually and collectively, not only in this generation, but all future generations as well.

Ten of the Many Dangers Christianity Poses to Whites

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

(1). Psychopaths, crypto-jews and money dominate the clergy and they are leading Whites towards extinction.

(2). Christianity is a jewish apocalyptic religion which encourages Christians to instigate an apocalyptic war to wipe out 2/3 of humankind while providing the murderous Christian psychopaths the false hope that they will be spared in heaven, if not on Earth. From the first, Christianity created the myth that the "end times" are near and therefore the survival of Whites is of secondary importance to instigating the apocalypse and destroying the World.

(3). Christianity creates the self-destructive illusion of superiority by means of subservience, of victory through martyrdom and defeat, ultimately life through death, not only of the individual, but also of the White race.

(4). Christianity is universalist and evangelical. It encourages Whites to create self-defeating empires and is destructive of nationalism. It has always generated fratricidal wars among Whites and has destroyed much of White culture and religion.

(5). Christianity idealizes the slave and demonizes the master making humans the supposed children of a jewish deity whom they must obey. Christianity makes the jewish god, and not nature, the source of fundamental law, creating the illusion of a higher court which will provide through providence the protection of those rights which must in fact be defended by man.

(6). Christianity generates a false sense of infallibility and security, rendering gross mistakes unimportant, failure meaningless, and the death of the race inconsequential.

(7). Christianity glorifies the genocidal jewish god and destroys the dignity of man as master of his own fate and his own soul.

(8). Christianity creates the fatal hubris and complacency of the illusion that supernatural forces punish evil and battle against it, and that they reward good and ensure its ultimate victory.

(9). Christianity destroys the reality of White genetics as the source of our being and replaces it with the jewish metaphysics of creation mythos and reincarnation, thereby placing the spirit outside of the flesh and rendering the preservation of the spirit through obedience to jewish myth and law as a priority over the preservation of the purity of the flesh and of children. It is the ultimate suicidal false pride of egoism over tribe, mythical afterlife over life and children, the selfish worship of personal consciousness over the preservation of blood and tribe.

(10). Christianity is demonstrably false and therefore to pretend that it is the highest truth destroys the rational well being of the White mind and opens the gates to the belief in any and all obvious falsehoods. It teaches injustice, the scapegoating of another for sins, and is internally inconsistent.

The Self-Degradation of Whites Spells Death for Our People

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Back on 9 February 2013, I wrote the following article which calls attention to a growing problem:

The White Superiority Inferiority Complex: Made in Jewry, February 09, 2013

Not long after, the following example emerged which perfectly illustrates my point:

Wisc. University Stands By Campaign To Teach Diversity By Writing 'Unfair' On White Students' Faces

http://www.youtube.com/watch?v=jz-_UqYAgzw

Wisconsin University Joins Campaign Saying It's 'Unfair' to be White

The slope of this slide is downward, way down into the dank must of the grave.

Be proud to be White and increase our advantages; secure, homogenize and expand our territory; seize total control of our nuclear weapons; and promote the White Continental

Integrity of North America, Europe and Australia. Never demean us or diminish our power.

Never demean us or diminish our power. Never demean us or diminish our power.

Whites' Will to Power Is Being Misdirected and Destroyed. Though non-Whites do, Whites do NOT Breed Well in Captivity.

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Whites are highly susceptible to the jews' attack on our Will to Power. They want to misdirect it into a will to egalitarianism and then a will to subservience. Freud and Adler played a role in the destruction of the healthy White psyche.

In pondering the causes of my failure to inspire Whites to act politically to counter-attack the jews, I am led to the theories of Schopenhauer and Nietzsche regarding the will to bear and exercise power. It appears to me that the jews have schooled Whites of various personality types to view power in various ways. Those of us prone to the use of force are taught to view power as if short bursts of violent individual heroic action. These types come to believe that power exists in violent dominance over a small group for a short period of time. The jews use this type of individual to commit warfare against Whites by providing jews with "the propaganda of the deed", chiefly murders which provide a pretext for governmental oppression and repression,

which then create social upheaval and inspire a revolution, which are the jews' goals.

Whites are not unique in their vulnerability of the jews' manipulation of this violent instinct. Whites, however, appear to be especially vulnerable to the abuse of their instincts to comply with the herd and their philanthropic instincts. The jews have misdirected and thereby destroyed Whites' will to power by turning it into a will to comply and to sacrifice for others who are not White. Whites have been taught that their needs are better met through subservience than resistence and self assertion. In this way, Whites have lost their dignity which is the key to their will to survive.

In order to compete and dominate, Whites must believe that they are better, lest Whites' efforts to compete instead become an attempt to empower our competitors to our detriment. If we hold that we are mere equals to our competitors and enemies, then we set about to defeat ourselves so that others come to a position where they can easily surpass us.

Survival is not game of moral fairness. We are competing against others who have an uncorrupted will to power and who will dominate us and exercise their superiority over us to our detriment if we allow it to exist and become inferior. The first step to becoming inferior is becoming equal, surrendering our superiority and advantages. The direction which points us from superiority to equality points sharply downward, and once we begin the descent as a mental process whereby we subvert our will to power, the end result is inevitably our slavery followed by our extinction.

We have to motivate our People to fight, to seize hold of the power that is already ours. To do

this, we must convince them that we are worth fighting for and that we will win. Our goal as Whites is not to defeat ourselves for the benefit of others, but to increase our power and advantages to ensure our survival and competitive advantages. If we wish to win this war for survival, we must not detune or abandon our weapons to a lower level to be fair to our enemies. That is not an expression of power, it is an act of submission, the actions of a willing slave. One of our most important weapons in the struggle to survive is our sense of need and justice to seize power. To have power is to be superior in this fight and we must not mock our own superiority nor should we shun it. We should embrace and glorify it so that our People assert themselves and their will to power that generates the will to survive.

To have a will to power and a will to survive, the White needs to feel superior. The White mind requires a sense of justice to act. The White only determines that it is just for him to survive and thrive and to maintain power when he views himself as superior. Superiority is often expressed as if the moral high ground to Whites. This frequently takes the form of religious conviction. The jews have a tremendous advantage over modern Whites in that they have both a religious and a racial conviction that they are superior. This enables a minuscule minority to rule the World and destroy it. But the jews' beliefs and evidently their natures as well are fundamentally parasitic and destructive.

Think of what Whites can accomplish if we come to view ourselves as superior, worthy of survival and power? Our instincts are philanthropic and if properly directed to fulfill our will to power and to survive will enable us to thrive.

It is good that we call ourselves White. White connotes beauty, purity and peace. We should not

surrender this advantage because it offends non-Whites that we have any advantage. Our interests are different from and often conflicting with theirs. Our first duty is to ourselves, not them.

The fact that one thing is better than another does not mean that the other is necessarily bad. I hold that strawberries taste better than blackberries, but I would not want a world without blackberries. I don't hate blackberries, I just think strawberries are better and plant them in my garden. If I held that all plants are equal, I would starve or poison myself. We have the power of discernment and should reject abstractions which destroy our will to power and our will to survive, while embracing abstractions which empower us and facilitate our survival.

I think we can motivate a hundred million Whites to march in the streets if we teach them a sense of superiority that justifies their fight to take power and to survive. I don't see how we can motivate them to take power by teaching them that they have no right to fight for their power. Even the communist jews are forced to motivate Whites by giving them a sense of intellectual and moral superiority. They also make an enemy of the "Bourgeoisie" which preserves the social order. The deceitful libertarian jews likewise create a supremacist psychology which deceitfully pretends to be pro-White, but is internationalist and jewish. They too pretend to be morally superior and make an enemy of the shadowy "collective", which they conveniently define in ways that subvert Whites and empower jews.

We have to motivate our People to face and fight our enemy. How can we do it without generating a will to power and a will to survive? How can the White mind be coaxed to act on its own behalf without a sense that it is somehow superior and in need of justified supremacy? The

White becomes impotent and submissive when directed to believe that his sense of justice and ability to provide for his living needs are met by compliance with anti-Whites agendas. We have to provide an alternative perspective which sparks the imagination of Whites and inspires Whites' will to power and will to survive in self beneficial ways. If we provide Whites with a healthy self image of just action based on a sense of superiority which will fulfill our needs, then we can motivate Whites to unchain themselves from the jewish tyrunts.

We should mock the slavishness of Whites in airports submitting to Blacks who search us, order us about, and degrade us in our own country. And we should juxtapose it to the slavishness of the jewish controlled Congress demanding that our enemy Hagel grovel before the jews. We should point to the fact that a White places his life in danger when venturing into Black or Mexican territory in the USA and the injustice of this intolerable humiliation.

We have to show our People the interconnectedness of all these degradations and how we are being conditioned to become slavish and self defeating in our self image. We must break Whites' sense that it is better for others to rule us and that it is just that we be slaves to others. We can only do that if we unashamedly assert our superiority, and it is the height of morality for us to do so. The White being is not wired to function in any other way. That is why our populations are declining. We do not breed well in captivity.

Why Say "WHITE"?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The POWER PARTY advocates the use of the term "White" generally over the terms "European" and "Caucasian". The reasons for this are many, but a few examples will serve to explain the superiority of the term "White" for political purposes.

We do not have dual national *or continental* loyalties. Americans only national and continental loyalty is to the USA and the North American Continent. We do not want to be confused with jews whose first loyalty is to Greater Israel, and who seek to govern our affairs for the benefit not of Americans, but jews.

When America is again made almost wholly White, we will have a White Continent of North America. Europe is not the only White Continent and we do not want to confuse White blood with European soil exclusively. North America and Australia are also White Continents and when discussing White existence and White interests, we should recognize this fact. White is a bloodline and our territory is expansive. Blood and soil is not merely White Europe, but also White North America and White Australia, and very much White Regions of Asia, which I propose we make a part of Europe.

Classifying us as "Caucasians" in political discussions is a bit like calling jews "Ashkenazi Khazars", in that it redirects our physical reality into abstract categorical imperatives which invite sophomoric quibbles and the parsing of terms in endless and pointless squabbles which divide us rather than unite us. It takes away the dignity of our real existence and makes us a term of art and science rather than a real family who can embrace each other in the real world.

White Continental Integrity: A POWER PARTY Proposal

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I propose that Whites pursue a policy of White Continental Integrity, whereby the continents of North America, Europe, and Australia are declared to be White Territory. This should be done not to internationalize or federalize these regions, but rather to provide territory understood by all to be White Territory with a common defense and survival interest that focuses on preserving the genetics of White People. It will also provide leadership for the global interests of humanity in preserving peace and the living environment.

I further propose that Whites take an interest in acquiring the territories of Mexico and Central America for White Territory. Should Whites merely deport Mexicans and Latinos who have

migrated onto American soil to Mexico, Mexico will enter into an even worse humanitarian disaster. I suggest that we instead send Mexicans and Central Americans to South America and work with those governments to create agricultural and infrastructure projects which will provide them with a reasonable standard of living, preserve the environment and provide healthy organic food for the World.

In addition, I propose that the full extent of Russia become a part of Europe and that we pursue a policy of making Kazakhstan Russian territory. Asia will become a sort of Subeurope.

We should create new maps which feature these changes and exhibit a golden border around White Territories. Whites should unite in common defense measures centering around the maintenance of our nuclear arsenals for the purposes of Mutually Assured Preservation and World peace. Whites should also create a new currency of trade called the American "Grainback" as a debt free currency (viz. the "Greenback") which is effectively "backed" by the grain exports it will facilitate. This will come to replace the petro dollar and will maintain its value through the necessity of its use as payment of debts to Whites and White Nations and as the instrument of trade in White goods and services, primarily in food, chemicals, raw materials and industrial goods.

Let me be clear that our only national loyalty is to America and that I do not want to tell Germans or Russians how to run their countries or lead their lives, nor do I want them governing the internal affairs of America. My goal is to preserve and homogenize, not internationalize or disperse, these populations and territories.

In the past, mountain ranges and other geographical features preserved and isolated peoples

and cultures. Today, the continents can serve to preserve Whites.

There Should Be an International Effort to Resolve Tensions Between India and Pakistan, and Between Shia and Sunni Muslims

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The genocidal jews are trying to stir up a nuclear war between India and Pakistan. The jews also want to pit Shia and Sunni Muslims against one another. The Mossad is committing false flag terrorism to create and intensify conflicts amongst all these groups.

Politicians in India and Pakistan are exploiting and compounding antagonisms between Muslims and Hindus to increase their power and popularity. Religious leaders abandon their principles and cry out for human blood. The situation threatens to erupt into a nuclear war. Indians and Pakistanis have too much invested in destroying each other to arrive at an equitable and lasting solution on their own.

Indians and Pakistanis, Sunnis and Shia, need a forum to air their grievances and propose their

solutions in a neutral and relatively calm environment. World peace depends upon the resolution of these growing conflicts and all of us have a vested interest in solving these problems. I propose a summit of religious and academic leaders be held on neutral ground at some university.

Students from around the world should gather together with academic and religious leaders and discuss the situation and propose equitable solutions. The governments have failed. The people ought to try their hand at maintaining the peace.

The jews will try to dominate and scuttle any such effort, and the wretched Mossad will try to false flag terrorize it. Perhaps an online event could open the door to more direct talks. We must insist that the governments of the world put an end to the jews' false flag terrorism. Israel has to be contained and constrained. In the meantime, men and women of good will must do what they can to create productive dialogue between Pakistanis, Hindus, Sunni and Shia. The fate of mankind depends upon our success.

White Nationalists Should Stop Deriding Americans and Americanism

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

In the writings and speeches I recall, Adolf Hitler was very careful to always praise the German and Germany even when criticizing government policies and the sad state of the German People in Weimar Germany. He never attacked Germanism or the German People, or for that matter the heroes of German history, the way that American National Socialists attack the American People, American History, the Founding Fathers, the Constitution and by way of omission the pre-history of the American Colonies and their formation.

The NSDAP rejected and outlawed the type of anti-nationalism being foisted upon us by some White Nationalists in the name of nationalism. There is little of merit found in National Socialism which was not first embraced by Americans and better expressed by our Founders and

their foundational writings and speeches.

This in an important issue to address, because when White Nationalists attack Americanism in the name of nationalism, they are weakening our nation, the American spirit and our cohesiveness as a people, leaving us ripe for nihilism, chaos, subversion and destruction. This is a general tendency of Socialists, who have always sought to undermine society so as to weaken it in preparation for revolution and takeover, but it was not a policy of Adolf Hitler or the NSDAP. Quite the contrary, they always, to the best of my knowledge and belief, praised Germany, Germans and the significant figures of German history. When addressing the sorry state of Germans under jewish tyranny, the National Socialists excused Germans and sought to provide them with the resources they needed to fulfil their natural potential.

It is vital for us to strengthen our American spirit and to demonstrate that the jews are undermining the intent of the Founding Fathers, not fulfilling it. We have to create a positive attitude and spirit towards White Americans and teach them who they are, not try to turn them into National Socialist Germans, nor attempt to turn them against themselves or against America.

The NSDAP needed Christian support, but they knew that Christianity is obvious jewish BS that was highly destructive to Europe. The same is true of many of our Founding Fathers. The jews would not have been allowed into Germany if it were not for Christianity which destroyed much of ancient German tribal culture and which led the Germans to welcome in the jews as the Chosen People of the jewish Bible. Before there was communism, there was Christianity, and if the NSDAP were consistent in its laws banning jewish literature, it would have banned the

jewish Bible and zionist literature, but it did not ban this jewish subversive literature, and only proscribed zionist literature after the zionists had failed to persuade jews to migrate to Palestine and stay there.

The National Socialists failed and failed miserably leaving Germany and Europe in ruins and jews in charge of the World, but they did promote many of the best ideas that our Founders embraced and much of what they advocated is consistent with an Americanism that can defeat the jews and free Whites. Their anti-Americanism is not good for us, because it becomes anti-nationalistic when embraced by Americans against themselves. Christianity is also not good for us because it is and always has been a culture consuming parasite on the necks of Whites, but we must tolerate and work with Christians, being ever wary of the fact that the most devout of Christians are often the most immoral and back biting scoundrels ever to darken the White race.

Many Christians falsely attribute all that is good about Whites to Christianity, ignoring all the harm Christianity has done to Whites. Christians ruined the glories of the ancient White world, and it was only by resurrecting the glory of the Greeks and Romans that Whites recovered some of what jewish Christianity stole from them for centuries, including liberty and freedom of speech. Western Civilization comes largely from the Romans and Greeks, not the jews or Christianity, which has always repressed the progress of Whites.

Million American March Against Chinese Communists

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Chinese and other Asians are beginning to invade America. The invasion is progressing much as did the Mexican invasion, first a few shops here and there, then neighborhoods, then adjoining neighborhoods, etc.

I think the *POWER PARTY* has an issue which will resonate with Americans. Why did we let the Chinese steal our economy and why are we letting them in our country to steal it? Why are our politicians silent on China and their nuclear weapons and growing military, but blowhards on Iran and Islam?

I think if we hit this issue hard we can use it to attack both the Democrats and the Republicans and use the issue as a gateway issue to the jewish problem and the general corruption of our wealthy class and government to serve the communist jews. We ought to start using the term "communist" jews more often than "zionist" jews.

We should inform Americans that the jewish communist agenda rules China and the jews are imposing bolshevik laws on Whites around the World to silence and genocide us. I think calling the jews communists and linking them to their attack on America, Europe and Australia will

better serve us than forever harping on Israel and the Palestinians. I am not suggesting in any way that we stop criticizing the Zionists and by name, nor that we take any focus off Israel. But rather that we make an even greater effort today than we have heretofore and do so by tying the jews to their communist subversion of our nations and our rights by internationalizing us and criminalizing free speech, violating our privacy, restricting our travel, etc. These are all obvious communist attacks on our peoples and the fact that China is the largest nation to ever have existed and is communist must serve as a warning to all that the communists are taking over the World.

If we can get some media behind us we should call for a million American march against the Chinese and their theft of our economy, our government, and increasingly our nation itself. It is a short step from there to linking the Chinese communists to the jews who created them. We must also focus attention on how our largest corporations and government sold us out to the communists and have run our press and our government throughout this and the last century.

POWER PARTY First Steps to Exposure

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

I have a few ideas of things we could do quickly, easily and inexpensively to gain exposure for our Party. People are frustrated and feel they don't have any choices which represent their best interests in the elections. We need to show that we represent the moral high ground, and we need to define morality and contrast it to the immoral attacks and threats we face.

So small a group as four or five of us could easily hold a brief demonstration, or form a flash mob, that we could video and place up on the internet. We could protest in front of the Israeli Embassy or a Consulate and instead of doing a pro-Palestinian or 9/11 protest, demand Israel open up its nuclear program to IAEA inspection. We have to do something to stop the march towards an Israeli attack on Iran and this would give us the moral high ground and take it from the jews. Alternatively, or in addition, we could hold protests in front of the major news networks demanding that they give equal time to Israel's and China's nuclear weapons programs, as they do to Iran's peaceful nuclear program. We could do something similar at the offices of members of Congress. We should also protest the mistreatment of Christians in Israel, something new and newsworthy that places the jews on the defensive in ways they don't expect.

We could hold a protest in front of the South African Embassy and call for an end to White genocide in South Africa. Let our White brothers and sisters know that there is hope and that we will come to their aid with the force of our military as soon as we gain the power of the State in the United States, and that there will be a day of reckoning for those who murder Whites.

We could hold rallies in front of the Canadian, Australian, British, French, German, Austrian, etc. embassies demanding that free speech rights be honored in these nations, and stating that when we come to power we will place the American military in the service of freedom and

liberation in Europe. It will be our goal to restore the image America as a force for freedom and liberation from Bolshevik tyranny both internally and abroad.

Hungarians, Ukrainians, Poles, Lithuanians, etc. waited in vain the entire Cold War for Americans to rescue them as they claimed to be fighting Communism. We should not repeat the national mistakes we have made at the hands of the jews. This will free Whites and it will restore the good will Europeans used to have for Americans.

We can protest at the Chinese Embassy and Consulates and demand that they stop stealing our jobs, stop spying on us and corrupting our government. We should do new, unexpected things that people will find interesting, thought provoking and things they want to support.

Brendon O'Connell provided an example of how easily and effectively such things can be done. What say we give it a try?

I am guessing that many people will appreciate such real world action and will want to find out more about it and participate in it themselves. There is a tremendous amount of pent up frustration out there and if we can become an outlet for expression and solutions, then we will gain support rapidly.

The Ice Is Breaking!

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Heartfelt thanks to my friends old and new who have offered up creative ways to progress to the next level! Please allow my a little bit of time to digest these ideas and offers and come up with a plan to implement them.

My first concern is to organize these initial efforts in a smart way that makes those who join us more powerful and secure. We should become wealthier and stronger in our general community as we become wealthier and stronger in our political community. I will not disappoint those who have trusted in me, and now that things are moving I want to proceed in a way that will help these individuals.

So how do we broadcast our message to the general public? Duke is taking a soft and romanticized pseudo-egalitarian approach. The libertarians have gone quasi-patriotic and semi-grunge. The Fascists and National Socialists are demeaning our historic nationalistic roots and trying to supplant them with NSDAP style agitprop and political programs. The Catholics want to become Amish. MacDonald is somewhat retreatist and ivory towerish and fails to grasp the intentions and economic power of the jews and how it functions.

Farmers are very important to our Party, and our nation. They are currently producing dangerous food, but are generally fairing pretty well financially compared to other sectors of our economy. They are White, religious and stubborn in their beliefs. They are also traditionally

populists. I think we can reach them with traditional American populist propaganda and I think we should try. They could become an important base of support in many ways. We might be able to create labor opportunities for White Americans who believe as we do, and we can have our people work on farms and spread our message to farmers. We need healthy food, to deport the illegals, etc. and farmers seem to me to be an obvious group who would benefit us and would benefit from us.

Suburbanites are also a community we should try to reach. They have been hit hard by Obama. They are the product of White flight and now have nowhere to run. House prices are way down. Their children are graduating into a work force with fewer opportunities and lower wages. We can reach them a message of how White flight occurred, the result for our cities and our economy, and how the immigration situation is robbing whole States from our nation. All the traditional political issues of education, crime, taxes, etc. are issues we should own and will help win suburbanites to our cause. I think we should focus on these meat and potato issues with White suburbanites.

Urban Whites are just plain generally nervous about the stability of our system, and we should emphasize our ability to protect them, especially women and children in our big cities. We should emphasize their inherent right to self segregate and the violent discrimination they face in non-White neighborhoods, government jobs and in colleges and universities.

Our first big plunge should be done in a carefully planned way, and I want bigger numbers, more media and money, and absolute anonymity for those who need it, before I recommend we openly act. Thank you, you have given me back my energy to fight and I will not let you down!

A Community of News Junkies and Gossiping Hens Will Not and Cannot Defeat the Jews

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jewish "alternative media" is mostly a news service, like Reuters, the Associated Press, etc. It mostly digests and disseminates news distributed by the jewish mass media, and spins it in a way in which persons opposed to jewish power serve jewish interests mistakenly believing they are fighting jewish interests.

The Ron Paul jewish libertarian debacle is one example of this. The misbegotten belief that Chuck Hagel is a friend of American interests is another.

Whenever an authentic opposition arises, one that goes beyond merely regurgitating the news with a pro-jewish spin masquerading as if an anti-jewish take on the news, one that establishes an anti-jewish power political apparatus, the jews tickle their gossiping hens and start up a soap opera of "in fighting" which is in nothing more than a jewish slight of hand trick to misdirect the

interest of anti-jewish strategists from their work and support base. But when the jews have a dedicated interest in promoting a political candidate, like Ron Paul, then the name calling, gossiping and soap operas take a back seat to serious political action. Then the news junkies are told to take real world action. In this way, the jews miraculously turned the meek, weak and inane old psychopathic fool Ron Paul into an action hero capable of saving the World.

But the jews did not depend on this narrow community of do nothing news junkies and gossiping hens to accomplish anything other than bringing the jews' message to wider audience with their jewish propaganda. They used you as a megaphone, and for that purpose you are fit, given that you love to parrot the latest news and gossip. They did not use your money or your influence. They instead had big time jewish money men and jewish media which they could hide beyond your megaphone to make it appear that the bankers' man was a grass roots hero. And you obliged them.

The problem we face is getting around you parrots, gossipers and news junkies to reach serious people capable of actually doing something more meaningful than jibber jabber and whining. Can it be that the entire affluent and celebrity class of America has been so taken in by the jews that not single one of them will enter into the fight against the jews who are ruining us? If so, what is the mechanism the jews use to subvert every last member of this class, and how do we work around it?

I have spoken to many extremely wealthy and famous people who were quite knowledgeable about the genocidal crimes, evil designs and power of the jews. But not one of these many will join the fight against the jews in any meaningful way, not a one. We cannot accept this as an

impasse, so what do we do?

I suspect there is at least a 50/50 chance that the jews will cause at least one nuclear device to be used in war in the coming year. We have no choice but to try to stop them, and yet you do nothing. I cannot understand your inhumanity. It is as if the jews have mesmerized the entire lot of human beings with a single meaningless slur "anti-Semite" and it covers you like a cement tomb that prevents you from taking any action.

Do not pretend to yourselves that gossiping and bitching about the news is a means of fighting back. There is no time left but to do something substantial right now. I have to reach a different audience, one that will take action, and I have to do it soon.

Do Not Use the Palestinians' Plight as an Excuse to Refuse White Supremacy

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The jews do not want Whites to assert their superiority or to feel good about themselves or their history. The jews employ situational ethics and will attempt to claim all sides of every issue as

their own. If you assert White superiority, the jews will claim to be victims of your greatness and throw the holocaust they engineered and lie about in your face. If you criticize the jews' genocidal attack on the Palestinians, they will defend their supremacist beliefs and actions by pointing out the White genocides of American Indians and African Blacks, and again will throw the myths of the jewish holocaust in your face.

Do not let the jews control your thoughts, actions or self definitions. The Palestinians' cause was lost in 1948. They can only be restored to their land by the annihilation of the jews of Israel and this will only occur if Whites claim supremacy over their fate and deem it just for their land to be restored to them. Palestinians are not supreme over their land and what we should learn from their plight is the need for us to be supreme, not the surrender of our natural power.

There is no moral or other equivalency between White Supremacism and jewish supremacism. But there is a highly dangerous equivalency between judaist supremacism and Christian supremacism, both of which seek to destroy the Earth and create a World government ruled by jews and jewish law. Christianity is White defeatism. We will have to tolerate our Christian blood brothers and sisters, but should not muzzle ourselves or our criticisms of their jewish beliefs. The most accessible statement of jewish supremacism is the jewish Old Testament and it is our best weapon to defeat the jews and demonstrate their supremacist plan to genocide the superior White race. It is not the word of any god, let alone any White god. White Gods generally have the natural dignity of bodies and brains and White faces. They are not a mythology of consciousness as if fart spirits in an otherwordly wind of supernatural light. They instead declare the supremacy of Whites in flesh and mind, and White Gods defend, not destroy, White Nations.

White Supremacists -v- jewish and Chinese Supremacists, Who Will Win?

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The Chinese are absolute supremacists. They believe that they are genetically superior to the "barbarians" (all non-Chinese). The Chinese hold that China, meaning center, is the center of the universe. And the Chinese openly and unashamedly proclaim their "cultural supremacy". Even among the Chinese supremacists, the Cantonese are a genetic aristocracy.

The Chinese are ruthless and merciless. The jews created Communist China and Taiwan. Mao and Chiang Kai-shek were both jewish puppets. The jews used the Imperial Japanese to destroy Russia and to weaken China in preparation for a jewish Communist takeover. Zionist jews migrated to China as a stepping stone out of Europe and into Palestine. Jews have always considered themselves Asiatics, and not Europeans. Einstein stated that he was eagerly awaiting the genocide of the hated despicable Europeans and the rise of the glorious Chinese. The jew bolsheviks employed the merciless Chinese to slaughter the best of the Russians.

The jews created the Chinese nuclear program and have been giving it full and open support

since the Clinton administration. I strongly opposed this policy in the mid 1990's and warned that Asian students in our universities were spies and that the Asians were conducting a massive espionage campaign against America and Europe. I was attacked with the same slanders and libels tossed at me today. I publicly warned that the Chinese would surpass us with our own money and enterprise, and I was scorned and laughed at. I pointed out that the Chinese were employing new industrial capital which would obsolete ours, just as the Japanese and Germans created new industrial capital after WW II destroyed their manufacturing capabilities, and that this state of the art manufacturing technology gave them an edge. History has proven me correct.

Can Whites defeat the jewish led Chinese supremacists by maintaining a jewish generated self defeating egalitarian code of "ethics"? One that is egalitarian in name only, but which hamstrings Whites while boosting all non-Whites? Can the living environment survive a World of Chinese supremacists exploiting every resource including humans, land, air and water, while recklessly polluting the entire Earth?

The Chinese believe that they are superior and their sense of superiority is incorporated into their language and is ingrained in their culture and historical objectives and national traditions. To compete with them and defeat them, we must become even more devoted supremacists. We must change this crap "anti-Zionist Movement" which is today nothing more than a jewish news service used to manipulate anti-jews into serving jewish objectives, into a real world political force.

Instead of merely linking to news stories depicting jewish power and hypocrisy, we must instead

make gains and organize. Instead of greeting each day with an internet newspaper informing us that we are already defeated, we need to broadcast our successes and report on our growth. We need positive reinforcement to encourage us and grow our political power. We need enthusiasm and power and we can only increase these with a message that we are superior and that we deserve our power and need to increase it. Enough of the Christian hatred of life and our genes! We need to assert ourselves as the masters of our fate and the fate of our Earth.

The Chinese and their jewish advisors and supervisors are not superior to us, though their power is growing as we surrender ours. We control the food, the nuclear weapons and the money supply. They have labor and finance on their side, but we can easily convert this to our advantage. But we will not convince our White brothers and sisters to join us if we do not represent power and superiority. Whites pursue powerful leadership and will submit to Chinese if no opposition to the surrender arises. Merely asserting that we have equal rights to non-Whites will not help us to win, just as it has accomplished nothing for American Blacks but their decline. If Whites claim that all are equal, then Whites who function by this rule will be defeated by non-Whites who shun this mythology that runs counter to nature and experience.

The National Socialists of Germany could not have engineered the economic rise of Germany post-Weimar without repudiating their debts and declaring themselves superior to their enemies and competitors. Their spirit of production and brotherhood would not have risen to the level it did without their sense of purpose and superiority.

We can halt China's progress in its quiet war against us tomorrow by repudiating our national debts as a jewish subversion. We can collapse their markets by replacing Federal Reserve Notes

with a new domestic issue of Greenbacks, and the creation of the Grainback for international trade. We have ways of fighting back and winning, but don't expect the jews who want to destroy America to do it for you.

Instead of reading news stories of how the World is going to hell through the links of your favorite jewish "anti-Zionist" website, would you not rather greet the day learning of *POWER PARTY* candidates, meetings and marches? Look at how Golden Dawn sparks the imagination and is so infinitely more encouraging than a link to some article in Haaretz or the Washington Post. Now imagine how much better our lives would be and how much more progress we would make if we had a political power movement to participate and rejoice in?

The recipe requires three ingredients: manpower, media and money. The one thing we no longer have is time.

Fascism, Socialism and a derogatory tone towards America and the Founding Fathers are counter-productive and do not inspire Americans to become American Supremacists, but rather farcical cartoon wannabes. Our national heritage is great and positive and has always been supremacist. We need to return to our roots to motivate our people to inherit their greatness and superiority, lest we mock ourselves with the greatness of others unlike us in their history and national character and by doing so defeat ourselves.

We can only defeat jewish supremacism and Chinese supremacism by competing on that level of shameless superiority with White Supremacism.

The Arab Spring, Pan-Turkey and the Union of the Mediterranean All to Invade White Europe

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

For many years, I have been warning that the jews will implode the Arab and other Muslim nations and create their "Union of the Mediterranean". Though the jews would have us believe that America and Europe are destroying African nations in hopes of again colonizing Africa, the exact opposite is true.

The jews are siccing the Americans and Europeans on Africa and the Middle East in order to force Africans and Middle Easterners to colonize Europe and America. The jews are first creating chaos in these African and Middle Eastern nations. After a sufficient period of suffering, the jews will propose that the only viable solution to the misery of the hypernationalism and civil and internecine wars the jews have imposed these countries is the proposed utopian peace of internationalism. The jews will drive the Muslims to clamor for internationalism as the only means to restore order and peace.

Turkey will lead the way as the jews' servant in Islam. Turkey will join the EU while opening its borders to all Muslim nations, thereby forming the mouth of the funnel into Europe. Greece will lead Europe into chaos, rendering it weak in the face of the coming invasion. Germany will welcome Turkey's entrance into the EU.

Meanwhile, North Africa and the Middle East, exhausted from civil and fraternal war, perpetual chaos and growing unemployment and famine, while cede its sovereignty to the long planned Union of the Mediterranean which will merge with the EU and Pan-Turkey to form the completion of the jewish dominated reestablished Turkish Empire. North Africans and Middle Easterners will be forced to migrate into Europe, not only colonizing it, but becoming the majority population together with an influx of Chinese, Pakistanis and Indians.

I have been warning about this for many, many years, and I am the only one doing so (the below links also contain links to my much earlier warnings):

If You Don't Bite the Hand that Feeds You, You Will Become the Dog on the Leash

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Children rarely appreciate the work their parents do to feed them. Nature has prepared children to become masters, not slaves. It is only children whose will has been artificially broken, who view themselves as slaves of their parents.

Adolf Hitler argued in "Nation and Race", chapter 11, volume 1, of *Mein Kampf*, that "Aryans" were only able to advance into high culture by enslaving lesser races and only then after conquering lesser humans and exploiting them as slave labor, were animals as beasts of burden put into productive use, followed by machines and other labor saving devices:

"Am deutlichsten sehen wir dieses an der Rasse, die Träger der menschlichen Kulturentwicklung war und ist — an den Ariern. Sobald sie das Schicksal besonderen Verhältnissen entgegenführt, beginnen sich ihre vorhandenen Fähigkeiten in immer schnellerer Folge zu entwickeln und in greifbare Formen zu gießen. Die Kulturen, die sie in Solchen Fällen begründen, werden fast immer maßgebend bestimmt durch den vorhandenen Boden, das gegebene Klima und — die unterworfenen Menschen. Dieses letzte allerdings ist fast das ausschlaggebendste. Je primitiver die technischen Voraussetzungen zu einer Kulturbetätigung sind, um so notwendiger ist das Vorhandensein menschlicher Hilfskräfte, die

dann, organisatorisch zusammengefaßt und angewandt, die Kraft der Maschine zu ersetzen haben. Ohne diese Möglichkeit der Verwendung niederer Menschen hätte der Arier niemals die ersten Schritte zu seiner späteren Kultur zu machen vermocht; genau so, wie er ohne die Hilfe einzelner geeigneter Tiere, die er sich zu zähmen verstand, nicht zu einer Technik gekommen wäre, die ihm jetzt gerade diese Tiere langsam zu entbehren gestattet. Das Wort: "Der Mohr hat seine Schuldigkeit getan, der Mohr kann gehen" hat leider seine nur zu tiefe Bedeutung.

Jahrtausendelang mußte das Pferd dem Menschen dienen und mithelfen, die Grundlagen einer Entwicklung zu legen, die nun infolge des Kraftwagens das Pferd selber überflüssig macht. In wenigen Jahren wird es seine Tätigkeit eingestellt haben, allein ohne seine frühere Mitarbeit wäre der Mensch viel. leicht nur schwer dorthin gekommen, wo er heute ist.

So war für die Bildung höherer Kulturen das Vorhandensein niederer Menschen eine der wesentlichsten Voraussetzungen, indem nur sie den Mangel technischer Hilfsmittel, ohne die aber eine höhere Entwicklung gar nicht denkbar ist, zu ersetzen vermochten. Sicher fußte die erste Kultur der Menschheit weniger auf dem gezähmten Tier als vielmehr auf der Verwendung niederer Menschen.

Erst nach Versklavung unterworfener Rassen begann das gleiche Schicksal auch Tiere zu treffen und nicht umgekehrt, wie manche wohl glauben

möchten. Denn zuerst ging der Besiegte vor dem Pfluge — und erst nach ihm das Pferd. Nur pazifistische Narren aber vermögen dies wieder als Zeichen menschlicher Verworfenheit anzusehen, ohne sich darüber klar zu werden, daß diese Entwicklung eben stattfinden mußte, um endlich an die Stelle zu gelangen, von wo aus heute diese Apostel ihre Salbaderei in die Welt setzen können.

Der Fortschritt der Menschheit gleicht dem Aufstiege auf einer endlosen Leiter; man kommt eben nicht höher, ohne erst die unteren Stufen genommen zu haben. So mußte der Arier den Weg schreiten, den ihm die Wirklichkeit wies, und nicht den, von dem die Phantasie eines modernen Pazifisten träumt. Der Weg der Wirklichkeit aber ist hart und schwer, allein er führt endlich dorthin, wo der andere die Menschen gerne hinträumen möchte, von wo er sie aber leider in Wahrheit eher noch entfernt, als daß er sie näherbringt.

Es ist also kein Zufall, daß die ersten Kulturen dort entstanden, wo der Arier im Zusammentreffen mit niederen Völkern diese unterjochte und seinem Willen untertan machte. Sie waren dann das erste technische Instrument im Dienste einer werdenden Kultur.

Damit aber war der Weg, den der Arier zu gehen hatte, klar vorgezeichnet. Als Eroberer unterwarf er sich die niederen Menschen und regelte dann deren praktische Betätigung unter seinem Befehl, nach seinem Wollen und für seine Ziele. Allein, indem er sie so einer nützlichen, wenn auch harten

Tätigkeit zuführte, schonte er nicht nur das Leben der Unterworfenen, sondern gab ihnen vielleicht sogar ein Los, das besser war als das ihrer früheren sogenannten "Freiheit". Solange er den Herrenstandpunkt rücksichtslos aufrechterhielt, blieb er nicht nur wirklich der Herr, sondern auch der Erhalter und Vermehrer der Kultur. Denn diese beruhte ausschließlich auf seinen Fähigkeiten und damit auf seiner Erhaltung an sich. Sowie die Unterworfenen sich selber zu heben begannen und wahrscheinlich auch sprachlich dem Eroberer sich näherten, fiel die scharfe Scheidewand zwischen Herr und Knecht. Der Arier gab die Reinheit Beines Blutes auf und verlor dafür den Aufenthalt im Paradiese, das er sich selbst geschaffen hatte. Er sank unter in der Rassenvermischung, verlor allmählich immer mehr seine kulturelle Fähigkeit, bis er endlich nicht nur geistig, sondern auch körperlich den Unterworfenen und Ureinwohnern mehr zu gleichen begann als seinen Vorfahren. Eine Zeitlang konnte er noch von den vorhandenen Kulturgütern zehren, dann aber trat Erstarrung ein, und er verfiel endlich der Vergessenheit.

So brechen Kulturen und Reiche zusammen, um neuen Gebilden den Platz freizugeben.

Die Blutsvermischung und das dadurch bedingte Senken des Rassenniveaus ist die alleinige Ursache des Absterbens aller Kulturen; denn die Menschen gehen nicht an verlorenen Kriegen zugrunde, sondern am Verlust jener Widerstandskraft, die nur dem reinen Blute zu eigen ist.

Was nicht gute Rasse ist auf dieser Welt, ist Spreu.

Alles weltgeschichtliche Geschehen ist aber nur die Äußerung des Selbsterhaltungstriebes der Rassen im guten oder schlechten Sinne."

Several circumstances in modern America threaten to place Whites into servitude to others whom we have exploited as slaves. The hands which feed us are about to pick up the whip and enslave us, or more likely exterminate us.

The process of the conquerors becoming the conquered through miscegenation, low birth rates, income disparity, disenfranchisement, etc. can occur quite quickly in America due to the very advances in technology we have created and encouraged. In addition, we have the pressure of the jews who deceive our young into becoming uneducated consumers of culture rather than the creators and advancers of culture.

The master slave relationship of White Americans to those who labor to produce the goods and services we consume has essentially lost its natural context to the point where Whites now feel oppressed and inferior. The master views himself as the slave and slave is in search of the reins of powers.

Labor is no longer viewed as an honorable means to advance culture, or as the work of slaves. Rather, labor is viewed as power itself. Mexicans offer labor to assume power over land, resources and political control in America. Chinese offer labor to assume power over capital and the supply side of markets. Whites no longer view Chinese or Mexicans as slaves, but rather as

laborers and laborers are now viewed as the centers of power not slaves. Behind this mask of power, sits the fat jew whose control of finance regulates the rest of humanity as its slaves.

Jewish communism has thereby triumphed as the struggle of inferiors to overwhelm the power and culture of their once superiors, only to drag down humanity to the point where the gains in technology are disregarded in favor of savage primitivism, chaos and perpetual war and destruction. Where crude and bulk labor is power, the master is relegated to slave status and civilization crumbles, at least where the jew rules all from the shadows.

The jews have made the Chinese our labor slaves and we the jews' debt slaves. As our debts come due, Chinese labor trumps our consumption and gives them greater power, but only so long as they can turn over their goods. Mexican labor likewise depends upon American initiative, consumption and production, all of which are disappearing. Humanity at large is being degraded as White power falls increasingly under the yoke of jewish domination.

The solution for Whites are Autarky through technology and self empowerment though segregation and the use of labor to advance White culture, rather than destroy it. Where we use foreign non-White labor to provide us with goods and services, we must always only do so in ways which increase our power, rather than diminish it. We must never allow this foreign labor to gain influence through citizenship or finance capital, nor through our failure to maintain Autarky and at least a few notches above subsistence and complete independence at all times.

We have invited slaves to work for us, both domestically and abroad, and labor has taken over our power by increasing the power of jewish middle men and financiers. Rather than serving us,

labor has come to dominate us. We now face a situation where we must bite the hand that feeds us and either resume the open and cruel dominance of a master over a slave, which we today find morally repugnant, or we must use our brains to maximize our own labor with technology so that we can isolate ourselves from the genes and power of others.

Nature does not allow for egalitarian competition for there is always an edge to be had and all human beings have the ability to realize an advantage and exploit it. Either we will be on top and absolutely control our own lives, or someone else will take control and shove their boot on our faces. Today, jews and non-Whites are driving our culture and the result is degeneration on all levels. Only Whites can and will save Whites from this fate, and only the failure of Whites to take control over that which we already have can defeat us, so great is our present power if only we would exercise it.

Whites control the vast majority of the nuclear weapons in the World, and most of the farmable land. We have the power at our disposal if we make our advantages the means to power, rather than slave labor and jewish finance.

I Told You the jews Would Approve Hagel's Nomination

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

The curtain has come down on the groveling Goy puppet show and the Senate has approved Chuck Hagel's nomination as I always said they would. Why? Because he is theirs. They own him lock, stock and barrel.

Some jews will pretend they have lost, but the vote tally proves the jews wanted Hagel and wanted him badly. Hagel has already given the jews priceless goods. He has shown the only way to succeed is to suck, hard and long on the jews' bagel. Now Hagel will run and fetch and spend every moment proving how devoted he is to his masters, how great Israel is and how evil old Iran is. Hagel has placed Iran and Israel at the top of the news and made them a common discussion. Hagel helped lunatics in Israel win elections. Now Hagel will help Netanyahu form a war coalition.

But the most dangerous thing about Hagel is what his appointment proves about the jews' plans for America. Hagel wants to disarm our nuclear arsenal. Just as when the jews collapsed the Soviet Union the jews created, nuclear materials and weapons went missing, so to will our bombs and plutonium disappear, not into MOX fuel or storage facilities, but into the nuclear arsenals of Israel and China.

The jews won and won big with Hagel. Their win is a horrific loss for America, perhaps even a fatal blow. Mark my words!

Poisoning the Well of the Nuclear Fortress of America

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

If we had a White government in power which defended our interests, our nuclear arsenal would make us virtually invincible. We could then use it to ensure that no nation developed the means to take dull this edge or render it obsolete.

Because of our nuclear weapons, the jews have a difficult time provoking any nation to attack our shores, even with terrorism. That is why the jews use our own FBI to manufacture pseudo-attacks against us, as well as jewish libertarian and jewish White Nationalist agents provocateur to incite attacks. No nation is crazy enough to try to invade us at this point–other than the genocidal jews.

The jews feverishly work to maintain absolute control over our government and our media because they are waging full scale genocidal war on us, and must prevent us from ever fighting back. If the pendulum swings back against them, the American People will come to realize that it would be just to wipe them out.

So how do the jews wage war against our nuclear superpower which could at any time erase jewish life from the World?

The jews can kill us all if they can trigger the mutually assured destruction system they engineered, so the jews are aggressively trying to manufacture a nuclear WW III. Not all jews and not all the jews' agents tolerate this madness, but it is the core goal of judaism. Mossad is actively trying to provoke nuclear war in Korea, Pakistan, India, China, Russia and the USA.

WW III proper has been raging for quite some time, and one of the jews' objectives is to ruin America by weakening us through perpetual war and the toll it takes on our minds and our pocketbooks. The jews are also using this war to turn the World against America and to destroy Americans' healthy self image and sense of itself as a people of honor and decency worth saving.

The jews are using several approaches to destroy the USA from within and without. The jews also seek to destroy us by stealing our nuclear weapons, thereby disarming us while transporting these weapons to Israel and/or China. This is one of the reasons why the jews want Chuck Hagel to succeed. This is also one of the reasons why the jews are pushing the Chinese to build more nuclear facilities so as to facilitate a massive expansion of their nuclear weapons program.

The jews want to rot us out from within our nuclear fortress. They have been destroying us as best they can ever since the close of WW II and especially since the rise of Israel. The jews are poisoning our soil, air, water and food. They are poisoning our minds with self hatred, blind materialism, genocidal hatred of Muslims and Russians, pornography, etc. They are stripping away our Constitutional protections and running us into insane debts. The jews are ridiculing our Founding Fathers and turning us against our government and trying to generate a hatred of

government in our People. They are trying to destroy our sense of ourselves. They are deliberately ruining our economy. The jews are radicalizing our youth and indoctrinating them with jewish revolutionary dogma of all types. The jews are destroying our education system and discouraging our youth from becoming educated and competitive. The jews moved the Blacks and Mexicans from the rural South and Mexico into our inner cities while subverting our economy again and again, thereby ensuring the destruction of our industrial base and causing Whites to eventually and inevitably become a disenfranchised minority.

So we see that since the jews cannot at this time simply pay off a nation to attack our shores, as they have done to so many nations in the past. They instead attack us in three general ways. (1) The jews are trying to instigate a nuclear Third World War. (2) The jews are trying to disarm us of our nuclear arsenal and seize control of these weapons to use them against us. (3) The jews are slaughtering us in our own borders by destroying our genes, illegally causing non-Whites to migrate into our nation, and propagandizing and provoking us into a self destructive revolution and balkanization.

These are our blessings from the cursed jews! The jews are trying every means to kill us off, and we do nothing as a nation but deliberately aid the jews and empower the jews!

But there is not only hope, but certain victory if we fight back. If Americans gain political control of our own government, we can use the State to wage war on the jews who are waging war on us. We can again make America a White nation and we can use our nuclear arsenal to secure Europe and Australia as White Continents. We can join with Russia and the rest of Europe to ensure that our nuclear advantage remains and is not directed against our own blood but

instead defends us and prevents all others from gaining an advantage against us.

The jews will never relent, never, not ever, never. Each day you waste not fighting back, the jews gain more power over you and poison your blood and your mind. You cannot insulate yourself from their attack. The jews are poisoning all of humanity and the environment. Even if you do what you can to protect your children, others are not. With whom will your descendants mate? If the jews succeed in destroying our genes, the damage will be irreparable and you cannot protect the race by simply protecting yourself and your children. The only solution is White State warfare back against the jews.

If Yair Lapid Is a Secular Moderate, Then So Was Joshua

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Palestinians, now is the time to be heard. Do not let Netanyahu hide in the shadows from World public opinion as he negotiates a new government that will genocide you. Do not allow Israel to hide from its election nightmare. Do not let the jews pretend that the lunatic Yair Lapid, whom

the jews misrepresent as if a secular moderate, represents anything other than ancient jewish religious bloodlust and the theft of indigenous territory as if by divine right.

Consider what the supposed centrist has said, as documented here, especially point 6 which is an overt statement of jewish messianic religious zionism:

Lapid's platform: No compromise over Jerusalem, no settlement freeze

If this is what the jews call moderate and secular, then there is no hope for the Palestinians. Today's Israel is Kahane's Israel. The mask has come off, as have the wheels. The jews have always intended to steal all of Palestine and their goal is almost met. That is one of the reasons why the jews created the pseudo-religion of judaism to fulfill the requirements for the theft of land by means of the mythical decree of Cyrus.

The metaphysics of judaism amount to little more than devil worship and black magic. There is no real religion to it. Secular jews are just supremacists out to rule the World from Jerusalem, the same is true of religious jews. There is no meaningful difference.

But the genocide of the Palestinians is but one of the their goals. They also want to destroy every nation and genocide every people. Are you willing to do anything to stop them, or are you as defeated as the Palestinians?

Americanism Made Stronger

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

American citizens are vulnerable to the capitalist system because a number of mechanisms have been put in place to give abstractions force in law, which pretenses ought not to have. Corporations restrict the liability of criminals. Corporations generate loan capital in ways which enable criminals to gain control of the nation by means of money instead of work.

We can safeguard the interests of the majority in our society by eliminating corporations and treating the criminal actions of businesses as all other criminal offenses are treated. The State can provide loan capital to finance business, without making ownership a liability free stake in paper, and without providing a means for criminals to generate wealth by betting on the failure of American businesses. This does not necessitate either Fascism or Socialism, and can be done in an American way, which dates back to the prehistory of our nation.

We can safeguard our interests by empowering the citizenry to react to criminal behavior on all levels as it is entitled to do on an individual level. If a business is murdering the populace through poisons, the citizen enjoys a right to self defense which should be recognized in law. We should more often ask, what would a reasonable person do in response to a crime against his person, family or society, and leave it to a jury of his peers to render a decision on whether his actions were justified or not, than to rely solely upon the foresight of a corruptible legislature to

determine in advance all the potential harms a business, person or group may commit. Criminals should not be entitled to harm us without personal recourse to justice. And the State should not bully the individual out of his right to take reasonable action in self defense.

Ex post facto restrictions should not apply where any party or parties has used undue and/or disproportionate influence to corrupt the legislature and/or public opinion so as to prevent justice or the well being of society. And we should not assume that the legislature even under the best of circumstances is able to anticipate all the ways in which criminals can harm us. We need to enact laws which will make it legal for us to act on our own behalf to defend ourselves where the legislature has failed to provide protections and remedies, or been corrupted to prevent them and shield criminal enterprises. We need a "Just Act Act" which will render it legal for a citizen or group of citizens to enforce just action where the government has not.

The alternative is usually supposed to be a recourse to dictatorship to save the people. "Dictator" is an ancient term which in ancient times did not necessarily bear the negative stigma it bears today in America. Dictators were often called upon in times of crisis to provide an efficient means of dealing with an emergency. But there are many dangers inherent in submitting to such centralized power.

The ego of a dictator often results in unnecessary war and overreaching infringements of the rights and dignity of individuals. It is easier and more efficient for an enemy to corrupt even a good willed dictator, than an entire society. Dictators are prone to madness and paranoia. Societies and individuals have a natural inclination to mimic dictators and so the national culture is reduced to a cult of the dictator rather than permitted to flourish and grow under the

process of natural selection.

But, dictators can act efficiently and quickly to bring about needed changes and to conduct wars. If my fellow citizens fail to act immediately to wage war back against the jews with the *POWER PARTY* or something like it, then a dictator with jewish money behind him will emerge promising to save the day, and the masses will clamor for him to save them, as the jews' puppet dictators have emerged every time the jews have imploded a society from at least the days of Rome, onward.

I would rather empower White Americans to rule America as intended in our social contract, than a jew backed dictator. There are sound ways we can accomplish this goal, but we must act now. The pattern that has repeated itself over the millennia places a time pressure on us at this stage. The jews' next move is create chaos and then impose a dictator, followed by more chaos and then genocide.

The choice you face is obvious, death or freedom. If you choose not to act, then you have chosen death and your election will soon be honored. The jews are already poisoning your genes as you wait for someone else to save you. They have already opened the gates to an invasion of your enemies as you stall for time so that someone else will do something. But how many others do you see taking action to save you, rather than empower themselves and give the jews total control in one form or another?

Everything Put on Hold as Netanyahu Forms His Government

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Notice how quiet the press has become recently regarding Israel, Syria and Iran, and the comparatively mild tone it has adopted when addressing these issues. Netanyahu needs breathing room to create his government. The jews want to take the international pressure off of Israel during this process.

Netanyahu would prefer to establish his coalition before jewish puppet Barack Obama travels to Israel. Netanyahu will then be able to address Obama on behalf of the nation of Israel, rather than on behalf of himself, and he will know exactly where he stands with respect to his coalition, and will be freer to assert his power without the hindrance of appeasing one group or the other.

It is much easier now for Netanyahu to make his deals without an international spotlight on Israel or the Middle East. He wants a calm situation where he can coax his co-conspirators in a more relaxed and stable environment to empower him over the fate of the jewish state.

Once he ascends the throne, then Netanyahu will withdraw his sword from its sheath and slash away at the World. At present, he is coyly biding his time like a vampire waiting in his coffin for night to fall.

Note that virtually the entire international press corp and the governments of the World are at Netanyahu's disposal and oblige his whims and needs. It is truly amazing and horrifically tragic. Iran has made several pronouncements which will later be treated as provocative, but are no now being largely ignored to give Netanyahu time and the right environment to form his war coalition.

The Misbegotten Notion that America Was Meant to Be a "Melting Pot" Is a Zionist Jew's Deliberate Genocidal Subversion

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

In stark contrast to the intent of the Founding Fathers, zionist jew and Rothschild agent Israel Zangwill fabricated the myth of an American "melting pot" in his play The Melting Pot: Drama in Four Acts, Macmillan, New York, (1909/1917). Zangwill had a diametrically opposed view of the jewish nation and its quest for purity. Zangwill stated in his book *The Problem of the Jewish Race*, Judaen Publishing Company, New York, (1914), pp. 20-21:

"Moreover,while as already pointed out the Jewish upper classes are, if

anything, inferior to the classes into which they are absorbed, the marked superiority of the Jewish masses to their environment, especially in Russia, would render *their* absorption a tragic degeneration. But if dissolution would bring degeneracy and emancipation dissolution, the only issue from this dilemma is the creation of a Jewish State or at lease a Jewish land of refuge upon a basis of local autonomy to which in the course of the centuries all that was truly Jewish would drift."

We catch Zangwill's and the jews' drift. They would drive us into extinction while preserving themselves at our expense. The jews would refine their own as silver and gold are tried to bring out the best (*Zechariah* 13:9), while insisting that Whites alloy themselves with what Zangwill considers slag and sludge, so as to completely disappear.

The Founding Fathers Declared that America Is White Territory

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

It is only through jewish subversion, that non-White aliens have become citizens of the United States of America, and therefore their citizenship is the product of a subversion and fraud and as

such is null and void. Two of the Founding Fathers' many declarations of blood and soil is found in the definitive laws they passed:

"United States Congress, 'An act to establish an uniform Rule of Naturalization' (March 26, 1790).

Be it enacted by the Senate and House of Representatives of the United States of America, in Congress assembled, That any Alien being a free white person, who shall have resided within the limits and under the jurisdiction of the United States for the term of two years, may be admitted to become a citizen thereof on application to any common law Court of record in any one of the States wherein he shall have resided for the term of one year at least, and making proof to the satisfaction of such Court that he is a person of good character, and taking the oath or affirmation prescribed by law to support the Constitution of the United States, which Oath or Affirmation such Court shall administer, and the Clerk of such Court shall record such Application, and the proceedings thereon; and thereupon such person shall be considered as a Citizen of the United States. And the children of such person so naturalized, dwelling within the United States, being under the age of twenty one years at the time of such naturalization, shall also be considered as citizens of the United States. And the children of citizens of the United States that may be born beyond Sea, or out of the limits of the United States, shall be considered as natural born Citizens: Provided, that

the right of citizenship shall not descend to persons whose fathers have never been resident in the United States: Provided also, that no person heretofore proscribed by any States, shall be admitted a citizen as aforesaid, except by an Act of the Legislature of the State in which such person was proscribed.

United States Congress, 'An act to establish an uniform rule of Naturalization; and to repeal the act heretofore passed on that subject' (January 29, 1795).

For carrying into complete effect the power given by the constitution, to establish an uniform rule of naturalization throughout the United States:

SEC.1. Be it enacted by the Senate and House of Representatives of the United States of America, in Congress assembled, That any alien, being a free white person, may be admitted to become a citizen of the United States, or any of them, on the following conditions, and not otherwise: --

First. He shall have declared, on oath or affirmation, before the supreme, superior, district, or circuit court of some one of the states, or of the territories northwest or south of the river Ohio, or a circuit or district court of the United States, three years, at least, before his admission, that it was bona fide, his intention to become a citizen of the United States, and to renounce forever all allegiance and fidelity to any foreign prince, potentate, state, or sovereignty whatever, and particularly, by name, the prince,

potentate, state or sovereignty whereof such alien may, at that time, be a citizen or subject.

Secondly. He shall, at the time of his application to be admitted, declare on oath or affirmation before some one of the courts aforesaid, that he has resided within the United States, five years at least, and within the state or territory, where such court is at the time held, one year at least; that he will support the constitution of the United States; and that he does absolutely and entirely renounce and abjure all allegiance and fidelity to any foreign prince, potentate, state, or sovereignty whatever, and particularly by name, the prince, potentate, state, or sovereignty, whereof he was before a citizen or subject; which proceedings shall be recorded by the clerk of the court.

Thirdly. The court admitting such alien shall be satisfied that he has resided within the limits and under the jurisdiction of the United States five years; and it shall further appear to their satisfaction, that during that time, he has behaved as a man of a good moral character, attached to the principles of the constitution of the United States, and well disposed to the good order and happiness of the same.

Fourthly. In case the alien applying to be admitted to citizenship shall have borne any hereditary title, or been of any of the orders of nobility, in the kingdom or state from which he came, he shall, in addition to the above requisites, make an express renunciation of his title or order of nobility, in the court to which his application shall be made; which renunciation shall

be recorded in the said court.

SEC. 2. Provided always, and be it further enacted, That any alien now residing within the limits and under the jurisdiction of the United States may be admitted to become a citizen on his declaring, on oath or affirmation, in some one of the courts aforesaid, that he has resided two years, at least, within and under the jurisdiction of the same, and one year, at least, within the state or territory where such court is at the time held; that he will support the constitution of the United States; and that he does absolutely and entirely renounce and abjure all allegiance and fidelity to any foreign prince, potentate, state, or sovereignty whatever, and particularly by name the prince, potentate, state, or sovereignty, whereof he was before a citizen or subject; and moreover, on its appearing to the satisfaction of the court, that during the said term of two years, he has behaved as a man of good moral character, attached to the constitution of the United States, and well disposed to the good order and happiness of the same; and when the alien applying for admission to citizenship, shall have borne any hereditary title, or been of any of the orders of nobility in the kingdom or state from which he came, on his moreover making in the court an express renunciation of his title or order of nobility, before he shall be entitled to such admission; all of which proceedings, required in this proviso to be performed in the court, shall be recorded by the clerk thereof.

SEC. 3. And be it further enacted, that the children of persons duly

naturalized, dwelling within the United States, and being under the age of twenty-one years, at the time of such naturalization, and the children of citizens of the United States, born out of the limits and jurisdiction of the United States, shall be considered as citizens of the United States: Provided, That the right of citizenship shall not descend to persons, whose fathers have never been resident of the United States: Provided also, That no person heretofore proscribed by any state, or who has been legally convicted of having joined the army of Great Britain during the late war, shall be admitted a citizen as foresaid, without the consent of the legislature of the state, in which such person was proscribed.

SEC. 4. And be it further enacted, That the Act intituled, 'An act to establish an uniform rule of naturalization,' passed the twenty-sixth day of March, one thousand seven hundred and ninety, be, and the same is hereby repealed."

We need dig no further than into our own American roots to till the soil for the reemergence of Whites to absolute power in America. We do not need to invoke images of KKK bands, nor are we obliged to liken ourselves to Fascists to free ourselves from jews and alien invasion. We need only be what we are, Americans bound to the social contract that formed America and rendered our soil White territory. These men deliberately rejected the notion that we should be a Christian nation and they deliberately declared that we should be a White nation. Christianity divides what blood unites.

I Told You the Jews Wanted to Assassinate Assad

Citing Lenanese reports, the Iranians are reporting that Turkey and France planned to assassinate Assad:

I warned of this over a month before these recent reports:

Ways to Build Culture: White World and Museum Retailing

Cabela's and *Bass Pro Shops* provide fascinating and compelling examples of what I will call "Museum Retailing". They are outdoor sporting goods stores, but are also first rate family friendly museums with outstanding exhibits of animals and nature scenes, as well as large scale aquariums. If our economy were doing better, I suspect they would be flourishing.

America is well served by these Museum Retailers. I would like to see a lot more of this, branching out into all areas of our culture. For example, hollywood jews have subverted our industrial culture by stigmatizing our scientists and engineers, as well as our tech savvy savants, as if gangly jewish geeks. At the same time, the jews promoted the communist myth of the thuggish anti-intellectual violent working class hero as if the archetypical White male.

It would be wonderful if we had an electronics store built on the Museum Retailer model. Children could come in and build computers on kids Sundays. Exhibits would feature the development of technology and how it has produced labor saving devices. The restaurant would offer organic food and demonstrate how technology can support nature with high tech furniture,

plates, etc. A model futuristic classroom would exhibit new methods of education using high tech electronics.

Another possibility would be a Museum Retailer organic grocery food store. There could be a kid friendly mini-farm with animals and plants. A pond where the kids could fish and buy their catch. A chicken coop where kids could gather eggs and buy them. Kids could earn tickets by working on the farm and buy healthy treats and toys. A carpenter's shop could offer tools to make new toys to buy and bring home. There could be a knitting niche and dress corner, etc.

This would be a good way to strengthen the economy while promoting culture and community. There could be coffer shops where people discuss politics and meet to organize. We could render retailing a community and educational affair.

In order to promote specifically White culture, we could open up White cultural centers and museums. All would be welcome, but the exhibits and activities would be White.

We Need New Avenues for Positive Creative Expression

Christopher Jon Bjerknes

http://www.jewishracism.com [CENSORED FOR TELLING THE TRUTH]

http://www.jewishracism.blogspot.com

Entertainment media, Christianity, stress, internet and computers, and other modern environments for occupying the mind are not being used to promote the health and growth of our society. Consciousness is a very important aspect of our being, which is being abused so that it works against our survival.

In higher animals, consciousness is a dominant factor in mate acquisition and selection. In Indian Hindu culture, the parents, broader community and priests employing astrological mythology are at least as involved in mate selection as are the couple who will bear children. Large families are encouraged based upon a culture which makes dowries and children supported retirement imperatives for parents. The propagation of DNA is controlled by consciousness and community, and the Hindu religion sponsors it and renders it a process driven by intelligence, mythology and tradition, in addition to "physical attraction".

The American economy has become corrupted to serve selfish and destructive conscious desires, rather than the needs of the body and mind. The jews control and manufacture these conscious desires. The jews obstruct the healthy development of White consciousness in many ways which impede our progress and destroy our economic and physical health.

Our educational materials and museums have transitioned from emphasizing science and technology, and the genius of White inventors and entrepreneurs, to politically promoting multi-lingualism and multi-racial integration and miscegenation. Our wealthy class has been schooled with Ayn Rand's subversive jewish doctrines of psychopathic and destructive exploitation of the society which makes the wealthy class possible.

We need to develop a new class of economic leaders who have a social conscience, love our people and respect the fact that it is our nation and our people who make their success possible. Likewise, the society at large must respect these leaders who promote not only their individual interests, but also the best interests of society. Creating these types of conscious incentives is not difficult, because it is our human nature to do so. It is more difficult to train our people to become self destructive, selfish fiends, which is why the jews are so obsessed with dominating every aspect of our lives.

It would be helpful for the promotion of this new class of leaders if we could offer our children, especially in their formative years, better social experiences which encourage high culture and scientific and technological advancement. Days spent in school learning how to speak Spanish and play with non-Whites, and evenings spent on the football and baseball fields are not preparing our children to make America the greatest and most powerful nation on Earth. Pornography, violence, selfishness and anti-White hatred are not a sound basis for entertainment or education.

Our industrial capital is dormant, becoming obsolete and disappearing. This is an imminent danger to the survival of our nation. We are not manufacturing the materials and items we need as a nation, and those who do have the power to hurt us in very bad ways.

If we start now to teach our children, and to create and empower a new class of economic and cultural leaders to compete against the internationalist subversives who today dominate our society and our culture, we will generate the newest industrial capital and have that edge over

our foreign competition. The predominance of our currency gives us a tremendous advantage which we have to take advantage while it lasts.

One of the most pernicious aspects of jewish libertarianism is its relentless attack on our currency. When the British sought to destroy the NSDAP, one of their tactics was to print bogus bills which were counterfeit copies of those which were used by the German Army as an internal fiat currency. These British copies had a vulgar message printed on the back declaring that the money was only good for Hitler's toilet paper. The jewish libertarians are likewise trying to undermine confidence in our currency in their bid to undermine America, all for the sake of making their hordes of gold more valuable. The jews made similar attacks on Greenbacks and only succeeded in ruining the Greenback's value by corrupting the gold markets and retiring the bills. This is one of the chief reasons we should shun the libertarian jews who under a cloak of pretended patriotism seek to destroy our nation.

I am awestruck by the resilience of the American People and the American economy to these centuries long jewish attacks on our people and our nation. This is why I have faith that we can not only recover once we end the jewish war against us and put in power leadership which serves American interests, but that we can vastly surpass all others by being just we were meant to be and are, White Americans.

We can surpass the Republicans and Democrats if we offer Americans new expositions featuring science and technology and an honest assessment of history. I suggest we sponsor fairs that tell the truth, and point out the lies, of the holocaust and 9/11. This will draw media attention, but will not be the primary purpose of our exhibitions. We will be more interested in featuring high

art, music, organic foods, science, technology and history giving exposure to White cultural achievement and potential, and the true nature of our Republic and its establishment as White territory. We want to direct minds and inspire people.

The exhibits at these fairs could become permanent exhibitions at new museums. The jews have several museums promoting jewish myths of the holocaust. There needs to be an honest museum that examines the known facts of the jewish holocaust and its zionist basis, and which contains exhibits covering the jewish genocides of Armenians, Poles, Greeks, Russians, Chinese, Indians, etc.

Exhibits featuring science and technology and the truth of American history could form the basis of new museums promoting White culture and advancement, places where children and adults can learn about their heritage and ways to improve America. If the interest is not there to fund physical museums and fairs, we could create virtual museums and fairs on the internet. A good start would be the online Museum of American History spotlighting America as a White Nation of innovation and freedom. There could also be an online Museum of Holocaust Facts featuring all genocides and supposed genocides, and a virtual library. The more polished and mainstream the sites, the better.

Our political rise should be accompanied by a cultural rise, with the two carefully integrated to sponsor and support each other.
